Messrs R.V.Winch & Co.,

Vancouver,

B.C.

Dear Sirs:-

Please note our net requirements for 1918 should be approximately as follows:-

Kincolith Fisheries Ltd., Mill Bay.

40/6 ply 5 7/8" mesh, 50 meshes deep, grey, 100 nets
half to be of Barbours twine and ½ Crawford & Stuart

The above will cover the requirements of the Portland Fisheries, as well.

Draney Fisheries Ltd., Namu

40/6 ply 5¾" mesh, 50 meshes deep, grey, 35 nets, 20 nets to be of Barbours twine and 15 Crawford & Stuart.

Draney Fisheries Ltd., Rivers Inlet

40/6	ply,	Barbours,	5¾"	mesh,	50 meshes	deep,	W.B.	5 nets
40/6	"	"	"	"	"	"	grey	5 nets
40/5	"	"	5 13/16"	"	"	"	"	5 "
40/5	"	"	"	"	"	"	W.B.	5 "
40/6	"	Knox	5¾"		"	"	W.B.	5 "

Kimsquit Fisheries Ltd., Kimsquit

40/6	ply	Barbours,	5¾"	mesh	50 meshes	deep,	grey,	25 nets
40/6	"	Knox	5¾"	"	"	"	"	25 "

The Skeena River Commercial Co's netx requirements you had better ascertain from Mr. Matheson, as the writer does not know how many new nets are at present on hand in addition to what are on order for the coming season.

In addition to all of the above, I think it would be advisable to order

40/6	ply	Barbours,	5¾"	mesh,	50 meshes	deep,	grey,	25 nets
40/6	"	C.&.S.	5¾"	"	50 "	"	"	25 "

to be apportioned later on to canneries needing them.

Please note that all of the above are to be ordered unselvedged.

Yours truly,

Henry Doyle
