Messrs J H Todd & Son
Victoria, B.C.

Gentlemen:-

I have had an interview with Sweeny and Murray but after talking the matter over carefully they decided that it was putting too much responsibility on them to fix a value on the good will and brand. Consequently that portion of your proposition we are referring to the committee.

As the committee are not all in the one city, which necessitates communicating with the various members, I expect it will be a few days yet before I have a definite answer. I wish now however to be that you will understand the cause of the delay.

Mr Sweeny left today on his trip to England

Yours truly

Henry Doyle
