eat Northern - " 10000 fish Sunday night before the strike had succeeded in calling out their fishermen. On Monday three crews whites went out despite the strike and returned with 7500 sockeyes - an average of over 800 to the boat.

The strike collapsed during Monday night and all boats went out. The canners limited the deliveries to 200 to the boat the price, which was 75¢ for July is 15¢ for August.

On the Sound the Traps are getting so many fish the seiners are reported as unable to market all their catches. Up to date however the take of fish is not as heavy as in 1909 and it is estimated sockeye pack will not exceed 1,000,000 cases.
Humpbacks have not yet appeared on Sound & packers fear a shortage. In S.E. Alaska the hump pack is also very light.
