
Imperishable Spirit!
Emblem of peace in all lands!
Time hath given Thee to hold
in deathless embrace,
And to crown with the glory
of ancient worlds,
A Son of this infant nation,
Who died in time of bitter strife
That a creed of brotherhood
Might be established among men,
And that hate and the rage of War
Might be replaced by everlasting
peace
And universal understanding.
Greater Glory hath no Man!

Jack Cullen.
