My dear Ethel

We start out in the morning, I am going in with 8 horses. I am sending you $5.00 I do hope you will manage alright until I get back. We will be 7 days going in, & 21 days hunting & 4 days coming out again & 3 days back to Vancouver. I do hope you are alright Ethel. We would have gone in this plane, but they wanted too much money ($2,500.00) & they would have had to make four trips with us. With all my love & kisses

Your own loving husband
