My dear Hetty
We are wondering how you are getting on. We received your card the other day & the photo of the Spanish Mission. We are so pleased to hear that the weather is so hot & that you are enjoying the sea bathing. We have had very fine weather lately & the papers say it has been much hotter in the south than here. We have had a little rain & it is now very cool. We are all well & hope you are the same. Lots of love from Mamma
