Sawmill at Golden B.C.

Here is a picture of the
Mill taken on the 30
of Oct. We are all ready for
snow now the roofs
are very nearly completed.
The Building at end of
Box car is the Boiler &
Engine room.
It is to be an electric Mill
Allis Bullock electrical Mec
henery. and Diamon
Iron works saw mill Mec.
We have ~~had~~ about 3 in
of snow up to the
present time and look
for more every day.
Hope you & Phil are
making it all Up stick
with him and you
will learn some thing
and make some body
out of your self.
Give my regards to every
body. and show Phil
this card. Alta says
hello
Pet.
