
My Biography

This book, properly kept, will be cherished in the family, and referred to with interest and pleasure in future years.

Put a little paste or mucilage on the back of Baby's photo and place between this and the outside cover so that the head will appear in the opening.

Parents desiring a copy of this album can obtain one by addressing Borden Milk Company, Limited, Montreal.

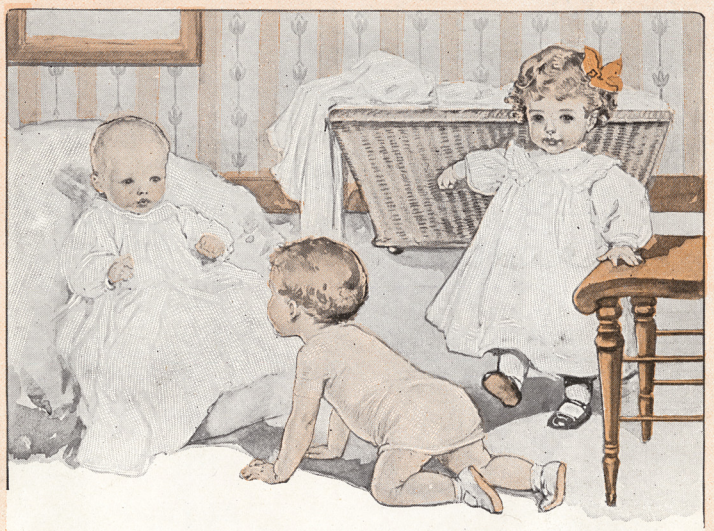
At no time of Life is any member of the family wholly independent of milk as food



Sat alone

Crept

Walked

The name Borden stands pre-eminent for all that is good in Milk.

Mitigates annoyances of travelling.

Crept across floor - for the first time
to meet Daddie Feb 10th 1916.
The same day Mother fan needed
trimming so I trimmed it for her.
March. 23rd pulled himself on his
feet alone. for the first time.

Before Babies can talk evidence
is given in favor of Eagle Milk.

My Early Education

An Early Autograph

Date

From earliest infancy proper food for the Baby is of utmost importance.

Other Important Events

No record excels that of Bordens Eagle Brand Condensed Milk.
