Love Annie

Dear Mother, Well we are having a quiet time, the place we are in is the last house up a hill & it is some climb for me, once a day coming up is enough, however to day is the first time I have walked it, the car brought us up & Saturday the motor from the meat store brought us part way & yesterday Mr Yearman took us down & brought me up in the car, Hettie & Mrs Yearman walked, they were all in the water yesterday, to-day I have dampled my feet in, the part on the card where you can see the property is Blaine
