I have not heard anything of the 2nd Mate since he came to see me a long time ago.

75 Bow Rd. E.

Thank you for your letter. I should be very pleased to pay you a visit, especially as you will be going abroad next year, but am doubtful whether I can manage it even at Xmas. At anyrate if there should be chance of my coming at any time I will let you know. Perhaps you could manage to pay ~~to~~ me a visit at some time? Am sending your letter for Mrs Hill on to her.
