Well Martha
21 is a long time
since I have heard any-
thing from you. Don't believe
you ever answered my last
letter some two yrs ago. Hedley
was writing me you expected to go
home this summer wish I could
be home & see you. Don't know
when I will see old B.S.
again. Lovely summer weather here
now, this is a fine country. Write me a
long letter I am most forgetting your Jennie
