Dear Fred, Your welcome letter & enclosure duly received. Yes the "two spot" was handed over in the car, as you surmised.

Hope Elsie arrived O.K. A.1. etc. etc. after pleasant trip which, if the meteorological conditions en route, coincided with those prevalent recently in the immediate environment (ahem!) should certainly have been enjoyable. Sorry you appear a bit disappointed with photos. If retouched could, am sure, get very good results. Cost would be $1.25 doz. Will you let me know soon whether to go ahead? Nothing fresh as that vulgar subject, work.

Au revoir. Kindest regards to Elsie, Brother & Self.

Sid.
