MESSAGE

Dear Papa, I got over here at half past eight last evening - had no trouble finding the Calvertos at all & was hard saying goodbye to Mrs. Connon, as it always is - she is so warm hearted & seems so glad to have one with her - there is more fun in her than anyone I know, & I feel sorry to think I shall not see her again. Am going round to see Mrs Fisher this afternoon - & tomorrow afternoon I'm going back to Van Hope to find a letter at least from you - Yours
