Legislative Assembly SEP 14 1910 VICTORIA, B. C.

LEMON CREEK IS A COMING CAMP

Leads to be Seen Everywhere by the Prospector

SMALLWOOD GIVES ACCOUNT OF TRIP

Wilcox Mine at Ymir Enters Column of Shippers to the Smelter

That the mining district of Lemon creek is on the eve of an outbreak of activity, is the opinion of John Smallwood, who has just returned from a prospecting trip over that locality.

Visits Monument Group

On Sept. 1 Mr. Smallwood and Steve Hawkins commenced traversing the range of mountains that separates Kootenay lake from the Slocan country, entering by the way of 6-Mile creek and visiting first the Monument group of mineral claims, which is located at the head of the east fork of Grohman creek. This group which was partly staked 14 years ago has a fine showing of dry silver lead ore, in the shape of a lead from 10 to 30 feet wide which traverses four claims and two fractions of the group. Development on the property consists of a 160 foot incline shaft, and a 50 foot crosscut tunnel, both being in ore, in addition to an open cut. Mr. Hawkins and A. Powers are the owners of the Monument group, on which Mr. Hawkins has done a certain amount of work this season.

From that point, Messrs. Smallwood and Hawkins followed the range, some eight miles inland from the lake, descending into Lemon creek, which they followed for the balance of the 30 miles to Slocan City. Of this part of the trip Mr. Smallwood says:

"We prospected Lemon creek clear down to Slocan City and there is no doubt about its being a magnificent mineralized belt. Prospectors have realized its value and it is staked with claims all the way down, claims that are kept alive too, by the usual assessment work. Leads exist everywhere.

"An American syndicate has just taken a bond on one of the most promising claims, and three other deals are pending. The Chaperone is at present being developed. As usual it is merely a question of attracting sufficient capital, in order to make of Lemon creek a splendid mining camp. From what is to be seen, a great future can safely be predicted for Lemon creek.

Messrs. Smallwood and Hawkins returned by way of Slocan City on Thursday.

Wilcox Milling

The feature of the mining returns this week is the entry of the famous old Wilcox mine of the Ymir gold camp into the list of shippers, by reason of its mill, which started operating in the last two or three weeks. Up to date 225 tons of ore have been put through the mill, five stamps of which are merrily falling. With the starting up of the other five stamps in the next fortnight or so, the mill will account for 150 tons of ore weekly. The property is being worked by A. H. Tuttle of Ymir under a bond.

The following are the returns of the ore production and movement for the past week, comparative figures for the year to date also being given:

BOUNDARY SHIPMENTS.

Granby	16,000	827,624
Mother Lode	9,200	238,205
Snowshoe	1,972	108,995
Oro Denoro	212	2,060
Jack Pot	225	7,267
Other mines		888
Total	28,185	3,191,549

ROSSLAND SHIPMENTS

Centre Star	2,374	122,422
Le Roi No. 2	720	22,734
Le Roi No. 2, milled	300	10,800
Le Roi	237	11,220
Other mines		724
Total	4,631	178,900

SLOCAN-KOOTENAY SHIPMENTS.

St. Eugene, milled	3,775	38,900
Van Ard, milled	600	20,600
Queen, milled	420	15,120
Granite-Poorman, milled	252	9,900
Nugget, milled	110	3,900
Highland-United, milled	400	4,000
Wilcox, milled	75	225
Richmond-Eureka	60	2,952
Standard	40	1,150
Emerald	16	1,040
Yankee Girl	141	8,034
Hartmont	18	802
Mollie Hughes	15	780
Sullivan	600	21,952
Bismark	14	41
Idaho	41	41
Ohio	14	14
Noon-Day	15	15
Total	4,764½	142,776½

The total shipments for the week, including the estimated milling, were 36,126½ tons, and for the year to date, 3,513,125½ tons.

B. C. COPPER COMPANY'S RECEIPTS
Greenwood, B. C.

Mother Lode	9,200	238,205

Total	10,000	247,572

GRANBY SMELTER RECEIPTS.
Grand Forks, B.C.

Granby	16,000	827,624
Other mines		120
Total	16,000	827,744

(Continued on Page Five.)

DISTRICT EXHIBIT FOR NELSON FAIR

Meeting of Creston Board of Trade—Want Road Work Continued—Boat Schedule.

(Special to The Daily News.)

CRESTON, Sept. 10—A well attended meeting of the Creston board of trade was held on Wednesday evening in the Speer's hall. President C. O. Rodgers took the chair at 9 o'clock.

It was moved by B. J. Moran and seconded by J. J. Atherton that A. Miller be accepted as a member of the board of trade.

A communication was read from the secretary of the Nelson Fruit fair calling attention to the terms of the district exhibits and informing the board that the Creston district extended from Kootenay Landing east and requesting that the district be represented. A sum of $50 is allowed towards the cost of the exhibit. It was then moved and seconded that this communication be handed over to the Fruit Growers' association for attention.

A communication was then read from the department of public works at Victoria in answer to a letter based on the resolution of the Creston board of trade at a previous meeting which requested information re the stoppage of the road work in this district. The department stated that the work had been stopped on account of the dry weather and the prevalence of fires rendering it unsafe to blow stumps, and as the road superintendent had ruled that the work could be done more safely and easily in the fall.

After a long discussion a resolution was passed instructing the secretary to reply to this communication, pointing out that the work had been hurriedly left and the road remained in an unsafe condition and that the work was such as could have been prosecuted continuously through the summer to the advantage of all.

A letter from Mr. Cockle, was then read referring to fruit exhibits from Creston. The news that the matter of the late boat stopping at Boswell for the convenience of ranchers wishing to do business at Creston had been arranged was received with satisfaction by the board.

Messrs. R. S. Beven and A. Miller were appointed a committee to choose suitable apples which will be presented to the delegates to the conference of boards of trade to be held in Creston next January. The meeting then adjourned.

LOCAL OPTION FIGHT AT PRINCE ALBERT

PRINCE ALBERT, Sept. 10—The council has received a local option petition signed by 128 residents and has ordered that a vote be taken at the December municipal elections. The fight will be a bitter one and both sides are organizing.

WOMAN'S INSTITUTE MAKES GOOD START

Will Provide Rest Room at the Fair for Ladies—Committees Appointed for Year.

The regular monthly meeting of the Nelson and District Woman's Institute was held yesterday afternoon in the assembly room of the city hall.

Mrs. James Johnstone, the new president, gave a very pleasing and instructive address, describing the possibilities of the work, and greatly encouraging the members to work, one and all, for the common good of their community.

Mrs. W. Rutherford put forth a strong plea for the Nelson members to try and interest the women living in the surrounding district, and if possible, get them to become members of the institute, the original institute having been founded to meet the need of the woman who lives far from friends, and even neighbors in the country.

Mrs. Hugh Ross suggested the idea of the woman's institute having, and caring for, a rest room at the Nelson exhibition. All the ladies present were very willing to help to make this a thorough success.

Committees Appointed.

The following committees were appointed:

Hall committee—Mesdames F. C. Green, J. R. Kilby, Hector Mackenzie.

Program committee—Mesdames E. A. Crease, Ingold Schermerhorn, J. J. Walker.

Rest room committee—Mesdames Hugh Ross, Thos. J. Gibson, A. D. Emory.

The meeting was well attended, and all the discussions were very fully participated in, making a pleasant augury of interest for future meetings, when, with a regular program at each session, they will have a special appeal.

POLICE BELIEVE MURDERER HAS GONE TO SEATTLE

(Special to The Daily News.)

VANCOUVER, Sept. 10—Statements made by residents of Wickersham, Washington, lead the provincial police to believe that Reid, the Clayburn murderer, boarded a freight for Seattle on Thursday evening and is heading for the coast and police at all points along the coast have been notified to keep a lookout for the man. At Clayburn the feeling is growing that the deed was committed during a period of temporary insanity and that the murderer has since killed himself in the woods. The funeral of the murdered woman was held from her parent's home here this afternoon.

TYPHOID ATTACKS QUEEN'S OWN

Captain Pellatt Critically Ill—Others Also Attacked

RESULT OF DINNER OF QUEBEC RIFLES

Dr. Crippen and Miss Leneve Make Joint Defence—Holman Hunt Dead

LONDON, Sept. 10—Capt. Pellatt of the Queens Own Rifles is critically ill with typhoid fever here, but there are no complications. Six other officers, including the medical officer and Col. Pellatt's secretary have been stricken with typhoid and are now in the hospital. Col. Pellatt, in the course of an interview, said that during the week after the officers had dined with the Eighth Royal Rifles at Quebec, some of them had been taken slightly ill. Serious symptoms developed later on and before Liverpool had been reached typhoid had appeared. None of the men were sick. Col. Pellatt added that the British climate suited the regiment thoroughly. He put all the blame on the experience at Quebec.

Equalled Regular Troops

The Queens Own did exceedingly well at the manoeuvres at Aldershot. They were kept almost continuously on the move from the time they left camp at 7 o'clock until they went into action at four. One or two had fallen out on account of sore feet but on the whole the regiment marched as well as the regulars. When it was deployed to join the fighting line it showed an intelligence which indicated it has taken full advantage of its experience at Aldershot.

Mr. Griffith Thomas of Oxford university will sail for Canada on Thursday next to take up his new work with Wycliffe college, Toronto. There will be a farewell dinner and a substantial presentation at Oxford prior to his departure.

Joint Defence.

LONDON, Sept. 10—Arthur Newton, counsel for Dr. Hawley H. Crippen, who is on trial here, charged with murdering his wife, has been engaged to defend Ethel Clare Leneve, Crippen's typist, who is on trial as an accessory after the fact. This will enable closer co-operation between the two accused persons, who hitherto had not been permitted to consult with one another.

Experts Engaged.

Another step in the fight to save the prisoners from conviction was taken yesterday when two pathologists engaged by the defense examined the body unearthed in Crippen's cellar. Solicitor Newton expects to receive reports from these pathologists in time for use as the basis of his cross examination of the police experts when the trial of Dr. Crippen and Miss Leneve is continued next Wednesday. An analyst has also been retained by the defense to investigate the alleged finding of poison in the body. The engagement of experts to contravert evidence offered by the prosecution is unusual in England.

Holman Hunt's Funeral.

LONDON, Sept. 10—Professor Currelly of Toronto, will represent his son who is now in the Orient, at the funeral of William Holman Hunt, the celebrated painter in St. Paul's cathedral on Monday.

Returns From Hague.

LIVERPOOL, Sept. 10—Sir Charles Fitzpatrick, chief justice of the supreme court of Canada, who represented the Dominion on the fisheries arbitration tribunal at The Hague, sailed for home on the Empress of Britain today. Baron and Baroness Mitsui were passengers by the same steamer.

Born at Sea.

LIVERPOOL, Sept. 10—Mrs. Skedmore of Stratford, Ont., gave birth to a child on board the Virginian on the last day of the voyage from Montreal. Both are doing well.

Boiler Makers Strike.

LONDON, Sept. 10—The vote of the boiler makers on Saturday was on the question of living up to the agreement with the Federation of Shipbuilders' employers and giving guarantees that there would be no further strikes without recourse to its provisions or adverse to the executive officers of the union.

These officers strongly recommended that the required guarantee be given. Some 50,000 men have been locked out pending a decision of this question and many more will now be affected. The men voted on two proposals. The first was that they should sustain the position of the executive of the union who supported the position of the masters and favored the giving of the required guarantees. There was a majority against this proposition. The second proposal empowering the executive to call a representative meeting of the union was adopted.

RAILWAY COMMISSION

The railway commission will sit at the court house tomorrow morning at 10 o'clock. Cases will be brought before the board of commissioners by A. E. Watts of Wattsburg and Proctor and C. J. Archibald of Salmo.

ALL TOURNAMENT EVENTS DECIDED

Tennis Games Played Off Yesterday—Miss E. McFarland Winner in Ladies' Singles.

The tennis tournament which was commenced on Wednesday last was finished at the local courts yesterday afternoon. In the men's singles W. Webster was winner with 36 games to his credit and J. Seward took second place with 24 games. A close third was C. W. Appleyard who won 23 out of the total of 52 games played.

Mrs. Goepel and Miss Hill carried off the first honors in the ladies' doubles with a score of eight games. On Wednesday this event was tied, each couple scoring three games. In the deciding set yesterday Miss M. McFarland and Miss Bourke were defeated by the winners of the first prize with a score of 6-0 against them.

Miss E. McFarland won the ladies' singles by an exhibition of excellent tennis. Although practically a beginner in the game she has acquired several first class underhand smashing strokes which were largely responsible for the score of 16 games which she has to her credit. Miss Bourke was second in this event with a score of 12 games.

The men's doubles was won by W. Webster and C. W. Appleyard with a total of 11 games to their credit. Miss Hill and W. J. Goepel were winners in the mixed doubles with a total of 14 games. They were closely followed by Mrs. Goepel and L. Craufurd and Mrs. Proctor and W. Webster who tied for second place with a score of 12 each.

This tournament has been so entirely successful that it has been decided to hold a second one, the last of the season, on Saturday next. The players in this case will be handicapped according to strength. Tennis players residing along the west arm are specially invited to take part in the matches. Entries should be sent in to the honorary secretary, box 634, before Thursday next. The following were the complete scores for yesterday and Wednesday's games:

Men's Singles.

T. Nunns played B. McGregor, 1-3; J. W. McKee 2-2; W. Webster 1-3; H. C. Hall 2-2; C. W. Appleyard 2-2; W. Busk 2-2; T. Seward 6-4; K. H. Fessenden 2-2; A. H. Marcom 1-3; total 13.

B. McGregor played T. Nunns 3-1; J. W. McKee 1-1; W. Webster 1-3; H. C. Hall 2-2; C. W. Appleyard 1-3; W. Busk 2-2 T. Seward 1-3; K. H. Fessenden 2-2; A. H. Marcom 1-1; total 16.

J. W. McKee played T. Nunns 2-2; B. McGregor 4-0; W. Webster 1-3; H. C. Hall 1-3; C. W. Appleyard 3-1; W. Busk 2-2; T. Seward 1-3; K. H. Fessenden 1-3; A. H. Marcom 1-3; total 16.

W. Webster played T. Nunns 3-1; B. McGregor 3-1; J. W. McKee 3-1; H. C. Hall 2-2; C. W. Appleyard 3-1; W. Busk 4-0; T. Seward 3-1; K. H. Fessenden 2-2; A. H. Marcom 3-1; total 26.

H. C. Hall played A. Nunns 2-2; B. McGregor 2-2; J. W. McKee 3-1; W. Webster 2-2; H. C. Hall 2-2; C. W. Appleyard 0-4; W. Busk 2-2; T. Seward 0-4; K. H. Fessenden 4-0; A. H. Marcom 3-1; total 20.

C. W. Appleyard played T. Nunns 2-2; B. McGregor 3-1; J. W. McKee 1-3; W. Webster 1-3; H. C. Hall 4-0; W. Busk 3-1; T. Seward 2-2; K. H. Fessenden 4-0; A. H. Marcom 31; total 23.

W. Busk played T. Nunns 2-3; B. McGregor 2-2; J. W. McKee 2-2; W. Webster 0-4; H. C. Hall 2-2; C. W. Appleyard 1-3; T. Seward 2-2; K. H. Fessenden 2-2; A. H. Marcom 2-2 total 18.

T. Seward played T. Nunns 4-0; B. McGregor 3-1; J. W. McKee 3-1; W. Webster 1-3; H. C. Hall 4-1; C. W. Appleyard 2-2; W. Busk 2-2; K. H. Fessenden 4-0; A. H. Marcom 1-3; total 24.

A. H. Marcom played T. Nunns 3-1; B. McGregor 1-3; J. W. McKee 3-1; W. Webster 1-3; H. C. Hall 1-3; C. W. Appleyard 1-3; W. Busk 2-2; T. Seward 3-1; total 19.

Ladies' Doubles.

Mrs. Goepel and Miss G. M. Hill played Miss E. McFarland and Miss M. Bate 1-3; Miss M. McFarland and Miss W. Bourke 2-1; total 4.

Miss E. McFarland and Miss Bate played Mrs. Goepel and Miss G. M. Hill 1-3; Miss M. McFarland and Miss W. Bourke 3-1; total 4.

Miss M. McFarland and Miss W. Bourke played Mrs. Goepel and Miss G. M. Hill 3-1; Miss G. McFarland and Miss Bate 1-3; total 4.

These three doubles having tied Miss E. McFarland and Miss Bate retired and in the play-off Mrs. Goepel and Miss Hill defeated Miss M. McFarland and Miss Bourke 4-0. This gave the winner a score of 8.

Ladies' Singles.

Miss Hill played Miss M. McFarland 1-3; Miss Bourke 1-3; Miss Bate 1-3; Mrs. T. G. Proctor 3-3; total 8.

Miss E. McFarland played Miss Bourke 3-1; Miss Hill 3-1; Miss Bate 3-1; Mrs. Goepel 3-1; Mrs. Proctor 3-1; total 15.

Miss Bourke played Miss Hill 3-1; Miss E. McFarland 1-3; Miss Bate 31; Mrs. Goepel 13; Mrs. Proctor 4-0; total 12.

Miss Bate played Miss Hill 3-1; Miss

WIFE DESERTED BY JAPANESE SPOUSE

Returns to Native Land Leaving Family in Vancouver

WHITE WIFE BACK TO WYOMING HOME

Funds Subscribed by Japanese of Vancouver—Has Three Children

VANCOUVER, Sept. 10—Vancouver has witnessed the end of another Japanese-American romance in the departure for Wyoming of Mrs. Mary Nishimura, who is a native of the United States, but for ten years has been a member of the local Japanese colony, seven of these ten years having been spent here with her husband Kisabure Nishimura, who is now in Japan. Now with the marriage relationship apparently at an end, she is returning to the home of her mother to begin life anew and rear her children among her own people.

Deserted by Husband

Mrs. Nishimura, who was Mary Wilgart before her marriage, was scarcely more than 20 years of age when she consented to be the wife of her oriental suitor. In a small town in Wyoming the wedding ceremony was quietly performed and the two at once hastened to Vancouver, where for a time they lived in apparent contentment. Three children were born to them, the eldest, a girl now eight years old, being named Sylvia after Mrs. Nishimura's mother. The others, who are boys, were also given English names being designated respectively Frank and Henry. They resemble their mother in appearance and but for their slanting eyes scarcely show any Japanese facial characteristics. About three years ago the husband went to Japan for a temporary stay, but has never returned. When the money he had left her was gone Mrs. Nishimura began to work to support herself and her little ones. A longing for her old home and her own people, however, soon became an obsession with her and she determined to return as soon as she could get together the money necessary.

Japanese Collect Money

The local Japanese freely sympathize with her in her condition and her desire for home, and recently collected a purse of several hundred dollars for her, and this, with what she had contrived to save, enabled her to realize her one remaining ambition.

NEXT CONGRESS IN STATES

THE HAGUE, Sept. 10—Upon the invitation of the American section of the international committee of social and industrial insurance the conference of which has just closed, it was voted to hold the next congress in 1913 in the United States.

TONG WAR IN SACRAMENTO

SACRAMENTO, Cal., Sept. 10—The murder of Yee Wing, a member of the On Yee Lung, by two Chinamen last night is believed to mark the spreading of the tong war that recently broke out in San Francisco. Yee Wing was shot in the back while smoking in front of his store in the Chinese quarter. Two suspects, members of the On Yick tong, were arrested.

BIG PHOENIX BOXER SEEKING FOR MATCH

Parker of Coleman Has Come to Nelson and is Willing to Meet Him for Ten Rounds.

Bob Forshaw, who strips for action in the ring at 175 pounds, writes to a Nelson follower of the boxing game, as follows, from Phoenix:

"I heard today you were inquiring for me the last time you were in Phoenix. You mentioned that you had some one in Nelson who wanted to box me. Well, I am open to box any man in Canada, and if you have a man who wants to box me, tell him these are the terms I offer him. I will box him ten rounds for 60 and 40 per cent. of the gate, the winner to pay railway expenses wherever the fight takes place. I will give him choice of place to box. Hoping to have an early reply from you. If these terms do not look good, tell him to state his terms.

"BOB FORSHAW."

Forshaw's letter was shown to F. Parker, who arrived in Nelson from Coleman, Alta., on Thursday. Parker is about Forshaw's weight, and he is well known in the foothills for his pretty work in the ring. Parker says he is perfectly willing to take on Forshaw on the terms named and the two men are now exchanging letters.

BUILDING OF BALFOUR ROAD

Messrs. Starkey and Beeston Discuss Question With Hon. Thomas Taylor at Victoria

Fred A. Starkey and E. K. Beeston, who have just returned from Vancouver where they appeared before the board of railway commissioners in the interests of Nelson during the opening hearing of the recent case brought by the Vancouver board of trade and reported in another column, visited Victoria and called upon Hon. Thomas Taylor, minister of public works. They were most cordially received by the minister and were much impressed with the careful attention to and intimate acquaintance with the details of the work of his department shown by Mr. Taylor.

Nelson-Balfour Road

The question of the completion of the road from opposite Nelson to Balfour was very fully gone into and the minister pointed out that financial arrangements would prevent any appropriation other than that already made, being given this season. He added that he would at once obtain a correct estimate of the cost and that with the recommendation of W. P. Teetzel, government agent, which he understood was forthcoming, the amount would be included in the estimates for the new year.

In this event work can be started about March 1 next. There is an appropriation this year now being expended on the road.

North Also Needs Roads

Mr. Taylor told of his recent trip through the northern parts of the province and of the great demand that existed for roads and means of transportation and Messrs. Starkey and Beeston fully recognized the difficulties that the minister of public works experiences in arranging for the financing of works of necessity.

Local Members Promise Support

The minister referred also to the advisability of interviewing the local members in regard to the completion of the road and Messrs. Starkey and Beeston then saw Messrs. Schofield, Wright and McKay who were all good enough to promise their hearty endorsation of an appropriation for this particular work which, it was pointed out might be considered in the interests of the whole district, while, of course, highly advantageous to settlers in the immediate district.

Received by Premier

The Nelson delegates had the honor of being received by Premier McBride who gave them his hearty good wishes for success in their case in connection with the sittings of the railway commissioners. They visited the department of agriculture and were promised that a plentiful supply of literature on agricultural and horticultural subjects should be forwarded to the publicity bureau of the board of trade for distribution.

WATERS GIVE UP THEIR DEAD

Corpse of Frank Gordon, Drowned Four Months Ago is Found Near Edgewood

After lying in the waters of a swiftly running creek near Edgewood for over four months the body of Frank Jordan who was drowned near that city last May, was recovered yesterday. This information was conveyed in a wire received from Provincial Constable Blacock by Chief Constable J. T. Black.

The drowned man was driving about the middle of last May from Edgewood with a load of freight consigned to the ranchers residing up the creek. He left in the afternoon and in the evening of the same day his rig and horses were found by the banks of the creek without their driver. No trace could be found of Jordan but it appeared that the wheels of the rig had slipped over the bank of the creek and it was thought probable at the time that he had fallen into the water.

A vigorous search was conducted but the seekers were unable to find any trace of the corpse. Finally the search was relinquished and the public generally had practically forgotten the occurrence until the dead body was discovered yesterday morning about one and a half miles below the scene of the accident.

Dr. Hartin was notified of the finding of the body and as coroner wired instructions for the burial of the corpse to be proceeded with as there seemed to be no question that Jordan had come to his death accidentally.

ROBERT KERR RETIRES.

MONTREAL, Sept. 10—Mr. Robert Kerr, passenger traffic manager of the Canadian Pacific railway and steamship lines, having attained the age when he deems it wise to give up the active duties of his position has asked to be released. He will retire on October 1, to be succeeded by C. E. E. Usher.

PRINCIPAL OF EMERSON PUBLIC SCHOOL DEAD

EMERSON, Sept. 10—The death occurred this morning of Duncan Crearer, principal of the Emerson public schools after a brief illness of hemorrhage of the stomach, and his death was a shock to the whole town. His home is in Winnipeg, where the funeral will take place, at 1:30 on Monday next. The remains will leave for there on tonight's train. He was in his 33rd year.

BOARD OF TRADE OFFICIALS RETURN

Report on Sittings of Railway Commission

NELSON CASE IS BROUGHT UP

Messrs. Starkey and Beeston Deprecate Action of Coast Boards

The president of the board of trade, F. A. Starkey, and the secretary, E. K. Beeston, returned from the coast last evening where they have been attending the sittings of the board of railway commissioners at Vancouver.

The meeting which was announced for Monday, the 5th inst, was not held until the following day, Monday being Labor day. Vancouver cannot be congratulated on the arrangements made, said Messrs. Starkey and Beeston. The court house which was originally intended for the sittings was occupied and those interested had to find their way to the city hall, where the arrangements and accommodations for such proceedings were not the best.

Vancouver Application Refused

The case in which Nelson was interested was the application by the Vancouver board of trade for lower rates from that point to points in the interior, but with these were included two other applications, namely, those for better rates on grain from the northwest and for passenger rates, especially for commercial travelers. The Vancouver case was presented by W. A. Macdonald, K.C., and took the form of a legal argument that the C.P.R. should be compelled to furnish such information as would enable the Vancouver board of trade to show that the existing rates were discriminatory against the city of Vancouver.

The commission did not hold the view that the railway company should be compelled to thus furnish the information and reminded the applicants of the rule whereby the onus of proving the rates were not discriminatory rested upon the railway company and the company accepted this position.

No Complete Case

It was evident that the Vancouver board of trade had no complete case prepared and the decision of the commissioners was the adjournment of the case to Montreal next January when the figures prepared by the railway company will be submitted and evidence will later be taken at Vancouver when opportunity will be afforded the Nelson board of trade to give evidence in protection of the interests of the Kootenay district.

It was incidentally mentioned by counsel that the Vancouver board of trade had not the means of getting up a complete case and had not, like Montreal, Toronto and Winnipeg, a freight committee who are expected to attend to such matters.

The Nelson board through its secretary made application to be parties, though involuntary ones to the case, pointing out that the granting of the Vancouver application without similar reductions being made in rates on goods originating in the east shipped west to this district would be highly detrimental to the Kootenays.

The commissioners stated that Nelson would be duly heard in the matter but could not in this way single out Nelson to permit evidence to be taken here and said that due notice of the sittings at Vancouver and for the final hearing of the case would be given.

That the Vancouver board of trade now understands the manner in which their case should have been prepared was demonstrated by the holding of a special meeting in the evening after the sittings of the commission, when arrangements were made for forming a freight rate committee and getting expert advice.

Although, as pointed out to the commission by the Nelson representatives, the Nelson board has been placed to much inconvenience by the action of the Vancouver board, it is nevertheless necessary to accept the situation, and to be ready for the hearing of the case which will probably be at Vancouver next spring.

Vancouver's Methods Deprecated

The action of the Vancouver board in getting together a freight committee to handle these matters from a business standpoint, commended itself to Messrs. Starkey and Beeston, who considered that the placing of the matter in legal hands and the advancing of technical arguments before the commission places other boards and individuals who cannot afford such heavy expenses at a disadvantage.

Reports in detail will be submitted to the board of trade at the next meeting handed in for immediate action to be handed in to immediate action to be taken to prepare a complete case upon the whole freight question as affecting Nelson and the Kootenays, now rendered the more imperative by the action of the Vancouver board of trade.

(Continued on Page Five.)

MAY BREAK UP THE ASSOCIATION

Montreal Club May Try to Create Trouble Among Eastern Clubs—Ottawa Stands Pat

While the Montreal Solons are busy doping out the hockey prospects for the year, Ottawa's winter sport magnates are sitting pat and refuse to divulge their intentions for the coming season.

Much has been said about the possibility of a new league being formed and the rumors from the Canadian metropolis would go far to support the idea. Here, however, the scheme is not thought of, and it is stated that Ottawa will not stand for the breaking up of the National association. True, the silver district teams may not be able to stand the expense of the major circuit, but even with Haileybury and Cobalt out of the league there would still be a pretty strong band of drawing cards left in Ottawa, Wanderers, Shamrocks, Les Canadiens and Renfrew.

Ottawa would welcome the addition of the Nationals to the league and with such strong backing it is felt here that the club would surely come to the front within a short time. Ottawa had to guarantee $22,000 in salaries last season and to make this up only the big gates of the Wanderers and Renfrew teams came to the rescue. The price of a hockey player has risen to such a height that the teams cannot take any chances in letting a weak club remain in the league and each of the National teams must be of good calibre to make the game pay on the whole.

Renfrew Piracy

Rumors of Renfrew pirace are cropping up on all sides and it is said that Renfrew would like a break up. The present league has a rule which says that teams cannot take players away from one club without the consent of that team. It is well known that the Creamery Town management would like very much to get a couple of Ottawa's stars to migrate this winter and should the National go under, every hockeyist in eastern Canada would practically be a free lance.

The organization of the new hockey club in Montreal is not causing any serious thinking in Ottawa. Art Ross' experience with the ill fated All-Montreal crew last year is a warning to such hold outs and it is a certainty the National league will have nothing to do with the new team unless Paddy Doran disclaims all ownership of the stars who are comprising the new team.

No action has yet been taken in regard to the signing of players for this year's team. Percy Lesueur, Fred Lake, Hamby Shore, Bruce Stuart and Gordon Roberts are in the city, while Bruce Ridpath is visiting Toronto for a few weeks. Walter Small is said to have agreed last winter to return to Ottawa this winter and his return rounds out last year's team.

Husky Juniors

Then there a husky bunch of juniors in this vicinity to say nothing of Horace Gaul, Alex. Currie, Nick Bawlf, Teddy Grouix, Edgar Dey, Harry Broadbent, all of whom have had big league experience. Eddie Gerard will probably turn pro this winter, the Ottawas being anxious to sign him up.

There is talk of having the local players start out the season on artificial ice, probably going across the border for a couple of weeks before the ice forms in Canada. The immense popularity of hockey in the city last winter, guarantees any amount which the local management may spend on a team, and Ottawa will be right up in front when the first game is called next January.

A Montreal View

MONTREAL, Sept. 10—What it is to the hockey season will be realized when it is stated that already plans are being made for the organization of a new city club and team, which will probably have as a nucleus those members of the Wanderer team and executive who have fallen out with Mr. Doran of the Jubilee rink.

As is known there is a lawsuit on at present between these gentlemen and Mr. Doran over a matter of a bonus, but according to the law firm of Trihey, Bercovitch & Kearney this will not interfere with the coming season for thanks to the crowded state of the courts the suit will probably not come up for trial for a year at least.

Therefore the gentlemen referred to can carry out a very brilliant idea they have evolved and that is to get their team together and send it to Boston not only to take part in the opening of the new rink there which takes place after the middle of November on artificial ice but to remain there to get and keep in practice for the big Canadian season which it is said will be more important than ever.

Two teams are needed to open the Boston rink, but which the other team will be is not yet given out. The names of Messrs. Boon and Strachan are mentioned in connection with the new movement.

STRIKE TEMPORARILY OVER

WINNIPEG, Sept. 10—The return to work of the bricklayers and masons on the Peter Lyall contracts this morning was a certain indication that the difficulty between the union and builders' exchange had been smoothed over. It is expected that every bricklayer and mason in the city will be at work on Monday morning and as much valuable time has been lost and as no one is prepared to offer a guess as to how long the smoothness will last and in view of previous assurances that went wrong the situation cannot now be regarded with satisfaction.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by all druggists and dealers.

FRED IRVINE & CO.

Millinery Opening Tuesday, September 13

Annual Exhibition of Fall and Winter Millinery

We will show, commencing on Tuesday next, in our millinery department, on second floor, a magnificent selection of imported pattern and trimmed hats. Latest up-to-date shapes and colorings. Pattern hats selected from the very best French, New York and Canadian trimmers.

We invite the ladies to call and inspect our splendid stock, and to meet Miss Myrtle Gledhill, who is now in charge of this department and will be pleased to show the late styles selected by her while in the east for this season.

St. Mirren 1, Third Lanark 1.
Norton 1, Kilmarnock 0.

Wins from Shamrocks

MONTREAL, Sept. 10—Montreal today defeated the Shamrocks by a score of 12-4.

Was Good Race

LONDON, Sept. 10 — Ernest Barry says the cabled description of his race with Arnet on the Zambesi is misleading. It was really a very fine struggle.

Ford's Freak Curve

The wonderful success of Russell Ford, the star pitcher of the Highlanders, is due principally to the development of a freak spit ball curve. Lajoie was unable to find it the other day and he did not get a single drive off the young architect. The regular spit ball is thrown by covering the tips of the first and second fingers with saliva so that the ball will slip off those fingers and not take a rotary motion. The ball therefore gets its direction from the thumb and wabbles to the plate in a peculiar jerky fashion. The only trouble with that curve is the inability of the pitcher to make it break in or out to the batter according to the wishes of the twirler. Ford has solved that problem by inventing a way of making the curve break in. Ford found that by moistening the knuckle of his third finger with saliva the ball would slip off from the side instead of the tips of the fingers and as there is no friction on the right side of the ball it would gradually drop inside of the plate. He controls it perfectly. He can also make the ball break outward by moistening the thumb.

CANADIAN SWIMMERS LEAP INTO LIMELIGHT

New York Paper Admits Our Water Men Are the Best

New York Tribune: Pride generally comes before a fall, and the recent swimming championships of Canada have served to indicate how unwarranted was our vaunted claim of aquatic supremacy. With the incomparable Daniels to rely on in all cases of necessity, we allowed ourselves to be lulled into a sense of mistaken security, strong in the belief that he would never fail us and that, even if he did, we had others good enough to take his place.

Severe Jolt

The Canadian meets were a severe jolt to devotees of swimming. George South of the New York Athletic club, went up for the sprints, confident of taking both the 50 and 100 yard titles, because he had few peers in this country at the latter distance and none save Daniels in the former. After he had met defeat at the hands of Gordon Johnstone of the Ottawa Canoe club, people said: "Oh, well, he was not our best, and Bud Goodwin will show them what speed means in the 440 yard and one mile events."

But Goodwin didn't. George Hodgson of the Montreal Athletic club gave him a sound beating in a quarter mile race, negotiating the distance in 5 minutes, 59 2-5 seconds, and the Mercury Rooter himself admitted that he had been outclassed by his 16 year old vanquisher, freely predicting that Hodgson would soon have most of the American records unless they were better meanwhile. As Daniels' quarter mile figure stands at 5 minutes 54 1-5 seconds, the prediction seems likely to come true, for the champion has announced his intention of retiring from the competitive field.

Threaten American Titles

Should Daniels persist in his avowed decision it is easy to realise how our friends across the border will threaten American titles during the indoor season.

While South is not second to Daniels as a 100-yarder, Johnstone has proved his better and he will make a formidable rival. And as to Hodgson, he defeated Goodwin by 40 yards in 440 yards and he should be able at this pace to take the measure both at the furlong and quarter mile of any American except Daniels. Goodwin may still be best at the mile but the longest indoor championship is now 500 yards.

Americans have sought in vain for the reason of the sudden and mystifying leap of Canadian water men into the limelight but it is more than likely that the presence of Norman Cox, the Australian coach at the Montreal A.C. may be accountable for it.

Remember Gipsy Hawkins' meetings in Baptist church today, 11 and 7.30 o'clock.

BILIOUSNESS

Caused by a Disordered Liver
Cured by Dr. Morse's Indian Root Pills

The liver's work is to secrete the bile—that exceedingly bitter fluid which is often called gall. This bile is stored in the gall-bladder and at the proper time it is poured into the upper part of the intestines. There it helps in the digestion of the fatty and oily parts of the food, and regulates the action of the bowels, causing them to move often enough to clear the system promptly of indigestible food.

When the liver gets out of order, as it does with a surprisingly large number of people, the flow of the bile becomes irregular, and the quality of the fluid is changed. The bowels consequently become irregular also, being constipated and loose by turns; the food is only partly digested; the bile gets into the blood, acting there as a poison and demoralizing the whole system. *A sudden dizziness is felt on rising, spots sometimes float before the eyes, the tongue is furred, there is a bitter taste in the mouth, and a most disagreeable feeling of sickness and lassitude.*

This is Biliousness.

Dr. Morse's Indian Root Pills get right at the root of the trouble and speedily relieve it.

They first put the disordered liver right, so that it supplies a normal quantity of healthy bile. This opens the bowels and clears out the clogged-up system. The blood is purified, the stomach cleansed, all the disagreeable symptoms disappear and the whole delicately adjusted mechanism of the body moves smoothly again.

On the first appearance of bilious symptoms take **Dr. Morse's Indian Root Pills.**

Mr. J. C. McCulloch, a railway conductor of Westport, Ont., writes:

"It is with pleasure I write to inform you that your Dr. Morse's Indian Root Pills have proved of great value to me. I suffered from biliousness, caused by the improper action of my liver. I tried remedy after remedy but without any lasting good. Having heard of your pills curing such cases as mine, I decided to give them a fair trial. They proved satisfactory, restoring to me perfect health."

DR. MORSE'S INDIAN ROOT PILLS

Nothing will convince you so quickly as the *quality* wrapped in the Kellogg package—but *be sure* it's the *Kellogg* package.

RECIPROCITY NEGOTIATIONS AWAIT FIELDING'S RETURN

OTTAWA, Sept. 10—Hon. W. S. Fielding, who returned yesterday from Europe disembarked at Quebec and went directly to Chester to visit his family. He is not expected in Ottawa for ten days or a fortnight. It is stated officially that until his return there will be no reciprocal negotiations with Washington. The premier says he is ready to negotiate but it is denied that he has taken any initiative. Whether Mr. Taft will move at once or await the conclusion of the election campaign remains to be seen.

Your complexion as well as your temper is rendered miserable by a disordered liver. By taking Chamberlain's Stomach and Liver Tablets you can improve both. Sold by all druggists and dealers.

Minard's Liniment Cures Dandruff.

Coleman

Important Sale of Building Lots

SUNDAY, SEPTEMBER 11.

HAVE YOU AN EXHIBIT AT THE FAIR?

It is good business for Nelson and the Kootenay to make the Nelson fair the finest possible collection of exhibits; it will also add to the pleasure of every one who visits it.

If every one will co-operate, every one will be benefitted in the way of business and in the way of pleasure. Co-operation in this instance means sending in exhibits.

If you cannot contribute a large exhibit, send a small one. One of the most interesting features of some fairs is the fine collection of a large number of small exhibits by private individuals.

Those who can present exhibits of good size should of course do so. But there is no reason why others should stay their hand. If you have half a dozen fine specimens of some sort of fruit send them tastefully arranged. If you have anything else, large or small, that is good of its kind, it will go to make the fair more interesting and more valuable.

It is not difficult to get hold of a prize list. They will gladly be furnished in many quarters. Read over the various classes of exhibits and you will probably find something in which you can show. You may win a prize or you may not. In either event you will find it interesting to prepare an exhibit, and you will have assisted to make the fair additionally pleasant and profitable to all parties concerned.

THE ONTARIO FARMER AND THE CANADIAN WEST.

Goldwin Smith, when endeavoring to drive wedges into the fabric of confederation, used to tell the Ontario farmer that the opening up of the Canadian west was an injury to him because the Ontario market was flooded with western wheat and because the opportunities offered to young men in the west tended to make farm labor scarcer and dearer in Ontario.

At the same time with glaring inconsistency when talking against protection, he used to point out that the tariff was of no benefit to the farmer because the price of his products was fixed by the supply and demand in the world's market. And when speaking of "the continent of which we are part," he used to remark that a flow of labor across into the United States was inevitable whenever there were better inducements there.

So it was not the opening up of the Canadian west that lowered the price of wheat in Ontario. It was the increased supply of wheat from other countries in the world's market. It was the opening up of the Argentine, of the western states, and of large new areas in Russia and Australia. In 1893 when the price was lowest—being then about one-third of what it is now—the wheat grown in Western Canada was still so small in amount as to be no factor in the price on the world's market.

It so happens that since the development in a large way of the wheat fields of the Canadian prairie, the demand elsewhere has been gaining on the supply, and although the Canadian prairie today exports ten times as much as in 1893 the price of wheat in Ontario as well as elsewhere has risen sixty or seventy cents per bushel.

Had the west never grown a bushel of wheat, the price obtained by the Ontario farmer in 1893 would have been just what it was. But the growth of the west helped him greatly to endure those low prices because it afforded him a market for his poultry, cheese, fruit and various other products. In addition, by adding to the manufacturing industries of Ontario, it greatly improved his local market.

As for the scarcity of labor caused by emigration to the west, the fact is that farm wages in Ontario were so low in comparison not only with the Canadian west but also with the American west and with those paid in cities on both sides of the line that labor would not have remained there anyhow. Did the native born farm labor remain on the farms of New England or New York?

Wages have risen all over the world in every civilized country, why should Ontario be exempt? Is it desirable that it should be? Would it not rather be a misfortune for the great majority of her population?

The price of wheat went down all over the world until the rise which began about 1895. How could it be kept up in Ontario when Ontario was producing a surplus for export?

Yet the Toronto Telegram says:

All the woes of agriculture in this province are due to the ravages of the progress that has opened up the Northwest. . . Thereby taking dollars per acre off the price of every farm and adding dollars per month to the wages of every hired man.

That sort of thing is what we learned to expect from Goldwin Smith and from the Toronto Sun. From the Telegram it comes as a surprise. The fact is that "all the woes of agriculture in Ontario" would have come if there had been no Canadian west in existence, and on the other hand that but for the Canadian west the Ontario farmer would have felt those woes much more severely than he has.

EDITORIAL NOTE.

The Canadian Mining Journal says: "A word of praise is due the government of British Columbia and Mr. W. Fleet Robertson, the head of the British Columbia Bureau of Mines, for the high character of the annual report. In respect of statistical tabulations, in typography, in illustrations, in descriptive matter, the annual report leads all Canada.

"The full special reports upon the Extension explosion are of vital interest. The government is no longer indifferent to the unnecessary loss of life in coal mines. It has been resolved that the situation will be met at once. Other provinces are rousing themselves. The honor of leading will rest with British Columbia."

TEN YEARS AGO

(Extract from The Nelson Daily Tribune of Sept. 11, 1900.)

Three cars of rail were shipped to Balfour yesterday for the Proctor extension. This is the last shipment to the upper end of the work, as the balance of the rails will be laid from the Nelson end of the line.

Frank Fletcher has been appointed acting C. P. R. land agent for this district. When a permanent appointment is made the local agent will have full charge of C. P. R. lands in the Kootenays, with an office staff here. Assistant land commissioner Doupe of Winnipeg is now in the city.

When May Wilson, plaintiff in the action of Wilson vs. the C. P. R., appeared yesterday morning she was recognized as the person who was fined in May last for keeping a disorderly house on the Balfour extension and left without settling. W. H. Bullock-Webster arrested the woman and she had to produce $52 before the suit could proceed.

Archie Johnson has kicked over the traces and it is said that he will not work in harmony with the Grit push in the coming election.

W. R. McLean of Nelson, who has had charge of the rock crushing plant of the city, has been appointed superintendent of roads and trails in the Nelson riding.

LABOR FEDERATION OF THE DOMINION

Important Business at the Approaching Convention—National Organization and Beneficial Funds

OTTAWA, Sept. 10—J. W. Patterson, Ottawa, president of the Canadian Federation of Labor, has issued his call for the second annual convention of the federation. This is really the eighth annual meeting of this body as it was only last year that its title was changed to the Canadian Federation of Labor on account of the inclusion in the ranks of the Provincial Workmen's association and the Canadian Brotherhood of Railway Employees.

The convention will open in the city of Montreal on Sept. 13. The chief feature of the sessions will be to give effect to the provisions of the constitution by providing for the formation of national organizations including the building trades group, the National Federation of Shoe Workers and Allied Leather trades, the Printing Trades Federation and an extension of the Provincial Workmen's association. The establishing of an organizing fund, together with defence and beneficial fund will also be considered.

NANAIMO CHINESE WILL ESTABLISH SCHOOL

This Will Settle Question of Their Admission to Public Schools

NANAIMO, Sept. 10—Hon. Dr. Young provincial secretary and head of the educational department of the province, is to give an interview to certain leading Chinese residents of this city, who recently have met the objections of Nanaimo white residents to the attendance at the general public schools by Chinese children, by themselves erecting a school for pupils of their own race, which they express a willingness to maintain. It is suggested that the department may be asked to assist them in obtaining a qualified teacher.

It is expected the government will agree to the proposal which will settle a long standing and burning question. There are a sufficient number of Chinese children of school age in Nanaimo and immediate vicinity to support a school which would provide them with an education without bringing them into immediate contact with white children.

Don't waste your money buying plasters when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of flannel dampened with this liniment is superior to any plaster for lame back, pains in the side and chest, and much cheaper. Sold by all druggists and dealers.

HEAD ACHE

Stop it in 30 minutes, without any harm to any part of your system, by taking "NA-DRU-CO" Headache Wafers 25c. a box, at all druggists'.

Something New in Jardinieres and Fern Pots

The Claywood and Ivory Jardinieres, hanging baskets and fern pots are something quite new and different.

The Claywood Line is in imitation of burnt wood work and is very artistic and effective. It is very inexpensive too. The range of prices is 35c., 40c., 45c., 65c., and 85c. each according to size.

The Ivory Line is in imitation of ivory and is a very beautiful line. It comes in larger pieces and the prices range at $2.45, $3, $4.75 and $5.25 each.

We have recently received a shipment of these goods. Come in and see them.

Also notice our window display.

PUNCH BOWL FOR KNIGHTS OF PYTHIAS

Rossland Knights Present Handsome Bowl to Veteran Member of Order at Trail

(Special to The Daily News.)

TRAIL, Sept. 10—About 50 Knights of Pythias from Rossland took advantage of their visit to Trail on Labor day and in the evening presented Noble Hanna of this city with a handsome cut glass punch bowl. The presentation was made in Castle hall at a special meeting called for the purpose. E. S. H. Winn, grand prelate, on behalf of Rossland lodge made the presentation. In a brief address he eulogized the splendid work done by Mr. Binns both in Rossland and Trail for the advancement and welfare of the order. Mr. Binns was taken entirely by surprise. However, in a suitable reply he expressed his appreciation of the magnificent gift. Mr. Binns has been a member of the order for the past 25 years and has held the highest office of any other K.P. in the province. He held the office of grand chancellor of British Columbia in 1901-02; supreme representative in 1903 and was elected supreme master at arms in New Orleans in 1906, the latter office being the first time a supreme lodge officer had been elected for British Columbia.

Mrs. Stevens of Fairview, and Capt. and Mrs. Kirby of Slocan City, were the guests of Conductor W. A. Jackson, Shelter Hill, this week.

Will Enter College

Herbert Brown, who has been employed in the Bank of British North America for the past four years, has severed his connection with that institution and leaves shortly for Pullman, Wash., where he will enter college. Howard Owen, who has been relieving temporarily, leaves on Saturday evening for Rossland. Mr. Brown's place will be taken by Mr. Gould of London, Ont. Mr. Cran, who is relieving in Rossland, will resume his duties as local manager on the 15th of next month.

Owing to the lengthy program on Labor day it was impossible to hold all the sports according to schedule and the "Gulch" sports were omitted. These will be pulled off on Monday afternoon at 4:30 and will consist of Italian and Austrian foot races, and an Italian bowling contest.

Rev. Peter McNabb, pastor of Knox Presbyterian church, in this city returned on Thursday evening from a three months visit to his old home in Ontario.

Married—At Rossland on Saturday, Sept. 2, William H. McFarlane to Miss Mary Boyd, both of Trail. The ceremony was performed by the Rev. J. A. Low, in the parlor of the Hoffman house. The happy couple left for Alberta where they will reside in future.

Minard's Liniment Relieves Neuralgia.

AFTER FOUR YEARS OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. Fomp, 1938 Lansdowne St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and to-day is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

WILL COLLECT ORE SPECIMENS

W. H. Moore Appointed by Nelson Fair Association—Leaves for Kaslo and Lardeau Tomorrow

W. H. Moore, who has been appointed by the directors of the Nelson annual fruit fair to collect specimens for the mining exhibit at the exhibition, leaves tomorrow on the steamer Moyie for Kaslo.

After making arrangements for the sending in of such ore specimens as can be obtained in the Kaslo district, he will proceed to the Lardeau country and visit Lardo, Poplar, Gerrard, Trout Lake City, Ferguson, Camborne and Nakusp. He will then proceed to Three Forks, Sandon, New Denver, Silverton and Slocan City. Mr. Moore intends to make as thorough a canvass of the mines in the vicinity of these cities in the time that is at his disposal and expects to be back in Nelson by Sept. 23.

As he is thoroughly acquainted with the mines throughout the Kootenays and with the nature of the ores they produce it may be anticipated that the mineral exhibit this year will be by far the best that has yet been displayed at the Nelson fair. A large amount of space will be devoted to it and it will be placed in a prominent position in the building.

The directors of the fair will pay all expenses in connection with the shipment of mineral specimens to Nelson.

C. P. R. EARNINGS INCREASE

MONTREAL, Sept. 10—C. P. R. earnings for the week ending September 7th were $1,956,000 an increase of $294,000.

Remember Gipsy Hawkins' meetings in Baptist church today, 11 and 7.30 o'clock.

Carterhall, N.S.
Minard's Liniment Co., Limited.
Dear Sirs,—While in the country last summer I was badly bitten by mosquitoes, so badly that I thought I would be disfigured for a couple of weeks. I was advised to try your Liniment to allay the irritation, and did so, a few applications completely curing the irritation, and preventing the bites from becoming sore. MINARD'S LINIMENT is also a good article to keep off the mosquitoes.
Yours truly,
W. A. V. R.

BOARD OF TRADE OFFICIALS RETURN

(Continued from page one.)

the granting of whose requests would jeopardise, if not take away, all the wholesale business now centering here.

Templeman Makes Promises

Opportunity was taken in conversation with the Hon. William Templeman and Senator Bostock, with whom the Nelson delegates had the pleasure of travelling from Nelson to Vancouver, of discussing several matters which if carried out will be highly beneficial to Kootenay and Nelson in particular. It is not at all unlikely that a dredge for the West Arm will be provided in the near future and the question of buoys and lights will be taken up and reported upon especially with a view to some temporary arrangements being made for buoying and lighting some of the most dangerous points.

The wharf at Proctor was another matter which was brought forcibly to the attention of the minister and it was understood this too would be attended to.

AT THE THEATRES.

The feature film at the Empire theatre tomorrow evening is a most interesting one, being "A Trip Through Berlin, Germany," showing all the interesting sights and celebrated thoroughfares of that great European capital. Several other interesting pictures will be included in the program.

There will be an entire change of pictures at the Gem on Monday evening.

Three reels of special interest are being shown at the Arcade on Monday evening. The subjects consist of, "The Irony of Fate." This is one of these delightful imp features. "The Clown's Sir Moment," and "The Princess of C. S.", a beautiful hand colored film. This program should be well patronized.

WHIRLWIND DID NO DAMAGE TO CRESTON FRUIT

(Special to The Daily News)

CRESTON, Sept. 14—The most notable visitor to Creston for the past week was when Sir William Grantham of the British high court of justice paid Creston a short visit on Friday last.

Judge Grantham expressed great surprise at the extent of the Creston valley and the immense amount of acreage of fertile soil covering the largest area of genuine fruit lands in British Columbia in one continuous tract. His lordship said that it was no wonder that Creston grows the fruit of quality in such an ideal climate.

This noted judge asked how many thousand acres of fruit lands were for sale in this valley and upon being told expressed renewed surprise. His lordship also asked from whom inquiries about lands here should be made when he was informed that the board of trade could give him full information. Mr. Justice Grantham then said that he was very much pleased that he had come into such a beautiful large stretch of level land, the valley being exceptionally wide comparing with what he had seen on his present tour through British Columbia. This supreme court justice in conclusion made the emphatic statement that the Creston valley would be his choice for a safe investment of capital in preference to any other part of British Columbia.

No Damage to Fruit.

No damage to the fruit in this district has been done by the recent small cyclone or whirl wind that struck Creston townsite a few days ago. It appears that this whirl wind was confined exclusively to the town itself.

Miss Hanlin intends opening a millinery business in the Hudson Bay block. 155-1

FALL MILLINERY OPENING

Tuesday,
September 13th

You are cordially invited to attend our millinery opening on Tuesday next, September 13, when we will have on display many beautiful models of London, Paris and New York pattern hats and some most fetching examples of the new styles from our workrooms.

We also announce our readiness to show you the latest styles in fall suits, coats, skirts, dresses, dress goods and furs.

MEAGHER & COMPANY

ADDITIONAL SPORT

Larned Has Great Career.

NEWPORT, R. I., Sept. 10—William A. Larned has had what is probably the most remarkable tennis career the game has ever known.

Six times national champion, and winner of countless lesser honors, Larned has been prominent in the game since 1892, when, a 19-year-old undergraduate at Cornell, he defeated Bob Wrenn and gained the title of intercollegiate champion. The same year he was the runner-up at Newport, but lost in the final round to F. H. Hovey.

Was Runner Up.

He was again runner-up at Newport in 1894, 1905 and 1896, being defeated by Goodbody, Hovey and Wrenn. After this Larned went to the Spanish war and did not play as brilliantly again until 1900 when he won the all-comers, only to lose to the champion, M. D. Whitman. In 1901 he again won the all-comers by defeating Beals Wright and became champion through the default of Whitman. The next year he successfully defended his title against R. F. Doherty, but lost it in 1903 to H. L. Doherty, British champion. In 1907 he again became national champion and defeated his challenger B. C. Wright and W. J. Clothier, in 1908 and 1909. Larned has won the Middle States championship six times and the Longwood title eleven times.

Larned has always played an aggressive game and wins on his play rather than on his opponent's mistakes. He used to be very erratic, but with infinite patience perfected his strokes until now he executes them with the precision of a delicately constructed machine. He is more brilliant than ever before, but his tennis form is so perfect and his execution so graceful that to the onlooker he never seems to make a difficult shot. Larned is considered by many the greatest tennis player in the world.

ACCEPT FISHERIES AWARD

THE HAGUE, Sept. 10—It is intimated that representatives of Great Britain and the United States have decided not to question the finding of the arbitration tribunal, but to accept the award in its details as binding on both nations.

BRAKEMAN AND ENGINEER BLAMED FOR WRECK

DURAND, Mich, Sept. 10—The coroner's jury returned a verdict yesterday in which a majority of the blame for the accident is placed upon George M. Graham, brakeman of train No. 14, charging him with gross negligence in that he did not go a safe distance to flag train No. 4 and did not place a sufficient number of torpedoes in place as are required by railroad rules, and which a competent railroad man wond have done. "We also place blame upon the engineer of train No. 4," continued the verdict, "for failing to use care in watching the track ahead of his train as he was running east of Durand."

LEAVES FOR MASON

(Special to The Daily News)

MOYIE, Sept. 10—About 3 o'clock yesterday the body of Thomas Hudgson, who was drowned in Moyie lake on Wednesday evening, was recovered. Deceased was a member of the local Miners' union, and the St. Eugene lodge of the Knights of Pythias. His parents reside at Stettler, Alta., while he has a sister in Wallace, Idaho, and a brother in Calgary. They have been notified, and the authorities are awaiting instructions.

E. O. Kamm, who for the past few years has held the position of chief accountant at the St. Eugene will leave shortly for Mason, Nevada, where he has accepted a position at the large smelter that is being erected by Jules Labarthe.

The season's cut at the Porto Rico Lumber company's mill is completed. Most of the men will now be employed in the woods.

AUSTRALIANS ABOLISH AN ANCIENT CUSTOM

Passing of "Kissing the Book" Removes Witness Box of One of Its Terrors.

The Australian parliament is taking action to abolish the old custom of kissing the book when taking the oath in court. The custom has been abolished long ago in England but in Canada, Australia and some of the outlying parts of the empire it is still retained. In moving the second reading of the bill Mr. Tricket said that the present mode of kissing the book, when taking the oath, was an objectionable and even an insanitary practice. It was known, too, that in many cases persons only pretended to kiss the book and others shrunk from the ordeal from sensitive reasons. The bill would render unnecessary this particular form, and all that would be necessary would be for the witness to hold the Bible in his hand and swear "by Almighty God to tell the truth, the whole truth, and nothing but the truth." In the case of a person who was neither a Christian nor a Jew, the oath would be administered in any manner which was now lawful. The law now proposed was in existence in England, and the Times, in November, 1909, in referring to the change, welcomed it as one which would rob the witness box of one of its terrors. As to the suggestion that it would cause an increase of perjury, the Times, in the same article, pointed out very forcibly that a perjurer was not affected by the form of oath, because he went into the witness box to swear what suited him, or the person who called him. No law could prevent false swearing, though it might provide for punishment on detection.

HIGHER TYPE OF IMMIGRANT

WINNIPEG, Sept. 8—During the period from March 1 to August 1 of this year, when 41,452 men, women and children from England, Ireland and Scotland came into western Canada by way of Winnipeg: 26,000 more than passed through this city during the same time last year. During the same period this year, 15,916 immigrants from Europe passed through the Winnipeg immigration office.

"I can say of the Britishers who came this year," said the Dominion inspector, J. Bruce Walker, "that they have been of a higher type than any that we ever handled before." "In what respect?" was asked. "Physically, mentally, morally and financially."

Severe attacks of rheumatism are often responsible for cases of organic heart trouble. At-any-rate it is foolish to "grin and bear it."

Nyal's
RHEUMATIC REMEDY

would likely cure your case. It has proved beneficial in all forms of Rheumatism—muscular, inflammatory and gouty. A big bottle costs only $1.00.

Anything you buy with the name Nyal's will give you entire satisfaction.

LOOK! LOOK!
HOUSE BARGAINS

On Silica street, near Church of England, a 6 room house in first class repair. Has three bedrooms, water, electric light, and gas for cooking. You cannot get anything closer in. Price $2400, on very easy payments.

On Carbonate street, a 4 room house, almost new. Has water, electric light, stone foundation, certainly a good buy for the money. Price $3000, on good terms.

House Property Our Specialty

McQUARRIE & ROBERTSON,
418 WARD STREET Agents NELSON, B.C.

Will You Trade?

A client wishes to exchange newly built, up to date home in the busy city of Calgary for medium sized tract of BEARING ORCHARD.

This property is on 5th avenue in Calgary. Paved and boulevarded street, granolithic sidewalk, fine large home, quite modern, containing seven bedrooms, etc, well finished. Within half mile of centre of city and only three blocks from Main street.

Will trade for orchard coming into bearing. Call and see us or write what you can offer.

House to Rent

We can handle several. Let us know when your property will be available and we will arrange a tenant for you, so there will be no delay.

While you are waiting to sell your property why not arrange with us for a tenant who will care for the house besides paying rent?

Business Chance

The owner of a thriving business in Nelson, having other interests that call him away, will turn over to you a GOING CONCERN—$1000 cash will handle it. You can take hold at once but the offer is only made at this figure for quick action.

A four roomed house on one lot, well located and very close in. City water and electric light; $800, $100 cash and $20 per month. This won't stay long at this price.

A fully furnished, modern house, very close in, no hills, in a desirable neighborhood, 7 good rooms and bath. This price includes piano and complete furnishings. **Price $3500, good terms.**

How Long Have You Been Paying Rent?

Live in a comfortable house for a few years, pay as $20 per month as rental and we will give you deed to this home free.

No Interest—A straight businesslike offer. Not far to walk, good garden, bearing fruit trees. House newly decorated throughout. One person gets it. Who'll be first?

You'll be sorry all your life if you miss this opportunity.

Four minutes from postoffice or less if you hurry. We can offer you a modern home on Vernon street. Four bedrooms, good clothes closets, parlor, dining room, kitchen and pantry. Stone foundation and full 7 foot basement, partitioned off for work room and vegetable bins and furnace room. Well built furnace.

$1500 is a low figure for this property. Includes electric light, gas, hot and cold water, gas heater for bath. Part cash balance 7 per cent loan over three years. A home for comfort.

A Cosy Home—Containing three bedrooms, parlor, dining room, large kitchen and bathroom, within five minutes walk of postoffice. Newly decorated inside and out; excellent view. Good price, $1650 on terms to suit you.

This Offer Concerns You

We have another good business proposition but had not full particulars at time of going to press. Call in and we will tell you about it.

Fruit Land?

You can obtain full particulars from us without any cost to yourself of the best lake frontage suburban orchard locations ever offered in B. C. Only a few of these opportunities left; $10 cash and $10 per month. Price reasonable. Terms to suit you.

Orchards in bearing to go at a reasonable figure to the first applicant.

Call in and see our offer.

AN OFFER THAT YOU SHOULD NOT OVERLOOK

A new modern cottage, well built and up to date. Containing two good bedrooms, with generous sized clothes closets, linen closet, bath room, large bright parlor, comfortable dining room, kitchen built for use and convenience, good pantry and cellar.

Lot, size 60x100, under cultivation and planted with fruit trees, two years old. The price was made very low for quick sale and is about $200 less than any other offer; $1000 cash, balance to suit.

PRICE $2500

Let us show you this property, you'll be delighted.

YOUR BIG CHANCE

$1000 will let you take hold of the purse end of a money making thriving business.

A BARGAIN FOR YOU

If you will act quickly

Four lots, one block from car line, in well kept, fully bearing orchard.

Comfortable Modern Home, hot water heated, modern conveniences.

Business has called owner away from town and he has instructed us to make this special offer for a quick sale.

This offer is saving you money as the property will readily sell at an increase of $400 or $500 as soon as the cars are running; which will be in a few weeks.

The whole property is in A1 condition and the price is only $2800; $1000 cash and balance arranged.

The fruit on the property will more than pay the interest.

IS VETERAN OF SHIPBUILDERS

General Manager of Harland and Wolff Seeks Belated Leisure—Huge Tonnage.

DUBLIN, Sept. 19—Alexander Montgomery Carlisle, the general manager and chairman of the managing directors of Messrs. Harland and Wolff, shipbuilders, of Belfast, has retired from his position owing to nervous breakdown.

All his working life has been connected with the great firm from which he now retires. He joined as a pupil apprentice in 1879, under the late Sir E. J. Harland, the founder of the business, and passed steadily upwards through all the stages of employment to the highest, but he has worked too hard and with too few holidays, and nature has now reminded him of her claims. Happily he is only 56, and he may hope for a long autumn of life in which to enjoy his belated holiday.

Harland and Wolff's have been described by qualified experts as the most complete shipbuilding yard in the world and it has achieved success in spite of the fact that all its steel and iron and coal of which commodities its consumption is enormous, have had to be imported.

Immense Liners.

Before surrendering his position, Mr. Carlisle completed the arrangements for the launch a few months hence of the two greatest vessels the oceans have known—the White Star liners Titanic and Olympic, each with a tonnage of 46,000. They are much bigger than the Lusitania (32,000 tons), but have not her greyhound speed, having been deliberately designed for a rate of twenty-one or twenty-two knots. Comfort, steadiness and accommodation rather than speed were the ends aimed at in their construction. Mr. Carlisle is a great believer in the big ship. Like Lord Pirrie, his distinguished chief, he thinks the only fault of the Great Eastern was that she was before her time. With adequate docks and harbors for their housing, he thinks that the ship of heavy tonnage is the ship of the future.

Mr. Carlisle has seen a remarkable growth in the size of the Atlantic liners during his long career. The first Oceanic he helped to build for the White Star company had a tonnage of 3000, the second Oceanic was 17,000 tons; the Adriatic, America and the Rotterdam (built for different lines) climbed to 25,000 tons; the Lusitania and Mauretania, cradled in other yards, crept on with 32,000. Harland and Wolff have now replied with a titanic Olympic and an olympic Titanic, each of 46,000 tons. Where the competition in size will end, nobody can presume to say.

Is a Bohemian.

Mr. Carlisle has always combined industry with a vivid Bohemianism. He does not golf, he does not shoot, he does not fish, and he has been heard to declare that he only read one book through in his life; but music and the theatre and the stalls of artistic clubs have always been the salt of life to him. He was made a privy councillor in 1907.

He is not in the least inclined to claim virtues he does not possess, and it is well known that he finds little fault with an address presented to him by an Irish friend, in which he was described as "right honorable, right worshipful right trusty and well beloved counsellor, Trinitarian, Unitarian, nothingarian, orator, statesman, shipbuilder, slogger, patron of many livings (he had 12,000 men under him), monarch among higher critics, purveyor of good deeds and good wine."

CANADIAN APPLES TO BE THE WHOLE SHOW

Product From British Columbia to Nova Scotia Will be Shown at Vancouver.

MONTREAL, Sept. 10—Maxwell Smith, manager of the first Canadian National Apple show to be held in Vancouver from October 31 to November 5, and editor of the Fruit Magazine in that city, is here after completing a tour of the eastern provinces to ascertain what exhibits would probably be forthcoming from the fruit growing districts in this part of the Dominion.

Mr. Smith has already been assured that Nova Scotia will send an exhibit to the show, although it will not be as large as would have been possible had the special variety of apples for which Nova Scotia is famous, namely, the Gravenstein, not being almost a failure this year. The Pomological society of the province of Quebec will send a full carload of the lovely Fameuse, from Montreal island. Mr. Smith is on his way west.

POINTERS

A good many people think of a drug store simply as a place where one may buy any article not found elsewhere. As a sort of "everything else" store. This store is all that—but more, too. Many things, besides drugs which you can get at other places, you can get to a better advantage HERE.

Our Idea

of a drug store is that it should, more than any other store whatever, be actually devoted to the public service.

And to sell a stamp amiably, to answer a night bell amiably, to give information amiably is to enhance the public usefulness of a store.

Toilet Articles

for people of exacting tastes and ideas! "Exclusive" sort of things—things that were made by people who had ideas—and pride in their work—and conscience

If

you can't get what you want here it's because it's not on the market.

The Compounding of Prescriptions

is work not only for a man who KNOWS, but for a man who CARES! WE KNOW AND CARE

Keep

it in your minds that the Popular store is here for you—for we keep it in OUR minds.

Take Advantage

of the many snaps in our

Odds and Ends Sale of Stationery

Elegant Goods at Amazing Prices

CHOICE CUTS

are what most people want and they always get them at Burns' meat market. It is no trouble for us, because we always have the stock. The very finest selected beef, lamb, mutton, veal, pork and poultry, and our prices won't hinder you from buying.

P. Burns & Co. Ltd.

NELSON NEWS OF THE DAY

(Additional local news notes on page 5.)

Fred Jinks, cafe car conductor on the Boundary train, leaves for a vacation tomorrow.

W. Cutler has been appointed to collect the provincial revenue tax again this year, and will commence duties next week.

A. W. Porter, superintendent of the C.P.R. sleeping and dining car service in the Pacific division and stationed at Vancouver, is at the Home.

Miss Betty Johnstone and Miss Elizabeth Johnstone returned on the delayed coast train on Friday night, after a vacation spent at the Pacific coast cities.

Mrs. Eleanor Beach, of Winnipeg, will return to this city in October, to form a class for pupils desiring voice culture, piano and theory, also special conservatory graded course. Parties desiring the above will kindly leave their name and address with Vyvian C. Beach, of the Canada Drug & Book Co. 124-2

Royal Hotel, here's your home for the winter. Best board in the city. 356

I have just received from the factories of Munro & McIntosh Carriage company, Alexandria, Ont., one carload of democrats, delivery wagons, buggies, buckboards and carts, which I now have for sale. D. Grant, blacksmith and horseshoer, Vernon street. 85-tf.

THE AMERICAN CAFE, formerly at Hall street, will be open for business at their new stand, 518½ Baker street, on Monday, the 12th. The proprietor takes this opportunity of thanking his numerous friends for their liberal patronage at the old stand, and extends a hearty welcome to them, and the general public, at his new quarters, which have been fitted in up-to-date-style. American Cafe. 126-1

FISHING WATER.

Boats for hire on pool at Slocan Junction, most famous fishing water of British Columbia. Fly fishing par excellence. Try grasshoppers for the big fellows. All conveniences at C.P.R. Crest Lodge. J. Killey, lodge keeper. 8-tf.

A BIT OF ADVICE.

First—Don't Delay. Second—Don't Experiment.

If you suffer from backache, headaches or dizzy spells; if you feel poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. The kidneys are calling for help. Slight symptoms of kidney troubles are but fore-runners of more serious complaints. They should be given attention before it is too late.

Booth's Kidney Pills cure kidney trouble. They are recommended by thousands. W. M. Ferguson, of Indian Head, Sask., says:

"I was compelled to quit work six months ago on account of a lame sore back, which had become so weak that I could scarcely get around. My limbs and feet were very much swollen, and I also had severe headaches occasionally. On hearing of Booth's Kidney Pills through an advertisement I procured a box and found them a fine remedy. I have used three boxes and they have given me great relief. The pains and aches have left my back, and it has been greatly strengthened. The swelling in my limbs and feet has also disappeared, and I have not had a headache since. I am very much pleased to recommend this remedy." For sale in Nelson by the Poole Drug Co., Ltd.

Sold by dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian Agents.

ADD TO YOUR PERSONAL ADORNMENTS

By the Use of Newbro's Herpicide.

A pretty woman may enhance her beauty and a plain woman become good looking by the proper care of her hair.

Nice hair, pretty hair, growing on the head it adorns, is one of nature's greatest beautifiers.

The kind of hair which always makes us look the second time, follows the use of Newbro's Herpicide, and is possible for every woman.

Regular applications of Herpicide kill the hair-destroying dandruff germ, keep the hair from coming out and add to it that luxuriance, snap and lustre which are essential to hair beauty.

Newbro's Herpicide is the Original scalp prophylactic. All other hair remedies claiming to kill the dandruff germ are simply trying to trade upon the reputation of genuine Herpicide.

Applications may be obtained at good barber shops and hair dressers.

Send 10c in postage to The Herpicide Co., Dept. R., Detroit, Mich., for sample and booklet.

One dollar size bottles sold by all druggists under an absolute guarantee. The Poole Drug Co., Ltd., special agents.

TO MAKE BERLIN CITY BEAUTIFUL

"Ploughing Strips" a Mile Long to Disappear—New Streets Are Planned.

BERLIN, Sept. 10—The "garden city" or "city beautiful plan," which is causing such a wonderful transformation in the suburbs of London and other English cities, is being taken up in Germany, and Berlin is to be extended in all directions on a scale of beauty and in a way that will give American travellers new ideas on the subject of municipal adornment. The Emperor is deeply interested in the project, it is announced.

Berlin has grow up in a peculiar way. The whole metropolis has been built up solidly to its limits to a height of five and six stories, and then it stops suddenly, and open farming country begins immediately beyond. This open land is divided, in old-time German style, into what are known as "ploughing strips." These are often only thirty or sixty feet wide by frequently a mile in length. The holders of these strips, in many cases the original peasant owners, or their descendants, are usually very stubborn, and will not consent to their holdings being cut into streets and reapportioned. This has seriously hindered the growth of Berlin beyond its original boundaries.

Some Very Valuable.

Some of the strips are valued at a million marks. This has been the greatest problem in the way and has required unusual skill in laying out suburbs. No street is to continue in an absolutely straight line, as in America, nor do cross streets intersect opposite to each other. The streets are to be of different widths, and even the same street will vary as to width. Some houses will set back, others will project. This will give a most picturesque and old-time air to the neighborhood.

More than $40,000 has been spent in plans, and the best architects and landscape gardeners in Germany have contributed their ideas. The New York playground plan is to be tried. A "suburb beautiful" is being laid out near Dresden, another near Nurnburg, and still another on the outskirts of Munich. The Swiss are trying the plan just on the border of Berne. A "garden city" is growing up close to Bourges, in France. The same general principles are being followed in all these, the idea being to create within easy distance of the large city an independent community on copartnership lines, with all the features of a complete town. Factories are encouraged, but they are permitted to locate only on the side where the prevailing wind will carry their smoke away from the town.

Dusseldorf and Antwerp are considering the scheme.

LUMBER CONTRACTOR IS FOUND DEAD

PORT ARTHUR, Sept. 10—Word has been received from Provincial Constable Campbell at Fort Francis that William J. Woods, lumbering contractor of Port Arthur has been found dead seven miles from that town. There are no marks of violence and heart failure is believed to be the cause. Woods was well known and leaves a widow and six children. The body will be brought here for burial.

Notice is hereby given that I, William Dowling, of Ymir, B.C., intend to apply to the Superintendent of Provincial Police, at the expiration of one month from the date hereof, for a renewal of my retail liquor license for the premises known as the Miller House, situate at Ymir, B.C.

WILLIAM DOWLING,
Ymir, B.C.

Dated at Ymir, 15th August, 1910. 109-36

NOTICE TO CONTRACTORS

Kaslo Court House.

Sealed tenders, superscribed "Tender for Kaslo Courthouse," will be received by the Honorable the Minister of Public Works up to and including Monday, the 26th October, 1910, for the erection and completion of a new Courthouse at Kaslo, in the Kaslo Electoral District.

Plans, Specifications, Contract and Forms of Tender may be seen on and after the 19th day of September, 1910, at the offices of the Government Agent, Kaslo; Government Agent, Nelson; and the Department of Public Works, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honorable the Minister of Public Works, for a sum equivalent to 10 per cent of the amount of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

F. C. GAMBLE,
Public Works Engineer

Public Works Department,
Victoria, B.C., 6th Sept. 1910. 125-2i

NOTICE.

Notice is hereby given that I, the undersigned, intend, thirty days after the date hereof, to apply to the Superintendent of Provincial Police for a transfer of the liquor license now held by me for the Grove Hotel, Fairview, Ymir district, to William Gosnell.

Dated this 15th day of August, 1910.
106-1m. N. MALLETTE.

NOTICE.

In the matter of Chapter 26 of the British Columbia Statutes, 1910, and of the appraisement and apportionment thereunder.

All persons, or their assignees, who did work or supplied material, including goods or merchandise in connection with the actual construction of the grade of the Midway & Vernon Railway, between Midway and Rock Creek, are requested to send in a detailed statement of their claims verified by affidavit or statutory declaration to the undersigned.

R. F. GREEN,
Secretary for Valuators.
P. O. Box 813 Victoria, B. C.

WATER ACT 1909.

By direction of the board of investigation notice is hereby given that the board will proceed to adjudicate upon claims to water on the following streams and tributaries thereto in the Nelson water district, under authority of Part 3 of the Water Act, 1909:

Trail creek, lake stream or Cambridge creek, Ryan creek, Rock creek, Blue Grouse gulch, Brewery gulch, Gorge gulch, Nigger creek, Tiger creek, Daniel Gulch, East Mill stream, West Mill stream, Stoney creek, Grass Springs, Violin lake, Murphy creek, Topping gulch, and their tributaries.

A meeting for the purposes of adjudication will be held at Trail at 10 o'clock a.m. on or about the 3rd day of October, 1910.

W. S. DREWRY,
19-8-10-3 Chief Water Commissioner

WATER NOTICE.

Take notice that I, Ida J. Dawson, of Nelson, B.C., intend to apply, 30 days from date, to the Water Commissioner for a water license to take one-fifth of a cubic foot of water from an unnamed stream flowing out of Garrity Creek, to be used for irrigation purposes on Block 2 of Lot 3367.

IDA J. DAWSON.

Nelson, B.C., July 28, 1910.

WATER ACT 1909.

By direction of the Board of Investigation notice is hereby given that the Board will proceed to adjudicate upon claims to water on the following creek and tributaries thereto in the Nelson Water District, under authority of Part 3 of the Water Act, 1909.

SHEEP CREEK AND ITS TRIBUTARIES

A meeting for purposes of adjudication will be held in the City of Nelson at 10 o'clock a. m. on or about the 8th day of October, 1910.

W. S. DREWRY,
Chief Water Commissioner.

Your Watch Needs Cleaning

Would the C.P.R. or G.N.R. allow an engine out of their yard without cleaning and oiling same? Well hardly. They must be absolutely clean and properly oiled to run perfectly. How about your watch? Is it clean? Is it properly oiled. Remember it's much more delicate, requires more attention to make it run accurately than an engine. Come to us with it, we are experts in watch repair work.

Out of town customers solicited, with prompt attention.

THE SEMAPHORE CIGAR STORE AND BILLIARD PARLORS

To make room for new stock, we are compelled to sacrifice while they last Semaphore Specials and Lamorillas, three for 25 cents or $1.75 per box. Our specialty this week Sealed Havanas. Something new. Just out. Give them a trial.

The Kootenay Jam company have shipped three carloads of jams and other products of their factory to various points in the prairies during the past few weeks.

Dr. and L. Secord of Brantford, Ont., who are making a tour of the west, are staying at the Strathcona. They are on their way home after visiting the coast cities.

R. S. Lake, M.P. for Qu'Appelle, Sask., and Mrs. Lake, arrived in the city on Friday night and registered at the Strathcona. They left on the afternoon boat yesterday for Kaslo.

The man Carlson who was sent to the provincial jail a few days ago on a charge of insanity, has been taken to the asylum at New Westminster by Warden W. H. Jarvis.

A shipment of rails and ties for use on the C.P.R. railway branch which is to be built from Midway west is on the way from the east. Work will go ahead directly these are received at Midway.

B. A. Isaac, manager of the Nelson Iron Works, will leave Nelson next Saturday, accompanied by his wife and family, for Quebec, there to sail for Liverpool, England, by the Empress of Britain.

The many friends of Charles H. Ink will be glad to learn that he appears to be weathering the severe operation he underwent at the Kootenay Lake General hospital, and although not yet out of serious danger, is steadily improving.

A plate of seven magnificent peaches, reposing on green leaves, and surmounted by a cluster of black cherries, adorns one of the windows of the Nelson Hardware company's store. They were grown by F. W. Nash, of Renata.

The opening meeting for men at the Y.M.C.A. will be held in the Y.M.C.A. building at 4 o'clock this afternoon, when Prof. Anderson Scott of Cambridge, England, will give an address, and Evangelist Hawkins will sing. All of the city are invited.

Wedding cards received in Nelson, announce the marriage, on Wednesday last, of Arthur Russell Poole and Miss Elsie Deane Mullin, daughter of Mrs. William Cummings, at Winnipeg. The happy couple will be "at home" after Oct. 4, Edgeene Cottage, 419 Bilton street, Nelson.

The C.P.R. freight department have received orders for six cars for the transportation of prunes from the Hornsberger ranch at Grand Forks. Three cars have so far been forwarded to the east. In addition to this, one carload of mixed fruit has also been shipped by J. Rooke at Grand Forks this season to the prairies.

Prof. Charles Anderson Scott of Westminster college, Cambridge, will preach in St. Paul's Presbyterian church today at both services. Prof. Scott has been lecturing on New Testament subjects at Westminster Hall, the college of the Presbyterian church, at Vancouver. He occupies a distinguished place among British scholars and theologians.

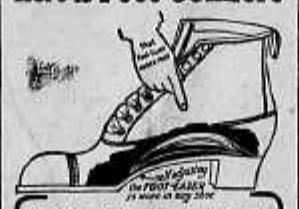
W. D. Matthews, a director of the C.P.R. and president of the Canadian Consolidated Mining & Milling company of Trail, accompanied by E. B. Osler, M.P. for Toronto, W., and a director of the C.P.R., and W. H. Aldridge, manager of the Consolidated company, reached the city yesterday morning and went out on the Boundary train for Trail. The party arrived on a special from Proctor, having come from Kootenay Landing on a freight barge.

F. G. Poulton, manager of the Nelson Street Railway company, has put up the feed wires for the street railway system along Ward and Baker streets, and is now stringing them along Latimer street all the way from Stanley street to Cedar street. The last of the wire will be up by the latter end of this week. The carbarns are being completed by the putting up of the overhead wires, both inside and out. With these odds and ends of work completed, there will be nothing left but to wait for the cars.

At 8.30 o'clock last evening the death of David Gardiner Thompson took place, at his residence, 618 Victoria street. The late Mr. Thompson was a native of the Shetland Islands, Scotland, but for the last six years had carried on a jewelery business at Westville, N.S. A few months ago, accompanied by his family, he came to Nelson for the benefit of his health, but a time the change appeared to be beneficial. On Monday week, however, he developed a very severe attack of pleurisy, which ended fatally. The deceased was 54 years old, leaves a wife with two daughters in Nelson, one son in Halifax, N.S., and a son in Glasgow, Scotland; also a sister, Mrs. W. S. Johnston, of this city. The funeral will take place tomorrow afternoon at 2.30 o'clock, from the Salvation Army citadel, where a service will be conducted by the Army officers.

Minard's Liniment Cures Burns, Etc.

Here is Foot Comfort



This is a broad claim to make, but the **Scholl "Foot-Eazer"** eases feet, provides absolute means of foot comfort.

When the arch of the foot is not properly supported—and the modern shoe does not give this required support—the feet tire and ache and pain and become feverish and then there is a twitching and a seeming strain on the limbs, and frequently a feeling of fatigue over the whole body.

The arch of the foot, where the body's weight is carried, needs a rest.

The Scholl "Foot-Eazer"

supports the arch or instep and takes away all muscular strain, equalizing the weight and bearing.

Made of German Silver springs, leather covered, Self-adjusting to any foot. Can be changed from one pair of shoes to another and can be worn with comfort by anyone.

Women who do housework, or clerks in stores or offices, or anyone whose occupation requires them to do much standing or walking should buy a pair of "Foot-Eazers" today.

You can not have restful feet until you do wear them.

All sizes, for men and women. Price $3.00 per pair.

Endorsed by Physicians—by People who wear them.

NELSON NEWS OF THE DAY

(Additional local news notes on page 1.)

The winning number of the weekly draw last night at Weir's Shoe Store was 1,475.

E. A. Taylor, of the Edgewood Lumber company, at Castlegar, reached the city last night.

John Stevens left yesterday for London, England.

Capt. Allan Leas has returned from a three day's trip to Proctor, in his motor boat.

S. A. Davies and wife left yesterday for Montreal, to sail on Sept. 15 by the Royal Edward, for Bristol.

E. J. Hanking, depot ticket agent at Nelson, has returned from a month's trip to Vancouver and Victoria.

W. B. Farris leaves on the Crow boat this morning for Spokane, and will be absent from Nelson several days.

E. R. Bollite left for the east yesterday, to sail by the Royal Edward on Sept. 15, for Bristol, with London as his final destination.

Mrs. James H. Smeaton and daughter, and Miss Olga Peterson, leave by the Crow boat this morning for McCall Ferry, Penn.

Mrs. J. H. Fox will render a solo at the evening service at Trinity Methodist church today, entitled "Fear Not Ye, O Israel," by Dudley Buck.

Capt. W. Seaman, of the steamer Kuskanook, is away on a short vacation. Capt. Orr, of the tug Hosmer, is operating the steamer in his absence.

The C.P.R. pile driver has been sent up to Balfour and will start work within the next few days driving the piles for the wharf for the new tourist hotel.

The Nelson lodge of the Ancient Order of Foresters will hold their regular semi-monthly meeting in the K. of P. hall tomorrow evening at 8 o'clock.

FACTION FIGHTS AND SHOOTING IN IRELAND

Warm Times in Progress—Great Zest Being Thrown Into Home Politics.

DUBLIN, September 9—The Irish members of parliament having returned to their homes, greater zest is being thrown into home politics. All other questions retire behind the interesting conflict between the United Irish league and the All-for-Ireland movement, which William O'Brien declares to be "the only living thing in Irish politics." It certainly does seem to enjoy some health, for, if all accounts are to be relied on, there is a branch in every town and hamlet of Cork, and others have sprung up in different parts of Limerick, Kerry, Waterford, and even Mayo. In the days of the Land League, Effin, in Limerick, was famous for its record-breaking contributions to the funds. Now it has joined the opposition. More significant still, the Ballylanders branch of the United Irish league has converted itself into a branch of the All-for-Ireland league, and others are said to be meditating doing likewise.

Heartier Than Ever.

On the other hand, the leaguers, far from admitting any waning of vitality, pronounce themselves heartier than ever. They profess a belief that this year's subscriptions will be a record, and are basing bright hope on the pilgrimage of Mr. Redmond and his colleagues to America, where, according to Dr. Timmins, of Boston, who has arrived in Ireland with the Right Rev. Monsignor O'Calaghan, another prominent member of the league in America, matters over the water are looking bright. The same gentleman brings the comforting assurance to his friends that the recent turn of affairs in Cork has not had the slightest effect of a depressing kind upon the United Irish league in America.

Are You Looking for a Home?

We have listed with us for immediate sale a new five roomed house on Cedar street. Modern and up to date in every respect. Two nice lots. Commands a beautiful view and is within a few feet of the street car line. Terms can be arranged. Price $2500.

Another nice five roomed house on Latimer street, one lot. All modern conveniences. This will appeal to the small investor as the terms are very attractive. Cash payment of $700 and balance $25 a month will handle. Price $1400.

FOR RENT

We have enquiries for several nice houses for rent. Have you anything to offer us?
