VOL. 9. NELSON, B. C., SATURDAY MORNING, OCTOBER 1, 1910 NO 142

PRESENTATION TO ROBERT LENNIE

Bar Association and Many Friends Assemble

RETAINS INTERESTS IN THE KOOTENAYS

Remarkable Tribute of Esteem Paid by Gathering of Leading Men of Nelson

There could be no gathering more representative of the leading men of Nelson and Kootenay than that which last night assembled in the Strathcona hotel to pay an enthusiastic tribute to R. S. Lennie as a man, as a citizen and as a member of the bar, and to wish for him on the eve of his departure for Vancouver the success and prosperity with which they were confident he would meet. There were two presentations—one a splendid set of cut glass, including a punch bowl, glasses and accessories and the other a set of gold sleeve links and accompaniments.

Those who took part in the occasion were the Bar association and the following among other friends:

Fred A. Starkey, John G. Devlin, Arthur Poole, R. H. Ewert, J. A. Irving, Fred Irvine, Percy J. Gleazer, C. W. Busk, J. G. Bunyan, E. E. Phair, A. S. Horswill, E. S. Stevenson, Harold Selous, C. D. Jarvis, T. Parker, R. H. Winearls, W. Garland Foster, Charles Burt, W. R. Jarvis, S. S. Fowler, R. H. Lay, L. E. Borden, H. A. Coomber, H. S. Headington, H. C. Cumins, K. H. Fessenden, J. R. Martin, John Fraser, H. H. Pitts, W. F. Teetzel, W. Poole, P. Burns, H. Bird, W. C. E. Koch, E. Ferguson, W. A. Anstie, R. A. Weir, A. H. Kelly, S. P. Tuck, K. V. Munro, L. K. Larsen, H. V. Rudd, A. S. Kendall, S. M. Brydges, W. Gosnell, Geo. Hawthorne, T. Moran, L. B. de Veber, A. Carney, D. J. Robertson, Ronald Brown, T. G. Proctor, W. C. Bayly, A. H. Gracey, R. J. Hawkey, A. E. Watts, R. K. Beeston, John Ayton Gibson, W. Cunliffe, F. B. Lys, W. P. Tierney, W. Wilson, S. A. Kelly, C. I. Archibald, J. M. Lay, H. E. Douglas, and A. L. Brehsla.

In opening the proceedings Mayor Selous said: "Gentlemen, we are met here to say good by and God speed to one of Nelson's oldest and best citizens. It is said that when a good American dies he goes to Paris; it seems that when a good lawyer proves his ability and wins everyone's esteem in the Kootenay, he goes to Vancouver. We are all sorry because his going is Nelson's loss, and we are all glad for his sake because he is going to a larger—I will not say a better—town, where he will have full scope for his ability. I now call on Mr. Archie Johnson to say a few words on behalf of the Bar Association and on behalf of all of us."

A. M. Johnson said: "It has so happened that I have frequently been called upon to speak on behalf of the bar on similar occasions. If there was ever a time in the last fifteen or eighteen years that I felt it a privilege to do so that time is tonight. I speak not only for myself and for the Bar Association but for the city of Nelson and the Kootenay when I say that in losing Mr. Lennie we are losing a good man. We have known each other for fifteen or twenty years, when opposed to each other in politics or in business and when not opposed, and he has always played the game fairly and squarely. I can safely say that Mr. Lennie hasn't an enemy in Nelson or the Kootenay, and he has rubbed up against all sorts of people. We have found him fair and square and Vancouver will find him the same. I might go on to elaborate on what we all think of him, but it is unnecessary. How he is regarded in his profession was shown when in the election of benchers he received the greatest majority in the province. The Kootenay will have no better friend in Vancouver or wherever he may be than Mr. Lennie. He is sure to become as eminent there as here and in years to come his achievements will be known as those of a lawyer who first made his start in the Kootenay and who always regards the Kootenay as his country. On behalf of the bar I wish you every good wish that can be wished for a lawyer on removing to a new place." (Applause.)

Mr. Selous then called on R. K. Beeston, secretary of the board of trade, to read the following address:

Citizens' Address.

Robert S. Lennie, Esq.

The citizens of Nelson as a whole regret your impending departure from amongst them.

Recognising as they do that you feel compelled to take this important step only in the interests of your private and business affairs, they desire to sincerely express the wish that in the broader field upon which you are now entering you may occupy relatively the same important position that you have here.

The accompanying gift is offered you simply as a mark of the esteem in which you are held, not only by the business men generally but by all

(Continued on Page Four.)

METHODISTS SAY LAW IS BROKEN

Allege Infractions of License Regulations in Phoenix—Chief of Police Hirsty After Hours.

(Special to The Daily News.)

VICTORIA, Sept. 30.—The Methodist church of Canada through General Superintendent Chown has called the attention of Attorney-General Bowser to the alleged non-observance of license regulations in the town of Phoenix. Among infractions alleged are that the chief of police has been seen to be supplied with drink after prohibited hours, that the chief of police and magistrate connive at infraction of the license law, and that liquor conditions generally in town are such as require strict investigation. The attorney-general's department will inquire into the matter.

LOCKOUT IN COTTON INDUSTRY INEVITABLE

LONDON, Sept. 30.—The board of trade intervened in an attempt to avert a lockout in the cotton industry. An official of the board went to Manchester to interview members of the Federation of Master Cotton Spinners and representatives of employes and to arrange a round-table conference. Masters and workmen met at Manchester this evening, but the conference broke up without a settlement having been arranged. The employers' federation, therefore, ordered their mills closed at noon tomorrow.

PLENTY OF LABORERS

LONDON, Sept. 30.—Canadian Northern agents at Bristol report that thousands of navvies of the right quality are available for railway construction if the men could raise the fare to Winnipeg.

PLAINTIFFS WIN IN TIMBER SUIT

Judgment for Hundred and Seventy-one Thousand Dollars—Shortage in Timber.

VANCOUVER, Sept. 30.—Justice Clement has decided in favor of the plaintiffs in the big British Columbia timber suit of Swift vs. Davidson. The judgment is for $171,000. The claim was for a quarter of a million, representing, as the plaintiffs alleged, a shortage in timber on the numerous tracts and limits transferred to the plaintiffs by David when he sold to them nearly all his interests in the then Fraser river sawmills, near New Westminster, now the property of the Western Canada Lumber company. Mackenzie and Mann being now among its chief owners.

David, who is a Seattle and Portland mill owner and with interests in Vancouver, contended that there was no shortage, while he has carried into the courts in Seattle other disputes with the successful plaintiffs here. These are Edward F. Swift, the Chicago meat packer; Colonel Davidson, president of the Western Canada Lumber company; A. D. McRae, its general manager, and ex-Senator Peter Jensen of Nebraska. The case is likely to be appealed to the privy council.

PRESSED PEAT EQUAL TO BEST ANTHRACITE

Department of Mines Will Deliver it to Residents of Ottawa at $3.25 a Ton

OTTAWA, Sept. 30—Several hundred tons of pressed peat, prepared at Albert, near Ottawa by the Canadian department of mines, are to be sold in Ottawa at the rate of $3.25 a ton delivered. This is being done as a demonstration of the commercial success of the government experiments in preparing peat for fuel. The department claims that at this rate peat is equal to the best anthracite coal at $6 a ton. They claim to be able to sell the peat fuel at the works for $2.25 a ton and make a profit. This is equal to hard coal at $4 a ton. It is expected that within a short time private enterprise will be putting peat fuel on the market wherever bogs are found in the vicinity of populous centres.

BOB EDWARDS ACQUITTED

WINNIPEG, Sept. 30—Before Judge Walker this morning R. C. Edwards, editor of The Eye Opener, was acquitted of the charge laid against him by the Lord's Day Alliance last March.

WINNIPEG HAS CONTROL OF SCARLET FEVER EPIDEMIC

WINNIPEG, Sept. 30—The health authorities say they have control of the scarlet fever situation and concern about the spread of the disease is practically at an end. Ten cases in all have been reported this week but none in the past two days. The temporary hospital in the exhibition grounds is in full working order.

TARIFF REFORMERS APPROVE WEST INDIES REPORT

LONDON, Sept. 30—It is stated that the tariff reformers regard the West Indies report with increasing satisfaction the more it is studied. They say moreover that it strengthens the case for imperial preference. Tariff reformers believe it inconceivable that after such an enquiry the government, if in office at the time of the imperial conference, can continue hostile to the fiscal unity of the empire.

WANTS TO EXTRADITE MEMBER OF DOUMA

WINNIPEG, Man., Sept. 30—Longinus Theodor Gerus, the fugitive member of the Russian douma, is here from Chicago to give evidence on behalf of Saavn Fedorenko, whose extradition is sought by the Russian government. Gerus was one of the 55 members of the douma who were indicted and one of the nine who escaped. He was pursued across the country for seven months, but finally made his way out with the assistance of forged passports. Interest in the Fedorenko case is increasing on account of the prominent refugees who are fighting to have the prisoner released.

FINE FAIR DENOTES A NEW ERA

Expansion Will Be the Order From Now On—All Records Broken—Field Day is a Great Success—Band Concert an Evening Feature---Mineral Section Leaves for Spokane---Fruit Auction Tonight

The most successful fair in Nelson's history, as an exhibition, and the worst in the point of weather, came to an end last night, not perhaps in a blaze of glory, but at least in a night of merriment. The rain did not diminish the size of the crowds that went there on pleasure bent, and while the grand stand attractions were again off, a splendid band concert by the city band which included some of the best things in its repertoire, was a good substitute and the confetti battle was waged with unflagging zeal to the closing hour. One of the points in connection with this fair that it is pleasant to reflect upon is the loyalty the people of the city, as well as the swarms of visitors from other points, have displayed toward the fair. The gate receipts revealed the fact that the weather had comparatively little adverse effect upon the attendance, and its chief effect was the disappointment that was felt at the omission several times of the grand stand program. As an exhibition particularly in the two vital departments of fruit and mining, the three day fair that has just come to a close, has never been approached in the history of the city.

The judging of the mineral section was completed yesterday and in a way, this great wing of the big show may be said to have had its innings. Early in the evening it was closed to the public and the work of packing begun, for the entire display leaves for Spokane this morning, in charge of W. H. Moore, who thus far has been its custodian, accompanied by G. Chamberlain. There it will be one of the features of the mineral section of the Spokane interstate fair.

Fruit Auction Tonight

For the benefit of exhibitors, it is announced that exhibits may be taken from the building at 9 o'clock this morning. Exhibitors are asked to come in person as far as possible, for the exhibits will only be surrendered to responsible parties.

At 8 o'clock this evening, in the fair building, will be held the largest auction of fruit ever held in this city. All the fruit will be sold except such as is being reserved for display at other fairs.

The universal opinion was voted last night, as the fair closed, by President J. E. Annable when he said: "The improvement in the fair this year is so marked, that one would feel unsafe in predicting what the Nelson fair may be in a very few years."

The fact is that when the brilliant illumination that surrounded the fair building, its outline limned forth in light, was extinguished at midnight there passed into history an exhibition that marked a new step in the progress of the district and city.

MINING SECTION A SPLENDID DISPLAY

Far Ahead of Any Previous Year Both in Size and Quality—Nicola Valley Wins District

In the opinion of a good many persons connected with mining the premier section of the great fair just ended was not the fruit section but the mineral section. At all events, though less in extent than the great fruit section, it covered a wider territory and was, all considered a striking and most creditable exhibit of Kootenay ores. Its range in fact did not stop strictly with the Kootenay. In quality of exhibits, the present mineral section was never excelled in the history of the Nelson fair and in size nothing in previous history could touch it.

Located on the north side of the main building, the mineral section occupied half of the total wall length. A constant stream of visitors passed up and down its length, pausing to read the tickets on the specimens, examining with knowing eye, or often with expert knowledge, the marks of the various ores and listening to the disquisitions of W. H. Moore, as he gave the lineage of the principal exhibits. The display was staged on a three terrace frame or platform, that set off the exhibits to the best advantage, the districts being neatly placarded and their boundaries denoted by strips of colored paper.

Nicola Valley Wins District

The pride of the section was the display of ores from the Nicola valley district, to which the judges, George B. Squires and A. H. Gracey awarded the first prize, a judgment in which they were supported by every mining man who viewed this splendid collection, which was brought together and forwarded by Frank Bailey, mining engineer of Merritt, acting with the Nicola board of trade. A summarized catalogue of the contents of this striking exhibit runs about as follows: Copper ore from nine mines, native copper, two mines; gold-copper ores from four mines; borsite, another kind of copper ore, from one mine; chalcocite (sulphide of copper) two mines; hematite (oxide of iron), two mines; semi-bituminous coal, two mines; fossil coal one mine; galena ore, one mine; sphalerite, one mine. A more complete and representative exhibit in the same space it would be hard to find and the directors of the fair expressed themselves as particularly gratified at the enterprise of the sister district of Nicola valley and the Similkameen.

Rossland's Exhibit

The only other entry for the district prize was that of Rossland, prepared by the Rossland board of trade. It was a representative display and a worthy second to that of Nicola valley. It included gold-copper ores from the Centre Star, Iron Mask and War Eagle mines and gold ore from the Idaho, all properties of the Consolidated Mining & Smelting company; gold-copper ores from the Nickle Plate, Zellor, Commander and Cliff; gold copper-silver ore from the Bluebird, a particularly fine specimen; sulphide of silver-lead and sulphide of gold from the Richmond group; galena from the May flower and Zinc from the Lily May. Rossland was rewarded with the "commended."

Splendid Display of Gold ores

In the departments of gold and gold-silver ores the Fern mine at Hall Siding was awarded the banner place. Six other properties earned the distinction "Commended," as follows: Summit group on Sheep creek, with ores and oxides; Granite-Poorman, near Nelson; Arlington at Erie; Silver Tip, on Lemmon creek, and the Hercules group on 9-Mile creek. At least 20 other gold properties were represented and altogether the riches of the Kootenay gold fields were more than suggested.

Keen Competition in Silver-Lead

The judges had considerable difficulty in deciding between the Highland mine at Ainsworth and the Standard mine at Silverton, as to which led in the silver-lead display. The Highland nosed out a win, probably through the profusion and completeness of its display, which included both the raw ore, the finished concentrates, and every stage between. The Standard was awarded a "Commended" and associated with it in this honor were the Hambler-Cariboo mine at Sandon, the Guindon group at Moyie; the Emerald mine on Iron mountain; the Silver Dollar, a new property on Iron mountain, and the Molly Gibson mine on Kokanee creek, the last named mine having a particularly striking exhibit. A 400 pound block of ore was the Blue Bell mine's exhibit.

There was no lack of competition among silver-lead properties and all the leading silver-lead districts of this territory were well represented.

Nelson Properties Lead

One of the striking individual exhibits in the section, possibly the most striking was that of the Eureka mint near Nelson, whose display consisted of several great irregular green-hued blocks of gold-copper ore. It was far in the lead among the gold-copper properties. The Perrier, one of the prospects adjacent to Nelson, was an easily second as the Eureka was first. At that there was great competition, for there were probably more exhibits of gold-copper ores than of any other kind and covering probably a wider territory. The Perrier exhibit was commended.

In dry ores, the Molly Hughes mine at New Denver, won first place and the Otawa mine, also of the Slocan district, had the only "Commended." Both these exhibits were excellent. There was not many exhibits in this particular department. Of zinc ores, displayed as such, there were none.

Three exhibits which had no competition were deemed worthy of the "Commended" degree. They were of coal from the property of the McGillivray Creek Coal company; of lignite from the property of the Osoyoos Coal company at Princeton, and of the serpentine asbestos from the Asbestos group at Poplar. The asbestos exhibit was a particularly interesting and instructive one.

By Districts

Classified by districts, the mineral display was striking for its geographical distribution. Portland Canal and the Nicola valley represented distance north and west; McGillivray creek, near the Alberta border was the eastern limit and Rossland was the boundary on the south. Within these boundaries there were representative displays from the Slocan and Sandon districts, the Nelson district, the Lardeau and Poplar district, which have ores from over 20 mines, the Ainsworth district, the East Kootenay district, and the rich mineral region that includes the Sheep creek, Bayonne, Ymir and Erie camps. Among these the Nelson, Slocan, Sheep creek, and Poplar camps were the best represented.

Besides the exhibits entered for competition, there were a great many that were merely on exhibition. There was also in a place of honor, the great Kootenay display of ores that went to the Vancouver exhibition and there won the district championship of British Columbia.

NOTES OF THE FAIR.

Alderman Rutherford feels that he has just had a vote of confidence in his administration extended to him—by the judge of the fruit section. He took firsts with box exhibits of Wealthy and Ontario apples, first with plate exhibits of Northern Spy and Walbridge apples, second with a plate exhibit of Ontario apples, a first in peaches, and a first in pears.

Mr. Teviedale was winner of first prize for a plate exhibit of crabs at the fair, but through an error did not receive credit.

T. Homershan, with No. 36, won the cake raffled by the Ladies' Hospital Aid society last night.

The splendid display of pastry by T. and H. Leece was overlooked by the judges of the manufactures' section on the day this section was judged, through being in a different part of the building. The error was rectified last evening, and the exhibit was awarded the diploma, which stands in place of a prize in this section.

As the hour grew late last night, and the confetti carnival was at its height, the management caused barricades to be erected about the fruit section. This was to preserve the fruit display intact, as considerable quantities of it have to go to Grand Forks, Nakusp and other district fairs, and to the National Apple show at Vancouver.

PLEASANT BOWER FOR THE WEARY

Woman's Institute Performs a Service Through its Rest Room—Many Gratefully Accept Shelter.

A pleasant retreat from the madding crowd was the fern and aster bower known as the rest room, maintained by the Nelson and District Woman's Institute. Situated in the intermediate building connecting the main building and the grandstand, and looking out upon the flower show, the rest room fulfilled its name, and scores of ladies enjoyed its cool sanctuary each day. The attendant in charge usually had two or three babies in her care, and at times all the free space in the room was taken up by baby carriages and cosy corners, fans and magazines, extended a compelling invitation to many a weary mother, which many gratefully accepted.

GOOD SHOWING IN AMATEUR SPORTS

First Annual Y. M. C. A. Track and Field Meet Proved Unqualified Success—Shield Winner.

Although held under somewhat unfavorable conditions as regards weather and a heavy clay track the first annual Y. M. C. A. track and field meet yesterday afternoon at the fair grounds proved an unqualified success. The events were all run off strictly on time and the grandstand was filled with a large and enthusiastic crowd.

In the competition for the best all round performance and for which a special shield was given as a prize, F. A. Cummings took first honors with 17 points to his credit; W. Fish, second, with 14 points, and G. H. Ferguson, third, with 13 points. Three points were awarded for a win, two for a second place and one for third place.

Prizes Given Tonight.

The prizes will be presented at the Y. M. C. A. building at 8:15 this evening by his honor Judge Forin who will give an address on "Athletics." The public are cordially invited to be present. A concert will be given by members of the organization and the building will be open for inspection.

Prize Winners.

The full list of prize winners in the many events yesterday is as follows:

100 yards dash, junior—First, M. Newitt; second, G. W. Winslow; third, A. Spencer. Time 11 sec.

100 yards dash—First, W. Fish; second, G. H. Ferguson; third, F. A. Campbell. Time 11 2-5 sec.

One mile walk—First, A. Nicholson; second, P. L. Joy. Time 8:49.

100 yards dash, (club event)—First, W. Fish; second, N. S. Newitt; third, G. H. Ferguson. Time 11 sec.

444 yards run—First, G. W. Winslow; second, W. S. Newitt; third, G. H. Ferguson. Time 58 sec.

440 yards potato race—First heat, W. L. Hopkins, 1:43 2-5; second heat, J. Ferguson, 1:46 4-5; final heat, F. W. L. Hopkins, 1:43 2-5.

One mile run—First, G. W. Winslow; second, L. McKinnon; third, A. Woods. Time 5:12 4-5.

880 yards race—First, W. S. Newitt; second, F. W. L. Hopkins; third, A. Woods. (no finish). Time 2:13 1-5.

12 pound shot put—First, F. A. Cummings, 35 feet 11 inches; second, W. Fish, 35 feet 2 inches; third, G. H. Ferguson, 33 feet 11 inches.

16 pound shot put—First, F. A. Cummings, 30 feet 10 inches; second, J. Darough, 24 feet 10 inches.

Standing broad jump—First, F. A. Cummings, 9 feet 6 3-4 inches; second, G. H. Ferguson, 8 feet 9 1-2 inches; third, W. S. Newitt, 8 feet 8 1-4 inches.

Running broad jump—First, F. A. Cummings, 17 feet 8 inches; second, G. H. Ferguson, 16 feet 10 1-4; third, W. Fish, 16 feet 6 inches.

High jump—First, J. Ferguson, 4 feet

(Continued on Page Five.)

WILL BUILD BIG CONCENTRATOR

Yankee Girl Has Half Million Dollars Worth of Ore in Sight—100-Ton Mill.

That the operators of the Yankee Girl mines at Ymir will erect a concentrator next spring with a daily capacity of 100 tons was the statement made last night by Manager H. L. Rodgers at the Strathcona.

Half Million in Sight.

"We have $500,000 worth of ore in sight already blocked out," he said, "and all we need is a concentrator for the lower grade ore. In the past year and a half we have shipped ore to the smelter which has given total returns of $138,000 and which averaged in value $21.21 per ton.

Successful Development.

There are three tunnels on the Yankee Girl, the longest of which is in 1600 feet. It is in this latter that the major portion of the ore is blocked out. Thirty men are at present on the property and with the installation of the mill in the spring this force will be increased to between 50 and 60 tons.

The Yankee Girl is the nearest mine to the city of Ymir and as a result of the sound policy of development carried out by Mr. Rodgers, has become one of the most valuable properties in the camp.

Mr. Rodgers is leaving for New York where he will confer with the syndicate operating the mine regarding the erection of the concentrator. He will be absent about three weeks.

USE OF OIL ON LOCOMOTIVES

Canadian Pacific Will Make First Experiments on Princess Liners—Are Investigating.

(Special to The Daily News.)

VANCOUVER, Sept. 30.—Officials of the Canadian Pacific railway are making careful experiments as to the comparative economy and desirability of substituting fuel oil for coal on its liners. Should investigations prove satisfactory alterations in engines will be made, probably first in the Princess liners on the Seattle run. If the scheme works well the Empress liners may be similarly equipped and the feasibility of using oil as fuel on locomotives on the Pacific division will be considered.

ABNORMALLY LOW WATER IN LAKE ONTARIO

ST. CATHARINES, Sept. 30—In contrast with the abnormally high water level reached by Lake Ontario a couple of years ago, the present shows an abnormally low water. Those who have watched the lake closely declare that the waters have receded between two and three feet. Some people think there have been disturbances of the earth under the lake.

NO SESSION LIKELY UNTIL AFTER CHRISTMAS

OTTAWA, Sept. 30—Owing to Mr. Fielding's illness and the lack of preparations on the part of the government it is considered likely that parliament will not be summoned until after the Christmas holidays.

FOUR HUNDRED WOUNDED IN BERLIN

Blood and Iron Methods Prevail in Berlin Streets—Twelve Hundred Police in Action.

BERLIN, Sept. 30—Realizing that unless the strike disorders in the Moabit section are speedily suppressed, the capital will soon be at the mercy of the lawless element, the Berlin police united in a clamorous demand upon the authorities for "blood and iron" methods in the treatment of strikers and their sympathizers.

Since 1 o'clock a.m. today the city has been quiet, after one of the wildest nights of rioting in its history, during which 200 police and strikers were injured. Police Commissioner Von Jagow made the significant remark today that there will be more than one night of rioting. This is understood to mean that if the strikers renew hostilities tonight they will be fired on by the 1200 police now in the strike zone.

The authorities have called upon all the peaceably inclined residents of the affected district to remain in their houses until order is restored. In the three nights rioting at least 400 people have been injured, many of them seriously. Scores of houses have been damaged and financial loss inflicted upon the precinct of at least $25,000.

CONSUL RIDICULES CRITICISMS

WINNIPEG, Man., Sept. 30—Dr. Schwegel, consul-general for Austro-Hungary here, telegraphs from Brooklyn ridiculing the criticisms passed on the speech in which he praised the Slavonic race. It was difficult to trace the source from which the complaint comes. "Let him bark if he wants to," adds the consul. He claims he has not received any criticisms nor does he expect any.

HIGHLANDERS NOT TO ATTEND O'CONNOR MEETING

TORONTO, Sept. 30—Colonel Robertson of the 48th regiment of Highlanders denies a statement credited to F. J. Roche, president of the T. P. O'Connor reception committee that members of the regiment were to be excused from Friday's weekly drill in order that they might attend the O'Connor meeting. He states that a Canadian regiment cannot take part in a political meeting.

LUMBERMEN WANT PROTECTIVE DUTY

May Adopt Drastic Means to Meet Dumping

COMPETITION IS UNFAIR, THEY SAY

Decide to Curtail Production, But Prices Will Be Maintained

That it will be necessary for the production of the mountain lumber mills to be considerably curtailed for the remaining months of 1910, that existing prices will be maintained and that drastic measures may be taken to meet the competition from the American lumbermen who are enabled, owing to the unprotected Canadian market, to dump common lumber in the prairie provinces were the decisions of greatest importance reached at the convention of the Mountain Lumbermen's Manufacturer's association held here yesterday.

Representative Attendance.

The meeting was one of the most largely attended ever held in the city and most of the great lumber manufacturing companies in the interior were represented.

Among those present were, Otto Lachmund, president; Otis Staples, P. Lund, D. O. Anderson, J. A. Magee, F. E. Sine, C. E. Ayre, A. F. Krappel, F. C. Du Bois, Alex Taylor, C. Cowan, D. H. Telford, A. E. Waits, W. Stanall, A. K. Leitch, E. S. Homme, John Whitebread, G. F. Robinson, C. I. Archibald, W. M. De Cew, H. G. Hopping, R. A. Quance, W. N. Poole, W. C. E. Koch, Joseph Patrick, A. MacDougall and W. A. Anstie, secretary.

Mill Production.

The first subject up for discussion was the present condition of the market, the convention having been called for the purpose of obtaining the views of the members as to the policy that should be adopted for the balance of the year in respect to mill production.

As has been frequently announced, the demand for lumber has suffered a serious setback during the past 60 days and, while the British Columbia mountain mills enjoyed a record business during the first six months of the year, the crop scare in the prairies was followed by a very marked decrease in the demand for the product.

From the opinions expressed by leading manufacturers, at yesterday's meeting it was quite evident that a very marked curtailment will result from the crop shortage and the output for the rest of 1910 will fall considerably short of the milling capacity of the mountain mills.

Prices Will Be Maintained.

There will be no weakening in the prices asked by British Columbia manufacturers as the increased cost of production, which has been especially aggravated by the prevailing high prices of many of the general supplies used by lumber manufacturers, will make it absolutely essential to maintain the wholesale prices which have been in effect since the beginning of the year.

Possible Rise.

In fact, the impression was voiced at the meeting that higher prices will be necessary in the near future if a fair return is to be made on the capital invested in the lumber manufacturing industry of western Canada.

They Want Protecting Tariff.

The question of the lack of protection from the dumping of low grade American lumber in the prairie provinces was taken up and very fully discussed. It was decided that a committee should be appointed to go fully into the matter and report upon the best measures to be adopted for the protection of the interests of the association.

Unfair American Competition.

Questioned on this subject last night a prominent lumber manufacturer said: "One of the most serious problems that we are confronted with at the present time is the unfair American competition which our unprotected industry has to contend with. As has been repeatedly pointed out by lumbermen's organizations, boards of trade and other public bodies in the province the Canadian prairie provinces are made the dumping ground for the surplus common lumber from the United States mills. The manufacturers are now considering a scheme for meeting this condition which may involve a drastic departure from established practices of wholesalers.

The construction of the first unit of a 1000 ton cyanide mill will commence at Republic next month.

Miss Helen McEwen of Grand Forks, has been appointed teacher for the new school at Lower Rock creek.

The work of building one of the largest sawmills in British Columbia will soon be begun at Port Alberni.

At Claresholm, Alberta, one firm recently bought 2000 head of cattle in one day and paid $70,000 for them.

The ferry company, operating between Vancouver and North Vancouver now sells 30 tickets for one dollar.

In the Okanagan, magpies and woodpeckers are very numerous and have done much damage to the apple crop.

The Fernie Free Press says that in Rossland, the chief of police has nothing to do but collect exhibits for the Nelson fair.

A Toronto company has bonded a group of quartz claims in the Klondike, agreeing to expend $40,000 in development.

The Merritt Herald has been bought by a joint stock company. This is the paper that was founded by the late Ric Fraser.

The proposed fall fair at Midway has been cancelled, in order to assist the fair at Grand Forks to become a great success.

Frank Cannon has bought nearly a thousand head of cattle, in the Chilcoten district, for delivery at Fort George next spring.

Three retail and four wholesale liquor licenses have been granted in Rupert. Four or five more will be issued later in the year.

There is considerable internal strife in the municipal council of Prince Rupert and the mayor is kept busy preserving peace.

J. C. Sealey and Walter Borns received $32,000, for their section of land near Hazelton. It was bought for townsite purposes.

It is reported that alluvial gold has been found in a creek north of Fort George. Three months from now they will be finding ice in that country.

The jam factory in Nelson, is shipping some of its product to Ontario, which causes some people to remark that it is like shipping scenery to New Denver.

Colin Fraser, the fur trader, recently brought into Edmonton $31,000 worth of skins. He sold 60,000 rat skins for $16,000, and eight silver fox skins for $500 each.

After spending several months in England, C. E. Race, formerly editor of the Rossland Miner, has returned to Ensenada, Mexico, where he has obtained large land concessions.

Sir Mackenzie Bowell recently paid a visit to Prince Rupert. He is still identified with the newspaper business and is the oldest printer in Canada. He learned to set type in Brockville 76 years ago.

At Lake Marsh, a band of Indians killed an entire herd of moose, calves and all. They sold most of the meat in White Horse and one of them made enough to pay the court $65 for carrying a visible jag on the public streets. Even in White Horse it is dangerous for the red man to exhibit a boose dream to the public gaze.

NOTES OF THE FAIR.

T. R. Powers tapped something in honor of Grand Forks winning the district championship.

For a day or so more, George Horwood, the genial secretary of the fair, will continue to be the busiest man in town.

Mr. Simpson of Summerland, who judged the fruit section, and who left for home Thursday night, stated before leaving that he considered it an honor to have judged this apple show. "You certainly grow the fruit here," he said, "but you are still a little bad on the pack, for commercial value."

"I was particularly pleased to see the great extent of the box display in apples," said A. D. Emory, last night, "because it shows the commercial possibilities of this country, in apples. Next year the box display should be doubled again."

A dog wandering in the eastern gallery came to grief. Exploring under the counter, it of course broke through the sheathing paper, and fell to the conduit beneath, evoking a shout of laughter from the crowds in the vicinity.

A. D. Emory, one of the hard-working directors, fulfilled his ambition by taking first prize in the box exhibits of McIntosh Reds. He wanted that, and winning it, would not have cared if he had not taken third prize. The box was a beauty.

The children's season ticket, introduced this year, made a distinct hit. Costing 50 cents, it was good for the three days, and its bearers went everywhere but into the grandstand and to the side-shows. About 150 of these tickets were sold.

It is a matter of regret that the magnificent Staughnessy cup, for the best exhibit of fruit from an individual ranch, was not competed for. For three years this beautiful piece of plate has been offered, competed for, and won. In a fruit show of such dimensions as that of this year, the failure of the ranchers to go after this splendid trophy is inexplicable.

A meeting of the fruit growers at the fair who propose to exhibit at the National Apple show in Vancouver was held on Thursday night at the board of trade rooms. The gathering was addressed by Thomas A. Abriel of Nakusp, treasurer of the National Apple show; by J. W. Cockle of Kaslo, one of the district representatives; and by F. A. Starkey of Nelson, president of the Associated Boards of Trade of Eastern British Columbia.

J. Jerram of Harrop disposed of part of his apple exhibit to R. G. Joy, and W. T. Gobbins sold a portion of his exhibit to A. B. Horswill. A large portion of the box exhibits were disposed of to various purchasers, for show purposes or for other uses.

In the list of awards in the manufacturers' section, the display of motor boat supplies by T. Sergeant, for which a diploma was awarded, was accidentally omitted.

W. H. Wasson, city clerk, is the proud exhibitor of a champion musk melon, grown in Nelson. It is the best one on exhibition.

Tom Keith's prize White Leghorn pullet has laid 20 eggs to date this fall. She is a beauty.

"It is one of the best fairs I have ever visited, and one of the best ordered and managed," said Mr. Edwards, judge of the poultry section, on leaving the city. Mr. Edwards added that the way the poultry show was staged was magnificent.

The pastoffice is blooming forth at night with a bright display of colored lights.

FIRE ON TRAIN

WATROUS, Sask., Sept. 30—While the east bound passenger train on the Grand Trunk Pacific was approaching this town late last night, it was discovered that the rear of the dining car was on fire. The brakeman summoned other members of the crew and the blaze was extinguished, but not before two large holes were burned in the roof. The sleeper in the rear of the diner was detached and the dining car switched to a siding. During all the excitement, very few of the passengers knew anything about the fire and those in the sleeper knew nothing until they awoke this morning.

It is in time of sudden mishap or accident that Chamberlain's Liniment can be relied upon to take the place of the family doctor, who cannot always be found at the moment. Then it is that Chamberlain's Liniment is never found wanting. In cases of sprains, cuts, wounds and bruises Chamberlains Liniment takes out the soreness and drives away the pain. Sold by all druggists and dealers.

NOBODY SPARED.

Kidney Troubles Attack Nelson Men and Women, Young and Old.

Kidney ills seize young and old.
Come quickly with little warning.
Children suffer in their early years.
Can't control the kidney secretions.
Girls are languid, nervous, suffer pain.
Women worry can't do daily work.
Men have lame and aching backs.
The cure for man, woman or child.
Is to cure the cause—the kidneys.
Booth's Kidney Pills cure sick kidneys.
Cure all kinds of kidney suffering.

Mrs. N. Good, of 70 Blackaona street, Moose Jaw, Sask., says:

"I am pleased to state for the benefit of any person suffering with weak and painful back, that they will find Booth's Kidney Pills a most excellent remedy. I have suffered for months with a very weak back and severe pains and aches in the kidneys, and felt very much depressed. There was also a swelling under my eyes. When I learned of Booth's Kidney Pills, I procured a box, and found them the best remedy I have ever used, as they were very quick in giving me relief. The pains have left my back and it has strengthened. They have also helped to build up my health." For sale in Nelson by the Poole Drug Co., Ltd.

Sold by dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Canadian Agents.

THE FORMULA OF "FRUIT-A-TIVES"

Is On The Outside Of Every Box For All The World To See

Every user of "Fruit-a-tives" knows exactly what is being taken. The formula of this famous fruit medicine is printed plainly on the outside of every box. We have stated many times—and now state clearly—that "Fruit-a-tives" is made of the juices of apples, oranges, figs and prunes, with valuable heart and nerve tonics and antiseptics.

Everyone knows that fruit juice is healthful—but perhaps some do not understand why this is true.

Fruit juice consists of about 92% water, 8% of sweet principle, and 1% of a bitter substance. It is the quantity of bitter principle in fruit that gives the fruit value as a medicine. An eminent physician of Ottawa, after years of experimenting, found a method of increasing the bitter principle in fruit juice, thus increasing the medicinal or curative qualities.

The juices are first extracted from fresh, ripe oranges, apples, figs and prunes. By a secret process, some of the sweet atoms are replaced by the bitter principle. Then tonics and antiseptics are added, and the whole made into tablets, now known far and wide as "Fruit-a-tives."

"Fruit-a-tives" is the only medicine in the world that is made of fruit juices, and is one of the few remedies that have let their composition be known from their introduction to the public.

"Fruit-a-tives" is nature's stimulant for the liver, bowels, kidneys and skin. In cases of obstinate Constipation, Liver Trouble, Indigestion, Backache, Rheumatism, Headaches and Impure Blood, this wonderful fruit medicine cures when everything else fails.

"Fruit-a-tives" is sold everywhere at 50c. a box, 6 for $2.50, or trial box, 25c., or will be sent, postpaid, on receipt of price by Fruit-a-tives Limited, Ottawa.

DARING DRIVERS IN TODAY'S RACE

Big Auto Event of Year for Vanderbilt Cup Starts Early This Morning

NEW YORK, Sept. 30—Over a twelve and a fraction mile course, situated in the heart of Long Island ,a score of auto drivers, representing America France, Italy and Germany will tomorrow contest in the sixth international auto race for the Vanderbilt cup, emblematic of the American road racing championship. That the race this year is bound to surpass all of its predecessors in interest, speed and personality is the unanimous opinion of all of the experts identified with the contest. The fact that the motor park sweepstakes is to be run on the same day has added considerably to the popular interest manifested in the main event.

The course for the Vanderbilt cup contest is the same as last year, the circuit being 12.64 miles in extent and the race will be 23 laps, or 278.08 miles, the same as last fall. The Vanderbilt cup race will be started at 9 o'cock tomorrow morning and for the first hour there will be no other cars on the course except those competing for the main trophy. This it is expected will eliminate the great confusion that occurred last year when the motor park sweepstakes were started simultaneously with the Vanderbilt cup cars.

Entries for Cup Event

The world's most prominent and daring drivers are represented in the entry list for the Vanderbilt cup race this year and for the past two weeks have been preparing and tuning up their machines. Unless there are one or more eleventh hour withdrawals, 18 and possibly 20 cars will start in the mad dash around the 23 lap circuit in an attempt to win the coveted silver trophy emblematic of the auto championship.

George Robertson who won the Vanderbilt car two years ago, will drive a Benz car in the big race. The other members of the Benz team will be Edward A. Hearne and David Bruce Brown. Harry F. Grant, winner of last year's race will pilot an Alco. The Pope-Hartford team will consist of Fleming and Dingley; the Marmon team, Harroun and Dawson; the National team, Aitken and Livingstone; the Simplex team, Mitchell and Beardsley; the Marquette-Buick team, Louis Chevrolet, Arthur Chevrolet and Robert Burman. The Hackson car, one of the new entries in the cup contests, will be driven by E. P. Scheifler who has never appeared in the east before but who has a reputation in the west for skill and daring. Among the other cars entered for the cup contest are the Apperson, with Harris Hanshue as driver, and the Lozier, with Ralph Mulford.

The following results of the races for this cup up to date show the terrific speed usually attained in the fight for the trophy: 1904, Panhard car, 284.4 miles, time 5:26:54; 1905, Darracq, 283 miles, 4:38:06; 1906, Darracq, 298 miles, 4:50:10; 1908, Locomobile, 258.04 miles, 4:00:48; 1909, Alco, 278.8 miles, 4:25:42.

GREAT AND ONLY TY SWAPPED IS RUMOR

Gotham Excited Over Story That Cobb is Exchanged for Hal Chase—Ty Dissatisfied

NEW YORK, Sept. 30—Hal Chase to be traded for Tyrus Cobb. Such is the rumor that is tonight circulating through the baseball centres of Gotham. And there seems to be a good reason for the story. Manager Stallings is in Chicago having a conference with Owner Farrell and is expected to make some definite statement tomorrow.

Ty is dissatisfied with his surroundings at Detroit, where the attendance has been small and where enthusiasm is dead. He wants to get to a bigger city, somewhere where the crowds are larger and where he will be happier. Ty realises that the Tigers are on the toboggan and that it will be five or six years at least before they get another championship nine in the city of the straits. "I'd leave Detroit behind tomorrow if I could," Ty recently said.

And what of Hal Chase? Hal and Stallings are bitter enemies and Hal's team mates have sided with their manager. Consequently Hal is "in wrong" just as dangerously as is the indomitable Tyrus. Hence the rumors that the Detroit team will make the biggest baseball trade in recent history.

BUTLER FOR HENLEY

TORONTO, Sept. 30—E. B. Butler, who won the single sculls at the Philadelphia regatta, is going to the English Henley next year, Joe Wright stated that the officers of the club had made this final. Butler's showing this year has been very classy and he is considered by many to be as good as any man in America.

OTTAWA AFTER TWO BIG RUGBY STARS

OTTAWA, Sept. 30—Though the Ottawas have every hope of securing Jack Williams to lead the interprovincial champions this fall, a wire was sent to Murray Kennedy asking that player to come ahead. Williams has, however, remained silent. A committee will wait on the tricky half back and ask him to turn out again. Should he decide not to play, the Ottawas will then go ahead and build up their fourteen around Kennedy, the make up of the wing line having been practically decided upon.

It now looks as if a couple of the members of last year's team who have not turned out to date, will be left in retirement, the abundance of new material having given the officers confidence in their ability to replace the older members who refuse to practice. Charlie Murray and Allan Dowling are looked upon as certainties for the wing line, while it is possible that Jack Ryan will be reinstated, giving the locals three men who they did not have last year. Vaughan, Disney, Kilt and McGee will be back, there being plenty of material to choose from.

BIG BILL GOING

CINCINNATI, O., Sept. 30—President Taft will be among those present at the world's championship series at Philadelphia—that is if he can arrange the affairs of his office to permit of the trip. Chairman Herrmann of the National commission has received word from the president to this effect.

HE'S AFTER WOLGAST, TOO

SAN FRANCISCO, Sept. 30—"Oneround" Hogan today announced his intention of challenging Ad. Wolgast for the lightweight championship and his friends are willing to back him because of his showing Friday night against Frankie Smith at Dreamland rink. Hogan put it all over Smith from start to finish. In the final round Smith was hanging on and barely escaped a knock out. Smith is the fastest boy Hogan has yet been sent against and his stock is soaring.

HOCKEY MEN MEET

The annual meeting of the British Columbia hockey league will be held in Victoria, probably at the Driard hotel on the night of Oct. 8. Arrangements have been made for the attendance of the Vancouver delegates on that date.

STAR TWIRLER'S NEW RECORD

WASHINGTON, Sept. 30 — Walter Johnson, Washington's star pitcher, Wednesday made a new strike out record and helped Washington defeat Chicago 5-1. He struck out ten men making his total 307. The former record was 301, made by Rube Waddell in 1903.

INAUGURAL MEETING

MONTREAL, Sept. 30—The inaugural trotting and pacing meeting of the King Edward Driving Park association opened yesterday at the association's track, which is situated on Isle Broebois, in the St. Lawrence river, a few miles from this city. The meeting will continue one week, during which time $6000 will be distributed in purses.

SPLENDID SHOWING IN THE FINE ARTS

Drawn work doilies—First, Mrs. W. S. Clawson.

Embroidered tea cosy—First, Mrs. P. Matthew; second, Mrs. A. G. Shaw, Nelson .

Do You Feel This Way?

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor apetite, and lay awake at nights unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your lazy liver to work. It will set things right in your stomach, and your appetite will come back. It will purify your blood. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about a cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose *advice it gives free* to all who wish to write him. His great success has come from his wide experience and varied practice.

Don't be wheedled by a penny-grabbing dealer into taking inferior substitutes for Dr. Pierce's medicines, recommended to be "just as good." Dr. Pierce's medicines are of KNOWN COMPOSITION. Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

FAIRVIEW LOTS

We have a good list and can sell lots on very easy terms.

BAKER STREET BUSINESS PROPERTY FOR SALE

100 feet adjoining a good brick business block at $110 per foot. These are the cheapest lots on the street.

50 feet with frame buildings bringing a good rental at $135 per foot, on good terms.

50 feet with good brick block rental is today paying 9 per cent on the price; $600 per foot. This is a splendid investment and we can give good terms.

BUSINESS CHANCES

HOTEL—Has 55 rooms, is well located and makes a specialty of family trade. Good bar and splendid dining room business. Will sell or lease on very easy terms. Owner retiring.

HOTEL—One of the best locations, has about 40 rooms, one of the best bar trades in the city—will lease or sell on easy terms.

DRAY AND HAULING—A going concern and doing a big business. Has control of a large territory; full stock of horses, wagons, etc. Good buildings. Owner will run the business for six months. Price complete $12,000; good terms.

GROCERY—We have some good going concerns we can submit to intending purchasers.

FRUIT LANDS

28 F—We have 25 acres of meadow and fruit land with a 7 room house, barns, etc. near railroad and town. Splendid property for mixed farming and being sold very cheap; $25 per acre on easy terms.

21 F—On the Granite road, a few miles from Nelson, 28 acres good fruit land, small house, ranching implements, water piped on land, over 5 acres cleared and planted with fruit trees, currants, gooseberries and other small fruits. We can sell for a few days at $2800. This is less than the cost of rough land in this locality.

47 F—On the West Arm we have 15 1-2 acres which we consider exceptionally good value and it should be snapped up early. Good 7 room house, bearing fruit trees and considerable portion cleared.

32 F—Near Proctor at Sunshine Bay we have some improved ranches. One of 62 acres, with bearing orchard, good new house for $7000; another of 70 acres with about 20 acres of 7 year old bearing orchard we can sell for $12,500, and again a 35 acre tract with bearing trees adjoining the famous Greenwood ranch, for $10,000—and others, all on good terms. This is the choice of West Kootenay.

14 F—In the Slocan Valley we have a subdivision and we think this land is second to none in this famous valley. Lots are from 7 acres to 15 acres and prices range from $60 to $90 per acre. This is lower than any other subdivision on the market. The land is level, very easily cleared, has railway station , wagon road, water, and is surrounded by good well improved ranches. Terms are very easy and within the reach of all. This is a splendid chance to get a fruit land tract on easy terms; $5 per acre cash, and $2 per acre per month. Call at our office and make a reservation now.

ROSSLAND HIGH ALTITUDE FRUIT

Suggestive Exhibit of Apples from That District—Wide Range of Varieties Shown.

One of the features of the fruit show was the exhibit of high-altitude apples from the Rossland district. The fruit was grown at an altitude of 3,700 feet, and was collected and forwarded by the Rossland board of trade. No one who saw this exhibit could doubt the adaptability of the Rossland soil and climate to the culture of the varieties exhibited.

The varieties shown were the Duchess of Oldenberg, Alexander, Ontario, Golden Russet, Grimes Golden, Wealthy, McIntosh Red, Wagener, Ben Davis, and Limber Twig.

The fruit was not in competition, but was concentrated as one exhibit, and a suggestive one it made.

The exhibit has been donated to the Sisters of St. Joseph.

TO POISON EMPLOYER

BROCKVILLE, Sept. 30—Charles Landen, tinsmith of this town, appeared in the criminal court, charged with attempting on May 13 last to poison Thomas Sheridan, his employer by administering soldering acid in his tea, which Sheridan brought for his lunch. Half a dozen witnesses were heard. The case was adjourned until October 16 to secure more evidence.

PANIC IN TREBIZOND

CONSTANTINOPLE, Turkey, Sept. 30—The cholera now has a firm hold in this city with an average of a dozen new cases a day and several deaths. In Trebizond the situation is most serious. The disease has spread so rapidly that the people are panic stricken and are taking refuge in the hills.

MISAPPROPRIATION OF FUNDS

WOODSTOCK, Ont., Sept. 30—A. McNeill, ex-secretary treasurer of the Embro school board was today committed for trial to Woodstock on a charge of misappropriating of funds to the extent of $446.

BLOWS DOWN WALL

EDMONTON, Sept. 30—A terrific wind storm lasting only four minutes blew down a portion of the solid brick wall of the new Dominion bank building last evening. Claydon Bros., of Winnipeg are contractors on the works.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create, makes one feel joyful. Sold by all druggists and dealers.

UNION LABEL NELSON, B.C.

SATURDAY, OCTOBER 1

MR. R. S. LENNIE .....

The members of the Bar and the personal friends who last night expressed their regret at losing Mr. Lennie as a resident of this city were but reflecting the sentiment not only of the people of Nelson but also of the Kootenay-Boundary in general.

It is some consolation to know that he is not severing himself from his interests in this part of the province and that he will continue to be closely associated with the progress and prosperity of the city and of the surrounding territory. Indeed it is more than possible that as a resident of Vancouver he may be able to assist in the development of the Kootenay in many ways that would otherwise be impossible. He will make a good ambassador in the commercial and financial metropolis of the province.

But making every allowance for this we still have to deplore the loss of Mr. Lennie as a resident. Some men further the welfare of a city or district by the capacity they bring to bear in developing the enterprises with which they are connected and in contributing to their success; others by the part they take in public affairs. Mr. Lennie has done both. Eminent in his own profession and in the conduct of important business enterprises, he has also been eminent as a public spirited citizen devoted to the advancement in all ways of the city and the country in which his lot was cast. The Kootenay has had no better man.

THE MINING EXHIBIT

The mining exhibit at the fair this year was one of the good testimonies to the resources of the country which were to be found there. It was an excellent representation of the mineral wealth of the district and it would be a pity if it were not to be preserved.

Some arrangement should be made for keeping it permanently on exhibition. This would also facilitate the work for future fairs. It would not be necessary to reassemble it from year to year. The energy and expense saved might be devoted to enlarging and improving what is on hand.

PRESENTATION TO ROBERT LENNIE

(Continued from page one.)

classes of our community, and it carries with it the good wishes of all for your success and advancement in life, the hope that you and your family may enjoy health, wealth and prosperity.

In bidding you goodby it is with the sincere hope that you may often be enabled to revisit us, and that you will ever bear in mind this city in whose progress and development you have always taken such an important part.

(Sgd.) HAROLD SELOUS, Mayor.
Nelson, B. C., Sept. 30, 1910.

Mr. Lennie's Acknowledgements.

In acknowleging the presentation, Mr. Lennie who was received with great applause, said: "I do not know when on any former occasion I have felt as I do tonight. I regret exceedingly the necessity of taking up my residence away from this city and district. I would like you all to understand immediately that I am not leaving Nelson and this district as one who will never see it again. I have such associations of a professional and business nature to say nothing of other associations as will require me to visit Nelson frequently and I shall retain those associations. I am not leaving you as one who has no further interest in this country. Business necessities require my presence at the business hub of the province, the city of Vancouver, but I do not want anyone to think that by my present action I am separating myself from the interests of this city and district or from my interests in it. Because, Mr. Chairman, there are so many vast and valuable natural assets in this country that anyone who has had the opportunity I have had of knowing the natural resources of this country cannot but conclude that the Kootenay will bear comparison with any country and its products will defy any competition. For a long period I have been associated with this district and I sincerely think that no one who knows it can come to any other conclusion.

"As to these beautiful things that you have presented me with what am I to say but that I tender you my sincere thanks. I believe the opportunity has come to one who came here a boy and who has endeavored to be fairly decent to do something for the city that he is leaving and I hope Mr. Mayor, that I will always continue to have the cordial relations I have had with the bar of this city and with all who have been associated with me in any way. I have the greatest respect for Mr. Archie Johnson. We have sometimes differed in politics and in law but there was always a good reason for the differences as the judges of the supreme court have sometimes pointed out, and when we were not satisfied with their dicta/ons we have gone to still other courts. We each of us have received from the other what we thought was fair treatment. If I had time I should like to speak of once individual member of the bar of Nelson. I believe that if you went throughout the whole country you would not find any more able and industrious members of the profession than you will find here in Nelson and any person who requires the services of the legal profession will find as good men here as in any part of the province.

"I am quite unable to understand why this gathering should have taken place but at the same time I appreciate it. In Vancouver I shall do what I can for the interests of the Kootenay and of the people of this city. I have attempted to do something within the last few months and whether I have succeeded or not I know that next spring you will see on the mountain adjacent a large corps of men who will develop properties systematically and by improved modes of treatment and as a result the city of Nelson will be a bigger place than it is today.

"When I go to Vancouver I shall have with me the members of my family. Together with me they regret exceedingly, their departure from Nelson but at the same time they feel, as I do. My little family will treasure the place of their birth and in after years will return here and will whenever they can attempt to do something for Nelson. If anyone with whom I have been associated in this city or in the district of Kootenay should be in Vancouver at any time I shall be delighted to have him call on me so that I can shake him by the hand and I shall be only too glad to do anything I can to advance his interests or the interests of the people here." (Applause.)

Mr. Goodeve.

A. S. Goodeve, M. P., expressed his thanks to the committee for the honor of being asked to speak on the present occasion. He felt almost like an interloper at some sacred family gathering, but yet he looked on Mr. Lennie not only as a member of the family of Nelson but as a member of the wider family of the Kootenay. He has been a man not only for Nelson but for the Kootenay. He had always looked on Mr. Lennie as embodying his ideal of what a good citizen should be. He had been successful in business and in addition had given a fair proportion of his genius, ability and time to the service of his country. His influence cue might safely say would continue to be felt throughout the Kootenay and British Columbia. "We are proud of the resources of this province," said Mr. Goodeve, "but I venture to say that in the final analysis our place in the Dominion will depend upon the work of the sons of this province. If we have men like Mr. Lennie that position will be one of which we need not be ashamed." Mr. Lennie might be going into a larger field but he would not find there abler men than in the Kootenay and he would attain the same eminent place in the wider field that he had here. He joined with all the Kootenay in wishing Mr. Lennie continued success and prosperity. (Applause.)

President of the Bar.

Mr. Crease said that when he came to Nelson he was conversing with a well known K. C. who remarked that Mr. Lennie was a good looking boy. Mr. Crease had replied that he was as bright as he was good looking. His prediction had come true. By system, by work, by the exercise of his ability Mr. Lennie had proved himself. He was now embarking on a wider sphere and would find the same success there. The speaker was but expressing the wish of all in wishing Mr. Lennie unlimited success and prosperity. He had been associated with him for fourteen years and had learned to esteem him professionally and personally. As president of the Bar association he had pleasure in presenting him with a mark of the esteem in which he was held by the profession.

Mr. Crease then presented Mr. Lennie with a set of gold sleeve links and accompaniments.

Mr. Lennie in acknowleging the presentation expressed his pleasure at the relations which had existed between him and the other members of the bar and paid a tribute to the high standard of professional conduct of the president, Mr. Crease.

Mr. Selous then called on T. G. Proctor as a representative of the old-timers.

Mr. Proctor said he did not know how better to express the sentiments of all present than to say, happy to meet, sorry to part, hope we shall meet again often.

On behalf of the Mountain Lumbermen's association Mr. W. A. Austie expressed the loss they felt they were sustaining. Personally he felt that Mr. Lennie was an example and he might fairly say an inspiring example to the young men of the country as a citizen.

An informal reception continued for some time and the gathering broke up with repeated cheers for the guest of the evening.

Residence in the Kootenay.

Mr. Lennie has been a resident of Nelson since June, 1895 when he entered the law office of John Elliot as a student. He was called to the bar on Feb. 2, 1898 and immediately formed a partnership with Mr. Elliot. Upon the removal of the latter to Vancouver in 1905, Mr. Lennie took over the business and the following year formed his present partnership with Mr. Wragge. Mr. Lennie came to Nelson from New Westminster as a student from the office of the late T. C. Atkinson. He is a native of Dundas, Ont., and came west at a very early age.

During his residence in Nelson Mr. Lennie has always been prominently identified with the Conservative association and was president for six consecutive years. At the big district convention held in Nelson in 1908 he was elected president of the District Conservative association.

Only a few weeks ago Mr. Lennie returned from the coast where he acted as chairman of the fire insurance commission. The report made by Mr. Lennie has been eulogized by W. J. Bowser, attorney general, insurance men and the general public for its completeness and for the complete grasp of the salient facts in the evidence presented as shown by the chairman of the committee in making out the report.

In the last annual election of the Bar association of British Columbia, Mr. Lennie was elected at the top of the poll, a position which he seems likely to occupy for many years to come.

It will be of interest to sportsmen in the city to know that it was Mr. Lennie who organized the first lacrosse team in the Kootenay. This was in the year 1897 when the Nelson Lacrosse club came into being.

New Arrangements.

C. R. Hamilton, K.C., of Rossland will take Mr. Lennie's place as a resident member of the firm, his Rossland business being combined with that of the present firm. The new firm name will be Hamilton, Lennie & Wragge. It will have offices in both cities. Mr. Hamilton, who is well known as a lawyer of leading ability, is a son of the bishop of Ottawa and is solicitor for important companies at Rossland.

Mr. Lennie is retaining all his interests in Nelson and the Kootenay. In Vancouver he will carry on his professional business without entering into any partnership for the present.

LUMBERMEN WANT PROTECTIVE DUTY

(Continued from page one.)

"The situation which we are forced to meet is unique in this country as ours is the only industry of any importance which is not afforded some measure of tariff protection.

Interests of Province Neglected.

"We believe that the sentiment of the entire province is with us in that the interests of British Columbia generally—not only the lumbermen's—are neglected for the alleged advantages which the prairies are supposed to derive from the free importation of lumber from the States. As a matter of fact the interprovincial commerce, as between Alberta and British Columbia for instance, seems to be entirely lost sight of. It is well known that British Columbia is probably the best customer that Alberta has for many of her products and by the prosperity of the lumber industry in this province the people of the prairies gain far greater advantages than any which may accrue to them through having lumber on the free list."

FRUITVALE NEWS

(Special to The Daily News.)

FRUITVALE, Sept. 30—News has reached here that Miss Queenie Peck, recently of Fruitvale, last week became the bride of H. Maltby, a popular employee on the Great Northern.

Thomas F. Moon of Cranbrook spent a few days here this week looking over the work that is being done on his land. He has paid one or two visits here before and each time he says he sees great improvements going on and comparing this to other places he has seen he is quite satisfied that the best kinds of fruit and vegetables can be grown here.

G. Bennett, civil engineer of the Great Northern, made his semi-annual trip here this week in the interests of the railway company.

Mrs. G. Lyton left last week on a visit to Rossland.

Miss Tasker, accompanied by Miss Douglas, left last week for Spokane where they intend to spend the winter.

A number of the ranchers went down to Sayward on Monday last to be present at the organization of a branch of the Farmers' Institute, which took place at that point.

MILLERS' SUIT

VANCOUVER, Sept. 30—Judgment was delivered for $6000 for the plaintiff company in the action brought by the Vancouver Milling company against the Pacific Coast Milling company of Calgary for non-delivery of grain according to contract. Mr. Justice Murphy exonerated J. E. Hall, manager of the plaintiff company in Vancouver, from a charge of perjury preferred against him in connection with the document used in the case. It was charged that Hall had concocted a report dealing with a shortage in the shipment of oats.

Headaches — nausea — indigestion—muddy complexion—pimples—bad breath—these are some of the effects of constipation. The mild, sensible, reliable remedy is

NA-DRU-CO LAXATIVES

Records
Music Machines
The Fair

When you come in to the fair one of the things you will be planning to get if you own a music machine, is a selection of records.

We have sorted up our stock especially for the occasion and have a large stock of both cylinder and disc records for you to choose from. We carry the Edison, Victor and Columbia lines.

If you have not yet got a machine buy one now. Come in and let us demonstrate to you what a real source of pleasure and entertainment these machines really are to the most cultivated musical taste. Remember great strides have been made in the perfection of these machines and the harshness and tinniness that used to characterize them more or less has been entirely done away with. But come in and judge for yourself.

PRICES—We sell all music machines and records at catalogue prices—same as you have to pay anywhere. Two minute Edison records, 40c. each; four minute Edison records, 65c. each; Columbia 10-inch double disc records, 35c. and 90c.; Victor 10-inch double disc records, 90c., etc., etc. Machines the same way. All sold at catalogue prices. We have them for from $15 to $150 each.

FISERIES ARE FAILURE FISHERMEN WILL SUFFER

ST. JOHNS, Nfld., Sept. 30—Owing to the almost complete failure of the fisheries of the season, soon to close, it is feared that the privations of Labrador fishermen will be particularly severe during the coming winter. The season's catch is believed to be the smallest in the annals of the fisheries.

TEMPERANCE IMPERIAL QUESTION

LONDON, Sept. 30—During the visit of the overseas premiers in 1911 an imperial temperance conference will be held. Its purpose being to consider the relations of temperance reform to imperial progress and efficiency.

KING RECEIVES BULLETINS ON QUEENS OWN RIFLES

LONDON, Sept. 30—King George is daily receiving wires regarding the condition of the Queens Own officers. Lady Pellatt says that her son, Capt. Pellatt, is progressing favorably.

FINE FAIR DENOTES A NEW ERA

(Continued from Page One.)

10 inches; second, F. A. Cummings, 4 feet 8 inches; third, G. H. Ferguson, 4 feet 8 inches.

Running hop, step and jump—First, F. A. Cummings, 41 feet 8 inches; second, W. Fish, 37 feet 9 1-2 inches; third, W. S. Newitt, 36 feet 2 inches.

Pole vault—First, G. H. Ferguson; second, J. Ferguson.

120 yards hurdles—First heat, first, J. Ferguson; second, G. H. Ferguson; third, R. Turner; time 18 1-5 sec. Second heat, first, W. Fish; second, W. S. Newitt; third, J. Darough; time 17 1-5. Final heat, first, W. Fish; second, J. Ferguson; (bye) F. L. Hopkins; time 18 1-5.

One mile relay—Y. M. C. A., J. Darough, D. Turner, W. Fish, M. Newitt. Time 4:08 1-2.

10 mile race—First, G. Cose; second, A. Nicholson. Time 61:15.

The prize will also be presented tonight to G. H. Ferguson who is the winner, with a score of 639 points, in the weekly track and field meets which have been held by the Y. M. C. A. during the summer. W. Fish is second with 570 points.

The success of the meet yesterday afternoon was largely due to the hard work of James Thompson, physical director of the Y. M. C. A. and the officials in charge of the events, who were: Referee, J. A. McDonald; track judges, J. Patrick, Rev. J. P. Westman; starter, Chief D. Guthrie; field judges, E. Baillie, J. Laing Stocks; scorers, D. A. Hanes, W. Kettlewell; announcer, L. Patrick; clerks of course, T. D. Stark, James Thompson; club officials, T. D. Stark, chairman, and D. A. Hanes, secretary.

FRUIT EXHIBIT UNSURPASSED

W. Simpson of Summerland, who was appointed by the provincial government as judge of the fruit section at the fair, said publicly before leaving on the coast train on Thursday night after judging the fruit and thoroughly looking over it that he had never seen it surpassed and very rarely equalled. He was particularly impressed by the color of the apples and the generally good shipping qualities of the display.

Speaking of the value of such exhibitions from an educational point of view Mr. Simpson remarked that he would advise all intending settlers in the Kootenays and many of those already owning ranches to study the prize winning exhibits very thoroughly. In his opinion there could be no better means of obtaining a correct idea as to the varieties of fruit most suitable to the Kootenay soil and most desirable from a commercial standpoint.

He was very surprised at the good coloring and fine texture of the peaches shown and said they were the equal of anything that could be raised in the country.

Mr. Simpson has resided in British Columbia for many years and is one of the pioneer fruit growers in the Kootenay. On his return to Summerland he will take charge of the Okanagan exhibit which will be displayed at the New Westminster fair. He will visit Vancouver during the National Apple show and is looking forward to seeing the exhibit from Kootenay.

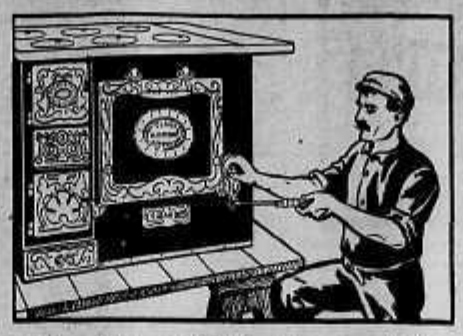
HOSPITAL AID HAS EARNED TIDY SUM

Lunch Room and Ice Cream Counter Great Success—Society Will Require More Space Next Year.

The Ladies Hospital Aid society performed a most useful service during the fair. It started with an ice cream parlor at the west end of the main building and a lunch tent on the grounds. The latter never came into use, owing to the weather, but in its place a lunch room was opened upstairs. This enjoyed such a run that it had difficulty in accommodating all its patrons and the ladies have already decided that they must have more space next year. Though having to overcome a fair rental, the society came out splendidly on the whole, and added quite a sum to a most praiseworthy fund.

The general direction of the society's work was in the hands of the president, Mrs. N. M. Cummins. Mrs. William Ward managed the lunch room on Wednesday and Friday and Mrs. C. D. Blackwood on Thursday. The tea counter was under the charge of Mrs. W. H. Bullock-Webster on Wednesday, of Mrs. George Johnstone on Thursday, and of Mrs. G. A. Hunter on Friday. Mrs. J. J. Walker supervised the ice cream counter throughout the fair.

Among the principal benefactors of the society on this occasion were the Robin Hood Flour company of Regina, represented by D. W. Campbell, who donated all the bread; the Kootenay Coffee company, of Nelson, who donated all the coffee used, and Miss M. Leeco, who donated the cake that was raffled last evening.



Quality of Workmanship

Into every Kootenay goes *quality* of workmanship. Every manufacturing motion, from start to finish, is aimed at cooking and baking results at their best. Every Kootenay Steel Range is made from the right material in the right way. No little detail is overlooked. The finished product is the right range for you at the right price. The nearest McClary agent will gladly tell you all about the many exclusive improvements for your convenience in a

KOOTENAY Steel Range

and why your range money will buy more *satisfaction* in a Kootenay than in any other range at the price. Write now to the nearest McClary branch for full description and valuable range facts. Your request will have prompt attention. 58

Curzon's Clothing is sold with a guarantee. Every garment turned out reflects additional credit on the "House of Curzon." Style, quality and fit are the points studied in the producing of every garment, and it is for this reason that "The Curzon-dressed man is the well-dressed man."

For years past Curzon tailoring has been popular among men residing in Canada, for by means of the Curzon service residents over-seas are able to enjoy absolute "Clothes-comfort" and can secure their clothing at very little more cost than in the Home Country.

Curzon's $20 Suit or Overcoat for $8.60 is an investment. Built entirely of English materials, tailored by experts, cut by artists, it embodies all the necessary features that go to make a shapely and stylish garment. That is why our clothing is sold with a unique guarantee, a guarantee made without any restrictions whatever, and not equalled by any tailoring house on either side of the Atlantic, *i.e.*, to refund money in full where complete satisfaction is not given.

"There's Comfort in the Curzon Cut."

ONLY $25 PER ACRE

Can you get lake frontage elsewhere at this price?

Here we have 428 acres including 1 1-4 miles of lake frontage nearly opposite new C.P.R hotel at Balfour.

Unsurpassed view of both lake and West Arm. About 100 acres is

First Class Fruit Land

with the characteristic fruit soil of the West Arm. Balance go hay land, good water frontage, including nice beach, very suitable for subdivision into plots for summer cottages and small fruit ranches.

This opportunity will only be on the market for a few days at this price.

THERE'S MONEY IN IT.

P. J. Gleazer & Co. Box 316, Nelson, B. C.

GEE! I'M FROZEN

That was the exclamation heard time after time yesterday. Now that was rather ridiculous when people could buy a small electric heater which would go in their pocket and with it could boil a glass of water or milk in half a minute for the remarkable sum of $3 which is the cost of this little article.

These heaters are a thing that are needed in every home. The baby wants hot water at night. We all like to get out of bed to light a stove, but with this small electrical attachment you can do it from the bed. While the fellow sharpens his razor his water has boiled. The doctor can sterilize his instruments by the bedside and perhaps save a life, being able to have hot water almost instantaneously. The cook can boil her potatoes, cabbage, puddings and in fact everything where hot water is needed. Call and see the little marvel at

MARCUS-TURGEON ELECTRICAL CO.

Store, 608 Baker St., or Phone 346 and we will call at your house.

ARROW LAKES ARE WELL TO FRONT

F. G. Fauquier One of Largest Prize Winners in Fruit Section in Annual Fair

One of the notable features of the fruit fair was the great showing made by the only exhibitor from the Arrow lakes district, F. G. Fauquier of Needles. The number of prizes won in the apple, pear, plum and other classes by this individual exhibitor compare favorably with the showings made by other districts.

Wins Many Honors

In all Mr. Fauquier carried off 11 first prizes and seven seconds and yesterday expressed himself as greatly gratified at the vast improvement which he noticed in the fruit exhibits at the fair. He was particularly pleased with the better quality and increased number of commercial exhibits made.

Mr. Fauquier will be a visitor at the Nakusp fair on Oct. 6 and 7. "This event is only a commencement," he said yesterday, "but in a few years I anticipate that all Kootenay will exhibit at the Arrow lakes show and will find competitors more than worthy of their steel. In fact I think that even now we shall make a showing which would take a lot of beating even if the best of the Nelson exhibits were sent up for competition."

Among other visitors from the Arrow lakes to the fair were Thomas Abriel of Nakusp, and A. A. Burton of Burton City, Messrs. Robinson and Williams of Fire valley and J. O. Reilly of Apple Grove, who were all delighted at the success attained by Mr. Fauquier.

INDIAN SAW TRACKS.

KENORA, Ont., Sept. 30—No trace has been found of the missing C. P. R. foremen Stanley McCannon and Charles Jones, who are lost in the vicinity of Black river. Three additional search parties have been organized by Mayor Beaudreau, making with the Indians, 75 searchers. Hope is rekindled by the chief of White Dog Indians reporting seeing tracks of two white men near Dryberry lake and hearing guns several days since, but he did not then know anyone was missing. The fact that the canoe has not been found is also encouraging.

HUNTING CARIBOU FOR NATURAL HISTORY MUSEUM

(Special to The Daily News.)

VICTORIA, Sept. 30—To hunt for caribou in the wilds of Graham island on the western slopes, with the ultimate object of adding creditable specimens to the treasures of the natural history museum, of which he is custodian, is the purpose of an expedition upon which Curator Francis Kermode left by the G. T. P. steamship for Prince Rupert last evening. The caribou of the Queen Charlottes was for many years popularly regarded as almost as mythical an animal as the unicorn.

STRIKE DELAYS CONSTRUCTION OF LEGISLATIVE BUILDINGS

WINNIPEG, Sept. 30—Premier Scott of Saskatchewan was a guest at the Royal Alexandra last night, en route home from Ottawa. He stated that construction of the legislative buildings will be slightly delayed by the strike of Lyall Mitchell Co.'s bricklayers, but will not be materially retarded. The buildings will not be finished by the opening of next session, but will be far enough advanced to house the legislature.

NEWS TO THE MANAGER

WINNIPEG, Sept. 30—General manager Chamberlain expressed surprise last night at the story emanating from Ottawa that a freight and passenger service would be inaugurated between Edmonton and the lake head. He said the road to Fort William is not complete and will most likely be fit for freight purposes in a fortnight. It is not expected that passenger trains will be run on this line until next year and until that time there is not much chance of it being completed for regular traffic.

LANDSLIDE FILLS SECTION OF PANAMA CANAL

WASHINGTON, Sept. 30—A big section of the Panama canal was filled up by a great landslide on the night of September 16. The slide occurred in Culebra cut, at Cucurucha, where the cut is deepest and the inconvenience will continue until the end of the month. There are 500,000 cubic yards of earth and rock slowly moving down the mountain side which must be slowly dug out and removed.

LOGGERS' CONVENTION

(Special to The Daily News.)

VANCOUVER, Sept. 30—Officials of the Pacific Logging congress are here making arrangements for a meeting of the body here on June 17 of next year. Three hundred delegates from the Northwest states and provinces are expected and three days will be spent in the discussion of improved methods of conducting the industry, the meeting winding up with a trip to timber limits near Chemainus.

Hoarseness in a child subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given at once or even after the croupy cough has appeared, it will prevent the attack. Contains no poison. Sold by all druggists and dealers.

HAY! HAY! HAY!

Own Your Own Home

A GRAND PROPOSITION FOR THE WORKING MAN

Use other people's money to buy your home; then pay it back in monthly payments; less than ordinary rent. Your money is not being thrown away as 6 per cent interest is allowed during the time the contract is maturing. Do not ask others who know nothing about this plan, but come and see me. I will be pleased to give you the very fullest information as well as a copy of the contract.

If you have no lots now, I can show you how you can buy lots and build on them and so own your own home.

If you cannot call, write me. I will explain everything. Numbers have already taken advantage of this system. Why not you.

NELSON NEWS OF THE DAY

(Additional local news notes on page 8.)

All bandmen are wanted at the band room this evening at 7:45 o'clock.

R. Lawrence of the International Correspondence Schools is in town for a day or two.

Rev. V. Campbell, missionary of the Presbyterian church at Rutlam, in central India, is visiting his brother, T. T. Campbell, at Duncan's ranch on the West Arm.

The following books have been presented to the library: "Strangleigh's Millions," by St. Barr; "White Plumes of Navarre," by S. R. Crockett; "Shining Terry," by Q.

The sacrament of the Lord's supper will be dispensed in the St. Pauls Presbyterian church at the forenoon service tomorrow. Rev. Dr. Campbell of Rutlam mission, central India, will take part in the service, and will also preach at the morning service and give an account of the recent world missionary conference in Edinburgh, Scotland.

A reception in honor of Dr. and Mrs. Auld will be given in St. Pauls Presbyterian church parlors this afternoon from 4 till 6 o'clock. A cordial invitation is extended to men and women of the various church to be present and bid godspeed to Dr. and Mrs. Auld as they start on their journey to China. It is expected that Rev. Dr. Campbell, central India, will also be present.

Royal Hotel, here's your home for the winter. Best board in the city. 186

NO CHANCE

LONDON, Sept. 30—In reference to the reported proposal to import Chinese for the construction of the Grand Trunk Pacific, the Morning Post says "There should not be the slightest chance of Canada trying again the disastrous experiment of importing Asiatic labor," and it points out the benefit of employing white natives.

QUEEN'S OWN SURPRISED

LONDON, Sept. 30—Mr. Blatchford, in the course of an article in the Clarion, Socialist organ, approaches the army manoeuvres and says the Queen's Own Rifles brought with them the conviction that the mother country was decadent and Englishmen degenerate. The Queen's Own return astounded with the falsity of this view.

Your cough annoys you. Keep on hacking and tearing the delicate membranes of your throat if you want to be annoyed. But if you want relief, want to be cured, take Chamberlain's Cough Remedy. Sold by all druggists and dealers.

ALL YOUR STOMACH TROUBLE VANISHES

Indigestion, Gas, Heartburn and Dyspepsia go and You Will Feel Fine in Five Minutes.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your Pharmacist a 50-cent case of Pape's Diapepsin and take a dose just as soon as you feel like eating. There will be no sour out-of-order stomachs, because it takes risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fulness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for any case of Dyspepsia, Indigestion or any other stomach disorder.

hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disorder.

NOTICE TO CONTRACTOR

Glenbank School.

Sealed tenders, superscribed "Tender for Glenbank School," will be received by the Hon. the Minister of Public Works up to noon of Friday, the 16th day of October, 1910, for the erection and completion of a two-room school building at Glenbank, near Nakusp, in the Slocan Electoral District.

Plans, Specifications, Contract and Forms of Tender may be seen on and after the 18th day of September, 1910, at the offices of G. R. Gardiner, Esq., Nakusp, Secretary to the School Board; the Government agents at Nelson and Revelstoke; and the Department of Public Works, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Hon. the Minister of Public Works, for the sum of $300, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

F. C. GAMBLE,
Public Works Engineer.
Public Works Department,
Victoria, B. C., September 15th, 1910.

(d) The quantity of water applied for (in cubic feet per second): One-quarter cubic foot.

(e) The character of the proposed works: Ditch and flume.

(f) The premises on which the water is to be used: Lot 4, Lots B, and C., subdivisions of 15 and 15A, Block 30 of the subdivision of Lot 222, Group 1, Kootenay district.

(g) The purposes for which the water is to be used: Irrigation.

(h) If for irrigation describe the land intended to be irrigated, giving acreage: 25 acres Lot 4, Lots B, and C., sub-lots of 15 and 15A, Block 30 of the sub-division of Lot 222, Group 1, Kootenay district.

(i) Area of Crown land intended to be occupied by the proposed works: None.

(j) This notice was posted on the 22nd day of August, 1910, and application will be made to the Commissioner on the 22nd day of September, 1910.

GEO. F. MOTION,
Nelson, B.C.

NOTE—One cubic foot per second is equivalent to 35.71 miners' inches.

Secretary for Valuators.
P. O. Box 813, Victoria, B. C.

NOTICE TO CONTRACTORS

Kaslo Court House.

Sealed tenders superscribed "Tender for Kaslo Courthouse," will be received by the Honorable the Minister of Public Works up to and including Monday, the 24th October, 1910, for the erection and completion of a new Courthouse at Kaslo, in the Kaslo Electoral District.

Plans, Specifications, Contract and Forms of Tender may be seen on and after the 19th day of September, 1910, at the offices of the Government Agent, Kaslo; Government Agent, Nelson; and the Department of Public Works, Victoria.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honorable the Minister of Public Works, for a sum equivalent to 10 per cent of the amount of the tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

F. C. GAMBLE,
Public Works Engineer
Public Works Department,

Saved Her Life

The honest straightforward statement of Mrs. Rhoda Pritchard of Astoria, L.I., is convincing proof of the great merit of Duffy's Pure Malt Whiskey as a family medicine.

"I have taken Duffy's Pure Malt Whiskey for 20 years and it has saved my life several times when I had been given up to die by my physicians. I am now 66 years old and hale and hearty, thanks to Duffy's Pure Malt Whiskey. My children tell me I do not look a year older than 50, and I do not feel as old as that."—Mrs. Rhoda Pritchard, 6th avenue, Astoria, L.I.

Duffy's Pure Malt Whiskey

has to its credit fifty years of success without a question as to its merits as a curative agent. It quickens and strengthens the heart action, aids digestion, restores health and vigor; makes the old feel young and keeps the young strong and vigorous.

All druggists, grocers and liquor merchants or direct, $1.50 a large bottle. Refuse substitutes and imitations; they are impure and dangerous. Medical booklet and doctor's advice free.

NELSON NEWS OF THE DAY

(Additional local news notes on page 1.)

L. H. Moffat of Rossland was a visitor to the fair yesterday.

Mrs. J. W. Miller, 811 Edgewood avenue, will be at home today from 4 to 6 o'clock.

The maximum temperature yesterday was 55 degrees and the minimum 34 degrees.

Mrs. J. H. Fox will receive on Tuesday, October 4, from 4 to 6 o'clock at 703 Stanley street and afterwards on the first Friday of each month.

James Thompson of Salmo, accompanied by Mrs. Thompson and family, were among the visitors to the fair. Mr. Thompson is manager of the store at the Nugget mine.

The prizes won in the Y.M.C.A. track and field meet will be presented by his honor Judge Forin at the Y.M.C.A. building this evening at 8:30. The public is cordially invited to be present.

The engagement has been announced of William A. Anstie of Nelson to Miss Dora Anderson, daughter of Mr. and Mrs. Edward Anderson, Wellington Crescent, Winnipeg. The marriage will take place at Winnipeg on October 12.

Miss Winna Ellis left on Thursday morning by the Crow boat to spend the winter in Toronto. She was accompanied by her cousin, W. F. Ellis, who was passing through from San Francisco to his home in Peterboro, Ont.

AT THE THEATRES.

An excellent program is billed at the Empire theatre this evening, the feature subject being a fine Kalem picture entitled "The Forger." Others are: "Her Sweet Revenge" and "The Subterfuge." A full orchestra will be in attendance.

A most enjoyable program was shown at the Grand last night and which will be repeated this evening. The subjects include a fine dramatic reel entitled "Her Sister's Devotion." "The Broken Violin" and "Tenderfeet" are both humorous. "Her Winning Way" is in the first class of good comedies. Another great attraction was Miss Ida Brown, whose rendering of the song "Somewhere" was most enthusiastically received. As a soprano vocalist Miss Brown will undoubtedly take a leading place in Nelson musical world. Her voice has a charm which belongs to few, which she well knows how to use to the best advantage. The matinee will take place at 2:30.

JAMES SCHOFIELD ADDRESSES SOUTH KOOTENAY INSTITUTE

Makes Inspection of Sesson's Road Work—Body Discovered at Waneta—Bear Shot.

WANETA, Sept. 30—James H. Schofield, M. P. P., left for home on Wednesday, after spending a week with friends in the valley. During his visit Mr. Schofield, in company with W. F. Teetzel, government agent and Jake Sersen, bridge superintendent, inspected the results of his season's road work. On Monday at the successful inauguration of the South Kootenay Farmers Institute, Mr. Schofield was enthusiastically voted to the chair and gave the members some sound advice as to the management of the institute and the attainment of a prosperous career. While here Mr. Schofield had some good grouse shooting and before leaving he gave great praise to the fruit, vegetables and crops generally he had seen at the different ranches.

J. Balding, the Nelson dairyman, was here on business last week.

William Reith is taking weekly, a load of beef, mutton and fruit into Trail.

Black Bear Shot.

Bears are still numerous. Sandy Stirling shot a three year old black bear recently, and M. Hill killed a bear in his orchard that had stripped some of his plum trees of all the fruit.

New Farmers' Institute.

Last Monday was observed here as a general holiday, the majority of the ranchers having proceeded to Sayward to be present at the opening meeting of the South Kootenay Farmers' Institute. It is confidently expected that the combined efforts of Fruitvale, Sayward and Waneta will result in a permanently strong organization and the ranchers expect to reap much practical benefit from the government lectures and demonstrations given in connection with these institutes.

Fred Adie took to Nelson a large consignment of locally grown apples, pears, grapes, vegetables, fodder corn, etc., for display at the Nelson fair. Quite a number of other residents are also in Nelson to see the show.

Body Recovered.

The body of the young man Thornberg of Trail, who was drowned in the Pend d'Oreille river several weeks ago, was discovered the other day near Waneta, 12 miles below the scene of the accident.

Mrs. Adie and Mrs. Ketchum, with family, came in on today's train.

VICTIM OF ACCIDENT BURIED AT CRANBROOK

(Special to The Daily News.)

MOYIE, Sept. 30—The funeral services over the remains of the late Mrs. E. G. Gwynne, who was drowned in Moyie lake on Monday evening were held in the Presbyterian church at 2 o'clock yesterday afternoon. The church was filled with flowers, sent by the citizens as a mark of the esteem in which the deceased was held, and almost the whole town attended to pay their last respects. The remains were escorted to the eastbound train and were forwarded to Cranbrook where interment took place.

MURDER IS VERDICT IN BARRIE TRIAL

BARRIE, Ont., Sept. 30—"Guilty of murder with a recommendation to mercy," precisely the same verdict as given against Mary Dolan, was the decision of the jury which tried her accomplice Thomas McNulty. While Mr. Blackstock was telling the jury that not only had McNulty ruined Mary Dolan but had also wrecked his own home, Mrs. McNulty, wife of the prisoner arose and exclaimed indignantly, "It is not so," repeating her assertion several times with increasing emphasis. When the verdict was announced, she created a scene. Rushing to her husband, she threw her arms around him, sobbing out endearing names. Mr. Crosswicke, counsel for McNulty, asked for a reserved case and will appeal upon the ground, that the jury was improperly influenced through reading the colored accounts in the newspapers, and also that some of the jury had declared previously their intention to hang McNulty.

SETS FIRE TO BARNS AND THREATENS MURDER

VIRDEN, Man., Sept. 30—Frank Wiltshire, aged 18, fired the barns of his employer, Sararas, a farmer a few miles south of Hargreave, doing damage to the extent of $4000. He also threatened to shoot Mrs. Sararas and removed the top of the telephone receiver to prevent her securing help. Word, however, was sent to Chief Bolton here, who, with Detective Ross and Councillor Mitchell drove out. Wiltshire was discovered lying on the ground with a shot gun and when Ross approached, covering the youth with his revolver, the latter reached for the gun and shot himself, the charge entering his chin. He was brought to Virden and later sent to the Brandon hospital. No cause is assigned for his strange behaviour, but it is thought that disappointed and despondent he became unbalanced.

WANTED—To rent house of four or five rooms and bath; close in. R. V. I., Daily News.

FOR SALE—Peonies. Now is the time to plant peonies. You will find choice varieties at Dawes' Greenhouse, corner of Stanley and Observatory street. H. L. Dawes. 10-3
