DETROITER'S PACIFIC HOP CALLED OFF

U. S. INTERESTS SEEK CONTROL BANKS, CANADA

U. S. INTERESTS BUYING CANUCK BANK STOCKS

Is Reason for Hectic Marketing in Canadian Issues of Late

TORONTO TELEGRAM SAYS U. S. BANKS INVOLVED

Canadian Bank Stocks Incorporated Made Up of Big U. S. Financial Men

TORONTO, Sept. 14.—The Toronto Telegram carries the following on its front page today:

"What lies behind the recent hectic buying of Canadian Chartered bank stocks, which has carried these issues to record high figures in the last six weeks, was indicated today when the news leaked out of the formation of a huge 'investment trust' in New York for the sole purpose of buying the stocks of our chartered banks. The buying will evidently embrace the French-Canadian banks too, for the new trust states it will confine its operations to 10 Canadian chartered banks.

Identity Concealed.

"The Canadian Banks Stocks Incorporated is the title of the new United States Trust company. The identity of those behind its formation is being closely concealed, as is also its proposed capitalization. From an absolutely authentic source in New York, however, the Telegram learned over the long distance telephone late this afternoon, that it was sponsored by an extremely powerful group across the border and further that a public offering of the Units of the Canadian bank stocks incorporated would be made in New York within the next week or so.

"That the Canadian Banks Stocks Incorporated, is the means whereby an unnamed group of influential United States financial men hope to secure control of certain Canadian banks, and, at the same time keep their identity closely concealed until Canadian banking is delivered lock, stock and barrel into alien hands, is the belief in well-informed quarters."

CUSTOMS BODY ISSUES WARNING

Some Who Defraud May Have Escaped Scrutiny but Chairman Warns Them

OTTAWA, Sept. 14.—"We have had some evidence brought before us to indicate that in certain quarters there would be a revival of illegal practices once our commission ceased to exist. For the benefit of such parties and others similarly disposed, I think I can promise that other means will be devised and rigidly enforced for detecting such frauds, and that for the future when such frauds and illegal practices are discovered they will be visited swift and relentless punishment."

The above was one of the statements made by Chief Commissioner J. T. Brown, of the royal customs commission, in a brief address at the close of the public sittings of the commission here tonight.

"No doubt there have been some who have been guilty of defrauding the crown of its just revenues and who have escaped the scrutiny of our investigation, he continued. "For such, let me say that the mere fact that they have thus far escaped exposure and prosecution must not be taken as any assurance that such practices can be continued with impunity."

Will Survey in Spring for New Road to Alberta

VICTORIA, Sept. 14.—Surveys for the Revelstoke-Golden highway to provide a new trans-provincial route to Alberta, will get under way next spring through cooperation between the federal and provincial governments, it is anticipated at the parliament buildings.

LEAPS TO DEATH IN NIAGARA RAPIDS

NAGARA FALLS, N. Y., Sept. 14.—Josie S. Biggar, 60, of Buffalo, leaped from the Goat Island bridge into the upper rapids today and was swept to death over the American falls.

Claim Stork Brought Boy, But Hospital Says It Was Girl; Smiths Start Action to "Recover" Their Babe

CLEVELAND, Sept. 14.—The alleged shuffle of Smith babies at Fairview hospital which has resulted in a habeas corpus court action by Mr. and Mrs. Sam Smith to force the hospital to give them a boy baby instead of the girl they now have, today promised further complications in case they win their suit.

For, in addition to Mrs. Sam Smith's child, three other babies were born at the hospital the same time, two of them having the parental name of Smith.

And the mothers of all three of these babies said today they are satisfied they have their own offspring, and will "never, never give them up."

The little infant which Mrs. Sam Smith nurses at the hospital is known only in the records by the label "Baby Smith, female." But neither Mr. nor Mrs. Sam Smith have parental inclinations toward "Baby Smith, female," nor do they want her.

Instead they are asking the hospital authorities for "Baby George Smith", who they claim, was born to them. Mr. Smith said the attending physician told him the baby was a boy and made out a birth certificate giving the male sex. Mrs. Smith said the nurses talked to her continually about her "boy."

Then suddenly "Baby George" became "Baby Smith, female." It was due to a mixup in the records, for the Smith's never had a "Baby George" hospital officials declared.

ROYAL WINDSOR MAKES RETURN FLIGHT, MAINE

Flyers Do 1100 Miles 12 Hours; Drop Wreath in Memory of Lost

OLD ORCHARD BEACH, Me., Sept. 14—The monoplane Royal Windsor, returning to Windsor, Ont., from Harbor Grace, Nfld., landed here tonight, making a nonstop flight of about 1100 miles in exactly 12 hours. The pilots, Phil. Wood and Duke Schiller, accepted an invitation to dinner as they taxied down the beach and will remain overnight.

A simple but touching ceremonial in memory of all aviators who have lost their lives during the past year was performed early today by the aviators, shortly after they left Harbor Grace, Nfld. Describing the ceremony upon their arrival here tonight, they said they flew out over the harbor, a distance of a mile or more, where they dropped a beautiful wreath.

As it dropped into the sea, Phil. Wood uttered these words:

"This wreath, I drop in memory of the heroes of the air, who have made the great sacrifice for the development of aviation."

League Will Vote Today on Canada's Seat on Council

GENEVA, Sept. 14.—Speculation is at a high pitch tonight regarding the prospects of Canada and the other five candidates for a seat on the league council, which will be filled at tomorrow's election in the plenary sitting of the assembly. There is an impression that the German delegate has decided to support Canada, though Senator Raoul Dandurand informs Reuters that he has no officiay knowledge of the object.

Thousands Floral Tributes Cast on Pacific for Flyers

SAN FRANCISCO, Sept. 14.—Coursing across the Pacific tonight a Matson liner carried more than 5000 floral tributes sent from all corners of America to pay homage to the lost Dole fliers. Memorial services held at the Matson pier before the liner's departure at noon, were attended by 10,000 residents of the bay cities, it was estimated.

Bandits Lock Up Servants and Make Escape With Jewels

SAN MATEO, Cal., Sept. 14.—Two bandits ransacked the house of B. U. Brandt, San Francisco insurance man here, locked up the servants, the only persons in the house, and escaped with $75,000 in jewelry.

Pacific Foreign Trades Council Meets at Victoria

VICTORIA, B.C., Sept. 14.—Meeting in Canada for the first time since its organization in 1321, the Pacific foreign trade council will open a three-day convention here Thursday morning with delegates from 15 countries in attendance.

Canada Demands Dumping Duty on Imported Apples

OTTAWA, Sept. 14.—Imported apples have been declared liable to dumping duty. A ruling issued by the revenue department today holds that apples are to be considered as of a class or kind produced in Canada until otherwise ordered."

This means that a special or dumping duty, in addition to the regular duty will be applied to imported apples.

The dumping duty will be the difference between the appraised value and the purchase price, but not exceeding 16 per cent of the appraised value.

THREE NEARLY DROWN WHEN PLANE FALLS

Toronto Men Drop Into Lake Seul; Imprisoned Under Water

TORONTO, Sept. 14.—Harry Harcourt, D. M. Thompson and P. Spoor, all of Toronto, but at present interested in mining at Hudson, Ont., had a narrow escape from drowning in Lac Seul, on Monday night when the airplane in which they were riding fell into the lake and turned turtle, it became known here today.

Harcourt, imprisoned, head downward in the cockpit of the plane, forced his way through the wing of the machine by placing his feet on Thompson, who was lying in the bottom of the plane. Spoor was thrown partly clear of the wreckage and managed to make his way to the surface of the water.

Commander R. Ross, pilot, clad in heavy flying clothes, tried several times to grasp the entrapped men, but they were free before he could reach them. The noise of the crash was heard by Joseph Kenneally who paddled out to the scene in a boat and picked up the men.

IRELAND ELECTS MEMBERS TODAY

Cosgrave Government Hopes to Hang On With Independendents' Aid

DUBLIN, Sept. 14.—In a blaze of torchlight processions the political campaign which holds the record for number of meetings and speeches, ended tonight, and polling in the general elections will take place tomorrow, with each party declaring satisfaction over the prospects of success.

It is conceded that the Cosgrave government cannot win sufficient seats to give it a majority of the whole house, but government spokesmen are confident of gaining enough accession to enable the government to reform the ministry and carry on with the assistance of the Farmers and Independents.

The De Valera, Fianna Fail party, which captured 44 seats in June, expects to gain 10 seats, aided by the Sinn Fein, making a total of 54. Labor, through lack of money, was prevented from nominating more than 28 candidates, as compared with 4 last June.

STILL HAS HOPES

MRS. TERENCE B. TULLY

Wife of Captain "Terry" Tully, who, with his companion aviator, Lieutenant Medcalf, is missing in the great Atlantic void with the London-to-London plane. Sir John Carling. She believes her husband is safe somewhere, probably on a small boat without wireless.

GROWERS HAVE CHANGED PLANS FOR PAYMENTS

Legal Barriers Halt Original Idea; Partial Pool Payments More Rapid

VERNON, B.C., Sept. 14.—The September issue of the Bulletin, official organ of the Associated Growers of British Columbia will contain the following:

"Last month we outlined a plan that should be developed to provide for payments to growers on the leading varieties of apples as the fruit was packed.

"Since that time certain legal difficulties have arisen that make it inadvisable to carry out the scheme in exactly the manner described. It also has been found that some locals prefer to continue the plan of distribution of money that has been followed in past years.

"Under the modified plan, money will not go forward for distribution at the regular periods mentioned last month and may be delayed until a slightly later date, but we will still be able to make partial payments on pools much more rapidly than in the past. It will rest with the individual locals as to whether or not they pay this money to the members or use it to reduce the local borrowings from the bank.

URGES COMMON PLATFORM PLAN

Conservative Should Try to Cater to All Provinces, Says Rogers

WINDSOR, Ont., Sept. 14.—The framing of a platform which would appeal to all provinces and to all peoples, was urged by Hon. Robert Rogers, of Winnipeg, in speaking of the forthcoming national Conservative convention at a picnic of the Essex county Conservative club here today.

He pointed out that only by a national convention which could gain an understanding of the composite opinion of the country at large, could such a platform be evolved. The west, he declared, required an aggressive policy of information.

For the west, especially there would have to be a strong policy of immigration, because the country was both capable of absorbing and anxious to absorb not its thousands but its millions.

His policy, Mr. Rogers declared, would be one of "keeping the home fires burning" and of keeping Canadian workmen at home instead of in the United States. With the federal policy which was at present in force, he declared, Canada was sending abroad a yearly total of $500,000,000 for goods which could be produced in the Dominion.

SCIENTISTS PAY GREAT PRAISE TADANAC PLANT

"Nothing Like It in World," Says Secretary Fink; "Best Arranged,"

BELGIAN ENTHUSES OVER BONNINGTON

Though in Nelson Only for Meals, Electro-Chemists Met by Board Officers

Full of enthusiasm for the plant and processes of the Consolidated Mining & Smelting Company of Canada, the touring party, 55 strong, of the American Electro-Chemical society, returned last night from its day's inspection of the big reduction plant at Tadanac. The delegates visited 20 plants on Tadanac hill, and then enjoyed the hospitality of the company at a banquet in Trail. On their way to Nelson again they visited the plants of the West Kootenay Power & Light company at Bonnington.

WHAT KEY MEN SAY

"It is the nicest smelter to go through I ever inspected, the best arranged, and the neatest and cleanest," declared Dr. S. C. Lind, director of the school of chemistry, of Minnesota university, president of the association.

"There is nothing like it in the world; it has the most difficult ore in the world to treat, and treats it in the finest fashion," said Professor Colin G. Fink, of Columbia university of New York, the secretary. "This is what I tell my classes at Columbia, too," he added.

The new No. 1 plant of the West Kootenay Power & Light company, M. Herry, general manager of the Flanders Power company, of Ghent, Belgium, as reported by President Lind, declared "the most modern and best equipped of the hydro-electric plants visited on the tour." Dr. Lind said the Bonnington plant was the first hydro-electric plant out of five big ones visited so far that aroused the big European power expert's Gallic nature., all the others having left him quite cold.

It was stated by Secretary Fink that the society, although by name American, was really international, and included in its membership big men from many nations, some of them being on this tour. He stated inventors of important treatment processes were members of the party.

Several Hours Lost

Nearly three hours late in arriving from the south by the Great Northern on their special, in the morning, the party ate a 10 o'clock breakfast at the Hume with razor-edge appetite.

In the midst of the rush, President C. F. McHardy, of the board of trade, and Fred A. Starkey, acting secretary, conveyed Nelson's welcome to the delegates.

The Tadanac-Trail program was not shortened by a minute, the delegates said. Thus it was nearly 8 o'clock when they arrived here again for dinner at the Hume as a prelude to entraining.

It was a happy party that had dinner, those musically inclined giving an impromptu concert with the aid of the piano in the hall for the benefit of the rest, the ladies of the party, including some excellent singers.

Many members of the board of trade and mining men met various of the delegates for short chats before the party bade farewell to the city, and entrained some time after 9 o'clock for Spokane.

After Glacier park, the next stop, the party will visit plants at Great Falls, Mont., and Koekuk, on the Mississippi, winding up its 17-day tour at its starting point, Chicago.

Illness Will Not Deprive Pupils of Honor Rolls in B. C.

VICTORIA, Sept. 14.—New regulations under which public school pupils will not be deprived of honor rolls because of illness were issued by the department of education today.

Railway Commission Will Sit in Nelson Late in October

OTTAWA, Sept. 14.—The board of railway commissioners will hold a session in Nelson on October 25.

American Dancer Killed in Freak Auto Accident

NICE, France, Sept. 14.—Isadore Duncan, the American dancer, was killed in an automobile accident at 9:40 o'clock tonight. She was trying out a new automobile on the promenade Des Anglais when a gust of wind blew a long scarf which she was wearing around her neck, over the side of the car. It became entangled in one of the wheels and dragged the dancer out of the machine into the roadway. Her neck was broken. At the time of the accident Miss Duncan was accompanied by a newspaper woman, Mary Desto Parks, who came to see her with reference to the publication of her memoirs.

TORRID HEAT TAKES LIVES, CHICAGO AREA

Seven Dead There, Four in St. Louis; Cincinnati Schools Close

CHICAGO, Sept. 14.—A heavy blanket of torrid air continued to envelope the middlewest today, driving the mercury to record heights and resulting in suffering, prostrations and death.

Chicago, with a temperature of 95 degrees, led the list with seven heat fatalities. St. Louis reported four. The total deaths throughout the country was estimated at more than a dozen. Kankakee, Ills., reported 99 degrees, the hottest day of the year. While city dwellers suffered, farmers were elated over the opportunity for crops to mature.

The schools in Cincinnati were closed when the thermometer registered 92, and in Chicago the afternoon classes in portable school buildings were discontinued.

Temperatures continued in the nineties in Kansas, Missouri, Oklahoma and parts of Texas, one prostration being reported at Kansas City, in addition to two deaths yesterday.

At least one more day of the belated heat wave, which settled over the country in midsummer fashion yesterday, was promised.

VANCOUVER MAN IS PROLOCUTOR

Ven. Archdeacon Heathcote Succeeds Very Rev. Dr. Lloyd at Synod Meeting

KINGSTON, Ont., Sept. 14.—Ven. Archdeacon F. C. C. Heathcote, L. Th., of Vancouver, B.C., was today elected prolocutor of the general synod of the Church of England in Canada, at its opening session. He succeeds the Very Rev. Dr. Lloyd, M.A. D.D. dean of Nova Scotia, who had held the office for nine years. Chancellor Dr. F. H. Gisborne, K. C., D.C.L. I.S.O., Ottawa, was elected deputy prolocutor.

The day was one of form and ceremony rather than business, and started off with a solemn procession and holy communion service in St. George's Cathedral.

Rt. Rev. William C. White, missionary bishop of the Canadian Church of Honan, China, preached the sermon. He dwelt on the unrest of the Chinese and urged the members of the church to greater missionary efforts.

In the afternoon the two houses of the synod, the Upper House, or house of bishops, and the Lower House, composed of the clerical and lay delegates, assembled together in the memorial hall of the civic building. The primate opened the proceedings with prayer and then delivered his charge to the synod.

MINING CONGRESS IS ENTERTAINED VICTORIA

VICTORIA, Sept. 14—The members of the Empire Mining and Metallurgical congress arrived here this afternoon and were welcomed by the premier, Hon. J. D. MacLean and Mayor Pendray. The visitors were entertained at a garden party at Government House, where His Honor Lieutenant-Governor Bruce and Miss MacKenzie received them this afternoon.

SCHLEE QUITS FLIGHT WHEN CHILDREN ASK

Cablegram Urges Dad to Think of Them and Stop

AVIATORS DECIDE IT WOULD BE SUICIDE

Have Flown 12,275 Miles in 18 Days; Return by Ship

TOKYO, Sept. 15.—The projected flight of the American monoplane Pride of Detroit across the Pacific on its globe-circling tour, was called off here today by its co-pilots, Edward F. Schlee and William S. Brock.

The decision to call off the flight followed a lengthy conference with aviation experts here and others interested in the undertaking. Many cablegrams from America urging the fliers to stop at Tokyo also carried weight. Brock and Schlee finally concluded the attempt to fly the Pacific would be suicide.

Return by Boat

They will take an early boat for the United States and have their monoplane shipped home.

A cablegram from the Schlee children in Detroit begging their father, Edward F. Schlee, to think of them before he attempted to fly the Pride of Detroit over the Pacific ocean, was largely the cause of the cancellation of the trans-Pacific leg of the flight.

The decision to end the flight of the Pride of Detroit at Tokyo brings to an end one of the most successful long distance flights ever made. Brock and Schlee have flown 12,275 miles since they left Harbor Grace, Newfoundland, on August 27. Their only serious difficulty was encountered in Japan, near Omura, where they were twice forced down by bad weather. They arrived here in good health and good spirits, with the plane in good condition.

PRINCES REACH FRANCE SAFELY

Prince of Wales Gets Great Kick Out of Visit to the Dominion

CHERBOURG, France, Sept. 14.—The Prince of Wales and Prince George arrived here today after an excellent voyage from Canada.

Captain Allan Lascelles, of the Prince of Wales' staff in an interview said the latest trip of the prince to the dominion had been one of the most interesting of all his trips and he had found the spirit of loyalty of the Canadian people as strong as ever.

The Prince of Wales, Captain Lascelles proceeded, was very much interested in the extensive farm lands in western Canada, but he was still more interested in the mines in the dominion.

Forecast—Nelson and vicinity: Generally fair and cool with rain.

Mississippi-Warrior barge line carried 1,616,405 bushels of grain down the Mississippi river from St. Louis to New Orleans in August.

Gas Spoiled Sleep, Made Her Dizzy

"For years I suffered from gas and constipation. Used to get headaches and dizzy spells. The first dose of Adlerika gave me relief. Now I rest well."—Mrs. B. Brinkley. Just ONE spoonful of Adlerika relieves gas and that bloated feeling so that you can eat and sleep well. Acts on BOTH upper and lower bowel and removes old waste matter you never thought was there. No matter what you tried for your stomach, Adlerika will surprise you. Poole Drug Company.

No Traces at Brilliant of Infantile Paralysis Dr. MacKenzie Reports

Dr. H. H. MacKenzie, district health officer, spent yesterday at Brilliant, and made an exhaustive canvass of all the cases of illness in the Doukhobor colony, to ascertain whether there were any cases of infantile paralysis among the number. He found no trace of the disease.

The two Appledale cases in the Nelson isolation hospital are reported doing well.

No new cases were reported anywhere in the district, and Nelson is still free from infection.

Mrs. Ross Heads New Institute Formed at Field

FIELD, B.C., Sept. 14. — The first meeting of the women's institute, formerly the Field Literary society, was held at the Y.M.C.A. on Tuesday evening.

Mrs. Ross gave a brief outline of the aims and objects of the institute. Mrs. Sonsom sang, and a duet was ably rendered by Mrs. Ross and Mrs. Sansom. Mrs. Sadler read an interesting paper on institute work, after which questions and suggestions were then invited. Mrs. Sansom was able to give some useful advice on educational matters. A program was drawn up for future meetings. Refreshments were served.

During the evening Mrs. Ross gave an interesting illustration of Afghan and other wool work.

A membership of 35 to 40 ladies is anticipated.

Officers elected for the ensuing year are Mrs. Ross, president; Miss Helen Bruce, vice-president; Mrs. Barlow, secretary-treasurer; Mesdames Russell and Cheseman, directors.

'MRS GORRINGE'S NECKLACE' PROVE A GREAT SUCCESS

Willow Point Players Score in Presentation in Aid of of Relief Work

GRIPPING NARRATIVE IS BLEND TRAGEDY, HUMOR

Vehicle Well Carried by a Most Able Cast; Mr. Gilker Outstanding

Heart rending tragedy blended with side-splitting comedy — last night's presentation of "Mrs. Gorringe's Necklace" by the Willow Point players was a complete success. It was presented at the Nelson opera house, under the auspices of the Nelson branch of the Canadian Legion, in aid of disabled war veterans and dependents. The attendance was only fair.

It was a story of a young man's weakness, a woman's faith, and a great friendship that led almost to a man's sacrifice for his altogether unworthy friend in order to save the woman they both loved from pain.

Tragic Conclusion.

The story told how a young man, a guest of the parents of the girl he was engaged to, stole a diamond necklace from a woman guest in the same house; how he was discovered; how his fiancee believed in him despite his weaknesses; how his friend was willing to be labelled as the thief; and finally how he took the blame upon himself and then committed suicide to free the girl who in the hope of reforming him, had married him, and to clear his friend. A. B. Gilker as the dissolute young army officer was splendid. Every gesture, every inflection of his voice evinced the deep emotion of his part.

Though Mr. Gilker was outstanding, the whole cast was worthy of the most sincere praise.

Excellent Handling.

The story contained excellent narrative, and the very able cast developed each situation to the utmost. At various times throughout the presentation spontaneous applause interrupted the narration, indicating to a fine degree the appreciation of the audience.

The cast was: "Mrs. Gorringe," Mrs. A. N. Taylor; "Mrs. Jardine," Mrs. F. Niven; "Isabel," Mrs. W. C. P. Hearthcote; "Vickey," Miss D. Kemp; "Miss Potts", Miss W. Thompson; "Parker," Miss D. Airey; "Admiral Jardine," Kenneth Metcalfe; "Major Mowbray," Col. A. N. Taylor; "Lieut. David Cairn," A. B. Gilker, "Mr. Jernigan," J. Applewhaite.

Colonel Taylor was stage manager.

KIRBY IS SENT BY KASLO-SLOCAN

Seven Delegates So Far Will Attend the Winnipeg Convention, Seven With Votes

Captain W. Kirby, Slocan City, was elected delegate from Kaslo-Slocan riding to the Conservative convention at Winnipeg on October 10. Thomas Abriel of Nakusp is the alternate. This appointment was made at a meeting of the Slocan Conservatives at New Denver, news of the selection delegates was telegraphed to E. G. Matthew, secretary of the West Kootenay Conservative association.

The delegate at large for the West Kootenay is Lorne A. Campbell of Rossland.

Other delegates from the West Kootenay include:

Revelstoke—S. D. Hume, with Adam Bell as alternate.

Creston—Colonel J. Murray, South Slocan, with Mrs. Mohr of Willow Point as alternate.

Trail—Harry Wright.

Rossland—F. E. Lowder.

Nelson—Alex Leith.

The constituency is entitled to five delegates, one of them a delegate at large. Additional delegates may be seated, but without votes.

LATE NELSONITE ON HONOLULU NORMAL STAFF

B. P. Steeves, Ph.D., Former Principal of the Nelson High School

"Mr. add Mrs. B. P. Steeves left Tuesday for Honolulu via the Niagara, which sailed from Vancouver, B.C., on Wednesday. Mr. Steeves has been appointed to the staff of the Honolulu normal school, which is one of the largest normal schools in th world, having a registration of about 2,000 students. Mr. and Mrs. Steeves have been resients of this district during the past year."

The foregoing paragraph, appeared in the University District Herald, Seattle, on August 28.

Here Many Years.

Dr. Steeves was formerly principal of the Nelson high school, resigning his position about six years ago after many years here. After resigning he took advanced studies.

In the September 2 issue of the Herald mention was made of five "most learned theses for the degree of doctor of philosophy had been handed in at the University of Washington during the summer quarter, with the names of three of the theses, one of which was Dr. Steeves' "States of Modern Foreign Languages in American High Schools and Colleges."

Much Data for Thesis.

For data for this thesis Dr. Steeves was awarded a scholarship fund of $200 or whatever part of that amount it would cost to gather answers to a questionnaire sent to members of universities, colleges, and high schools in the United States, Canada, Hawaii, Alaska and Bermuda.

BOARD INVITES AGENT-GENERAL VISIT KOOTENAY

Starkey First Wires Premier and On His Advice Wires Pauline

Fred A. Starkey, acting secretary of the board of trade, yesterday wired Premier MacLean at Victoria informing him that the board of trade and also fruit growers of the locality felt that a visit by Hon. F. A. Pauline, the province's agent-general at London, was due the Kootenay, on Mr. Pauline's present British Columbia visit, so that official could come into direct contact with the Kootenay's industries and resources, which he is supposed to present, along with others of the province, to the attention of the British government and people.

The premier wired in reply suggesting that the board shoud send a formal invitation to the agent-general.

Mr. Starkey immediately wired Mr. Pauline along those lines.

If he should accept, and pay a visit here, it is assumed the board of trade would honor him with a banquet.

The matter was brought to the attention of President C. F. McHardy yesterday morning by J. J. Campbell, Kootenay director of the Associated Growers.

DELEGATES TO PRESS MEETING ARRIVE TONIGHT

Two-Day Convention Will Open Tomorrow; Will See Bonnington

Delegates to the annual convention of British Columbia and Yukon Press association, the organization of the weekly newspapers, will arrive in Nelson tonight for the sessions covering two days, which will open tomorrow. Up to 35 delegates are expected.

This convention is coming to Nelson on the invitation of the board of trade extended by President F. McHardy.

The sessions will be held in the city council chamber, where Mayor J. A. McDonald will welcome the gathering.

The Program

The organization will convene in business session tomorrow morning. In the afternoon the delegates will be driven down to Bonnington, to inspect the plants and construction of the West Kootenay Power and Light company. A business session will also be held in the evening.

Sessions Saturday morning and afternoon will wind up the business of the association, and the delegates will be suitably entertained Saturday night.

Kill That Constipation
"I suffered terribly from constipation. After taking 'Fruit-a-tives' all my trouble was gone. Now I am enjoying splendid health".
John D. Beaton, Mabou Mines, N.S.
"Fruit-a-tives", made from intensified fresh fruit juices combined with tonics, is a natural remedy for constipation. Enjoy life. Try "Fruit-a-tives". 25c and 50c a box.
Fruit-a-tives

Willow Point Anglicans Have Communion Service

WILLOW POINT, B.C., Sept. 14. Holy communion was celebrated in the church of St. Andrews-by-the-Lake here this morning, Rev. D. F. Cowie of the Church of the Redeemer officiating in the absence of Ven. Archdeacon Fry. H. Graham of St. Saviour's church, Nelson, who is in the east.

VISIT AT YMIR

YMIR, B.C., Sept. 14.—Alvin Hutchings and party motored in from Wallace, Idaho, last Sunday and are visiting Mrs. K. Cawley and Isobelle.

You'll Get Rid of Blackheads Sur

There is one simple, safe and sure way that never fails to get rid of blackheads, that is to dissolve them. To do this, get two ounces of peroxine powder from any drug store—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Blackheads are a mixture of dust and dirt and secretions that form in the pores of the skin. The peroxine powder and the water dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition.

THE GUMPS—WHITHER ARE WE DRIFTING?

AMERICANS ARE GUESTS TRAIL SMELTER STAFF

Take a Keen Interest in Big Consolidated Reduction Plant

ONLY INVASION IN CANADA GREAT TREAT

Marvel at Magnitude of Operations; Are Taken on Auto Trips

TRAIL, B.C., Sept. 14.—Nearly 60 members of the American Electro-Chemical society, an organization having the same professional importance across the border as has the British Empire Mining and Metallurgical congress, were highly interested guests of the Consolidated Mining & Smelting company here this afternoon.

Following the society's recent convention in Chicago, the party arriving here today commenced a directed tour of important mining and metallurgical centers in the United States, and is now in its third week. The visit to Tadanac was the only invasion of Canadian territory planned. Among the party were metallurgists of the highest standing in the United States, and others eminent professionally in England, France and Germany.

Tour Plants, Lunch.

Arriving from Nelson by special train at 1 o'clock, three hours later than was anticipated, the visitors were met by S. G. Blaylock, general manager, and other members of the staff, and taken on a tour of the whole plant. Many of them marvelled at the magnitude and complexity of operations carried on at Tadanac—in the largest smelting and refining plant in the world. They were keenly interested in the wonderful part electro-chemical energy plays in the transmutation of complex ores into Tadanac purity of gold, copper, silver, lead and zinc.

At 3:30 the visitors were guests of the company at a splendid luncheon in I.O.O.F. hall which was prepared by a local women's organization. Including company officials, about 80 sat down. Subsequently a number of the visitors were taken on auto trips to interesting points in the vicinity during a "free" hour while others inspected the city on foot. The party left on its return at 5 o'clock this afternoon for Nelson, to inspect en route the power plants of the West Kootenay Power & Light company at Bonnington, and going on then to Spokane.

TRAIL ROTARIANS HEAR OF COUNCIL

James Buchanan Tells About Presidents' and Secretaries' Convention

TRAIL, B.C., Sept. 14.—Trail Rotarians gained some idea of the trend of Rotary activities in district No. 1 and the outlook for the coming year at their luncheon yesterday.

James Buchanan, president, gave his report on the executive council meeting of district No. 1 in Longview, Wash., on August 26 and 27. The convention was attended by about 100 delegates, presidents and secretaries of clubs in the district.

Mr. Buchanan dealt extensively with the address of the district governor, Hank Manning of Seattle, and his message of fellowship.

SLOPPY GROUNDS HOLD OFF SOCCER

Trail Practice Postponed; Juniors Get in Shape for League Games

TRAIL, B.C., Sept. 14. — Today's scheduled practice match between the selected West Kootenay league soccer team and selected opponents was postponed on account of the sloppy condition of the ground. Two or three days without rain must elapse before the field is in good playing shape again, it is thought.

Saturday's scheduled game, Uniteds vs. Rangers, still stands, and will be played, weather permitting, according to the league president, James Leckie.

While no junior practice games have yet been held, the juniors are suppling up with running exercises at the grounds, daily. They will be ready to take the ground in good trim as soon as occasion offers.

FLY-TOX NEEDED EVERYWHERE

Flies Carry Disease Germs Twelve Miles

Army Sanitary Officers investigating sources of contamination in army camps found flies carrying substances obtainable 12 miles away. Thus flies can bring into homes everywhere filth, contamination and disease germs from a long radius. Fly-Tox kills flies. It is fragrant, safe, stainless and sure. Every bottle is guaranteed.—Adv.

Rossland Reports No New Cases Paralysis in Day

ROSSLAND, B. C., Sept. 14.—No new cases of the epidemic have appeared in the last 24 hours, and all cases previously reported are making favorable progress toward recovery.

RAINS CAUSE MUCH DAMAGE OVER TRAIL

All City Construction Work Is Halted Until Debris Is Cleared Away

TRAIL, B.C., Sept. 14.—Temporary cessation of all city construction work has been brought about by the nearly two weeks of rainstorms experienced by Trail in common with all points in West Kootenay, and city workmen have been directed to road repairs and general cleaning up of sand and gravel debris. Because of the extent of the general damage, the whole city force will be engaged in the "clean up" for at least two weeks yet.

About 240 feet of cement capping on Trail Creek culvert between Cedar avenue and the outfall at Columbia river, and deep sewer ditch trenching in East Trail, are among the pressing jobs held up. Before the rains workmen were making good progress in laying the arched cement capping blocks on Trail Creek underground, working from the alley between Bay and Cedar avenues. This stretch is all that now remains to be done to complete the big square culvert from Nelson street through the business section to the river. Additions have been made to the culvert job as originally authorized by ballot, and for which a $35,000 loan was approved two years ago.

Youthful Waiters Charged Robbing Prominent Miss

NEW YORK, Sept. 14.—Two youthful waiters today were charged with assault ad robbery upon Miss Cordie Harvey, aged 23, member of a prominent Charleston, W. Va., family, who accused them of taking $1600 in cash and jewels from her, after they had chloroformed her in a room in the Hotel Martinique last Saturday.

ROSSLAND NOTES

ROSSLAND, B.C., Sept. 14.—Frank Carlson of Kimberley is visiting friends in this city.

* * *

Word reached the city today of the serious illness of Ogden Morrison, son of Mr. and Mrs. Ernest Morrison who is attending school in Vancouver.

* * *

Mr. and Mrs. A. Reynard, who have been living here for a couple of years, left this week to take up their residence in Fernie.

* * *

Mrs. H. Lefevre and Miss Doris Lefevre have returned from a visit with friends in Spokane.

* * *

Mr. and Mrs. E. W. McKay-White have returned from a visit to Nelson.

* * *

Lorne A. Campbell left yesterday for the coast.

* * *

Miss Lily Gill has returned from the coast, where she has been spending the summer months.

* * *

U. F. Innes of Nelson was in the city today.

* * *

Mrs. John Fox, who underwent an operation for appendicitis at the Sister's hospital on Monday night, is reported as progressing as well as could be expected.

APPLEDALE NOTES

APPLEDALE, B.C., Sept. 14.—Mrs W. B. Anderson and children returned to Nelson on Monday, having spent the holidays on the ranch here.

Mrs. Horn was a visitor to Nelson, Tuesday.

Mrs. Smith and family joined Mr. Smith at Fruitvale on Wednesday.

Mr. and Mrs. J. Brown motored to Fruitvale on Wednesday.

W. T. Wynnne went to Trail on Wednesday for two weeks.

L. Wynne and Gordon Cant are home from Trail for a two-weeks' holiday.

L. Campbell is home from Trail for a few days.

Mr. and Mrs. C. J. Stainton motored in from Trail on Thursday and returned on Friday, taking their children, who have been visiting their grandparents, home with them.

Mr. and Mrs. E. G. Maclean of Trail motored in on Friday to visit Mrs. Maclean's parents.

Mrs. A. Cant, who is taking medical treatment in Trail, accompanied them to spend a few days at her home.

BOSWELL NOTES

BOSWELL, B.C., Sept. 14.—Mrs. W. F. Nicholl and Miss Helen Nicholl, who have been the guests of Mrs. Charles Ilien, have left for Nakusp.

Miss B. Symonds, who has been visiting her sister, Mrs. K. Wallace, has left for the coast, from where she will return east via Banff and Winnipeg.

Miss Jessie Waddington and Miss Gartside of Moose Jaw spent a few days here the guests of Mrs. A. Kennedy, leaving via the Arrow lakes for Banff.

Carl Wigen of Wynndel has been visiting for a few days with Mr. and Mrs. F. Kunst.

Mr. and Mrs. J. P. Saxby Hawkins and Miss Hawkins of Calgary have been the guests of Mr. and Mrs. S. J. Cummings for a short holiday.

W. S. Hepher, who has been acting as assistant ranger with the forestry department at New Denver through the season, has been spending a few days at home in Boswell, and left Sunday for Fernie, en route to Moscow, Idaho, where he will enter the university, taking the four-year course in forestry.

Miss Mary Coupland of Trail spent a short holiday here the guest of Mr. and Mrs. W. L. Hepher.

OLD ROSSLAND RESIDENT DIES IN PORTLAND

James Lee Resident of Rossland 32 Years; Successful Storekeeper

TRAIL, B.C., Sept. 14.—Word was received here today by Walter T. Douglas, Milligan hill, of the death of his father-in-law, James Lee, in Portland, Ore., where he went recently with his daughter, Mrs. Douglas, for surgical treatment.

Mr. Lee was a Rossland old timer; having been a resident there for 32 years, and was a well known character. He was a business man, operating first a second hand store, and later a hardware business on Washington street. It became one of the largest businesses in Rossland. For the last year failing health forced Mr. Lee to curtail his business activities. He was planning to retire.

Mr. Douglas leaves tomorrow for Portland. It is understood that the body will be brought back for burial.

BOURCHIER IS DEAD.

JOHANNESBURG, South Africa, Sept. 14.—Arthur Bourchier, noted English actor-manager, died here today.

Trail News of the Day

TRAIL, B.C., Sept. 14.—St. Andrew's Angelican church was the scene of one of the prettiest weddings of the year when Miss Mary Mildred Craig, daughter of Mr. and Mrs. J. R. Craig of this city was today united in marriage to Leslie Grant Mowat, Rev. H. Beames officiating. The bride, who was given away by her father, wore a white crepe de chene gown beautifully beaded, and a tulle wedding veil, the headdress being ornamented with pearls and the end of the train weighted down with heavy silver roses. Her shower bouquet was of large pink roses, tied together with white streamers. Her bridesmaids, Miss Vera Craig, sister to the bride, and Miss Gladys Jagger of New Westminster, looked very smart in orange and apple green gowns respectively, with large black picture hats, carrying bouquets of pink and rose carnations. Ralph Garland attended the groom.

After the ceremony a wedding breakfast was held at the home of the bride's parents, the happy couple then leaving by motor for Spokane, Seattle and Vancouver. Mr. and Mrs. Mowat will return to make their home on Spokane street.

* * *

J. Fingland returned yesterday from Spokane. He was accompanied by Mr. and Mrs. J. J. Fingland and Miss Dorothy Fingland who have returned from a holiday spent in California and other southern states.

* * *

Mr. and Mrs. C. Cave-Brown-Cave of Vancouver motored in from Kaslo where Mr. Cave-Brown-Cave will be a business visitor for a few days. He was one time manager of the Bank of Montreal of this city.

* * *

Mr. and Mrs. A. E. Jeffery motored to Spokane for a short holiday yesterday.

* * *

Mrs. E. Singer of Rossland was a visitor in the city yesterday.

* * *

Father J. C. McKenzie of Nelson is visiting in the city for a few days. He will assist in the mission services beng given the week at St. Francis Xavier church.

* * *

Miss Edith Thompson, student at the business college in Nelson arrived home Tuesday night to attend the wedding of Miss Mildred Craig.

University Student Exodus to States Is Not So High

WINNIPEG, Sept. 14.—The exodus of Canadian university graduates to the United States is not as serious as it is held to be in some quarters, according to Sir Robert A. Falconer president of the University of Toronto, who arrived here today.

"I went into the matter quite carefully at one time," Sir Robert said, "and I found that according to figures I got from various universities in Canada, the emigration of graduates did not exceed 10 per cent."

Sir Robert added that this exodus "is not such a terrible thing as some people imagine; it supplies an outlet for our graduates." He further remarked that no one would want a university degree if they did not intend to use it.

FEW PROPERTIES IN TRAIL WILL SELL FOR TAXES

Six or Eight Parcels Only Liable for Auction Because Taxes Not Paid

TRAIL, B.C., Sept. 14.—Indicative of the prosperity of Trail property owners and the value they attach to Trail real estate is the fact that only a few, six or eight, are tax delinquent, and liable to have the holdings put up at auction at the annual city tax sale, which is to be held on the statutory date, September 30.

It is probably also that only one or two parcels now liable to sale, will be actually put up. Most of the delinquents, it is thought, will anticipate the sale by paying their taxes prior thereto.

There is one piece of property, however, on Cedar avenue, now grown highly valuable due to the extension of the business section, which presumably will be permitted to go to auction. It consists of two lots and frame buildings. It is owned by Trail Smelter and Mill-Workers' union, which, though its members may individually be prosperous, is not flourishing itself. The union is not defunct, but it is probably the most inactive organization in Trail. It may be "broke," but it has some valuable assets, in its real estate that is yearly growing more valuable.

TRIMMER KILLED.

VANCOUVER, Sept. 14.—Robert Stewart, 64, grain trimmer, was killed when he stepped in front of a train on the waterfront today.

There's a Canadian Unity

Sir Robert Falconer, president of the University of Toronto, told Vancouver last week that there could be no question that Canada now had a marked identity of her own among the nations, that there were pronounced Canadian characteristics, which were to be found through the length and breadth of the country, and that Canadian unity was not a myth but a clear fact.

He discerned a unity of feeling and characteristics in Canada that he was utterly unable to find across the line.

Every thinking individual will admit the accuracy of Sir Robert's observations.

There is a national sentiment in Canada that only the wilfully blind can fail to discover. There is an ambition for Canada that is cherished with equal intensity in every province. There is a common property interest in Canadian tradition, glorious though not ancient. There is a common bond in the sacrifice of the war. There is a common love of the British relationship. There are common tastes, common standards of life, common ideals. There is a common belief in the loftiness of the country's national ideal, and a common belief in the integrity of the Canadian character. Equally shared by all is the belief in the vastness and value of the country's resources, and the belief in the future of the Canadian nation.

The beliefs of different provinces that they have especial destinies in the Canadian Dominion, that they have especial heritages of culture or of character, that their own resources are the most astounding and the most essential, are only natural, and are in no sense sectional. Who has no self-respect is a poor partner in an enterprise that calls for all associates to put forth their best.

There is a Canadian unity, and no one who stops to reflect can fail to discern it—an underlying phase, an all-permeating phase, in the web of Canadian life.

Trail Getting a Nurses Home

Provision of a two-story nurses home in Trail, the last word in such institutions, in association with the Trail-Tadanac hospital is the latest beneficence of the Consolidated Mining & Smelting Company of Canada, which also constructed and equipped the splendid hospital, and handed it over for the benefit of the general community of Trail and Tadanac.

This subsidiary institution, made necessary by the demands on space within the hospital building itself, is another testimony to the growth of Trail, advancing in association with and in consequence of the expansion of the ore reduction plant at Tadanac.

Borah Boom Not Likely to Get Far

With President Coolidge definitely self-estopped from being a candidate for the next Republican nomination, the field now looks inviting to all Republican aspirants, and, determining on an early start, the Republican state chairman for Idaho is appealing to his county chairmen to organize to secure Senator William E. Borah's nomination for the high office.

Once Borah was a great and esteemed national figure, and it used to be commented that it was only because he came from a state with only five electoral votes——three for its congress seats and two for its senate seats—that the party would not deem him available.

Time was when Borah was considered one of the hopes of the Republican party, progressive in the sense that Roosevelt was progressive, a man with a national outlook.

He received scattering votes in Republican national conventions.

But the war and its aftermath finished Borah. He adopted a course throughout the war differing from that that commended itself to the majority of his countrymen.

After the war he was an irreconcilable.

Today, in spite of his commanding position in the senate by reason of ability and seniority, he is at outs with influential sections of his party, makes his own Republican policies, and distrusts almost everybody. A natural consequence of this is that his distrust is fully returned.

Considering the last 15 years, it is impossible to imagine the Republican party issuing a call for Borah.

"We can't afford a car," said a friend to me, "My husband and I would think it a reasonable expense if we could see how it would ever save us any money—but a car makes the money go out, not come in."

Whereupon she and I had a most enjoyable little argument! She is a woman who loves to play "lady bountiful." For instance, she knows several elderly ladies living in an old ladies' home, to whom she loves to take such delicacies as candy, flowers, or new novels. Now, we all know that people without automobiles enjoy having a ride, now this "lady bountiful" offer the elderly ladies a drive in her car, in place of the more expensive candy, books or flowers which she is constantly buying for them? I am sure that a drive in a car would be even more appreciated than the other attentions—and the small amount of gasoline used in such a drive would cost far less than gifts.

Still another practice in which my friend indulges, is that of taking her children to expensive little tea rooms and candy "kitchens" for frozen dainties in summer. Why not, in place of these expensive outings, offer the children a picnic? All children love a sandwich supper or lunch in the woods. With a car, my friend could even reach a lake in which the children could swim or paddle—thereby increasing the enjoyment of the out-of-doors meal.

In summer my friend spends a two weeks' vacation at a seashore resort, boarding. We can imagine the cost of such a holiday. But families who own cars seem to get round this annual expense by touring in their auto and camping by the roadside, or stopping nights at the many small inns or at farmhouses offering tourist accommodations

Before we condemn a thing which the majority of people in the country are doing, let us stop and ask ourselves why so many people are doing that thing? If a car were a luxury only, there would not be so many of them sold. No, a family car is practically a necessity today. I do not mean, by this, that I believe in mortgaging the home to buy a car But I do believe that a car represents many small economies which, when added together, are considerable. (I don't know how I ever managed to live before I bought my car!)

Tomorrow—Time-Tested Mincemeats.

That Body of Yours

By JAMES W. BARTON, M.D.

Poor People Have Less Liver Trouble

Being poor sometimes has its advantages if we stop to consider the figures of the occurrence of gall stones as found in wealthy and in poor individuals.

In making examinotions it was found that in the poor districts of London, the number of cases of gall stones discovered after death, was about three in every hundred, whereas middle class districts it ran about 15 to 25 per hundred, and in the wealthy districts even higher.

And yet gall stones are found frequently in tramps.

I belive that you can see at once that there are the two underlying causes of gall stones, that is the eating of a great quantity of rich food, and lack of active work or exercise.

That eating is a big factor was proven during the war when it was found that in one Russian hospital the number of cases of gall stones was five times less in 1919 than in 1914.

That exercise is a great preventive was proven by the fact that the number of patients under 40 years of age before the war was 26 per cent, whereas after the war there was but 11 per cent, which suggests that those who were active during the war did not readily form stones, and fits in with the fact that gall stones are rare in soldiers.

Stones are more frequently found in indoor workers, and are rare in outdoor laborers; they occur in pet dogs, but are absent in wild animals.

An the serious thing about this is that while only a small percentage need operations you can see at once that those that do, coming from the inactive and usually well fed class, do not make good subjects for operation. They are usually soft and often very much overweight. So whether we are rich or poor, are indoor or outdoor workers, our chances of avoiding gall stones are greatly increased by a moderate diet, and regular outdoor exercise.

Further should it be necessary to undergo an operation for gall stones our chances for a successful operation are likewise greatly increased, if we have kept our bodies in good condition.

Remember then that gall stones are common, but it is the neglected exercise that often means operation.

Twenty Years Ago

(The Daily News, Sept. 15. 1907.)

Mrs. John Moe and family have taken up their residence in this city at 716 Carbonate street.

* * *

Mr. and Mrs. F. H. Hillam of Cranbrook are the guests of Mrs. Hillman's parents, Mr. and Mrs. A. Larson, Mill street.

* * *

R. S. Lennie has received word from New Westminster that his mother is dangerously ill, and will leave for Westminster immediately.

HEADS ASSOCIATION.

WINNIPEG, Sept. 14.—Dr. Harry Lewis, Augusville, was elected president of the Manitoba Medical association, at the closing session of the association here.

PERRY'S NOTES

PERRYS, B.C., Sept. 14.—Mrs. John Avis returned from Vancouver last week, where she has been spending a holiday. She was accompanied by her son, Harold, also by her daughter, Mrs. Bert Whyte, who is spending a few weeks here visiting her parents.

Miss Ethel Graham, who graduated from Kootenay General hospital a few days ago, is home with her parents for a while.

Mr. and Mrs. William King of Lethbridge, who have been spending a few days at the Main ranch, left for Revelstoke, Banff and other points before returning home.

Milton Patterson left on Friday last for a visit to Vancouver and the Fraser valley by motor and was accompanied by Mrs. J. Scovil, Mr. Patterson Sr., and Mr. Schonberg.

Miss Battison arrived on Monday, September 5, from Victoria to take up the position of teacher.

J. Nixon returned from the coast last week, and left for Trail, where he is working.

The trustees have postponed the opening of the school for a time, in view of the prevailing epidemic.

The union church here held a picnic on the grounds of S. Bentley on Labor day, but, owing to the epidemic, was not as well as expected. A good time was, however, enjoyed.

G. F. Wood is building an extensive addition to his poultry ranch in the shape of new laying houses.

Quite a number of cars of cordwood, posts, etc., have been shipped out during the last few days.

BONNINGTON NOTES

BONNINGTON FALLS, B.C., Sept. 13.—Miss Laura Willey was a charming hostess on Thursday evening at a bridge party and dance at the home of her parents, Mr. and Mrs. A. Willey. A delightfully arranged buffet supper was served, Mrs. W. W. Bell and Mrs. Willey pouring coffee, the bachelor guests serving. The invited guests were Miss Mildred Irvine of Nelson, Miss Yvette Bourgeois of Crescent Valley, Miss Myra Humphry, Miss Nancy Lee, Miss Marjorie Russel, Miss Kathleen Edwards, Miss Ruth Montgomery of Vancouver, Miss Florence Hanna, Miss K. Muir of Nelson, Miss Doris Lee, Miss Violet McGregor, Miss Florence Hufty of Brilliant, Miss Ellen Robinson of Belford, Mr. and Mrs. Alec McDonald, Mr. and Mrs. George Helbecque, Mr. and Mrs. E. J. McGregor, Mr. and Mrs. W. W. Bell, Mr. and Mrs. J. McGowan, Mr. and Mrs. A. B. Boyer, Wilfred Lee, Jack Cavell, Gordon Bennett, R. Germain, Elmer Spear, Alec Bell, Tom Sturgess, Arthur Lambert, Harry McDougall, W. Gammell, O. Everell, Gerald Lee, Jack Gray, John Jerome, Jack Gilker.

Ten Years Ago

(The Daily News, Sept. 15, 1917.)

A. L. Purdy has left for a two weeks' visit to Vancouver.

* * *

Mr. and Mrs. L. Corrireau has left for a visit to Montreal.

* * *

Mrs. G. L. Wharton, who has been visiting her sister, Mrs. Nellie Dowding, Vancouver, has returned to her home here.

* * *

Mrs. L. W. Ashton left yesterday morning for her home in Moose Jaw, after spending a couple of months with her father, W. J. Sheppard.

QUEENS BAY NOTES

QUEENS BAY, B.C., Sept. 14. — A delightful dance was held in the assembly hall at Queens Bay on the evening of Thursday, interspersed by cabaret numbers put on by Misses Joyce and Phyllis Hurst, which were very much enjoyed. An acrobat dance by Evelyn was heartily applauded. There was a good number of dancers present, a launch coming from Harrop. Good music was supplied by J. Hurst and Harry Symonds. Good and ample refreshments were served, and dancing kept up to the early hours of the morning.

Mr. and Mrs. J. Hurst and their daughters, Joyce and Phyllis, and another dancer, Evelyn, have been staying a few days with Mrs. G. F. Attree, motoring from Vancouver. They left for their home on Friday morning by car.

Baby's Food is all-important

If you cannot nurse baby use Eagle Brand, which has raised more healthy bottle-fed babies than all other forms of infant foods combined. It is absolutely pure, uniform in quality and strength, easily digested and has been endorsed by doctors since 1857. Write for feeding chart and Baby Welfare Book, containing information every mother should have. Both are free. Address The Borden Co. Limited Vancouver

JOHN BURNS & SON

Women's New Way of Gaining True Hygienic Protection

By ELLEN J. BUCKLAND Registered Nurse

BECAUSE women feared them, and because they presented endless opportunity for embarrassment, old-time sanitary "pads" had to go. Now one goes about for hours, wears sheerest frocks and gowns under the most severe hygienic difficulty without a moment's fear.

Kotex is a new-found scientific protection that virtually 8 in 10 better-class women now employ.

Filled with Cellucotton wadding, science's remarkable, new super-absorbent, it is 5 times as absorbent as ordinary cotton pads. *Also, it deodorizes while it acts. AND—you discard it easily as tissue; no laundry, no embarrassment!*

Obtain at stores; 12 in box. If box is not marked "Kotex," don't accept it—it is not genuine Kotex.

KOTEX No laundry—discard like tissue

ROOFING

Don't put off till the cold weather comes before looking up your requirements in roofing. Do it now.

We stock Nelson and Kootenay brand roofing in 1, 2 and 3-ply, and Green and Red Slate Surface roofing.

(Quality Material for a Good Job.)

Building and Tar Paper, Anchor Sheeting, Insulating Paper, Roofing Felt, Green and Red Twin Shingles, Blue Plaster Board, Carpet Felt in 12, 16 and 24-oz, Plastigum in 1, 5, 10 and 50-lb Tins, Plastic Roof Paint.

Hundreds of Furnaces are Installed

Blind Folded

Scientists have made two vital discoveries regarding domestic heating. The first is that practically all inefficient heating systems are the result of improper installations. The second—that Warm Air, scientifically installed, is healthier and more economical than any other system.

As a result of these discoveries, heating engineers have prepared a Standard Code for installing Warm Air systems which guarantees efficiency and winter comfort such as has never before been attained. Today no home owner need install his heating system "blindfolded". McClary's Sunshine Furnace is now installed according to Standard Code—assuring a job infinitely more efficient, healthful and money-saving than any yet discovered.

WARM AIR MOIST AIR HEAT FRESH AIR CODE INSTALLED

McClary's are the only Canadian members of the National Warm Air Heating and Ventilating Association—an association which has adopted a scientific code for installing warm air furnaces. By insisting on a McClary's "Code Installed" Sunshine Furnace you are guaranteed a heating system which costs less to buy and less to maintain than more elaborate systems—yet provides 70 degrees of heat in every room.

Ventiblast

McClary's Ventiblast is an exclusive feature of McClary's Sunshine Furnace which burns soft coal equally as well as hard coal, coke or wood. It mixes pre-heated air with soft coal gases and converts them into flame—thus eliminating soot, waste and dust.

Fill in and mail attached coupon, and we will send you name and address of the nearest McClary's dealer who will guarantee a "Code Installed" heating system which will give lifetime satisfaction.

SLOCAN CHURCH IS DEDICATED

New Presbyterian Church and Organ Dedicated by Moderator

SLOCAN CITY, B.C., Sept. 14. — At a special dedicatory service on Tuesday evening the new Presbyterian church, which will be known as St. Andrew's Presbyterian church, and the organ, which has been installed by the ladies' aid to the memory of the late Mrs. P. Swan, were dedicated by Rev. Dr. W. L. Clay, moderator of the Presbyterian Church in Canada, assisted by Rev. Dr. R. J. Douglas, superintendent of missions in British Columbia. Special music was rendered by the choir. At the close of the impressive service refreshments were served, for which the ladies' aid of the church were responsible.

While in town Dr. Clay was the guest of Mrs. A. M. Rogers. Dr. Douglas and J. B. Gray of Nelson were the guests of Mayor Swan.

Hospital Aid at Kaslo Passes Notes of Regrets

KASLO, B.C., Sept. 14.—The ladies' hospital aid met in the city hall Monday afternoon. The returns from the annual free will offering were incomplete, but a substantial sum has already been received. In the absence, through illness, of the secretary, Mrs. D. J. Barclay, Miss Mabel Hamilton was appointed to act as secretary until Mrs. Barclay is able to resume her duties. A letter of sympathy to Mrs. H. S. Davys, whose father has recently passed away, was moved, also a letter to Mrs. Barclay regretting her enforced absence coupled with a wish for her speedy recovery and return were ordered written. Mrs. Scott Thornburg resigned as junior buyer, and Mrs. W. E. Zwickey appointed to fill the vacancy for the balance of the year.

MRS. GRANT IS LAID AT REST

Funeral Services Are Held From United Church in Slocan City

SLOCAN CITY, B.C., Sept. 14.—The funeral of the late Mrs. Stephen Grant took place Monday at 2 p.m. from the United church, the Rev. John Rogers conducting the services. Many floral offerings were in evidence, showing the esteem in which she had been held by her many friends. The pallbearers were P. Maguire, Alex Ewing, R. J. Johnson, T. McNeish, Harold Russell and Howard Parker. Floral offerings: Wreaths from Ladies' Orange Benevolent association, Presbyterian Ladies' aid, crew of steamer Slocan, Floral Rebekah lodge No. 15, husband and family, Margaret, Joe and children, Florence, Perley, and Alden, George McLennan ;sprays from Mr. and Mrs. R. L. Reynolds and family, Mr. and Mrs. A. S. Morley, Mr. and Mrs. T. Mosher and family, George McLennan, Mr and Mrs. F. Norris, Aleen, Velma, Edward and Stanley Clough, Mr. and Mrs. William Clough, Mr. and Mrs. H. Sherwood and family, Mrs. T. Russell and family, Mr. and Mrs. H. Parker, Mr. and Mrs. J. M. Rae, Mr. and Mrs. F M Hufty, Mrs A. Campbell, Mr. and Mrs. M. Cameron, Mrs. M. Binish, Mr. and Mrs. D. B. O'Neail and Bertrand, Mr. and Mrs. R. J. Johnson, Mr. and Mrs. J. Cecchini and family, Mr. and Mrs. J. D. Reid, Mr. and Mrs. R. W. Storey, Mr. and Mrs. W. E. Graham and Mrs. J. L. Meikle; crosses from Mr. and Mrs. H. Nye and family, Mr. and Mrs. Jeffery Boisvert, Mr. and Mrs. John Baillargeon and family and Mr. and Mrs. R. E. MacMillan.

Beside her husband Mrs. Grant leaves 11 children to mourn the loss of a loving wife and mother: Mrs. Joseph Terry of Slocan City, Mrs. P. Knight of Calgary, Mrs. W. H. Graham of Courtenay, B.C., James, Susan and Irene at home. Mr. and Mrs. Grant and family came here from Scotland some seven years ago.

Boswell Growers Excavate in Order to Get More Space

BOSWELL, B.C., Sept. 14.—The Boswell fruit growers are busy excavating the basement at one end of the packing shed in order to provide additional storage space, whilst at the other end in the basement a paper storage room has been made, adjoining the engine room.

INVERMERE NOTES

INVERMERE, B.C., Sept. 14.—Victor Ackroyd, Canadian Pacific railway tie inspector from Vancouver, has after several months' stay here, been transferred to the west.

Mr. Palfrey, in charge of the estate of General Hornby, had to be taken hurriedly to Cranbrook on Saturday to have an operation performed in the St. Eugene hospital.

Their Happiness brings good digestion

Children hail with glee the meal that starts with Puffed Rice. They love the nutlike flavour and the crunchy crispness. They "chew their food" when Puffed Rice is served.

Their very happiness aids digestion. The stomach greets Puffed Rice because Puffed Rice pleases the palate. More abundant nourishment is taken from other food eaten at the same time.

Good at any meal * * * or in between meals * * * after school, for instance, or before going to bed.

Serve with whole milk or cream. Then children won't need coaxing to take the amount of milk food they should have every day.

Puffed Wheat, too

Quaker Puffed Wheat is another cereal delight—grains of wheat exploded like the rice. Most mothers get a package each of the wheat and the rice, and thus supply variety to all the family.

Quaker PUFFED RICE

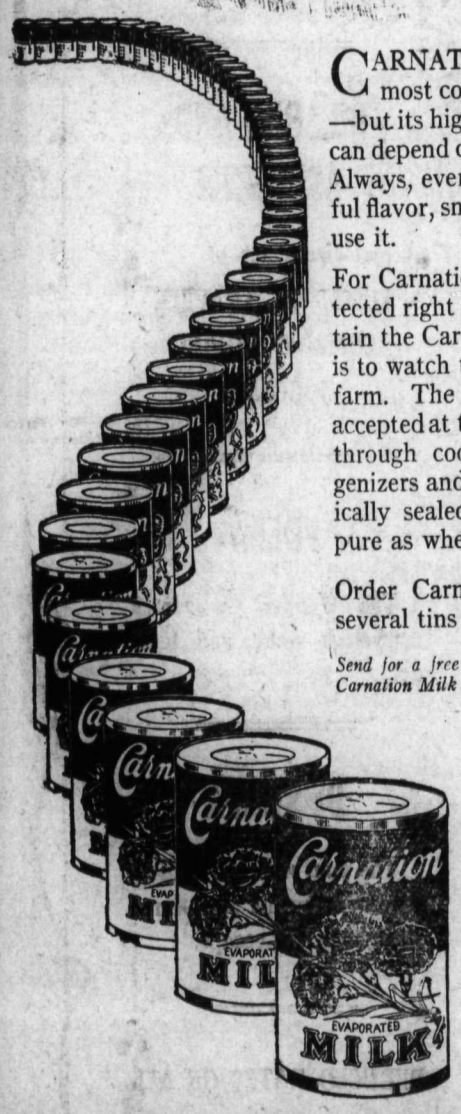
The Quality of
MALKIN'S BEST TEA

MALKIN'S BEST

--is superior-especially in flavor & fragrance

THE LABEL IS RED AND WHITE

Its Goodness NEVER Varies



CARNATION MILK is not only the finest, most completely useful milk you can buy —but its high quality is always the same. You can depend on it day after day, year after year. Always, every time, it adds the same wonderful flavor, smoothness, richness, whenever you use it.

For Carnation quality and uniformity is protected right from the source to you. We maintain the Carnation Field Force whose sole job is to watch the production of the milk on the farm. The freshest, richest milk only is accepted at the condenseries—whisked rapidly through cooling rooms, evaporators, homogenizers and into the tins, there to be hermetically sealed for delivery to you, fresh and pure as when it left the condensery.

Order Carnation Milk from your grocer—several tins or a case of 48 tins.

Send for a free copy of Mary Blake's Cook Book. Address Carnation Milk Products Company, Limited, Aylmer, Ontario.

CARNATION PUMPKIN PIE.—One and one-quarter cups steamed pumpkin, ⅞ cup brown sugar, 1 teaspoon cinnamon, 1 teaspoon ginger, ¼ teaspoon nutmeg, ⅛ teaspoon allspice, 1 tablespoon molasses, 2 tablespoons orange juice, ½ teaspoon salt, 2 eggs, 1 cup Carnation Milk, ¼ cup water. Mix materials in order given and pour into unbaked pastry shell. Place in 450°F. oven to set crust; after 10 minutes reduce temperature to 250°F. This is necessary to produce a proper consistency in a filling composed principally of milk and eggs. Bake about one hour.

It looks creamy It tastes creamy It is creamy

OHNSTON PUTS JACK WRIGHT OUT OF PLAY

OUR HORSEMEN' 'HOLD POLO CUPS

ltishers Fight Back Strong to Regain the Historical Trophy

WESTBURY, N. Y., Sept. 14.—e United States "Big Four" again gned supreme in the world of polo, t only after the most spirited chalge they have ever had.

In a close and fiercely fought bat- this afternoon on the green turf the Meadowbrook club, the United ates four horsemen checked Great itain's thrilling comeback to win e second and deciding match of e international cup series by a ore of 8 to 5.

The margin of triumph was gained the first period when the brilliant oung United States forward, Tommy itchcock, scored three sensational als in succession but it took all of e defensive skill of the Yanks to old the margin against the spirited ttack of the reorganized British eam.

Throughout the last seven periods he Britons, immeasurably strengthned by the addition of the hardiding Captains, George and Dening, the forward line, fought the mericans to a standstill in a battle hat contrasted sharply with their out in the opening game last Satrday.

A colorful crowd estimated at 25,000 cheering Britain's uphill stand, saw the greater experienced teamwork of the Americans decide the ssue. It gave the United States ossession of the historic cup for the hird straight time and the sixth time in nine contests for it since 1886.

TYLER HEADS INDOOR MEET ORGANIZATION

Sparkes Succeeds McArthur as Vice-President on Latter's Retirement

CLUBS TO APPOINT THEIR OWN COACHES

High School Students Barred Open Events Except When Arranged

At the annual meeting of the Nelson Indoor Track and Field association last night, G. E. Sparks, principal of Hume school, was elected vice-president, by acclamation, to fill the place vacated by H. McArthur, principal of Central school, who has resigned. President C. W. Tyler, Secretary J. S. Donaldson and Treasurer H. Mackenzie were re-elected by acclamation.

A resolution passed will allow high school students to enter open events only when the school and open events are run off simultaneously. This will exclude high school students from entering the open sprints at the track meet on Friday, October 14.

Organizations making entries in the meet this year will be allowed to appoint their own coaches, who will be under the authority of the executive of the association.

Executive to Use Discipline

The executive was given the authority to deal with any complaints of the conduct of entrants in the meet, the authority permitting the executive to exclude the entrant from the meet if they should see fit.

A vote of thanks was passed to the executive in appreciation of the athletic and financial success of the meet last fall. The books showed a balance of $204.

Nelson high school last year won more points than all the other schools. Trail, Rossland, Cranbrook and Kaslo, put together. Nelson won 67 points, while the total of all the others only amounted to 52.

GELINAS SETS BOWLING MARKS

New Season's High Marks 242 and 214; Establishes High Average Over 200

Al Gelinas hung up two new season's records for Nelson bowlers to break, when he made scores of 242 and 214, the highest for the season to date, yesterday. Mr. Gelinas' low score of 214 beat the season's previous highest, established by Bob Maber, of 213.

The new high mark holder set another high mark for the season when he averaged over 200 in three games.

The score of 242 was gained on six strikes, one spare, one split, two strikes, and a final spare.

In making his 214 score, he made five strikes, four of them in a row, and four spares.

OLD COUNTRY FOOTBALL RESULTS

LONDON, Sept. 14.—Today's football results:

English League first division:
Everton, 2; Bolton, 2.
Newcastle, 4; Derby City, 3.
Second division:
Reading, 2; Grimsby, 2.
Third division southern:
Brighton, 1; Newport, 4.
Bristol Rovers, 1; Brentford, 3.
Northern section:
Wrexham, 3; Hartlepool, 2.

American Hockey Association Comes Into Fold Again

MONTREAL, Sept. 14.—It was learned here today that the American hockey association, a mid-western minor group, outlawed last season by the National hockey league, the major circuit, will be brought back into the fold of minor leagues recognized by the N. H. L. Finals details will be attended to at the annual meeting of the National league which is slated for Chicago Sept. 24.

AMERICAN ASSOCIATION

Toledo, 2; Columbus, 3.
Milwaukee, 10; St. Paul, 4.
Kansas City, 5; Minneapolis, 13.
Indianapolis - Louisville, played double header Sunday, Sept. 18.

JURORS ON A JOB.

SENECA FALLS, N. Y., Sept. 14.—After 20 years on the bench, Judge Henry A. Fuller thus summarized the duties of jurors in a charge to the present grand jury: "Thou shalt not investigate, nor criticize, nor give advice. Congress does enough of that. Thou art on a job, not a junket."

Pine cones are being shipped from Dexterville, Wis., to European countries for reforestation.

YANKS VICTORS AGAIN; GEHRIG RUTH SINGLE

Senators Make Three Straight Over Tigers; Athletics and Sox Win

NEW YORK, Sept. 14.—Washington made it three straight from the Detroit Tigers by taking today's game 3 to 2.

At Philadelphia, the Athletics rallied in the ninth inning of their game with Chicago and won out in the eleventh inning 5 to 4.

Boston punched on Stewart for three runs in the first inning and never was headed afterwards, taking the third straight game of the current series from St. Louis by 9 to 6.

The Yanks made it three in a row over Cleveland by winning today's tussle 4 to 1. Southpaw Ruether hanging up his 13th triumph of the year. Ruth and Gehrig were stopped with a single apiece in three times at bat.

SCANLAN, M'VICAR WIN AT BOWLING

Defeat Goulding and McLean in Finals of Two-Man Tourney

A. Scanlan and E. A. McVicar emerged victorious in the two-man team knockout bowling tourney at the Semaphore last night, defeating J. S. Goulding and MacLean in the finals.

The detailed result of the tournament was as follows: H. S. Watson and A. Choquette defeated N. Cassios and F. Hamson; J. S. Goulding and H. N. McLean defeated R. Maber and R. Whitehead; A. Scanlan and E. A. McVicar defeated L. McKinnon and W. Kelfedder.

Scanlan and McVicar drew a bye and had only to play Goulding and McLean, who beat Watson and Choquette.

H. S. Watson attained the high score of 218.

Lack of Color Keeps Down Tunney's Fame

By AL DEMAREE
(Former Pitcher New York Giants)

Because of lack of color, Gene Tunney is the most under-rated champion of the modern prize ring. Tunney is to Dempsey what Gehrig is to Ruth. Gehrig is knocking out as many home runs as Ruth but he is creating no great stir about it because he lacks color.

Gene Tunney has a remarkable defence. I have heard smart critics of the game say that "a man deserves a 4-carat diamond and a gold watch who can hit him in the stomach." He has a scientific system of protecting his midsection with his elbows and gloves, and he has as many motions with his stomach to avoid blows as Gilda Gray.

Dempsey probably plans to hammer Tunney's body the same way he did Sharkey, but it seems likely that he will be able to land many blows through Tunney's practiced defence. At in-fighting Tunney probably is better than Jack, for in the Philadelphia bout, Gene burned Dempsey's stomach red ripping him with upward cuts of the thumbs of his gloves.

GODFREY DEFEATS MUNN, NEW YORK

NEW YORK, Sept. 14—George Godfrey, Philadelphia, heavyweight, won his scheduled 12-round bout with Monte Munn, former Nebraska legislator in two minutes and 20 seconds in the fourth round tonight at Ebbets Field, Brooklyn.

Injuries sustained while diving in Des Plaines, Ill., caused the death of Arthur Wells, aged 22.

Dubs vs. Duffers Golf Is Postponed a Week; Rain Is Cause

Dubs versus Duffers, the Nelson Golf and Country club's tournament for a prize supper, was yesterday postponed to next Wednesday, the rain making play impossible.

PIRATES LEAD INCREASED TO FOUR CONTESTS

Beat Braves Twice; Giants and Cards Divide Two Games

NEW YORK, Sept. 14.—The Pittsburgh Pirates' lead in the National league was advanced to four games today when they bagged both ends of a double header from Boston on their home field, 6 to 2 and 3 to 0. The Braves now have lost 10 straight and the Pirates won seven straight.

Neither the New York Giants nor the St. Louis Cards, in second place, made any headway as they divided a double header, the Cards winning the first 6 to 3 in 10 innings and the Giants the second 9 to 3 at St. Louis.

Chicago fell six and a half games behind the Pirates when they were trounced by Brooklyn at Chicago 10 to 6.

The Cincinnati Reds gave Philadelphia a ninth inning surprise party with a rally that netted four runs and turned a six to three defeat into a 7 to 6 victory. It made eight straight wins for Cincinnati.

Hafey was the hero of the first St. Louis-New York contest by getting a homer with two on base off Relief Pitcher Henry for the triumph.

TUNNEY BACK AT HIS CAMP

Champ Has Three Stiff Workouts Before Date of Big Battle

TUNNEY CAMP, LAKEVILLA, Ills., Sept. 14.—Gene Tunney was back at his training camp tonight after a three-day vacation with friends in Lake Forest, 30 miles away. Tomorrow the heavyweight champion will box in the first of three final workouts which Gene believes will round him into perfect shape for the title bout with Jack Dempsey at Soldiers' Field, Sept. 22.

Refreshed and relaxed by the rest, Tunney returned to the Cedar Crest country club late this afternoon. He grabbed a book as soon as he had changed his clothes and wandered out on the lawn to read until dinner.

NEWSPAPER MEN FAIL CRASH GATE

Dempsey Trains in Secret and at Night; Correspondents Protest

CHICAGO, Sept. 14.—Newspaper correspondents, foiled in the attempt to crash the gate and watch Jack Dempsey in his moonlight manoeuvres, held an indignation meeting with Promoter Tex Rickard today, protesting because Dempsey had refused to train in their presence and had elected to do his training at night, instead of the afternoon.

Rickard refused to intercede for the correspondents. He declared that it would be suicide, in a pugilistic sense, for Dempsey to train in the afternoon in the terrific heat now prevailing.

Waiting for darkness to fall and send him back to his night preparations for his attempted comeback, Dempsey took the afternoon off and attended the races at Washington park.

CANADIAN GOES DOWN IN THREE STRAIGHT SETS

Hennessy, Indianapolis, Springs Victory Over Cochet of France

TILDEN QUALIFIES TO MEET BOROTRA

Lacoste Defeats Harada, Japan; Alonzo of Spain Wins

FOREST HILLS, N.Y., Sept. 14.—John Hennessy of Indianapolis rose to the heights of tennis greatness today, to score a sensational victory over Henri Cochet of France, in the third round of the United States men's singles tennis championship. He won on sheer grit and staying power in a furious five-set match, 6-4, 6-4, 4-6, 3-6, 6-1.

Jack Wright of Montreal Canada's lone survivor at the end of the second round, was eliminated in the third round by "Little Bill" Johnston of California in straight sets, 6-4, 6-4, 6-4. Johnston, improving steadily with practice, forehanded the Canadian Davis cup player into submission.

As a result of the upset, Hennessy will meet Francis T. Hunter in the quarter finals. Hunter today entered the bracket in easy fashion by downing Jean Washer, Belgian champion, 7-5, 6-3, 6-3.

Tilden, however, will clash again with a member of the French Davis cup team. The lanky Philadelphian, victorious today over Elmer Griffin of New York, 4-6, 6-1, 11-9, 6-0, will take Jean Borotra. The bounding Basque won at 2-6, 4-6, 6-3, 6-1, 6-3, over Jerry Lang, ex-Columbia university star.

Johnston's quarter-final opponent will be either Brugnon of France or Arnold Jones of Providence, R.I.

Rene Lacoste, the French defending titleholder, scored his third straight victory in the tournament by beating Harada of Japan, 6-3, 6-4, 6-3.

Stiffer opposition is scheduled for Lacoste tomorrow in Manuelo Alonzo. The little Spaniard from Philadelphia needed all his cunning to win his third round match from John Van Ryn, promising Princeton star, at 5-7, 3-6, 6-1, 6-4, 6-0.

Decoration Ceremony, Car Accident Are Had New Denver

NEW DENVER, B.C., Sept. 14. — On Sunday the Knights of Pythias held their annual memorial service, but owing to the inclemency of the weather and general unfavorable conditions the attendance was not as good as in past years. The service in the hall was not held, but the usual ceremonies were carried out at the cemetery.

On Monday evening W. J. Coulter, while driving a car along the Silverton road, skidded and went over the bank, near Union Bay. Although the car turned completely over, going down about 15 feet, no one was injured and no serious damage was done to the car.

Mrs. Hayes of Nakusp and G. Sanderson of Boston, N.Y., are guests at the home of Mr. and Mrs. J. Hewitt.

The high school building has been reshingled, the roof pointed, and parts of the foundation fixed, the work being undertaken by L. W. Sells. New blackboards have also been installed.

SLOCAN CITY NOTES

SLOCAN CITY, B.C., Sept. 14.—Miss Florence Pagden of the government office staff, Revelstoke, and Miss H. Jones of the Revelstoke post office staff, are in town, guests of Mayor Swan.

Miss Alice M. Curtis left a few days ago to attend normal school in Victoria.

Mr. and Mrs. H. S. Nelson, Mrs. W. George and C. F. Nelson of New Denver attended the dedication service in St. Andrews Presbyterian church on Tuesday evening. While in town Mrs. Nelson and Mrs. George were the guests of Mrs. J. Law.

Mr. and Mrs. H. D. Hall of Seattle arrived a few days ago by car to visit with relatives for a few weeks.

Mayor P. Swan went to Nelson on Wednesday morning to attend the meeting of the presbytery of the Kootenays, of the Presbyterian church.

KIMBERLEY NOTES

KIMBERLEY, B.C., Sept. 14. — The Kimberley order B. P. O. E. held their regular meeting and initiation on Monday evening in the Odd Fellows' hall. After the business session a musical program was greatly enjoyed, with the Kimberley Symphonic band in attendance. Artists for the evening were Miss Gardner, Mrs. Brault, A. Fergiss, F. Webber and W. Derbyshire. Delicious refreshments were served.

R. S. Buckman has returned to Kimberley after a pleasant holiday spent at the coast. Mrs. Buckman and children will remain there for the winter.

The Misses Axia and Emma Pearson of Spokane, who have been visiting relatives in Kimberley and Wyndermere, left Monday for their home. They were accompanied by Miss Thelma Pearson, who intends to remain there for the winter.

John McKay of the Consolidated Mining & Smelting company's assay staff at Kimberley left Wednesday for the coast, where he will be associated with M. O'Brien, superintendent of the company's properties there.

WEST KOOTENAY CENTRAL FARMERS' INSTITUTE
SEMI-ANNUAL MEETING, CITY HALL, THURSDAY SEPT. 22, AT 10:30 A.M.
Business, general. Resolutions will be received by the Advisory Board member. All farmers are invited to attend.
K. WALLACE, Secretary.

NEAR ASSASSIN KILLED, ITALY

Shot at Fascisti Officers Wounding Two; Killed by Return Fire

RAVENA, Italy, Sept. 14.—When he attempted to assassinate an officer of the Fascisti militia, a communist, Leopold Missiroli was shot and killed today.

From behind a column at the arcades, which surround the principal square of the city, he fired upon a group of officers, and seriously wounded Ettore Mury, commander of the 81st legion. He then tried to escape but was overtaken by Renzo Morigi, secretary of the Ravenna Fascisti. He fired again, and Morigi fell, wounded in the leg. Although bleeding severely, Morigi managed to draw his own revolver, fired and killed Missiroli instantly.

The attack caused great excitement throughout the city, but immediate steps were taken to prevent reprisals.

To Mury, Premier Mussolini wired: "This bloodshed renders you sacred to the cause" and to Morigi: "Through your sacrifice Fascism will become even stronger."

Suggests Form of Ceremonial for Dominion Days

OTTAWA, Sept. 14.—A form of ceremonial on each Dominion day which would include presentations to erstwhile foreigners of their certificates of Canadian citizenship and which it was felt would tend to develop a stronger Canadian spirit in them, was a suggestion which found favor at tonight's session of the 15th annual conference of the Association of Canadian clubs here. The proposal was made by an executive of the Fort William club and was referred to a standing committee for consideration.

BEAVERDELL NOTES

BEAVERDELL, B.C., Sept. 14. — Louie Nordman returned on Monday from a motor trip through the Okanagan valley.

Mark Smith returned from Penticton on Friday night with his bride, and on Saturday evening was given a rousing reception by the citizens of the town. Mark evidently did not care much for the brand of jazz the boys were putting up with their tin cans and cow bells, because he lost no time in inviting the crowd in.

Mr. and Mrs. G. Prideau of Princeton are guests at the hotel.

Duncan McIntosh returned from the coast on Sunday, having motored up in a snappy new roadster. He was accompanied by his daughter, Irene.

Francis Cousins left on Monday for Grand Forks, where his marriage to Miss Isabelle Pittendrigh will take place on Wednesday. After a motor trip to Spokane the couple will make their home at the Bell mine.

Miss Annie McCutcheon spent Sunday in Rock Creek, visiting relatives and friends.

WIFE CHANGES MIND.

WILKES BARRE, Pa., Sept. 14.—After swearing out a warrant for the arrest of her husband on charges of assault, for which he was sentenced to 90 days, Mrs. Carmine Barbie repented, borrowed $50 to pay his fine and obtained his release.

RAINFALL OVER FOUR INCHES

Already 11 Days Rain in 14 This Month; Half Inch in 24 Hours

The precipitation for the last five days was boosted to nearly 3 inches yesterday, the rainfall for the 24 hours ending 5 p. m. being .49 inches. The total for the five days is 2.82 inches.

With rain falling on 11 out of the first 14 days of September the total has already passed the 4 inch mark, the actual measurement up to 5 p. m. yesterday being 4.22 inches.

The extreme temperatures yesterday were 44 and 49.

The forecast for today is generally fair.

PRESBYTERIANS RECONSTITUTE A PRESBYTERY

Eight Congregations in Kootenay Associated, Warrant of General Assembly

CRANBROOK PASTOR NAMED MODERATOR

Dr. Clay, Moderator of Church Is Guest of Honor; Speaks at Service

After being in abeyance for two years, the presbytery of Kootenay of the Presbyterian church in Canada was reconstituted yesterday morning by Rev. W. L. Clay, D.D., of Victoria, moderator of the church in Canada, under warrant of the general assembly. This act took place in the First Presbyterian church here, in the presence of representatives of seven of the eight congregations constituting it.

At the opening of the intended two-day sessions, the warrant of reconstitution was read by Rev. M. S. Blackburn, of Cranbrook, appointed by the general assembly to be moderator of the presbytery, and after this, Dr. Clay offered prayer, duly constituting this "court of the church."

Organization Effected

Organization was further effected by the election of Rev. James Youngson of Nelson as clerk, and by the appointment of three conveners of committees—Rev. M. S. Blackburn, of the missions committee; Rev. James Youngson, of the young peoples committee, and A. A. McKinnon of Cranbrook, of the budget committee.

Reports on the different fields were presented during the day's sessions by Rev. James Daly, D.D., for Creston; Rev. James Youngson, for Nelson; F. S. Morley, for Kimberley; George Murray, for Trail, and James Dunn, for Moyie. All these reports were of an encouraging nature and showed striking progress being made.

Opening of the newly built church at Slocan City by Dr. Clay Tuesday, was reported.

Eight Congregations

Constituent congregations are represented at the presbytery synod as follows: Nelson, Rev. James Youngson, and M. Gibbs; Cranbrook, Rev. M. S. Blackburn and A. A. McKinnon; Creston, Rev. James Daly, DD. Kimberley, F. S. Morley, student pastor; Moyie, James Dunn, student pastor; Trail, George Murray, student pastor, and E. H. Swanson; Slocan City, Hugh Nelson. The Grand Forks congregation has no actual representative. From some of these points unofficial delegates are also attending, and an important figure is Rev. R. J. Douglas, D.D., of Vancouver, superintendent of missions.

The presbytery extends from Rock Creek to the Alberta boundary, with Nakusp and Windermere its northerly limits. Arrangements for giving Grand Forks pastoral supply will be made at today's sessions, which will deal largely with matters of supply and grants.

Moderator Guest of Honor

Last evening the Memorial hall became the headquarters of the presbytery, while the Nelson congregation entertained Dr. Clay, Dr. Douglas and the delegates to a congregational supper, in the basement, followed by a public service in the hall at which Dr. Clay was the preacher.

At the splendid supper, provided by the Presbyterian Ladies' association, Rev. James Youngson presided, and in happy terms welcomed the moderator of the church and the delegates, remarking that the name "Presbyterian" would never be rubbed out of the hearts of the faithful.

John B. Gray, chairman of the board of management, extended a formal welcome to the moderator, on behalf of the congregation, incidentally declaring his pride in the progress made in Nelson. It was a little over a year since organization was effected, he said, and already the congregation was in a fair way to have its own church. He also expressed pride in the fact that he had formerly "sat under" Dr. Clay, and in the fact that a minister from British Columbia had been selected for the distinguished post of moderator.

Moderator Is Proud

In a reply to the welcome, the moderator declared that, while in his official position he had been required to officiate at many dedications, rededications, centenaries, and other occasions of note, not an event among them compared, in his estimation, with the honor of having a part in the restoration of the presbytery of Kootenay. This event might possibly be belittled bp some who did not have the courage to take a stand, and now perhaps regretted it, but the future alone would reveal how important an event it really was.

After this, Dr. Clay spoke in a friendly and tender strain, discussing some of the intimate relationships of a congregation, touching on the honor of the pastorate, the duties of parents, and the need for absolute faith.

The last speaker was Mayor Peter Swan of Slocan City, who evoked enthusiasm by his narrative of the formation and the progress of the new congregation there.

Dr. Clay's Address

At the public service in the hall, which was largely attended, Moderator Blackburn presided, Rev. James Youngson read the psalm and scripture, Dr. Daly offered prayer, Misses Christina and Daisy May sang a duet, and the moderator introduced Dr. Clay.

In a magnificent address, Dr. Clay pointed out that the Presbyterian church, having accomplished much, still had much to accomplish. There were at present elements of danger as well as of hope, and wise handling was necessary if hope was to be fulfilled and danger averted.

The Dangers

Among the elements of danger he enumerated opposition of Christian brethren who had left them, temptation to rest after effort, narrowness of vision with failure to realize the Canada-wide and world-wide mission of the Presbyterian church, petty jealousies, short supply of ministers with consequent temptation to use second-class men, and limited financial resources.

The Encouragements

But Dr. Clay saw as offsetting and compensating encouragements a task so great that its very magnitude inspired, a people utterly loyal because of a deep-rooted conviction, more men entering the ministry from British Columbia since the act of union than in the 65 years preceding, in line with which the new presbytery had just certified a young man to the ministry, good will of other churches such as Anglicans, Baptists and Roman Catholics, and the eternal promises of God.

Dr. Douglass proposed a vote of thanks to the ladies of the congregation for their hospitality, which was readily passed, and the meeting closed with another hymn and the benediction.

CURSE O' LOVE

By MILDRED BARBOUR

Further installments of the Curse o' Love will appear in a few days.

KASLO NOTES

KASLO, B.C., Sept. 14.—A wire from Dr. D. J. Barclay, received in town Sunday morning stated that Mrs. aBrclay had undergone a successful operation, Saturday morning at St. Luke's hospital, Spokane.

A. E. Brauns passed through town Saturday on his way to Gerrard from Spokane.

M. K. Harrison arrived in town Friday, from Nelson, where he had been taking in the tennis tournament. He left for his home at Howser, Saturday morning.

J. J. O'Neill of Montreal, connected with the Victoria Syndicate, is a visitor to town.

Mrs. R. Baragon of Kimberley was a visitor in the city Saturday.

L. Williams and A. C. Dolger of Winnipeg were Kaslo visitors Saturday.

R. C. Anderson, E. A. G. Coles and James Brydon of Trail were week-end visitors in the city.

A. Hutchins arrived in town Saturday and is spending a few days here.

J. MacPherson is down from the Silver Bear for a few days.

Mrs. Thompson of Winnipeg was a Saturday visitor in the city.

Mrs. J. A. Alexander of Cooper Creek is spending a few days in the city.

Joe Gallo of Gerrard arrived in the city Sunday.

Mrs. E. V. Morrell of Marblehead arrived in the city Saturday, and will spend a few days here.

Miss Katherine Gillis and Joe Streit, who are to teach in New Denver this winter, have returned to the respective homes here, pending the postponed opening of the New Denver schools.

Miss Olive Abey of the Nelson teaching staff is spending her enforced holiday with her parents, Mr. and Mrs. F. T. Abey.

Miss Dalia Perkins was home from Ainsworth for the week-end.

Rev. Christopher Reed was a week-end visitor to Nelson.

The Misses Jean and Margaret Motherwell of Trail motored to town Saturday, returning Sunday accompanied by their mother and sister, Miss Molly.

KASLO, B.C., Sept. 14.—Mr. and Mrs. A. W. Anderson have had as their guests Mrs. Anderson's cousin, A. S. Hames and Mrs. Hames of Glenboro, Man.

Mr. and Mrs. C. C. B. Cave of Vancouver are spending a few days in town.

A. B. Campbell of San Francisco was a visitor to Kaslo, Sunday and Monday, taking in Kaslo as a side trip from the mining men's excursion.

Jack Entwistle of Vancouver spent Tuesday in Kaslo.

Among the Nelsonites in Kaslo, Monday, were D. O. Thomas and James Green.

Angus MacPherson, superintendent of the Cork-Province, was in town on Tuesday.

Rev. Christopher Reed returned from Nelson Monday evening.

Mrs. W. H. Burgess and daughter, Margaret, returned Monday evening after having spent the past few weeks visiting in Montana, Idaho and Washington cities.

Mrs. Everett Zwickey and children of Wallace, Idaho, arrived in Kaslo Monday evening and are the guests of Mrs. Zwickey's parents, Mr. and Mrs. R. Hendricks.

Monday's train did not arrive in town until 1 o'clock Tuesday morning owing to a large mud slide at Seven-Mile.

KILLED BY AXE.

VANCOUVER, Sept. 14. — That Mrs. Takahashi died as the result of injuries inflicted by an axe in the hands of U. Yaoki, Japanese marine fireman in her home Sunday afternoon last, was the finding of a coroner's jury that today investigated the woman's death. Jealousy was given as the motive of the crime.

DOCTOR DIES.

VANCOUVER, Sept. 14.—D. B. H. Champion, 48, who has practiced in Vancouver since 1910 is dead here.

DURING BABY'S TEETHING TIME

The Bowels Become Loose

Diarrhoea, dysentery, colic, cramps, etc., manifest themselves; the gums become swollen, and cankers form in the mouth. This is the time when the mother should use

and perhaps save the baby's life.

On the market for 80 years.

Price, 50c. a bottle at all druggists or dealers.

Dangerous Varicose Veins Can Be Reduced

Never mind what people say: If you have varicose or swollen veins and want to reduce them to normal, go to any live druggist and ask for an original two-ounce bottle of Emerald Oil (full strength). If he hasn't it, he can get it.

Apply it to the enlarged veins as directed and improvement will be noticed in a few days. Continue its use until veins return to normal size. It is guaranteed to reduce swollen veins or money back by all good druggists.

LEGAL NOTICES

LAND REGISTRY ACT
(Section 160)

IN THE MATTER OF Parcel "A" of assigned number one (1) of Lot 10582, Group 1, Kootenay District, Province of British Columbia.

Proof having been filed in my office of the loss of Certificate of Title No. 6756-I to the above mentioned lands in the name of Isabel Till and bearing date the 17th of February, 1920,

I HEREBY GIVE NOTICE of my intention at the expiration of one calendar month from the first publication hereof to issue to the said Isabel Till a provisional Certificate of Title in lieu of such lost Certificate. Any person having any information with reference to such lost Certificate of Title is requested to communicate with the undersigned.

DATED at the Land Registry Office, Nelson, B.C., this 18th day of August, 1927.

A. W. IDIENS,
Registrar.

Date of first publication, August 23, 1927. (9335)

GOVERNMENT LIQUOR ACT

NOTICE OF APPLICATION FOR BEER LICENCE

NOTICE IS HEREBY GIVEN that on the 25th day of September next, the undersigned intends to apply to the Liquor Control Board for a licence in respect of premises being part of the building known as the Pinehurst Inn, situate at South Slocan, B.C., upon Parcel two (2), of Block "B," of Lot 303, Group 1, Kootenay District, according to map or plan filed in the Land Registry Office at Nelson, in the Province of British Columbia, and there numbered 872, for the sale of beer by the glass or by the open bottle for consumption upon the premises.

Dated this 25th day of August, A.D. 1927.

KENNETH CAMPBELL,
Applicant.
By His Attorney-in-Fact,
(9375) ERIC P. DAWSON.

Markets

GENERAL MOTORS OLD UP BY NINE

New Issue Moves Up Four; Gabriel Snubbers Collapse; Houston Oil Off

NEW YORK, Sept. 14. — Spectacular advances in General Motors, new and old stocks, transactions in which comprised about one-quarter of the day's total sales of nearly two and three-quarter million shares, overshadowed all other developments in today's stock market. General Motors, old stock, soared 9 points to a new top at 261 against the year's low of 145⅛, and the new moved up 4 points, to 131⅝, both at new record highs.

The general market disclosed considerable irregularity but the bulk of the activity was again on the upside, with another large sprinkling of gains running from 3 to 10 points.

Heavy buying of the General Motor issues was attributed to traders who already have amassed gigantic paper profits in that issue.

A collapse of nearly 7 points in Gabriel Snubbers and the establishment of a new 1927 low by Briggs Body at 21 attracted attention in the accessory group.

Houston Oil broke from a high of 153½ to 145 and then snapped back to 147⅞, off 4⅝ net. Final quotations also disclosed a large number of 1 to 2-point declines by such stocks as International Harvester, American Smelting, Eastman Kodak and Woolworth.

Northwestern rails showed consistent strength under the leadership of Chicago & Northwestern, which responded to predictions of increased earnings.

Call money renewed at 4¼ per cent and then dropped to 4.

Total sales, 2,794,200 shares.

WHEAT CLOSE IS NERVOUS, LOWER

CHICAGO, Sept. 14.—Notwithstanding that wheat averaged higher today, the increasing movement of the spring crop became the dominant factor at the last.

Closing quotations on wheat were nervous at the same as yesterday's finish to 1c lower; corn, ⅛c to 1c up; oats at ¼c decline to ¼c advance; and provisions showing 2c to 12c gain.

BRITISH COLUMBIA EGGS

Fresh firsts 48c, firsts 46c, pullets 44c.

BULLS ACTIVE MONTREAL, LIST

Brazilian Heavily Traded in; Dominion Bridge Is Up Six Points

MONTREAL, Sept. 14. — Led by a number of the recent favorites, the local stock market launched into a vigorously bullish price movement today.

Brazilian furnished trading in 15,085 shares and closed at 193½. Shawinigan closed at 93¾ for a net gain of 1¼, with the new high of 94¾ established earlier in the day. Massey-Harris closed at 38⅛ for a net gain of ⅞.

Dominion Bridge was the strong spot, closing at 225, a gain of 6 points. A new high of 226½ was touched by this issue during the day. Bank of Montreal, off 2 points, was the weak spot of the list.

Other changes: Alberta Grain preferred, up 2; Dominion Glass, up 2⅞; Dominion Textile, up 2½; Howard Smith, up 1; Laurentide, up 2; Ogilvie, up 3.

Total sales, 52,625 shares.

EUROPE'S WHEAT CROPS LARGER

Eighteen Countries Report Better Crops; Fair Crops, Australia

OTTAWA, Sept. 14.—In a cablegram received from the International Institute of Agriculture, Rome, the production of wheat in Czecho-Slovakia is reported to be 37,846,000 bushels against 34,130,000 in 1926. Reports have previously been received from 18 other countries of Europe. The total wheat production of all the European countries so far reported is 790,173,000 bushels as compared with 783,667,000 bushels last year. Official reports have yet to be received from France and Germany.

The institute also reports that the condition of the growing wheat in western Australia is excellent. In South Australia and Victoria conditions are favorable, but rain desirable. In New South Wales the crop condition is critical and abundant rains needed.

Committee Advances Minimum Prices for Semi-Ripe Tomatoes

An increase in the minimum price schedule for semi-ripe tomatoes, with only one grade quoted on, effective today, was the only change made by the committee of direction yesterday.

The following are the latest minimum prices f.o.b. shipping point, fixed by the interior tree fruit and vegetable committee of direction, at Kelowna, to govern licenced shippers, who may exceed these prices but cannot go below them.

Ogolvie Flour Mills Declares Bonus on Common Stocks

MONTREAL, Sept. 14.—Directors of the Ogilvie Flour Mills Company, Limited declared a bonus of $10 per share on the no par value common stock in addition to the regular quarterly dividend of $1.25, making the total distribution for 1927 $15 per share.

BAKERIES STRONG ISSUE, TORONTO

B. A. Oil Also Firm; Alberta Pacific Grain Reaches High Point

TORONTO, Sept. 14.—Northern Bakeries and British American Oil were the active and strong leaders in today's brisk trading on the local stock exchange. Brazilian went into new high ground at 192 in narrow trading.

Alberta Pacific Grain common reached a new high at 33¼ and the last transaction was at 32¾, a net gain of ½.

Canada Bread common moved up 6½, to 125, with only 205 shares coming out. F. N. Burt touched a high at 64½ and finished with a gain of 1, at 64.

Dealings in Northern Bakeries amounted to 5595 shares. The stock was pushed up to a high at 32 and finished at the top, a net gain of 1.

A fairly large selling order for British American Oil was absorbed on a rising market. It started at 27¾ and reached a high at 27⅞, with the close at the top.

General Motors Makes Change in Stock Issues

DOVER, Del., Sept. 14.—An amendment to the charter of the General Motors Corporation abolishing 10,000,000 shares of no par value stock and authorizing an issue of 30,000,000 shares of common stock with a par value of $25 a share was filed this afternoon at the office of the secretary of state. The amendment does not affect the preferred stock.

OATS AND FLOUR ARE REDUCED ON WHOLESALE ROW

Flour Down 30 Cents a Barrel; 15 Cents on Bale Oats Reduction

WET WEATHER FEARED HITTING FRUIT CROP

May Cause a Shortage; Cheese, Smoked Meats, Tea, Advance

Price reductions in flour and rolled oats were developments yesterday on the local wholesale market, these being the first price changes in these two commodities since early summer. The last change in flour was on May 25, while oats underwent a change shortly after that.

Flour was reduced by 30c a barrel, or 15c on sacks of 98 pounds.

Oats were reduced by 15c on bales of 80 pounds. Feed oats were unchanged.

Inclement weather is said to be affecting the fruit crop, it being feared the rain will cause the crop to be much shorter than was anticipated.

Tea, cheese and smoked cheese have advanced slightly.

DOME CONTINUES DOWNWARD DROP

Corona Advances; Central Manitoba Mines Lose Four Cents at Toronto

TORONTO, Sept. 14. — Spectacular trading in two Quebec issues, Area and Corona, featured the market on the Standard Mining exchange today. The former with a volume of sales amounting to 351,925 shares advanced from a bottom level of 56½ to a peak of 84c, and closed at 76c, a gain for the day of 20½c.

Corona was second in point of activity, 232,800 shares changing hands. The range of prices was between 14½ and 17c, with final sales at the top, an advance of 3½c.

Dome continued its downward movement, and finished at $9, a loss for the day of 60c, and a decline of $2 from the high point on Monday.

Barry Hollinger was a strong feature, hovering around 50c all day, and closing at 51c, up 2c.

Hollinger again moved upward and closed at $18.30, a gain of 15c. Nipissing was down 25c, to $6. Mining Corporation lost 4c, at $3.06, in light trading, and Pioneer was off ¼, at 59¾. Keeley advanced 4c, to $8½.

Central Manitoba was sold very freely during the morning, and eased to $1.70. It recovered, however, to $1.93, a net loss of only 4c.

CONDITION OF THE LEADSMITH GOOD

Assessment Payable October; Physical Condition Property Good

SPOKANE, Wash., Sept. 14. — An assessment of 2c a share levied by Leadsmith mines on September 10 is payable on October 22, according to Fred J. Cunningham, secretary, Spokane. This should bring $50,000 to the treasury, the number of shares being 2,500,000.

A circular letter to the stockholders refers to the discovery of a foot of ore in the No. 4 drift, on the deepest level, reported in these columns recently, and to the fourth lens of ore encountered.

"The physical condition of the property is good, and when a raise and crosscuts are made on the ore disclosed a sufficient tonnage should be shown to make possible mining of ore profitable," says the letter.

Montreal Produce

MONTREAL, Sept. 14.—Butter and eggs steady, cheese easier.

Cheese—Finest westerns 20¾c to 21c.

Butter—No. 1 pasteurized 38½c to 38¾c, No. 1 creamery 37½c to 37¾c.

Eggs—Fresh firsts 49c.

Walter Holderman, 43, and Willis Bryant, 33, farmers of Tippecance, Ind., were killed when a train crashed into their automobile.

Record High Is Paid for Seat Toronto Exchange

TORONTO, Sept. 14.—A record high price of $25,000 has been paid for a seat on the Toronto Standard Stock and Mining exchange. The deal has been approved. Bids have been made for two other seats on the exchange for the same price.

Undervaluation Imported Articles Charged, Ottawa

OTTAWA, Sept. 14.—Submission and recommendations concerning a large number of firms investigated during the sittings of the royal customs commission were presented to the commissioners today by counsel.

Many of the firms were cited for undervaluation of imported articles, for presenting false invoices, etc., and it was recommended that prosecutions be instituted in some cases.

Late today, Gordon Lindsay, assistant counsel, laid before the commission submissions covering seven firms located in Winnipeg. They are Reiders, Ltd., Surprise Shoe Company, Novelty Shoe company, S. Marantz, Miladi, Ltd., Juveniles, Ltd., Made-Well Garments, Ltd. and Canada Jobbing & Importing company.

With respect to Reiders, Ltd., Mr. Lindsay submitted there had been undervaluation and wrongful suppression of voices. Further investigation and collection of any taxes due was asked as well as prosecutions of any persons liable.

LIONEL HARRISON KILLED AT DUNCAN

DUNCAN, B.C., Sept. 14.—When the rear axle of a truck broke descending a hill on the Speers road, about three miles out of here, Lionel Harrison, the driver, was accidentally killed today.

SIX HUNDRED DELEGATES.

VICTORIA, Sept. 14.—Six hundred delegates had registered this evening for the Pacific foreign trade council session which will occupy the next three days in this city.

'YOUNG' PETER MAKES NEW YORK IN DAY OR TWO

On Way From Russia to Take His Offices With Canadian Doukhobors

BRINGS FRIEND OF LATE LEO TOLSTOY

Young Leader Just Out of Prison for Opposing Bearing of Arms

Peter Verigin, the younger, president-elect of the Christian Community of Universal Brotherhood, and similarly spiritual leader of the Doukhobor sect, is now on his way from Russia to Canada to assume the offices to which he was elected a few weeks after the death of his father, Peter Verigin, the elder, the Kettle Valley train explosion of October 29, 1924.

According to a cable from the Cunard Steamship company, received by the headquarters at Brilliant, he is due to arrive at New York either tomorrow night or Friday morning, by the liner Berengaria from Cherbourg.

At first he was to have come via Southampton, but changed his route in order to travel with a valued friend, the aged Paul Berukoff, intimate of the great Count Tolstoy, who had been visiting his sons in England. M. Berukoff will visit with him

Legislator, Captive.

"Young" Peter, as he is affectionately called by the entire Doukhobor communion, whether "Community" or "Independent," has been released by the Soviet authorities after 10 months in prison because he led the Doukobors in Russia in refusing to bear arms, in order that he might come to Canada. When the envoys sent to him by the Canadian Doukhobors a couple of years ago to see if he intended to assume the honors proffered him here, interviewed him, he was at the height of his influence, and a member of the douma for his district, the test of bearing arms under the Soviet having then not arisen.

He sent his mother to the British Columbia Doukhobors with the returning envoys, intending himself to follow a few months later after adjusting some important matters vital to the Doukhobors in Russia.

Whether Peter will come directly to British Columbia, or first make a considerable visit in Saskatchewan, or perhaps stop on the way to confer with the government at Ottawa, is not known by the Doukhobors here, but it is accepted among them that, when he does arrive, he will be given a memorable welcom.

ACCESSORIES TO BE ORDERED FOR X-RAY MACHINE

Hospital Board Votes $723.30 to Get Betterments; Matron's Report

As the result of a motion carried Tuesday night at the meeting of the board of directors of Kootenay Lake General hospital, a stabilizer, timer, and other accessories for the X-ray equipment, essential to obtain the best results, will be purchased, at a cost of $723.30.

Faster and Better Work.

The stabilizer will make possible a double exposure, both exposures being absolutely clear, the second not being weak, as was formerly the case.

The timer will allow accurate time exposures, as quick as one-twentieth of a second. Fast exposures are essential in the case of children, injured patients, and in the photographing of the head and chest.

A new globe, one of the accessories purchased, permits the taking of pictures which are so fine that they show distinctly the grains of the bones.

August Report.

Miss A. MacArthur's report for the month of August was read to the board. It showed that out of a total of 173 patients in the hospital during August, 121 were discharged, and 5 died. Fifty of this number were carried over from July and 47 remained over till this month.

During the month there were 1582 hospital days. There were 42 operations performed, 18 X-ray pictures taken, and 5 births recorded. The report stated that there were 53 patients in the hospital yesterday. Dr. W. O. Rose was the medical supervisor for the month.

Investigation of Flax Costs in the Argentine Is Off

WASHINGTON, Sept. 14.—Plans of the tariff commission to send agents to Argentina to investigate production costs of flax seed and corn, an activity not welcomed in the South American republic were changed today and the commission will not sail Sept. 24 as scheduled.

Acting Chairman Dennis of the commission issued a statement saying: The Argentina government does not refuse admission to our experts but has made it plain to the commission that their presence in Argentina would be unwelcome."

NELSON CHAPTER RANKS WITH BEST SAYS MRS. LEITH

Similarly, This Province Outstanding at Order's National Convention

NELSON PUPILS RECEIVE MEDALS

Presentations Made in History Contests; I.O.D.E. Ward Redecorated

"In summarizing the reports given by the different provincial delegates of their chapters' work, I came to the conclusion that British Columbia is doing as much and perhaps more than some of the other provinces; also our chapter is doing as good work as any chapter for its size," stated Mrs. Alexander Leith, regent of Kokanee chapter, I.O.D.E., in her report of the national convention held at Winnipeg, in June, to the local chapter, Tuesday afternoon.

Report on Convention.

Mrs. Keith made a complete and interesting report on the convention, of over an hour. It dealt with the reports of the educational secretary, which touched on the work the I.O.D.E., is doing throughout Canada along educational lines; the child welfare work, in which the caring of the feeble minded, tubercular children, cripples, and of the caring of mother and babe, and securing of nurses for isolated sections, being done by the I.O.D.E.; and many other activities.

As given by Mrs. Leith, the organizing secretary's report showed that 26 new chapters had been formed during the year. British Columbia formed five new chapters, and had one provincial, five municipal, 80 primary and seven junior, making a total of 93 chapters, and a paid membership of 2078.

She said the report on Girl Guides showed that British Columbia had the largest number of I.O.D.E. Girl Guide companies, numbering 15.

When Mrs. Leith had finished her report, a motion for a vote of thanks was proposed by Mrs. A. L. McCulloch, seconded by Mrs. W. O. Rose, and enthusiastically carried.

A report of the work of redecorating the I.O.D.E. ward at the Kootenay Lake General hospital at a cost of approximately $40, was made.

It was announced that $10 would be given to the Girl Guides by the chapter.

Mrs. Forin and Daughter Resign.

The resignations of Mrs. J. A. Forin, second vice-president, and Miss Jean Forin, were received.

At the close, presentations of the I.O.D.E. medals for the pupils who received the highest marks in history and in junior, and senior matriculation and in entrance examinations, were made. James Benson received the medal for the highest marks in history and senior matriculation, Shiela Hudson received the medal for highest marks in history and junior matriculation, and and Joe Stearn was presented with the medal for the highest marks in history and entrance examinations.

Public schools opened in Milwaukee, Wis., with 105,000 pupils enrolled.

BAYOFF IS TO STAND TRIAL FOR PERJURY

Committed in Police Court; Is Released on Bail $2000 by Judge Forin

ELECTS TO STAND TRIAL AT THE FALL ASSIZES

Stipendiary Magistrate Cartmel, Staff-Sergeant Gammon, Gilchrist Heard

Nick Bayoff, Doukhobor storekeeper of Tarrys was yesterday committed by Police Magistrate William Brown to stand trial on a charge of perjury.

Going before Judge J. A. Forin in the late afternoon, he was released from custody, on bail of $2,000 in two sureties of $1,000 each. At the same time he elected to stand trial at the fall assizes, which open in Nelson on October 20.

C. B. Garland of O'Shea & Garland prosecuted the case, and E. G. Matthew conducted cross-examinations for the defence, no defence evidence being submitted.

Three witnesses were heard, Stipendiary Magistrate John Cartmel, Provincial Police Staff-Sergeant Ernest Gammon, and G. N. Gilchrist, assistant government liquor vendor.

Mrs. Kennedy was interpreter.

Perjury Alleged in Trial.

The perjury was alleged to have been committed by Bayoff during his trial on August 11 on a charge of driving to the common danger on July 23, when his car collided on the Nelson-Trail highway near Brilliant with a forest branch truck driven by A. H. Noakes of Rossland. Magistrate Cartmel heard the case, and Staff-Sergeant Gammon prosecuted it.

Magistrate Cartmel testified that during Bayoff's trial on the common danger charge, Staff-Sergeant Gammon cross-examined him as to whether he had been in the liquor store here on July 23, whether he had bought any liquor on that day, and whether any of the items on his liquor permit referred to liquor bought on that day. These questions were all answered in the negative by Bayoff. The witness also identified a file of the proceedings of the trial, which was submitted as an exhibit.

Permit Shows Bought Liquor.

Staff-Sergeant Gammon recalled his cross-examination of Bayoff, confirming Magistrate Cartmel's testimony. Bayoff also denied, during the hearing, that he had had anything to drink on July 23.

Mr. Gilchrist explained the liquor store system of marking permits, declaring Bayoff's permit showed he bought a bottle of gin, half a dozen bottles of beer, and a bottle of brandy on July 23, these costing $6.85.

CUKES POPULAR.

MOSCOW, Sept. 14—Cucumbers are extremely popular in Russia, the yearly consumption in Moscow alone being about 300,000,000. Now the Moscow authorities have organized what they call a cucumber growing contest and exhibition in order to work out market standards for size and quality.

BATHERS ASK CHANGE.

BEVERLY, N. J., Sept. 14.—Bathers here want to discard the ancient restrictions and enjoy one good swim before the summer is gone. A petition has been placed before the town commissioners asking repeal of an ordinance of 1874 which prescribes bathing suits "reaching from the neck to the knees."

Nelson News of the Day

ALUSHTA, Crimea, Sept. 14.—While constructing a water system here, workmen have come upon what appears to be another water system built 800 years ago by Genoese colonists. It is in perfect order and capable of carrying a daily flow of 300,000 gallons and will be utilized for the irrigation of fruit gardens.

Genoese colonists penetrated the Crimea in the twelfth century after driving out the Venetians. In 1475 they were ejected by the Turks.

NEW OPTOMETRY

In attending my recent post-graduate course, it was surprising and pleasing to see the advancement that optometry is making.

We do not stop with just the examination of the eye for its sight error, as was the custom, but we go further back to the brain, where the real seeing take place—and the nerve innervation in consideration with the sight and muscular errors.

You may be assured no part is left out in this new modern examination we conduct.
