TROOPS MARCH TO QUELL IRISH ROWS

VERIGIN MUST GO TO COUNTRY HE CAME FROM

Request That He Be Permitted to Go Elsewhere Is Refused

VERIGIN ON LAST LAP OF JOURNEY

Lieutenants and Counsel Race Against Time; Reach Chicago

OTTAWA, Feb. 2 (CP)—Peter Verigin, spiritual leader of the Doukhobors, will be deported to Russia and no alternative destination may be considered under the statute, it was learned at the department of immigration tonight. The act requires that a subject deported from Canada must be returned to the country of which he is a national.

Verigin came to Canada from Russia. When the decision was made to deport him the first step was to secure a Russian passport. The department, it was stated, has no authority or choice but to follow the act.

Regardless of the number of countries for which Verigin may hold passports, to send him to any one of them, other than Russia, would not be a deportation. A deportee from Canada may never return without special permission of the minister of immigration.

RELEASE MEN AT VANCOUVER

Taken to City After Explosion at Camp

VANCOUVVER, Feb. 2. (CP).—The three men who were removed by provincial police from the Wood Bay relief camp following an explosion in the foreman's bunkhouse at 2 a.m Monday, were released by provincial police after being brought to Vancouver today.

They were Paddy Obrynne, who has been on relief since March, 1930; J. C Emsley, since September, 1931, and A. Brown, since October, 1931.

Clarence Lougheed Found Dead in Bed

Death in Calgary Due to Natural Causes

CALGARY, Feb. 2 (CP)—Clarence H. Lougheed, eldest son of Lady Isabelle Lougheed and the late senator Sir James Lougheed, was found dead in bed at a local hotel today. Death was due to natural causes, according to a physician who examined the body.

Mr. Lougheed, who was 46 years of age, was born in Calgary July 29, 1885, and was educated in the schools here, later joining the law office of R. B. Bennett, now Canada's prime minister. In 1908 Mr. Lougheed was called to the Alberta bar, the same year becoming a partner in the law firm.

In 1911 Mr. Lougheed was elected a director in the firm of Lougheed and Taylor, brokers and financial agents. In 1925 he became vice-president. He spent two years in France during the war as an officer in the Canadian army service corps, later joining the headquarters staff and becoming a major.

Bradford Silks to Open Plant in Canada

Noted Textile Firm Plans a Factory in Ontario

LONDON, Feb. 2 (CP cable).—The noted Bradford silk and textile firm of Downs Coutter company confirmed today reports it was establishing a new factory in Trenton, Ont.

No information was forthcoming as to the nature of the production intended for the Canadian plant or the number of employees that will be taken on. William Downs is at present in Canada looking after arrangements for the establishment of the factory. The downs Coulter company in Bradford manufacture artificial silk and other textiles.

Photograph Taken by Heat

In a totally dark room the bust above was set up in front of a camera faced by two electric irons. After an hour's exposure this picture was the result. Electric irons do not glow; therefore, there was no visible illumination. What happened was that infra-red rays associated with heat provided the unseen illumination and a new emulsion produced by the Kodak Research laboratories, sensitive to the infra-red, was able to record the rays.

JAPANESE WILL HOLD ISLANDS?

Withdrawal From League May Not Bring Yielding of Islands

TOKYO, Feb. 2 (AP)—It became apparent today from newspaper comment and unofficial discussions that Japan, facing the prospect of possible withdrawal from the League of Nations because of the Manchurian dispute, was determined to retain islands which they hold in the Pacific ocean under league mandate.

Admiral Osumi, minister of the navy, declined to answer direct questions as to whether Japan would retain the islands in event of withdrawal from the league, but navy circles were insistent they be held

The islands are located between the Philippines and the United States and are important in the Japanese navy's plans for domination of the western Pacific.

Japanese newspapers published several anonymous official arguments which justified retention of the islands. ome papers said that Yasyuda Uchida, foreign minister, had told a secret session of the diet, that "possession" of the islands would not be affected by withdrawal from the league.

"Willie" Groundhog Suicides Under Truck

Weather Prognosticator Dodges Sun Rays

NEW YORK, Feb. 2 (CP)—"Willie," the only groundhog on Manhattan Island—as far as anyone knows—died today dodging sun rays.

And over in New Jersey the same thing happened to one of his kind.

Unofficial coroners gave their verdict as "suicide" in each case.

Both met death under the wheels of motor vehicles.

Boy Scouts of Troop No. 474 had kept "Willie" in their clubhouse for weeks waiting for their groundhog day experiment. A crowd assembled 1048 feet above street level, in the observation tower of a Fifth avenue skyscraper, "Willie" was to be taken up there, photographed, and then given his freedom. The idea was that far above the maddening crowd he would have plenty of opportunity to display his reactions to the brilliant sun.

But "Willie" apparently terror-stricken, didn't wait that long.

Scoutmaster Harold Whitford and his nature study group were on their way to the tower with "Willie" in a cage. The sun was shining through the bars. Suddenly "Willie" squirmed free, dashed widly toward a patch of shadow in the centre of the street, and was run over by a truck.

The Scouts administered first aid, but "Willie" expired within two and a half minutes.

LORD WAVERTREE DIES IN ENGLAND

LONDON, Feb. 2 (CP cable).—Lord Wavertree, one of the greatest sportsmen in England and known particularly well in the north country, died today in his 77th year.

In addition to being one of the most prominent figures in English racing for over several decades Lord Wavertree was a Conservative member of the house of commons for Widnes from 1900 to 1919.

AWARD SCREEN ACTOR DAMAGES

LONDON, Ont., Feb. 2 (CP) — Francis X. Bushman tonight was awarded $3,000 damages in a $10,000 action against Walter Hamilton, Windsor music teacher, resulting from an automobile collision in which the former motion picture idol was injured.

70 ON WAY FOR DEPORTATION

Railway Officials Do Not Know Who Persons Are

LEVIS, Que., Feb. 2 (CP).—A group of 70 persons to be deported to Europe passed through Levis tonight, it was learned at the railway station.

Railway officials stated they knew nothing of who the persons were. It was presumed they were en route to either Halifax or Saint John or possibly a number to each of the two maritime province ports where they would be placed on passenger ships.

YOUTH ADMITS SLAYING BAKER

17-Year-Olds Were After Beer; Victim Fought

OLDHAM, Mass., Feb. 2 (AP)—Two 17-year-old boys sat in jail cells tonight charged with slaying Harry Riddell, aged Quincy Baker, because, police quoted one of them as saying, they wanted beer.

They were John A. Bowen of Pictou, N.S., and John T. Daley of Quincy.

A complete confession, which police said Bowen made, led to the murder charge being placed against Daley.

Bowen's alleged confession said he and Daley had been drinking hard liquor and had no money to purchase more. A year before they had gotten beer from Riddell and decided to visit him again. As they had no money they decided to steal the beer.

Riddell then put up a fight and Bowen beat him until he was unconscious.

Cockshutt President States Outlook Poor

BRANTFORD, Ont., Feb. 2 (CP)—"The immediate outlook is obscure but as soon as there is a reasonable improvement in the farmers' purchasing power, we may safely expect an improvement in our business," said Col. the Hon. Harry Cockshutt addressing the annual meeting of the Cockshutt Plow company at the head office today.

The annual report showed loss for the year of $292,151, with debts written off and additional provision for doubtful debts and for foreign exchange of $258,794.

In view of the loss sustained, the directors had transferred $500,000 from reserve to the credit of profit and loss. Assets were valued at $15,222,022.

BRIDE SHOT AT WEDDING FETE, GROOM BEATEN

Son of Aged Man Interrupts Celebration of Second Marriage

FATHER LEFT UNCONSCIOUS

Son Flew to Stop Wedding But Arrived Too Late

PITTSBURGH, Feb. 2 (AP).—The wedding celebration of John Coyne, 66, and his 20-year-old bride, Irene Carbet, was interrupted tonight by the aged man's 23-year-old son, who shot and killed the bride and beat his father unconscious with a hammer.

More than 15 guests helping the couple celebrate their marriage, fled from the house in terror as a rifle shot that ended young Mrs. Coyne's life rang through the spacious house, located in a well-to-do neighborhood. The father is in critical condition in hospital.

Police Captain John Barry, who arrested the youth, John Coyne Jr., said the son came by airplane today from Detroit, hoping to arrive in time to halt the wedding. He had been visiting a sick brother, Edward, in Detroit when the two learned of the impending marriage.

The elder Coyne and his bride, a former domestic, had known each other three months, friends say. Captain Barry said Coyne owns considerable property.

70 FAMILIES TO BE PLACED ON LANDS

Lougheed Makes Announcement on Settlement Plan

VICTORIA, Feb. 2 (CP).—The committee of the land settlement board has been authorized by the government to proceed with the work of placing 50 families in Vancouver and 20 in New Westminster, on improved lands in various parts of the province, according to Hon. Nelson Lougheed, minister of lands and chairman of the committee, today.

The land selected for this work comprises some 81 parcels, all being improved tracts with buildings thereon, that have reverted to the government and been transferred to the land settlement and soldiers' settlement branches.

Socialists Stage March in Defiance

Parade in Review of the Berlin Leaders

BERLIN, Feb. 2 (AP)—In silent defiance of Communism, 5,000 National Socialists marched in review tonight before Prince August Wilhelm and Count Wolfhendrick Von Helldorf, their Berlin leaders, through the city's well street, where a Nazi policeman was slain Monday night

Police armed with carbines patrolled the streets, and halted and searched pedestrians. Householders were told to keep within their houses and stay away from windows, which were not to be opened.

Before the house from which the fatal shots came Nazi troop No. 33, whose member was slain, halted and lit torches. Other troops marching by dipped their flags as they neared the death spot.

Reopen Factory Early Next Week

Steady Supply of Bodies Available

DETROIT, Feb. 2 (AP)—Reopening early next week of Ford Motor company factories throughout the United States, shut down a week ago when a strike at the plants of the Briggs Manufacturing company cut off their supply of auto bodies, was indicated tonight.

Officials of the Briggs company reporting nearly 4000 men had returned to work, today said they were shipping a "steady flow" of bodies to the Ford company. It was learned at the same time that workers began returning in small numbers to the Ford company's Rouge plant in Dearborn as the various departments reopened.

Amy Mollison Gets Segrave Memorial

LONDON, Feb. 2 (AP)— Amy Johnson Mollison, England's premier woman aviator, was notified tonight that she had been awarded the Segrave Memorial trophy, established in 1930 after the death of Sir Henry Segrave, the motorboat racer.

The two previous winners were Bert Hinkler, who has been missing for weeks on a solo flight from here to Australia and Sh Charles Kingsford-Smith.

CRAM COURT AT TRIAL OF GUY

Doors Splintered and the Guards Brushed Aside; Police Clear Court

LONG BEACH, Calif., Feb. 2—(AP)—Court room doors were splintered and guards were brushed aside by hundreds of sensation seekers today at the opening of the murder trial of William James (Curley) Guy, soldier of fortune.

Eager to hear about the strange death of Capt. Walter Wanderwell, international adventurer, aboard his mystery yacht Carma last December 5. More than 1000 persons sought to enter a courtroom limited to 300.

Ten men and two women were called in the beginning of what the attorneys expected to be a two-day task of forming the jury to try Guy, a debonair 23-year-old Welshman.

CALL POLICE

After a couple of hours of examination of talesmen, the outside crowd became restless. Excitedly it shoved aside the guards, tore loose ropes which marked lanes into the scene of the trial and swarmed into the chamber of justice. Police were called to drive them out.

It was on the yacht Carma, in a darkened passageway, that a shot in the back killed the rover of the seven seas. The tragedy came on the eve of a new quest for the bizarre, for which Wanderwell had signed up an unique crew, of both men and women.

Aloha Wanderwell, widow of the victim and the former Gelvis Hall of Winnipeg, Man., and Victoria B.C., was the cynosure of eyes in her front seat in the courtroom as the prosecution's chief witness and accuser of Guy.

The defendant had been the companion of Wanderwell on a previous adventure. The widow accused him of being Wanderwell's enemy as a result of a quarrel in South America years ago.

CRASHES INTO SEA

Pilot Killed; Lieutenant Is Injured

HONOLULU, Feb. 2 (AP)—Charles Edward Walwork, aviation pilot first class, was killed and Lieut. Frank Nichols slightly injured today when their seaplane from the Cruiser Northampton crashed into the sea off Makapu point.

Lieut. Nichols saved his life by jumping in his parachute and was rescued by a plane from the fleet air base.

Walwork, whose home is in Haledon, N. J., sank with the plane.

Military Threat Greatly Increases

Thousands of Reds Invade Chengtu Province

SHANGHAI, Feb. 3 (AP).—The Communist military threat against the province of Szechuan has greatly increased, according to dispatches today from Chengtu, the capital, saying that the invading Reds total 60,000.

Chengtu heard the invaders already had overrun the northeastern section of the province, occupying the important city of Paonig, which placed them in a position to threaten the provincial capital.

The dispatches said the Reds were displaying fiercest hostility toward the missionaries and were threatening to massacre all Christians, with the result that missionaries were leaving the entire area.

VANCOUVER, Feb. 2 — Death claimed another pioneer resident of British Columbia when Robert Chambers, aged 78, of 836 West Thirteenth, died last night in General hospital. He entered the institution a week ago.

AMENDMENT ON RAILWAY BILL CARRIED BY ONE

Section to Prohibit the Appointment Deleted by Senate Committee

FIND SECTION IS OFFENSIVE

Adhere to Number of Representatives Placed at Three

OTTAWA, Feb. 2 (CP).—By the casting vote of the chairman, Rt. Hon. George P. Graham, the senate railway committee today deleted from the railway bill the section which prohibits appointment to the Canadian National board of trustees of members of the senate, the house of commons, provincial legislatures, political candidates and government employees.

A number of amendments had been suggested to this section, but one blanket amendment, aimed at eliminating the section altogether, was put to a vote and found the committee divided nine-nine, Mr. Graham cast his vote in favor of the amendment, and the section was removed from the bill.

B.C. CAN GET BRITISH MARKET

If Quality of Commodities of Right Standard

VICTORIA, Feb. 2 (CP)—British Columbia can have a steady and profitable market in Britain for a wide variety of fresh and processed fruit, fish and other commodities, if her producers will cater to that market with the quality desired, and insure uniformity and continuity of supply, F. P. Burden, British Columbia agent general in London told the government today.

Instancing his point with experience in the sale of processed loganberries Mr. Burden said that British Columbia logans were admittedly superior to all others reaching the British market. Where sold they had inspired demand, and often this demand had gone unfilled through sporadic movement of the goods and lack of continuity in marketing. If British Columbia logans sales were buttressed by steady and sustained marketing efforts, including advertising, the genuine demand for the product could be built up to an important feature of overseas exports, he informed the government. The same set of conditions applied to nearly all commodities sold in Britain, the essentials being to meet the type and quality of the goods desired, to keep up steady shipments of uniform quality of goods desired, and to advertise the products in support of distributors' efforts.

Seek to End Dispute

Railway Breach Centers on Demotion

MONTREAL, Feb. 2—(CP) —Howard Lynch, vice-president of the Brotherhood of Locomotive Firemen and Enginemen, and H. Cobb, vice-president of the Brotherhood of Locomotive Engineers, opened private discussions here today in the hope of reaching an agreement in the dispute between their respective organizations without the aid of a board of conciliation.

The dispute centres on the demotion of engineers to the position of firemen when their monthly mileage drops below 3,200. The firemen claim they have an agreement with the railway setting 2,400 miles per month as the minimum.

CROW'S NEST MEN VOTE IN FAVOR COMPANY'S IDEA

FERNIE, B.C., Feb. 2.—Negotiations on a new working agreement between the Crow's Nest Pass Coal company and its employees were advanced on Tuesday when the men balloted favorably on the company's proposals. The vote of the Coal Creek and Michel men were: Yes—338; No—161, spoiled ballots—7. Total vote—556.

The old agreement terminates at the end of March. Particulars of the new agreement were not given out.

Denver Publisher Dies Unexpectedly

DENVER, Feb. 2 (AP).—Frederick G. Bonfils, publisher of the Denver Post whose picturesque career has been linked with many of the spectacular events of the Rocky mountain region for the past quarter century, died today at his home here.

Death came unexpectedly, following a brief illness due to a complication of influenza and an ear infection. He underwent a minor operation last Saturday, but not until last night did his condition become serious.

INSANE MAN FIGHTS DOCTOR

Mental Patient Attacks With Knife; Physician Unharmed

NEW YORK, Feb. 2 (AP)—To save his wife and children from possible attack of an apparently insane patient, Dr. Andrew Porracco cut off escape into his apartment, locked his office door and battled barehanded today against the man who wielded a five-inch knife.

The physician's office in Brooklyn was wrecked in the 20 minutes of battling before Dr. Porracco could grasp his pistol from a desk drawer and drive off the patient.

Frank Blandino, the assailant, was arrested by police as he fled from the physician's office. He had been treated for several months for a nervous disorder. The physician was not wounded in the battle. He fired two shots at the man, but both went wide.

Dr. Porracco said he had no explanation for the attack other than that Blandino was temporarily deranged.

ISSUES ORDER TO PUT DUKE IN JAIL

Duke of Manchester Unaware of Summons

MARGATE, England, Feb. 2 — When the Duke of Manchester failed to appear in court here today on a judgment summons issued by a hotel at Broadstairs, Judge Clements issued an order committing him to prison for 42 days and imposed a fine of £10 for contempt of court.

UNAWARE OF SUMMONS

LONDON, Feb. 2 (AP)—The Duke of Manchester, upon whom a fine and jail sentence for contempt of court were imposed at Margate today, said this afternoon he had not known he was expected to appear in court there as defendant in a hotel's suit for collection of a bill.

"About four years ago," he said, "I was ill and staying at Broadstairs. A bill was incurred by some friends of mine who were there at the time. I asked for the bill and sent it on to them. No word of any sort had reached me that there was any summons against me for today."

Admits City May Become Bankrupt

Davison Appears Before Arbitration Board

CALGARY, Feb. 2 (CP)—Possibilities of the City of Calgary becoming bankrupt were admitted by Mayor Andy Davison today in appearing before an arbitration board investigating the city's request the wages of city police constables and firemen be cut 10 per cent.

Because of the financial difficulties which the city was encountering, said the mayor, it undoubtedly would be "faced with municipal bankruptcy and the prospects of being forced into the hands of a receiver" unless conditions improved. He outlined the difficulties which the city was facing and urged the reduction in pay be enforced on policemen and firemen as other employees had accepted it voluntarily.

CUT TIRE PRICES

AKRON, O., Feb. 2 (AP) —Firestone Tire and Rubber company provided another flurry in the series of tire price wars in various cities of the continent today by announcing a five-per cent cut in specified grades of tires. Other grades would be cut in "proper relation," the announcement said. Other companies said they were preparing to meet the cut.

Bus Drivers Kidnapped; Linen Mill Tie-Up Threatens

By JOSEPH DENNIGAN
Canadian Press Correspondent

DUBLIN, Irish Free State, Feb. 2 (CP cable)—A warlike atmosphere prevaded Dublin tonight as troops were despatched to patrol railways and highways between the city and the boundary of Northern Ireland. Soldiers in field kit moved along country roads following trouble attributed to the partial transport tie-up resulting from the Northern Ireland railway strike.

Meanwhile Sean Lemass, minister of industry, prepared to hold an inquiry into the derailment yesterday of a special train at Castle Bellingham in which two persons were killed. J. Lockart, traffic manager of the Great Northern railway, attributed the wreck to sabotage and said he had evidence to prove strikers responsible.

KIDNAP MOTOR OFFICIALS

Gunmen in a motorcar held up an omnibus tonight at Santry, six miles from Dublin, and carried off the driver and conductor. The attack was believed by the authorities to be connected with the strike, which bus drivers were asked to join last night.

The strike in the north spread to subsidiary lines in the Free State, although a general strike in the

ANYOX QUIET

Plant to Close Permanently If Strike Not Soon Over

VICTORIA, Feb. 2 (CP).—Provincial police at Anyox, scene of the strike at the Granby Consolidated Mining and Smelting company's plant, reported to headquarters today that all is quiet and that no trouble is anticipated.

About 1000 men are affected by a strike which started yesterday allegedly as the result of the activities of agitators. Two of these are en route to Prince Rupert by steamer.

The men ask for a 20 per cent reduction in board and lodging and an increase of 50 cents per day in wages. The company states that it is operating at a loss in order to keep the plant in readiness in case new business offers. Officials declare, however, that the plant will be closed permanently if the strike is not soon over.

It is stated that 400 of the 1000 men employed voted for the strike.

SHEEPSKIN MONEY IS NEW PROPOSAL

HEPPNER, Ore., Feb. 2.—Sheepskin money may link the present with the beaver skin bartering of pioneer days. An issue of scrip, not to exceed $10,000.00 and printed on sheepskin, is planned by Heppner officials. It would be good advertising, they say, since sheep raising is one of the principal industries of the county. Mayor Gay M. Anderson has appointed a committee to perfect plans.

MRS. LAWRIE DIES, NELSON

Fails to Recover Following Operation; Husband and Son Survive

Mrs. J. T. Lawrie, of Nelson, passed away at the Kootenay Lake General hospital Thursday night, at the age of 52, after a six-weeks' illness following an operation for appendicitis. Already in a greatly weakened condition, a second operation, which was found necessary Thursday, proved of no avail, Mrs. Lawrie passing a few hours after.

Mrs. Lawrie was born in Port Hope, Ont., and came west with her parents, Mr. and Mrs. H. Gage to Winnipeg, and later to British Columbia when the family moved again. In British Columbia she has resided at Vancouver, Castlegar and Hammond, the Lawries having moved from Hammond about a year and a half ago.

Besides her husband, James T. Lawrie and their son Barrett T., Mrs. Lawrie is survived by her mother, Mrs. Minnie Gage of Nelson, a sister, Mrs. J. T. Foggo, of Nelson; a brother, William Henry Gage of Los Angeles; and a nephew, William L. Gage, of Vancouver.

Dollar Manages Slight Comeback

Finishes Day Higher; Pound Also Up

NEW YORK, Feb. 3 (CP).—Riding the crest of the wave the Canadian dollar today maintained its level above yesterday's decline of more than 2⅝ cents, and closed ⅜ higher at 84¼ cents (United States premium of 17⅞ per cent). The pound sterling ended the day ¾ cent stronger at $3.39⅝ for cables.

The dollar's comeback was attributed here to speculative short covering, and it reached 85 cents at one time during today's session. It opened slightly off at 83¾ cents, rose at noon to 84⅝ cents, touched 85 cents in mid-afternoon, and closed at 84¼ cents.

Sterling which opened at $3.39 5-16 had a range of $3.39¼ to $3.39 11-16.

Customs Receipts Down for January

Comparing the custom returns of the port of Nelson and its outports for the month of January with December, 1932, a considerable decline is shown but little difference appears in the figures of January, 1933 and January, 1932.

To the total for the month of $9192.72, Nelson contributed $3953.44, Trail $4532.60, Waneta $189.96, Paterson $10.37 and Nelway $536.35.

SPECIAL TRAIN MAKES RECORD

Company of Players Get Fast Ride in Rockies

FIELD, B. C., Feb. 2—A record breaking ride through the Rockies as their three-car special train clipped four hours from the regular transcontinental train's schedule in what Canadian Pacific officials believe is the fastest run ever made for the 505 miles from Vancouver to Field, failed to ruffle the celebrated nonchalance of Maurice Colbourne and Barry Jones, well known English stage stars.

The London players with their company of 33, closed their performance of Bernard Shaw's "Too True to Be Good" at the coast yesterday more than an hour after the regular train, No. 2 had left for the east. Billed to open at Calgary Friday some fast travelling was indicated. The Canadian Pacific officials came to the rescue with a special train, baggage car, buffet and sleeping car. Leaving the coast four hours later than the regular train they overtook and joined it here for the remainder of the trip to Calgary.

Further Liquidation

MONTREAL, Feb. 2 (CP).—Liquidation continued on the Montreal stock exchange, forcing security prices downward for the eighth consecutive day. Trading continued fairly brisk, transfers totalling 16,000 shares.

Renewal of selling on the New York market and lack of anything contructive in the domestic outlook encouraged traders to liquidate their holdings. There was considerable demand however for Hollinger, which closed at 7.50 for a gain of 20 cents. It was active leader with a turnover of 5000 shares.

In the interlisted group Canadian Pacific and Consolidated Smelters declined ⅛ each. The former to 12⅝, Smelters to 58¼. Brazilian eased ¼ to 8⅛. For the first time this year International Nickel broke below 9. It met support however and closed unchanged at 9.

have by telegraph petitioned Dominion authorities at Ottawa urging Peter Verigin, their 50-year-old "fallen king" now being deported to Russia, be permitted to designate his own destination.

No stay in deportation proceedings is asked, but merely that he be permitted to go elsewhere than to the Soviet republic as they are fearfully contemplating the probable consequences of Verigin's return to his native land. Reports have been current that the Doukhobor chieftain faces death if he lands on Soviet soil. When he left Russia in 1927, it is said, he was ordered never to return.

Members of the sect who hurried here today from their farm-land colonies for the annual general convention were returning tonight. The convention has been postponed. Failure of British Columbia's delegates to arrive and the undercurrent of excitement springing from Verigin's sudden and unexpected deportation caused the indefinite postponement of the meeting. The leaders are awaiting a reply from the immigration department at Ottawa before they call the convention. When it convenes, the delegates will proceed with the task of selecting a new leader.

SHUKIN SUCCESSOR?

J. P. Shukin, of Brilliant, B.C., one of the colonists' chiefs, now racing the airways to Halifax in an endeavor to see Verigin before he sails, appears to be the likely successor to the deposed leader. Shukin is vice-president of the Christian Community of Universal Brotherhood.

Opinion, however, is somewhat divided. Older members of the sect believe Verigin will always remain the spiritual and temporal chieftain of all the Doukhobors, even in exile. They believe, wherever he goes, he will continue to exercise his authority over them as long as he lives. The younger element, however, favors a younger leader to direct their affairs.

MONTREAL, Feb. 3 (CP)—Driven unostentatiously by automobile across a St. Lawrence river bridge during a teeming rain storm, Peter Verigin, leader of the Canadian Doukhobors, tonight began the last lap of a transcanada journey toward deportation.

NO PRESSURE BROUGHT TO BEAR

OTTAWA, Feb. 3 (CP)—Emphatic denial was given by Hon. W. A. Gordon, minister of immigration, today that pressure has been brought to bear for the deportation of Peter Verigin, Doukhobor leader. "No pressure whatever was brought to bear," said the minister. "This man was released for deportation and this action is being taken." Verigin is now on his way to Halifax en route for Russia.

WINNIPEG, Feb. 3 (CP)—Pressure from some unexpected source was brought to bear on the federal government to induce their quiet unexpected action in deporting Peter Verigin, Peter Makaroff leading counsel for the Doukhobor chieftain, declared here today.

Mr. Makaroff's statement was made prior to his departure by airplane for Halifax where he hopes to complete arrangements with Verigin for disposition of Doukhobor Community affairs in Canada.

The Canadian Press learned from official sources that Verigin was placed on board a Canadian National railway train at St. Lambert, Que., on the south side of the St. Lawrence, en route to Halifax. The train which left Montreal at 8 p. m. tonight is due at the Nova Scotia capital tomorrow evening.

While leaderless members of the sect in the west discussed plans of mass immigration to Mexico and telegraphically petitioned the Dominion government to permit Verigin to select his land of exile, the 50-year-old leader pinned hopes of settling affairs of the Canadian Doukhobors community on a meeting with two lieutenants and his counsel at Halifax.

They are Peter G. Makaroff, chief counsel, S. F. Reitin, Verigin's personal secretary, and J. P. Shukin, of Brilliant, B. C., vice-president of the Doukhobor organization. These three men tonight were engaged in flight against time, hoping to reach Halifax before the immigration authorities place Verigin aboard a ship for the continent.

Verigin arrived in Montreal this morning. A reporter, who spoke Russian, succeeded in obtaining a few replies to questions.

"Do you want to go to Russia," the reporter called over the heads of guards who were hustling Verigin through the railway station.

"Hell no," came the answer in the same language.

"Do you know why you are going back."

"No," replied the Doukhobor leader.

He was then taken to the local immigration office and kept there until early this evening when he was driven across Victoria bridge to his train.

FOURTH ROUND CUP REPLAYS

LONDON, Feb. 3 (CP cable).—Halifax defeated Chester 3-2 today in a replay of the fourth round of the English soccer cup. The game was forced into extra time before a decision was obtained. This entitles Halifax to play Luton Town in the fifth round on February 18.

In a match of the southern section of the third division English Football league Norwich City defeated Coventry 5-3.

Ten Year Mortgage Written Off, Trail

Knox United to Burn Papers at Social Soon

TRAIL, B. C., Feb. 2—Writing off a mortgage on which payments were made over a period of 10 years featured the Seventh Knox United church annual meeting here tonight. Contributions of $1000 and more had been made each year by the Women's association, their 1932 payment amounting to $1060. The mortgage will be burned at a social evening to be held soon and at the same time a mortgage paid off 20 years ago on the old Wesley hall, the original church, will also go up in smoke.

Rev. Bryce H. Wallace presided over the meeting at which many reports, showing a successful financial and spiritual year, were given.

ESKIMOS TAKE SECOND DEFEAT

VANCOUVER, Feb. 2. (CP).—Vancouver Maroons scored their second triumph this week over Duke Keats' Edmonton Eskimos when they downed the northerners five goals to four in a hectic Western Canada Hockey league encounter here tonight.

QUEENSLAND AND M.C.C. PLAY DRAW

TOOWOOMBA, Australia, Feb. 2 (CP cable).—The exhibition cricket match between a Queensland county team and the visiting English test team ended today in a draw. The scores were: M.C.C. 276 and 187 for three (Wally Hammond 101, L. E. G. Ames, 121, Hedley Verity 77 not out). Queensland county 210 (Brittle 55, Raymond 53, Harold Larwood eight for 28).

Mrs. Walton and G. Abbot Win Whist

Mrs. George Walton and G. B. Abbott won the ladies' and gentlemen's first prizes respectively at the court whist and dance staged by the Ancient Order of Foresters in the Eagle hall Thursday night. The attendance was good, both for cards and the dance that followed. Consolation prizes went to Miss C. Ryden and A. Gibson.

The refreshment and floor committee was composed of L. J. Ludunk, Jack Hanson Jr., A. Jeffries, T. Bates, J. Maber and E. J. Erickson.

Ireland Is High Table K.P. Whist

Ireland was the winning table at a well-attended whist drive staged by the Knights of Pythias Thursday night. Mrs. D. Wade, Mrs. A. Wylie, Mrs. L. Pickard and E. Y. Brake occupied the winning table, holding 36 flags. John Ogg was the winner of a center piece in a draw at the conclusion of the refreshments and drive.

Mrs. F. Goucher, Mrs. N. Richardson, W. E. McCandlish, R. G. Joy and W. Davis composed the committee in charge.

MURDER ATTEMPT FACES FOUR MEN

WINNIPEG, Feb. 2. (CP).—Charged with the attempted murder of Laurie Peppin, local boxer, four men today were committed by Magistrate R. B. Graham to stand trial at the coming assizes of the court of King's bench.

The quartette are Dan McDonald, Harvey James Powell, Dan Answerson and John Henry Wiltshire.

CURL FOUR GAMES IN CITY SCHEDULE

Four games were curled and one defaulted in the city schedule Thursday night.

The results were: T. W. Ledingham defaulted to A. E. Murphy; J. Gordon 8, W. Brown 7; R. D. Hall 10, H. Houston 5; W. Biner 9, D. Laughton 9; A. Jeffs 7, Dr. W. B. Steed 6.

HILLYARD IS BUGLER HEAD

Is President Legion Bugle Band; G. Berry Is Named Vice

At the annual meeting of the Canadian Legion Bugle band held in the Legion Thursday night, S. J. Hillyard was elected president and G. Berry, vice-president. Band members have plans under way now for an active season.

The 1933 slate of officers include George M. Benwell, honorary president; W. A. Wools, J. Holland, C. H. Robinson, N. Clasics and C. Miller, honorary vice-presidents; C. Ward, secretary; S. Langill, band master; Fred Hartwig, trumpet sergeant; C. Ward, drum sergeant; D. Hinton, B. Sutherland, and H. Pitts, executive members; H. Pitts, historian; Fred Hartwig, sergeant-at-arms; Fred Hartwig and H. Pitts, sick committee.

WESTERN WOMEN ASK PLAYOFF IN HOCKEY

TORONTO, Feb. 2 (CP)—Eastern Canada's women hockey champions have been invited to meet western Canada's titlists in a Canadian championship series at Banff, Alta., with expenses paid, Miss Hazel Rutter, president of the Ladies Hockey association announced here tonight. No decision to accept has yet been made.

THAT "LIKE THE DICKENS" FEELING IS LIVER

Wake Up Your Liver Bile. Feel Fit. You Needn't use Calomel To Do It.

It's your liver, failing to pour out the vital two pounds of bile, daily, into your bowels, that makes you feel so off-colour.

Lack of bile means poor digestion. Food stays too long in your bowels and decays. Your system is poisoned. You go through the misery of gas, bloating, pain, heartburn. You have a dark brown abominable taste in your mouth and bad breath. Your skin's unhealthy and often your head aches. Your whole system seems out of kilter.

How can you reasonably expect to clear up a condition like this by merely taking salts, mineral water, oil, laxative candy or chewing gum, or roughage? These only move the bowels, and that's not enough. You must wake up your liver bile.

Avoid calomel (mercury). Take Carter's Little Liver Pills. They're purely vegetable, gentle, sure and safe. They'll make you feel a hundred per cent better in a very short time.

Don't waste your money on substitutes. Be definite. Ask for Carter's by name—and get them! Look for the name, Carter's, on the red label. 25c. at all druggists. 49

If Your Ears Ring With Head Noises

People who are growing hard of hearing and who experience a stuffy feeling of pressure against their ear drums, accompanied by buzzing, rumbling sounds in the head like water falling or steam escaping, should take prompt and effective measures to stop this trouble.

Secure from your druggist 1 oz. Parmint (Double Strength). Take this home and add ¼ pint hot water and a little sugar.

One tablespoonful four times a day should quickly relieve distressing catarrhal head noises, open clogged nostrils make breathing easy, stop annoying mucous discharge. All catarrh sufferers should give Parmint a trial.

Good News

Announcement from Ottawa, through W. K. Esling, M.P., that 100 men are to be employed on construction of the emergency airplane landing field at Salmo is good news for this district.

Not only will the work give employment to 100 men but it will ensure that this district will be on the air map.

True Riches

One of the richest men in the world died in London the other day.

He wasn't at all famous, and he only left $400 in actual cash. But he was one of the world's richest men, just the same—and if you don't believe it, look at the final paragraph of his will. It read:

"I have had a wonderfully happy time and I thank God for the boon of life."

And a little earlier in the will occurred this sentence:

"I can only wish that I had been more worthy of the affection lavished upon me from birth by my mother, father, uncles, relatives and later by my dear wife, my children and my friends."

It isn't just by using a figure of speech that we can say this man was one of the world's richest men. For all the fact that his estate would only bring $400 in the market, he wrote the kind of will that few men could write; and he was able to write it because he had the kind of wealth that few men succeed in amassing.

He had, in short, a thoroughly happy life; he had love and friendship in abundance; and when he came to the end he was able to thank God that he had lived. Could any mortal ask for anything more?

Yet such riches, after all, aren't quite as rare as we suppose. To be sure, they aren't often garnered by the wealthy and the famous. They fall, more often, by some kind of divine justice, into the laps of people who never had large bank accounts, or saw their names in the headlines, or experienced the luxury of hiring less fortunate folk to do their work for them.

And it is the possession of such riches that in the long run preserves the faith and sanity of the world. The man who enjoys them can never become a pessimist. He can never be worried by talk that the universe is soulless. His checking account is unlimited. He has built up the one kind of fortune that isn't subject to deflation—the one kind that a man can take with him after he has written his will and said his last prayer.

An Odd "Birthday"

A short time ago one of the strangest of all birthday anniversaries was celebrated—the 21st anniversary of a bit of muscle from an embryo chick's heart, which has gone on beating and living and growing in a test tube ever since 1912.

This is the famous bit of tissue kept alive by Dr. Alexis Carrell at the Rockefeller Institute. It lives in a specially prepared culture, and every now and then Dr. Carrell has to snip little bits off of it to keep it from growing too big. It has lived four times as long as the life-span of an ordinary chicken, and there seems to be no good reason why it should not go on indefinitely.

It gives us a creepy feeling, somehow, the thought of this blind, mutilated and soulless bit of animal matter pulsing its way through a seemingly endless existence. What is life, anyway, that a scientist can so casually imprison a fragment of it in a little glass tube? What is death that it can be defeated so easily?

As you might expect, Dr. Carell's studies of this curiosity have led him to make some odd speculations. He has suggested, for instance, that the only reason why men and women cannot live forever, without bodily deterioration, is the fact that they have brain cells. Cells in ordinary tissue can multiply and replace themselves indefinitely; brain cells cannot; hence we are mortal and not deathless.

Future generations may look back on this whole experiment as one of the most important of all of mankind's undertakings. Who knows what discoveries may come from it; what new understanding of the secret of longevity and disease; what new theories by which men can assure themselves longer lives and more complete growth?

But it is futile to speculate about these things. They are topics for the specialists; they are beyond our understanding. We can only gape at the experiment itself, and indulge in those queer spinal shivers that come when we are confronted with a mystery that is utterly beyond our understanding.

Nelson has been deluged with visiting hockey teams during the past few days. First the New Denver ladies' aggregation arrived and won from the Nelson ladies 6-0. Then came Leo Mills and his Grand Forks Comets. At the time of writing it was anyone's game. Then tonight we have "Scotty" Ross and his Trail Smokeaters who will meet the Nelson juniors in the title series.

• • •

With these hockey teams one meets some wonderful people. I met some of the New Denver girls. Nice girls, too, and real hockey players. I suggested to their manager Billie Cliff that he should drill them and send them to the Banff winter games. Another character travelling with New Denver, or at least New Denver was travelling with him, was Charlie Schmidt. Charlie runs a garage and he can tell some tall stories of the busy days in the Slocan. Charlie is a good sportsman and likes clean hockey. He was relating some stories about George Trickett and other oldtimers. But I can't print them.

• • •

Now we deal with Grand Forks. They have a character in their outfit. He acts as manager and admits he is only the paying teller. He goes by the name of Leo Mills, Saskatchewan's Smiling Sauerkraut, Salami, Sausage Salesman. That's quite a title to carry around even in a hockey grip. Leo is the "Bing Crosby" of Grand Forks. If you meet him ask him to sing "Please." He was singing that when Grand Forks was looking for goals against Trail. Leo is a good manager. He puts the boys to bed early and then stays up all night to see that none of his players leave the rooms.

• • •

In fact I believe Leo formerly managed a hockey championship team in Kerrobert, Sask. That's where he sold sausages for Pat Burns. And as some poet from that neck of the woods put it:

There was a young kid of Kerrobert,
Whose bib was disgracefully slobbered
With egg and potatoes
And milk and tomatoes
And hairs from the cats of Kerrobert.

• • •

And tonight we will have "Scotty" Ross with us. "Scotty" is the dynamic hockey manager. He says something and means it. He parts his hair nicely and likes to dance. Potato salad is one of his favorites.

• • •

And a lady friend passed me yesterday and after she got by she said—"As I was walking down the street I met J.B.C."—Which reminds me that I saw Fred Webber and his insurance manager, Mr. Prideau, taking in some territory—And Alderman Bill Campion was discussing the early politicians such as Prior, Oliver McBride and what have you—Frank Tamblyn stood on the street talking about the milk business—George Benwell Jr. was contemplating the shovelling of a lot of sawdust to keep the hotel warm—And Staff Sergeant Stephenson was getting another haircut—Jules, the barber, cuts the staff's hair with a towel—Noticed J. A. McDonald shuffling along pretty speedily as he nearly missed a street car—And someone told me our society editor was working two jobs—She is nursemaid in the mornings and collects news in her spare moments—Saw Max Baskin looking for Bill Sturgeon—And Con Cummins got a great kick out of the Rossland-Nelson junior hockey game—

• • •

He'd more money than brains,
His acquaintances reckoned
He blew in the first
And blew out the second.

• • •

The machine age has made most things a lot easier, but it's just as hard as ever to hang on to a walnut when trying to crack the thing with a hammer.

• • •

Whatever else the new year may bring, you can count on calendars of that shy white Indian girl.

• • •

Between you and me—One half of the world doesn't know how the other half lives—but it has it's suspicions.

RADIO DICUSSIONS UPON ECONOMICS

To the Editor of The Nelson Daily News:

Sir—I would like to point out where, in my opinion, one of the most sensible discussions on our present political, financial, industrial and human problems may be heard over the radio.

Tune in each Sunday evening to KNX, Hollywood, at 6 p.m. and hear things discussed in a plain, sensible manner by Dr. Theo. Curtis Abel.

Dr. Abel announced last night, Sunday, January 29, that his talks during February, would be on the present economical situation and the way out.

That Body of Yours

By JAMES W. BARTON, M.D.

A SLOW, FAST, OR IRREGULAR HEART MAY BE SOUND

When you read almost every day that heart disease carries off more people than any other one ailment, naturally your thoughts may turn to your own heart and you perhaps wonder whether or not it is sound and free from disease.

Generally speaking, if you have been examined by your family physician, or by an insurance examiner, and your heart pronounced sound, there is really nothing about which to worry

But you notice that your heart is sometimes very fast, sometimes very slow, sometimes a little irregular, sometimes you can hear it beating strongly within the chest. If the heart is sound why shouldn't it beat at the same rate, and with the same regularity, all the time?

Your heart, which beats regularly at 72 or 76, may beat 120 or more times to the minute if you simply run upstairs. It may go up to the 120 beats to the minute if you are excited about something. Likewise your heart may be as slow as 60 beats to the minute when you awake in the morning after a night's rest.

I frequently examine boxers at 2 o'clock in the afternoon of the night of their schedule bout and find the heart at 58, 60, or 64. Why is the heart so slow?

Because in endeavoring to get down to weight by 2 o'clock they have done without any food or liquids from noon of the previous day. This will slow down the heart, lower the blood pressure, and also lower the temperature of the body.

Sometimes you feel your pulse, or put your hand on your chest over your heart and you detect a slight irregularity in the beat.

Now an irregularity is not a normal condition, but if you take a little exercise, such as skipping for 50 steps you'll likely find that the heart is beating a little more rapidly, with a little stronger beat, and that the irregularity has entirely disappeared.

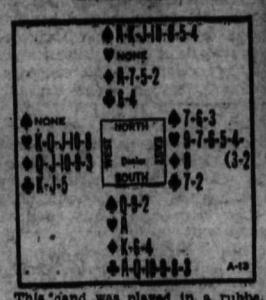
So if your doctor says your heart is sound and you sometimes have a rapid pulse, a slow pulse, or a little irregularity, don't worry about it.

If, however, you get out of breath easily, and find that your feet are swollen at times, it would be well to let your family physician again examine your heart.

Auction and Contract Bridge

By the World's Leading Authority
MILTON C. WORK

MARKED CARDS



This hand was played in a rubber game in Richmond, Virginia, and produced some fireworks. North and South were vulnerable. South bid one Club West doubled; North ignored the double and made a game-demand jump-shift call of two Spades. After East's pass South bid three Spades. West refused to be shut out and called four Hearts. North called Five Hearts (although he lacked the requisite strength for the bid) to show no Hearts losers and a likely slam. South called six Clubs to show rebid strength, but only one raise for Spades. West was through, and North bid the Spade small slam. East, who up to then had taken no part in the auction, now stepped in with what he believed would be a cheap sacrifice seven-Heart bid. This bid would have been defeated by three tricks (450 points if doubled) had North left it in. But North, who was not a pessimist, had previously been tempted to try for the 2250 Grand Slam bonus; he now decided on the plunge and called seven Spades. West doubled.

East was certain that Declarer could make the first Heart trick, so he led his singleton Diamond. North won, drew three rounds of trumps, and then finessed South's Ten of Clubs. West won and led a second round of Diamonds which was won by dummy's King. Declarer discarded a Diamond on dummy's Ace of Hearts, and eventually was forced to give West a Diamond; he thus was set two vulnerable tricks. Could the Grand slam have been made?

THE CORRECT PLAY

West's two doubles without Aces clearly marked him with the adverse strength. Declarer should win trick one with the Ace of Diamonds, trick 2 with the Ace of Spades. With the 3-0 trump division apparent, he should lead a Club, play dummy's Ace, and discard a Club on the Ace of Hearts. The Queen of Clubs would be covered by West's King and should be ruffed high by North. A second trump would put dummy in to lead a third Club which North again would ruff high. A third round of trumps would put dummy in again, and the established Clubs would furnish more than enough discards for North's losing Diamonds.

READERS' CANDIES

Potato Candy: Boil one medium sized white potato, and while hot mash with two tablespoons of butter, the contents of one six-ounce box of cocoanut, one teaspoon of vanilla, and one pound of confectioner's sugar. Beat until creamy then put in a buttered pan, and when hard pour over it one-fourth of a pound of melted, unsweetened chocolate. Put in a cool place until the chocolate sets, then cut in squares. Contributed by A.B.H. Mrs. M. R. also kindly contributed a potato candy which she calls Cocoanut Potato Fudge, and which I will not print in full as it is so similar to the one above. In fact, the only difference is that she uses one-half pound of melted sweet chocolate instead of one-fourth pound of the unsweetened.

Candy Faces: Boil together one cup of granulated sugar, one-fourth of a cup of vinegar, one-fourth of a cup of water, and one teaspoon of vanilla, until a little dropped in cold water becomes brittle. Then pour into small pie pans or muffin pans (the former are better) and put on shredded cocoanut to resemble hair, candy life savers white a raisin in the center for the eyes, a whole peanut for the nose, and a round red piece of cinnamon hot candy for the mouth. These make splendid favors for a children's party. Contributed by Mrs. H.E.A.

Caramel Squares: Put into a saucepan two cups of sugar, one and one-third cups of corn syrup, one-eighth of a teaspoon of salt, and one cup of cream. Bring to the boiling point, stirring from time to time. Then add another cup of cream and three-fourths of a cup of evaporated milk very gradually, so that the mixture does not stop boiling. Cook until it forms a soft ball when dropped into cold water, then add four tablespoons of butter and continue to cook until about 250 on your candy thermometer, stirring constantly. Remove from fire, add two teaspoons of vanilla, and pour into a shallow pan. When cool, cut in squares and wrap in wax paper. Contributed by P.A.

"Murder of the Night Club Lady"

The New Thatcher Colt Detective Mystery

By Anthony Abbot

"Let us imagine that we can follow her footsteps. She is not feeling well. She has left her New Year's Eve party because of illness. She has, let us say, but one idea—to get to bed. So, feeling very ill, she traverses the long corridor downstairs. She mounts the twisting iron staircase that leads to the entrance door of this penthouse door. From her purse she takes a key. She opens the door and enters this room.

"She sees no one. Lola is out. Mrs. Carewe is in her room, and the door is closed. The servants are in their quarters. She feels cold. She goes over to the fireplace. She puts her purse wet from only a few moments exposure on the sidewalk, on the mantel where it remains unnoticed until I picked it up last night. Christine is feeling very ill now. The report of the medical examiner shows that her stomach had been upset by indigestion."

"Recently eaten food?" querried Dougherty.

"Within an hour."

"Then it was the food that she ate at the Lion's Paw?"

"Undoubtedly!"

Lumberingly, Dougherty turned and looked again long and darkly at Guy Everett.

"Did you have anything to eat at that night club?" he barked

"A little," answered Guy Everett, manifestly very ill at ease.

"Did you get sick, too?"

"I did not!"

"Did you have the same stuff that the girl did?"

"I believe I did. Yes."

"Humph! Thought that one over, didn't you? Then you realized we could check on you out there and find out exactly what you ordered. Learned a lesson from that Motor Parkway business, didn't you? Say, listen, Everett—"

"Dougherty!" remonstrated Thatcher Colt. "Could you wait a question Mr. Everett—"

NATIONAL PARK MOVIES SHOWN TO ROTARIANS

Director Campbell Gives Views as Canadian Speaker

A view of scenery and wild life in the Canadian national parks in the Rockies, was enjoyed by the Nelson Rotary club Thursday, by way of a Canadian program, billed for the current weekly gathering, when J. C. Campbell, director of publicity for the national parks of Canada, showed two reels of park movies, following the club's luncheon, which was postponed from Monday for the purpose.

Dr. L. E. Borden, chairman of the club's committee on Canadian program, expressed hopes some weeks ago fo being able to get Director Campbell to come to Nelson, and succeeded in producing him, with R F. Denison, his operator.

Before going on with the movies, Mr. Campbell stated the national parks were about all the territory that all the people of Canada still owned jointly, and he roundly criticised the people of British Columbia for inattention to this matter, pointing out that with a province of markedly scenic character, they had only about 1600 square miles of national parks, or little more than Manitoba. "You people of British Columbia are getting more like Toronto every day, and seem to think you are Canada," he humorously jested.

Two reels were shown, without accompanying lecture. The first entitled "Open Sky Ways in the Rockies," showed views of a motor trip from Banff to Golden, picturing falls, gorges, rivers, lakes, snow-capped peaks, and some wild life, including a flock of Rocky mountain sheep.

The second one, "Strange Doings in Beaver Land," was the latest reel taken of Grey Owl, Indian guide and naturalist, and his latest beaver colony.

DANCE TO AID CRIPPLE FUND

Rotarian Committees Are Named; Ice Carnival Abandoned

Nelson Rotarians are planning a dance toward the end of February for the benefit of the crippled children's fund, that must be replenished. Dr. John Gansmer, chairman of the crippled children's committee, announced the date as provisionary February 24.

Committees to handle the event are as follows:

Management—Alderman R. W. Dawson, A. B. Gilker, H. M. Whimster, Dr. John Gansmer.

Decorations—George Dvorjetz, W. B. Bamford, H. H. Hinitt, J. T. Andrews, M. E. Harper, J. R. Fleming.

Refreshments—A. T. Horswill, W. J. Hipperson, R. A. Peebles.

Advertising and tickets—D. Kerr, H. Bush, A. A. Ferrier.

Dr. Gansmer said the idea once entertained, of holding an ice carnival for the benefit of the fund, had been dropped, for the present at any rate, as it did not promise as good a return for the effort. He stated a second dance might follow the first a little later.

E. JENNINGS IS LAID TO REST

Pall-bearers were A. Boss, A. G. Lambert, S. P. Pond, Mr. Hutchins, T. Bishop and W. G. Stewart.

POWER COMPANY BUYS BUILDING

Property at Erickson Housing West Kootenay Men

CRESTON, B. C., Feb. 2—A significant sale of improved property was closed this week when West Kootenay Power & Light company, limited, which firm is harnessing the power at Goat river canyon, purchased what is known as the old Erickson hotel building at Erickson, in which the firm has its office and quarters for its own employees. The property is owned by F. Rosen, acquired it a few years ago from the late Fred Speaker. At Erickson there is considerable rejoicing in that residents there take the purchase to mean that West Kootenay company will make their permanent office for the Goat river plant operations at Erickson instead of Creston as has been expected since the work commenced. At the canyon work goes on apace at the construction of the coffer dam. Up to the present the snowfall has been much heavier than normal, and if an early spring is encountered there will be much higher water to cope with.

KEEP STEADILY AT ROAD WORK

Work in Place of Relief Keeps Crews of 48; Rotate 300

Road work in lieu of direct relief is going on steadily, on the three main roads out of Nelson, crews being conveyed to their working points in the morning and brought back in the afternoon, District Engineer William Ramsay explained Thursday.

The three crews aggregate about 48 men, one working on the Granite road widening and straightening a mile or two west of the city, another working on the north shore a couple of miles up from the ferry, and the third on the Nelson-Nelway road, between Nelson and Apex.

Married men get six days in every 21, and single men get three days. All told, about 300 men are being rotated.

CRESTON LOOKS FOR HIGH WATER

CRESTON, B. C., Feb. 2—E. C. Webb of Vancouver, engineer of the federal Indian department in British Columbia, was here on official business. He was accompanied by a coast engineer who was making an inspection of the new C.P.R. bridge at Kootenay Landing.

R. Alderson has returned to Turner Valley after spending a couple of days at the ranch, north of town. He had been at Cranbrook for some days, with his son, Fred, who underwent an operation for appendicitis at St. Eugene hospital earlier in the week.

Thomas Yerbury was in town at the end of the week on his way to Camp Lister after a couple of months' travel in the United States during which he made his way as far south as California.

Including the heavy fall on Friday morning Creston has this week had a snowfall of well over a foot, and brings the winter's supply up to almost five feet. With so much rain in the fall and the heavy snowfall there is sure to be high water in the Kootenay river this season.

BRIDGE PARTIES POPULAR, CORBIN

CORBIN, B. C., Feb. 2 Mrs. H. Ferryman and Mrs. George Leroy were joint hostesses at a bridge party at the home of Mrs. Ferryman. Honors went to Mrs. James Taylor. Among those present were, Mrs. H. Ferryman, Mrs. George Leroy, Mrs. James Taylor, Mrs. W. Almond, Mrs. Robert Elliot, Mrs. D. Weddington, Mrs. H. Jorgensen, Mrs. A. Parsons, Miss Annie Wilson, Mrs. William Porter, Mrs. Thomas Collins, Mrs. Thomas Dalton, Mrs. H. Osborne, Mrs. A. Grieve and Mrs. J. Podgornic, Miss V. Almond.

The ladies of the Anglican guild held a bridge on Wednesday at the home of Mrs. Munroe Gibson. Six tables of cards were in play, the honors being won by Miss Annie Wilson.

Mrs. E. James and two small sons are now permanently settled in town, having obtained a residence.

The Rebekah bridge party was exceptionally well attended, sixteen tables being in play.

WALL STREET DECLINE EASES

Incentive Lacking for Recovery; Prices Close Lower

By JOHN L. COOLEY
Associated Press Financial Writer

NEW YORK, Feb. 2.—The decline in stocks slackened today, but incentive for a recovery was lacking and prices again closed lower.

The average loss was about half that of Wednesday, while turnover of 1,225,270 shares was somewhat larger.

Shares directly affected by recent dividend changes were steadier, although issues whose future payments are being questioned continued soft. Rails slipped a little, perhaps because last week's loadings showed a contraction, and carrier bonds weakened. Utilities were subject to selling; several industrials experienced a contraction of a point or two in quoted values. U.S. government loans were firm.

U.S. Steel preferred and Standard Oil of New Jersey reached at least temporary resistance levels. But American Telephone skidded under par for the first time since the first week of November, touching 99¾. It closed at 100¾, off a point.

LEADING GOLDS FORGE AHEAD

Volume Heaviest for Them of the Year

TORONTO, Feb. 2 (CP)—The big gold producers forged ahead in the Standard mining market again today, this time with Noranda in the lead. The trading showed no tendency to slacken the volume for the high-priced leaders was the heaviest in years.

Noranda, trading more than 12,000 shares climbed 1.60 to 23.75. Gains for the other leaders were Dome 1.25, Lake Shore 55, McIntyre 90, Wright Hargreaves 15, Hollinger unchanged and Teck Hughes 8.

Noranda closed close to its top, as did McIntyre, while Lake Shore eased off 55 from the top, closing at 37.80. Each had a volume of between 10,000 and 20,000 shares except Hargreaves, which traded more than 30,000.

PIONEER GOLD IS UP SEVEN POINTS

Stock Market Mixed in Trend at the Coast

VANCOUVER, Feb. 2 (CP)—The stock exchange presented a mixed appearance today with no definite trend noticeable. Although losses outnumbered gains four to two, declines generally were of the fractional class while advances were both over the point mark.

Pioneer Gold chalked up a seven point rise to 4.77 after touching a peak of 4.85 for the movement, close to its all time high. Premier closed at 68 up two. Bralorne sold up two but failed to hold its gain and closed unchanged at 1.68.

Crow's Nest continued to show good activity in the oils section ending the day firm at 1⅞.

Bridge River at six, National Silver at two and Noble Five at three each lost fractions while Reno Gold closed off one at 73.

INDUSTRIALS LAG WHILE GOLDS BOOM

B. A. Oil Called to Absorb 3000 Shares

TORONTO, Feb. 2 (CP)—While the gold shares boomed today on all international markets, industrials lagged in volume and at a lower price level. With the New York market weak in all but the gold shares, the Toronto stock exchange listings were unable to make headway on the up side. The list broadened out but total volume was well under Wednesday's turnover.

British American was called upon to absorb nearly 3000 shares which traded at 7½, the last few sales going through at 7⅝ for a gain of ⅛. Imperial and International Pete picked up ⅛.

WHEAT TONE FIRM

Holds Despite Lull in Export Trade

WINNIPEG, Feb. 2 (CP).—Despite a lull in export trade wheat prices maintained a firm tone on the grain exchange here today and the close was ¼ to ⅜ higher.

May closed at 47, July at 47⅛ and October at 49.

A strong market at Liverpool induced by heavy purchases of Canadian wheat yesterday resulted in fractional gains at the opening here and foreign business estimated at 500,000 bushels served to maintain the advance until the close.

EGGS EASIER

MONTREAL, Feb. 2 (CP)—Despite a slightly easier tone in eggs, prices remain firm on the Montreal produce and dairy market today.

Fresh graded eggs in car lots or less sold at 21 cents for extras, 19 cents for firsts and 18 cents a dozen for pullets. Receipts were 999 cases.

OVERSEAS BUYING STEADIES GRAINS

Wheat Close Unchanged to Slightly Off

By JOHN P. BOUGHAN
Associated Press Market Editor

CHICAGO, Feb. 2—Indications that overseas buying of Canadian wheat the last 48 hours had totalled more than 3,000,000 bushels gave unusual steadiness to grain values today.

Wheat, however, eased off a little at the last owing to declines shown by various stocks in New York. Friends of higher prices for wheat paid attention to remarkable barometric conditions in Alaska pointing to likelihood of a severe cold wave overspreading the United States by Sunday.

Wheat closed easy, unchanged to ¼ off, compared with yesterday's finish, corn unchanged to ⅛ to ¼ down, oats showing ⅛ to ¼ decline, and provisions unchanged.

SECURITIES SAG

Rails Under Pressure; German Obligations Down

NEW YORK, Feb. 2 (AP).—The ground-hog, if he looked in on the bond market today, found numerous shadows cast by sagging securities of all categories.

Although the downward price movement was not so pronounced in either the utilities or the industrials, the majority of rail loans were under pressure and German obligations again suffered declines ranging from 1 to 8¼ points. United States government issues, although quiet, were steady to firm.

Sales totalled only $10,402,000, against $11,579,000 yesterday, the principal losers of a point or more included issues of most of the semi-speculative rail groups.

2 TEAMS IN SECOND ROUND

Dundee Qualifies, Third Round in Scottish Soccer Draws

GLASGOW, Feb. 2 (CP cable)—Forty-two teams, survivors of first round play, enter the second stage of the Scottish cup competition today. Five interdivisional tilts, first division battles and one such bringing second section teams rather make up the program of games. Dundee qualified for the third round yesterday by defeating Dundee 4-0 in a second round match which was moved ahead.

Leaders in both Scottish league divisions came through first round games on January 21 unscathed and most of them are given fairly easy spins in Saturday's play. Rangers, first division leaders should have no trouble defeating Queen's Park while Motherwell, tied with Rangers in the lead, are to play Montrose, a second division outfit. Both the leaders have the advantage of home grounds. Celtic and Hearts also are at home, the former playing Falkirk, and the latter Airdrieonians.

Hibernians, second division leaders, and Aberdeen first division fourth place teams, clash at the Aberdonians home grounds in a battle that should provide plenty of action. The draws follow:

Dundee United vs St. Johnstone.
St. Mirren vs Kilmarnock.
Aberdeen vs Hibernians.
Falkirk Athletic vs Clyde.
Celtic vs Falkirk.
Motherwell vs Montrose.
Dumbarton vs Albion Rovers.
Renfrew vs Third Lanark.
Partick United vs Partick Thistle.
Hearts vs Airdrieonians.
Rangers vs Queen's Park.

HOCKEY TEAMS AT LEGION GUESTS

India Is Winning Table at Military Whist

Mrs. J. Leslie, Mrs. E. Y. Brake, Mrs. Leeming and K. McKnight, occupying table India, were winners at the Canadian Legion military whist tea and dance Wednesday night at which the New Denver ladies' hockey team and the Grand Forks intermediates were guests. The winning tables held 39 flags.

A good crowd attended both whist tea and dance. E. Y. Brake was master of ceremonies and the committee in charge was composed of Mrs. J. Worthington, Mrs. J. McKay, Fred Hartwig, A. Elliott, J. Wright and J. Beattie.

Townsend Faces Important Bout

Meets Slugging Canzoneri on Friday Night

NEW YORK, Feb. 2 (CP)—The hardy right arm of Bill Townsend developed into a potent ring weapon while toiling in a Vancouver Island coal mine has been working overtime in a Broadway gymnasium this week, sharpening its power when the 10-rounder its owner will fight Friday with Tony Canzoneri. The amiable 23-year-old veteran from Canada's Pacific coast rates a clash in Madison Square Garden against the lightweight king the most important battle of his career.

Along fight row few give Townsend a chance to whip Tony but the Vancouverite is known as always willing and a slugging affray is looked for tomorrow night.

It is an overweight affair and Canzoneri's title will not be at stake.

CENTIPEDES ARE BEATEN, CRESTON

Hospital Gains $50 as Result Hoop Carnival

CRESTON, B.C., Feb. 2.—Creston Valley public hospital netted $50 as a result of a basketball carnival staged in Park pavilion, the feature of which was a game from some of the veteran talent, as well as clashes between two of the league teams, the nightcap being a tussle between the winner of the veterans' mixup and the high school girls, who are leading the ladies' division of the city hoop league. The opening feature was a game between the league-leading Centipedes in the men's section and an all star team recruited from all the other talent, in which the Centipedes took their first defeat of the season by a 16-13 margin. In the clash between the high girls and the vets, the honors were even. The town band, under the leadership of W. G. Hendy, was present and livened up proceedings with a generous supply of music. The affair proved so popular that it is possible another will be held at the close of the league season.

MRS. HILL WINS WOMEN'S GOLF

MIAMI, Fla., Feb. 2 (AP).—Mrs. Opal S. Hill of Kansas City today won the Miami-Baltimore women's golf championship, defeating Mrs. Estelle Brennan of Tulsa, Okla., 3 and 1 in the 18-hole final round

DETROIT HOLDS BRUINS TO TIE

Put on Air-Tight Defence; On Even Footing With the Rangers

BOSTON, Feb. 2. (CP).—Playing without the services of Ebbie Goodfellow and Frank Carson, Detroit Red Wings put on an airtight defence tonight to hold out the burley Boston Bruins and skate off with a one-goal draw.

The tie left the Detroiters tied for first place in the National Hockey league's American division with New York Rangers, who played a stalemate tonight with Montreal Maroons.

Both scores were made in the first period. While each team was one shy, Marty Barry caught the Detroit forwards out of position and scored a brilliant solo with a shoulder-high shot that landed in Goalie John Ross Roach's cage. About 10 minutes later, Stew Evans stopped Vic Ripley's rush on his blue line and swept down the right wall. He passed the width of the rink to Carl Voss as he entered Boston territory and the latter drove the long angle shot through Goalie Thompson's legs for the tying score.

MAROONS AND RANGERS TIE

Overtime Period Fails to Settle Two-All Score

MONTREAL, Feb. 2. (CP).—An overtime period failed to settle a long-drawn-out National Hockey league duel between New York Rangers and Montreal Maroons here tonight, and the score was tied at 2-2 when the players went to the showers.

Maroons seemed headed for their fifth straight victory until two minutes from the end of the regular third period when Butch Keeling scored from a scramble and tied the score.

Maroons took an early lead in the first period when Baldy Northcott rang up a goal on assists from Hooley Smith and Jimmy Ward. Babe Siebert tied it up for the New Yorkers on an assist from Cecil Dillon.

A major penalty and 10-minute misconduct penalty clamped on Doug Brennan for slashing Earl Robinson crippled the Rangers temporarily and gave the locals a one-man advantage. They leaped in and scored. Hooley Smith rapped home the goal on a pass from Baldy Northcott lurking behind the Rangers cage.

Canada Meets Cuba in Davis First Round

Germany Drawn Against Egypt

PARIS, Feb. 2 (CP).—Canada and Cuba were paired in the first round of the North American Davis cup draw presided over by Albert Lebrun of France and attended by the diplomats of many nations.

Germany, winner of the European zone last year, was drawn against Egypt in the first round while England, which challenged France for the coveted trophy two years ago, was paired with Spain.

Australia drew a bye in the lower bracket of the draw. Japan was paired with Hungary.

Other pairings in the European zone included: Finland-India; Belgium-Australia; Italy-Jugoslavia; Poland-Holland; and Denmark-Ireland Greece, Roumania, Monacco, Czechoslovakia in the upper half of the draw and Norway, South Africa and Switzerland in the lower bracket drew byes.

CANADA'S ENTRY IS CERTAIN

TORONTO, Feb. 2 (CP).—Definite announcement today of Canada's competition in this year's Davis cup play clears the air of persistent rumors which officials have repeatedly denied that the Dominion might not enter the fray.

The personnell of the team has not yet been announced and may not even be decided upon until the playing of a trial tourney. There is little doubt, however, that the team will be composed of all or several of the four Canadian stars who have previously defended Canada's reputation in the popular net game. They were, Dr. Jack Wright, Vancouver and the diminutive Marcel Rainville of Montreal; and Walker Martin and Gilbert Nunns, of Toronto.

SALMON ARM AND VERNON PLAYOFF

VERNON, B.C., Feb., 2.—Vernon, Okanagan Valley league leaders, and Salmon Arm, holders of second place, will face off on Salmon Arm ice Friday night in the first of a best two out of three series for the valley hockey championship. The second tilt will be on the following Tuesday evening in this city and if a third game is necessary it will likely be played on neutral ice.

BOWLING

Big League

By AL DEMAREE

"Bowling and golf are very much alike in many respects," says 'Chuck' Collier, one of the great old timers who is still showing the way to most of the youngsters.

"No matter how big and strong you are you can't overpower a golf ball or a bowling ball. There must be rhythm, form and 'follow through' in both games. The fellow who times his golf swing or his bowling delivery properly is much more successful than the big fellow who lunges at the ball and tries to 'make' the ball do something. It can't be done.

"Don't try to 'make' the ball hit the pins. The ball will take care of itself if it is delivered easily and gracefully.

"Always remember it isn't how hard you hit the pins but where you hit them that counts."

Al Demaree has prepared an illustrated bowling leaflet on "Spares" which he will gladly send to any reader requesting it. Address Al Demaree in care of this paper and be sure to enclose a self-addressed stamped envelope.

TWENTY-FIVE YEARS AGO TODAY

J. Eicteman and V. Huber won the 12-hour marathon bowling contest at Brucks alleys in Chicago, Ill., with a score of 6771 for 31 games. Eicteman averaged 189-13-19 and Huber 199-2-12.

FERNIE STARTS SPIEL MONDAY

FERNIE, B. C., Feb. 2—Fernie's local bonspiel is to start on Monday. At a meeting of the curlers it was decided to continue this week with the Ingram cup competition games. The schedule of play in these is well advanced. Wednesday night games in this competition proved a levelling down process for the leaders. The Douglas rink, who were leading with only two losses for the schedule, went down in two further defeats, and the Wallace rink that was second with three losses added another. These disasters brought them to the level of several other rinks in the Ingram cup competition. The ice is in ideal condition and curlers are praying for a continuance of jackfrost's visit.

SMELTER BOYS HERE TONIGHT

Boys Primed for Stiffest Battle Yet; Going Good

Having eliminated the threat of the Rossland juniors for the time being, Leo Desireau's green and whites are now preparing their battle lines for the invasion of the Trail juniors tonight.

The boys were going like a million dollars in their game with the Golden city boys Wednesday night when they romped home to an easy 5-2 victory. Desireau has the boys well organized and hopes to meet the strong Trail team on an even basis.

McDougall has come through with flying colors in the home net, only letting the rare bit of gutta percha to seep into the hemp and he has been getting real support from Stirzaker and Whitfield.

Nelson has two entirely different front lines. Savage, the red-terror, McLean and McEwan provide the speed and push for the team, while the Romano, Bird and Clark do the checking. The latter three are always dangerous in skirmishes, taking advantage of the breaks consistently.

The boys will be called upon to exhibit their best tonight when they meet their hardest opposition to date in the Smelter city lads.

CRAIG WINNER OF BANK CUP

But Warm Weather Halts the Curlers at Creston

CRESTON, B. C., Feb. 2—The mild weather that set in at the middle of the week has halted curling at a most inopportune time as a number of the cup competitions were nearing completion and one is yet to get under way. The Imperial Bank cup has finally been won by the rink skipped by W. J. Craig, and in the Fraser cup the final game had to be cancelled. In the finals are the quartettes headed by M. J. Beninger and M. J. Boyd. The first rounds have been played for the trophy donated by the Cranbrook Brewing & Malting company, limited, and with it out of the way a start will be made on the last of the cup trials, the Fernie-Fort Steele Brewing company. If the weather holds it is likely a points competition will be inaugurated before the season closes, with the usual bean supper for the curlers, to be followed by the grand finale, the curlers' bridge with presentation of trophies.

WILSON RETURNS SECOND CONTRACT

MARTINSBURGH, W. Va., Feb. 2 (AP)—Hack Wilson, Brooklyn Dodger outfielder, today rejected a second offer from his club understood to be $500 more than the first one rejected 10 days ago.

Wilson said he felt his cut this season should not exceed 10 per cent of last year's figure, which was $16,500.

CHILDREN WRECK FAIRVIEW HILL

Due to the thoughtlessness of some youngsters the Nelson Ski club's hill in Fairview was put in such a state that it required several hours of strenuous effort to repair the damage Thursday. The culprits slid down the hill on their feet making it icy and tearing ruts in the main lane.

Thursday the jumpers found it impossible to practice.

SENATORS AND HAWKS DRAW

Play 70 Minutes to a 1-1 Tie; Kilrea and Coulter Score

OTTAWA, Feb. 2 (CP)—Tommy Gorman led his Chicago Blackhawks into Ottawa tonight for a scheduled National Hockey league fixture with Ottawa Senators and departed after the match with a point to show for the 70 minutes of play. The final score was 1-1.

Early in the third session, Senators broke into the scoring column. Hec Kilrea made the play, recovering a puck in the corner, after he himself had rushed, and passing out in front. Frankie Finnigan was on hand to bank it past the Hawk goalie for the first counter.

Hawks did not equalize for almost 10 minutes and then it was Art Coulter who did it. The defenceman was on the scoring end of a three-man attack, Tommy Cook and Paul Thompson getting assists on the goal.

CLOSE SOCCER GAMES LOOM

Well-Matched Teams Play in Saturday's Games, English League

LONDON, Feb. 2. (CP Cable). — Pitting strong, well-matched teams against each other in several games, Saturday's first division schedule promises the most closely contested English league soccer battles in weeks. Most of the leading teams are guaranteed a heavy afternoon's work by the strong opposition they face and lesser lights are so evenly matched they should stage contests to rival, in action at least, those the big shots put on.

Three matches between the highly placed teams should be particularly bright spots in the day's program. Arsenal, leading division now by five points over Aston Villa, journey to Everton where they can be sure to meet stiff opposition; Sunderland and Derby clash at the latter's home grounds and West Bromwich Albion take on Leeds United in the latter's bailiwick.

ASTON VILLA LUCKIEST

Aston Villa have the easiest game among the leaders. They play at home to Portsmouth. Sheffield Wednesday are favored to take their neighbors, Sheffield United, into camp but the match is sure to be close. Blackburn and Birmingham, Blackpool and Manchester City and Bolton and Liverpool stage other clashes in which the decision may go either way.

Decline of the influenza epidemic has given most of the teams their ailing players back and strengthened them greatly. Frost which made the grounds hard for last Saturday's play has almost entirely disappeared and the pitches are in normal condition.

TOUGH MATCHES

Stoke City and Tottenham Hotspurs, fighting for first place in the second division, both face tough matches Saturday but the probability is they both will win and Stoke retain their one-point lead. Both are away from home, Stoke playing at Port Vale and the 'Spurs at Southampton. Tottenham are at their strongest with Rowe and Davies displacing Levene and Howe. Bury should make short work of Grimsby Town and stay right in the hunt for leadership. They now are only two points behind Stoke.

Lady Pin Artists Start Tournament

Canadian Legion lady bowlers have commenced a new tourney that will continue until March 13.

The teams and draws are as follows:

Teams are Mrs. J. Chapman, Mrs. J. Dingwall, Mrs. A. Kraft, Mrs. G. Mills.

Mrs. J. Worthington, Mrs. N. Cassios, Mrs. R. Riley, Mrs. V. Graves.

Mrs. H. Ross, Mrs. J. C. Hooker, Mrs. A. Oliver, Mrs. J. Leslie.

Mrs. L. Pickard, Mrs. T. Player, Mrs. J. McIver, Mrs. T. Frost.

Draws are:

Wednesday, Feb. 1—Mrs. Chapman vs Mrs. Dingwall.

Monday, Feb. 6—Mrs. Kraft vs Mrs. Mills.

Wednesday, Feb. 8—Mrs. Dingwall vs Mrs. Kraft.

Monday, Feb. 13—Mrs. Mills vs Mrs. Chapman.

Wednesday, Feb. 15—Mrs. Kraft vs Mrs. Chapman.

Monday, Feb. 20—Mrs. Dingwall vs Mrs. Mills.

Wednesday, Feb. 22—Mrs. Chapman vs Mrs. Dingwall.

Monday, Feb. 27—Mrs. Mills vs Mrs. Kraft.

Wednesday, March 1—Mrs. Dingwall vs Mrs. Mills.

Monday, March 6—Mrs. Kraft vs Mrs. Chapman.

Wednesday, March 8—Mrs. Chapman vs Mrs. Mills.

Monday, March 13—Mrs. Dingwall vs Mrs. Kraft.

CAGE TOURNEY SET

The senior basketball championship tournament of the Mid-western A. A. U. will be held at Council Bluffs, Ia., sometime in February.

Basketball Problems

By NAT HOLMAN

Star Player, Coach and Author of "Winning Basketball"

Question—What can a coach do when his best scoring man is being held scoreless by his opponent?

Answer—He can remove him from the game for a minute or two, give him a chance to rest, and then send him back with instructions to pick a weaker defensive man. The same result can be accomplished if a switch can be signaled for, but in that case his opponent is likely to realize the cause for the change and by picking him up again on the defense, he can prevent the switch from going into effect.

CRICKET SUGGESTIONS ARE IN ORDER

LONDON, Feb. 2 (CP cable)—The Marylebone Cricket club today cabled the Australian cricket board of control that any recommendations it might like to submit regarding the "body line" bowling controversy would be submitted to an imperial cricket conference.

AMERKS' WIN LED BY BRYDGE

Shut Out Montreal Canadiens; Habitants in the Cellar

NEW YORK, Feb. 2. (AP).—Bill Brydge, portly defense player of New York Americans, set the pace tonight as the star spangled team gave one of its flashiest exhibitions of the National Hockey league season in defeating Montreal Canadiens 5-0. The result put the Americans into second place in the International division and the Canadiens into last as Montreal Maroons and Ottawa played tie games.

Brydge passed to Ronnie Martin for the opening goal and scored the second on Red Jackson's pass in a two-goal flurry in the last two minutes of the first period that gave the Americans the decision. He had another assist on the third goal of the game, passing to Willie Starr, and in addition played a great defence game to aid Roy Worters in chalking up a shutout.

Nick Wasnie and Johnny Sheppard scored the other goals with Normie Himes assisting in both tallies.

ORGANIZE STUDY GROUP, ST. PAUL'S

Bible Classes Amalgamate; Miss Barclay, President

St. Paul's girls and boys senior Bible classes have amalgamated, forming a young people's study group which meets every Sunday evening in the vestry. At the organization meeting Miss Peggy Barclay was chosen president, William Bennett, vice-president; Miss Velma McIntyre, secretary-treasurer and Rev. T. J. S. Ferguson, honorary president.

The attendance has been large. Last Sunday Miss Barclay opened the discussion on "Jesus' Standard of Civilization." This Sunday Mose Gurgley will lead in a discussion of "Jesus and Personal Conduct."

BOYS TO SPONSOR SINGER

Sunday, January 29, the boys' choir assisted in the morning service, singing two new hymns from the new hymnal: The premier activity of the boys at present is the sponsoring of a concert to be given by Iwan Davies, Welsh boy soprano.

C.G.I.T. ENTERTAIN

On the occasion of the visit of Miss Mary Rogers of Rossland, St. Paul's C.G.I.T. recently entertained Trinity C.G.I.T. Miss Rogers gave the girls a talk on the romance of the Mission work. Miss Arla Saare gave an account of her visit last summer at Ocean Park. Miss Saare was the Kootenay representative at the provincial C.G.I.T. camp held annually at Ocean Park near Vancouver. Miss Lillian Bennett also gave a vivid description of a day spent at Camp Koolaree on the south shore of Kootenay lake. Last year over 70 C.G.I.T. girls spent 10 happy days at camp.

Mr. Ferguson addressed the girls with a few words of welcome and inspiration, after which games were played and refreshments served. Sixty girls were present.

EGG MOVEMENT SLOW, CRESTON

CRESTON, B C., Feb. 2—Donald Bradley, manager of Creston Farmers' institute, is back from a business visit at points in the Crows Nest Pass in the interests of the institute's egg grading station. The movement of eggs out of Creston at present is somewhat slower than at the same period in other years.

Dowd Cannady of Kellogg, Idaho, is visiting his mother, Mrs. A. Stuart Evans.

Arvid Samuelson has left for Canal Flats, where he is taking over the tie trucking contract of his brother, Godfrey, who earlier in the week had to go to St. Eugene hospital, Cranbrook, for treatment.

E. Foxall of Wynndel was a visitor here on Monday, and reports splendid progress being made in the work of laying the main pipe for the Wynndel irrigation system.

BOARD COUNCIL DROP PROTEST, MOTOR CHANGE

Finds Part-Year Licence Still Available in 1933

WRITE MAP ISSUERS THAT FERRY HERE

First Draft of Standing Committees Is Approved

With later information in hand that cleared up the situation regarding motor licenses and made it plain that the old regulations were still in force for these not taking advantage of the early payment plan, and that nine-months licenses could be taken out on April 1 as usual, for this year anyway, the board of trade council Thursday decided to cancel its recommendation to the full board for a protest to be made to the provincial government in respect to the apparent departure from the principle of part-year licenses.

The 1932 council at its final meeting, on January 5, recommended a protest, but the board referred the question back to it for procuring of further information. The new council, meeting January 19, took the same view as the old one, and drew up a new resolution of practically the same intent. Facts obtained by the Automobile Club of British Columbia, however, show that full-year licenses are not compulsory, for the present year anyway, and with this data in hand, it was agreed to withdraw the recommendation for action.

FERRY NOT SHOWN

In connection with the desire of the board to make the Nelson ferry approach safe for strange motorists, by signs and otherwise, attention was drawn to the fact that two different maps in the possession of the prairie Doukhobor party that drove into the lake here, with tragic results for an old couple, showed the West arm terminated before Nelson was reached and the highway crossing to Nelson over a stream only. It was decided to have the secretary write the different map publishers drawing attention to this inaccuracy and asking correction at the next revision.

A first draft of suggested composition of the board's standing committees for 1933, prepared by President Hamilton and Vice-president Grubbe was approved with some changes, and will be reported to the board next week, the board having referred this matter to the council.

MRS. DRIFFIL IS VISITOR, CRESTON

CRESTON, B. C., Feb. 2—Adam Robertson, who has charge of the school at Sirdar, was a visitor with Mr. and Mrs. S. A. Speers.

Mrs. Driffil of Kitchener is visiting her sister, Mrs. G. A. M. Young.

Mrs. W. H. Kemp and Miss Betty Kemp were weekend visitors with friends in Nelson. Mrs. Kemp is spending the balance of the week a guest of Mrs. W. H. Hilton at North Creston.

R. J. Long, president of the fruit shipping firm of Long, Allan & Long, limited, returned from a short trip that took him to Wenatchee on a holiday visit with his son, Walter, and later to Penticton to attend session of the B.C.F.G.A.

Mrs. Bamford was a visitor with her son, Frank, at Nelson.

Miss Dawson of Nelson spent a few days with Mr. and Mrs. T. W. Bundy this week.

Jay Bliss of Kellogg, Idaho, is renewing acquaintances in Creston and is a guest at the home of Mr. and Mrs. Edward Gardiner.

Miss Margaret Irving has returned to her home at Canal Flats after a month's holiday visit at Creston and Wynndel.

YAHK HOCKEY TEAM BEATEN

YAHK, B. C., Feb. 2—Donald Hamilton and son Thomas were visitors from Cranbrook Saturday. John Williams returned with them.

The Yahk hockey team again went down to defeat to the Creston boys Sunday afternoon. The score was 4-0.

L. Williams and L. Renwick, both employed at Canal Flats, spent the weekend with their families.

WEATHER COLDER

Temperatures continued their downward march as the clear weather held Thursday. The minimum was 8 degrees and the maximum 31.

ANIMAL FILMS SHOWN, SCHOOL

Parks Publicity Director Gives Lecture, Junior High

Animal and outdoor life in various parts of Canada were shown in a number of moving picture films shown at the junior high school Thursday evening by J. Campbell, director of publicity of the national parks of Canada. Mr. Campbell also gave a talk in connection with the pictures.

"Open Skyway in the Rockies," a motor trip from Banff to Golden showing the scenic splendor of that area which has made it a popular play ground for tourists, was one of the first shown.

Between 5000 and 6000 buffalo were shown in a group in the picture "Home of the Buffalo." Buffalo stampedes and roundups were included. One picture depicted a herd of 3000 swimming a lake.

MOUNTAIN SCENERY

A mountain climbing expedition photographed on Mount Victoria, Lake Louise, illustrated the mountain scenery of that district. The picture entitled "The Climb to Conquer" is said to be one of the best photographically to ever come out of the mountains. Wild life in abundance was shown in the films "Hunting Without a Gun," "Here and There with the Birds of Canada," and "Strange Doings in Beaverland." In the first mentioned a grizzly was filmed 300 feet from the camera. White Owl's famous work in animal land is shown in the beaver picture. The group also included a skiing picture.

Creston Hospital Needs New Building

Fire Marshall Urges Changes; Busy Year Reported

CRESTON, B. C., Feb. 2—Creston Valley Hospital association annual meeting was held at Trinity United church hall, with the retiring president, Col. E. Mallandaine, in the chair.

The chairman reviewed the hospital situation for 1932, and among other things suggested that greater efficiency would result if the former plan of choosing directors by districts were abandoned, and attention given to choosing executive members whose place of residence would the more readily permit them to attend the monthly meetings.

He pointed out that early in the year Miss Yurick, through ill health, was forced to resign as matron, and that her place had been ably taken by Miss M. Carr who, with Miss Downes as assistant nurse, and Miss Frances Knott as housekeeper, now constitute a staff that has given excellent satisfaction.

Reference was made to the many gratuitous services rendered the hospital by Reg. Eastlake, and especially to thank him for his generous cash contributions. Mention was also made of the timely help by the Women's institute and other organizations, as well as by the people of the district generally, along with Boswell, Canyon and Erickson auxiliaries. A young ladies' auxiliary came into being early in the year and has done a useful work.

Salary reductions accounted for a saving of $254. A flat rate has been conceded the doctors for their contract patients, but a partial canvass revealed that the proposed sale of year-treatment hospital tickets was not well received.

The fire marshall visited the hospital and has ordered some structural changes. These he felt the board could not afford as the building is still on a rental basis. The lease expires in July.

Fees due from all patients totalled $4478, but of this amount but $2410 has been fully paid up, with $1435 secured by notes. The president reported that in 1932 a government donation of $1500 had been received for the erection of a building and that about half of this had been spent in the purchase of needed equipment.

Surplus of assets over liabilities is $4380, among the assets being $3047 of accounts over due.

Number of patients for year was 203; number of hospital days, 1571; deaths, 7; births, 15; major operations, 28; minor operations, 40; medical cases, 121; surgical cases, 68; per capita cost $2.98.

The government payment on patients treated was $1784. The village contributed $320. Donations were $364.

Amendment to the bylaws was passed, permitting the directors to serve two years. In the choice of 1933 directors the two year directors chosen are Colonel Mallandaine, Frank Putnam, Hilton Young, George Johnson, John Hall, H. A. Powell and F. H. Jackson. Those to serve for one year are A. Spencer, J. G. Abbott, John Wigen, K. Wallace, Mrs. F. Putnam, James Cherrington and Fred Lewis. Mrs R. Stevens will represent the Ladies' Hospital auxiliary. A representative will be named by the village council as well as the provincial government.

NELSON BEATS GRAND FORKS TWO TO ONE

Lighter Boundary Puck Team Plays Speedy Game

PENALTIES MARR A FINE BATTLE

Nelson's Rugged Body Attack Tells on Visitors; Culley Stars

Grand Forks lightweight hockey team was bumped to a 2-1 defeat by the heavier Nelson aggregation in the skating rink Thursday night. From beginning to end it was a stream of penalties with Nelson drawing a total of 13 minutes to four minutes handed to the visiting men by Referee James Notman.

Displaying speed galore the visitors tore into the husky Nelson defence time and again only to be dumped by Richardson or Horswill who used their bodies freely. Trips were numerous. The first period was scoreless. Nelson scored first in the second and Grand Forks evened up and then Ty Culley in a neat solo effort outguessed three Grand Forks men to score the winning goal.

McLEAN HURT

Bill McLean in the Nelson goal was kayoed in the dying minutes of the game when Horswill crashed into the Nelson net and dumped the goalie. McLean, failing, cut his eye on Horswill's skate. Horswill was out for a few moments for he collided heavily with the goal post.

"Baby" Joe Lyden, 16-year-old, 130 pounder, was one of the best men on the ice. This Boundary lad took his bumps without a word and was always a source of trouble. Lyden in goal played a bangup game and saved numerous plays from close in. In Skutaroff and Miller the visitors had a wonderful defence. They played the puck all night. Albert Euerby and Marvin Bailey also turned in excellent games.

Frank O'Genski was playing a whirlwind game all night and he was a marked man. His solo work was pretty. Ty Culley was always dangerous ed he played a heady game throughout. Richardson and Horswill though rough and drawing several penalties between them were stone walls. They used their bodies to great advantage against their lighter opponents. Maxwell was injured in the second period and prior to that he had been in every play.

Grand Forks played a boring-in game but their passing was not as effective as Nelson's. The locals used the new forward pass to perfection gaining breaks that gave the Forks' defence much trouble.

BUMPS AND TRIPS

Grand Forks started strong as play opened and the visitors worked snappy passes to get in on the Nelson defence. The game was only a few minutes old when Richardson dumped Bickerton into the boards and drew a minute. Gillett followed him to the cooler when he tripped Euerby. Gillett returned to the ice to be sent off again, this time for two minutes when he dumped 'Baby' Joe Lyden. Grand Forks was shooting well out and Nelson was bottled up considerably for about the first five minutes. "Old Foxy" Frank O'Genski gave Lyden a lively time but the Forks golaie cleared from close in. Bailey soared in but missed the net with only McLean to beat. Walter Ronald drew a minute when he bumped Richardson. It was fast hockey and McLean went down to save from Winters. Nelson was trying combination but Skuratoff and Miller were breaking up the play at the blue line. Bickerton scored a goal from well out but it was disallowed because Euerby was loafing offside in front of the net. "Baby" Joe Lyden gave the fans a treat when he went through alone to be outguessed by McLean twice. Culley and DeVoin combined nicely to get in on Lyden but the Forks man scooped two shots out in a row. The play shifted in Nelson's favor and Culley, DeVoin and Maxwell swarmed in on Lyden. Nelson started a rugged body checking game that told on the lighter team and the Forks rushes were being broken up. Horswill and Annable had pokes at the goal and Jimmie Miller drew a minute for tangling with Richardson. The period was scoreless and DeVoin drew a minute for slashing Euerby's stick from his hands when the puck was not in play.

O'GENSKI SCORES

Frank O'Genski led the Nelson attack in the second period and he and Richardson went in together and O'Genski drew the first goal on Richardson's pass in two minutes. Miller went through alone but McLean saved. Gillett drew his third penalty and took two minutes for tripping Euerby. Grand Forks made a rush on the goal in three-man formation and Euerby was kayoed by Maxwell's stick accidentally in the corner. Horswill boarded Winters and took a minute's rest. Nelson started a fine defensive game and the Grand Forks rushes were being broken up at the blue line. Grand Forks was using long shots but McLean was on. Individual rushes by Grand Forks men were sandwiched and the bumps taken by the visitors were hard and numerous. Annable parked a hard one on Lyden's pads and then McLean had his turn. He was down to save a hot poke from "Babe" Lyden, who went right into the goal mouth.

MILLER AND CULLEY SCORE

O'Genski and Richardson nearly repeated their score but Lyden booted and batted out three thrusts. Annable drew a minute for tripping Euerby and he no sooner returned to the ice when he was banished for tripping "Babe" Joe Lyden. As the period neared an end Jimmie Miller picked up a loose puck and shooting from the blue line beat McLean in 18 minutes. Bailey and Ronalds swept in and nearly repeated but McLean was on. Then came the prettiest goal of the game. Grand Forks started a rush and Culley intercepted a pass. He had only Winters and Skutaroff to beat. He successfully negotiated both of them and drew Lyden to score. It was the goal that won the game.

The third period opened slowly with Grand Forks showing plainly the heavy pounding they had taken from the Nelson defence. The lighter players were unable to penetrate the Richardson and Horswill defence. The visitors seemed to be holding back waiting for breaks. O'Genski went in alone and with a fine chance to score missed the net. Gillett just missed a fine chance and Jimmie Miller was chased for a minute for dumping Frank O'Genski with a high check at the blue line. Bickerton stickhandled through but was tripped, Babe Lyden, going strong, was passing Richardson and was dumped. Richardson drew a two-minute penalty for the offence, and was followed by Gillett for a minute who tripped Miller. Lyden saved from DeVoin and Euerby missed the net. Culley started another of his solo rushes that had the visitors guessing and he passed Skutaroff who tripped him up. The visiting player took a minute.

It looked bad for Lyden when DeVoin got through but Lyden poked out two in a row while sprawled on the ice. Miller hooked a hot one on McLean's pads from the corner. Grand Forks moved up five men on the blue line to try for a goal and three swept in. Winters had the puck but McLean outguessed him. A second puck flew in. McLean saved There was a scramble in front of the Nelson goal and Horswill dived in to check Winters. He missed and went sliding into the goal, dumping McLean who came in contact with Horswill's skate. Horswill slid into the post and he and McLean were both knocked out. McLean retired with a bad cut under his left eye and Frank Carlson staved off the Grand Forks thrusts for the last three minutes of play. Culley nearly scored on a long, low shot.

The teams:

Grand Forks—Joe Lyden, goal; Jimmie Miller and Alex. Skuratoff, defence; C. Winters, M. Bailey, W. Ronalds, A. Euerby, E. Bickerton and Baby Joe Lyden, forwards. A. Savage and A. DePorter, substitutes.

MORE ABOUT RAILWAY BILL

(Continued From Page One)

misconception, said Hon. C. P. Beaubien, who did not think the senate should endorse such a view.

Senator Donnelly found the section offensive and one which was tantamount in saying that men in public life were of a lower class than others who were not in public life.

The committee inserted into the bill a clause which would make it impossible for a person drawing a pension from any railway company to receive that pension and at the same time hold the appointment of trustee. Discussion on this drew from Hon. James Murdock the statement that Gerard Ruel, former vice-president of the C.N.R., was "flirting with the position" of trustee, although he drew a pension of $8000 from the railway. To this Senator Calder took strong exception, resenting any suggestion that Mr. Ruel was enjoying something which other former officers of the road were not enjoying.

THREE TRUSTEES

In spite of representations from the maritime provinces and elsewhere the committee adhered to the number of trustees being placed at three. The purpose of the commission in recommending that number Rt. Hon. Arthur Meighen, government leader, said, was to ensure the concentration of responsibility in the smallest number. In other sections of the bill the government hoped to meet the claims of the maritimes for adequate representation on the various railway bodies.

An amendment was adopted including the president of the exchequer court and the chairman of the board of railway commissioners among those who would prepare a panel of eight names from whom would be selected men to fill the position of trustee whenever such position became vacant. Acting with these judicial authorities would be the remaining trustees on the board section objectionable in that it cast reflection on parliamentarians who were serving their country. It was merely a concession to a popular

KOOTENAY AND BOUNDARY GAIN BY NEW GRANTS

System of School Grants Aids the Smaller Points

Every municipality in Kootenay and Boundary will gain as a result of the new system under which government grants for school purposes will be issued this year. Figures are as follows:

	New arrangement	Old arrangement
Nelson	$22,117	$17,634
Cranbrook	20,520	13,461
Fernie	16,735	13,875
Grand Forks	7,770	6,289
Revelstoke	17,351	13,712
Greenwood	2,510	1,134
Kaslo	3,126	1,877
Rossland	11,640	7,955
Slocan	2,373	1,538
Trail	21,360	20,288

Larger cities do not fare as well. Vancouver under the old arrangement received $591,005. Under the new plan, it will receive $365,655. Victoria has been getting $92,897. Under the new plan it will receive $55,790. Some of the district municipalities, such as Saanich, will also lose under the new plan. Saanich received $52,060, and in future will get $35,400.

The net result insofar as provincial finances are concerned is a reduction in government grants of nearly half a million dollars.

MORE ABOUT SABOTAGE

Free State was fended off by action of the government which promised to subsidize the railways if they would maintain present wage scales.

It was in protest against wage cuts that the strike was called in Northern Ireland.

The department of defence sought to relieve the situation by sending army lorries to carry home persons stranded in the city and suburbs tonight.

LINEN MILLS MAY CLOSE

BELFAST, Northern Ireland, Feb. 2 (AP)—Ulster's great linen industry was threatened with suspension tonight as the result of a decision of the employers to close their mills because dock workers, in sympathy with railway strikers, refused to handle shipments carried from the mills to the docks by motor vehicle.

Notices that the mills might be closed were posted. Thousands of workers would be affected by such a move.

GUARD VIADUCT

BELFAST, Northern Ireland, Feb. 2 (AP)—Troops went on guard today as the railway strike in protest against a wage cut continued.

Little curtailment in bus service was noticed although a call was issued last night for bus drivers employed by the railway companies to join the strike.

Free State troops began guarding a viaduct over the River Boyne at Drogneda, in County Louth; and soldiers transported in lorries appeared at Dundalk.

TRINITY CIRCLE MARKS BIRTHDAY

Rosslanders Hear of Work of Miss Olive White

ROSSLAND, B. C., Feb. 2—The Women's Friendly circle of St. Andrew's United church held a birthday party Tuesday afternoon, commemorating the fourth anniversary of the founding of the circle. An hour was pleasantly spent with games and music, solos being given by Mrs. W. G. Jones, Mrs. Alfred Hale and Mrs. James Porter. Rev. C. H. Daly offered congratulations to the circle and asked the members to realize their responsibility in helping to make Rossland a better place for young people to grow up in. The supper table was prettily decorated with flowers, and centered with a birthday cake bearing four candles.

The cake was cut by Mrs. C. H. Daly, who spoke of a letter received from Miss Olive Whyte, who had been instrumental in starting the circle four years ago. Miss Whyte is now engaged in the work of the "All People's Mission" carried on by the United church in Windsor, Ont. This mission is doing a great work among the "new" Canadians who have come to this country from all over the world and who are welcoming the friendly hand held out to them. Among other things the workers at the mission care for the mail of over 500 people, who have been made homeless by the depression.

Those in attendance at the birthday party included Mrs. James Porter, Mrs. Alfred Hale, Mrs. William Cunningham, Mrs. William Blackwell, Mrs. Robert Clelland, Mrs. G. W. Binks, Mrs. W. Burgess, Mrs. Ernest Morris, Mrs. E. Eccles, Mrs. J. Godsworthy, Mrs. Earl Petticoart, Mrs. G. R. Mason, Mrs. Cyril Evans, Mrs. F. E. Anderson, Mrs. Ernest Ingham, Mrs. F. M. Erskine, Mrs. G.
