Part of Giant U.S.-Canada Columbia Basin Project; Calgary Firm Wins Contract

VANCOUVER, March 4 (CP)—First definite move in utilization of the power and water resources of the Columbia River basin in Interior British Columbia under an international scheme was made today with announcement that a contract had been awarded to Western Water Wells of Calgary to investigate dam sites along the Kootenay River near Cranbrook.

C. E. Webb, District Chief Engineer of the Dominion Water Power Bureau's Mines and Resources Department, said the contract was awarded for exploratory foundation investigation at Wardner, plumbob and torrent dam sites on the Kootenay River.

The work is part of a huge project being conducted jointly by United States and Canadian authorities and engineers.

Mr. Webb said the countries plan to unite in a development program of the entire Columbia system which stretches from the B.C. Interior through Washington and Oregon.

The studies include utilization of the entire river system for power irrigation and flood control.

Trail Curlers Bring First Title to B.C.

Last Rock on Extra End Against Quebec Brings Dominion Honors to D'Amour Four; Welcome Plans Afoot

By AL VICKERY
Canadian Press Staff Writer

CALGARY, March 4 (CP)—Theo (Frenchy) D'Amour's British Columbia rink Thursday night captured the Canadian curling championship in a thrilling extra-end match by defeating Quebec's popular all French-Canadian foursome 11-10 on the ninth and final draw. It was the first time that the title had gone to the West coast province in the event's 19 years.

Victory was all the sweeter for the Trail, B.C., quartet as only last year they were runners-up to Winnipeg's Jimmy Welsh.

Playing an inspired game before a capacity crowd of 5000, Gaston Amyot's Quebec rink tied the score on the 12th end and forced the bitterly-fought contest into an extra frame, only to lose on D'Amour's final rock.

Immediately after the last game of the draw was completed, stocky Theo D'Amour lead his curlers to the centre of Calgary's Arena where he was presented with the Brier Tankard, emblematic of Dominion curling supremacy. Youthful George Sangster's Manitoba squad received the runner-up award.

All members of the British Columbia rink turned in near-perfect performances throughout the 'spiel from Skip D'Amour down to Lead Jimmy Mark. Second Freddy Wendell and Third Bob McGhie turned in particularly steady games as the rink dropped only one game in nine starts.

From Trail it was learned plans for a giant welcome were already under way, while at Nelson similar plans were being considered.

Following the victory and presentation the new Canadian curling champions were interviewed by well known radio commentators, Bill Good and Doug Smith, once of the D'Amour rinks' home town.

CALGARY, March 4 (CP)—Final standing in the Canadian Curling Championship:

	W	L
British Columbia	8	1
Manitoba	7	2
Northern Ontario	6	3
Ontario	5	4
Saskatchewan	5	4
Alberta	4	5
Nova Scotia	4	5
New Brunswick	3	6
Quebec	3	6
Prince Edward Island	0	9

WITHIN ONE ROCK OF PLAYOFF; MANITOBA SECOND

Manitoba captured the runner-up spot by edging out an 11-8 decision over New Brunswick's Henry Hollies, while Northern Ontario dropped to third place when it lost an 8-6 decision to Gerry Glinz of Nova Scotia. It was Manitoba's seventh win and Northern Ontario's third loss.

Ontario and Saskatchewan wound up in a tie for fourth place, with a 5-4 record, when Jack Patrick's Galt, Ont., foursome scored a decisive 15-5 victory over the winless Prince Edward Island rink, while Saskatchewan was losing by an 11-8 score to Alberta.

Quebec came within one rock of forcing a playoff between British Columbia and Manitoba for the championship as they battled the strong B.C. rink on even terms over most of the route.

Quebec took an early lead with a two-ender on the opening frame, but D'Amour came right back with identical scores on each of the second and third ends. With B.C. leading 7-4 at the end of the seventh, Amyot sent down a fast runner with his last rock on the eighth to take out B.C.'s shot rock and tie the score with a three-ender.

On the next end, Amyot was wide with his last rock and D'Amour took quick advantage of the situation to draw into the house for a two count. He added a singleton on the 10th to go three up.

After a dead 11th end, Quebec knocked out an early B.C. house on the last regulation frame and drew roars of applause from the capacity crowd as Skip Amyot took out B.C.'s shot rock with a difficult running shot and stayed in the house for a three-ender that forced the game into an extra end.

In the extra session, D'amour cleared the house with his first rock, only to have Amyot draw into the eight-foot circle in the rear of the house. With the championship hanging on the throw, D'Amour calmly sent down a perfect draw shot that nudged out Quebec's shot rock, and left B.C. counting one for victory.

INTO LEAD WITH VICTORY OVER NEW BRUNSWICK

B.C. took over first place on the second last draw of the day by walloping New Brunswick 14-6, while Manitoba was losing its second straight game to Northern Ontario by a 16-10 margin.

Closest game of the morning draw was the hard fought British Columbia - Nova Scotia contest that saw D'Amour's rink come from behind to tie the score on the 11th and go on to win 9-7 on the final end.

The loss was a heart-breaker for the game Nova Scotia quartet, who built up a 4-0 lead on the first two ends and were never behind until the final end. The score was tied no less than four times as B. C., sensing their chance at the title with Manitoba falling well behind Ontario, battled grimly for the lead.

On the last end, D'Amour's rink built up an early house then fronted it with well-placed guards that blocked Glinz's attempt to draw into the button.

In the eighth round, aided by Manitoba's second loss of the day, D'Amour's powerful quartet moved into undisputed possession of first place by walloping New Brunswick 14-6.

New Brunswick made a game fight of their contest with British Columbia, being all square at 6-6 on the ninth end, but fell back as the Trail quartet picked up a 3-2-3 count on the last three ends.

D'Amour, using a brilliant running game, picked up one point on the first end, ran it to 4-1 on the sixth. Hollies knocked out two B.C. counters to lie two on the seventh, but D'Amour came right back with a two-ender on the next end.

GRANTS SHOT FOR STOPPED ROCK

Lying two on the ninth, Hollies drew to the button to count three and tie the score at 6-6. D'Amour bunched three in the house on the 10th, covered them with guards and took a commanding lead when New Brunswick failed to penetrate the defence. With New Brunswick lying one on the 11th, D'Amour's rock picked up foreign matter on the way and stopped suddenly. Hollies, amid great applause, granted D'Amour another shot. The Trail skip drew in to count two and put the game on ice. His three on the last end was a matter of formality.

NEIGHBORS BACK GUATEMALA

Canadian Beaten, Correspondents Accused as Spies "PROVOCATION"

By WILLIAM HARDCASTLE

SAN SALVADOR, Salvador, March 4 (Reuters)—Guatemala has won the backing of neighboring countries, including Haiti, Honduras, Mexico and Salvador, in a campaign of "solidarity against British provocation," informed circles here said today.

Guatemala has laid claim to British Honduras and Britain in reply dispatched two cruisers to Belize, the colony's capital, and sent marines and troops ashore.

Guatemala now has a tight censorship as far as British press correspondents are concerned. Major developments, including possible breaking of diplomatic relations with Britain and changes in the Cabinet of the President, Dr. Juan Jose Arevalo.

"PROVOCATION"

Early this week a Canadian, Dr. Thomas Irvin was beaten up but was not severely hurt.

After being accused by the Guatemalan Foreign Office of being spies, I and four other British correspondents flew to this republic South of Guatemala Wednesday to escape the censorship there.

We were greeted here by this front-page headline in El Salvador's morning newspaper, La Tribuna, over a story of the Guatemala-British Honduras dispute: "It Is Not Only Aggression Against Guatemala—It Is Provocation to All Central America."

British Legation officials in Guatemala claimed that they made several compromise proposals during the last six months to settle the British Honduras dispute but all had been rejected.

WIGAN RETURNS LABOR BY 8896 MAJORITY

Government Vote Down From 1945, Conservatives Up

37TH SUCCESS

WIGAN, Lancs., England, March 5 (Friday) (Reuters) — The Labor Government retained its seat in Wigan when R. W. Williams was declared the winner early today in Thursday's by-election.

Williams, a solicitor, had a majority over three other candidates of 8896 votes, which compares with a majority of 16,726 polled by Labor in the 1945 general election.

The result: Williams, 28,941; Harold Dowling, Conservative, 17,446; T. Rowlandson, Communist, 1647; Owen Roberts, who ran as a "King's Cavalier," 932.

Roberts and Rowlandson forfeited their deposits.

The by-election was made necessary by the death Dec. 2 of William Foster.

TORIES GAIN VOTES

An analysis of the poll showed that the total vote of 49,986 was nearly 3000 higher than in 1945, while the Labor vote dropped from 31,392 to 28,941. The Conservative vote was up from 14,666 in 1945, when there was a straight party contest, to 17,466 in yesterday's by-election.

There have been 38 by-elections since Labor won the 1945 general election. Only in one has Labor dropped a seat to the Conservatives.

SAYS CANADIANS' NEEDS MADE SECOND TO U.K.'s

OTTAWA, March 4 (CP) — Maxime Raymond (BP--Beauharnois-LaPrairie) charged today in the Commons that the Government is placing the needs of Britain ahead of those of Canada and as a result Canadians are faced with scarcity in a land of plenty.

The 64-year-old Montreal lawyer who broke from Liberal ranks over the conscription issue during the war, said all Canada's internal and external policies were being made subservient to the needs of the United Kingdom, by a Federal Cabinet that was imperialistic in its outlook.

TAILINGS POND DAM GIVES WAY AT KIMBERLEY

Narrow Escape for Three Workers; Mine Closed for Day

POWER CUT OFF

KIMBERLEY, B. C., March 4—Three Concentrator employees of the Consolidated Mining and Smelting Company had a narrow escape Tuesday afternoon when the dam at the tailings pond gave way.

One man jumped clear but the other two rode a lump of frozen crust as the flow of waste poured down the gully, carrying them with it. The flow engulfed a portion of the Cranbrook-Kimberley railway line and blocked a side road leading to one of the dairy farms.

Part of the power line from Bull River went out, leaving the day shift men to walk out of the Sullivan Mine.

The mine was shut down until Wednesday evening, and the mill operated with only a skeleton crew until the power line was repaired by linemen from Fernie.

Town lighting was switched to the C. M. & S. emergency plant.

COST-OF-LIVING UP ANOTHER 1.8 POINTS

Short 0.5 Point Of All-Time High After First War

BLAME FOODS

VICTORIA, March 5 (CP) — Revision of Provincial Government employees' salaries in the light of Ottawa's announcement that the official cost of living index has climbed to 150.1 as at Feb. 1, may be undertaken by the Executive Council at tomorrow's Cabinet meeting, it was learned here tonight.

OTTAWA, March 4 (CP)—The official cost of living index jumped another 1.8 points during January to reach 150.1 at Feb. 2, against 148.3 at Jan. 2, the Dominion Bureau of Statistics announced today.

In swinging over the 150 mark, the index came within 0.5 points of the all-time high of 150.6, established in the inflationary period which followed the First World War.

The Bureau said that more than half of the January increase was attributable to higher costs of basic foods such as meats, cereals and vegetables. It was in January that the full effect of the higher priced Anglo-Canadian food contracts was felt at the domestic retail price level.

The January advance makes a total rise in the cost of living during the last year—from Feb. 2, 1947, to Feb. 2, 1948—of 22.3 points, while the index has gone up 48.9 per cent since the outbreak of the Second World War.

The index is calculated on the basis 1935-39 equals 100.

Vandals Flood School

Classes Cancelled After Thousands Of Gallons of Water From Fire Hoses Pour Through 3-Storey Building

PRINCE RUPERT, B.C., March 4 (CP)—The three-storey Booth Memorial School today was flooded with thousands of gallons of water from four two-inch hose lines, turned on full-force.

Police said vandals entered the building and opened the valves of four fire hose lines, setting off a deluge that penetrated floors, ceilings and halls and flooded the third floor to a depth of several inches. Classes were cancelled for the day.

School janitor S. L. Peachy, investigating the flooded furnace room which was six inches under water, found two hose lines gushing on the main floor and two on the top floor. In one classroom, a hose nozzle had been placed in a desk drawer and the valve opened wide.

Charges Against Oakalla Conditions Found Unjustified

VICTORIA, March 4 (CP) — Attorney-General Gordon S. Wismer, following an investigation of charges of filthy conditions and unfair padding of prisoners in Oakalla Prison Farm, said today he was satisfied there was no justification for these charges.

The charges were made in a letter by a prisoner to C.C.F. Opposition Leader Harold E. Winch. Smuggled out of the jail, the letter was turned over to Mr. Wismer by Mr. Winch.

Winch Urges Hospital Plan

VICTORIA, March 4 (CP)—It was time the Coalition Government ceased "passing the buck" to Ottawa in the matter of social security proposals, Opposition Leader Harold Winch declared in the Legislature today.

If the Government intended to introduce a contributory hospitalization plan, that plan should be administered by the Government and not tied in with the Blue Cross, which cost a single man $15 a year and a married man $33 for hospital coverage.

Mr. Winch suggested Premier Johnson submit some plan to start the scheme working.

In a breakdown of population, the Opposition leader said that of 1,047,000 now in British Columbia, 291,000 were under 18 years of age and 756,000 over that age. With native Indians and returned soldiers excluded it left 722,000 to be covered. He suggested a $10 tax on these 722,000 plus the $3,000,000 being contributed by the Province and municipalities.

So far as medical and surgical treatment was concerned, he said he was convinced British Columbia could not go all the way provincially; but it could provide for hospitalization until "Ottawa wakes up and we can tie in with a Dominion plan."

Mr. Winch did not consider it possible to remove all education cost from land and improvements; said it was inconceivable that the obligation of industry to conribute should be taken away.

Last year, he stated, Consolidated Mining & Smelting Company made a net profit from exploitation of the metals of the Province of $23,323,000, paid $718,307 to the provincial treasury.

H. R. MacMillan Company made $7,128,294 net profit, paid $102,577 in royalties and stumpage, and latest reports showed Canadian Western Lumber Co. Ltd. with a net profit of $9,000,000, compared with $3,000,000 in 1946.

"The Government is neglecting major sources of revenue while big operators are declaring triple profits," he commented.

BELIEVED BLUDGEONED

LETELLIER, Man., March 4 (CP)—A 65-year-old woman was believed bludgeoned to death today in this small town 55 miles South of Winnipeg and R.C.M.P. were reported to be holding her daughter-in-law for questioning.

Dead is Mrs. Celina Manseau. Said held for questioning is Mrs. Helen Lavoie, at whose home the elderly woman had been living.

Quotes Letter Revealing New Community Plan

VICTORIA, March 4 (CP)—Government "dereliction" in handling the Doukhobor situation in the Kootenay - Boundary country last year has resulted in the nucleus of a new body which may give as much trouble this year, declared Opposition Leader Harold E. Winch in the Legislature today.

While some of the peace disturbers were jailed, the leaders still were free and educated Doukhobors said quick action is necessary if more trouble is to be averted.

The C.C.F. Leader read translation of a letter written by "J. J. Veregin," widely circulated among Doukhobors in the Southern Interior and setting out plans for a new community under inducement of immunity from police control.

"The letter says that members of the new group must declare they will not be naturalized to any country and that any Doukhobor who served in the war must surrender any medals he wears, give up his pension and agree not to fight again for this country," said Mr. Winch. Members also must pay Mr. Veregin $17 a year.

A second letter, signed "Jesus," declared "all man-made laws are superficial and false and cannot be endured."

Will Bar Alien Communists From Canada

OTTAWA, March 4 (CP) — The Federal Government has decided to proceed with the barring of alien Communists from Canada under existing legislation, it was learned today.

For several weeks the Cabinet has been considering the question of how to proceed against the entry of Reds — particularly among labor union officials from the United States—and an informed source said it finally came to the conclusion this week it can move under the Immigration Act.

In line with an interpretation of the Act to this effect after a study by the Justice Department, immediate action for the barring of Reds has been ordered.

It was understood no steps will be taken to deport known or suspected alien Communists already in the country. Action for the time being will be confined to those trying to cross the border.

It was expected, however, that with the expiration of temporary entry permits held by alien Reds now in Canada, these would not be renewed.

Natal Youth Found Dead

NATAL, B.C., March 4—Youthful Ronald McGinnis, age 19, only son of Mr. and Mrs. J. McGinnis of Michel, was found dead in his home here early this morning. It was reported his death resulted from a self-inflicted bullet wound.

Besides leaving his parents he also leaves to mourn a younger sister.

He was an active member of the Michel Air Squadron and was still going to school being in grade 12.

Funeral arrangements have not been completed.

Recommend Finland, Russia Begin Talks

HELSINKI, March 4 (AP) — The influential Swedish People's Party recommended today that Finland begin negotiations with the Soviet Union on Prime Minister Stalin's proposal for a treaty of cooperation.

The Swedish People's Party represents the interests of the Swedish-speaking minority in Finland. However, it exerts a great influence in Finland's foreign affairs.

To Devise Plan To Hold Commercial Rents in Line

By DOUGLAS HOW
Canadian Press Staff Writer

OTTAWA, March 4 (CP)—Government action to curb exorbitant increases when controls are lifted Monday from commercial rentals was seen as a probability tonight.

The Cabinet, faced with protests from many parts of the country, considered the question today.

Little chance was seen in informed quarters that it would go back entirely on its plans for removal of the ceilings, but there appeared to be basis for belief that it would find some way to give tenants a chance to proclaim their grievances if they think the increased rentals are far too high.

Mark Widow's Death "Murder"

BERKELEY, Calif., March 4 (AP)—The mysterious race track death of a 54-year-old widow was labeled murder today by authorities. Crimson nail polish and a middle-aged house painter drew official attention.

The body of Mrs. Hildur Smyth, wrapped in an expensive fur coat, was found crumpled in a parking area at Golden Gate Fields race track in adjoining Albany Tuesday night.

The body bore no marks of violence, but examination of her stomach disclosed traces of collodion—common ingredient of nail polish and certain lacquers.

Taken into custody and held without charge for investigation today was Ray Anderson, a 45-year-old house painter and neighbor of Mrs. Smyth. Police said he had made an engagement with a woman through a "lonely heart" bureau. He denied keeping it.

Albany Police Chief Stanley Williams said the man's shoes fit casts of footprints taken at the scene and there was a red stain on one of his shoes.

Mrs. Smyth was the widow of a maritime worker, and had recently sold her home for $6250.

FINDS DEATH WAS MISFIRED PRANK

VANCOUVER, March 4 (CP)—A youthful prank to scare his father resulted in the death of Walter Paller, 15, Chief Justice Wendell B. Farris found today in awarding Mrs. Bertha Paller, the boy's stepmother, $1000 against the London Life Insurance Company.

He intended "to give his father a scare and did not intend to commit suicide," the Chief Justice said.

The company was contesting payment of a policy on the youth who died Feb. 4, 1947. Liability was contested on grounds that the boy committed suicide by hanging himself.

VANCOUVER, March 4 (CP)—Nigel Morgan, Provincial leader of the Labor-Progressive Party, has sent a letter of protest to Premier Byron Johnson following reports that the Prorvincial Government is planning a sales tax.

BEGIN EFFORTS TO HEAD OFF U. S. MEAT STRIKE

CHICAGO, March 4 (AP) — The United States Conciliation Service today began efforts to head off a country-wide meat-packing strike set for March 16.

Conciliator Thomas G. Cleland summoned officials of the United Packinghouse Workers (C.I.O.) and Swift and Company to a meeting in his office. Similar meetings are planned with Armour and Company next Wednesday, Wilson and Company Thursday and with the Cudahy Packing Company next Friday.

NEW YORK, March 4 (AP) — William (Torchy) Peden of Vancouver and William Anderson of Cleveland forged into the lead tonight in the six-day bicycle race at the 22nd Engineers Armory.

No-Confidence Motion Defeated

By D'ARCY O'DONNELL
Canadian Press Staff Writer

OTTAWA, March 4 (CP) — The Commons voted 173 to 38 tonight to defeat a C.C.F. motion that called for an expression of non-confidence in the Government because of the way it has handled price controls.

John Bracken, Progressive Conservative Leader, said his party could not support the motion which read:

"This House regrets that Your Excellency's advisers have failed to use the powers provided by Parliament to control prices, and by their actions have caused alarming increases in the cost of living and a dangerous lowering of the living standards of the Canadian people."

Mr. Bracken said that if the word "inflation" had been substituted for the word "prices" in the motion his party would have been able to vote for it. His party believed that price controls could only be made to work when everything was controlled.

When the division came, the Progressive Conservatives lined up with the Government against the motion. All the Social Crediters except Patrick, Ashby (SC--Edmonton East), voted with the C.C.F. along with Maxime Raymond (BP--Beauharnois-LaPrairie) and J. I. Hamel (BP--St. Maurice-LeFleche).

EXACTLY 17 YEARS AGO ROOSEVELT STARTED TRADITION-SMASHING CAREER

By ALEXANDER GEORGE

WASHINGTON, March 4 (AP)—Fifteen years ago today tradition-smashing Franklin D. Roosevelt started his Presidential career by smashing a tradition.

When Chief Justice Charles Evans Hughes read the Presidential oath of office, Roosevelt did not follow with the usual phrase-by-phrase repetition of the oath. He waited until Hughes had finished and then repeated the entire 35-word pledge in one unbroken statement.

Then, in an effort to bolster the spirit of a country with a bad case of the hard-times jitters, he launched into a confidence-studded inaugural speech.

"So, first of all," he said, "let me assert my firm belief that the only thing we have to fear is fear itself."

Pledging Government action on "first things first," he said:

"I shall ask the Congress for broad executive power as great as the power that would be given me if we were, in fact, invaded by a foreign foe."

Next day he closed the country's banks until they could be reopened on a sounder footing. Then he called Congress into special session for emergency action.

Eight days after his inauguration, Roosevelt began the series of fireside radio chats which delighted his friends, exasperated his enemies and impressed multitudes of voters.

"My friends" sonorously rolled out of of loudspeakers all over the country. His political showmanship was focussing attention on him as the leader, not of a Party so much, as of a country.

In 10 months he made 20 radio talks, a record-setting performance for a President.

BOMBARDED CONGRESS

During his famous "100 days" Congress swiftly ground out legislation, tailored almost completely to his order. He bombarded Congress with messages. Revolutionary economic measures sometimes swept through both Houses in a single day.

To aid an estimated 12,000,000 unemployed, Congress approved a $3,300,000,000 public works program. A fund of $500,000,000 was voted for States which matched Federal money in furnishing food and shelter for the needy.

Other billions were voted to help families threatened with the loss of homes and farms by mortgage foreclosures. A crop control program, with bonuses for farmer participants, was aimed at curtailing production and boosting prices for farm products.

Battleship Scuttled

PEARL HARBOR, March 4 (AP)—The battleship Pennsylvania, survivor of the Pearl Harbor debacle and two atomic blasts, was scuttled near Kwajalein Feb. 10, the Navy announced today.

"Damage received at Okinawa was mainly resposible for the unseaworthiness of the Pennsylvania, and not damage inflicted during the atomic bomb tests" at Bikini in July, 1946, the Navy said.

MONTREAL, March 4—Continuation of an unofficial strike of ship repair workers in Liverpool, England, has forced the Canadian Pacific to cancel one of the two remaining round voyages which the liner Empress of Canada was scheduled to make between this port and Halifax and St. John before returning to the St. Lawrence route in April it was announced today by H. B. Beaumont, Steamship Passenger Traffic Manager for the C.P.R.

BRAUND TO TAKE CANCER CURE FORMULA "TO THE GRAVE"

By LESLIE BRODIE
Canadian Press Correspondent

SYDNEY, Australia, March 4 (CP)—All efforts by doctors interested in cancer to get John Braund, 78-year-old Sydney layman who claims he can cure the disease, to reveal his formula have proved fruitless.

Braund, referring to a request for the formula by a cancer specialist at Manchester, England, said in a Press interview: "Why should I give it to them, or to the Yanks or the Canadians or anybody. I'll take it to the grave with me."

Raising his voice to a high pitch, Braund continued: "Why, I wouldn't give it to my own father and him a surgeon—aye, a surgeon."

Meanwhile, the widely-read Sydney columnist, David McNicoll, said that Sydney's doctors played a "cunning game in the Braund business."

"The boys are convinced that they know the fluid which Braund pumps into his patients—but they want admission from Braund himself.

"What they are banking on is the death of a Braund patient before the patient is turned over to a doctor.

"If this happens, there won't be a death certificate and the matter will come before the coroner.

"Then Braund will have to reveal his formula—or else."

4500 Saw D'Amour Edged 9-8 In Thrilling B. C.-Manitoba Game; Trail Planning Welcome Celebration

CALGARY, March 4 (CP) — His last stone won Wednesday night's British Columbia-Manitoba thriller for youthful George Sangster of the Winnipeg Granite Club, who defeated Theo D'Amour's Trail foursome 9-8 in the Canadian Curling Championship.

D'Amour's first defeat came on the sixth draw when Sangster scored a two-ender on the 12th end to eke out the decision in a battle in which the lead changed hands six times and was tied twice.

The majority of 4500 fans kept their eyes glued on the game which saw D'Amour take an early lead, scoring one on each of the first two ends, then after Manitoba tallied a singleton on the third, come back for two more counters on the fourth and fifth ends.

When D'Amour was wide on his last rock on the sixth and Manitoba was lying two, Skip Sangster rose to the occasion, drawing in to count three and tie the score at 4-4. Manitoba took the lead for the first time with a single on the seventh, but British Columbia, behind the brilliant shooting of the top men, reared back with a two-ender on the eight. The lead went back to Sangster on the ninth as he split B.C.s two counters to lie shot on the four-foot ring and hold a second on the 12-foot circle.

D'Amour tied the count on the 10th, then went one up on the 11th. Not to be outdone, Sangster, lying second best rock, carefully drew onto B.C's shot rock with his last stone, clearing it out and counting to win 9-8.

Smokies Thrash Leafs 8-0 in Semis Opener

TRAIL, B.C., March 4—Trail Smoke Eaters dominated three periods of the opening Western International Hockey League semi-finals game at the Smokie City Thursday night to shut out the Nelson Maple Leafs 8-0.

From the start the Leafs attempted to employ "kitty bar the door" tactics which gave them a 1-0 shutout in the first of the semi-final series last year, but weren't strong enough to force the play. The Smokies broke up the early Leafian attacks and from there in it was a Trail picture all the way.

Coordinated, high pressure plays were the undoing of the Leafs who were unable to match the Smokies' stamina once the Trailites started rolling.

While the Smoke Eaters pulled together with sparkling efficiency the Leafs fell apart in every department. All the power seemingly lay with the victors leaving little else for the Leafs to do but watch the goals stack up.

From the opening whistle it was an all-out smashing brand of hockey, the type which has been waged by the orange and black since hockey came into being in the Kootenays. No punches were pulled or holds barred as the playdowns start on their way. Speed, the earmark of the Leafs, gave the Nelsonites several breaks in the early minutes of the play before the stalwart defences of the Smokies stymied the Leafs' attacks and turned the tide which never again flowed in Nelson direction.

CLEMENTS OPENS

As the clock swung around to the six minute mark Zeke Clements combined with Frank Turik to open the scoring. Turik carried the puck and the Nelson defencemen into the the boards and passed out to Clements, who was in the clear, to fire point blank at Harry Barefoot in the Nelson nets.

The Smokies capitalized on a one man advantage when Don McLean was waved off for a trip, with Cronie and Secco carrying the play into Nelson territory. Secco fed the pass to Sutherland at the Nelson blueline and Sutherland rifled the disc into the corner past the frustrate Barefoot.

Trail went into a three goal lead from Frank Turik's effort at the 16-minute mark, the goal was set up by Cavanaugh and the Trailites were ahead 3-0 at the end of the period.

Going into the second with a three goal lead the Smokies maintained the pressure and the goals continued to pile up. Hefty Zeke Clements notched up his second goal of the game when he rifled Turik's pass early in the frame.

Dave Nicol widened the gap to five goals at 6:34 when he broke alone to nick Barefoot for the fifth unanswered goal. Ab Cronie, Pilot of the Smokies and veteran performer with the Trail crew since the 30's, sent his team into a 6-0 lead at the eight minute mark in the same period. Rookie Archie Scott carried the rubber around George Barefoot while Cronie, pivoting around Gordie Smith, received the pass and fired a sizzler past the Nelson goalie.

Although Trail was leading by six goals as they started the third they still harried the hapless Leafs. Frank Turik unassisted made it 7-0 from a lone effort which saw the Trail centreman go through the entire Leaf defence to earn his second goal in the game with less than five minutes to go. Zeke Clements topped off a terrific performance by coming through for Trail's eighth goal. Anderson was play maker on the tally, passing out to Clements who made no mistake with Barefoot at close quarters.

Lineups:

Trail — Scodellaro; Christensen, Anderson, DePaolis, Sutherland, Turik, Clements, Cavanaugh, Scott, Nicol, Secco.

Nelson—H. Barefoot; G. Barefoot, Huddleston, Smith, Tatchell, Fargher, McLean, Hryciuk, Winlaw, Koehle, Vickers, Haldane, Allen.

TRAIL ALL-STARS OUST NELSON; FACE KIMBERLEY INTERMEDS NEXT

Trail All-Stars eliminated Nelson Legionnaires from the B.C. Intermediate hockey playoff picture Thursday night by trouncing them 13-5 in the second and final game of the West Kootenay series at the Nelson arena.

All-Stars won the opener last Sunday in Trail by a score of 5-1 to sweep the series on a total-goal count of 18-6. The Smelter city squad now meet Kimberley 67's in the Kootenay finals at Trail March 9 and 10.

The winners turned in a great game, and on the night's play, look like a good bet to repeat their showing of last season when they copped the British Columbia title. Their offensive and defensive play left little to be desired. Trail forwards worked their way onto Legion goalie Fred Madden's doorstep time and again with their smooth-passing and only yeomen service on Madden's part kept the count down to 13 goals.

The classy Smelter leaguers poured in seven goals in the opening stanza, sank two more in the middle session and closed off with four counters in the final chapter.

NELSON IN EARLY LEAD

Legionnaires got off to an early start in the game when they flashed the light twice in the early stages of the first period to start their few faithful followers dreaming of an upset. Fritz Koehle put the locals one up when he scored on a solo effort at the one minute mark and Doug Allen's goal four minutes later sent Nelson ahead 2-0. Trail, however, began their goal parade a few minutes later and in rapid fire erased Nelson's lead and forged ahead.

Ron Nash tallied twice in the final period and Don Ross once to complete Legionnaires' scoring.

Julie Bilesky paced the attack for the winners with three goals and an assist. Gordie Robertson and Ken Stanton scored two goals apiece.

Nine penalties were handed out in the fray by Referees Gerry Wheatley and Johnny Lang. Don Ross and Fungo Mondin lead the penalty parade with five minutes apiece for fighting plus two-minute stretches apiece.

SUMMARY

First period — 1. Nelson, Koehle (unassisted) 1:00; 2. Nelson, Allen (Koehle) 5:04; 3. Trail, J. Bilesky (Smith) 7:00; 4. Trail, Robertson (J. Bilesky); 5. Trail, J. Bilesky (Stanton) 8:14; 6. Trail, W. Milne (R. Marshall); 7. Trail, J. Bilesky (unassisted) 14:00; 8. Trail, Stanton (Robertson) 15:55; 9. Trail, Dunn (unassisted) 17:03.

Penalties — Nelson, Kraft; Trail, Dunn.

Second period—10. Trail, Sammartino (Kwasnie, Dunn) 1:13; 11. Trail, B. Milne (R. Marshall) 14:00;

Penalties—Trail, Mondin (2), Nelson, Ross.

Third period—12. Nelson, Nash (Ludlow) :55; 13. Nelson, Nash (unassisted) 2:00; 14. Trail, Stanton (Robertson) 5:18; 15. Trail, B. Milne (unassisted) 10:07; 16. Trail, Robertson (J. Bilesky) 10:50; 17. Trail, Kwasney (unassisted) 15:00; 18. Nelson, Ross (Koehle) 16:13.

Penalties — Nelson, Kuhn, H. Wassick, Ross; Trail, Sammartino.

DIGESTION OFF?
Jittery? Pepless?
—*Your Nerves May Need Feeding*

Every act—every movement of your body, no matter how small, is controlled by nerves. When nerves lack nourishment, every function of your body may suffer . . . digestion . . . bowels . . . muscles. You may sleep poorly, feel depressed, physically and nervously exhausted.

An impoverished blood condition due to lack of sufficient iron is often accompanied by nervousness, for nerves may thus fail to get their proper nourishment. So if you are nervous, rundown, pepless and tired with sluggish digestion and bowels because of this condition try Dr. Williams Pink Pills. They not only help build up the blood but they supply Vitamin B-1 which contributes to the normal functioning of the nervous system and the digestive tract. Then see what a difference your improved blood condition may make, not only in your energy and strength but in your nerves, digestion and bowel action. Get Dr. Williams Pink Pills today from your druggist.

BABY'S COLDS
Help Nature To Fight Them Off

Medical Science denies there is any such thing as a cure for colds—only Nature herself can do it. So when baby's sniffles, or stuffy breathing warn you of a cold's presence—cooperate at once with Nature.

See that baby is kept warm, gets plenty of sleep and take extra care that the bowels are thoroughly cleared of harmful wastes. To do this without upsetting baby's whole system and further weakening it, try Baby's Own Tablets. Mild, yet act promptly in getting rid of the irritating materials that make baby restless and feverish. Mrs. George McBride of Scarboro says: "My baby of 26 months caught a nasty cold so I tried Baby's Own Tablets and she threw this cold off quicker than ever before. I certainly am for Baby's Own Tablets from now on." Effective also in teething troubles, constipation and other simple baby ailments. 25¢.

16-Man Citizens' Committee To Back 24th Field Battery at Nelson

Formation of a 16-man Citizens' Committee, to further efforts of the 111th H.A.A. Battery, R.C.A., at Nelson, has been announced.

Converted to a heavy anti-aircraft battery from a field battery, the force will be turning in existing equipment and receiving an issue of heavy anti-aircraft guns soon, and the Committee has been formed to do "whatever possible" to support the unit.

Major E. W. White, Officer Commanding, and other members of the battery, recently returned after attending a Winter training school at Wainwright, Alta., which proved instructional, it was reported.

The Chairman of the local Citizens' Committee, A. S. Horswill, and Capt. J. J. Morey, will attend a G.O.C.'s conference at Headquarters, B.C. area, in Vancouver March 20 and 21. Capt. Morey will represent the Battery, and Mr. Horswill, the Committee. John Erb may also be present.

Members of the Committee are Ald. B. C. Affleck, Harry Burns, Mayor T. H. Waters, E. T. Bodard, John Erb, G. F. Hilliard, W. Hendricks, H. D. Harrison, A. S. Horswill, E. A. Mann, A. M. Parker, Ald. T. S. Shorthouse, J. B. Stark, G. W. Sterling, Benny Sutherland and H. E. Thain.

Sub-committees have been set up as follows:

Finance—G. W. Sterling and John Erb.

Recruiting—E. T. Bodard, Ald. T. S. Shorthouse and G. F. Hilliard.

Publicity—J. B. Stark, Ald. B. C. Affleck and L. M. McBride.

Entertainment — W. G. Harold, Chairman and A. M. Parker.

INVERMERE

INVERMERE, B.C. — Late afternoon sunlight shone through the West window of Trinity United Church, upon the groom and his bride as Gordon Ellison Cleland, only son of Mr. and Mrs. W. Howard Cleland of Invermere, exchanged marriage vows with Patricia Doreen second daughter of Mr. and Mrs. "Ec" Phillips of the Elkhorn Guest Ranch at Windermere. The ceremony was performed by Rev. A. E. Weaver. White slipper satin gathered to a fitted waist and with a yoke of net fashioned the demure and lovely gown chosen by the bride for her wedding. With it she wore a finger tip veil of embroidered net held at the head by a spray of orange blossom. Her bouquet of red roses and fern was striking against the gleaming satin gown, with which she wore her groom's gift, a pearl necklace and matching earrings. The bride was attended by the groom's sister, Miss Allison Cleland. James Frater supported the groom. Graduated white tapers in silver candlesticks and vases of pink and white aquilegia on the chancel rail which was banked with cedar sprays made an effective background for the ceremony. Miss Gladys Pitts officiated at the organ. A reception was held at the home of the groom's parents. A lace and linen cloth was used on the bride's table where the wedding cake was flanked by white tapers in silver holders and pink and white aquilegia. A family dinner was held following the reception and later the wedding party attended the Legion dance. For the honeymoon at the Coast the bride travelled in a two piece suit of grey wool with which she wore navy blue accessories. Upon their return the young couple will reside at Invermere. The bride came to the Windermere District with Mr. and Mrs. Phillips from the Cariboo two years ago. The groom was born and brought up in Invermere and attended the Athalmer-Invermere school. During the war he was in the Air Force and since his return has been on the staff of the Invermere Contracting Company.

J. Burnstill Leaves Invermere Post

INVERMERE, B.C., March 3 — James Burnstill, station master at Lake Windermere station for the past six years left Tuesday for Kelowna where he has been promoted to station master. Mrs. Burnstill and daughters, Marjory and Dorothy will remain until later in the Spring.

Mr. Burnstill has taken a full part in community life.

As Chairman of No. 4 Windermere District School Board Mr. Burnstill had a heavy task in organizing the new enlarged district and local schools. He was also a member of the Board of Management for the Lake Windermere Memorial Community Centre and served Trinity United Church on the Board.

He is being relieved temporarily by Norman Palmason, son of Mr. and Mrs. A. Palmason of Athalmer, who was Mr. Burnstill's assistant for some time. P. Litya, formerly of Vernon, recently of Merritt will arrive later as station agent.

Out of the Shadows

by Gregory Clark

The doctors, the nurses, his mother, his sisters . . . they told him who he was.

He, they said, was a musician. His mother spoke of what a talented little boy he had been—a prodigy. His sisters tried to recall to his memory incidents of his shy youth, his gifted manhood—concerts, dance bands, symphonies . . .

They told him, too, that he had joined the Navy; served in the North Atlantic; off Africa; off the Normandy beaches.

Words without meaning

To his clouded mind it meant nothing. He was in the neuro-psychiatric ward of a great new Veterans' hospital.

One day his sisters took this young man for a walk. Along bright corridors; down an elevator; through a great quiet tunnel.

At its end they came into another building, bearing no resemblance to any hospital. It is more like a comfortable attractively-furnished home, with pleasing decorations, inviting easy chairs and a baby-grand piano. Flowers are there, and girls in a well-remembered uniform. The Red Cross uniform. For this is a Red Cross Lodge.

Guided by his sisters, the young man came slowly out of the tunnel. He glanced vacantly about him. But, all at once, he buttoned his blue jacket—strolled casually across the room as though he had been there a hundred times, although he had never seen it before. He sat down at the piano. His fingers ran lightly over the keys.

Other men in blue

He didn't come out of the darkness immediately. It was days, weeks, before complete sunrise followed the slow dawn.

At first, he played only to himself. Just fragments of song, bits of Chopin, snatches of messroom ballads. Then he noticed—his smile less vacant now—that what he had he could share. For other men in blue had begun to cluster around the piano.

Long ago this young man left the hospital—cured.

Would any piano have done it? I don't know. But, to me, the piano in itself is unimportant. The significant thing is that this miraculous restoration of a brilliant musician's faculties was accomplished in surroundings planned, for the care and comfort of the afflicted, by the Red Cross. An organization always at hand whenever or wherever Humanity is in distress.

Red Cross Services include: Blood Transfusion, Outpost Hospitals, Aid to Sick and Disabled Veterans, Treatment for Crippled Children, Disaster Relief, Nutrition Services, Home Nursing Courses, Swimming and Water Safety, etc.

The work of mercy never ends . . . Give generously to the CANADIAN RED CROSS

Michael "Not Bound" By Forced Abdication

LONDON, March 4 (AP)—Former King Michael of Romania today said his abdication was forced upon him and he does not consider himself bound by it.

Michael sails Friday for the United States. He had lunch today with the Royal Family at Buckingham Palace, and then issued a statement saying:

"At the present moment it is no longer necessary to insist on the circumstances and causes of certain political events.

"The motives of the profound political changes imposed on the small states of Eastern Europe are already too well known.

"As far as Romania is concerned, I want to avail myself of the first possibility personally to confirm the acts as they happened. "On the morning of Dec. 30, 1947, Mr. Petru Groza and Gheorguiu-Dej, members of the Romanian Cabinet, presented to me the text of the Act of Abdication, urging me to sign it at once. Both of them came to the Royal palace after it had been surrounded by armed detachments, informing me that they would hold me responsible for the bloodshed which will follow as a consequence of the instructions already issued by them in case I should not sign within the time limit.

"This act was imposed to me by force, by a Government installed and maintained in power by a foreign country, a Government utterly unrepresentative of the will of the Romanian people.

"This Government had violated international pledges binding them to respect the political freedom of the Romanian people, had falsified the elections and annihilated the democratic political leaders who enjoyed the confidence of the country.

"The removal of the Monarchy constitutes a new act of violence in the policy of the enslavement of Romania. In these conditions I do not consider myself bound, in any way, by this act imposed upon me.

"With unshaken faith in our future, animated by the same devotion and will to work, I will continue to serve the Romanian people with which my destiny is inexorably bound."

The Foreign Office here said of Michael's statement:

"At the time he left the throne, we recalled that he had played a great part in helping to release Romania from the Fascist yoke.

"We also recalled that he was one of the rare recipients of the Soviet Order of Victory. That is still our only comment."

CORPORATION BONDS MOVE DOWNWARD

By The Canadian Press

Corporation bonds moved downward for the second time this week and were quoted at from 50 cents to more than $1 lower at Toronto yesterday. Added to the drop Monday and to the sharper retreat late last year, the list averages about $4 lower than prices quoted in mid-1947.

In tracing the decline of these fixed-interest securities, a close parallel is found in the price trend of government bonds. In each instance the drop in corporation bond prices followed similar action of government bonds. The net result is an upward pressure on interest rates and an added cost to industry.

Since corporation bonds originally were sold to bear a fixed rate of interest, the lower price now quoted raises the yield, returning more interest to the investor. This, in turn, means that any bond issue floated now must offer a competitive yield or it will not find ready sale.

In other words, industry seeking funds for plant expansion, inventory addition or service improvement must be prepared to pay more for money borrowed and, also, must be prepared for profits reduced to the extent of the extra cost.

Match Production Outlined To Nelson Nurses

Production of matches was described to members of the Nelson Chapter, Registered Nurses' Association, meeting in the Nurses' Home Tuesday night, by R. E. Horton. Mr. Horton, Manager of W. W. Powell Company Ltd. here, told of the complete process by which a match is manufactured.

The gathering chose Miss Elsie Suran, Nelson nurse, as representative of Nelson chapter to the annual meeting of the Registered Nurses' Association of B.C., at Victoria April 2 and 3.

Plans for the Red Cross home nursing classes were discussed. The classes will be held Friday evenings in the City Hall, first meeting date to be announced later.

Arrangements were also made for a bake sale in late March.

The following letter, received from a hospital in Vienna, Austria, to which parcels of clothing were shipped from the Association early in December, was read:

To the Graduate Nurses' Association:

This is to thank the Nurses' Association very much for sending me two parcels with used clothing. I was so very glad to have it because for us everything is of greatest value.

Here in my school I have about 120 young student nurses, and they are all awfully short in all sorts of clothing, so everything is of greatest help.

One of our greatest problems is how to get nurses' uniforms. If we don't get anything I can't start with a new course in the Autumn, but notwithstanding all this great difficulty in clothing and heating and shortage of food and all the other general problems, we do our nursing work with great pleasure and diligence.

We have here in our Hospital the greatest and oldest school for nursing in Austria, and the nurses' equipment is fairly well, because we were not bombed.

During the two years of education the student nurses are living here in the school, and I love it to be here always with these young people. Even the student nurses have to work very hard. We are always short of nurses, or perhaps, let us say better, short of good nurses. The bad wartime brought so many so-called nurses in our profession, who are unsuited for our work.

I remember with the greatest pleasure the beautiful time I spent in America for the International Congress, and I do hope to meet again all the nurses in 1949 in Sweden.

I hope not to be unmodest, if I ask you to send me if possible one or the other clothing, or whatever you can miss. My young nurses will be very thankful.

Yours very sincerely,
SCHEWSTR VILMA ANGERER.

T.L.C. FAVORS NATIONAL SOCIAL SECURITY PLAN

By GEORGE RONALD
Canadian Press Staff Writer

OTTAWA, March 4 (CP) — The Trades and Labor Congress said today in a brief presented to the cabinet that Canada has "urgent need" of a national social security program.

The T. L. C. said it favors social security legislation on a contributory basis covering all citizens regardless of income. The program should include, in addition to the existing unemployment insurance plan, "a full and comprehensive health-insurance scheme, accident and hospitalization benefits, old-age pensions, mothers' and widows' allowances."

The Congress reiterated its desire for price controls, a national labor code, strengthening of the Unemployment Insurance Act, "proper" old-age pensions, increases in income tax exemptions and a "comprehensive" national housing scheme.

Other recommendations:

1. That immigration be the "exclusive responsibility" of Government.

2. That the vote be given to all citizens over 18.

3. Prohibition of injunctions in labor disputes "at least until both sides have been given an opportunity of appearing and stating their side of the case."

4. A 40-hour work week for all employees under Federal jurisdiction.

5. Maintenance of the CBC "as a Government-owned utility with full control in the issuing of licences for the operation of all Canadian broadcasting stations."

6. Appointment of a Parliamentary Committee to examine and amend the Canada Shipping Act.

Prime Minister Mackenzie King, replying to the T.L.C.'s annual submission, said it contained nothing with which he agrees more wholeheartedly than an "all-embracing social security program."

He supported all related points in the Congress brief: Legislation on a contributory basis, applicable to all citizens regardless of income; health insurance, accident and hospital benefits, old-age pensions, mothers' and widows' allowances and unemployment insurance.

No sweeping progress should be expected within the next few years but he hoped some improvements to existing legislation could be added each year.

NATIONAL HEALTH MEMBERS TO VOTE ON LIQUIDATION

Members of the National Health Association have been notified that at a special general meeting in Vancouver March 15 an extraordinary resolution for the voluntary liquidation of the association will be put forward for vote.

National Health Tuesday voluntarily halted operations when Attorney-General Gordon S. Wismer announced that he had suspended two other health associations.

A letter, informing members of the Company's intentions, read:

"In view of the fact that the British Columbia Government has decided to bring into effect the Legislation passed last year, which requires all Societies to qualify under the Insurance Act, and this would necessitate, in order that National Health Association could qualify, a heavy assessment upon the members, your Directors will recommend at the forth-coming special general meeting of members, that an extraordinary resolution be passed for the voluntary liquidation of the Association."

VICTORIA, March 4 (CP) — Ten health and accident associations which have not yet registered under the Insurance Act will be given "a reasonable time leeway," Supt. of Insurance S. W. Taylor said today.

There are eleven such associations in the Province, and only one has filed application for registration. The Associations came under the control of the Insurance Act Monday.

"It is not my intention to take drastic action immediately," said Mr. Taylor. "They will be given reasonable time to apply for licences."

17 JEWS KILLED IN ARAB AMBUSH

By CARTER L. DAVIDSON

JERUSALEM, March 4 (AP)—Arabs ambushed a Hagana patrol near Ramallah today and police said 17 Jewish militiamen were killed.

Arab sources said the patrol was trying to penetrate through the hills to lay mines on the highway when it encountered Arab defenders, a two-hour gunfight resulted. There was no estimate of Arab casualties.

Arabs said the Jewish patrol came from Kalandiya Settlement, which adjoins the airport where the advance party of the United Nations Commission, charged with carrying out Holy Land partition, landed yesterday.

The Ramallah Road is the only outlet to the North and West of Jerusalem which Arabs have used since the partition vote last November.

British heavy guns roared out in the Holy Land during the night under Britain's new policy of firing impartially on Jewish or Arab aggressors.

In London, the Earl of Cork and Orrery, a retired Admiral of the Fleet, predicted a Russian airborne landing in Palestine after British troops withdraw.

He told the House of Lords during a Foreign Affairs debate last night that a large scale civil war between Arabs and Jews probably would follow the British departure unless an international police force were established.

GOV'T RELAXES IMPORT BAN ON CARROTS

Move to Meet Growing Shortage of Carrots in Canada

SET CEILING

OTTAWA, March 4 (CP) — To meet a growing shortage of carrots, the Prices Board today announced relaxation of the import ban against them and simultaneously set price ceilings on domestic and imported carrots at 10 cents a pound, effective March 5.

Imports confined to carrots without tops, will be allowed in under temporary general permit after March 15, the statement said. The dual move will lower prices on domestic stocks and control the imported product.

Decision to relax the import ban follows the policy announced by Finance Minister Abbott last November that "supplies of basic foodstuffs will be augmented if shortages occur."

TWO PRICE ZONES

For purposes of pricing at wholesale and retail, two zones are established. Zone No. 1 is comprised of the Southern and central areas of all Provinces plus the Island of Montreal, and Zone No. 2, to be in the Northern portions of all Provinces plus the Maritimes.

The wholesalers' maximum selling price for carrots is 7 cents a pound if his place of business is in Zone 1 and 7¼ cents a pound in Zone 2.

Maximum markup—on margin of profit—allowed a retailer who buys from a wholesale distributor must not exceed 30 per cent. The direct importing retailer is allowed a markup of 35 per cent based on a laid down cost of 6 cents a pound in Zone 1 and 6¼ cents a pound in Zone 2.

The statement emphasized that all sellers are required to sell carrots by weight and without tops.

Early Day Farming

Oranges and lemons were probably the first fruits to have been planted in Canada, at least they were in Nova Scotia as long ago as 1610, when a settler's son planted seeds of these citrus fruits "which grew shoots a foot high in the space of three months." It is probable that apples were planted at about the same time, although there is no direct reference to apple trees in the Maritimes before 1633. In an interesting paper Arthur Kelsall, Superintendent of the Dominion Experimental Station at Kentville, N. S., has sketched some of the early history of Canadian agriculture, which had its beginning around the Nova Scotia coast.

A type of agriculture had developed before the arrival of the white man, and corn (maize), beans, squash and sunflowers were grown by the Indians. The Indians' peace-pipe was not the tobacco of today, but probably the leaves of the wild low-growing plant Lobelia inflata which contains an alkaloid similar to that of nicotine in tobacco. It is possible they even cultivated this plant, which now has the common name Indian Tobacco. Jacques Cartier in 1534, commented on "a wild wheat like rye, which seems to have been sown and cultivated." This was probably wild rye or Indian Wheat, and it seems likely that the Indians cultivated it as well as harvesting it from its wild state.

Though the first persons to establish permanent settlement did not arrive until 1604, the previous hundred years had witnessed attempts at colonization by English, French, Portuguese and Spaniards at various points in both Canada and the United States. Cattle and swine appear to have been landed at Canso and Sable Island as early as 1518, and again in 1550 and 1583, but historians differ as to the fate of the animals. There is some evidence that descendants of these animals were found on the island early in 1600, though one authority claims that they were from the wreck of a Spanish vessel which had for its objective the establishment of a settlement in Cape Breton.

Cultivation of agricultural crops goes back to early days. Jacques Cartier sowed turnip seed in 1534 somewhere in the vicinity of the present city of Montreal, but no settlement was established. Probably the first wheat field in North America was planted in 1604 at what is now the town of St. Stephen, N. S., by a group of French settlers under Poutrincourt. By 1606 there is reference to the sowing of wheat, barley, rye, hemp, peas, cabbage, radish and flax at Port Royal (now Annapolis Royal). These crops suggest the beginning of vegetable gardening in Canada and the culture of crops for cloth and rope. In the same year the erection of fences, sheds for hogs and the enclosure of fields and the erection of a water mill for grinding feed is reported—undoubtedly the first mechanical industry in North America. In 1610 horses, cattle, iron ploughs and various seeds were imported from France.

Something approaching mixed farming must have developed by 1613, for the writer Lescarbot reports a piratical raid in that year by British settlers from Virginia. "They went off," he writes, "to a wood a league distant from the aforesaid habitation to capture a number of swine which had been driven there to feed and eat acorns, and from there to a meadow where the horses, mares and colts were usually sent, and took all. Then they went to the spot where the ploughing was going on."

In 1634 a seminary was established at Lequille, South of Port Royal, to educate Indian youths in the Christian faith and to teach them European methods of agriculture. Though the latter objective was not achieved, it is probably the first record of an agricultural school in North America. Land reclamation, and the construction of dykes, had an early start, too, for writing of Port Royal at about the same period, an early author says: "There is a great extent of meadows which the tide overflowed and which D'Aulnay and de Charnisay caused to be made dry."

Whale Steaks Build Up Boat Crews

Crews for the famous Oxford and Cambridge boat race, due to be rowed at the end of March, are training hard. A pretty grim problem has faced both of them—food; and they've tried out various ways of adding to their rations.

The Oxford team has secured a large quantity of whale steaks—hardly a substitute for the roast beef of prewar years, but better than nothing. Last semester some of the men in the trial eights had frozen whale meat kept in the college icebox, and served to them with their dinner. This semester pretty well all the rowing men are eating whale.

Cambridge has bought a Boat Club cow, and members of the crew are learning to milk her! She's kept on a farm just outside Cambridge, and is making a welcome addition to the crew's one quart a week milk ration.

Bread and potato rationing have hit both sides—they get ravenous after a hard afternoon on the river and there's nothing much to fill up with. The race itself will use up 3000 calories, and each practice costs every man 2500 calories. That doesn't leave much out of the daily United Kingdom average of 2700 calories a day, to ride a cycle home. The Cambridge coach insists on a hot cup of meat extract—not rationed—immediately after rowing. He says his crew's physique is just as good as prewar, but they're not as well nourished.

Whale steak, when available, is increasing in popularity with Britain's housewives too. All have their own ideas on how to cook it. The secret of the success of whale meat lies in the cooking. When it has been skilfully prepared and served with onions or suitable seasonings, many people have been deceived into thinking they were eating beefsteak.

In Herman Melville's tale, "Moby Dick," the second mate gives his recipe for cooking whale: "Hold the steak in one hand and a live coal to it with the other; that done, dish it." This method, however, does not receive the approval of the experts, who all advise fairly slow cooking!

Why Not Gov't Plan of Compulsory Insurance for Cars?

To the Editor:

Sir—Now that the "Letters to the Editor" column seems to be getting away from the Duck Lake argument, I wonder if you'd have a little space for another controversy which I believe will affect considerably more people, in fact all of us.

I note with satisfaction that the Nelson City Council has stated that they will not enforce the new so-called Public Safety and Responsibility Law in the city. This law was recently passed by some of our benevolent public officials that are supposed to be legislating for the majority, instead of a very small minority.

To begin with, it seems to me that under a democratic Government, the people as a majority are not supposed to be forced to buy something that they neither want or need, but this law certainly reverses any ideas I may have had along those lines.

If all the people could afford to buy expensive insurance on their cars, I have little doubt they would be glad to, but how is the little income man to do it when it takes all he can get together to feed and clothe his family, to say nothing of trying to maintain his car which he has to use for his transportation to and from work

The law states that in case of an accident in which there is damage of $25 or over, or bodily injury, the drivers of the cars involved must be able to produce a card showing that they are covered with liability insurance, or their cars will be impounded at their own expense, regardless of who is at fault.

In other words, the party who drives carefully at all times and observes the traffic laws will have his car taken away and have to pay for the towing and storage expenses, simply because some other person made a mistake and did some damage, or possibly injured someone.

This, because a responsible driver has not seen fit to load himself with a lot of insurance that he neither needs nor wants, but because some insurance companies have it for sale, and it amounts to either buying it or keep your car off the road! This is supposed to protect the public from reckless driving, or be sure the injured party can collect damages.

What are the courts for? One naturally assumes that in a damage claim, if legally proved, the courts will allow judgments to the injured party, but judgments are of no use against those who do not have the means to pay the claim.

So we come right back to where we started. If you can afford to buy expensive insurance, you are usually able to pay for any damage you may cause, but if not, you must either keep your car off the road or take a chance of having it impounded and possible loss of it entirely, WHETHER IT IS YOUR FAULT OR NOT!

Some will say, and rightly so, "If you are not financially responsible for the damage you may cause, why should you drive in the first place?" Well, that would be fine except for one of many things: everyone in the Province just doesn't have plenty of money for everything that might happen in an emergency, so it is obvious that a law of this kind is purely discriminatory against the average citizen in that you must either establish a credit or bond in the fantastic amount of $11,000, or buy insurance from a few individuals who will undoubtedly make a handsome profit, whether you like it or not, and the law backs them up.

Why, if we MUST have compulsory insurance, didn't these legislators set up a means of a type of Provincial controlled plan where we could get this public safety along with our licence plates and driver's card? With all vehicles under a collective insurance plan, the cost of this protection would be very little, and would help the little fellow to keep his car on the road, on which he is paying taxes, instead of forcing his car off the roads altogether.

But of course if any feasible plan were adopted, there would no doubt be a loud noise from the the direction of a few who stand to benefit financially by the enactment of the foregoing law.

It seems to me that with all the rising cost of living, among other things, that this may well be the straw that broke the camel's back.

My hearty congratulations to the Nelson City Council.

ROY S. FISHER.

Curious, Kimberley—How did the expression, the "four hundred," originate?

The four hundred is defined as the exclusive social set of a city. The phrase owes its origin to Ward McAllister, a New York society leader, who gave it as his opinion about the year 1889 that only that number of people were actually in society in New York City.

BARCLAY ON BRIDGE

By Shepard Barclay
"The Authority on Authorities"

REALLY A FIFTH TYPE

LET'S BEGIN with the four fundamental kinds of hands on which the bidding is opened—1. The sound bid of one in a suit with a fair bit more than average high card strength in the entire hand, 2. The powerful hand justifying a game contract for the pair regardless of how weak the partner may be, 3. The hand extremely weak in high card strength but with such a long suit that an original bid of three or more in it could not be punished too badly and 4. The balanced hand about a trick and a half above average to justify a No Trump opening. Now let's add a fifth type—a hand on which a "psychic" bid should be made.

North: ♠K 6 3 ♥J 7 5 4 ♦7 2 ♣J 9 6 2

West: ♠Q J 10 8 ♥A Q 10 3 ♦A K 4 ♣K 10

East: ♠A 9 4 ♥K 8 ♦Q J 10 3 ♣A Q 7 5

South: ♠7 5 2 ♥9 6 2 ♦9 8 6 5 ♣8 4 3

(Dealer: South. East-West vulnerable.)

South	West	North	East
1 NT	Dbl	Pass	Pass

A "psychic bid" in its most extreme form is what South made on that deal. He was so weak, probably unable to take a single trick, that the opponents, with two-thirds of the remaining cards, were on mathematical probabilities virtually sure to have a game in their hands at some declaration. His 1-No Trump bid was to mislead and obstruct them from reaching their best contract. If they doubled him and beat his head off, their score probably would be less than they could get in a vulnerable contract of their own.

When West doubled this and East passed, South's venture had really borne fruit, if he had stood pat. As it developed, they could take all the tricks, setting him seven for a score of 1,300 points, much less than they could get by playing the deal at a slam of their own. Even a small slam, vulnerable, would have a value of 1,470 with the extra trick, and a grand slam contract would be worth 2,220.

South lost his nerve, however, when he found himself doubled in the 1-No Trump. Instead of passing, he redoubled as an S. O. S. to his partner, asking that the latter take him out in his best suit. North missed the cue, however, and passed. So the redoubled score against poor South was 2,600 points; more than the opponents' grand slam would have netted.

• • •

Tomorrow's Problem

North: ♠5 ♥K 5 3 ♦A K 6 5 3 ♣A 7 5 3

West: ♠J 10 6 ♥Q 8 6 4 ♦9 7 ♣K 10 8 2

East: ♠Q 9 4 ♥7 2 ♦Q 10 8 2 ♣Q 9 6 4

South: ♠A K 8 7 3 2 ♥A J 10 9 ♦J 4 ♣J

(Dealer: North. Both sides vulnerable.)

After the diamond A, spade A and spade 2 ruffed by the heart K, South finesses the heart J seeking 6-Hearts. Why should West refuse to win?

... About "Russia's" Europe

I've been reading a book by a man named Hal Lehrmann called "Russia's Europe."

Lehrmann is a newspaperman who used to write for papers like PM, the New Republic, the Nation and the New Statesman. These papers, I understand, are the journals which some of our pink columnists read to get their inside information on what skunks the people are who run the Western democracies as compared with the sweetness and light boys from Moscow.

Well, Lehrmann, it seems, went to the Balkans to write a book the leftists would eat up . . . the kind of thing he'd been doing in his articles before he went to the Balkans.

But what he saw behind the Iron Curtain opened his eyes. He sent stories about it to his "liberal" newspapers and they suppressed them. He lost his backers but he had a shocking story to write and he put it in a book.

It isn't a book about how Communism or Socialism would work if we only gave it a chance. It's a book about how Russian Communism or Socialism and variations of it have changed the life of the people of countries like Hungary, Jugoslavia, Czechoslovakia, Austria, Poland, etc.

Here is no theory but just what happens when the Kremlin boys and their stooges go to work on the ordinary people of the country. It's a book you ought to read.

Jim West

P.S.—An honest, open-minded columnist who was a true liberal and a humanitarian before anything else could prove his intellectual honesty by reading this book and reviewing it.

three Clubs—Nelson, Trail and erley—are prepared to meet aff guarantee required by the dian Amateur Hockey Associ- before that body would agree cheduling two games of the r playdowns in the Kootenay. was stated Thursday by W. A. worth, President of the West- International Hockey League, wing announcement by Leo At- B.C.A.H.A. Secretary, that he received advice to this effect.

is means the first two games een the B.C. Champion and the ie titlist will be played either mberley, Nelson or Trail. Dates he games will probably be h 27 and 29.

the meantime Mr. Duckworth has been doing a little statistical work, and remarked that "as usual" Nelson was in a "squeeze." Again the Maple Leafs have to beat both Trail and Kimberley if they are going to go on to the B.C. championship, he remarked. He noted the lengthy string of Provincial titles acquired by Trail and Kimberley over the years, with Nelson appearing in the records only in the 1936-37 season.

From 1912 Vancouver had held the title until 1923. Then Rossland took the crown for two years, and Smoke Eaters for the next five years. From then on the title had alternated between Trail and Kimberley, except for brief appearances by Nelson and Coast teams.

OLYMPIC REFS, ICE RUGGED SAYS THE BRUTE

TORONTO, March 4 (CP)—You'd never guess why by glancing over his record of sportsmanship as a player, but in Switzerland, where he helped the R.C.A.F. team win the Olympic hockey title for Canada recently, Wally Halder earned the nickname of "The Brute."

Along with George Mara, captain of the R.C.A.F. squad, Wally arrived home today, while the remainder of the club continued on an exhibition tour of Europe.

Only once during his University of Toronto hockey days was Halder penalized but Mara told friends that during a broadcast of one of the Olympic contests, the announcer said "Halder was not only dirty and mean but brutal."

Neither player could figure how the announcer arrived at his conclusion but Halder said that tournament referees knew "nothing about the rules."

"We never ran into so much slashing and hooking in any league as we did in the tournament," said Halder. "So, to get even, you'd set a guy up for a bodycheck and off you'd go. Body checking as the Olympic rule, is taboo.

"The further we went without a loss the worse it got. The playing conditions didn't help and some of the games were staged on ice that couldn't possibly have been worse."

Mara said that although hockey was a Canadian game they "have everyone else but Canadians officiating" at the Olympics.

Barbara Ann Not To Skate Here

Barbara Ann Scott, world figure skating queen, will not visit Nelson during her tour of Western cities this Spring.

The 19-year-old Ottawa girl will only go as far West as Calgary, Mayor T. H. Waters was advised Thursday in a letter from Barbara Ann's manager.

The letter expressed appreciation to the Mayor and Aldermen for their invitation to her to skate at Civic Centre, and also thanked them for congratulations extended to the Olympic Games medallist.

Vancouver Figure Skating Club has also been informed that Barbara Ann cannot appear there.

Revise Playoff Schedule for Intermediates

VERNON, B. C., March 4 (CP)—Frank Becker, President of the British Columbia Amateur Hockey Association, today issued a revised schedule of playoff dates for Senior "B" teams in British Columbia.

Semi-final series are as follows:

At Vernon: Winner of the Kootenays vs. winner of Vernon and Kamloops Aces, best-of-five series, opening March 12.

A best-of-three series will be played between New Westminster and Prince George on the latter's home ice, commencing March 6, and carrying on the the 8th and 9th if necessary.

The Coy Cup finals will be played at the Coast cities of New Westminster and Nanaimo in a best-of-five series, with the winners of the two semi-finals series meeting. This series will commence March 20.

The Western Canada finals will be played in Vernon with the winner of the Prairies playing off against the Coy Cup champions, with the first game scheduled for March 29.

Vernon Senior B's meet Kamloops Aces for the right to enter the semi-finals, in a sudden death game at Vernon Monday night, March 8.

3-YEAR-OLD IS DUCKPIN ARTIST

MERIDEN, Conn., March 4 (AP) —At an age when most boys are playing with building blocks, Joseph (Butch) Janeczek has become the youngest member of the national Duckpin Bowling Congress.

Butch, who is all of three years and 10 months old, got his membership card this week.

He has to use two hands sometimes, but he manipulates the duckpin ball (minimum weight three pounds, four ounces) with as much aplomb as many an adult.

The 34-pounds youngster's best score to date is 89; and he's never done worse than 66. The best performers in the sport will average somewhere in the high 120s for a season.

Bombers Beat Fraser Valley Champs 39-35

Nelson High School Bombers defeated the Fraser Valley champions by a slim 39-35 Thursday, Walter Elmes, Coach of the West Kootenay boys' champions, informed The Daily News by wire late Thursday. The squad is playing in the B.C. Boys' High School basketball championship at New Westminster.

Creston, however, did not fare as well. The East Kootenay winners suffered a 61-55 loss at the hands of Coquitlam, which put them out of the series.

Nelson, which lost to Kamloops in its first game Wednesday, plays Vancouver College Friday.

Tie Winds Up Slocan Hockey

NEW DENVER, B. C., March 4—Hockey fans in New Denver and Silverton were treated to an exceptionally good hockey game when the Silverton team travelled to New Denver for the last scheduled game in the Slocan Hockey League.

The game ended in a 9-9 tie after a ten-minute overtime period.

After a fight in the second period the officials banished to the sin bin F. Mills and G. Groenhuysen of Silverton and W. Thring and J. Yakerchuk of New Denver for five minutes each.

The game was fast and there were a number of nice passing plays executed by both teams. In the first period H. Ellesmore opened scoring for Silverton. Six minutes later Alp on a pass from Forsythe scored for New Denver. George Groenhuysen unassisted scored for Silverton at the 11:00 minute mark. Two minutes later the Allen brothers tied the score for New Denver.

Fifteen seconds after the face off in the second period Silverton took the lead, Graham from D. Hambly being the goal getter. New Denver then scored twice in a row Crellin from Alp at the 5:00 minute mark and Crellin from Alp and Forsythe two minutes later.

Silverton scored a brace of goals, Graham from Ellesmore at the 10:00 minute mark and Clough from Graham a minute later. Crellin again scored for New Denver on a pass from K. Allen. Two minutes later T. Takanaka scored unassisted for New Denver. At the 15:00 minute point F. Mills scored for Silverton unassisted.

In the last regulation period Graham from Ellesmore scored for Silverton two minutes from the start of play. New Denver then replied with two goals in a row once more, Alp from Crellin and Forsythe and then by Forsythe from Alp and Crellin ten minutes later E. Moore again tied the score unassisted at the 17.00 minute mark.

One minute after the start of the extra period Alps from Crellin put New Denver in the lead. Three minutes later Groenhuyson from Mills tied the score.

Lineups:

New Denver—L. Balbirnie, W. Thring, J. Yakenchuk, A. Avison, Crellin, Alp, Forsythe, I. Flint, B. Allen, K. Allen, T. Takanaka, B. Anderson.

Silverton:—A. Cooper, Ellesmore, Clough, G. Nelson, J. Leask, C. Schmidt, Graham, D. Hambly, Groenhuysen, Moore, Mills, A. Nelson, J. Hambly, Joe Hambly, Bill Gordon, Referee: Ted Hicks, Linesman J. Harding.

Horvath Gets No. 1 Amateur Golfer Tab

MONTREAL, March 4 (CP) — Rudy Horvath, the swarthy, tough little insurance man from Windsor, Ont., heads the list of 1948 national amateur golf rankings released today by Hillis Pickens, Jr.

In his 13th annual ratings, appearing in the current issue of Canadian Sport Monthly, Pickens gave the nod to Horvath over Bill Ezinicki, the hockey-playing golfer who bowed to the renowned Frank Stranahan of Toledo in last year's Canadian amateur at Quebec.

Release of the new ranking coincide with the annual meeting in Montreal of the Royal Canadian Golf Association, which gives its benevolent blessing to Picken's selections.

Pickens said his 1948 choices were the most difficult in a decade because, although "the breadth of excellent play in Canada has never been greater," there was no all-conquering champion or player who clearly had an edge for first place."

Henry Martell, Edmonton policeman and former champion who lost his title last Summer, was bracketed with Guy Rolland of Laval-Sur-Le-Lac, Que., for third spot. Both reached the semi-final round at Quebec last Summer.

Canadian Open for Shaughnessy Heights

MONTREAL, March 4 (CP) — Frank N. Robertson of Saint John, N.B., was elected President of the Royal Canadian Golf Association at the annual meeting today when financial reports were approved and tentative dates for the Canadian open and amateur set for as far ahead as 1950.

Dates were confirmed for this year's open Sept. 22-25 at the Vancouver Shaughnessy Heights Club and the amateur July 12-17 at the Hamilton Golf Club.

The 1949 open has been definitely set for Toronto St. George, the former Royal York Club, while the 1950 open has been planned for Montreal.

Tentative plans have been made to hold the 1949 amateur at the Riverside course in Saint John, with the 1950 amateur slated for Saskatoon.

Three Plays To Highlight Concert Tonight

Three plays, a sketch, a skit and diversified musical numbers will be staged in Capitol Theatre tonight at Nelson High School's Drama Club variety concert.

"The Ghost Story" by Booth Tarkington, "Five Characters in Search of a Change," a fantastic comedy by Hugh Beresford, "Celestial Meeting," a sketch by Clive Sansom, and "The Romancers," by Edmond Ros, will be mainstays of the program.

On the side a skit, "Kids Will be Kids," band, vocal and violin selections will also be presented by the students.

Appearing in "The Ghost Story" will be Sheila Kearns, Gary Barnhardt, Ann Bradshaw, Margaret McLeod, Doreen Nelson, Louis Ponti, Bruce McLean, Keith Loewen, Leonard Lythgoe and Laura Marken. Reta McLellan is Director and Frances Forbes, Prompter.

Fox Gets Second Try at Lesnevich Crown Tonight

By JACK HAND

NEW YORK, March 4 (AP)—Durable Gus Lesnevich, the missing link in Billy Fox's knockout string, gives the Philadelphia challenger another shot at his light heavyweight title tomorrow.

Right now it's about 8 to 5 that Billy will fail again in a bout slated to go 15 rounds.

Only once in 51 fights has Fox failed to stop an opponent. That once was Feb. 28, 1947, when he was flattened by Lesnevich in the 10th round of a championship bout.

Events since have not convinced the boxing mob that the 22-year-old kayo artist will do better. Granted he has belted over seven more men, including Jake Lamotta in an eyebrow-raising performance that prompted an investigation. But Gus has shown no signs of slipping.

At 32 or 33, depending on whether you listen to Manager Joe Vella or the boxing records, Lesnevich is punching better than ever. The Cliffside Park, N.J., husky was a capable fighter in prewar days when he marched to the title with 14 knockouts in 64 bouts. Since his discharge from the United States Coast Guard, he has stopped five of eight opponents.

Coast, Montreal Toronto Women In Bird Semis

By VIC MORRIS, JR.
Canadian Press Staff Writer

TORONTO, March 4 (CP)—Mrs. Claire Lovett of Vancouver was favored to retain her singles title in the Canadian badminton championships here tonight after moving into the semi-final round with a decisive victory over the highly rated Joan Warren of Toronto in today's third round.

Mrs. Lovett took an easy 12-11, 11-4 victory from the Toronto standard bearer and advanced to the next round against Doreen Clapperton of Montreal, who scored an easy 11-6, 11-7 victory over Toronto's Barbara Ince.

Lois Reid of Vancouver will see action in the semi-final against Marjorie Mapp of Toronto. Miss Reid defeated Winnipeg's Catherine Otton, 11-2, 3-11, and 11-8 in a third round march.

In the women's doubles Mrs. Lovett came through as expected with her Vancouver partner, Mrs. Nora Maw, defeating the mother-and-daughter team of Mrs. N. E. Strickland and Doreen, 15-1, 15-2, in the third round.

The Montreal team of Miss Clapperton and Mrs. Sheila McCarthy advanced to the semi-final by ousting Mrs. P. Pattison and Mrs. J. Porter of Stratford, Ont., 15-12, 15-1. Miss Mapp and June Hennessy had little trouble in disposing of the Montreal-Stratford due of Dorothy Payne and Joan Merrill, 15-3, 15-5.

The semi-final round of the ladies doubles will be staged Friday.

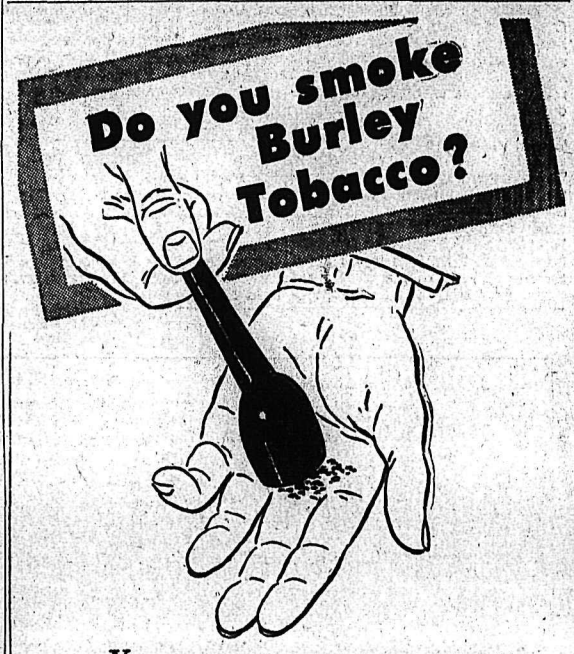
Do you smoke Burley Tobacco?



You should! Because Burley is one of the mildest tobaccos grown . . . with a smooth, mellow fragrance that tastes especially good in a pipe. Burley packs easily . . . burns slowly . . . leaves a clean, white ash. And it stays lit!

New pipe smokers enjoy this cool, sweet tobacco, right from the first pipeful. Veteran smokers swear by it. Try a Pipe of

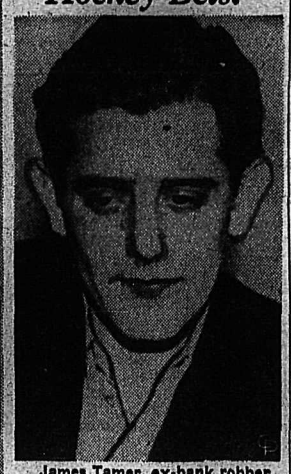
Says Towel Left In Abdomen

Mrs. Lillian Arthur (left), 30, stands beside her twins, Donald (centre) and Donna, at her San Mateo, Calif., home where she said she had recently undergone an operation and a towel, left in her abdomen during the Caesarean birth of the twins, was removed. Dr. Harold Marks, Community Hospital Superintendent, confirmed the operation. Dr. Marks said the towel bore the name of a Bremerton, Wash., hospital. —AP Wirephoto.

Booked Hockey Bets?



James Tamer, ex-bank robber who was returned to Detroit for parole violation, and who, according to the Detroit Times, had booked bets for two members of the Boston Bruins hockey team and one member of the New York Rangers' squad. One player is reputed to have bet $550 against his own team. The names of the three players involved in the investigation have not been divulged.

Mr. Eisenhower!

Recognize this smiling gent without his five-starred Army uniform? You are right, it is Mister Dwight D. Eisenhower, President-Appointee of Columbia University, New York, late Chief of Staff, U. S. Beau Jack Takes Worst Beating Of Career

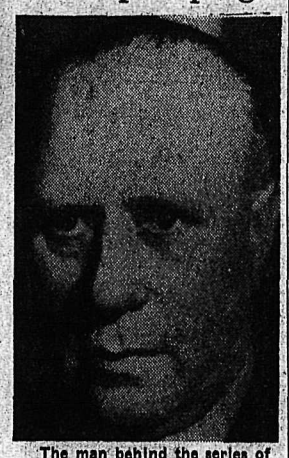
Terry Young, left, from New York's East Side, took a 10-round decision from veteran Beau Jack at Madison Square Garden in New York. The fourth round action above, with Beau Jack driven through the ropes, was typical of the slugging match. Young knocked Beau Jack down twice in the first round but could not drive him off his feet again. Beau was a 4 to 1 favorite before the fight, and the New Yorker spotted him nearly four pounds. Beau took as bad a beating as he has ever had in the ring.

Red Sparkplug



The man behind the series of raids on headquarters of Czech anti-Communists is Vaclav Nosek (above), Czech Minister of the Interior, believed to be the sparkplug of the Communist drive to take over complete power in Czechoslovakia. Nosek controls all the police forces in the turbulent country. Communist Premier Klement Gottwald announced that he expects to form a new Government "in the next few days or hours." Observers believe such a Government would be all-Communist.

BABS BOOSTS CANADA FUR COSTUMING

TORONTO, March 4 (CP)—When Ottawa's Barbara Ann Scott skated her way to Canada's first Olympic skating crown, she did it in a fur skating costume which brought many compliments. She acknowledged these remarks by proudly explaining that her outfit was a "Canadian original."

Creation of Harvey Springer, Toronto fur designer, the costume is the first all-fur skating garment to be made here.

After shopping for several days in New York for 25 matched fur belts he wrapped them in a parcel about the size of a loaf of bread.

It arrived in Ottawa on the morning Barbara Ann flew to Europe, and the young skating queen wore the fairy-tale costume when she gathered so many laurels. It has a tight bodice, long fitted sleeves, a low-cut square neckline and extremely full skirt.

Although she doesn't know it as yet, her costume bears the autograph of most of those who worked on it, under the white silk lining.

NOTED SCULLER DIES

TORONTO, March 4 (CP)—Leonard Marsh, 75, noted oarsman of the turn of the century, died here yesterday after a lengthy illnes. A contemporary of the late You Scholes, champion sculler, Mr. Marsh was born here.

R.A.F. Gets Women Doctors, Dentists

LONDON (CP)— Women doctors and dentists now may apply for short-service commissions in the Royal Air Force. They are expected to do four years' active list and four years' reserve service.

Gratuity after the active list service is $2400 for doctors and $2000 for dentists. They will be granted Air Force rank and serve under the same conditions as medical men and dental officers.

Market Trends

TORONTO, March 4 (CP) — Narrow gains and losses were scattered through the boards in quiet trading with trends showing easier tendencies. Industrials exhibited some resistance but the other groups posted majorities of losses, with base metals continuing weak.

MONTREAL (CP)—Stocks drifted to fractionally lower levels in extremely light dealings. Trading was light in mines and prices were mixed.

NEW YORK, (AP) — Assorted special stocks did fairly well although many leaders slipped. Dealings were among the slowest of the last six months.

VANCOUVER, (CP) — Trading was light with oils and industrials recording downward trends while mines remained stationary.

MONTREAL, (CP) — Dominions were firm in light trading on the Bond Market while Provincials remained unchanged.

LONDON, (CP) — Rumors of currency devaluation particularly concerning Holland and Belgium brought firmness and a short burst of activity to the mining section. In other sections price levels remained steady despite marked falling off in the volume of business occasioned by debate in the House of Lords on the political situation.

WINNIPEG, (CP) — Oats and barley prices followed an irregular course. There was some early buying by local and commission houses, but profit-taking and selling at the top levels erased most of the early advances.

CHICAGO, (AP) — Wheat scored substantial gains on the Board of Trade and feed grains had a firm undertone.

Calgary Livestock

CALGARY, March 4 (CP)—Cattle market fairly active at steady prices.

Wednesday's receipts: 686 cattle, 18 calves, 87 hogs, 202 sheep. This morning: 50 cattle, 123 calves.

Hogs sold Wednesday at $27.15 for A's at yards and plants. Sows $18.50 live weight.

Good butcher steers, $15 to $15.50; common to medium, $12 to $14.50. Good butcher heifers, $14 to $14.50; common to medium, $11 to $13.50.

Good cows, $10.75 to $11.25; common to medium, $8.50 to $10.50. Canners and cutters, $5.50 to $8.

Good bulls, $10 to $10.50; common to medium, $8.50 to $9.50. Good to choice veal calves, $13 to $15; common to medium, $10 to $12.50.

VITAMIN B

is fully described for you in our free booklet "The Amazing Story of Vitamins."

This Vitamin prevents or alleviates beriberi and protects against, and aids in the treatment of neuritis due to Vitamin B deficiency.

Vitamin B is necessary for the normal functioning of the body and aids in growth. If lacking, the appetite and resistance to infection may suffer.

Your doctor will tell you your daily requirements.

VITAMIN B
is found in green vegetables, whole grain cereals, nuts, fruit, yeast, egg yolk, milk, liver and kidneys.

WEST INDIES RALLIES

GEORGETOWN, British Guiana, March 4 (CP) — The West Indies staged a brilliant recovery here today in the third cricket test match with England and when rain caused an early halt to the day's play they had 284 runs on the board for the loss of five wickets.

This was a big improvement on the lunch position of 73 for three, due to their dismal start of losing their first wicket at seven and two more before 50 runs were reached.

Kaslo Rod, Gun Studies Improving Hatchery, Lake Trails; Bowker Chosen

KASLO, B. C., March 4—The annual meeting of the Kaslo and District Rod and Gun Club, held in the Council Chambers of the City Hall, was marked by a discussion on the reclamation of Duck Lake. It was felt that this Lake was a natural breeding and resting place for waterfowl, and that it also would interfere with the trout life in Kootenay Lake, if Duck Lake were dyked and drained.

Improvements to the hatchery building and grounds were thoroughly discussed, also the need of trails to small lakes in Kaslo District, which have been stocked with trout.

C. J. White, C. Dinney and H. Carlson were appointed to ascertain as near as possible the cost of repairing the roof of the hatchery building.

A. L. MacPhee, President, and B. F. Palmer, Secretary-Treasurer, tendered their resignations. Both Mr. MacPhee and Mr. Palmer have served the club in their respective offices for several years. Their resignations were accepted with regret.

Officers elected were Hon. Presidents, K. K. Bjerkness and A. L. MacPhee; Hon. Vice Presidents, J. G. Cunningham, Vancouver; J. J. McEwen, Nelson; R. T. Garland, Trail, and L. E. Pietch, Sand Point, Idaho; President, G. D. Bowker, Vice President K. G. James; Secretary-Treasurer, G. Armstrong; directors, H. Abey, M. Holliday and B. F. Palmer.

FORMER KENTUCKY DERBY WINNER DIES

LEXINGTON, Ky., March 4 (AP) —Twenty Grand, 1931 Kentucky Derby winner, died yesterday at Greentree Farm. Twenty Grand took the Derby in the fast time of 2:01 4-5 second best time on record.

His racing record included 14 victories, four seconds and two thirds to earn $261,790.

He was retired in 1935.

FINES FOR ICE FUSS

MINNEAPOLIS, March 4 (AP) — Jim Hendy, President of the United States Hockey League, said today Al Dewsbury of the Omaha Club and Harry Dick of Tulsa had been given misconduct penalties and fines of $10 each for actions after a game in Omaha Feb. 28.

Hendy said Dewsbury rushed Playing-Coach Clint Smith of Tulsa after the final whistle. While the officials were breaking it up, Hendy said, Dick used abusive language to them.

NASHWAAKSIS, N. B., (CP) — The new Canadian destroyer Athabaskan, recently commissioned at Halifax, carries a bit of her predecessor's memory with her.

Mrs. R. M. Lawrence of Nashwaaksis donated a ship's badge to the commanding officer in memory of her husband, Lt. Lawrence, executive officer of the original Athabaskan, sunk by enemy action in 1944.

The badge was designed by officers of the first Athabaskan who, shortly before their ship was sunk, gave orders to have a woodcut made by a firm in Scotland. Mrs. Lawrence had the badge completed and brought to Canada.
