Capture Mountain Unopposed

Tito Jibes Stalin In New Warning

By ALEX H. SINGLETON

BELGRADE, March 11 (AP)—Premier Tito warned Russia and the Soviet satellites today that Yuogslavs stand ready to spill their blood to defend their independence and freedom. He also made a sneering reference to Prime Minister Stalin — by name.

In an outwardly jovial but firm mood, he said "every foot of our land is saturated with blood, but—if it is necessary—we will saturate it again with blood and it will remain ours."

Tito spoke before about 1000 veterans.

For the first time, with Slavic scorn, he jibed at Stalin himself. Tito said he had come to the rally suffering from an attack of influenza which recently laid low Foreign Minister Edward Kardelj.

Yugoslavia's chief, who has taken over the foreign minister's duties, said the Soviet-led Cominform had interpreted Kardelj's absence as a sign that Yugoslavia was going over to the "imperialistic camp."

"That's why I am here," he said with a grin. "It's different in the Eastern countries. If Stalin sneezes, that is considered a contribution to the science of Marxism-Leninism."

He spoke against a background of growing concern among Yugoslavia's leaders that Russia may provoke an attack against this country this year to accomplish by force the overthrow of Tito's independent Communists.

He said: "We are always ready to defend ourselves from anyone who wishes to deprive us of freedom and independence."

FAVOR SCHUMAN COMPROMISE

Tentative Approval Won; Expect Trouble From Britain

By DANIEL DE LUCE

FRANKFURT, Germany, March 11 (AP)—A United States-sponsored compromise to break the deadlock on Europe's greatest economic project of the century — the Schuman Plan — has won tentative French and German acceptance, U.S. officials said today. It may run into trouble with Britain.

The officials reported that Ruhr industrialists have orally consented to back Chancellor Konrad Adenaur's West German Government in adherence to the plan, which calls for pooling Western Europe's coal and steel resources under an international regime.

But in return, the allied trust-busting campaign against German steel and coal combines would have to be modified seriously.

American, German and French representatives are preparing draft revisions of the Schuman plan to carry out two compromise principles, which German steel interests had fought bitterly until direct negotiation by U.S. High Commissioner John J. McCloy last week.

In long, closed door meetings with Ruhr leaders, McCloy argued, apparently successfully for acceptance of these conditions:

1. The German steel industry, with small variation allowed for individual companies, must limit itself in future to ownership of only 75 per cent of its present coal needs. It has far more than 100 per cent now. Allied occupation policy had previously sought to divorce steel and coal ownership completely.

2. The German Coal Sales Board, which once had a strangle hold on coal distribution must be dissolved within two to three years.

No Plan to Force Railroaders Into H.I.S.—Hendricks

No legislation is being contemplated to force C.P.R. Medical Association members into the B.C. Hospital Insurance Service, it was learned in Nelson Sunday.

Three railroad brotherhoods sent telegrams protesting such a suggestion to Victoria Friday and Walter Hendricks, M.L.A. for Nelson-Creston replied that he had been assured such legislation was not being contemplated.

26 Killed in Hong Kong Crash

HONG KONG, March 11 (AP)—A Pacific Overseas Airlines plane crashed and burned on one of Hong Kong's many hills today shortly after taking off in heavy fog for Siam, killing the 26 persons aboard.

Three American crew members and one British passenger, Kenneth Impie, were listed among the victims. The remainder were Asiatic crew members and passengers.

The four-engine Douglas DC-4 Skymaster crashed five minutes after taking off for Bangkok.

It struck Mount Parker, scarcely 800 feet above busy King's Road in the populous Taikoo dockyard area.

Cause of the crash probably never will be determined. The wreckage was scattered over the steep, bushy hill.

80-Mile Winds For Queen Charlottes

VANCOUVER, March 11 (CP) — Sustained winds exceeding 80 miles an hour punched at the Northerly Queen Charlotte Island today.

It was the worst storm since Jan. 20, when hurricane winds hit the Northern British Columba coast.

The weather office issued gale warnings for Southern coastal waters.

Rain began to fall in Vancouver today after more than a week of snowstorms. Snow was reported at many interior points, with a few flurries on the lower mainland.

The March weather rampage has taken four lives in British Columbia. The latest fatality was discovered Saturday. Adam Robertson 75, died of exposure at Hope, 100 miles East of here.

Okanagan TLC, CCL Protest Hosp. Premiums

KELOWNA, B.C., March 11 (CP) — A resolution opposing the Coalition Government's plan to boost the cost of compulsory hospital insurance was endorsed here today at a protest meeting sponsored by both Canadian Congress of Labor and Trades and Labor Congress affiliates.

The resolution, passed unanimously demanded the Provincial Government "reconsider this whole scheme which is so objectionable to the general public and bring in an alternate solution, which would not work any further hardship on the people."

A rider attached to the resolution demanded the Government "institute a public court of inquiry into the administration of the B.C. hospital insurance scheme and into the administration of all B.C. hospitals before making any changes in premiums or benefits."

The meeting was jointly sponsored by the Okanagan Trade and Labor Council (T.L.C.) and the Canadian Congress of Labor affiliates in the Okanagan.

Another resolution demanding the Federal Govern "institute legislation for the control of prices and the reduction in the cost of living in the interest of all Canadians" was also endorsed.

WEST REBUKED IN ATTEMPT TO MEET RUSS OBJECTIONS

PARIS, March 11 (AP) — The Western powers tried Saturday to meet Russian objections to their program for a Big-Four Foreign Ministers meeting, but got a rebuff from Andrei Gromyko.

After a week of conferences among the foreign ministers' deputies from the United States, France, Britain and Russia, it was generally agreed there had been no progress.

They'll start talking again Monday.

At Saturday's session Alexandre Parodi of France announced that the U.S., France and Britain were ready to re-word their proposed agenda to accommodate all the Russian points.

The delegates are trying to arrange a list of subjects which the four foreign ministers can discuss with the idea of easing world tensions.

Gromyko denied that the Western proposal accommodated all his points, or anything like all of them.

Cubicle Quarters For R.C.A.F. Trainees

OTTAWA, March 11 (CP) — Cubicling quarters will spell more privacy for R.C.A.F. trainees living in barracks.

Contracts totalling $1,600,000 awarded last month by Defence Construction Limited included near Construction Limited included nearly $500,000 cubicling quarters.

One contract worth $328,500 calls for such quarters at Rivers, Man. Another valued at $255,950 is for cubicling and general rehabilitation at the R.C.A.F. station at Summerside, P.E.I.

Basis of the cubicle is provision of individual rooms for airmen in place of the old-style barrack blocks. In each cubicle there are four beds, two desks and chests of drawers.

Kootenay-Boundary's Representatives at Victoria

These are the Kootenay-Boundary Country's lawmakers attending the current session of the B.C. Legislature at Victoria. Caught in informal pose on the steps of the Parliament Buildings, the group includes, from left: front row — Leo Nimsick, C.C.F.-Cranbrook; Mayor Tom Uphill, Labor-Fernie; Health and Welfare Minister Douglas Turnbull, Trail; and Walter Hendricks, Cln.-Nelson Creston; back row — Rupert Haggen, C.C.F.-Grand Forks Greenwood; Thomas King, Cln.-Columbia; and Randolph Harding, C.C.F.-Kaslo Slocan.

Clamp Down on "Crimes" Against Peiping Regime

HONG KONG, March 11 (AP) — Shih Liang, Communist China's female Minister of Justice, has ordered her Communist courts to slam the gates of mercy on everyone suspected of opposing the Peiping regime.

The courts have been too soft on anti-Reds, she said.

Shih drove home her "get-tougher" orders in a long interpretation of Peiping's new code of penalties for "crimes" against the state. Details of her views have just been received in this British colony on the edge of Communist China.

Shih made it clear that the courts now can order a prisoner shot for his "intentions," leaving it up to the courts what the intentions may have been. And she warned that the new laws may be retroactive.

QUEUILLE FORMS FRENCH GOV'T.

PARIS, March 11 (AP)—French Premier Henri Queuille Saturday night formed a new middle-of-the-road Coalition Government, largely a carbon copy of its predecessor, the Cabinet of Rene Pleven.

It was the country's 17th ministry, and Queuille's own second, since the liberation of France; like most of the others, it combined Socialists, the Roman Catholic Mouvement Republican Populaire and Queuille's own Radical-Socialists, a moderate rightist group despite their name.

Mine, Mill Men Protest Wage Freeze

KIMBERLEY, B.C., March 11—In a statement released here today delegates to the Wage Policy Conference of the Mine Mill local unions at Trail, Kimberley and Calgary, expressed great concern over the campaign to restrict free collective bargaining through the installation of wage controls.

They state—"A wage freeze with its resultant lowering of the living standards of Canadian workers, is today being insidiously foisted on the Canadian people under the cloak of price controls. The heads of the C.C.L. and T.L.C., who today are piously campaigning for price controls, do so, knowing full well that the end result would be wage controls, a loss of collective bargaining and an impairment of Canadian living standards.

"We are aware from our experience of price controls in the last war and again from the examples of present price and wage controls in the United States, that our Governments will not enforce price controls in the interest of the workers at the expense of profits, but will rigidly enforce a wage freeze. Price controls today in the U.S. substantiates our position. there, with wages tightly frozen, prices and profits are still mounting. It is also our experience, and that of every worker that business has in the past with the full knowledge of our government, been able to evade price controls through many subterfuges, for example, by special dispensation, lowering of quality, change of products and even by the refusal to produce.

"In view of the above, we affirm the following principles:

"1. The leadership of the T.L.C. and C.C.L., who on Feb. 20, assured the Government of their support for policies of control, did so without consulting the membership of organized labor and we state that we will not be bound by their committments.

"2. We will oppose with all or our strength any attempt to destroy free collective bargaining by the establishments of wage control.

"3. We intend to press for needed wage increases and other contractual means for our membership, through the normal procedure of collective bargaining, won by labor over the past century of struggle."

The above statement was unanimously approved by the delegates in conference on March 10 in Kimberley. Copies of this statement are being forwarded to the Government and members of Parliament in the constituencies where these operations are established.

The following wire was sent today to James Byrne, M.P. Ottawa from the Wage Policy Conference of the local unions of the International Union of Mine, Mill and Smelter Works in the operations of the Consolidated Mining & Smelting Company of Canada Ltd., held in Kimberley, March 9 and 10.

To. James Byrne, M.P., Kootenay East, Ottawa, Ont.

Conference of Mine Mill locals Trail, Kimberley and Calgary urge you insist on inquiry regarding recent drastic price jump butter. We are convinced rapid raise result of profiteering and build up for margarine manufacturers. Primary producers will not benefit from this price rise. Congratulate you on your stand on controls. Canada does not need wage or price controls, sending of all profiteers to Korea all that is necessary. Delegates Wage Policy Conference, Locals 651, 480, 690, Mine Mill.

Nelson Nearly At 'Flu Peak, Says M. H. O.

Nelson is "just about at the crest" of the 'flu wave, Dr. R. B. Brummitt, medical health officer, said Sunday.

He reckoned that a large percentage of Nelson's population had been or was suffering from influenza. The doctors are probably seeing 40 cases a day, but then most cases don't bother to call a doctor," he said.

Dr. Brummitt advised anyone suffering from a fever, aching joints and a cold to stay at home and keep warm. If you have a high fever, call a doctor, he said.

Junior Joymakers has been cancelled this week as voluntary precaution measure.

Archbishop Beran Banished From Prague

PRAGUE, March 11 (AP) — The Communist Government announced Saturday night it had banished Archbishop Joseph Beran, Roman Catholic primate of Czechoslovakia, from the seat of his arch-diocese because of his "negative attitude to church laws." He has been replacedby a "patriotic and democratic" parish priest.

Archbishop Beran, a foe of any interference by the Communist Government in church matters, was ordered by the State Office for Church Affairs to live outside his Prague archdiocese and to pay a fine.

(Reuters News Agency quoted the announcement as saying Archbishop Beran has been placed in confinement outside the capital.)

While there has been no word directly from the 62-year-old primate for 13 months, the Government announcement appeared to have quieted, at least temporarily, rumors that he might be tried like the primate of Hungary, Joseph Cardinal Mindszenty, who was sentenced to life imprisonment.

Advancing Americans Meet Heavy Fire

BY BILL BOSS
Canadian Press Staff Writer

WEST CENTRAL SECTOR, Korea, March 11 (CP) —The Patricias captured 1,900-foot Mount Kkakkun without opposition today.

The Canadians participated in an assault on a series of hills dominated by Mount Kkakkun and Mount Maehwa, representing a 5,000-yard advance in this sector. An Australian unit was directed against Maehwa.

A London regiment and a Highland battalion first took intermediate objectives, setting the stage for the Canadians and Australians to move in on the mountain positions.

In Lt.-Gen. Matthew Ridgway's latest push the Canadians have made a five-mile advance as the crow flies, trudging 10 miles overland across hills and valleys in an exhausting pursuit of the Chinese.

Today's assult yielded two Chinese prisoners, both wounded and left behind by the hastily-retreating enemy and placed in the custody of Ptes. Cyril Hoffman of North Vancouver and Tom Powell of Windsor, Ont.

A patrol under Lieut. Lorne Hurst of Grande Prairie, Alta., reconnoitered ahead of the main body today. The company led by Maj. Jack George of Edmonton, first to reach the mountain top, found a network of strong enemy positions laid out but only half completed. In their hasty evacuation, the enemy left some of their tools behind.

Seizure of the mountain took three hours.

During its approach the battalion crossed a swift-flowing rivulet and the men took advantage of a halt—while company commanders conferred with Lt.-Col. J. R. Stone, the Patricia's commander—to have their first real wash in weeks.

Men like Ptes. Fred Elvers and John Dettzer of Vancouver and Harry Price of Ottawa stripped to the waist, lathered up in the ice-cold water and yelped with delight as they removed dirt caked in by weeks of daily sweat.

"That's the first real wash since Miryang," said Elvers. "Of course we were able to clean our faces and hands occasionally in snow. Boy, will I appreciate the comforts of home after this."

In the back area, Csm. Jim Coutts of Portage La Prairie, Man., was distributing the mail. Letters dated March 1 had been delivered just before the "attack."

Pte. Robert Gordon of Lower Selnak, N.S., celebrated his birthday by capturing Mount Kaigi Saturday and celebrated again wtih the fall of Kkakkun today — it was still Saturday in Canada.

As his men scaled the ridges Northeast of Yongdu, Stone kept radio contact from a knoll just South of the objective.

"One of the greatest things about mountain warfare is that you get a good view of your battlefield," he commented during a lull in the proceedings. "Mind you, if the enemy had artillery, he would cut down our vision a bit."

TOKYO, March 12 (Monday) (AP)—A spearhead of the United States 1st Cavalary Division lanced within seven miles of Hongchon Sunday, prodding Chinese defenders into a desperation stand for that key Communist base in central Korea.

The dismounted cavalrymen, supported by tanks, moved doggedly ahead, advancing their lines farther North than any other American division in Korea, field dispatches said.

The Reds hurled heavy artillery, mortar and machine-gun fire on the advancing column from high positions flanking the road.

Red resistance stiffened sharply North and Northwest of allied-held Yongdu as cavalry lines reached within 25 air miles South of the 38th parallel.

To the East, assault troops of the U.S. 1st Marine Division punched three miles closer to Hongchon, vital Communist supply and assembly area.

The marine advance met only light to moderate resistance, AP Correspondent Tom Bradshaw reported from the front. However, the area directly ahead was "loaded with Communists" advance troops reported.

The marines were nine road miles and six air miles Southeast of Hongchon, which is 22 air miles South of the 38th parallel.

The Chinese Sixty-sixth Army has been identified in the line, defending its headquarters at Hongchon. Two more Chinese Red armies —the Thirty-ninth and Fortieth — were believed backing up the Sixty-sixth for the defence of the supply hub. A Chinese Red army averages 30,000 to 40,000 men.

Eastward form the marine base at Hoensong, U.S. 2nd Division made a surprise night attack that sent Korean Communists reeling Northward, six miles East-Northeast of Hoensong in the centre of the allied line.

Lt.-Gen. Matthew B. Ridgway, U.S. Eighth Army commander, visited the front. He told the troops:

"I'm highly proud of the work of the past 30-hour period.

Ridgway's headquarters also announced that 4997 casualties were inflicted on the Reds through ground action Saturday. This brought the losses suffered by the Reds since Wednesday to abou 30,000.

For the fourth straight day the U.S. light cruiser Manchester and destroyers Massey and Charles S. Sperry kept up bombardment of the Songjin area, Northeast Korea supply point.

The allies now were closer to the 38th parallel on a broad front than at any time since the Chinese invaded South Korea in December.

Libby Dam Hearings for This Week

SPOKANE, March 11 (AP) — —Just how much backwater the United States impose on Canada when it builds Libby Dam on the Kootenai River?

This will be the subject of a series of hearings the International Joint Commission will hold this week.

The first will open Monday in Spokane. Wednesday the Commission will go to Nelson, B.C., and Friday to Cranbrook, B.C. The final hearing will be held Monday, March 19 at Helena, Mont.

Three elevations for Libby Dam, near the Canadian border, have been proposed. The lowest would back water for 28 miles into Canada, and the highest, 68 miles.

It has been estimated the lowest would cost Canada about $192,000 dollars. In inundated farmlands and relocated highways and railroads. The highest would cost more than $1,000,000.

APOHAQUI, N.B., March 11 (CP) —Stewart J. Gregg, a brother of Hon. Milton F. Gregg, Federal Labor Minister, was killed Saturday when a team of horses bolted and threw him from a sled in the yard of his home in this Kings County village. He was in his early 60s.

Anti-Spy Experts Swapped in Combined Move for Security

WASHINGTON, March 11 (CP) —Canada and the United States have been swapping anti-spy experts in a move to tighten security, it was learned here today.

J. Edgar Hoover, Director of the Federal Bureau of Investigation, said in an interview that his agency and the R.C.M.P. have perfected a system which will leave saboteurs and espionage agents no place to hide in either country.

"Since 1943," he said, "the F.B.I. has had a special agent permanently assigned to the R.C.M.P. headquarters in Ottawa, and the R.C.M.P. has its representative stationed at the F.B.I. headquarters in Washington."

He said requests for investigation go back and forth on a day-to-day basis. Histories of criminals also are interchanged. "A number" of Mounties had been graduated from the National Academy of the U.S. Bureau.

"To the subversive agent and evasive criminal," he said, "the broad area which separates the U.S. from her neighbor . . . might appear to be a door through which to flee . . ."

But the two agencies had "effected a system by which the law violator is sought out and returned."

Hoover mentioned specifically the case of Sam Carr, former secretary of the Canadian Communist Party, sought by Canadian authorities in 1946 for violation of the Official Secrets Act.

Carr was located in New York by the F.B.I. and returned to Canada to face prosecution.

Carr was convicted in Ottawa in April, 1949, of conspiracy and sentenced to six years in penitentiary.

"OLD STORY"

In Ottawa, R.C.M.P. Commissioner S. T. Wood said Canada's cooperation with the United States on security matters "is an old story."

He said R.C.M.P. personnel have been attached to F.B.I. headquarters since 1942 or 1943 but the work hasn't been confined to handling saboteurs and espionage agents. The same R.C.M.P. personnel also hunt for international confidence men and Narcotics Act violators.

Multi-Million Dollar Program Proposed to Halt Russ Aggression

KEY WEST, Fla., March 11 (AP) A multi-billion dollar spending program was proposed to President Truman today to 'break the back of hunger and famine" and halt Soviet aggression "short of war."

The proposal came from the International Development Advisory Board headed by Nelson Rockefeller as a means of combatting "military aggression and subversion" on one hand and "hunger, poverty, disease and illiteracy" on the other.

Three Felled by Gas

VANCOUVER, March 11 (CP)—Carbon monoxide fumes from a gas water heater felled three persons tonight while they were eating dinner.

Taken to hospital were Duncan McKinnon, 45, his wife, Hilde, 30, and a brother, Don, 51. All responded to treatment and returned home.

And in This Corner —

LONGBEACH, Calif., March 11 (AP)—Weeping remorsefully all the while, a gaunt, sickly-looking bandit Saturday robbed a grocery store of $32.

He claimed to have tuberculosis, diabetes, varicose veins, "smog, fever," and two hungry children, Mr. and Mrs. Chris W. Blake, proprietors of the store, reported.

"We're poor, too." Mrs. Blake pleaded after hearing the robber's woesome tale.

"Oh, I'll send the money back after I rob some bigger places," the robber promised. He jotted down his victims' address and gravely shook their hands before he left.

EDINBURGH, Ind., March 11 (AP)—The Edinburgh Courier, normally an evening newspaper, became a morning paper Saturday because the staff wanted to see a basketball game.

Editor Francis Otto and his staff published Saturday's issue last night so they could attend Edinburgh High School's game today in the Indiana High School basketball tournament.

HAZLETON, Pa., March 11 (AP)—"Tippy," the playful, stamp-licking cat at the Hazleton Public Library, can continue to frolic around the bookshelves the rest of her natural days.

Librarian Alice Willigerod, who died Monday, left $200 for the feeding and care of Tippy who licks stamps held towards her by library employees preparing outgoing mail.

Lethbridge Rink Wins Butterfly Primary, Creston Wins Other Cups

CRESTON, B.C., March 11 — Creston rinks carried off most of the spoils in the sixth annual Butterfly Bonspiel which wound up here Sunday.

An Alberta rink skipped by G. Holte of Lethbridge was winner of the Grand Challenge event and the W. M. Archibald Memorial Trophy, but Creston curlers swept through to victory in the other three events.

A. R. Speers won the Primary B event and the Miller Trophy, K. Vandruff won the Secondary event and the Finning Trophy while G. Phillips beat J. Livingstone of Kimberley to win the Secondary D event and the Butterfly Trophy.

Livingstone's foursome was the 'spiel's hard luck rink, being runner-up in the Grand Challenge as well.

MOST SUCCESSFUL

A record entry of 53 rinks, 27 of which were from outside points, competed in the bonspiel which was the most successfully staged yet.

One of the highlights of the 'spiel was a perfect eight-end count chalked up by H. D. Forman of Ainsworth in a game against M. Brown of Nelson.

Competition was close all the way with 15 games ending in ties. The skips competed in drawing to the button to decide these games.

The bonspiel committee was composed of H. Ellard, chairman, J. Salvador, D. K. Archibald, R. B. Staples, and R. McKelvey.

Following are results of the semi-final and final rounds:

"A" Semi-Finals:

G. Holt, Lethbridge beat G. Salvador, Creston.

J. Livingstone, Kimberley, beat H. Bates, Kimberley.

Finals:

Holt, Lethbridge, beat Livingstone, Kimberley.

"B" Semi-Finals:

A. R. Speers, Creston, beat R. Robertson, Kimberley.

H. D. Forman, Ainsworth, beat K. Vandruff, Creston.

Finals:

Speirs, Creston, beat Forman, Ainsworth.

"C" Semi-Finals:

K. Vandruff, Creston, beat A. Staples, Creston.

R. Chandler, Creston, beat H. D. Forman, Ainsworth.

"C" Finals:

Vandruff, Creston, beat Chandler, Creston.

"D" Semi-Finals:

G. Phillips, Creston, beat A. Staples, Creston.

J. Livingstone, Kimberley, beat A. Reed, Creston.

Finals:

Phillips, Creston, beat Livingstone, Kimberley.

Kid Hockey Roundup

Following are the results of last week's N.A.H.A. games. Some games were cancelled on account of players' illness and have been rescheduled this week.

Midget League Finals:
Rockets 3, Black Hawks 1.
Rockets lead best-of-five series series 2-0).

Juvenile League Finals:
Tigers 3, Rovers 3.
Tigers 3, Rovers 2.
(Best-of-five series tied 1-1, one game tied).

This week's schedule:

Monday:
6:30-7:45 — Midget Dynamiters vs. Rockets.

Tuesday:
4:00-5:00 — Bantam Rangers vs. Maple Leafs.
5:00-6:00 — Bantam Red Wings vs. Canadiens.
8:00-9:00 — Midget Black Hawks vs. Red Wings.
9:00-10:00 — Juvenile Tigers vs. Rockets.
9:00-10:00 — Juvenile Tigers vs. Rockets.
10:00-11:00 — Big Four.

Thursday:
4:00-5:00 — Bantam Red Wings vs. Maple Leafs.
(Second game best-of-five finals)
5:00-6:00 — Midget Black Hawks vs. Dynamiters.

Friday:
6:30-7:45 — Juvenile Rockets vs. Rovers.

Saturday:
9:00-10:00 — Bantam Pool.
12:30—1:30 — Bantam Pool.
1:30-2:30 — Bantam Canadiens vs. Rangers.
2:30-3:30 — Bantam Maple Leafs vs. Red Wings.
(Third game, best-of-five finals)
3:30-4:30 — Midget Rockets vs. Black Hawks.
(Third game, best-of-five finals)
4:30-5:30 — Juvenile Tigers vs. Rovers.
(Fourth game, best-of-five finals)

With Stane And Besom

Nelson Curling Club draws for this week follow:

Monday

7 p.m. — F. L. Irwin vs C. Suitor, P. E. Poulin vs J. A. B. Will, J. R. Bailey vs J. Harvey, H A. D. Greenwood vs W. Marr, A. H. Whitehead vs A. J. Hamson.

9 p.m. — T. S. Jemson vs J. Morris, N. R. Sardich vs C. H. Parrish, G. A. Fleury vs G. E. Saunby, T. Halsey vs H. M. Whimster, T. A. Wallace vs J. G. McMurchy

Tuesday

7 p.m. — D Meakins vs T. H. Bourque, H. Farenholtz vs J. D. Hingwing, A. Waters vs J. Smith, L. F. Tinling vs W. Kline, W. Mcleary vs F. Carmichael.

9 p.m. — W. A. Duckworth vs T. S. Jemson, F. H. Smith vs W. A. Triggs, M. B. Ryalls vs A. H. Allan, R D. Hickey vs L. G. Peerless, J. Kary vs R. E. Horton.

Wednesday

7 p.m. — H. Holmberg vs N. S. Macleod, R. Carmichael vs J. Milne, L. J. Maurer vs J. Morris, D. Creighton vs A. Arcuri, H. A. D. Greenwood vs H. D. Forman.

9 p.m. — C. Suitor vs P. E. Poulin, A. H. Whitehead vs R. Riesterer, W. Marr vs H. D. Forman, J. A B. Will vs F. L. Irwin, R. Palmer vs J. Harvey.

Thursday

7 p.m. — G. A. Fleury vs R. E. Horton, W. Mcleary vs C. H. Parrish, T. A. Wallace vs L. G. Peerless, N. R. Sardich vs F. Carmichael, J. Kary vs H. M. Whimster.

9 p.m. — H. Peacock vs F. H. Smith, T. Halsey vs G. E. Saunby, A. J. Hamson vs W. A. Duckworth, H. Farenholtz vs D. Creighton, D. Meakins vs M. B. Ryalls.

Friday

7 p.m. — R. Palmer vs W. Marr, W. A. Triggs vs L. J. Maurer, N. S. Macleod vs J. D. Hingwing, J. Smith vs A. Arcuri, H. Holmberg vs R. Carmichael.

9 p.m. — J. R. Bailey vs H. A. D. Greenwood, J. G. McMurchy vs D. Meakins, A. H. Allan vs R. D. Hickey, J. Milne vs A. Waters, F. Tinling vs L. G. Peerless.

The Weather

B.C.'s weeklong cold wave broke with a bang Sunday as a major Pacific storm approached the North Coast and brought a tremendous surge of warm moist air over the province. Rain is falling over all coastal areas sometimes mixed with snow near the mainland. Snow is falling over most of the interior. In the last twenty four hours temperatures have jumped 5 degrees on the coast and up to 30 degrees in the interior. This trend will continue with rain spreading into parts of the Southern interior.

Mrs. Guild of Rossland Dies

ROSSLAND, B.C., March 11 — Mrs. Catherine Guild of Rossland died here in her 51st year Friday night at Mater Misericordiae Hospital.

She was predeceased by her husband in November 1945 and is survived by three sons, Granger of Vancouver and Kenneth and Gerry of Rossland; and one daughter Theresa of Rossland.

International Joint Commission Hears Libby Dam Briefs Here Wednesday

The International Joint Commission will sit in Legion hall in Nelson Wednesday to hear pros and cons on an application for the construction of a $300,000,000 dam on Kootenay River, at Libby, Mont.

The Commission is in session in Spokane, Wash., today. From Nelson its members will go on to Cranbrook for a session Friday, and Helena, Mont., next Monday.

If the application is approved, a 100-mile long lake will be created, 42 miles of which will be in Canada. The lake would be a half to one and a half miles wide at the International boundary, and 150 feet deep.

Semi-Finals Reached in Trail Senior Badminton Tournament

TRAIL, B.C., March 11—Semi-finals were reached today in the annual Trail district senior badminton tournament. Finals will be played in Tadanac community hall tonight at 7.

Results:

MEN'S SINGLES

First round—G. Redgrave of Trail beat T. Lampard of Castlegar 18-15, 15-10; L. Wilkinson of Trail beat J. Webb, Trail 15-3, 15-11; J. Richardson of Salmo beat B. Rennison of Trail 15-12, 13-15, 18-17.

Second round—N. Rhodes of Trail beat G. Redgrave 15-4, 15-9; A. Nixon of Brilliant beat L. Wilkinson 15 11, 15-13; J. Welton of Trail beat B. Nicholson of Tadanac 15-9, 15-4; R. Inkpen of Trail beat J. Richardson 15-6, 15-7.

Semi finals— N. Rhodes beat A. Nixon 15-11, 15-8; R. Inkpen beat J. Welton 15-12, 15-8.

MEN'S DOUBLES

Second round—J. McNair and R. Hunter of Trail beat W. Ruck and W. Weldon of Tadanas 18-16, 14-18, 15-8; B. Rennison and G. Wilson of Tadanac beat J. Goodrick and J. Munro of Trail 15-8, 15 6; C. Lambert and A. Dimick of Rossland beat J. Richardson of Salmo and J. Webb of Trail 15-12, 12-15, 17-16; B. Nevak and K. Atkinson of Castlegar won by default over P. Korcoff and P. Zaitsoff of Robson.

Third round—J. Welton and N. Rhodes of Trail beat A. Nixon and W. Nicholson of Brilliant 15-6, 15-7; B. Rennison and G. Wilson beat J. McNair and R. Hunter 15-2, 15-0; T. Dobie and L. Wilkinson of Trail beat C. Lambert and A. Dimick 15-4, 15-4; R. Mathews and R. Inkpen of Rossland and Trail beat B. Nevak and K. Atkinson 15-8, 15-8.

Semi-final — J. Welton and N. Rhodes beat B. Rennison and G. Wilson 18-15, 15-7; T. Dobie and L. Wilkinson beat R. Mathews and R. Ingpen 18-15, 12-15, 18-16.

LADIES SINGLES

Semi-final — Mrs. I. Harvey of Trail beat Miss Grace Pearcy of Trail 11-1, 11-1; Mrs. Stan Roome of Rossland beat Miss Betty Cumming of Trail 11-8, 11-3.

LADIES DOUBLES

Semi-final—Mrs. I. Harvey and Mrs. T. Buckley of Trail beat Miss B. Cumming and Miss J. Taylor of Trail 15-1, 15-11; Mrs. J. Yerex and Mrs. B. Hunter of Trail beat Mrs. Stan Roome and Miss B. Elliott of Rossland 15-8, 15-7.

MIXED DOUBLES

First round—Mrs. T. Buckley and N. Rhodes of Trail beat Mrs. V. Miros and K. Atkinson of Castlegar 15-8, 15-9; D. Harding and B. Kerieff of Castlegar beat Miss G. Pearcy and Jack McNair of Trail 15-13, 15-9; L. Kilkinson and T. Harper of Trail beat J. Couch and T. Lampard of Castlegar 15-9, 15-12.

Second round — T. Buckley and N. Rhodes beat R. Mathews and Mrs. J. Yerex of Trail 15-8, 15-11; Miss B. Cumming and J. Welton of Trail beat M. Clark and B. Nicholson of Tadanac 15,1, 15-3; B. Rennison and Miss P. Roome of Tadanac and Rossland Beat B. Kerieff and D. Harding 15-8, 15-10; R. Inkpen and Mrs. I. Harvey of Trail beat L. Wilkinson and B. Harper, 15-8, 15-11.

Semi-final—R. Inkpen and Mrs. I. Harvey beat Miss P. Roome and B. Rennison 15-7, 15-5; J. Welton and Miss B. Cumming beat Mrs. T. Buckley and N. Rhodes 15-8, 15-12.

MEN'S SINGLES CONSOLATION

First round — T. Lampard of Castlegar beat J. Munro of Trail 15-1, 15-2.

Second round — T. Lampard beat W. Weldon of Tadanac 15-1, 15-10; T. Dobie of Trail beat J. Webb of Trail 15-2, 15-3; B. Kerieff of Castlegar beat J. Goodrick of Trail 14-17, 15-11, 15-13; B. Rennison of Tadanac beat B. Ruck of Tadanac 15-6, 15-8.

MEN'S DOUBLES CONSOLATION

First round — N. Gallie and G. Taylor of Rossland beat A. Klit and K. Hogan of Trail 15-12, 15-7; J. Goodrick and J. Munro of Trail beat J. Smith and R. Bro of Rossland 15-9, 15-8; J. Richardson of Salmo and J. Webb of Trail won by default over T. Gergeley and L. Markin of Castlegar, B. Nevak and K. Atkinson of Castlegar beat T. Lampard and B. Kerieff of Castlegar 15-12, 15-12.

Semi-final — J. Goodrick and J. Munro beat N. Gallie and G. Taylor 7-15, 15-7, 15-6.

LADIES DOUBLES CONSOLATION

Semi-final — J. Richards and A. Ennis of Castlegar won by default, G. Pearcy and B. Harper of Trail beat J. Couch and D. Harding of Castlegar 13-18, 17-14, 15-9.

MIXED DOUBLES CONSOLATION

First round — K. Atkinson and V. Miros of Castlegar beat T. Gergeley and A. Ennis of Castlegar 15-11, 9-15, 15-12; P. Nevak and L. Richards of Castlegar won by default, A. Nixon and F. Nixon of Brilliant beat G. Pearcy and J. McNair of Trail 15-13, 15-4; T. Lampard and J. Couch of Castlegar beat B. Elliott and C. Lambert of Castlegar 15-8, 15-7.

Semi-final — K. Atkinson and V. Miros beat P. Nevak and L. Richards 17-15, 15-4; A. Nixon and F. Nixon beat T. Lampard and J. Couch 3-15, 15-8, 15-10.

MAYOR MAY BE BACK THIS WEEK

Mayor N. C. Stibbs is expected back in Nelson some time this week.

He has been recuperating in St. Vincent's Hospital in Vancouver for several weeks after an operation.

Nelson Bowlers Sweep Inter-City Play With Trail

Nelson bowlers made a clean sweep in both team and individual competition Sunday against visiting trundlers from Trail, winning in both men's and mixed events and carrying off high single and aggregate prizes.

In the men's team competition Nelson No. 4 was high with 3664 with Trail "B" runner-up at 3541. Dyne Macrae copped both the high single and high aggregate with 338 and 787, respectively.

Gwen Macrone turned in the top scores in the mixed team event with a single of 328 and an aggregate of 789. Tommy Moorcroft tallied the men's high single with 301 and Harry Kennell's 757 was good for the high aggregate.

Nelson "A" won the mixed team prize with 3609 with Trail "Big Five" runner-up at 3485.

Twenty-four teams, 12 from each city, competed in the invitation tourney.

Following are the final team standings:

Men's Event — Nelson No. 4, 3664; Trail "B", 3541; Nelson No. 1, 3524; Trail 7 Up, 3518; Trail Palm, 3463; Nelson Queen's, 3403; Nelson No. 2, 3361; Trail Eagles, 3351; Trail "A", 3152; Nelson No. 3, 2965.

Mixed Event — Nelson "A", 3609; Trail "Big Five", 3485; Nelson Royals, 3464; Trail No. 2, 3456; Nelson Pick-Ups, 3427; Nelson Atoms, 3339; Nelson "B", 3339; Trail Rollers, 3324; Nelson Cuthbert, 3301; Trail No. 1, 3157; Trail No. 3, 3157; Trail Giants, 3147; Trail No. 5, 3132; Trail No. 4, 3118.

Wings Strengthen First Place Hold

By The Canadian Press

Detroit Red Wings moved a big step towards clinching first-place in the National Hockey League by trouncing Chicago Black Hawks 7-0 in Chicago Sunday night while the second-place Toronto Maple Leafs were downed by Boston Bruins 3-1 in Boston.

In the night's third game, Montreal Canadiens came from behind with a heavy third-period attack to tie New York Rangers 5-5 before 13,806 fans in Madison Square Garden, New York.

Terry Sawchuk got his ninth shutout of the season in the Wings' victory over the last-place Hawks before 7014 fans.

Guyle Fielder, Lethbridge Native Sons' ace centre, played his first of three games with Chicago Sunday night.

NEW YORK-MONTREAL

First period — 1. Montreal, Lach (Richard, Olmstead) :47; 2. New York, Mickoski (Raleigh, Egan) 7:00; 3. New York, Raleigh (Slowinski) 19:50.

Penalties—Kullman, Reay.

Second period — 4. New York, Raleigh (Mickoski) 6:41; 5. New York, Mickoski (Stanowski) 11:02; 6. Montreal, Geoffrion (Bouchard, Reay) 11:33.

Penalties—Sinclair (misconduct), Bouchard.

Third period—7. New York, Raleigh 3:46; 8. Montreal, Johnson (Dawes) 9:40; 9. Montreal, Robert (Harmon, Dawes) 18:58; 10. Montreal, Bouchard 19:20.

Penalties—None.

BOSTON-TORONTO

First period—Scoring—None.

Penalties—Bentley, Lynn, Mortson.

Second period — 1. Boston, Peirson (Schmidt, Reigle) 6:21.

Penalties—None.

Third period — 2. Toronto, Klukay (Bentley, Mortson) 7:08; 3. Boston, W. Quackenbush (Horeck, Peirson) 13:18; 4. Boston, Peirson (Dumart) 16:47.

Penalties—None.

CHICAGO-DETROIT

First period—1. Detroit, Peters (Gee, Goldham) 12:32; 2. Detroit, Stewart (Kelly, Couture) 13:39.

Penalties — Dewsbury, Stewart, Dickens.

Second period—3. Detroit, Gee 2:59; 4. Detroit, Gee (Kelly) 8:36; 5. Detroit, Pavelich (Gee, Peters) 18:56.

Penalties—Stasiuk, McCaig, Reise and Fogolin.

Third period — 6. Detroit, Gee (Pavelich, Kelly) 4:09; 7. Detroit, Skov (Stewart) 11:46.

Penalties—None.

EDMONTON, March 11 (CP)—Calgary Stampeders clinched first place in the Western Canada Senior Hockey League here Saturday night as they edged Edmonton Flyers 4-3 before some 6500 fans.

I Was Nearly Crazy With Fiery Itch —

More Than 15 Resolutions To Come Before Associated Boards Annual

Resolutions calling for an extended schedule and auxiliary for Kootenay Lake ferry M.V. Anscomb and its overhaul in the Fall instead of Spring, and improvements for Castlegar airport road, will be among more than 15 of which will come before the 50th annual meeting of the Associated Board of Trade of Eastern British Columbia in Nelson today and Tuesday.

More of the member boards will be represented than ever before. Of the 16 boards comprising the Associated Boards of Trade of Eastern B.C., only isolated Lardeau will not be sending delegates.

A number of delegates arrived Sunday, as well as six prominent Coast business men and officials of the Canadian Chamber of Commerce from Montreal and Edmonton.

Delegates and visitors will register at 9:30 this morning and the convention will be called to order at 10:30. Reports, election of officers and resolutions will be the principal items on today's agenda and Tuesday remaining resolutions will be dealt with. All business sessions are being conducted in City hall.

Highlight will be a banquet tonight in the Hume at which F. G. Winspear of Edmonton, president of the Canadian Chamber of Commerce, will be speaker.

The other Canadian Chamber of Commerce officials attending are D. L. Morrell, general manager, and L. W. Cunningham, chairman of the executive council, both of Montreal.

The Vancouver business men who arrived Sunday as guests of William Manson, vice-president, Pacific region, Canadian Pacific Railway, were W. H. Raikes, B.C superintendent of Bank of Montreal, also representing R. D. Baker, president of Vancouver Board of Trade; M. M. O'Brien, vice-president of Bralorne Mines, Ltd.; C. W Jaggs, general manager of Robert Simpson (Pacific) Ltd.; J. L. Burns vice-president of McMahon and Burns, Ltd., and H. H. C. Anderson editor of Vancouver Daily Province

G. G. Greene, Inland Empire committee of Spokane Chamber of Commerce, and N. F. Pullen, public relations manager of B.C. Telephone Company, will be arriving today.

Dr. C. H. Wright of Trail is president of the Associated Boards.

Visit Cancelled

Special services at the Salvation Army Sunday were cancelled due to the death of the father of the guest speaker Major Gerald Wagner.

Major Wagner, Salvation Army prison representative for B.C., was to have spoken on what could be done for prisoners and ex-prisoners The Canadian Legion and Ladies' Auxiliary were to attend.

Major Wagner may speak here next month.

NEW WONDER ELECTRONIC EAR HIDES DEAFNESS

CHICAGO, ILL. (Special)—A fabulous new electronic ear which miraculously conceals deafness was revealed by an eminent Chicago acoustical scientist.

In an exclusive interview with the Business Research Associates, he disclosed that "through the miracle of modern electronics it is now possible for millions of hard of hearing to recapture their loss without a button showing in either ear."

In a remarkable demonstration he showed how his tiny revolutionary electronic discovery has rendered old style hearing aids obsolete.

Pointing out that his invention gives new hope to those who have heretofore refused to wear a hearing aid with a conspicuous ear button or head-band, he said that "this electronic ear transmits even whispers with startling clarity."

To acquaint the hard of hearing readers of this paper with this new wonder discovery which hides deafness, full details will be sent in a plain wrapper without obligation to anyone who requests it. Address: Electronic Research Director, Dept. Beltone Building, 1450 W. 19th St., Chicago 8, Ill. A penny postcard will do.

visiting around

We like to go visiting to see how other people produce textiles. A good many come to visit us, and we like this too. All main countries have textile industries, and people come from other countries in the western group to study our methods. The textile industry here in Canada is among the leaders in technical skill and effectiveness. And along with the U.S. it pays the highest wages for textile employment anywhere. In Canada the industry is the largest employer of manufacturing labor. Textiles also pay the largest manufacturing wage bill in this country. In these times, the size and technical ability of the industry are important features of Canada's strength.

Price and Wage Freeze Urged At Cranbrook

CRANBROOK, B.C., March 11—Reported to the City Council at its recent meeting was acknowledgement by the Office of Steel Control of its application for permission to buy about 90 tons of 1¼-inch steel pipe for proposed artificial ice installations at the Cranbrook Memorial Centre, and further details of the plan were asked.

Protesting the continuing increase in cost of living index, on unanimous vote the council wired the Minister of Trade and Commerce urging price and wages freeze. City contract with its works employees entered last Fall specifies a 25 cents per week per point increase in wages following a five point increase. Some discussion was raised at the meeting as to the exact cost of living index when the contract began.

Eight extra-municipal applicants for city water service in the North-east area protested the city's terms that they pay $600 of the $800 required for laying mains, to be reimbursed with free water rates for 2½ years or $100 worth of water service per applicant. Council decided to stand firm on these terms.

"Man" Subject Of Lesson-Sermon

"Among the many commands given by the Master to mankind is that each must develop that perfection which is rightfully his as a child of the Father"—guidance in this process formed part of the Lesson-Sermon read in all Churches of Christ, Scientist, Sunday. The subject was "Man."

The Golden Text was: "Mark the perfect man and behold the upright; for the end of that man is peace." Psalms 37: 37.

The Lesson-Sermon included the following passage from the Bible: "And, behold, they brought to him a man sick of the palsy, lying on a bed: and Jesus seeing their faith said unto the sick of the palsy; Son, be of good cheer; thy sins be forgiven thee. Arise take up thy bed, and go unto thine house. And he arose, and departed to his house." Matthew 9: 2, 6, 7

Among the selections from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, was the following: "Perfection does not animate imperfection. Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, but is illusion, the mirage of error. Divine Science reveals these grand facts."

JAMES CREECH

. . . son of Mr. and Mrs. A. L. Creech of Nelson who is now a sub-lieutenant training in H.M.S. Sluys, R.C.N. He received his first gold stripe recently. He attended Nelson schools and went on to Royal Roads College at Victoria and trained first in H.M.S. Vanguard. This week he will complete his destroyer training and April 1 will start with the Greenwich Naval College in London.

Examination of Possibilities for Deer Park Link To Be Carried Out

Arrow Lakes farmers of the Deer Park-Broadwater area are sparing no effort in their bid for a trail or road to end their isolation.

The settlements with only water and air approaches have approached the authorities for either a road or trail, and have gained the support of the British Columbia Farmers' Institutes in their drive.

A four-mile link with Syringa Creek would give them access to the Southern Transprovincial Highway.

Surveys made by the province have as yet brought no action on the matter. A. D. Turnbull, M.L.A. for Rossland-Trail has promised "to do what he could." H. T. Miard, Divisional Engineer, has said that the rockiness of the terrain would make it a costly area for road-building.

However, he has promised to give the situation another examination and has approached Edgar Jamieson, Public Works Superintendent, of Rossland, to see what is feasible.

In the meantime, the Deer Park-Broadwater residents are studying a suggestion that they obtain figures on costs for bull-dozing a route for presentation to authorities. A high level route it is claimed, would avoid the rocky bluffs.

Columbia, Kootenay Rivers Set New Flow Records in February

Both the Columbia and Kootenay Rivers shattered records in February, the month when the flow is usually lowest.

Maximum discharge of the Columbia measured at Birchbank near Trail, was 45,200 cubic feet per second. The previous record set in 1925 was 27,000 second feet.

The mean monthly discharge was 34,500 second feet, 201 per cent of the 37-year average. The minimum was 21,100 second feet, more than double the record minimum of 8940 second feet set in 1937.

The Kootenay, measured at the Wardner guaging station, had a maximum discharge of 3700 second feet, also establishing a new record Mean monthly discharged was 2450 second feet, 162 per cent of the 37-year average. The low was 1200 second feet. The record minimum for January is 800 second feet set in 1914.

The Columbia also set a record in January, when its 31,800 second feet maximum discharge record of 1918 was exceeded by 5800 second feet.

Judge Adjusts Assessment on Cominco Lots

KIMBERLEY, B.C., Feb. 11 —In County Court on Friday the Consolidated Mining and Smelting Company appealed before His Honor Judge H. W. Colgan against increased assessments of Lots 31 to 38 on Howard Street. Cleighton Stewart of Trail, and Norman Randall of Kimberley, represented Cominco, and F. Barry and Alderman H. Nicholson presented the city's case.

Originally assessed at $400 per lot, these were increased to $1,000 by 1951 assessment. These lots had never varied from the first assessment in 1945. Mr. Stewart claimed that the assessment Appeal Board erred in increasing assessment on the lots when the assessor, D. Corker, who had left the district, had left them at the same as in 1950—$4000 per lot.

City Council representatives brought out the fact that these Lots 32 to 38 were the only lots in the city which had remained at original assessment since incorporation in 1945, while every other lot in city, residential and business, had been increased anywhere from 150 to 400 per cent.

Representatives of the Council also claimed that the lots on which the C.M.&S. Co. offices were situated should be assessed as business lots under Section 283 or Municipal Act. Their contention was that the work that was carried on there was just as much a business as any other office business in town.

The judge examined Mr. Nicholson extensively regarding the reason other lots in the vicinity had been lowered from the 1950 assessment. Mr. Nicholson replied that they had been done by the assessor, Mr. Corker, former city clerk.

In arriving at a decision, the judge took into consideration the fact, under Section 261 of the act, that to bring C.M.&S. lots 32 to 38 into line with surrounding lots, it would be totally unfair to keep all the lots at the assessment revised by the Court of Appeal. Therefore his decision was that Lot 38 be increased to $600, Lots 34 to 36 be raised to $500, and Lots 32, 32 and 37 be left at original assessment of $400.

Cominco also appealed the assessment of Lots 6, 7 and 8 on Rossland Boulevard, as these lots were offered for sale by Cominco at $1500 a lot, as business lots.

The 1951 assessment was set at $1100 for Lot 6 and Lot 8, and $1000 for Lot 7. City representatives advised the judge that these were Cominco's own valuation in a letter advising the council of such action. After a comparison of other assessments in the area, His Honor set the 1951 assessment at $900 for lots 6 and 8, and $800 for Lot 7.

MRS. CLIFFORD FUNERAL HELD

Funeral services for Mrs. Edith Annie Clifford of Slocan City and New Denver who died in Mount St. Francis at the age of 77, were held from the Thompson Funeral Home Friday.

Rev. T. H. Chapman of St. Saviour's Pro-Cathedral conducted the service, and one hymn, "Rock of Ages" was sung with Mrs. W. A. Manson as organist.

Interment was in Nelson Memorial Park.

Mrs. Clifford was born in Grays Oxford, Engand, and came to Canada 50 years ago, settling first in Toronto. She lived in Calgary and Kelowna before moving to Slocan City in 1937 and in 1944 to New Denver.

She is survived by two sons, Norman in Vernon and Geoffrey in Toronto; two daughters, Irene in Calgary and Barbara in Port Alberni, and a sister in London, England.

MacKinnons to Return to England

D. MacKinnon, who has been a department manager for the Hudson's Bay Company in Nelson for a year, will return to England in three weeks.

Mr. MacKinnon came to Nelson after three months in Winnipeg, where he arrived direct from England.

He will fly to London with his wife and young son from Calgary April 1.

WOODFORD GREEN, Essex, England (CP) — Colin Apperley complained about the quality of his coal—until he found an extra heavy lump. It contained gold particles worth £6 ($18.)

954 Chest X-Rays In February in East Kootenay

Cranbrook, B.C., March 11—New cases of scarlet fever in East Kootenay declined last month to 34, according to the Health Unit report, while only a scattering of other communicable diseases was reported. Five new cases of rheumatic fever, which sometimes follows scarlet fever, were reported. During the month influenza reached epidemic proportions only in Michel-Natal area, but since then has increased through other districts of the unit.

With unit sanitarians pushing the program, 954 persons were given chest X-rays by the Dominion stationary equipment in the four hospitals. Three new tuberculosis cases were located, one apparently arrested and two apparently cured, and 13 persons X-rayed will be investigated further. With completion of this free service for food handlers, employees of other businesses will have the same opportunity.

Vital statistics compiled by the unit show births far above average to total 79, while deaths totalled 14 during the month.

Conciliator Named For Trail, Rossland Talks

D. W. Coton has been appointed conciliation officer in negotiations between the Trail Civic Employees Federal Union, Local 343, T.L.C. and their employers, the Corporation of the City of Rossland and the Corporation of the City of Trail, the Labor Relations Board reports.

D. Stephens Program Features Two Artists

Mrs. Amy Musfelt soprano, by popular request appeared again on the Dick Stephens, CKLN program Friday night.

Mrs. Musfelt sang "I Remember the Corn Fields" form the English hit parade, and also two duets with Stephens.

Piano settings were by Miss Katherine McLean, popular young pianist who also soloed in "The Harmonica Player," and "Deep Purple."

BURBAGE, Wiltshire, England (CP)—While riding home on a motorcycle in a fog, Peter Sheen bumped into two elderly women, one of whom died of injuries. The victim was Peter's mother.

Classical Music Heard in Recital

Five senior music students of Mrs. T. J. S. Ferguson presented an interesting and enjoyable hour and a half of classical music Saturday evening in St. Paul's United Church.

The program was varied with operatic aires, Lieder, concert and folk songs by the great composers.

Participating in the recital were Mrs. Doris Bradshaw, soprano; Miss Flora Johnson, mezzo-soprano; Roland Anderson, tenor; Gary Barnhardt, tenor; and Raymond Thompson, baritone. Paul Hielscher was unable to sing because of sickness.

CHANGE OF NAME FOR TRAIL FAMILY

Notification of change of name of Charles Rudiaschy and family of 1767 Circle Street, Trail to Charles Rudashy, appeared in the recent edition of the B.C. Gazette.

Caribou in the Northern Saskatchewan barren lands were estimated to number 700,000 in 1950.

MARTEL NEW CHAMPION
WINS INTERNATIONAL DOG DERBY

"Dogs Well Conditioned" Says World Champion

"My wonderful dogs deserve all the credit for their victory in the International Dog Derby in Ottawa. I only drove them. But I trained my dogs all year, and I brought them up to tip-top running condition for the race using Dr. Ballard's Meal Formula. In all my years of raising dogs, and racing them, I have never used a food that compares with it. This meal seemed to give my dogs more energy and endurance and really on the final day, I think they could have gone another thirty miles!"

Emile Martel

CHOICE OF Champions
Pick the Winner For Your Pet
DR. BALLARD'S
MEAL FORMULA

If you use dry food for your pet—pick the winner right now—get Dr. Ballard's Meal Formula.

This *New Wonder Meal* will keep your dog in tip-top condition because it's packed with proteins (guaranteed more than 25%); energized with body building vitamins; and contains all the essential ingredients for a balanced diet.

Easy to prepare—just add a little water. Economical because less Dr. Ballard's Meal Formula is needed to feed your dog scientifically.

Feed alone or mix with Dr. Ballard's tinned foods, kibble, or biscuits.

This amazing new Meal is completely odourless to humans—yet has a meaty, satisfying aroma that *All* dogs love!

Available at your favourite store in two-pound packages, or the economical 25 and 50 pound bulk bags.

To keep your dog full of energy, vitality and endurance, feed him THE MEAL OF CHAMPIONS—
DR. BALLARD'S MEAL FORMULA.

MORE of the services you want await you at your Imperial Esso dealers. Drop in at the Esso sign any time to have radiator and tire pressure checked or for any of the other services your car may need.

Fast Relief for RHEUMATIC PAIN
Dull wearisome aches—sharp stabbing pains—sore joints and muscles, are often quickly relieved by Templeton's T-R-C's. Many sufferers report genuine relief in 24 hours. Take T-R-C's today, get the relief you long for tonight! All druggists, 60c and $1.25.

New Means of Transportation

Army life isn't all it's cracked up to be, Michael Lambert of Toronto found out after both his arches became the size of a couple of balloons from "footing it" in Korea. His means of transportation is Pte. Ed. Adye of Collingwood, Ont. Canada's Princess Pats have been reported making new gains against stiffening Chinese resistance near Yongdu.—Central Press Canadian.

New Units for Young Offenders, Chronic Alcoholics and Drug Addicts, Urged by Commission

VICTORIA, B.C., March 11 (CP) —Revision of the penal system of B.C. with provision for a new institution to treat young offenders, and another unit for chronic alcoholics and drug addicts, is recommended in a report of a three-man commission appointed by Attorney-General Dordon Wismer, to investigate the state and management of the jails of the province.

The report stresses the need for vocational and other training facilities, co-ordination of activities in all corrective institutons, and the training of prison staffs.

Use of the Wilkinson Road mental hospital here "if and when" it is made vacant by construction of a proposed new hospital on adjacent property, was suggested for the treatment of chronic alcoholics and possible for drug addicts as well.

Suggested site of the new institution for young offenders is in the Fraser Valley between Haney and Mission. It should have accommodation for 400, the commissioners said.

It was recommended that facilities for a complete training program — physical, academic and vocational — be provided.

"It is recognized," the report head, "that the problem of crime and delinquency is not solved by merely constructing new buildings, and that it is not sufficient to dispose of the problem of the young offender by taking the attitude that all is being done through the existence of the present open-type Borstal Institution at New Haven.

"If they are to be prevented from becoming recidivists, it is necessary to give attention to a training program for them while they are institutionalized."

The commission, including Deputy Attorney-General Eric Pepler, Prof. C. W. Topping of U.B.C. and E. G. B. Stevens, Provincial Probation Officer, also recommended:

Construction of a new women's jail in Burnaby but apart from the Oakalla prison farm;

Appointment of a director of corrections to have full control of all correction institutions;

Establishment of a volunteer advisory committee composed of prominent citizens to aid the Director of Corrections;

Immediate construction of a new Boys' industrial school on Vancouver Island;

Appointment of a second deputy warden at Oakalla whose duties would be to supervise training of staff and inmates;

Establishment of training camps program for selected prisoners;

Construction of new buildings to replace the present Bortsal Institution at New Haven;

Reclassification of jail staffs and the establishment of in-service training, utilizing facilities at U.B.C.

Planes Await Call To Meet Wounded

EDMONTON, March 11 (CP) — Three planes and 75 personnel of the RCAF's 435 Transport Squadron are standing by at Edmonton awaiting orders for the first move of Canadian Korean casualties to hospitals across the Dominion.

Each plane has been fitted for 15 stretchers and will carry a medical orderly and a flight nurse in addition to a crow of five.

The squadron expects to make one of the top-priority flights about every 10 days.

The planes will fly Canadian casualties to near-home hospitals after they have been flown to the United States by U. N. Pacific airlift flights.

FIND LOGGER'S DEATH RESULT OF ACCIDENT

LAKE COWICHAN, B.C., March 11 (CP)—A verdict of accidental death was returned by a coroner's jury which inquired into circumstances surrounding a logging fatality at the Gordon River camp of Western Forest Industries Ltd., which took the life of Joseph Bohemier, 35-year-old faller. The jury under Coroner J. H. Boyd, found that Bohemier came to his death as the result of being struck on the head by a falling limb.

"IRON LUNG GIRL" DIES OF 'FLU

WINNIPEG, March 11 (CP)—Inez Woolam, Winnipeg's "Iron-Lung Girl", died today in King George Hospital.

A three-week bout with flu—not almost 15 years in an iron lung following infantile paralysis—caused her death.

Miss Woolam, then 22 and engaged to be married, caught infantile paralysis in September, 1936. She recovered partial use of her hands but her breathing was always impaired.

She had to be evacuated by boat from hospital—still in her iron lung—when the Red River flood struck Winnipeg last May.

CLASSIFIED ADS GET RESULTS

STRATFORD, Ont. (CP) — The six Telford brothers gathered at nearby St. Williams for the first time in a number of years. Peter Telford was stricken ill and without knowing of each other's plans the five brothers came to help—George and John from Toronto, William of Norwich Edward of Tillsonburg and Gordon of St. Williams.

Russia Adopts Record Budget

MOSCOW, March 11 (AP) — A record peacetime state budget was adopted Saturday by the Supreme Soviet (Parliament) of the U.S.S.R.

The budget calls for a 1951 fiscal year outlay of 451,000,000,000 rubles, including 96,000,000,000 for defence. Finance Minister A. G. Szerev disclosed that of the defence appropriations, 22,000,000,000 is for the navy and 74,000,000,000 for the army.

(The Soviet Union values its rubles at four to the American dollar, which would indicate a defence budget of about $24,000,000,000, as compared with a proposal by President Truman that the U. S. in fiscal 1951 spend $41,421,000,000 on defence. However, it is not possible to compare the two budgets, since it is not known how many of the remainder of the vast Soviet budget actually is for military purposes.)

Federal engineers have designed a shadow-height calculator to determine tree heights in aerial photographs.

'Red' Newspaper Quotes Richard on Hockey Monopoly

MONTREAL, March 11 (CP)—Police anti-subversive squad officers Saturday night arrested nine persons who, they said, were selling a "Communist" newspaper carrying a front-page story on Maurice (Rocket) Richard.

Police said the six men and three women were arrested outside the Montreal Forum and will be charged with selling papers without a permit. They were later released on $200 bail pending arraignment.

The newspaper, Champion, quotes Richard as saying in an interview that he didn't like attempts to monopolize hockey. Champion says Richard told Jean Sylvestre, Editor of Jeunesse (Youth), that "Jim Norris has a controlling interestin the four American clubs (of the National Hockey League) and would like to get his hands on the two Canadian teams as well."

The paper says Richard "didn't like this attempt to monopolize the hockey game.

" 'The teams should be run independently of one another,' he said."

Champion is an English-language paper, published in Toronto.

Lieut. Jean Boyszen of the police anti-subversive squad said the nine arrested for selling Champion were members of the National Federation of Labor Youth, an organization he described as Communist and sponsored by the Labor Progressive Party.

Some 500 copies of Champion were seized while hundreds were strewn along the street outside the forum where Canadiens and Chicago Black Hawks were playing.

Lieut. Boyszen said Richard has nothing to do with Champion and the story and picture of him were used to bait the public into buying the paper.

Richard was in New York where Canadiens play New York Rangers tonight; other club officials were not available for comment.

Tito Swears to Fight Aggressors

BELGRADE, March 11 (AP)—Premier Tito and his top military aides declared Saturday that Yugoslavia will fight against Russian aggression as she did against all other enemies in the past.

Their statements were made at the opening of an international rally of wartime partisans here.

Tito himself spoke only briefly, welcoming delegates of underground fighters form Norway, Italy, France, Spain, Trieste and Austria, who joined the Yugoslav partisans in the rally.

His close military adviser, Gen. Peko Dapcevic, referred directly to Soviet-inspired threats by Yugoslavia's Cominform neighbors to overthrow the independent Communist regime here.

WOMAN JUROR SHAKES COURT PROCEDURES

BATTLE CREEK, Mich., March 11 (AP) — A woman juror caused a mistrial in circuit court here.

Standing up in the jury box after the defence had cross examined the complaining witness for 90 minutes yesterday, Miss Anna O'Toole, one of the jurors, wanted to know:

"How long do we have to sit here and listen to all this nonsense?"

The judge immediately declared a mistrial. The defence claimed the juror's remarks showed prejudice.

Some of the most famous totem pole makers were the Haida Indians of the Queen Charlotte Islands off the British Columbia coast.

Opportunity Raps Loudly For Canadian Career Girl

OTTAWA, March 11 (CP)—A wide choice of careers awaits the modern miss with an eye to the future—thanks to the efforts of the lady herself.

A recent survey shows women still holding down many of the responsible jobs they worked into during the war. Some now are at the top of the ladder. Others have carried the feminine banner into new fields—into everything from radio to politics.

"PROVING THEMSELVES"

Women are "proving themselves," says Mrs. Ellen Fairclough, Canada's only woman member of the House of Commons. "Anything the girls want badly enough they can get."

What's in the cards for the career minded miss?

Statistically, nursing and teaching will most likely catch her eye. But medicine and law also are garnering a corner on the feminine market.

Canada now boasts 113 women lawyers and 466 practicing physicians —feminine gender.

There even are 37 women dentists and five dental hygienists. The latter is a new profession introduced into Canada two years ago. A trained hygienist works with the dentist.

MILLION IN INDUSTRY

On Nov. 30 the Bureau of Statistics listed 68,000 women in agriculture and 1,050,000 in industry ranging from 279,000 in various forms of manufacturing to 65,000 in real estate, insurance and other forms of finance.

The last war opened the door to many a career.

Take radio for example. The CBC now boasts a staff of 32 per cent feminine—449 women. Several are doing a man's job.

Canada's growing film industry is a mecca for creatively-inclined women. One is Judy Crawley, wife of the head of Crawley Fils Ltd., of Ottawa, and a producer-director in the company.

Mrs. Crawley produced "The Loon's Necklace", a film based on Canadian folklore which won eight international awards two years ago.

In the realm of photography Marjorie Shackleton of Capital Press has chalked up more tha none "first for Canada's women photographers.

Pert and twenty-fivish, Marj has snapped a shutter at most of the world's top brass visiting in the capital these last three years. She was Rt. Hon. MacKenzie King's favorite photographer and one of the few he permitted to photograph him in the last few months of his life.

MEN TAKE A HAND

In at least one profession—social work—the men appear to be turning the tables and barging into what once was considered feminine territory.

"Since the war more men have been training in Canada's nine schools of social work," says Miss J. A. Maines of the Canadian Association of Social Workers.

She estimates the Association now has 1400 members, two-thirds of whom are women.

Despite the fact the Association's membership has doubled in the last five years, there remains a shortage of professionally-trained workers.

"Shortages exist in all divisions of social work," says Miss Maines.

TEACHERS WANTED

For the same reason a girl with her eye on a teaching or nursing career should have no trouble getting a job.

Some 61,000 women now teach in Canada's public and secondary schools, not including the number similarly occupied in private schools and universities At the same time there are at least 25,000 graduate and undergraduate nurses in Canadian hospitals.

But girls choosing either of these professions will find plenty to do. At the moment the country is short of something like 5800 teachers.

At the same time the present need for more nurses is bound to increase in line with the expanding health services.

BRANDON, Man. (CP) — Students wrote the script and composed the music when the Brandon Colleg Literary Board presented a musical play "The Sage of Brandon" dealing with the city's history.

Rossland C.W.L. Ships 250 Lbs. Clothing Overseas

ROSSLAND, B.C., March 11 —A total of 250 pounds of clothing has been shipped overseas recently, Mrs. R. Jones told the Catholic Women's League at its monthly meeting in the parish hall.

Final arrangements for a St. Patrick's tea were made. Mrs. H. Christian was placed in charge of tea tickets, and the home cooking table will be in charge of Mrs. G. Dyson and Mrs. A. Albo.

Rossland Girl Is Honored At Shower

ROSSLAND, B.C., March 11 — Miss Joyce Heatton was honored at a miscellaneous shower at the home of Mrs. F. G. Bray with Mrs. Pat Bathie and Miss Shirley Bray as co-hostesses.

The 25 guests compiled a bride's scrapbook, and contests were played, with prizes going to Mrs. L. Laslett and Mrs. C. Olsted. Gifts were presented to Miss Heatton in a basket trimmed with white and green.

Mrs. E. M. Fluery of Nelson poured.

CANTERBURY, England (CP) — A railway between Canterbury and Whitstable, closed for 21 years, may be reopened for the Festival of Britain this year.

Coventry-Livingstone Wedding Double-Ring

A double-ring ceremony, performed by Rev. A. L. Anderson, united in marriage the former Laura Livingstone, daughter of Mr. and Mrs. J. Livingstone, and Robert Coventry, son of Mr. and Mrs. J. H. Coventry, in St. Paul's United Church.

The bride, given in marriage by her father, chose a soft blue gabardine suit featuring a fish-tail back, and accessories of pink and grey. A close-fitting hat of blue milan trimmed with flowers and veiling completed her costume, and che carried a waterfall bouquet of pink carnations.

Miss Doris Boyes, as bridesmaid, wore a golden rust gabardine dressmaker suit with white accessories. Her Colonial bouquet combined white carnations and daffodils.

Mr. Gordon Pickard was best man. Miss Alice Stevenson was soloist, and Mrs. T. J. S. Ferguson, organist.

SPECIAL TRIBUTE

The reception place was the home of the groom's parents, where a buffet luncheon was served. The wedding cake, embedded in tulle and flanked by Spring blooms, was made by Mrs. G. W. Priest. The groom's sister, Miss Carol Coventry, sang as a special tribute to the bride.

For her wedding trip, the bride topped her suit with a Winter white shortie coat.

Mr. and Mrs. Coventry will reside in Nelson.

Rossland L.A. Plans St. Patrick's Banquet

ROSSLAND, B.C., March 11 — Final plans for a St. Patrick's Day banquet were made by Ladies' Auxiliary to Rossland Aerie No. 10, Fraternal Order of Eagles at its meeting here. The banquet will be held jointly with the lodge Friday.

Discussion centred on the Auxiliary's Spring tea. Four applications for membership were read, and the next meeting will be initiation night. The sum of $5 was voted to the March of Dimes.

Mrs. S. Grieve, Mrs. J. Kosiancic, Mrs. T. Lenarduzzi and Mrs. R. Maitland were appointed to the refreshment committee for next month.

British Columbia with an area of 366,250 square miles is 100,000 miles larger than Texas.

Willow Point W.I. Told Of Kentucky

WILLOW POINT, B.C., March 11 —Mrs. Clyde B. White took members of Willow Point Women's Institute to Kentucky at their March meeting in the church room.

Mrs. White told of life in the mountain mining community of Cumberland, Kentucky, where she and her husband lived before coming to Willow Point.

The "pennies for friendship", five cents a member will be sent to the W.I. friendship fund, which will be a memorial to the late Mrs. Alfred Watts. The sum of $5 was voted toward a fund for furnishing a room in the new women's residence at University of British Columbia.

A card congratulating the W.I. on its 37 birthday was received from Mrs. H. Middleton, a former member living in Vancouver.

Mrs. B. Townshend reported that Mr. Knowles of the Social Welfare Department would speak at the April meeting, and appointed canvassers for the Red Cross drive. A travel film will be shown in the school March 22.

Mrs. W. Bailey and Mrs. C. Olson offered to be hostesses for a bridge and whist Thursday.

MILK ISN'T FATTENING

LISTOWEL, Ont. March 11 (CP) —Importance of milk in diets was emphasized yesterday by Anne Lawson, representative of the Home Economics Service in the Ontario Department of Agriculture.

Speaking at a conference of women here, she said milk is not fattening and women who refuse to drink it for fear of gaining weight have the wrong idea.

Among other food tips was her statement that turnip is the Ontario vegetable with the most vitamins, and that the food value in milk is not in the cream; butter milk and skimmed milk were more important because of their calcium content.

Libby Dam Hearings This Week of Vital Interest to Kootenay

The Kootenay this week will be directing keen attention to the International Joint Commission hearings in connection with the proposed construction and operation of the Libby dam and reservoir. Hearings open at Spokane today, continue at Nelson and Cranbrook this week and conclude at Helena, Montana, next week.

The Libby project on the Kootenay River is one of the major elements of recommended developments arising from the Columbia River Basin surveys. It is directed at providing flood control and power benefits both within United States and Canada, and is of additional intense interest to this area because of its physical aspects. The proposal should it win approval would raise a 425-foot high dam near Jennings in the vicinity of Libby, Montana, that would back Kootenay River waters into a lake approximately 100 miles long. This lake would extend 42 miles into Canada to the tailwater of the Bull River dam site about five miles upstream from Wardner. With a full reservoir the depth of water at the border would be about 150 feet; the reservoir would occupy 51,500 acres of which 17,700 acres would be in the Canadian Kootenay area.

Every individual, group, company or community having an interest in the $300 million project, or seeking to protect existing interest will have a hearing at the sittings this week and next. One of the purposes of the Joint Commission is to investigate the interests on either side of the Boundary and how these would be benefited or adversely affected. It must estimate all costs including indemnification for damage to public and private property. Protection from financial loss is provided for all who might be affected by such projects under the Boundary Waters Treaty of 1909. However, considering the benefits that will accrue from the proposal, it can be expected that chief focus of representations going before the Joint Commission will be on maintenance and extension of existing interests.

The City of Nelson and West Kootenay, for instance, because of power rights on Lower Kootenay River will be interested in the aspect that will mean higher-year-round flow and increased power possibilities and rights. East Kootenay will be interested largely in the flood control and tourist attraction aspects. Fishermen, sportsmen, farmers, lumbermen, resort owners, and power people, all will find reason to direct attention to the hearings.

It's Been Said

Women destest a jealous man whom they do not love, but it angers them when a man they do love is not jealous. — Ninon de L'Enclos.

Letters may be published over a nom de plume, but the actual name of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

More Publicity for Tourist Attractions, Better Border Roads

To The Editor:

Sir: There are two factors that are not enough stressed in our local propaganda. One is the perpetual greenness of our mountains. Drive through the other valleys and one finds bare sun bleached hillsides and a definite sameness prevailing for miles, while here is the refreshing green and the blue of the lakes.

Another is the cool nights which enable a person to sleep in comfort in spite of a hot day. As a very large proportion of our tourist clientele comes from central Washington and Idaho, these factors are very significant and these districts are only a few hours away.

We have a definite promise that the No. 3 Highway is to be completed in the near future, but in the meantime the highways that provide for the greatest source of revenue, that of United States tourists, are being neglected owing to the bad approaches through Northport, Nelway and Porthill. The Kootenay ferry M.V. Anscomb should operate at least for 16 hours a day. The cost would not be out of line for it takes, at present, two shifts to operate her. Operating cost over revenue is $45,568 while on the Okanagan Lake it is $90,692. For the additional $45,124 though a 24-hour daily service is provided on the Okanagan ferry link.

As John Fisher so aptly remarks, we are a race that seems to prefer to hide its light under a bushel.

H. C. CARNE,

Nelson, B.C.

Verse

O Death, Where Is Thy Thing?

This silly song's been going strong
Since eighteen ninety-three.
For years and years it's plagued our ears
And I'm sure you'll all agree
It's time to try and find the guy
Who started all this rot,
Who wrote a tune with a "boom, boom, boom,"
And never told us what;
Who wrote a tune with a "boom, boom, boom,"
And never told us what.

We searched for him through thick and thin,
We looked most every place—
In Parliament and tenement
We sought his stupid face.
When hope was past we came at last
Up to a mental home:
In a padded room shouting "boom, boom, boom,"
Was the author of the poem.
In a padded room shouting "boom, boom, boom,"
Was the author of the poem.

We beat his head until he said,
"Now fellas, let me go.
You've never guessed what's in that chest,
But now you're going to know."
He raised the lid to show what's hid
Beneath those massive locks.
"You silly ass, it's a looking glass
In the bottom of the box.
You silly ass, it's a looking glass
In the bottom of the box."

Press Comment

FOR WEIGHT REDUCTION

An astronomer says that owing to the difference in gravitation a lady weighing 150 pounds on the earth would tip the scales at a mere 43 pounds on the planet Mercury. To the problem of weight reduction without escewing the chocolates, obviously this is the answer.—Ottawa Citizen.

THERE AIN'T NO SUCH ANIMAL

A good editor is one who has never made a mistake, who has never offended any person; who is always right; who can ride two horses while straddling a fence, with both ears to the ground; who always picks the right horse as well as the right politician to win; who never has to apologize; who has no enemies; and who has worlds of prestige with all classes, creeds and races.

One who runs a preponderance of items of interest to women; a preponderance of athletic news for those interested in sports; more legislative news for those interested in politics—agricultural items for those with green thumbs or in the business.

That is all an editor has to do to be a "good editor"—except for having sound, progressive ideas on every conceivable subject—with which every reader agrees.

Personally, we have a hunch there has never been a good editor.—Williams Lake Tribune.

M. A. B., Kimberley—A relative of mine is in the U.S. on a six months' visit and it will soon be time for her to return to Canada. Her daughter, who is childless, and was widowed last year, is dying. Would it be possible for my aunt to remain in the States as long as her daughter needs her? If so, to whom could she write for permission to extend her visit?

Tell her to get in touch with the Immigration Officers at the seaport nearest to where she is staying, giving date of entry, and place of entry at the border where she was admitted, also enclosing doctor's certificate with her application. An alernative method would be to get in touch with the nearest Canadian consul. As you do not tell us the name of the state where your relative is we can only give you a list to Canadian consuls for you to forward to her: 532 Little Building, Boston, Mass.; Ste. 800, 400 West Madison St., Chicago, Ill.; 1035 Penobscot Building, Detroit, Mich.; 620 Fifth Avenue (Consul General), New York; 400 Montgomery Street, San Francisco, California.

R. M., Trail—What can I use to remove old wax and varnish from floor lino?

There are special preparations for this purpose on sale at most hardware stores.

Listener, Cranbrook—Who is the permanent conductor of the Calgary Symphony Orchestra?

According to our latest information, Clayton Hare is this orchestra's permanet conductor.

Looking Backward

10 YEARS AGO
From The Daily News of March 12, 1941

With the new outbreak of measles in the city, Dr. F. P. Sparks, Medical Health Officer, has urged that special care be given to youngsters. Five new cases of measles and six of German measles were recorded by the Nelson Health Department over the weekend, bringing the total cases to 120.

Mrs. L. Maddin's curling quartette Monday won the right to hold the Collinson Cup for the 1940-41 season when they defeated Mrs. Thomas Homersham's rink 10-8 in a closely-contested final.

25 YEARS AGO
From The Daily News of March 12, 1926

After driving 900 feet of the crosscut at depth, started last October in the Hudson Bay zinc mine at Salmo, the syndicate holding the property under option has opened a sulphuride body of ore 40 to 50 feet in width, constituting one of the most significant strikes of recent years in the Kootenay. The Hudson Bay is located North of the Emerald Mine in the silver-lead-zinc belt of the Sheep Creek camp, and is owned by Mrs. Agnes Vellacott of Nelson, Percy Horton, formerly of the district, John Benson of Salmo and S. N. Ross of Ross Spur.

40 YEARS AGO
From The Daily News of March 12, 1911

Patrick Clark and Patrick Clark Jr. are planning to erect a new mill for the Standard Mine at Silverton. The men returned from the mine yesterday after deciding on a site for the mill. Machinery for the mill and for the tramway and compressor plant will be ordered immediately and installed if weather permits.

John T. Black, Chief Provincial Constable, is on a visit to Arrow Lakes points, and is expected to return to Nelson in a day or two.

Your Horoscope

New horizons should be ahead of you. Contacts you make may grow into increasing importance. Today's child will probably be popular and quite successful.

Fine Bargain for Attlee if He Can Retain Astute and Canny "Ernie"

By DEWITT MacKENZIE
Associated Press News Writer

Retirement of Britain's Foreign Secretary, Ernest Bevin, because of ill health, naturally raises the query whether this will seriously weaken the Socialist Government.

That's an important question, because Prime Minister Attlee has been maintaining his regime by a thin margin of votes in the House of Commons. The powerful Conservative party, headed by Winston Churchill, has been gunning for Attlee's scalp persistently because of this weakness.

Certainly during the trying postwar years the bluff, rough and tough Bevin has been not only a pillar of the home Cabinet but has played a vital role in the great international conferences which have dealt with world problems. Were he to disappear altogether from the political picture now, it would be a hard blow to the Government.

However, Bevin is being retained as an "elder statesman" in an advisory capacity. That permits a Cabinet reorganization which is calculated to strengthen, rather than weaken, the Socialist Government.

HOME-FRONT COMMANDER

The former Foreign Secretary has been appointed Lord Privy Seal—a Cabinet minister without portfolio. Thus not only will his guidance in foreign affairs be available, but also his vast authority with the great labor unions. It shouldn't be overlooked that Bevin was commander of the home front under Churchill in the last war.

Herbert Morrison, the Deputy Prime Minister, who succeeds as Foreign Secretary, not only is one of the shrewdest politicians in Britain, but he has had much experience in foreign relations. American and other Western diplomats in Washington express the belief that Morrison's appointment as Foreign Minister will mean continued close cooperation between the United States and Britain, especially in dealing with Russia.

Certainly the diplomats will discover a striking difference in the characteristics of these two British statesmen. Bevin is a two-fisted, blunt individual whose capabilities as a speaker are of the spell-binder type. Morrison is a polished orator.

Morrison's place as leader of Labor in the House of Commons is being taken by James Chuter Ede, who now is Home Secretary—a highly-important post. Ede is generally held to be one of Labor's best men and well qualified to assume Commons leadership.

BETTER POSITION?

So if Bevin's health permits of his acting as minister without portfolio, in an advisory capacity, Attlee would seem to be moving into a rather better position politically. Internationally, the pictrue isn't likely to change.

All in all, Attlee will have achieved a fine margin if he can make the changes forecast, and thus keep the astute and experienced Bevin in harness.

The Sports Eye

BY CLIVE FLEMING

Ray McNiven aptly stated the plight of the Dynamiters: "We had a steep and slippery hill to climb when we beat Nelson. Now we've got a steeper and slipperier one."

The Dynamiters are really behind the eight ball after their 8-2 loss to Smoke Eaters, but they will be helped greatly by having the next game (or two games) of the W. I. H. L. finals on Kimberley ice. The Dynamiters came back with three straight wins to beat Nelson a few years back when the Leafs all but eliminated Kimberley, but they are matched against a tougher club this time.

By the scores of 6-1 in the opener and 8-2 in the second, Trail seems to absolutely outclass the Dynamiters. In the Saturday night game, Kimberley could possibly have gone on to beat Trail if they had been awarded a much-argued goal. The rumpus and the delay were sufficient to allow a hot band of pucksters to lose pace.

Trail was leading 2-1 at the time, but Kimberley was doing everything but clout the rubber across the goal line, having the same kind of fortune around the net as Nelson Leafs when they were in the process of being eliminated by Kimberley. Bobby Kirk's Smokies were really hanging on the ropes when Red Sutherland waltzed in on Sofiak and blasted his sizzler which caused all the ruckus.

Trail claimed that the puck hit one goal post and deflected over to hit the other goal post, but did not go in the net. Kimberley claimed that it hit the post, carommed to the back of the net and continued on its merry way out of the net. Several fans, both Trail and Kimberley behind the net said they saw it go in. Referee Ty Culley, who was closest to the play, heard the puck bang the post, and then saw it bouncing about the goal.

Up in the Press gondola, the Sports Eye watched Sutherland set himself for his drive, but the shot was so hard and fast that it couldn't be followed. I saw it sliding away from the goal a short time later. No one else appeared to see what happened from that lofty vantage point.

Dynamiter President Gordie Wilson was situated behind the goal, but honestly revealed that he couldn't swear one way or the other.

"I SAW IT . . ."

The one man who could have seen the best was the man who fired the puck, and Red Sutherland said "I know it went in. I was on my knees when I saw it hit the back of the net off the goal post."

In any case the goal judge, parked on the ice behind the net must have sworn that it didn't go in, or that he couldn't see it, which could be understandable.

Apparently the official in question had been a regular at that post for years, and was very dependable.

If the case is that it did go in, the Cominco Arena equipment is at fault. They still have the old time nets which do not keep the puck in unless it dribbles in, or catches a corner. The goaljudge has to duck all the time, lest a high drive takes his head off.

"A million dollar arena with two-bit goals," commented one.

SYMPATHY STRIKE

As it turned out Lyall Swaney requested that the official be replaced, and just as a playoff formality, in no may inferring any incompetence by the judge, Ty Culley had him removed to be replaced by one of the spare officials appointed by the league.

Things really came to a head when Bill Waddell, the other goal judge left the ice, as if to say: "If he goes, I go too."

When play finally started again, Dynamiters had cooled off, and Smokies had collected themselves, and took advantage of a couple of quick penalties to run away with the game.

It was the turning point of the game. Incidentally, the clock showed it to be exactly at the half-way point of the game.

Still, Dynamiters aren't playing the same hockey they did against Leafs, especially so speedster Billy Hryciuk.

One of the Dynamiters commented: "If we played like this against Nelson, we'd be home now."

Trail can wrap it up tonight and wait for the winner of the Nanaimo-Vernon series which starts in Nanaimo tonight, or Kimberley can keep their faint hopes alive with a win.

ASTHMA BRONCHITIS

If you can't sleep because of gasping, and coughing—fight for breath night after night, get Templeton's RAZ-MAH today. It will loosen the stangling phlegm, give you comforting relief. A 60c box will convince you.

Trail Leads Kimberley in Girls' Basketball

TRAIL, B.C., March 10 — Trail teachers basketball quintet defeated Kimberley 59-24 here Saturday night in the first of a two-game total point series for the Kootenay Senior B Girl's championship.

Second game in the series is scheduled in Kimberley March 17.

Dorothy Wallace, formerly of Nelson High School star, led the Trail attack with 17 points. Dorothy MacIntosh followed with 16 points while Nellie Young netted 13.

Iris Johnson sparked the losers with eight points. Joyce Swan with six and Helen Bond with five were the other top Kimberley scorers.

Nelson Skaters Pass Tests

Seven young Nelson girls passed their preliminary figure skating tests Sunday, first step in skating proficiency.

The tests conform to Canadian Figure Skating Association standards and were held under the supervision of Fay Chestney, figure skating instructor for the Nelson Club.

The skaters qualifying in the tests were Myrna Joy, Tillie Chernoff, Patsy Piercy, Ann Postlethwaite, Doreen Speirs, Marjorie Young and Lydia Walton.

Judges were Mr. and Mrs. Reg Dill and A. B. Gilker.

Higher division tests will be taken here March 18 by three or four more Nelson skaters with Trail judges attending.

N.S. Wins Title Undefeated

B.C. Runner-Up After Beating Saskatchewan Rink

By W. R. WHEATLEY
Canadian Press Staff Writer

HALIFAX, March 11 (CP) — Nova Scotia's first Canadian curling championship in 24 years came to a brilliant climax Saturday when Don Oyler's rink from Kentville ran out an undefeated string of 10 straight victories.

A three-way tie for second place necessitated playoff rounds Saturday night and British Columbia took over the runner-up spot over Saskatchewan and Manitoba.

The title itself was decided in the all-important 10th round Saturday morning.

Nova Scotia was drawn against Manitoba and Roy Forsyth's Winnipeg Strathcona curlers needed a win if they were to retain a chance of pulling into a tie for first place.

British Columbia, like Manitoba with six wins and two losses, was Nova Scotia's opponent in the final round and still couldn't be counted out if both Western rinks could stop the surprising march of the Maritimers.

The Oyler's men, playing their same sparkling game that had turned back all the other provincial titleholders, took Manitoba in stride, without having to complete the 12th end. Forsyth, hopelessly behind in the 12th, conceded Nova Scotia's victory and the official score gave Oyler a 12-7 win in 11 ends.

Alf Chesser's British Columbia entry from Trail could do no better against the confident Maritimers in the afternoon play and a 10-5 win for Oyler gave Nova Scotia its 10th straight win.

The undefeated performance for Nova Scotia was a bonspiel record in itself. Manitoba rinks have swept undefeated to the title four times since the spiel was started in 1927. But this year Newfoundland's entry meant an additional round of competition and 10 games for each provincial championship rink.

Oyler was happy when the title was assured by his defeat of Manitoba. He said then his rink's success was something of a surprise but he wouldn't be surprised at all if his curlers made it a clean sweep against British Columbia in the final round.

QUEBEC TOUGHEST

The Kentville rink did it and Oyler was beamingly proud of the team he brought together for the first time three years ago.

Recalling the play in the week-long bonspiel, Oyler said he thought his toughest match was against the Quebec team of mining men skipped by Merle Thomas from Bourlamaque.

Nova Scotia won 8-6 in that eighth-round game, a hot struggle between two teams which specialize in the draw style of play.

The bespectacled, 42-year-old skip of the Kentville rink wouldn't commit himself as to the efficacy of draw or knock-out.

His rink can adapt itself to either style.

The Maritimes' first and only win after a lapse of 24 years came back to Nova Scotia. The late Murray MacNeill, in 1927, skipped his Halifax Curling Club to the title. No other Maritime Province has since been able to win.

Next year's title play will be in Winnipeg, and the following year at Sudbury, Ont., when Northern Ontario will become the host for the first time.

Johnny Franklin's Rosetown, Sask., edged Manitoba 9-7 but lost to Chesser's British Columbia entry 8-0 in the deciding game for the runner-up place behind Nova Scotia.

Franklin graciously conceded his loss after six scoreless ends and the formal presentation of the MacDonald Brier Tankard to Nova Scotia followed. All the Provincial rinks were on hand for the final colorful ceremony.

The 1951 championship team from Kentville is made up of comparatively young curlers who won the Western counties—Valley and South Shore—title in Nova Scotia last year.

Oyler, at 42, is the daddy of the rink. George Hansen, the mate, who began curling as a high school student in Lumsden, Sask., is only 31. He was formerly with the R.C.M.P. Second stone is Fred Dyke, 28, an accountant. He is a former amateur baseball pitcher and began curling when 15.

Lead of the rink is Wally Knock, both "K" and "N" pronounced under the inalterable diction in Lunenburg where he was born. He is 37, has been curling for seven years and is the operator of a fish market in Kentville.

SUN VALLEY, Idaho, March 11 (AP)—Sally Neidlinger, 21-year-old skier from Hanover, N.H., today added the slalom title to her downhill crown for a clean sweep of the Women's Olympic trial races. Her slalom time was 1:24.8.

Darrell Robison of Salt Lake City took the men's slalom title with an elapsed time of 1:50.

Smokies Gain 2-Game Lead

Trounce Dynamiters 8-2; Disputed Goal Delays Game; Move to Kimberley

TRAIL, B.C., March 11 — Bobby Kirk's confident Trail Smoke Eaters meet Kimberley Dynamiters Monday night in Kimberley and a victory for the Smokies will give them their fourth straight Kootenay senior hockey title.

Trail took a commanding 2-0 lead in the best-of-five series here Saturday night when they thumped the Dynamiters 8-2 in the second game of the playoffs. Trail won the opener here Thursday by a 6-1 score.

The winner of the Kootenay title will play the Okanagan-Mainline League champions in a best-of-five series for the B.C. amateur title.

Saturday night's match, featured by a second period argument which saw one goal judge replaced and the other quit, was wrapped up by Trail with a four-goal outburst midway through the middle session.

The Smokies held a slim 2-1 lead at the end of the first chapter and carried it into the first ten minutes of the second despite a strong offensive by the Dynamiters. The visitors attack was at it's peak in the period when a dispute over a close shot on the Trail goal halted the game.

When play resumed after a delay of about 15 minutes, the Dynamiters no longer enjoyed the edge and the Smokies took over. In a space of four minutes Trail rapped in four goals to ice the contest. Two of the goals came with Trail having a man advantage.

In the last period Trail picked up two insurance markers against one Kimberley tally.

Bobby Kromm and Kenny Cook with two goals each paced the Smoke Eater attack. Singles went to Ab Cronie, Johnny Rypien, Louis Secco and Gordie Sinclair.

Sammy Calles and Claude Bell fired the Dynamiters markers. The big controversy in the second period stemmed from a shot on Trail's Johnny Sofiak which bounced off the goal post, shot across the net, and came out off the opposite goal post. When the goal judge, who stands on the ice at the Cominco Arena, ruled the puck did not cross the goal line, Kimberley coach Lyall Swaney demanded he be replaced.

When referees Ty Culley and Johnny Lang of Nelson complied with his request, the goal judge at the other end decided on a "sympathy strike" and left the ice. A confab then was called between Western International Hockey League President Bill Clark of Kimberley and Ed Benson of Trail, W.I.H.L. vice-president, to decide on new judges.

When play finally resumed Benson was goal judge at one end with Trail's trainer Johnny Decimbrini at the other end. Mickey Thomas of Kimberley replaced Decimbrini for the third period.

After the game Referee Culley explained his decision to replace the goal judge.

"At no time was the integrity of the goal judge behind the Trail net questioned," said Culley. "He said the puck did not cross the goal line and we abided by his decision. "He was replaced only because Kimberley asked for a new judge and because this was an important playoff match, I felt the request should be granted."

REFUSE REQUEST

A further Kimberley request to have the timekeeper replaced was turned down by the referees.

The two Nelson arbiters generally were praised for their handling of the two games. Although criticized in some quarters as being inconsistent on the calling of penalties the referees kept the game in hand at all times and did a smooth job. Eleven penalties were called Saturday with seven going to the Smokies.

Referees Lang and Bill Wickens of Nelson will probably get the job in Kimberley. Lang, who is a flu sufferer, was undecided Saturday night whether he would go.

If a fourth game is needed it will be played in Kimberley Wednesday. Should the series go the limit game number five is scheduled in Trail next Thursday.

Trail—Sofiak; McDougald, Pasqualatto; Rypien; Kromm, Cook. Subs—Yost, Palyga, Cronie, Dockery, Cavanagh, Schmied, Secco, Sinclair.

Kimberley—McLay; Cruikshank, Tatchell; McNiven; Bell, McDonald. Subs—Sullivan, Sutherland, Calles, Sanderson, Livingstone, Barrie, Pontarello, Hryciuk.

First period—1, Trail, Kromm (Cook, Rypien) 10:23; 2. Kimberley, Calles 18:58; 3. Trail, Sinclair 19:53.

Penalties—Pasquallatto, Kromm (2), Cruikshank.

Second period—4. Trail, Secco (Sinclair) 13:30; 5. Trail, Cronie (Cavanagth) 14:06; 6. Trail, Rypien (Cook) 16:29; 7. Trail, Cook (Rypien) 17:35.

Penalties—Sofiak (served by Schmied), Sullivan, McDougald, Tatchell.

Third period—8. Kimberley, Bell (McNiven) 5:00; 9. Trail, Kromm Rypien) 9:06; 10. Trail, Cook (Secco) 16:39.

Penalties — Kromm, McDonald, McDougald.

Hockey Player Dies After Car Accident Injuries

DENVER, Colo., March 11 (CP) — Johnny Holota, veteran minor league hockey star, died in Colorado General Hospital Saturday, three days after he was injured in an automobile accident.

The 30-year-old centre from Hamilton, Ont., suffered a skull fracture, but an autopsy showed that his death might have been caused by a heart ailment.

Hospital attendants said there was insufficient damage to the brain and skull for the head injury to have been fatal.

Another Denver player, Billy Warwick, 24, of Regina, and three members of the Omaha club, also were hurt in the smashup. All were riding in a car driven by Warwick, which struck a road barricade and swerved off the highway.

Bruce Giesebrecht, 21-year-old winger from Petawawa, Ont., and the Omaha trainer, George Homenuke, 28, formerly of Sheho, Sask., still are in hospital along with Warwick, but all have shown improvement.

Emmanuel (Motto) McLean, Scottish-born winger with the Omaha team, was only slightly injured.

Holota's widow, Bernice, was at his bedside when he died, leaving two children fatherless.

Oxford Wins Meet

LONDON, March 11 (AP) — Oxford defeated Cambridge, 72½ to 53½, in the annual varsity track and field meet Saturday.

Ferrier Captures Miami Golf Open

MIAMI BEACH, Fla., March 11 (AP)—Lanky Jim Ferrier of San Francisco played it safe down the home streich today to capture top money in the $10,000 Miami Beach open golf tournament by a one-stroke margin.

Trail Midgets, Bantams Notch Kootenay Titles

KIMBERLEY, Mar. 11—The powerful Trail midgets and bantams had little trouble in taking their Kootenay titles here over the weekend. Friday night the Trail bantams, sparked by the nine goal effort of Jerry Steliga, smothered Kimberley 14-1, while the Trail midget team out-played the youthful Kimberley club 13-2.

Saturday evening Trail's smooth passing bantams, after 50 minutes of close checking, much improved hockey, slammed in three goals to completely deaden all Kimberley's hopes for at least a split in games, with the final score 9-3. The Trail midgets, in the evenings main fixture, completely out-classed the 'flu-stricken locals and left the ice with an 18-2 victory.

Thus, Trail, won the bantam series 23-4, the midget finals 31-4, in two of the highest scoring series ever seen on Kimberley ice. Both Trail teams, packed with experienced players, will next season have to build almost completely from the group age lower, while Both Kimberley teams will ice much the same teams as this year.

Through the two-game bantam series Steliga scored 12 goals and assisted three while line-mate H. Allibone scored four times and assisted seven for 11 points. R. Sokolic scored twice and assisted twice for Trail while M. Cronie earned a brace, Fabro one and Tambellini one. For Kimberley goal tender Steve Lyle, who played only the second game was a standout along with G. Wood who earned one assist but checked constantly and effectively. Nash scored twice, Bond once, and Rozeck once.

In midget hockey Trail marksmen were Smith three, Causey two, Dipasquala two, Berno seven (plus two assists) Merlo three, McNeil four, Trembelini two, Demore three, McVie three, Ford one. Trembelini also earned seven assists. Fisher, Sorenson, McLellan and Dixon accounted for Kimberleys goals, with Fisher and Sorenson also picking up assists.

All four teams shuffled their lineups the second evening as 'flu struck their lineups, taking Kimberley midget coach along with numerous players.

Junior Smokies B.C. Champions

VANCOUVER, March 11 (CP)—Trail Junior Smoke Eaters Saturday night won the British Columbia Junior Hockey Championship in two straight games with a 6-2 win over Kerrisdale Juniors.

First period—1, Trail, Levesque (Leckie) 14:40; 2, Trail, McIntyre (Bachynski) 18:14.

Penalties—Desireau (2).

Second period—3, Trail, Bachynski (McIntyre, Smigel) 7:19, 4, Trail, Levesque 9:02; 5, Trail, Levesque (McInnes) 15:16.

Third period—6, Kerrisdale, Ludwig (Cox) 9:47; 7, Trail, Smigel (Irwin, Thomson) 14:49; 8 Kerrisdale, Legare, (Ludwig, Cox) 18:48.

Penalties—Ford, Legare, Desireau.

PLAN WORLD TRAINING FOR TENNIS PLAYERS

MONTREAL, March 11 (CP)—Plans are being laid to give Canadian Davis Cup tennis players international training in preparation for the North American Davis Cup matches next Summer.

The plans were announced by J. M. McAvity, President of the Canadian Lawn Tennis Association, at the annual meeting of the Association here during the week-end.

McAvity said tentative arrangements have been made to send Canadian Davis Cuppers to the all-England matches at Wimbledon. The French championships at Paris and "other international events."

Safety-wise Canadians choose

AUSTIN
FOR RUGGED CONSTRUCTION

Passenger safety ranked high in designing the famous Austin A40 Devon. Engineers of long experience incorporated many proven factors that make Austin one of the safest cars anywhere. In a Devon you ride secure in the knowledge that finest quality materials combined with skillful design assure maximum strength and rigidity. And rugged construction is not just another claim—compare the strength of Austin components and the scientific way in which they are assembled into the completed unit, and you will know why more and more safety-conscious Canadians prefer Austin.

Yes, from every standpoint—safety, comfort, performance, economy, quality and dependability—your biggest car value today is

AUSTIN
THE CAR FOR CANADIANS

TODAY'S News Pictures

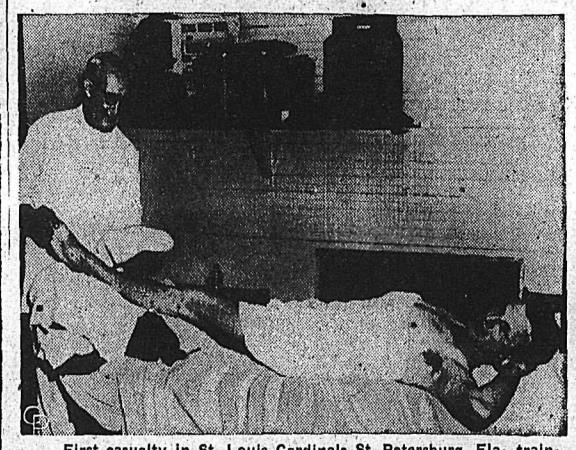
Family of Seven Is Cut to Four by Fire

The Winter's heaviest snowstorm and a power failure that lasted almost 24 hours, was held partly responsible for the death of three tiny children who were fatally burned at Thessalon, logging and tourist community 55 miles East of Sault Ste. Marie, Ont. Fire, which started from kitchen stove, claimed lives of Margaret Gibson, four; her brother, Robert, two, and sister Linda, 10 months, and gutted their 70-year-old frame house as volunteer firemen bucked heavy snowdrifts to reach blaze. At time of disaster mother was away obtaining coal oil for lighting purposes, as power was off and grief-stricken father, seen with two surviving sons, Jimmy and Ronald, was working in isolated logging camp 60 miles away.—Central Press Canadian.

Hot Springs Bound

Governor and Mrs. Earl Warren are pictured with their youngest daughter, polio-stricken Nina, following their arrival at Norton Air Force base, San Bernardino, Calif. Nina will undergo treatment at nearby Arrowhead Hot Springs.—(AP Wirephoto.)

First Casualty Is Stan Musial



First casualty in St. Louis Cardinals St. Petersburg, Fla., training camp is Stan (The Man) Musial, the Redbirds' big star. Doc Weaver, Cards' trainer, here looks over Stan's ankle, bruised by a foul tip while sitting in the dugout watching batting practice. —Central Press Canadian

Double Trouble

Are twins hard to tell apart? Is the $64 question, and who can answer it better than the school teachers at Stratford, Ont.? For there are seven sets of twins in attendance there . . . which is believed to be a record in Canada. One set of "double trouble" are Judy Anne and Anne Judy Verner, 5-year-old brunettes, who are in kindergarten class.—Central Press Canadian.

SUDBURY, Ont. (CP) — Dr. George Walker, chairman of the Sudbury Red Cross Disaster Committee, was appointed co-ordinator of civic emergency services. He served overseas with the American forces and transferred to the Canadian navy in 1942.

TRURO, N.S., (CP) — A silver medal certificate was presented to the Nova Scotia Argicultural College here for its Guernsey cow "College Melody Duchess' which in six tested lactations produced 65,361 pounds of milk and 3.138 pounds of fat.

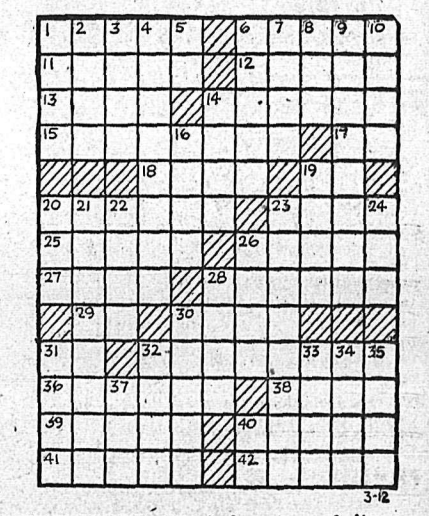
Saturday's Answer



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

J L N F X N - J C I E C G G L Y E L Y M G D X F V M N C P H J X, O L P P C N F I W L G P H T X Z H K K M' X N P C A X P D X T N H J X — F N I F X Y.

Saturday's Cryptoquote: HARD FATE OF MAN, ON WHOM THE HEAVENS BESTOW A DROP OF PLEASURE FOR A SEA OF WOE—JONES.

PUBLIC NOTICE

NOTICE
TO CONTRACTORS

Sealed tenders for the general contracts including all trades, endorsed "Tender for Castlegar Elementary School" and "Kinnaird Elementary School" for the erection and completion of a three-roomed Elementary at Castlegar, B.C and a two roomed Elementary at Kinnaird, B.C. Each tender must be marked separately, namely "Castlegar Elemenary—3 rooms" "Kinnaird Elementary—2 rooms".

Working drawings and specifications will be available, immediately at the office Board of School Trustees, Castlegar, B.C.

A certified cheque on a chartered bank of Canada for five per cent (5%) of the tender must accompany each and every tender and shall be forfeited if the party tendering declines to enter into the contract when called upon to do so.

On award and signing of the contract the successful tenderer may furnish to the Board of School Trustees a bond equal to fifty per cent (50%) of the Contract price. On receipt of this bond the certified cheque will be returned.

Tenders must be in the hands of the Secretary of the Board of Trustees, School District No. 9 (Castlegar) on or before 3:00 p.m., Friday March 30th, 1951.

The lowest or any tender will not necessarily be accepted and the Board reserves the right to reject any or all tenders without explanation. No tender will be considered having any qualifying clauses watsoever.

A deposit of ten dollars is required for each set of plans and specifications and will be returned on receipt of same in good condition.

C. H. King,
For the Board of
School Trustees.
School District No. 9 (Castlegar)
Dated at Castlegar, B.C.
This nineth Day of March, 1951.

Province of British Columbia
Department of Public Works

CRANBROOK ELECTORAL DISTRICT

ADVANCE WARNING OF LOAD AND SPEED RESTRICTIONS ON HIGHWAYS.

During the Spring breakup, it will be necessary to impose load and speed restrictions on vehicles using highways and secondary roads in this District. These restrictions may be imposed on short notice and trucking and transportation companies should govern themselves accordingly.

The restrictions will limit the loads carried by trucks and buses and will restrict the speed of all vehicles—trucks, buses, and private automobiles—to 25 miles per hour.

Vehicles without pneumatic tires will be prohibited from using the highway.

J. A. DENNISON,
District Engineer.
Cranbrook, B.C.
March 6th, 1951.

ESTATE OF PAUL BRUIN, DECEASED

ALL PERSONS having claims against the estate of Paul Bruin, deceased, who died on the 8th day of September, A.D. 1947, at Slocan City, British Columbia, are required to send same, verified by declaration, to the undersigned Administrator, on or before the 30th day of April A.D. 1951, after which date distribution of the estate will be made according to law having regard only to the claims of which the Administrator shall then have had notice.

DATED at Kaslo, British Columbia, this 15th day of February, A.D. 1951.

CLAUDE MACDONALD,
Official Administrator,
Kaslo, B.C.

NOTICE

Tenders will be accepted up to 4 p.m. on Tuesday March 27th, at the office of the Secretary Treasurer 812 Ward St., Nelson for the contract of supplying all, or part of the schools in School District No. 7 with their fuel supply for the period of April 1st, 1951 to Dec. 31st, 1951. Form of tender with complete information as to kind of fuel required and terms of contract are available upon request to the Secretary Treasurers' office.

Lowest or any tender not necessarily accepted by the Board without explanation.

No qualifying clauses permitted.

Shuffle Champs

QUEBEC, March 11 (CP) — Smooth-playing Darryl Thompson of Vancouver Saturday won the Canadian Men's Singles Badminton Championship making up for last year when a leg injury forced him to default the final.

The Ladies Singles Championship went to Kae Otton of Montreal.

Birch and Gord Simpson, of Montreal, won the men's doubles title.

The ladies doubles went to Mrs. Bardsley and Lois Reid, both of Vancouver.

Frank Denis and Dinny Dinsmore, of Montreal, Won the senior men's doubles.

Consolation play winners were: F. J. Elliott, Saint John, N.B., men's singles; Claude Lamerre, Quebec, ladies' singles; Charles Tessier, Quebec, and Ken Forsythe, Winnipeg, men's doubles; Daphne Walker Toronto, and Aveleight Hepworth, Woodstock, Ont., ladies doubles; and Miss Reid and John Bouck, Vancouver, Mixed doubles.

MILWAUKEE, March 11 (AP) — Fred Wilt beat ailing Don Gehrmann by 20 yards Saturday night in the featured mile of the Milwaukee Journal indoor games at the Milwaukee Arena.

Butter Stocks Down

OTTAWA, Mar. 11 (CP)—Butter reserves are down to almost one-third of what they were a year ago, but officials say Canada likely will squeeze through March with only scattered shortages until new production starts stepping up in April.

Domestic stocks of creamery butter March 1 totalled 14,879,000 pounds, the Bureau of Statistics reported today. This was 21,571,000 pounds lower than the 36,450,000 pounds last year.

Market Trends

NEW YORK, March 11 (AP) — Early signs of strength dwindled away into small losses Saturday.

Gold mining issues had an early forward movement of sorts that failed to carry through. Canada's Finance Minister Douglas Abbott announced plans for broadening subsidies paid to Canadian gold miners to help them out of the pinch between their rising cost of production and the fixed price of $35 for monetary gold.

There has been no intimation of government help to United States gold producers either through a price increase or subsidies or permission to sell gold for industrial use in the higher priced free market.

Canadian issues were mixed with McIntyre climbing ½, Dome Mines ⅜ and International Nickel ¼ while Hiram Walker fell ¼, Canadian Pacific and Distillers Seagrams each ⅛.

TORONTO (CP) — Gold stocks featured trading in the short Saturday session.

The market as a whole continued the week's sluggish dealings. Trading was extremely quiet and dull and volume was about 900,000 shares.

In gold, interest was centred on news of increased cost-aid for gold mines. Gold issues opened strong and climbed over a broad front.

In mid-session the advance stopped and towards the close gains were cut. Senior producers ended fractionally higher while junior producers were fairly mixed.

MONTREAL (CP) — Securities held a firm tone in dull trading.

While most industrial issues held unchanged, changes near the close were mostly small fractional gains. There were no significant features.

Among industrial gainers were Abitibi, Shawinigan, Hudson Bay Mining, International Petroleum, C.P.R., Weston, Stelco, Massey-Harris and Consumers Glass.

Mines and Western oils followed a patern similar to that of the industrial market in quiet trading and changes continued to range in pennies.

DOW JONES AVERAGES

WINNIPEG, March 11 (CP) — Winnipeg grain cash prices Saturday: Oats, No. 1 feed, 91⅛.
Barley, No. 1 feed, 1.54½.

Canada's CF-100 all-weather jet fighter has 484,860 rivets compared to 409,000 in the wartime Lancaster bomber.

Leafs 2 Games Up In World Hockey

PARIS, March 11 (CP) — Lethbridge Maple Leafs whipped Norway 8-0 today marking the Canadians' second overwhelming victory in two starts at the World Amateur Hockey Championships.

The Leafs thrashed Finland 11-1 Saturday night in the opening game of Lethbridge's defence of the championship at the Palais de Sports.

The Leafs top the world championship standings with four points. Switzerland is second with two but has played only one game.

The Canadian score was kept out of the double figures by the stellar netminding of Per Bahl, stocky Norwegian goaltender who did everything but swallow the puck to block 40 shots. Mallie Hughes in the Lethbridlge nets had less than 10 shots to stop.

Tommy Chandler and Stan Obodiak led the Canadian scorers with three goals each. Dinny Flanagan scored the other two tallies.

Bill Gibson began the parade Saturday against Finland by looping in a long shot from the right boards after 35 seconds and when the adding machines in the scorer's box had stopped ticking he had counted three goals and two assists.

Hec Negrello and Obodiak each scored twice.

Coach Dick Gray iced his new forward line—flown here from Kitchener, Ont., this week—and each member, Mickey Roth, Flash Flanagan and Bill Flick, registered one goal. Don MacLean scored the other Canadian counter.

In other A division championship games Saturday, Switzerland walloped Norway 8-1 and Sweden defeated Britain 5-1.

British Soccer

LONDON, March 11 (Reuters)—Four of the best soccer teams in Britain battle for the full count today for a crack at the great final cup game next month—and socred not a single goal.

Blackpool, favorites for the silverware, battle hard-hitting second-division Birmingham to a 0-0 shutout at Manchester.

And Wolverhampton and Newcastle produced a similar double goose egg at Sheffield.

Both games will have to be replayed to decide which two tangle at the final at Wembley, April 28.

The Newcastle club, which still has a chance of pulling off the soccer double, by taking the cup and the league both, fought it out to the last minute of play with Wolverhampton.

Both replays are scheduled for next Wednesday.

It was a day for dead heats in division one today, too. Out of seven games, five produced draws.

Results of soccer matches played in the United Kingdom Saturday:

Laborites Score B.C. Government

VANCOUVER, March 11 (CP) — The Government has broken faith with labor in the Province by refusing to open the Labor Act for amendment at this session of the Legislature, trade union officials charged today.

The Coalition caucus is reported to have decided to keep the act as it is despite assurance given trade unions during the election of 1949 that Provincial Labor laws would be reviewed and revised, they said.

Labor Minister Cates "agreed last week there should be some changes in the act," said R. K. Gervin, Secretary of the Vancouver and District Trades and Labor Council.

"They have broken faith with labor and their hope of currying favor with labor men at election time has run out," he said. "Labor is disgusted with the whole attitude of the Government."

Canada Develops New Steel Process

OTTAWA, March 11 (CP)—Canada has developed a new sulphur-removal process in steel making which scientists say will boost the output of vital steel by mills of North America.

It was developed in the Ottawa metallurgical laboratories by two young Mines Department scientists—mainly because Russia controls most of the strategic steel-making material, manganese.

Dr. J. Convey, head of the project, said the new process, now being tried in at least two Canadian Mills, could be "very important militarily." Canada was ready to let American steel men have the process when it is perfected.

The project was begun a year ago by S. L. Gertsman, 33, graduate of Queen's University and Bruce Richardson, 33, Toronto University graduate engineer.

Daylight Saving "As Usual", Asked

VICTORIA, B.C., March 11 (CP) —Proposal that daylight saving time this year be confined to July and August is opposed by Victoria Chamber of Commerce directors. "Same as last year" was the consensus.

Attend Agriculture Short Course in East Kootenay

The annual agriculture short course at Creston brought together a large group of Kootenay agriculturalists and provincial department officials. Guests and speakers at the meet are shown here, left to right:

Back row: N. F. Putnam, Field Crops Inspector, Victoria; H. Pope, Poultry Inspector, Victoria; D. K. Archibald; W. MacGillivray, Director of Extension and Development Branch, Victoria; Hon. Frank Putnam, former Minister of Agriculture.

Centre row: E. E. Mason; G. Constable; Dr. R. E. Fitzpatrick, Dominion Laboratory of Plant Pathology, Vancouver; G. R. Thorpe, District Horticulturist; E. Woodward, Agricultural Economist, Vancouver; W. M. Cooper; N. Leveque.

Front row: W. H. A. Wilde, Entomologist; M. F. Welsh, Plant Pathologist; J. S. Allin, Supervising Agriculturalist for Kootenay; S. Peterson, Creston District Agriculturalist; H. A. Anderson, District Agriculturalist, Nelson.

Predict Floods In North-West

BOISE, Iaho, March 11 (AP)—Potential high water during the Spring runoff in four Pacific Northwest watersheds was predicted by the U. S. Soil Conservation Service Saturday.

The montnly snow survey compiled by the Service's irrigation division showed that the snow packs on the upper Columbia, Kootenai, Okanagan and Methow Rivers are from 133 to 163 per cent of normal.

Snow pack on the Kootenai River, the turbulent stream which overflows in the Bonners Ferry region of Northern Idaho nearly every year, is 33 per cent above normal. The upper Columbia River watershed in Canada has a snow pack 163 per cent of normal.

Suggest Old Jail For Alcoholics

VICTORIA, B.C., March 11 (CP) —Use of Victoria's mental home for the criminally insane as a special "jail or institution" for treatment of alcoholics and drug addicts was suggested Friday in the long-awaited report of a commission inquiring into British Columbia jails.

The report was filed in the Legislature by Attorney-General Gordon Wismer, who ordered the inquiry.

The Wilkinson Road mental home here was built in 1912 as a jail. The commission reports that the cells are still intact and the building could be converted at very little expense.

MISSIONARIES FLY FROM HONG KONG

HONG KONG, March 11 (Reuters)—A party of 37 British missionaries withdrawn from Communist China left here today in a chartered plane for Britain.

All members of the China Inland Mission, they were the first of more than 500 who will be flown home during the next few months.

The Mission, which has worked in China for more than a century, is withdrawing all its missionaries because of the difficulty of working under the Chinese Communists.

In Toronto, an official of the China Inland Mission said the group, due to reach rBitain March 13, includes an unknown number of Canadians. A list is expected to be issued next week.

He said 92 Canadian missionaries from his organization now are serving in Communist China, including 14 persons married to missionaries from foreign countries.

Diefenbaker Pays $1500 to Enter B.C. Bar to Defend Youth

VANCOUVER, March 11 (CP) — It cost John Diefenbaker $1500 to be admitted to the British Columbia bar so he can conduct the manslaughter defence of a youth he has "known for years". He was admitted in supreme court Saturday by Mr. Justice A. M. Manson.

The Progressive Conservative member of parliament for Lake Centre will defend Alfred Atherton, 22, Canadian National Railways telegrapher charged with manslaughter in connection with the Canoe River B.C. train wreck Nov. 21. Twenty-one persons were killed in the collision of two trains.

Mr. Diefenbaker will fly to Prince George B.C., Monday for start of the preliminary hearing Tuesday.

Atherton is alleged to have relayed a train order incorrectly, resulting in the collision.

The tuberculosis germ was first identified by Prof. Robert Koch in Berlin in 1882.

Ottawa Clamps Down On Aussie Lottery

OTTAWA, March 11 (CP)—The Post Office Department plans to crack down on an Australian lottery that has popped up in Canada, mostly in the Maritimes.

"Just like the Iirish sweepstakes," said W. J. Turnbull, Deputy Postmaster-General, when shown a book of tickets. "We'll close the mail against them."

The tickets and an accompanying circular inviting Canadians to join in the "pleasure and profit" of the weekly draw were received recently by many persons in the Maritimes, and possibly may crop up in other regions. A book was forwarded to Ottawa and shown to Mr. Turnbull. It was the first time he had seen them.

The tickets bear the name of the West Australian Charities Consultation and its overseas distributors, Commonwealth Investments Trust.

D. A. MacKay of Perth, West Australia, was named as the person to whom all correspondence on the lottery should be sent.

Mr. Turnbull said all mail bearing these names will be halted and returned to the senders as "intransmittable."

The Australian High Commissioner's office said the West Australian lottery was legally established under state legislation in 1932. Similar lotteries were active in other sections of Australia, but none was the responsibility of the central government.

There was no indication of the identities of the charities which would benefit by the draw. For a 70-cent ticket, a chance could be had on 930 prizes valued at £6630 Australian (about $16,250) including a first prize of £3000.

The High Commissioner's office said it never had heard of a Canadin winning. And even if a Canadian did happen to draw the lucky number, it would be a question of whether the Australian Government would allow the pounds to be converted into dollars for transmission to Canada. The best solution might be a blocked account in sterling, with which a Canadian could buy Australian goods and ship them to Canada.

Things will be even tougher with the post office entering the picture. Perhaps the Australian lottery already had in mind the problems involved. The circular directing how funds should be transmitted to Australia, says:

"Due to the delay and other inconveniences experienced, it is specially requested that you refrain from remitting by means of post office money orders."

Test Reindeer on Moors of Scotland

LONDON, March 11 (AP)—British reindeer fanciers said Saturday they are only two Lapps from their goal: establishment of an antlered herd such as thronghed the Scotish wastelands centuries ago.

The government has approved a three-year reindeer raising program for the Highlands. But the reindeer fans are seeking two Lapp herdsmen to handle the first batch of 25 animals to be transplanted from Northern Sweden.

For the first three years, the project will be merely a scientific demonstration whether reindeer can exist on the stubby undergrowth of the Scottish mountains.

If they can, said Sir Frederick Whyte, chairman of the United Kingdom Reindeer Council, the supply of home-raised meat for Britons could be raised considerably after 1954.

To Support Bill on Statutory Holidays

VICTORIA, B.C., March 11 (CP) —Victoria Chamber of Commerce directors will support the Canadian Chamber in their approval of the private member bill concerning statutory holidays, which is slated to come before the Ottawa House shortly. The bill proposes that Victoria Day should be held on the first Monday after May 23, and Dominion Day the first Monday after June 30. This would obviate the necessity of a broken week when these holidays fall on days other than Mondays.

Maple Leaf Better Than Prancing Bear

WINNIPEG, March 11 (CP)—Rev. W. H. Hudspeth of Toronto said Canada should recognize Communist China—not to imply approval of Communism but to meet China on speaking terms instead of fighting terms.

Mr. Hudspeth is General Secretary of the British and Foreign Bible Society in Canada. He returned three years ago from 37 years' missionary work in China. He said in his address to the Empire Club that Canada, instead of driving China into the arms of the Russian bear, "should woo her away."

"The Chinese love flowers and a wreath of maple leaves would be much more appreciated than the prancing of an animal."

Duchess Divorces Duke of Argyll

EDINBURGH, March 11 (AP) — The Duchess of Argyll won a divorce today from Ian Douglass Campbell, 11th Duke of Argyll, on grounds of adultery.

Lawyers of the Duchess, a native of France, say the Duke has agreed to give her custody of their two children, Ian, Marquis of Lorne, who is 14 and Lord Colin Ivar, 5.

The Duke's first marriage in 1927 to Janet Gladys Aitken, daughter of Canadian-born Lord Beaverbrook, ended in divorce in 1934.

Move Beran From Prague Residence

PRAGUE, March 11 (Reuters)—Archbishop JoJseph Beran of Prague has been placed in confinement outside the capital and fined for "acting against the penal law," Prague radio said tonight.

The report did not give the amount of the fine.

The Archbishop's name has come up in a series of espionage trials of clergymen. In one of these, the state and the defendants—who got prison terms ranging from 10 to life—accused the Archbishop of promoting a Vatican plot against the regime.

Britain Asks For Seven Squadrons

LONDON, March 11 (Reuters) —Britain has asked Canada to send seven fighter squadrons to strengthen British air defences, it was learned authoritatively tonight.

The request is believed to have been approved by the Canadian Chiefs of Staff, a usually-reliable source said.

It was understood plans were being drawn up for stationing a complete R.C.A.F. fighter wing in Britain.

One Canadian squadron—No. 421 (Red Indian)—is already in Britain. It arrived in January to complete advanced training with the R.A.F. and now is stationed at Odiham, Hampshire.

L. Dana Wilgress, Canadian High Commissioner in Britain, said at the time that the "Red Indians" were the forerunners of many other Canadian squadrons that would be coming to Britain.

READ THE CLASSIFIED DAILY

Tin Falls, Other Metals Firm

NEW YORK, March 11 (AP) — Tin prices took a spectacular plunge last week when the United States halted stockpile buying but market conditions in other metals were little changed.

Use of Copper was ordered trimmed five per cent more for the second quarter. Tight controls were slapped on consumption of bismuth. And tungsten ore importers withdrew quotations, saying they could do no business since foreign prices had climbed well above ceilings in the U.S.

Tin was being quoted at $1.82½ a pound last weekend. On Tuesday, the government announced that that stockpiling was being suspended and federal purchases for industrial uses would be held to the barest minimum until prices reached a "reasonable" level.

The tin market broke immediately in New York, Singapore and London as speculators who had been counting on heavy United States defence buying tried to unload.

By the week's close, tin had plummeted 48½ cents a pound here and even at $1.34 was considered still wobbly.

The government did not announce what would be considered a reasonable price for re-entering the market. Some tin trade sources here predicted it would be somewhere between $1 and $1.25.

Demand for copper, lead and zinc, pressed on unabated last week. Orders on copper producers' books now call for delivery of around 93,000 tons in March, and with April bookly only recently opened the sales for that month already aggregate around 15,000 tons.

Major non-ferrous metals prices:

Copper—24.50 cents a pound, Connecticut Valley. Foreign, 24.50 cents New York.

Zinc—17.50 cents a pound, East St. Louis; 18.22 cents, New York. Foreign 27 cents, nominal, Gulf of Mexico ports.

Higher Annuity Rates To Offset Teachers' Pensions Increase

VICTORIA, B.C., March 11 (CP) —Higher annuity rates will offset to a large degree any increase in teachers' pensions, Harry Dee, immediate past president of the B.C. Teachers' Federation, said here Saturday.

A proposed amendment to the Teachers' Pension Act would bring the total pension to about 38 per cent of the teacher's retiring salary, he said. At present a teacher receives 30 per cent of his retiring salary.

Asked to comment on announcement by Education Minister Straith that pensions would be increased from 15 to 40 per cent, Mr. Dee said that "in the total pension, higher annuity rates would offset to a large degree the increase in service pension."

"It is true eventually for a teacher teaching 40 years under the proposed amendment to the Teachers' Pension Act to get an increase of 40 per cent in his service pension but at the same time the actuary laid down new higher annuity rates for the annuity side of the pension."

West Vancouver Blazes Away at P.G.E. Extension

VANCOUVER, March 11 (CP)—Swank West Vancouver hit the roof today with the announcement that the Provincial Government intends to extend the Pacific Great Eastern Railway through the wealthy residential district of North Vancouver.

The right-of-way will pass directly in front or behind many posh homes.

One matron said: "It's extremely fortunate our front door opens inward."

Ironically enough, the announcement came Friday just as a meeting was assembling to protest any possible Government action to complete the 42-mile railway link between North Vancouver and Squamish, present Southern terminus.

West Vancouver Council has voted $2500 to advertise in newspapers against the railway extension through their "front yards."

Butter Dealers Run Out of Supply

VANCOUVER, March 11 (CP) — Butter supplies in B.C. are dangerously low and no relief in the situation is expected for at least six weeks.

This was the opinion of leading dairy product distributors as some retailers ran out of butter and many more were on quotas of half their normal supplies.

"Until the first heavy growth of Spring grass comes and milk production gets back to normal, the picture is going to steadily darken," commented one wholesaler.

Dairy men expect present quotas to be reduced further early next week.

One distributor said he had 2000 pounds of butter on hand. During one week he would normally supply 8000 pounds to logging camps and steamship companies.

Most of a group of neighborhood grocery stores surveyed Saturday were on a quota of about one-half their normal needs. One of the big department stores expects it larder to empty shortly.

Figures released by the Federal Government showed that B.C.'s butter stocks on March 1 were nearly half a millions pounds below last year's holdings at this time.

QUALICUM BEACH TAXES

QUALICUM BEACH, B. C., March 11 (CP)—A 1951 tax rate of 14 mills on land and 14 mills on 50 per cent of improvements was set by the Village Commission here.
