Boy, Struck by Truck, Hit and Killed by Car

TORONTO, May 28 (CP)—David Stone, 14-year-old cyclist struck by two motor vehicles only minutes apart, died today.

Lunn Carter of suburban New Toronto was charged with leaving the scene of an accident and Samuel Dunbar of Port Credit, Ont., was charged with careless driving.

Police said the suburban Lakeview boy was knocked from his bicycle Saturday by a truck which failed to stop. Minutes later while spectators waited for an ambulance an old-model car hit the boy, who was kneeling on the edge of the pavement and carried him 25 feet on the front bumper before hurling him to the road again.

DEATHS

PUSAN, Korea — Lieut. Joe Levison, 22, of Halifax, N.S., Canadian Army public relations officer.

PUSAN, Korea — Derek Pearcy, 25, Reuters - Austalian Associated Press correspondent.

GROTON, Mass. — Frederic C. Dumaine, 85, president of the New Haven Railroad.

DETROIT — George A. Richards, 62, radio station owner who was storm centre of a dispute with the Federal Communications Commission over news broadcasts.

FORT WILLIAM, Ont. — George E. (Squibb) Walker, 56, dean of Canadian hockey scouts.

MONTREAL—Henry J. Gross, 83, chairman of the Board of Anglin-Norcross Ltd., and widely known in Canadian construction business.

Awarded King's Commendation

OTTAWA, May 28 (CP)—Award of the King's Commendation to Cpl. Elmer Harold Talson, 26, a native of Benalto, Alta., stationed at Ottawa's Rockcliffe Air Station was announced today by Air Force headquarters.

The award was in recognition of Cpl. Talson's action Oct. 14 when, although a non-swimmer, he plunged into Brewery Creek on the outskirts of nearby Hull, Que., and rescued a young woman from drowning.

Kimberley Leads In First Aid Student Training

KIMBERLEY, B.C., May 28—The 14th Annual High School First Aid competition was held in the High School gymnasium on Friday evening. In speaking to the small crowd of parents present, J. McLay, chairman of the local St. John Ambulance group, stated that during that period some 1700 boys and girls had completed the course, figures which prove Kimberley leads all Canada in the training of high school students in first aid.

Cups and supporting prizes, donated by Local 651, local doctors, drug stores and first aiders were won by the following:

Junior girls, McDougall Hall cup—First, J. Mellor, capt. M. Lukas, Y. Kershaw, M. Watson, L. Mellor; second M. Ellis, capt., A. Kennet, A. Martin, M. Martin, D. Maranchuk and third, A. Finland, capt., M. Archibald, E. Trimmer, J. Draper, D. Buchanan.

Jr. Boys, Giegerich cup—First, P. Felker, capt., B. Hagen, S. Donald, D. Shayler, B. Colthorpe; second, J. Welland, capt., L. Hunt, E. Hornaas, B. Ward, E. Derbyshire (Jr. forest wardens) and third, B. McWhirter, capt., B. Fairclough, W. Corrie, W. Christenson, B. Foster.

Intermediate, girls—Banks trophy—First, V. McClure, capt., M. McWhirter, T. Ogilvie, J. Hoglund, P. Baumback; second, C. Nesbitt, capt. C. Ross, L. Oliver, B. Shannon, B. Stanyer (air cadets).

Intermediate, boys—Sr. First Aiders trophy—First, R. Anderson, capt. L. Hunt, J. Thomason, J. Garland A. Handley, (Jr. forest wardens); second, R. Mills, Capt., K. Simpson, K. Barraclough, K. Mills, B. Jenks, (Jr. forest wardens).

MANKIEWITZ WINS PRIZE FOR DIRECTING "EVE"

HOLLYWOOD, May 28 (AP) — Oscar winner Joseph L. Mankiewicz today is the directors' director. His "All About Eve" was chosen last night for the annual Screen Directors' Guild award. He won the same award two years ago for "Letter to Three Wives."

16-Year-Old Charged With Murder

NEW WESTMINSTER, B.C., May 28 (CP)—Francis W. Sykes, 16-year-old school boy charged with murder, today pleaded innocent as his trial opened in assize court here.

He is charged with the strangle-slaying of 13-year-old Laura Grant, whose body was found in the bush near her Mission, B.C., home last Sept. 29.

The 12-man jury was told Laura Grant left school with a girl friend about 3:15 p.m. Sept. 29 and was last seen a few minutes later.

Her books and coat were found two or three feet off a wide trail by her younger sister and at 7 p.m. police found her nude body at the edge of a cow pasture. Her clothes were piled neatly about 30 feet from her body.

Crown prosecutor John Farris told the court a school teacher saw the boy kneeling near some books and a coat and that he appeared to be excited.

Stone of Scone Stays in Abbey

EDINBURGH, May 28 (Reuters) —The Church of Scotland General Assembly today washed its hands of the Stone of Scone.

By an overwhelming majority the Assembly voted down eight motions demanding the Stone's return to Scotland.

The vote was a severe blow to the Scottish Nationalists who took the ancient relic from Westminster Abbey, London, last Christmas, hid it in Scotland for three months, and then gave it up to the authorities.

The Nationalists had appealed to the Scottish Church Assembly to help in keeping the Stone in Scotland.

Who Is Operating Red Radar Guns?

BY ELTON C. FAY

WASHINGTON, May 28 (AP) — Modern, electronically-aimed anti-aircraft guns — and not the spectacular Russian-designed Mig 15 jet fighters — are taking the heaviest toll of American planes in the Korean war.

The Reds' ground gunners, using radar-directed weapons, have hit B-29 bombers at altitudes well above 20,000 feet in air raids during recent weeks.

This radar equipment, like the planes the Chinese and North Korean forces use, is presumed of Russian manufacture and much of it probably was copied from the substantial amounts of radar equipment given the Soviets by the United States and Britain during the Second World War. The three were allies.

The quality of Communist anti-aircraft work raises a question, like that involving the enemy jet fighter planes, about who operates the radar-controlled guns. Highly-skilled technicians, not usually found among the peasant soldiers of Asia, are needed to operate and keep radar aiming equipment in repair.

Iran Spurns World Court Hearing

Will Send No Representative to Plead Case; Demonstrations Planned Today

TEHRAN, Iran, May 28 (AP) — Iran today spurned the World Court and made ready a secret plan for taking over Anglo-Iranian Oil Company fields and the Abadan refinery from British authorities.

The oil company applied to the International Court of Justice at The Hague Saturday for appointment of an arbitrator under its 60-year contract with the Iran Government.

But today, Deputy Prime Minister Hossein Fatemi declared Iran would ignore any proceedings before the World Court and would send no representative to plead her case.

Foreign Minister Bagher Kazami sent a message to The Hague saying: "I hereby declare the Iranian Government is of the opinion that the International Court of Justice is not competent to handle this matter. When the full text of the complaint reaches us we shall give a detailed reply."

Meanwhile, the National Society to fight imperialistic oil companies, a front for the underground Communist Tudeh Party, put finishing touches to plans for country-wide mass demonstrations tomorrow, the 18th anniversary of the signing of the A.I.O.C. Concession.

The demonstrations promised fireworks. They could be a bold stroke by the party to appear in the open again. It has been outlawed since an attempt on the life of the Shah more than two years ago.

Kazem Hasibi, Undersecretary of the Finance Ministry, told a reporter Iran welcomed A.I.O.C.'s offer to send a representative to a meeting of the Government's oil nationalization board Wednesday.

A.I.O.C. said their representative would sit merely as an observer not as a delegate, to discuss how the British would be ousted. A.I.O.C. disputes the legality of Iran's one-sided nationalization, without discussion or negotiation.

Hasibi added that if the Wednesday meeting is "not satisfactory, we will proceed to enforce a secret decision by the board for taking over."

The British Government owns nearly 53 per cent of the oil company's shares and Britain gets about a third of her oil from Iran.

East Kootenaians Draw Tickets on Epsom Running

VANCOUVER, May 28 (CP)—At least seven British Columbians have drawn tickets in the Army, Navy and Air Force Veterans' sweepstake, based on running of the Epsom Derby Wednesday.

Mrs. Kate Trew, an elderly pension widow, and Mrs. Molly Cairns of Vancouver jointly hold a ticket on the Derby entry, Ardent Hope.

Should the horse drawn by any one of the seven British Columbians win the Derby, he or she would collect $34,500. A second place would mean $20,700 and third $13,800.

Mrs. Cairns' husband has been unemployed for five weeks.

The other five ticket holders are Arthur Shears, Vancouver, on Straight Quill; S. B. Palmier, Cranbrook, on Bobara; Mrs. William Potts, Sorrento, on Quick Return; Mrs. G. R. Farquharson, Penticton, on North Carolina; and Mrs. D. Hogarth, Kimberley, on Medway.

"Anscomb" Will Be Back On Job Friday

M.V. Anscomb will probably be plying Kootenay Lake waters again June 1.

H. T. Miard, divisional engineer for the provincial department of public works, said Monday the vessel would be launched today but that engines have then to be "run in".

When the "Anscomb" goes back after the overhaul, it will operate on a new schedule of more trips per day from Kootenay Bay to Balfour, from early in the morning until late at night.

The Moyie and a barge have been transporting passengers and vehicles from Balfour to Kootenay Bay while "Anscomb" has been in C.P.R. shipyards at Nelson.

Rain Helps Reduce Ont. Forest Fires

TORONTO, May 28 (CP) — A 55,00-acre forest fire in the Gogama district of Northern Ontario was fought to a standstill today as light rains and some 700 bushworkers and firefighters combined forces.

The fire, 60 miles South of Timmins, was whipped into an inferno by 35-mile-an-hour winds that swept across Northern Ontario last Friday and Saturday.

But Lands Department officials said today damage was confined largely to a birch-pine timber area where a similar fire burned in 1941. They said the rapid spread was due to the thick stands of dead trees left in the district. It now is under control.

District Road Program Advances

North Shore, Creston Paving Starts Soon; Slocan, Trail Areas Work Planned

North Shore paving will start in about a week, H. T. Miard, Public Works Department divisional engineer, said Monday.

Taylor Construction Company of Vancouver, contractor, will work from seven-mile toward Nelson ferry ,and the job is expected to take from two to three weeks, depending on the weather. Public Works Department is still doing construction work between the ferry and three-mile.

The project is part of the Southern Transprovincial Highway standardization program.

The paving will be laid 24 feet wide, the maximum.

After the North Shore work, Taylor may work on a portion of the arterial highway through Nelson, and in anticipation of this work City of Nelson is renewing water mains on Nelson Avenue.

Meanwhile, public works crews and equipment will begin the job of reconstructing Balfour-Nelson North Shore section from 10-mile to a point near Fraser's Landing.

Marwell Construction Company will start soon on paving Goat River to Erickson, the back road from Erickson to Creston which is used for packing fruit, and the Creston to Wynndel stretch. Public works crews are working on the back road at present.

Completion of Goat River-Erickson and Wynndel-Creston sections will give a ribbon of pavement from Kootenay Bay to Goatfell, with the exception of 10 miles between Kuskanook and Wynndel.

Taylor Construction will move on from Nelson to complete paving of Castlegar-Trail highway, a section of between eight and nine miles.

REPAVING

Repaving between Trail and Rossland and new paving from Rossland to Paterson are also on this year's program.

Construction work on the road from Fruitvale to Ross Spur will start shortly.

In the Slocan, the Public Works Department is going to pave arterial routes through Silverton and Slocan City. About three quarters of a mile will be paved in Slocan City and a half mile in Silverton.

Gravelling is being carried out South of New Denver, and surveying of the new five-mile route from New Denver to Three Forks is well advanced. The new road is being located on the opposite side of the valley to the present road.

The Department is also going to work on a short revision at Dog Creek, five miles South of Nakusp towards Needles. The section is about half a mile long.

Chinese Reds Stop Headlong Retreat

By DON HUTH

TOKYO, May 29 (Tuesday) (AP)—Allied troops trapped and destroyed two Chinese Communist divisions in Central Korea during the last four days, the Eighth Army reported today.

But the costly Red stand—12,974 killed or wounded, 5428 captured—in the centre may have allowed the bulk of the Communists to slip back North of the 38th parallel. Today the Reds had stopped their headlong retreat and even counter-attacked in places.

The two Red divisions were encircled and eliminated as a fighting force Northwest of Chunchon 45 miles Northeast of Seoul, from Friday night through Monday.

"The enemy pocket in this area has been cleaned up except for a few scattered Communist groups," an Eighth Army officer said.

A prisoner haul of 2558 was made Monday by Allied forces who have driven the Reds from virtually all territory gained in the Reds' two turned-back Spring offensives.

Red resistance stiffened Monday and today on the East-Central front around Inje and Hyon and on the Central front near Hwachon. The Communists showed signs of trying to halt the general Allied push across the 38th parallel into North Korea.

An Eighth Army staff officer said costly Red delaying actions probably have permitted many troops to elude United Nations traps.

The Allies were hampered by mud. The Reds were able to slip along roads and trails before the sloshing Allies could cut them.

(Bill Boss, Canadian Press correspondent, said patrols of the Royal 22nd Regiment probed North of the 38th parallel. The "Vandoos" and the Royal Canadian Regiment advanced six miles Sunday, capturing abandoned guns and equipment. The 22nd encountered opposition only once.

(Reuters News Agency reported that Allied troops including Canadians went across the Yongpyong-chon River in the West in force and moved quickly to hunt the fleeing Chinese.

Early Breakup of Coalition Ruled Out by Johnson

VANCOUVER, May 28 (CP) — Possibility of an early breakup of British Columbia's Coalition Government was ruled out by Premier Byron Johnson in a radio address tonight.

"This Government has two years to serve and as your premier, and leader of the Liberal Party, it is my intention to carry out the mandate which the electors gave us (two years ago)," the premier said in a CBC regional broadcast.

"Our pledge at that time (1940) was a program of expansion in the industrial life of this province and the maintaining of a reasonably high degree of social services which has been associated with your provincial government over a long period of years."

Starting with the Aluminum Company of Canada development, the premier reviewed a number of industrial projects recently started or completed in the province.

Projects cited included the Columbia Cellulose Company pulp plant at Prince Rupert and the new plywood plant at Quesnel.

Expansion of power facilities by the B.C. Power Commission was encouraging growth of new industry, said the premier. It was planned to open the new power development at Whatshan on the Arrow Lakes next month. The John Hart power development on Vancouver Island would be developed from a maximum capacity of 112,000 horsepower to 160,000 horsepower to meet immediate power demands.

Completion of the extension of the Pacific Great Eastern Railway from Quesnel to Prince George was expected early in 1952.

Of interest to the province as a whole and the Peace River area in particular was the fact the Government expected to complete the John Hart Highway, between Dawson Creek and Prince George, by Autumn.

The Government was maintaining a high standard of social services, he said.

Premier Johnson said the aid given by his Government to municipalities "stands out as one of the finest examples of complete understanding of the problems of local government that exists today."

"It is important since what the Government has been able to do for municipalities is reflected in the tax bills of the property holders."

Financial aid to municipalities had climbed from $2,965,000 in 1941, the first year of coalition government, to $27,384,000 in the current year.

De Gasperi Leads Italian Elections

ROME, May 28 (AP)—Slowly-mounting returns from Italy's municipal elections tonight gave Premier Alcide de Gasperi's Coalition the lead over Communists even in some sections of the Northern Communist belt.

Voters balloted Sunday and today for town and provincial councils in 2735 municipalities in 28 provinces.

De Gasperi's Christian Democrat party and its allies appeared to have made substantial gains over the Reds in the biggest test of political strength in three years. At midnight, Interior Minister Mario Scelba said the Christian Democrats had won two-thirds of the first quarter of the provincial council vote counted up to that time.

The government swept the Premier's native Province of Trentino and was ahead in first returns from Brescia, Milan and even in Bologna —known as "The Red" because of its posiiton as a Communist citadel.

Albertans Vaccinated Against Fever

EDMONTON, May 28 (CP) — Some 3,000 Alberta residents have been vaccinated against the dreaded Rocky Mountain spotted fever, the Provincial Health Department reported today.

Borders of the spotted fever area in Southern Alberta are reported expanding. A special survey team has been placed in the Medicine Hat area to investigate conditions there.

Alsbury Claims Members Use Him As Whipping Post

VANCOUVER, May 28 (CP) — Tom Alsbury, president of the Vancouver and District Trades and Labor Council (T.L.C.), charged today that Coalition M.L.A.'s used him as their "whipping boy" to cover up their refusal to discuss hospital insurance changes with trade unionists.

In a letter to the Vancouver Sun, Alsbury denied he had ever implied that all labor groups were supporters of the C.C.F. party.

This was hinted, he charged, in a statement by six Coalition members who refused to meet with labor at a meeting which was scheduled this week because they felt their policies had already been tried by trade unionists.

"Three labor bodies did act jointly on hospital insurance and labor legislation," Alsbury said. "I deny that, either by implication or directly, I intimated that the three labor groups support the C.C.F."

Some trade unionists belong to no political party, some are C.C.F.'rs, some are Liberals, and some may be Conservatives, he declared.

The M.L.A.'s refusal to meet labor makes two things obvious, in Alsbury's opinion.

"The six M.L.A.'s don't want to meet labor to explain their hospital insurance and labor policies, and they want to make me their whipping boy to cover up their refusal," he said.

U. K. To Buy 4 to 5 Times More Canadian Newsprint

Three-Year Contract With Canadian Mills Announced; Will Aid Supplies

OTTAWA, May 28 (CP) — Well-informed quarters estimated today that Britain likely will get about four or five times more newsprint from Canada next year than she did in 1950.

This, it was learned, was the crux of a deal negotiated between Lord Layton, chairman of the British Newsprint Supply Company, and Canadian mills.

Britain obtained about 20,000 tons of newsprint from Canada last year. She likely will get between 80,000 and 100,000 tons next year, and even more in the following two years, dependent on world demand for Canadian newsprint.

This was disclosed following a statement by Lord Layton in Montreal, announcing that agreement with the mills on a program of supply for the next three years has been reached.

A spokesman for the United Kingdom High Commissioner's Office said the announcement appeared to be "extremely good news" for Britain. It likely would mean, he said, that Britain would get increased supplies from this country. He did not not amplify.

Informants said the deal, made under the general terms of complicated long-term contracts between British publishers and Canadian mills, may eventually restore Britain to the supply position prevailing before Sir Stafford Cripps, former Chancellor of the Exchequer, announced drastic cuts in imports from dollar countries in 1949.

The cuts, wielded to conserve Britain's dwindling supply of dollars, included newsprint. Normally Britain got between 80,000 and 100,000 tons of newsprint from Canada annually. This was cut to about 20,000 tons last year.

Now with more dollars in her exchange pool and badly in need of more newsprint, Britain has given her publishers the green light on increased purchases from Canada.

The aim of the publishers is to get about 100,000 tons a year from Canadian suppliers. It is believed that under the terms of the new agreement, Canadian mills will try to reach that target and increase exports even above that amount if the world pressure for supplies eases.

Sons Relocation Report Soon . . .

No Suspects in Castlegar, Forks Rail Blasts; "Unfortunate"—Wismer

R.C.M.P. at Nelson said Monday they have no suspects in the bombing of Canadian Pacific Railway tracks at Castlegar and Grand Forks late Sunday night.

The explosion at Castlegar about 11 p.m. damaged a section of track about a mile South of the town. It would have derailed a heavily-laden freight train had not a resident flagged the train. Traffic was not held up long, however.

At Grand Forks the blast rocked the town. It cut a spur connecting C.P.R. tracks with those of Great Northern Railway, and a small rockslide covered the track.

The Castlegar explosion aroused residents of Kinnaird and Doukhobor communities across the Columbia river.

R.C.M.P. and C.P.R. police are investigating both explosions.

Police authorities called the explosions "sneak blasts".

In Victoria Attorney-General Gordon S. Wismer said a full investigation of the bombings is under way.

"It was most unfortunate that the bombings should occur while the government's committee on Doukhobor problems is nearing a settlement," he said.

The explosions shattered year-long peace in the Kootenays following railway bombings last year and fires in the village of Krestova, headquarters of the Sons of Freedom.

RELOCATION REPORT SOON

The government committee has under study a plan to relocate members of the Sons of Freedom away from the Kootenay "trouble zone".

Mr. Wismer, who said the bombings apparently were the work of fanatics of the religious sect, expects a report from the committee shortly.

The radical group numbers about 2000.

Can Win Peace Without Bombing Manchurian Bases Says Vandenberg

BY DON WHITEHEAD

WASHINGTON, May 28 (AP) — Gen. Hoyt Vandenberg told senators today there's a good chance the United States can avoid another world war and also win a negotiated peace in Korea without bombing Communist bases in Manchuria.

But the Air Force Chief of Staff tempered this optimism by saying the U.S. now has only a "shoestring airforce" which cannot be thrown into Korea in force while there is a danger elsewhere of attack from Russia.

He urged that the air force be kept intact and not used in broader war against China as proposed by Gen. Douglas MacArthur.

Vandenberg gave this testimony to the Senate Armed Services and Foreign Relations Committees in their study of the reasons behind the ouster of MacArthur from his Far East commands.

MacArthur told the senators that his army could have beaten the Chinese Reds last Fall if he could have used the full weight of his air power. And he insisted the Chinese could be beaten into surrender with only a slight increase in air power.

But Vandenberg said that with the air force available to MacArthur last Fall, the attacks he proposed "would not have been in any way decisive."

Vandenberg said the American Air Force is the "sole deterrent" that is keeping Russia from going to war.

The general testified for 2½ hours and will return tomorrow to complete his testimony. He will be followed Wednesday by Admiral Forrest Sherman, Chief of Naval Operations.

Wants to Keep Money In the Family

GLASGOW, May 28 (CP) — A $500,000 legacy is at stake in a search by Edward Holt of Glasgow for proof of the birthplace of his great-uncle Robert Gilmore Thomson.

Thomson was a brother of James Thomson of Vancouver, who made a fortune in the Klondyke gold rush. Holt hopes his search will show that James and Robert Gilmore Thomson had the same father.

If so, he says, the $500,000 share in the estate will go to Holt's 79-year-old uncle, Albert R. Thomson of New Westminster, B.C.

"I won't get a penny out of it myself," said Holt. "I only want to keep the money in the family."

Parliament At a Glance

By The Canadian Press

George Drew, Progressive Conservative leader, said large United States trucks should not be allowed to use Canadian highways.

Revenue Minister McCann said he is convinced trucks should be treated as railways and allowed to carry goods across the border in bond.

Justice Minister Garson introduced legislation aimed at making it easier for citizens to sue the Government.

TUESDAY

The Commons will consider Government business. The Senate will sit.

New Pensions More Costly for B.C.

Special Session of Legislature May Be Necessary to Vote Funds

Special to the Daily News

VICTORIA, B.C., May 28—Canada's wider old age pension plan will cost the British Columbia Government more than the present scheme despite the fact the Federal Government will pay all of the allowance for persons over 70, in the opinion of Attorney-General Gordon Wismer.

He suggested today following his return from a Dominion-Provincial conference at Ottawa last week on the question of paying "means test" pensions to persons 65 to 69 that a special session of the B.C. Legislature may be called to vote the money required.

Mr. Wismer who, with Health Minister Douglas Turnbull, represented the Provincial Government at the Ottawa meeting, confirmed acceptance "in principle" by B.C. of the proposed form of legislation covering the new pension group.

He said Federal Health Minister Paul Martin was optimistic the new pension plan could be implemented this year—probably at a Fall session of the House of Commons.

PROVINCES MUST ACT

The Dominion Government was waiting for approval from Westminster of a B.N.A. Act amendment allowing the National Government to deal with the subject of old age pensions on a contributory basis.

As soon as the "go ahead" signal was received, and the Federal Parliament had provided the Legislation required, the provincial governments would have to take steps to cover their financial responsibilities, and Mr. Wismer said:

"We may have to call a special session of the Legislature to make available the large amounts of money that will be required. This question will be considered by the government."

On the question of the cost being far greater to B.C. than at present, the Attorney-General suggested there will be more people in the 65 to 69 years group who will be receiving pensions than estimated originally.

The provinces now pay 25 per cent of the $40 monthly old age pension granted persons over 70 on a means test basis, and B.C. pays an additional $10 a month cost-of-living bonus.

Under the new plan, the Federal Government will pay a $40 pension all persons over 70 regardless of their income, and will share equally with the Provinces a $40 pension for 65 to 69-year-olds who can prove need.

The question of B.C. paying the $10 bonus to all receiving pensions under the new scheme is considered unlikely, but no decision has been reached on this phase of the question apparently.

Final Arguments Presented at Bakery Trials

CALGARY, May 28 (CP)—Final arguments were begun today in the trial to six Western baking concerns charged with conspiracy to prevent or lessen competition in the baking industry.

It was the 79th day of hearings in the case, which is being heard by Mr. Justice Boyd McBride.

Already Alberta's longest trial, the summations are expected to continue for several weeks.

Burglar-Proof Lock Inventor Back in Cell

VANCOUVER, May 28 (CP) — Frank Dewey, who invented a burglar-proof lock while serving a penitentiary term, today went back to prison.

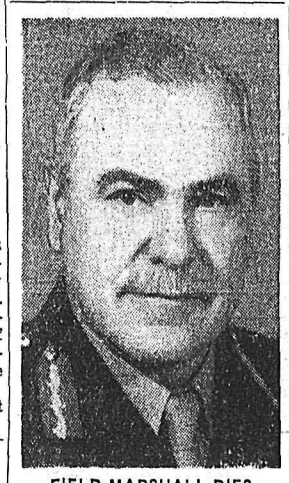
The 63-year-old inventor was sentenced to two years after pleading guilty to possession of narcotics.

Experts have agreed that the lock is fool proof and it is hoped to put it into production soon.

Leaves on Cruise

VICTORIA, B.C., May 28 (CP)—On the first major cruise of the Summer schedule, three ships of the R.C.N.'s Pacific coast training squadron left Esquimalt harbor today bound for Los Angeles.

The destroyer Crusader and frigates Antigonish and Beacon Hill will carry naval cadets stationed on this coast for the Summer, who will live and work alongside regular sailors during the two weeks the ships will be away.



FIELD MARSHALL DIES
Field Marshall Sir Thomas Blamey, commander-in-chief of Allied land forces under Gen. Douglas MacArthur during the Second World War, died Sunday after a year of illness.

Smelter Dispute To Go To Arbitration

VANCOUVER, May 28 (CP) — Dispute between the International Union of Mine, Mill and Smelter Workers and the Consolidated Mining and Smelting Company over introduction of the Rand Formula of union security into the company's operations will go to a three-man Board of Arbitration.

The Board, to be headed by Chief Justice Gordon Sloan, will hold its first hearing in Victoria June 5, a joint Press release from Mine-Mill and C. M. & S. said today.

Both parties have agreed to be bound by the findings of the Board. R. D. Perry will act for the company and Harvey Murphy for the union.

Approval of the Board was voted last week by locals of Mine-Mill and both the union and the company have agreed to be bound by the decision, the joint release said.

Mine-Mill is now in wage negotiations for a 1951 contract with the company and the Rand Formula is one of its main requests.

Under this form of union security, all employees of the company would be required to pay dues to the union, whether or not they were union members.

Negotiations for a 25-cent hourly wage increase are in progress now.

CAPETOWN, May 28 (AP) — Rioting broke out tonight outside the South African Houses of Parliament at the end of a political demonstration.

Police and a crowd estimated at 50,000 clashed when the demonstrators were barred from following their leaders into the building to meet Government officials and register protests against a recent bill to place colored voters and those of mixed race on separate rolls.

Malik Scoffs at Peace Rumors

UNITED NATIONS, N.Y., May 28 (AP) — Russia's Jakob A. Malik said today through a spokesman that reports of Russian peace feelers to the United States over Korea are "completely groundless."

The comment of the chief Soviet delegate to the United Nations came several days after reports were published here that the Russians were interested in talking about ending the Korean conflict along the 38th parallel and had made overtures to American delegates.

Asked if the Russian denial of peace moves applied to one part of the reports or to all, the spokesman said the denial was meant to apply 'fully."

ZURICH, Switzerland, May 28 (Reuters)—Sir Stafford Cripps, former Chancellor of the Exchequer who has been undergoing treatment for tubercular infection and "a rare and dangerous disease," is responding well, his doctors said today.

"Though weak, he is almost free from pain and able to take more nourishment," they said.

And In This Corner . . .

FAIRMONT, W. Va., May 28 (AP) — Police Sgt. L. M. Napple asked a woman driver: "Did you get the other car's licence number?"

You're doggoned right I did," snapped the woman, who said that her vehicle was struck by a man backing his car from a parking lot.

"And here it is," she added, tossing a battered licence plate on to the sergeant's desk.

The woman told officers that the other driver, when accused of striking her car, knocked her to the pavement.

The woman, climbing to her feet, grabbed the licence plate of the other car and tore it loose.

FRAMLINGHAM, Suffolk, England, May 28 (CP) — Edmund Scotchmer, 75, enlisted in the Suffolk Regiment 58 years ago. He was proud of his 25 years' service in the army, but although he never mentioned it publicly, he had one big disappointment.

In the First World War he was recommended for the Meritorious Service Medal. But that was the last he heard of it.

The other day a postman handed Scotchmer a small box. In it was The Meritorious Service Medal and ribbon.

"It was well worth waiting for," said Edmund.

ROME, May 28 (Reuters) — Two professional fasters, attempting to set a world self-starvation record, lay in their glass coffins today thinking nasty thoughts about each other. One had called the other a fraud.

Here lies Burmah, veteran French-born "fasting fakir." Nearby lies Delpho, Italian "clairvoyant and Yogi disciple."

Burmah claimed today to have reached the 30th day of a projected 60-day fast to beat the record of 57 days, three hours.

Delpho today completed his 26th foodless day.

In the offing was a lawsuit.

A Delpho minion, so it is said, had a look at Burmah a few days ago and asked whether Burmah leaves his coffin for natural needs? The announcer who all day drones the feats and prowess of Burmah unthinkingly answered "Yes."

Delpho's manager started legal proceedings.

Professional fasters are not supposed to leave their coffins for any reason. A tube leads from the coffin to the sanitary installations.

Art Fleming McGill Graduate

Well known Nelson boy and veteran of World War II, Arthur Balfe Fleming, son of Mr. and Mrs. Ross Fleming, of Nelson, graduated in mining engineering at McGill University in Montreal Monday.

Flying Officer in the R.C.A.F., he served overseas as a navigator, as did his twin brother, Wallace, also a navigator with the rank of flying officer. He remained in the East most of the intervening post-war years, but came West to work for the C. M. & S. at Trail and Kimberley for Summer holiday periods on two occasions.

Large Audience Hears 24 Music Students in Recital

A large audience enjoyed a musical recital in the Trinity United Church Monday evening when 24 senior students of Nelson and Castlegar music teachers performed.

Sponsored by the Nelson Music Teachers Associatoin, music students of high school age participated in piano, violin and vocal solos. Teachers presenting pupils were Mrs. Phillip Deerwood, Mrs. James Fraser, Mrs. T. J. S. Ferguson, Mrs. Lawrence McPhail, Mrs. C. W. Tyler, and Mrs. Shea of Castlegar.

Dr. Wright of Robson, formerly director of music department at Brandon College, Manitoba, in an impromptu address encouraged the music students to use what talent they had and to develop it. He said that good results were not always immediately apparent, but music had far reaching affects in their lives.

"Music is not only a recreation, but it has become a necessity for life," he said. He had followed with interest the work of Nelson music students and he said, "Nelson was fortunate in having such spendid teachers."

Piano — Bill McIvor, Rochelle Crawford, Helen Brader, Rose Ann Zabawa, Jerry Pickering, Dorothy Rogers, Marfyn Williams, Margaret Ann McFadden, Herbert Kline, Michael Fraser, Audrey Norgrove, Joan Stromstead and Tom Shorthouse. Piano student from Castlegar were Shirley Taylor, Shirley Berry and Joan Dunlop.

Vocal — Barbara Brown, JoAnn Hopwood, Doris Boyes, Dawn Miller, Mona Loomer, Joan Hendrickson, and Nettlie Brodman of Castlegar.

Mrs. P. Deerward and Miss Muriel Stuart gave a violin duet.

MISSIONARY BISHOP'S WORK TOLD ROTARY

Bishop F. P. Clark spoke on the work and some espects of the life of an Anglican Missionary Bishop in an address to the Nelson Rotary Club Monday.

John Erb, program chairman, introduced the Bishop.

D. D. McGregor, manager of Canadian Bakeries Ltd., who has been transferred to New Westminster, was presented with a picture as a farewell gift from the club. President Jack McDonald made the presentation and expressed the good wishes of the club.

D. H. Mollison reported for the U.B.C. Players performance committee.

Guests were Stanley Horswill of Castlegar, R. Richards of Trail and Robert Sheldon of Sheep Creek.

INSURANCE POLICY CROWN EXHIBIT AT DAVIDOFF HEARING

CASTLEGAR, B. C., May 28 — A $2500 life insurance policy allegedly taken out by Joe Davidoff and naming his father, John Davidoff, as beneficiary was entered as an exhibit by the Crown as the preliminary hearing for John Davidoff opened Monday.

Davidoff, 48, faces a murder charge in the death of his 20-year-old son who was shot in his bed April 16.

The hearing, expected to last through Wednesday, is being conducted before Stipendiary Magistrate W. H. Taylor of Castlegar. Leo S. Gansner of Nelson is Crown Prosecutor while A. G. Cameron and J. H. Gordon of Trail are conducting the defence.

Eight witnesses, including three physicians and four R.C.M.P. officers, were called by the Crown during the first day of proceedings. More than 25 others will appear before the hearing concludes.

Sgt. W. H. Davidson of Nelson told the court he had been called to Austra village at Ootischenia about 10.30 a.m. April 17, arriving there between 11 and 11.30.

He found the deceased in a bed, a wound on the right side of the body and a hole through the comforter over the body. He reported taking a number of photographs and meeting the dead youth's father, his younger brother William, and his cousin Willie Koochin.

He said he had questioned the father in an attempt to find out how the youth met his death. The accused had told him he lived in the same communal house with his son, but that he had stayed at Castlegar the night before.

Sgt. Davidson testified that Davidoff told him he had spent most of the previous night at the Castlegar pool room except for 15 minutes in the beer parlor. He reported going to his sister's home about midnight and not returning to his own home until after the Police had arrived. He said he had not seen his son since 6.30 or 7 o'clock of the previous evening.

"At no time did he show any emotion," Sgt. Davidson said.

Asked by the Crown if there had been any discussion as to the cause of death, the witness said he told the accused man soon after he arrived that his son had been murdered.

He testified that Davidoff had remained at home until the early afternoon when the undertaker had come to remove the body.

"There was a large number of people outside, mostly women, some of them crying. The accused was standing among them. As the body was being passed through the crowd the accused asked if the boy's face could be exposed to allow his grandmother to see him. When this was done, the accused began to cry for a few moments. It was the only sign of grief he indicated at any time I was with him."

Q. Did the accused ever make any inquiries as to cause of death?

A. He said nothing unless he was asked.

Sgt. Davidson said that Davidoff had told him a Mrs. Plotnikoff had been trying to drive the deceased away from the village and that bad friendship existed between the families because the boy had "tried to become intimate with Mrs. Plotnikoff's daughter."

The witness quoted Davidoff as saying later during a drive to Castlegar, "Mr. Sergeant, I think I'd better tell you everything. When I was coming home yesterday afternoon from Castlegar, Mike told Joe and I that his rifle had been stolen and that he suspected Alex Plotnikoff of stealing the gun."

As a result of the conversation Sgt. Davidson said Alex Plotnikoff was held for questioning later that afternoon but was subsequently released.

FOUND POLICY

Sgt. Davidson said the entire village was searched for the missing weapon and empty cartridge. He said he and Staff-Sgt. J. McKay of Trail had searched several trunks in the Davidoff home, during the course of which they found the insurance policy made out in Joe Davidoff's name and listing the father as beneficiary. The trunk had contained papers belonging mostly to John Davidoff.

Dr. A. C. Waldie of Castlegar said he had found the body "still warm in some spots" when he arrived at Austra village between 9 and 9.30 a.m. April 17. He estimated the youth had been dead between eight and 12 hours.

Dr. J. R Harrigan of Trail, who performed the post mortem, said the cause of death was hemhorrage of the liver and lungs and gross injury to the spinal column. Death had occurred instantaneously, he thought.

The bullet had entered the right side of the body, taking an upward and backward course through the chest and lodging in the back near the shoulder, he said.

Under defence cross-examination, Dr. V. M. Goresky, Castlegar coroner, said he thought it possible that reactions to the death of a family member could be quite different with different personalities.

Sgt. A. Mason-Rooke of the R.C.M.P. crime detection laboratory at Regina, said it was "probable" that the slug taken from the body of the deceased had been fired from a .303 calibre rifle taken from the Kootenay River near the Brilliant bridge and sent to him for comparison. However, "unquestionable opinion was precluded by the condition of the bore and some difference in firearm signatures.

An empty cartridge case sent for examination had been fired from the rifle in question, he found.

He found that the bullet area on the quilt taken from the deathbed showed the effect of a muzzle blast from a rifle held "at very close range." To reproduce this effect the muzzle of the weapon would have to be held at a distance of not more than one or two inches from the target.

Others testifying on the first day were Constable K. J. Ritchie of the Castlegar detachment, Constable N. H. Elphick of the Nelson detachment and John Rogers of Nelson, draughtsman with the B. C. Forest Service.

4-Legged Prowler Visits Nelson Shop

Sgt. R. R. House spotted a prowler in Nelson Monday night, but this one wasn't after the dough. Instead, the cop was after the doe.

It was a bit confusing, but it became clear after Sergeant House explained he had cornered a deer in the basement of Kootenay Plumbing and Heating Co. Ltd., 351 Baker Street.

He first became aware of the doe when, using his flashlight as he inspected the alleyway behind the store, he saw a gleaming pair of eyes that could belong only to an animal. While he trained the flashlight beam on the deer, it walked curiously toward him, then suddenly went through the open door into the store.

Deer and policeman studied one another intently for several minutes, then suddenly the deer bolted out through the door, dashed down the steep embankment below the area, headed for the C.P.R. flat area, and disappeared.

Only a few years ago, Sgt. House sallied after a deer he spotted downtown with a broken leg. Riding the running board of a car, he crooked his arm around the deer and killed it with his revolver. Despite the broken leg, the deer sped along at 35 miles an hour, clocked by the car, Sgt. House recalled.

Mrs. R. Dilling Of Sheep Creek Dies at Trail

TRAIL, B. C., May 28 — Mrs. Margery Amelia Dilling, wife of Richard Dilling of Sheep Creek, died Sunday evening in Trail-Tadanac Hospital where she was a patient for only a few days.

She was born in Big Oak Flats, California, in 1906. She was a member of the Pythian Sisters.

She is survived by her husband Richard, daughter Janet, son Richard, two sisters, Mrs. C. P. Lane of Kimberley, Mrs. Samuel Kincaird of Ashcroft, B. C., and one brother, George Campbell Sutherland of Prince George.

Interment will be in Columbia River View (K. P.) Cemetery, Trail.

Pacific Northwest Trade Heads Here

L. A. Colby of Missoula, Montana, and D. C. Knapp of Seattle, President and Secretary, respectively, of the Pacific Northwest Trade Association, visited West Kootenay last week. They met with the executive councils of the Trail Chamber of Commerce and the Rossland and Nelson Boards of Trade.

Mr. Colby, elected at the recent annual meeting of the Association, is the first president from the Interior to head the organization. Both Mr. Colby and Mr. Knapp discussed with local representatives matters of mutual interest to the Association's work and requested the attendance of a large delegation from Southeastern British Columbia at the Association's semi-annual meeting to be held in Missoula, Sept. 16, 17 and 18.

Kilties Present Concert

Nelson's Kootenay Kiltie Pipe Band won rounds of applause in an appearance at the Civic Theatre Monday night.

Smart in their Scottish uniforms, 17 of the 21 band members paraded.

Featured in dancing solos were Doreen Spiers, in the highland fling, and Shiela Rogers, in the sean trubhais.

Three Fined on Driving Charges

SALMO, B.C. May 28 — Two men were convicted of dangerous driving and one man for driving without a driver's licence in Provincial Police Court before Stipendiary Magistrate Henry John Saturday.

Elie Jmaiff was fined $25 and costs for a dangerous driving offence on May 24 near Ymir.

John Eugene Brulotte was fined $50 and his driver's licence was suspended for one year on a charge of dangerous driving on May 24.

Raymond Radke was fined $25 and costs for driving a car without a licence. The offence took place at Nelway.

Kinsmen Elect New Slate Of Officers

Joe Nuyens was elected president of the Nelson Kinsmen Club by acclamation at the supper meeting of the Club in the Legion Monday night.

Other members of the executive which will take office for one year beginning next September are: A. K. McAdams, vice-president; Norman McLeod, secretary (by acclamation); Leon Kelsch, treasurer (by acclamation); Robert Kidd, I. M. Buerge, and Fred Morris, Directors and L. Lefeaux, editor.

Much time was spent on discussion of plans for the Stampede here next month.

Roy Evans was nominated Kinsmen representative to the Nelson Recreational Council.

It was reported that nine couples plan to attend the Kinsmen Convention in Kelowna.

The club decided to support the Summer Bonspiel Committee in providing one night of entertainment during bonspiel week. Last year service clubs sponsored an evening's entertainment and divided the net profits with the Civic Centre Commission, but this year all the proceeds will be turned into a fund for promoting the bonspiel.

Everett Rodtka, who was a radio entertainer over CFAC and CFCN Calgary, entertained the Kinsmen with several cowboy songs. He was introduced by B. Sutherland.

Nelson Garden Competitions Plans Completed

Organization of Nelson Garden Club's 1951 garden competition has been completed.

Top championship will be for large gardens, including lawn, flowers, vegetables, vista and shrubbery, and this will be an annual competition.

The Draper Cup will go to the best garden in the medium and small class, but this trophy cannot be won twice by the same gardener. Winner will go into the championship the following season.

Other classes will be in vegetable, rockery and new gardens.

Judges are Frank Holt, W. Meneczuk and Fred Blakeman.

Minto to Leave Robson Afternoons

Changes in Arrow Lakes steamer service were announced by Canadian Pacific Monday.

The Minto will leave Robson West at 2 p.m. Tuesdays and Fridays instead of 5.30 a.m., and will arrive at Nakusp at midnight, instead of 3 p.m. The change will enable Train No. 11 to connect with the boat at Robson.

Service otherwise is unchanged.

Step-Uncle Turns Into Step-Father

HAGUE, Sask., May 28 (CP) — Cornelius Friesen, 36, married his grandfather's widow last night.

A crowd of more than 700 jammed the Pentecostal Church at nearby Grunthal to witness the ceremony, performed by Rev. E. Erismen.

The bride was Mrs. Sarah Friesen, 42, whose husband died a year ago aged 85.

Both newlyweds have been crippled since childhood. The bridegroom has made a living selling picture verses home-made with a small printing set.

Mrs. Friesen was married to her late husband—her new husband's grandfather—for 14 years and had one son, now 12, who was Cornelius Friesen's step-uncle and now becomes his step-son.

CONSTIPATION GONE —CHANGED MAN!

You, too, may expect to overcome constipation due to lack of dietary bulk if you follow this advice: eat an ounce of crispy KELLOGG'S ALL-BRAN daily, drink plenty of water! If not *completely* satisfied after 10 days, return empty carton to Kellogg's, London, Ontario. Get DOUBLE YOUR MONEY BACK!

Crowds Enjoy Boswell's Celebrations on 24th

Provincial K. P. Oratory Winner

GEORGINA McNAY

. . . young Fernie girl who won the provincial Knights of Pythias public speaking contest in Victoria.

Miss McNay will speak at New Westminster in the Northwest sectional contest July 7, and the winner of this contest will compete in the grand finals at Toledo, Ohio, at a later date. A $2500 scholarship will be awarded to the winner.

BOSWELL, B. C., May 28 — Boswell's May 24th was celebrated with a big picnic and children's races at Lockhart Beach Park, under the auspices of the Women's Club and well supported by the Farmers' Institute. Things went off well and those in charge felt they had a lucky break as the rain did not really come down until just towards the end of the children's races, the tug of war had to be called off.

A large party attended from Creston, Sanca, Boswell, La France, Gray Creek and Crawford Bay.

The refreshment stall sold out many items, even the ice cream getting cleared up, but the cool afternoon made a heavy demand for tea and coffee.

Women's Club members Mesdames G. Timmons, W. L. Hepher, N. Bainbridge, K. Wallace, Paul L. Sullivan, J. Pryke, S. J. Cummings, W. Hewitt and Miss Abbott, took turns at serving the many customers.

Farmers Institute members took care of the races, Mrs. K. Wallace presenting the prize money to the winners. Neil Tattrie of Creston and Kenneth Wallace of Boswell were the starters, A. Mackie, W. Thompson, Eric Bainbridge, J. Robinson, W. L. Hepher, were judges in charge of the finishing line.

Prize winners were as follows:

Boys 6, Jimmy Hellman, 1st, Paul Craig, 2nd; boys, 6-10, Garry Tattrie, Allan Bainbridge 2, Tommy Brown 3.

Girls' 6-10, Karen Walker 1, Virginia Hill 2, Elsa Glawin 3; girls' 10-16, Donna Walker 1, Marilyn Pratt 2, Paddy Johnson 3.

Boys, 10-6, Dennis Bainbridge 1, Alan Bainbridge 2, David Wiklund 3; girls' sack, Marilyn Pratt 1, Anne Timmons 2, Paddy Johnson 3; little girls', Georgina Burge 1, Lavena Brown 2.

Boys' 10 and under, Barry Burge 1, Garry Bainbridge 2, Alan Tattrie 3; boys 10-16, Boyd Wallace 1, David Wiklund 2, Ernie Hewitt 3.

Piggie-back, girls', Donna Walker and Karen Walker 1, M. Pratt and L. Brown 2, Anne Timmons and V. Hill 3.

Boys' Piggie-back, Alan and Ricky Bainbridge 1, J. Whitney and Stan Bainbridge 2, David Wiklund and Garry Hill 3.

Three-legged race, girls, M. Pratt and Donna Walker, 1, Shirley Whitney and S. Koch 2, Anne Timmons and Paddy Johnson 3.

Three-legged race, boys, Boyd Wallace and J. Whitney 1, Alan Bainbridge and D. Wiklund 2; Dennis Bainbridge and Steve Tattrie, 3.

Thread needle race—Dona Walker and David Bainbridge 1, Ernie Hewitt and Paddy Johnson 2, Annie Timmons and Steve Tattrie 3.

Gyro Clean-Up Party At Work at Park

Nelson Gyro Club gathered at the Gyro Park as a work-party instead of holding their regular dinner meeting Monday evening.

General clean-up was the order of the day. The men finished painting rails and cleared the pool of leaves and rocks ready for swimming.

WHERE THERE'S Coca-Cola TRADE MARK REG THERE'S HOSPITALITY

LOVELY CAROL SORENSON is caught by the camera here just at the moment of her coronation as Queen of Castlegar and District. Mrs. James Deans, regent of the Lillian Killough Chapter I.O.D.E. which sponsored the Castlegar Victoria Day fete, placed the crown. In the Royal retinue were retiring Queen Dawn Jenks, and Princesses Joan Johnson, Fennie Jonkman, Bonnie Loff, Edna Marshall, Joyce Schiavon and Joyce Swihart.—R. Kerr photograph.

MRS. GILL OPENS LODGE BUILDING, CRANBROOK; UNVEILS SMYTHE PLAQUE

CRANBROOK, B.C., May 28 — Guests from other East Kootenay I.O.O.F. and Rebekah Lodges attended the ceremonies here when Key City Lodge No. 42 and Maple Leaf Rebekah Lodge officially opened their new two-storey building on Baker Street. Mrs. T. S. Gill, only remaining charter member of Maple Leaf Lodge, unveiled the entrance plaque, assistsed by W. S. Johnston, Key City Lodge Secretary.

The ceremony continued from there to the second-storey lodge rooms where a program of informal numbers followed, degree teams presented a drill, and a memorial tribute to Fred J. Smyth, district author and journalist and lodge member for 50 years, was unveiled. Supper concluded the affair.

National Employment service occupies the main floor of the new cinder block-stucco building, with Department of Resources and Development Water Rights Offices occupying the front upstairs, while the lodges have assembly hall, dining room, lounges, kitchen and lavatories in the remainder of the upstairs floor.

A. Dainard, Golden Again Wins Award

GOLDEN, B. C., May 28—For the second consecutive year at the University of British Columbia, Alan Dainard of Golden, son of Mrs. Harriet Dainard, has won the Ministry of Switzerland prizes for proficiency in French language and literature.

Award was made at recent U.B.C. commencement exercizes when he received his degree of Bachelor of Arts with first class honors. He was an outstanding student in his primary and secondary schooling in Golden where he grew up.

Power Line Survey Made Through Boswell

BOSWELL, B.C., May 28 —A preliminary survey for the West Kootenay Power and Light Company transmission line between Kootenay Bay and Creston, has been made through Boswell.

Some slashing has also been done at Grey Creek. The people of the District hope for power about a year from now.

Gunshot Wound Kills Man at Ta Ta Creek

KIMBERLEY, B.C., May 27 — Gunshot wound resulted in the death at Ta Ta Creek of Christopher Bristol whose body was found at his home there.

He was 71 years old and shared the home with another retired man.

Surviving him is a daughter, Miss Gudrud Bristol of Wardner.

Dr. J. F. Haszard conducted the coroner's inquiry, which it was reported, determined the wounds as self-inflicted.

The record of a Roman murder trial in the 1st century A.D. shows the slayer was identified by the print of a bloodstained hand.

Diamond Accepts Honorary Colonel's Commission at Regimental Banquet

TRAIL, B. C., May 28 (CP) —R. W. Diamond, Honorary Colonel of the 24th Heavy Anti-Aircraft Regiment of Trail, was honored Saturday night at the first annual regimental dinner of the unit which was attended by high officers of the Navy, Army and Airforce from the Coast.

Mr. Diamond, whose appointment as Honorary Colonel was announced last Fall, received his official commission and a solid silver cigarette box engraved with the regimental crest. Guests at the dinner included Rear Admiral W. B. McCreary, Brig. A. E. Bell-Irving, Col. E. Brown, Group Capt. J. Easton and Lt.-Col. A. Perron.

Reelect Officers Of Grand Forks School Trustees

CASTLEGAR, B.C., May 28 —J. G. Craft was re-elected president of the West Kootenay Grand Forks Branch of the B.C. School Trustees Association at a meeting here in the Board room of School District Number Nine.

A. Turner of District Number 11 was re-elected vice-president and C. H. King, secretary-treasurer of District Number Nine will continue to serve as secretary. Each of the districts will appoint their own representative to serve on the executive.

Attending the meeting were Trustee J. Cochran and Secretary-Treasurer J. Clark of Number Six, Kootenay Lake, Trustees W. Emmott and H. Ashton of Number Seven, Nelson, Trustee E. E. Marshall of Number 8, Slocan, Trustees J. G. Craft and Mrs. W. Jacobson of Number Nine, Castlegar, Trustee E. B. Clark of Number 10, Arrow Lakes, Trustee A. Turner and Secretary-Treasurer R. Smith of No. 11, Trail. District Number 12, Grand Forks, while a member of the Association, was not represented at this meeting.

Several possible resolutions to be presented at the annual B.C. School Trustees Association Convention being held at Vernon in September were discussed and further work and investigation will be done on these.

Various other matters of interest to the boards were discussed including building programs, maintenance costs, transportation problems, and financial problems.

It was agreed to continue to hold meetings of the Association at Castlegar as it is the most central point of the district.

Exonerate Sentry On Homicide Charge

SINGAPORE, May 28 (Reuters)—Pte. K. A. Fisher, a British sentry, was justified in shooting W. E. Evans, Canadian-born mining engineer from Cardiff, Wales, when the latter refused to stop his car on orders, a coroner ruled today.

He returned a verdict of justifiable homicide.

Evans, 35, was born in Regina, Sask. He went to England as a child, qualified as a mining engineer at the Camborne School of Mines, and went to Malaya in 1950.

Mrs. A. Rodwell, Cranbrook, Heads Tourists' Assoc.

CRANBROOK, B. C., May 28 — Cranbrook-Kimberley District Tourist Association has begun its second year of operations with election of Mrs. Arthur Rodwell, Cranbrook President, George Ure, Kimberley and Bill Williams, Yahk, Vice-Presidents, Harold Dingman, Cranbrook, Secretary, and Paul Shypitka, Cranbrook, Treasurer.

Members of the Association are operators of district hotels and tourist courts, and its purpose is to look out for the interests of tourism in East Kootenay, exchange of tourist information with other American and Canadian Associations, and cooperation with Boards of Trade in soliciting improved roads.

Operators of other tourist facilities such as garages and service stations will also be included as members. The area in Southern East Kootenay will be divided into zones for executive representation with Mr. Williams member for Kingsgate-Moyie, Mr. Ure for Kimberley, and a representative for the Wardner-Elko section still to be named. At present main work is enrolment of members interested in supporting encouragement of tourist traffic.

Movie Gossip—

Boris Karloff Ends Hollywood Residence, Returns to Stage

By BOB THOMAS

HOLLYWOOD, May 28 (AP)—Still haunted by the ghost of Frankenstein's monster, Boris Karloff is ending his 32-year residence of Hollywood.

The English-born actor told me he is selling his Hollywood house and will make his home in New York. This is partly due to the heavyfooted monster which catapulted him to fame 20 years ago.

Before playing in "Frankenstein," he was just another character actor. He had been here since 1919 without making any great impression on the movie public. But after that memorable film, his great name was synonymous with menace.

"Yes, I was typed," he sighed. "But then, I guess everyone is in the movies, even juveniles."

In recent years, he has turned to the stage in an attempt to shed the label. He had notable success along these lines in "Peter Pan" with Jean Arthur. But he returned to Hollywood to play a dull-witted servant in a thriller called "The Door". After he finishes the film, he's leaving for New York.

"I think the first love of any actor is the stage," he admitted. "And actually, I have been away from Hollywood more than I have been here in the past 10 years. I spent 3½ years in 'Arsenic and Old Lace,' another six months with it overseas and two years in 'Peter Pan'.

"Also, there are more things to keep an actor busy in New York. You have the stage, television and radio. Out here it's mostly pictures."

I asked Karloff if he has seen any of the new type of thrill picture—the science fiction film.

"No, but I'd like to," he answered. "I understand they now have monsters who are vegetables. Fascinating!"

Kaslo W. I. Hears Of District Meet

KASLO, B.C., May 28—Kaslo and District Women's Institute, at its meeting at the home of Mrs. M. Whittaker, head a report on the West Kootenay district W.I. conference at Kinnaird from its delegate, Mrs. H. Carlson, secretary.

She gave exerpts from the address of Mrs. S. E. Gummow, of Victoria, superintendent of B.C. Women's Institutes, who urged that young women be encouraged to take up Institute work, and told W.Is to be ready to contribute to appeals as far as their finances permitted.

Nigeria in British West Africa is the home of historic and valuable tin and lead mines.

New Denver

Third Trail Company Wins Top Rally Award

TRAIL, B.C., May 28 — The Third Trail Guide Company, whose captain is Mrs. Maisie Mann, was awarded the Cominco Shield here Saturday at the close of a successful district Guide rally.

More than 500 Guides and Brownies took part in the event in the Cominco arena.

The Cominco shield has been posted for competition between companies of East Trail and Trail districts in proficiency.

E. A. G. Colls, in presenting the shield, also awarded the Colls Cup to First Annable Guide Company for winning a first aid competition. The company, whose captain is Avril Moncrief, won over First Rossland Company, Third Trail Company, Second East Trail Company and First St. Andrew's Trail Company.

Mayor E. G. Fletcher opened the rally after a march past of the 500 girls and presentation of colors. The flags were accepted by Mrs. J. Burnham, Trail District Commissioner, and Mrs. A. E. Calvert, East Trail District Commissioner.

OF GREAT VALUE

Mayor Fletcher stressed the value of the rally, and expressed pleasure at the number of girls participating. Also introduced by Mrs. J. D. Hartley, divisional commissioner, were Dr. C. H. Wright, representing Trail Boy Scout Association; Donald Ure, Nelson District Boy Scout commissioner; Miss Greta Curwen, Nelson District Girl Guide commissioner; Jack Nicholson, Trail District commissioner; Constable Alex Borodula and Mr. Colls.

Besides the first aid competition, items on the program were a Brownie fairy ring led by Mrs. J. Moll of Kinnaird, a candle-light ceremony by First Castlegar Company under Miss Mae Forgie-Thompson, captain; trefoil drill by Second East Trail Company under Mrs. Thomas Alton, captain; cokie-okie dance by Brownies led by Miss Mary Johnson, captain; semephore drill by First Fruitvale Company led by Mrs. Douglas Knowler, captain; flag drill by Second East Trail Company under Gladys Ioanin, captain; a badge pageant in which First Rossland, Rossland Salvation Army, First St. Andrew's Trail, Third Trail and First Tadanac companies participated; a flag drill by First East Trail company under Mrs. Alton, an international pageant by First Beaver Falls-Montrose company under Mrs. Edwards, captain; Brownies grandhowl led by Brown Owl Mrs. Doris Hamson, a dance by First Annable and First East Trail companies, and a campfire by all Brownies led by Mrs. Mann.

Kaslo . . .

KASLO, B. C.—Mr. and Mrs. R. O. Serman are spending a holiday at the McDerby Summer cabin at Mirror Lake.

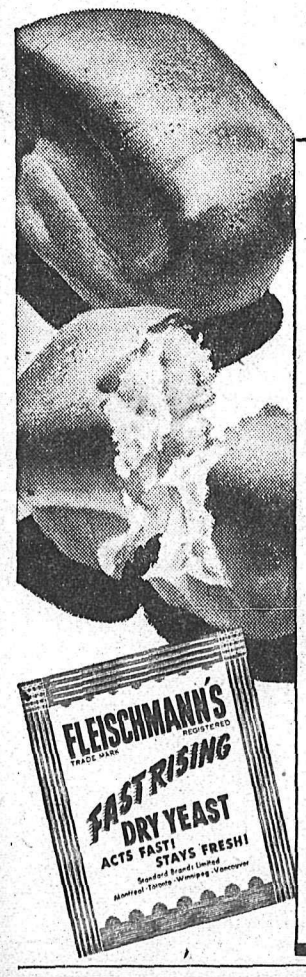
OXFORD, England (CP)—Eighty dockworers will attend classes at one of the Oxford Colleges. They have enrolled for lectures on history, science, economics and philosophy because they "feel we ought to learn."

Crusty, Crunchy DINNER ROLLS



● They're really ritzy — and no trouble at all to make, with new Fleischmann's Fast Rising *Dry* Yeast! Gives you fast action — light doughs — and none of the bother of old time perishable yeast! Get a dozen packages — keeps full strength *without refrigeration!*

CRUSTY DINNER ROLLS

● Measure into a large bowl ½ c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 mins., THEN stir well.

Add ¾ c. lukewarm water and 1 tsp salt. Add, all at once, 3½ c. once-sifted bread flour and work in with the hands; work in 3 tbs. soft shortening. Knead on lightly-floured board until smooth and elastic. Place in greased bowl. Cover with a damp cloth and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, fold over, cover and again let rise until doubled in bulk. Turn out on lightly-floured board and divide into 2 equal portions; shape each piece into a long roll about 11½" in diameter. Cover with a damp cloth and let rest 15 mins. Using a floured sharp knife, cut dough into 2" lengths and place, well apart, on ungreased cookie sheets. Sprinkle rolls with cornmeal and let rise, uncovered, for ½ hour. Brush with cold water and let rise another ½ hour. Meanwhile, stand a broad shallow pan of hot water in the oven and preheat oven to hot, 425°. Remove pan of water from oven and bake the rolls in steam-filled oven for ½ hour, brushing them with cold water and sprinkling lightly with cornmeal after the first 15 mins., and again brushing them with cold water 2 minutes before removing baked buns from the oven. Yield — 18 rolls.

Sex Comics Are Criticized As I.O.D.E. Meeting Opens

SASKATOON, May 28 (CP) — Sex comics were criticized in a report at today's opening session of the annual meeting of the Imperial Order Daughters of the Empire.

Mrs. J. D. Detwiler of London, Ont., I.O.D.E. Educational Secretary, said in a report prepared for delivery to the convention that "considerable pressure" has been put on the Federal Government for relaxation of restrictions on such books.

Since the ban was applied on crime comics, the sex comic or "so-called 'passion literature' " has made its appearance, she said.

Provincial education secretaries are conducting a survey on sex comics. However final results are not yet available.

Other reports were given by the Empire correspondence convener, Ethel Raymond of Brantford, Ont., and the organizing secretary, Mrs. R. M. Walkey of Toronto.

MEMBERSHIP RISES

Membership in the I.O.D.E. has grown by 267 to 31,411 in the last year, said Mrs. Walkey. Chapters across Canada totalled 923, against 921 in 1950.

She advised that the continued prosperity of the organization "requires an ever-increasing membership."

"Let us make it our first duty for the coming year to do everything possible to add to our numbers," she concluded.

Miss Raymond reported the order's pen-pal program has been stepped up until now there are 4512 Canadian children corresponding with children in other parts of the British Commonwealth. This is 500 more than in 1950.

Ontario led with 3022 links; Saskatchewan followed with 72; Alberta 230; Nova Scotia 121; Manitoba 180, Quebec 97.

Links have been established between Ontario schools and 10 private or public schools in the United Kingdom and two high schools in India, said Miss Raymond whose report represented a part of the educational summary given by Mrs. Detwiler.

"FAILED"?

In concluding her report Mrs. Detwiler noted that modern schools face "a thorny problem" in deciding "whether the schools re-inforce nationalism—or inspire internationalism."

She said she found the Canadian mind seems "deeply worried" about Canada's school systems.

"In the vast literature on education there is every evidence of discontent rather than complacency, of blame instead of praise," she said. "There is an uneasy feeling that the schools have failed to do their job."

Mrs. Detwiler told the meeting that during the year the I.O.D.E. helped 719 young Canadians financially, thus enabling them to continue their studies. A total of $7548 was spent on this work.

Chapters also offered a total of 2853 prizes worth $8507. Of these prizes 1773 were books.

In all, the chapters spent $136,500 on education during the year, an increase of $3895 over a year ago.

Nelson Social . . .

. . . By MRS. M. J. VIGNEUX

● On the occasion of their Silver Wedding anniversary which took place last week, Mr. and Mrs. Louie Santor, 915 Hoover Street, were at home to relatives and friends. The lace covered table was centered by a four-tier wedding cake, flanked with pink tulle, carnations and matching candles. A toast to Mrs. Santor, was proposed by Geno LeRose of Trail, and responded to by Mr. Santor. Dainty refreshments were served. Mrs. B. LeRose and Mrs. M. Demeo presided over the coffee urns. Mrs. A. Lenarduzzi, sister of Mrs. Santor, was called upon to cut the wedding cake. The evening was spent with the showing of films and dancing. Music was supplied by Mario Maglio and Frank Amoroso. Serviteurs included Mrs. John DeFerro, Mrs. Tony DeFerro, Mrs. John Hogan, Miss Louise Santor, Miss Carmella Demeo, Miss Frances Lenarduzzi and Miss Bernie Hall. Out-of-town guests included Mrs. B. LeRose, Mrs. Ernest LeRose, Geno LeRose, Mr. and Mrs. Archie Lenarduzzi, and daughter Miss Frances Lenarduzzi, Mr. and Mrs. John DeFerro and son Lorne, Amgelo Demeo and Miss Carmella Demeo all of Trail, Mr. and Mrs. Michael Demeo and son Silvio, Mr. and Mrs. G. Martin and children all of Castlegar, and Joseph DeGirolamo of Kimberley.

● Eric Holmgren, who has been doing post graduate work at the University of Toronto, visited his parents, Mr. and Mrs. W. Holmgren over the holiday and has now returned to Vancouver.

● Mr. and Mrs. William Wright, Fifth Street, Fairview, returned at the weekend by plane from Vancouver, having visited in New Westminster and Victoria as well as Vancouver.

● Miss Mollie Irving, Carbonate Street, has had as guest her mother, Mrs. J. B. Irving of Tarrys.

● Mr. and Mrs. William Holmgren, Carbonate Street, have had as guest for a few days Miss Patricia Berkeley, head librarian to the Vancouver Medical Association.

● Fred Robinson, Second Street Fairview, has left for Bright, Ont., where his marriage to Miss Charlotte Peat takes place Saturday. Mr. Robinson who was accompanied as far as Spokane by his parents, Mr. and Mrs. F. C. Robinson, then took the Empire Builder to Ontario.

● Mrs. J. J. Street, Terrace Apartments, is spending a while in Trail at the home of her daughter, Mrs. H. T. Hartin, while Mrs. Hartin is in Rutland as delegate to a C.W.L. convention.

● Bob Kopecki and his mother, Mrs. W. E. Kopecki, have returned from Spokane where Mrs. Kopecki has been guest of her niece and nephew, Mr. and Mrs. W. Kelly.

● Weekend guests of Mr. and Mrs. J. A. B. Will, 706 Mill Street, were Mr. and Mrs. John Piedmont of Calgary who were married in Calgary Saturday. Mr. and Mrs. George Shumacker of Trail were also guests at the farewell party Saturday evening for Mr. and Mrs. Robert Boettger who are leaving soon for Calgary. A torchiere lamp was presented to Mrs. Boettger by the 22 guests present at the home of Mr. and Mrs. Will.

● Miss Lois Browne, formerly of Nelson and Salmo, arrived by train Monday from Medicine Hat, Alta. She plans to spend her holidays in Salmo.

SASKATOON, May 28 (CP)—The National Chapter of the I.O.D.E. will meet next year at Niagara Falls, Ont., Mrs. J. H. Chipman, President, announced today at the opening session of the I.O.D.E. annual convention here.

I.O.D.E. Big Help to Immigrants

SASKATOON, Sask., May 28 (CP) —A recommendation urging that immigrants be required to learn English within a limited space of time today was placed before the annual meeting of the Imperial Order Daughters of the Empire.

It was presented by Miss D. E. Taylor of Ottawa, who as immigration and Canadianization convener reported on the Order's work with new Canadians during the year.

Miss Taylor said the I.O.D.E. has received letters from persons in different parts of Canada asking for assistance in getting their relatives to join them in this country.

"Many of these letters were from resident Chinese who wanted to get their families free from Communistic influence in China," she said.

Miss Taylor pictured briefly activities of various chapters of the Order in making immigrants feel at home upon arrival in Canada.

In New Brunswick, she noted, new arrivals were provided with adequate clothing when necessary, entertained in homes, taught English and Canadian home cooking.

SPONSORS EDUCATION

I.O.D.E. Chapters of Quebec helped 21,000 immigrants in various ways. At the moment one was sponsoring three years' education for the child of a new Canadian.

Ontario reported 13 newcomers had joined the order.

British Columbia was among the Provinces recommending a greater knowledge of the English language be required before the granting of government certificates.

Mrs. H. H. Ribber of Toronto, presented the final report of the endowment fund which has reached its minimum goal of $200,000. However, she reported the fund will remain open for such new chapters that may wish to contribute "in assuring the Order's security and financial independence."

"ECHOES" SURPLUS

Mrs. Laurence Grout of Toronto, Secretary of "Echoes", the Order's official publication, reported the magazine finished the year with a surplus of $2811. Last year it had a deficit of $981.

Mrs. O. L. Robb of Toronto, publicity convener, noted that the wide distribution of publicity the Order received during the year was partly due to the displaying of Queen Mary's carpet in the Provinces.

I.O.D.E. Spends Huge Sums for Welfare

SASKATOON, Sask., May 28 (CP)—The Imperial Order Daughters of the Empire raised $1,129,778 in the last year and turned over most of this sum to its welfare and education projects.

This was the story Mrs. P. L. Robinson of Toronto, today told the I.O.D.E. annual meeting in her report as Honorary Treasurer and convener of the Finance Committee.

She said the 911 chapters reporting spent $1,102,053 which went to swell the general and special funds as well as to buy books.

Half a billion dollars was spent on industrial development in Ontario in 1950.

A New Deal for The New Indian

Canada's efforts to increase the opportunities afforded the native Indians are, as British Columbians well know, fraught with complications. But one fact stands out clearly, and that is that the Indian, for his own greatest good and for the greatest good of Canadians generally, must be given the opportunities to become self-supporting.

Better health and care of the Indians has resulted in an increase in population. Their numbers have mounted from about 125,000 to 136,000; and it was estimated in the Senate the other day by former Superintendent General of Indian Affairs Senator Crerar that this number would increase within a few years to 150,000.

British Columbia, perhaps more than any Province, has contributed most to a constructive program for Indians. It is significant that B. C. is the only Province to exercise its right to give Indians the Provincial franchise, that it now has an Indian sitting in the Legislative Assembly, and an Indian village in the process of achieving incorporation and accepting the responsibilities that go with that move.

The Senate has before it now the Government's new 124-clause Indian Bill. It is the outcome of a Parliamentary Committee effort that began five years ago and brought forth a comprehensive report in 1948. This Bill will see the overhaul, at least to some extent, of the ancient Indian Act of 1857, which had gone unchanged to any extent except for amendments in 1880.

The new Indian Act has already been criticized for not providing sufficient stimulus for the Indians for local self-government. This is to be regretted, as is the attitude, attributed to Citizenship Minister Harris, that it is a mistake to assume the Indians want to be enfranchised.

Of course, not all the Indians want voting privileges. Some are old, and unyielding to change. But certainly, if we are to see this minority group of Canadians progress, provision must be made to encourage them to a state in which they will see the advantages and eagerly seek responsibility. The evidence in British Columbia surely points that this is the way to greatest benefit.

The new Act, while not a perfect document in the minds of the most progressive Indians—those that carried representations to Parliament Hill, for instance—it at least is a step forward, perhaps several steps. It recognizes the part the Indian can play. However, more certain steps are surely in the future. The young Indian no longer is content to remain apart from the Canadian community. He doesn't ask privileges, he merely wants equality of opportunity.

The Indians across Canada are, it must be recognized, in various stages of development. The younger want to and are able to accept the ways of general Canadian life, the older and the ill are content to remain wards of the Government. But while we watch them in British Columbia put on the garb of our own, and become nurses, teachers, fishermen, and even Legislative Members, we can not help but accept that they must be given greater and greater opportunities to become self-supporting and equal citizens.

LETTERS TO THE EDITOR

Letters may be published over a nom de plume, but the actual name of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Where Are Our Women?

To the Editor:

Sir—What is the most important crop any country can produce? Children. Yet we see in the paper of May 17 an article: "Maternity Fees Raised to $75."

We hear a lot about the necessity for more people in Canada, and ask for more immigrants. But it seems we lose sight of encouraging the reproduction of our own Canadian species.

The medical profession has done all in its power to banish the midwife. Today they have the cooperation of hospitals, where a few years ago they had to drive in horse and buggy in all kinds of weather. Now in most cases the patient is brought to the doctor, where he has the assistance of nurses and all facilities at his fingertips.

The parents are discouraged by the outrageous prices charged for children's clothes. No matter how small the child, little baby shoes and other clothing cost as much as a grown person's did a few years back. We talk a lot of helping backward nations and try to stop them reproducing their species so fast. If they had to pay $75 for every child they would do like the young couples here—refrain from cooperating with nature's laws.

Where are our women? Are they like Rip Van Winkle, sleeping? Why not get into the running of this country and stop having your expensive children used for cannon fodder, etc.?

Don't blame your Government. You are supposed to be in a country that boasts of government for the people, by the people. So the place to look is in the mirror and ask, "What am I doing?" not "What is the other doing?"

Foreman, shouting up to worker on building:

"What are you doing, Bill?"

"Helping John."

"What are you doing, John?"

Answer: "Nothing."

Boswell, B. C.

Looking Backward

10 YEARS AGO

From The Daily News of May 29, 1941

At least four Nelson fishermen had luck over the Empire Day weekend in the quest for the big Kamloops trout on Kootenay Lake. W. A. Bennett returned Sunday with the largest catch of the weekend, an 18½-pound Kamloops. H. D. Foster, fishing out at Queen's Bay, boated a 17-pound fish Saturday. Fred Robinson and Fred Genge of Nelson were also successful fishermen of the weekend.

25 YEARS AGO

From The Daily News of May 29, 1926

Houston Park sparkled with lights last night for the first time following the extensive improvements by the Gyros. The lights could be seen from almost any point in Nelson. A row of lights stretches around the children's swimming pool and over to Lookout Point, both the creations of the Gyros. The huge welcome sign and the many colored lights on the point attracted every eye of the townspeople.

40 YEARS AGO

From The Daily News of May 29, 1911

An important change will go into effect June 1 in the C.P.R. freight department at Nelson, when R. W. Drew will assume charge of the office of Division Freight Agent. Mr. Drew in former times was travelling freight agent for this district, and more recently has been Division Freight Agent at Saskatoon. He will succeed W. R. Haldane.

It's Been Said

Speech was given to the ordinary sort of men, whereby to communicate their mind; but to wise men, whereby to conceal it.—Bishop South.

Householder, Cranbrook—Do banks grant mortgages on real estate?

No. For this you must apply to private investors or an insurance company, or mortgage association.

J. D., Kinnaird—Is it possible to obtain a good wine from saskatoon berries? If so, could you supply me with a recipe?

We believe that wine is often made in prairie homes from saskatoon berries. Ripe berries would be used, and presumably they should be well-rounded. We have no recipe for wine made from these berries, but here is a recipe for elderberry wine which would probably be satisfactory: Gather berries when ripe on a dry day, pick them from stems and bruise with your hands. Strain, let liquor rest in glazed earthenware pans for 12 hours to settle; then to every pint of juice allow 1½ pints of water, and to every gallon of mixed water and juice three pounds of good moist sugar. Put it over heat in a large pan, and when ready to boil clarify it with the whites of four eggs. Let it boil for an hour, and when nearly cold put in some yeast. Pour it into a cask—reserving some to add as the liquor sinks with working. When all fermentation has ceased it should be ready to bottle in two months. Some people prefer to clarify any wine after all fermentation has ceased. The method then is to draw off a gallon or so, add the whites of four eggs to one quart of this, and beat thoroughly. When well mixed, pour back into the cask and stir well with a long stick in a rotary motion, then add remainder of wine drawn off, stir again and skim all bubbles from the surface. When thoroughly mixed by stirring, and when there are no bubbles, close the bunghole.

P. M., New Denver—Please give any information on what distance a tug o' war team has to pull from the centre to win.

Apparently there is no set distance for this. The object is for one group to pull the other across the dividing line.

From H. E. R., Kootenay Lake—Regarding the correct way to eat asparagus, it might interest you and your readers to know that in England there are tongs for that purpose with a groove to hold the stalk. Fingers are more correct, however.

Mrs. H. D. T., Penticton—Do you know the address of an accordion teacher in Trail? E. Leschuitta, 243 Rossland Avenue, Trail.

Verse

I Like to Walk In Evening

I like to walk in evening
With the scent of April frill,
And watch the rising moonlight
Gleam divinely o'er the hill.
A calm is in the shadows,
In the hush of starlit greens;
No water is so silent
As the Kootenay's silver beams.
The darling wings are sleeping
In the arms of willow sprays;
You can feel the presence creeping
Of the maiden month of May.
I like to walk in evening
When the blossoms come again,
And see them as they're sleeping,
In the space that they remain.
The fullness of the morning
May return in golden tone,
But the deepest sands of silence
In evening sands are flown.

—W. D. T.

Press Comment

HOW?

Failure of the nations to agree at the Torquay trade conference raises the old question, says the Vancouver News-Herald. "If nations cannot get together on material matters like tariffs, what chance then have they of getting together on matters which involve national or racial prestige, territories, and involving all the emotions that flow around them?"

Your Horoscope

Care in your dealings with persons, law and property is likely to be productive of good fortune in the months ahead. Watch for a keen, penetrating intelligence in the child born today.

From an Oldtimer's Notebook

by R. G. JOY

HISTORIAN, NELSON AND DISTRICT OLTIMERS ASSN.

Rose Kranabetter, in an article in the Creston Review of our neighboring Kootenay centre, provides an interesting addition to the oldtime tales of the Kootenay.

The Creston writer tells her story: "In the Kootenays, many years ago there was held each year a famous horse race on the Dewdney Trail between Fort Steele and Fort Sheppard. Back in the early days this race was quite an event.

"Every fall the miners of Fort Steele would hold a big horse race as a sort of celebration just before they left their diggings to go to Fort Sheppard for the Winter. Bets were heavy and excitement ran high in the weeks preceding the race. The course followed the Dewdney Trail, which started in the East Kootenay, ran past what is now Creston, on to Trail, and then to Fort Sheppard. The race took several days to complete and often horses were killed along the way.

"One year a horse by the name of Dick was entered. He was a proud looking animal who held his head high as his powerful stride carried him on to victory. The following year Dick was entered again, and, as before, he was proclaimed the winner. Because Dick was the only horse to win two races in the entire history of horse racing on the Dewdney Trail, he became a famous horse in the Kootenays.

It is not known what happened to Dick after that until 20 years later he turned up once again in Creston Valley. He was owned then by Mike Drisco, who lived near the Canadian Customs Office when Charlie Rykerts first served there. Because Dick was the only horse to win two of the races held between Fort Steele and Fort Sheppard, Mike was mighty proud of him. He treated Dick almost royally. He always made sure that Dick had plenty of hay and grain to eat, and adequate shelter in bad weather. Instead of riding Dick on long trips Mike would rent a horse.

"And then Mike died. Dick was allowed to run free. He had to fend for himself—digging grass from under the snow in Winter, and trying to find shelter from the icy cold. Occasionally someone needing transportation would catch old Dick and ride him to Creston.

"One day, when Dick was 40 years old, he and another horse were rented by a couple of lumberjacks who wanted to go to Creston. In spite of his waning strength, Dick was still out in front with his head held high, still pranching jauntily. As the two riders approached Crawford's Corner, Dick's tired old body betrayed his young spirit and he fell to the ground, dead—only a short distance from where he had, in his youth, run the race which carried him to fame.

"And so a horse and his story take up a page in the book which tells the history of Creston and its surrounding districts."

Street Railwaymen Vote Confidence

VANCOUVER, May 28 (CP) — Members of the Street Railwaymen's Union here have given a vote of confidence to their executive in a referendum ballot.

President Stan Wilcox and business Agent Al Jennings, in announcing the executive's victory during the week-end, refused to disclose how many ballots were cast or the number in favor.

Members of Division 101 voted Friday on whether elections for a new 13-man board should be held. If the vote had showed "no confidence" in the present officers, a new slate would have been chosen on July 6.

At Ease

Cpl. Luther Bates, of Birmingham, Ala., is in a contemplative mood as he soaks his aching feet in hot water, using his helmet as a foottub, in the 25th Division sector of the Western front in Korea. His platoon was being held in reserve in a native village in the rear of the front.

European League Meets in London

LONDON, May 28 (Reuters) — Delegates from Britain and the Dominions met here today to discuss means of obtaining closer economic cooperation between European countries and the British Commonwealth.

They attended the opening session of a conference called by the European League for Economic Co-operation, a non-party organization of Economists, Trade Union and Industrial representatives.

British and Commonwealth delegates, including Canadians, will fly to Brussels Thursday for talks with Eropean members of the movement.

Health Minister Plans Changes

OTTAWA, May 28 (CP)—Health Minister Martin today announced a five-point program to widen the uses to which Federal health grants may be applied, including Federal aid for the first time to the building of new nurses residences.

The changes were announced in a speech before the 1951 biennial meeting of the Canadian Hospital Council. A maximum of about $35,000,000 a year has been made available since 1948, but because of Federal restrictions, the entire annual amounts set aside have never been fully used.

The five changes:

1. To help increase the number of nurses in Canada, Federal grants will be approved for the building of new residences on the basis of $500 for each bed.

2. A province, which has used up all its Federal grants for one project but not for another, may switch the funds from one to the other "under certain circumstances."

3. The range of health services under which a general public health grant may be obtained will be widened.

4. Up to a maximum of $50,000, grants will be allowed for the building of combined laboratories in hospitals to provide diagnostic and public health laboratory services to patients.

9. Out-patient departments in hospitals will be included in the definition of a "community health centre," allowing Federal grants for such construction.

Vancouverites Gape At New Mystery

VANCOUVER, May 28 (CP) — Skygazers here have a new puzzle to ponder.

Last year it was flying saucers, but now it is a fire-spitting, smoke-belching flying bag.

It appeared over South Vancouver Sunday and awed witnesses, perplexed the Air Traffic Control and the R.C.A.F.

The dark colored bag was about 1000 feet in the air, travelled about 10 miles an hour, and looked about four feet around. A red light was dangling from its bottom.

"It looked like some type of cumbersome balloon," said an R.C.A.F. spokesman.

It disappeared in a short time and no one reported its landing.

Snow Falls in Heart Of Cariboo Country

VANCOUVER, May 28 (CP)—The Williams Lake District, in the heart of the Cariboo cattle country, had snow today.

The snowbelt started 50 miles South of Williams Lake, and a heavy fall was recorded during the morning.

The district is 300 miles North of Vancouver.

High Commissioner Arrives at Sydney

SYDNEY, Australia, May 28 (Reuters)—C. Fraser Elliott, Canada's new High Commissioner to Australia, arrived today aboard the liner Aorangi from Vancouver.

He told reporters he urges "thorough examination of commercial relations" between Canada and Australia "with a view to bringing about a substantial increase in reciprocal trade."

Views From the News Fronts

By ROBERT B. HEWETT

TEHRAN, Iran, May 28 (AP) — The Communists moved today to take further advantage of red-hot nationalist emotions stirred up in Iran by the oil nationalization fight.

Red-front organizations scheduled country-wide mass meetings to "fight imperialistic oil companies." The government, headed by Premier Mohammed Mossadegh, was reported arranging for tanks, armored cars and special troops to maintain order.

Meanwhile non-Communist Moslem fanatics, who have threatened a Holy War against the British-controlled Anglo-Iranian Oil Company grew more restive.

They pointed out that although Mossadegh fathered the nationalization law, which ostensibly seized the properties of the $1,000,000,000 A.I.O.C. 26 days ago, the company still is doing business without interference.

Mossadegh is in further trouble because the company stopped paying royalties after passage of the law. These royalties make up most of Iran's income and consequently the Government is living from hand to mouth.

Observers fear that in the present atmosphere, either of the two extremist groups might stage a lightning coup and seize control of the country.

The A.I.O.C. made a conciliatory gestrue yesterday to try to calm the trouble waters. Board Chairman Sir William Fraser, in a letter to Iran's Finance Minister, announced that the Company's Resident Manager, N. R. Seddon, would attend one meeting of the Oil Nationalization Board "as a measure of respect to the Imperial Government and the Iranian Parliament."

The Government had given the Company until May 30 to send representatives to the Board to help it with the details of taking over the company's holdings.

Alta. University Acquires Files of Edmonton Bulletin

EDMONTON, May 28 (CP)—The University of Alberta announced today it has acquired the bound files of the Edmonton Bulletin, founded in 1880.

The Bulletin was Alberta's oldest newspaper when it ceased publication last January.

The bound copies have been presented to the university by the Edmonton Journal, which acquired the Bulletin's physical assets.

Premier Ready for Full Dress Affair

Burmese Premier Thakin Nu, outfitted in colorful native dress, makes last minute corrections on a "Resistance Day" speech in Rangoon. The premier appears to be garbed in flowing ankle-length skirt.—Central Press Canadian.

Pravda Attacks Truman Program

MOSCOW, May 28 (AP)—Pravda attacked President Truman's request to the United States Congress for $8,500,000,000 for foreign military and economic aid as a "program of further expansion of American aggressive policy."

Truman, the newspaper said, in his message "does not spare slanderous attacks on the U.S.R. and other peace-loving countries and peoples.

"But lies have short legs and Truman was unable to produce even one proof of Soviet aggressiveness," the editorial asserted.

Judge Dismisses Action Against Island Lumber Co.

VANCOUVER, May 28 (CP)—In Supreme Court today Mr. Justice Whittaker dismissed an action of a Milwaukee manufacturer to set aside the sale of a tract of Vancouver Island timber property worth several million dollars.

The action was brought by Michael F. Cudahy, of Milwaukee, against Canadian Forest Products Ltd., Vancouver, who claimed that the firm was in default of its agreement to log 10,000 acres of timber lands near Nimpkish Lake, Vancouver Island.

He alleged that the lumber firm had not logged the tract according to the best practices on the East coast of the Island, and that large quantities of merchantable timber were left on the ground.

Mr. Justice Whittaker found that the lumber Company was not in default of its agreement and that a notice of termination of the contract given by Mr. Cudahy Jan. 27, 1950, was of no effect.

White Sox Win Again

BY THE CANADIAN PRESS

Chicago White Sox rode their 12th straight victory into first place in the American League by defeating St. Louis Browns 4-2 under the floodlights Wednesday night.

Pitcher Saul Rogovin surrendered just two hits, both singles, to earn his second victory as the rampaging White Sox raced to their 18th triumph in the last 20 games.

The up-and-coming Boston Red Sox helped by downing New York Yankees 3-2 in a pitchers' duel. That left the Red Sox three games off the pace. Chicago has won two games less than the Yankees but also has lost two less.

Bobby Doerr's home run with one on enabled Mel Parnell to best Allie Reynolds in the mound duel at Boston.

Both New York runs were unearned and rookie Gil McDougald impressed the Boston crowd by bashing four consecutive singles for the world champions. The Red Sox were held to six hits, one a single that extended Dom DiMaggio's hitting streak to 16 consecutive games. But Dom was nailed when he tried to stretch it to a double.

The faltering Philadelphia Phillies suffered their fifth straight defeat in the National League, losing to the front-running Brooklyn Dodgers 4-3. Carl Furillo's sixth home run of the season, in the ninth inning, gave the Brooks the game. Ralph Branca was the winning pitcher.

Veteran Bob Feller hurled his second straight shutout as Cleveland battered Detroit Tigers 9-0. The Indians got 15 hits off three Detroit pitchers in the night American League contest and ended a four-game losing streak.

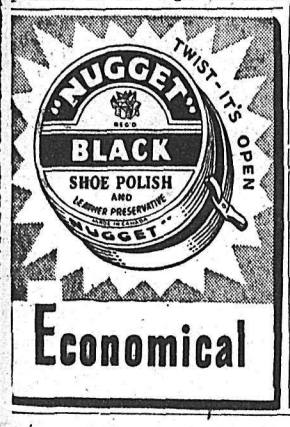
IN SECOND SPOT

St. Louis Cardinals took over second place in the National League by defeating Pittsburgh Pirates 6-5. Red Schoendienst drove in the winning run with a single in the 10th inning.

Stan Musial hit a three-run homer for the Cards and Ralph Kiner, George Metkovich and pitcher Cliff Chambers each whacked a four-bagger for the Pirates.

Bob Elliott homered after Willard Marshall lashed a one-on triple in the first inning to spark the Boston Braves to a 4-1 National League victory over New York Giants. The Giants' tally was provided by rookie Willie Mays' homer, his first major-league hit.

The most potent of the Tribesmen's seven hits snapped the string of 21 consecutive scoreless innings the Giants had woven against the opposition. Marshall's three-bagger drove in Roy Hartsfield, who had opened the game with a single off loser Sheldon Jones.



Economical

Trail Nine Here Wednesday

Gordon Richardson's baseballers will be sharpening their batting eyes at their regular practice tonight as they prepare to meet the powerful Trail Smoke Eaters in an exhibition game here Wednesday.

Still hurt by their 8-5 setback from the Nelson Peerless-9 in the Fruitvale ball tournament, the Smokies will be throwing their best club at the locals in an attempt to gain a little revenge.

While Nelson will be strengthened greatly by the return of power hitter Red Wassick, Trail has bolstered themselves by the acquisition of speedy and powerful Lui Corrado. Nelson will still be without star hitter, base-runner and fielder Bill Haldane for a few more weeks.

22-Pound, Five-Ounce Dolly Gives Gallagher Arm Record

BY SPORTSMAN

Bill Gallagher, Seven-Mile dweller, was a mighty happy man Monday.

His 22-pound, five ounce Dolly Varden was hanging in magnificent style in a butcher shop window, and talk of the monster was circulating among the fishing crowd everywhere he went.

Officially, the whopper sets a record for West Arm char catches. Back in 1948 Fred and Bill Brown brought in one which tilted the scales at more than 19 pounds when cleaned and could have been 22 or more when it reached terra firma, but no official weighing was made.

Mr. Gallagher was out in Nine-Mile Narrows Sunday afternoon with George Tattrie of Nelson, when the reel began to sing, and he knew his Lucky Louie plug had been too great a temptation. Forty-five minutes and a lot of arm-work later, he had his prize.

"The trouble was I'd forgotten to bring along a gaff," he explained. "So we had to coax her along to shore for a mile or more and battle the whirlpools in the meantime."

Mr. Tattrie did the honors with the oars while Mr. Gallagher paid attention to Dolly. "She nearly dragged me out with her two or three times," he confessed.

The plug was the product of a Seattle firm, and Mr. Gallagher's wondering now how he can pull a deal on advertising.

Anyway, the catch looked mighty good to him and friend Pete Stewart (cougar hunter par excellence) who juggled the scales, even though he has hooked bigger fish at the Coast, on the Prairies and up North. This, coupled with the fact that he gets the most fun out of flicking mountain lakes and streams with a dry fly. He'll tell you now, though, that this trolling business has its points.

Following the rainbow ... As far as we know, the Rainbow of the Week is a 16½ pounder which Tom Raiter extracted from Kootenay Lake at Kaslo and took home to Tekoa, Wash. Bruce Cross from Fairfield, Wash., ravelled in two nice ones in the eight to nine pound class, and Harold Larkin, another Fairfield man, did likewise, only one hit the 12½ pound mark. Altogether, Sunday was a "good day" according to Monty Armstrong. The water had none of the split pea soup look the lake had lower down.

Propagation Slants ... Natural reproduction of Kamloops trout in the Lardeau River at Gerrard omens well, on word of Fisheries Supervisor C. H. Robinson who investigated the situation last week with S. Smith of Vancouver, assistant biologist with the department.

"With favorable clear waterflow in the river and an excellent run of parent trout from Kootenay Lake, there is every indication that the somewhat restricted spawning areas in the vicinity of Gerrard are being well seeded, also in some instances downstream beyond Canyon Creek," he said. They spotted several large trout spawning weighing more than 30 pounds, and increased numbers spawning at the foot of Trout Lake.

It is expected that a substantial allotment of Kamloops eggs will be incubated at Gerrard hatchery for liberation as fingerlings in Lardeau River and tributary waters, and that a substantial allotment of yearling fingerlings now being set free at Nelson hatchery will go there as well as to the South end of Kootenay Lake. Hope is that these replenishments will take care of the heavy drain on trout population.

More Takes ... Dollys weighing 13 and 12¾ pounds were landed by John Bowles of Balfour, and in the same direction, the Butler brothers of Nelson, Jimmy Haight of Rossland and Jim Johnson of Trail had their share of Dollys and Rainbows. J. Abrams went back to Spokane with his party of four packing 26, the largest a 14-pounder, but all of them good-sized Dollys and Rainbows. Ernie Mason, Hallam McKinnon of Procter, R. E. G. Hayward of Trail, Bill Oloff of Slocan City, Sam, Al and the aforementioned Fred Brown, Bill Rozinkin and Bill Desjardins of Nelson and Procter youngsters Dean Renzie and Ronnie Garner all met with luck in the upper arm or in the lake. Jack Gallicano of Nelson also racked up a good many pounds.

It shouldn't happen dep't ... We were among those unfortunate fishermen who missed the boat, but didn't come out as bad off as a Trail man who missed it completely. Seems the motor flywheel caught his pant cuff and tossed him overboard.

FOUND INNOCENT

BALTIMORE, May 28 (AP) — John W. Farrell, Baltimore lawyer and former Bowie race-track head, today was found innocent of charges that he misappropriated a $10,000 bond from his uncle's estate.

The charges were brought by a cousin, John B. Farrell, the cousins a co-executor of the $267,000 estate of Joseph A. Farrell, race track figure who died in 1948.

Fox Advances on Fain in American League Batting

CHICAGO, May 28 (AP)—Ferris Fain, Philadelphia first-baseman, slumped seven points last week but his .386 mark topped American league batters through Sunday's games.

Nelson Fox, tiny Chicago White Sox second-baseman, zoomed into the runner-up spot with a 22-point climb from seventh place to .362. Fox rattled 13 hits in 30 tries during the triumphant White Sox march through the East.

Boston's Ted Williams led in homers with 10, took over the R.B.I. pace at 37 and tied with Dom DiMaggio and Minoso in most runs at 32.

DiMaggio became the leader in hits at 50, while Fain retained the two-bagger lead with 14. Coan and Minoso shared top triple production at five. Busby kept ahead in stolen bases with 10.

The top pitcher continued to be New York's undefeated Eddie Lopat, adding another victory for an 8-0 record. Boston's Maurice McDermott moved into a tie with Vic Raschi of New York for the strikeout lead at 41.

Silverton Wins Ball Tourney

NEW DENVER, B.C., May 28—After taking the first game from New Denver Silverton took on Winlaw in the final and though out-hit won 8-4. Wild running on the bases and errors gave the game way.

A. Lind of Silverton struckout 1, gave 8 hits and 5 passes to first; K. Gustofson of Winlaw struckout 6, gave 4 hits and 2 passes to first.

For Silverton, Harding got a double, singles went to W. Gordon, Lind and Orr. For Winlaw, Nishimura got a 3 bagger and a single, B. Lister and E. Gustafson got doubles, Moran, R. Avis, K. Gustafson and W. Avis got the other hits.

Batting order:

Silverton: W. Gordon 1b, R. Harding, rf, A. Lind, c, A. Orr, lf, G. Nelson, cf, K. Gordon, p, B. Morrison 2b, A. Avison, 3b and R. O'Grady, ss.

Winlaw: J. Moran, cf, R. Avis 1b, B. Lister 3b, E. Gustafson, p, T. Nishimura, ss, E. Sutherland, c, K. Gustafson, lf, W. Avis, rf, J. Brawn 2b.

Umpires: Play, J. A. Clarkson, 1b and 2b T. Hicks, 3b T. Graham.

Scorer: D. P. Morgan.

Ki Ming Strengthens Position as Epsom Favorite

LONDON, May 28 (Reuters)—Ki Ming, owned by Chop Suey restaurateur Ley On, tonight strengthened his position as the favorite for Wednesday's Epsom Derby.

At the latest Victoria Club call-over the colt was backed down from 17 to 2 to 7 to 1. The second favorite, Mrs. Marion Glenister's Arcot, drifted to 100 to 8.

FAMOUS BOXER DIES

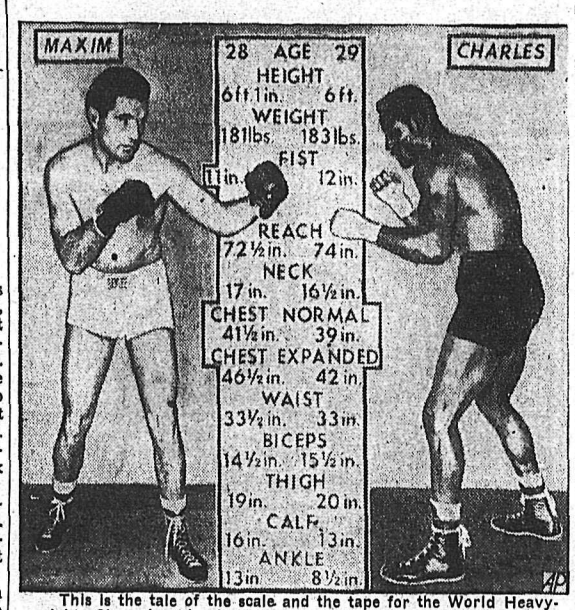
PHILADELPHIA, May 28 (AP)—Frank Loughran, 60, famous Philadelphia boxer before the First World War, died today in hospital. He had worked as a detective for the Reading Railroad.

Frank used the name Loughrey in the ring.

"CYCLONE JOHNNY" DIES

SYCAMORE, Ill., May 28 (AP)—John H. Thompson, who 45 years ago was a top middleweight boxing contender under the ring name of "Cyclone Johnny," died today at his home after a long illness. He was 75.

How They Stack Up



This is the tale of the scale and the tape for the World Heavyweight Championship bout between Champion, Ezzard Charles (right) and Challenger Joe Maxim, the light-heavy champion. Title fight will be in Chicago Stadium, Chicago, May 30.—AP Wirephoto Chart.

Hero's Welcome Extended White Sox on Return Home

CHICAGO, May 28 (AP)—Chicago White Sox thundered home today on the wings of their greatest road performance in American league history to a whooping welcome by fans parched by a 32-year pale hose pennant thirst.

The club was accorded a hero's welcome, replete with a glad-hand by the mayor who proclaimed it "White Sox day" and told Manager Paul Richards "all Chicago is proud of the team's 11-straight victory sweep through five Eastern cities.

More than 1000 fans cheered in the La Salle Street station as the Sox stalwarts detrained. Thousands more applauded as a police escort roared them across the loop to the city hall.

SHOULDER X-RAYED

One little girl waved a sign proclaiming "White Sox opponents never die, they just fade away," perhaps the loudest salvo of applause was directed at Shortstop Chico Carrasquel. After visiting the mayor's office, the brilliant fielding star from Caracas, Venezuela, had an injured shoulder x-rayed at Mercy Hospital.

The examination disclosed Carrasquel suffered no bone damage as feared when he collided Sunday with team-mate Ed Stewart chasing a pop fly at Cleveland. It was expected the bruised shoulder will be mended in time for Wednesday's double-header against St. Louis Browns.

Richard's attributed the 11-game tour which has the Sox snorting just one game behind the leading New York Yankees to "quite a few guys doing quite a few things."

"I've got to admit they've surprised me, but I didn't know most of them. Didn't know what they could do."

But Richards probably hit the nail on the head with this crack before Carrasquel had his injury examined:

"If Chico can't play, let's call 'em all off".

Phillies "Still Team To Beat"

PHILADELPHIA, May 28 (AP)—Eddie Sawyer, the scholarly tactician who directs the fortunes of the Philadelphia Phillies, today dismissed his club's losing ways as "just one of those things" and announced firmly that the Phils are still the team to beat in the National League.

The Phils have lost four in a row and 10 of their last 15. National League champions last season, the former "Whiz Kids" have looked more like "Phiz Kids" so far this season.

"But we'll snap out of it," Sawyer observed. "Look at the Giants. They lost 11 in a row and now they're playing better than .500 ball."

The one-time college professor can't explain the slump of his ball club. At various times this season, the pitching, fielding and hitting have collapsed—and sometimes all together.

"Mostly it's the hitting," Sawyer said. "We don't hit, even in batting practice."

Such reliable hitters as Del Ennis, Willie Jones, Granny Hamner and Eddie Waitkus have been soft touches for opposing pitchers in the clutch. Only Ritchie Ashburn and Dick Sisler have maintained any consistency at the plate.

"If I knew why these men weren't hitting," Sawyer said, a bit sadly, "I could retire as a baseball manager and be a swami. Frankly, I'd rather manage a baseball team."

The loss of Curt Simmons to the Army deprived the club of a 17-game winner. The inability of Bob Miller, winner of eight in a row as a rookie last season, to get opposing hitters out also has hurt.

So have the spotty performances of the club's ace righthander, Robin Roberts and the inconsistency of reliefer Jim Konstanty, most valuable player of the League last season.

Sports Briefs

POMPTON LAKES, N.J. (AP) —Joe Louis picked heavyweight champion Ezzard Charles to beat Joe Maxim in their Chicago title bout Wednesday but said he thought there was a good chance for an upset.

RICHLAND CENTER, Wis. (AP) —Wrestler Curt (Spike) Peterson, 39, died of injuries received in a match here Friday night. Peterson suffered a fractured neck.

CHICAGO, (AP) — A middleweight championship bout between titleholder Sugar Ray Robinson and Rocky Graziano is in the making. James D. Norris, president of the International Boxing Club, said the date will be some time in September at the Chicago Stadium.

WASHINGTON (AP) — Archie Hindman, president of the National Boxing Association, announced that an N.B.A. world's championship certificate has been forwarded to Jimmy Carter.

Carter won the lightweight title last Friday from Ike Williams.

Charles, Maxim Ready for Battle

By JERRY LISKA

CHICAGO, May 28 (AP) — Light-heavyweight champion Joe Maxim will try to wrest the heavyweight crown from the man who beat him last, favored Ezzard Charles, at the Chicago Stadium Wednesday night.

The fourth meeting between these two lithe punchers marks the eighth title defence by Charles. Both battlers ended conditioning today lean, healthy and ready for the fray:

Charles probably will tip 182 or 183 and Maxim about 181 at Wednesday's noon weigh-in.

Maxim, 29, who likely will be a 9-to-5 underdog at the opening bell, still claims he beat Charles in their last bout more than two years ago. That was a 15-rounder at Cincinnati on Feb. 28, 1949 won by fast-finishing Charles on a split decision. When both were fuzzy-chinned youths, back in 1942, Charles won two 10-rounders from Maxim.

The Cincinnati 15-rounder marked Maxim's last defeat. Since then, he has had a dozen bouts. Only two are worth mentioning. Joey claimed the American light-heavy title by beating Gus Lesnevich in May, 1949. On Jan. 24, 1950, Maxim knocked out England's Freddie Mills in the 10th round at London for the world light-heavy crown.

Charles didn't bounce onto fightdom's glory road until he whipped aged Jersey Joe Walcott for Joe Louis' vacated heavyweight crown at Comiskey Park, June 22, 1949.

Then followed seven successful title defences. Charles' second meeting with Walcott was his last start, a 15-rounder that made the champion hustle for a decision at Detroit, March 7.

Maxim, a Cleveland Italian whose right name is Guiseppe Antonio Berardino, had Charles worried with tricky counter-punching for the first 10 rounds of their Cincinnati 15-rounder.

Byng Wins 3-1

CRANBROOK, B.C., May 28 — Byng broke into the softball win column tonight with a 3-1 victory over Sash and Door. Play was closest of any league game so far this season with four hits for Byng and three for the Lumbermen and five errors for each. Small crowd attended on the cold windy evening.

Sashies ..... 100 000 0—1
Byng ..... 120 000 0—3

Batteries — Olafson and Govan. Yakovich and Toreson.

Umpires—Art Bouchard, Don DeBuysscher, and Bob Wheeler.

TODAY'S News Pictures

Ymir celebrated Victoria Day in traditional fashion, with Miss Marian Gowing, right, reigning as Queen of the May. Runner up was Miss Phyllis Edwards, left.

Flower girls at the Ymir May Queen coronation were these tiny tots — Linda Ferworn, 5, left, and Fay MacDonald, 3½, right.

Rock drilling was captured by Elmer Luoma, left, of the H.B. mine, Salmo, who drove five feet of steel in four minutes, 20 seconds. At right is John Duval of the H.B. mine, who was third. W. Peters of the Emerald mine was second.—Daily News photos.

One of the most popular contests was a special event for the ladies, who were required to toss rolling pins at "Jiggs." Here Mrs. T. Gleboff, Mrs. D. S. MacDonald, the winner, and Mrs. G. H. Gipman, all prize winners, show how they threw 'em. Jiggs lies at the foot of the stand where he fell after one well directed throw.

GOLF TROPHY DONOR DIES

TORONTO, May 28 (CP)—Capt. Melville Millar, donor of the trophy of the same name to the Ontario Professional Golfers' Association, died in hospital here today. He was 79.

Soldier, sailor, contractor, fruit farmer, stock broker, merchant and world traveller, Capt. Millar became interested in golf-course construction during the 1920s. He built and for many years managed the Suburban Islington Golf Club.

The Millar trophy, which he presented to the O.P.G.A. while managing the Islington Club, is emblematic of the professional match-play championship of Ontario.

Extra Fares

Passengers who hailed the cab of taxi driver Don Carlson in Chicago found the vehicle pretty well occupied when they boarded it. The occupants were Carlson's three children (left to right), Stephen, 4; Richard, 5; and Donna, 3; and a pet squirrel perched on Stephen's head. Carlson explained that his wife was in a hospital to give birth to another child and a baby-sitter he'd arranged for became ill. Hence he took his family to work with him.—AP Wirephoto.

MACHINERY

Pacific Jaw Crushers

Continuous operation and long life of Pacific Jaw Crushers is insured by a unique method of primary crusher lubrication designed by Pacific engineers to give the best oil circulation possible. You cannot go wrong when you install a Pacific Jaw Crusher. This is a proven fact by the world-wide acceptance of repeat orders.

Pacific "Slushmaster" Scrapers

The new Pacific "Slushmaster" scrapers present the very latest improvements in scraper design, based on years of experience. Their popularity is recognized by the hundreds in use in the leading mines in Canada and the U.S.A. They are the most practical scraper on the market.

Pacific Sheave Block

Here's what you have been looking for. The new "Round-the-Corner" sheave block is a sensational device which will prove a boon to underground mechanical mining. You can slush around the corners in one set-up. It is rugged, requires little maintenance and operates with two-drum hoist.

Market Trends

NEW YORK, May 28 (AP)—The market advanced smartly, enlivened by the sharp run-up of the Columbia Broadcasting System which won the right to start color telecasting.

Canadian issues climbed. Hiram Walker was the high gainer with an increase of 1½. Canadian Pacific came up ⅜, McIntyre ½, Distillers Seagrams ⅜ and International Nickel ¼. Dome Mines dropped ¾.

TORONTO (CP)—Prices advanced in quiet trading. Gains ranged to more than $1 and the market was ahead over a broad front.

Industrials were led higher by papers and steels.

In base metals Consolidated Smelters, Noranda and Hudson Bay stood out with advances of about $1. East Sullivan, International Nickel, Quemont, Steep Rock, United Keno Hill and Waite Amulet added fractions.

MONTREAL (CP)—Trading was fairly slow, but securities pushed strongly ahead near the close.

Industrials ran up gains of as much as two points, and advances of a point or more were common. All major groups, with the exception of banks, constructions and textiles, which were mainly unchanged participated in the trend.

Papers paced the market higher, with the most solid array of plus signs and widest advances, followed by senior metals, steels and beverages.

LONDON (Reuters) — The stock exchange was in hesitant mood with most alterations in prices the result of small business.

Government funds opened fractionally higher but showed little change at the close. There was some selling of long-dated stocks.

Oil Wells to Produce Record Total in June

EDMONTON, May 28 (CP)—Alberta oil wells will be allowed to produce a record total of 156,120 barrels daily during June, the Provincial Petroleum and Natural Gas Conservation Board announced today.

The June allowable exceeds the May quota by 11,543 barrels daily.

Calgary Livestock

CALGARY, May 28 (CP)—The Calgary livestock market opened fairly steady on light receipts this morning. On offer were: 295 cattle and calves, with no vealers available.

Good to choice butcher steers and heifers were steady to strong; fair to medium kinds, steady. Cows opened with a strong undertone, the odd choice cow bringing up to $29. Bulls were steady. Good, light stocker and feeder steers were in fair demand by local and export buyers at steady prices.

Last week's sales were: 2533 cattle; 128 calves; 890 hogs; and 116 sheep. A year ago, sales were: 1678 cattle; 92 calves; 2084 hogs; and 37 sheep.

Hogs closed 25 cents higher last week at $34.50. Sows were up 50 cents at $23.50.

Good to choice butcher steers, 33 to 34.50; common to medium, 28 to 32.50. Good to choice butcher heifers, 31.50 to 33.00; common to medium, 27 to 31. Good cows 27 to 28; common to medium, 23.50 to 26.50. canners and cutters, 19 to 23. Good bulls 29.50 to 30.50, common to medium 26 to 29. Good stocker and feeder steers 31 to 33 common to medium 28 to 30.50.

U.K., Canada to Push Exports

TORONTO, May 28 (CP) — Both Canada and Britain will keep pushing trade development at the same time that they carry on their defence programs.

Assurances of this were given today by Trade Minister Howe and Sir Robert Sinclair, immediate past president, Federation of British Industries, in addresses to a luncheon which preceded the opening of the Fourth Canadian International Trade Fair.

Said Mr. Howe:

"There is to be no general letdown in our efforts to promote export trade. That is the policy of the Department of Trade and Commerce and of the Canadian Government . . .

"The fact that we shall be giving first priority to defence production needs is not to be taken to mean that the servicing of our export business will be pushed into the background or left without the very closest attention that we can give it."

And Sir Robert stated:

"I can give you categorical assurance that nothing that can be done will be left undone to enable British firms to fulfill firm commitments to Canadian customers."

Toronto Increases Street-Car Fares

TORONTO, May 28 (CP) — The Toronto Transportation Commission today announced an increase in its street-car fares to three tickets for 25 cents. The long-rumored boost from four for a quarter will be effective Aug. 1.

The increase applies only on the municipally-owned system's street cars and buses. Fares on privately-owned bus lines are not affected.

The increase is expected to provide the T.T.C. with an additional $4,600,000 revenue over a full year.
