WEATHER FORECAST

A few clouds, variable cloudiness with scattered showers this afternoon. Light winds. Low and high at Cranbrook 32 and 65, Crescent Valley 35 and 65.

Bylaws Go Through With Wide Majority

Ratepayers Sanction City's Purchase Of Garage, Sale of Two Properties

City Council Wednesday received the go-ahead to buy the Queen City Motors property and to sell its "Green" property on Front Street and part of its gas works property.

Ratepayers overwhelmingly approved three bylaws, which in effect gives the city a new garage for repair and maintenance of its 30 mobile units.

Here's how the voting went:

On property purchase bylaw No. 1172 authorizing purchase of the Queen City Motors building and four lots on which it stands for $40,000, to be paid out of general revenue:

Yes	556
No	83
Rejected	7
Total	646
Required to pass	383

On property sale bylaw No. 1173 authorizing sale of the "Green" building and five lots at not less than $20,000, to be credited to the citys general revenue account:

Yes	565
No	73
Rejected	7
Total	645
Required to pass	383

On property sale bylaw No. 1174, authorizing sale of the gas works building and two and a half lots for not less than $9000, to be credited to the city's general revenue account:

Yes	567
No	73
Rejected	6
Total	646
Required to pass	384

Approximately one-quarter of total ratepayers went to the polls, many of them just before 8 p.m. closing.

The Junior Chamber of Commerce ,which offered transportation to and from city hall in its "get-out-and-vote" campaign, conducted a concentrated appeal to ratepayers between 7 and 8 p.m. over radio station CKLN and the response resulted in capacity carloads.

Members, about 25 of whom had worked to get out the vote, had headquarters in the Chamber of Commerce building and received 67 calls for transportation. This means they transported some 300 people.

BANDITS HIJACK MAIL; GET £100,000

LONDON, May 16 (AP) — Seven bandits hijacked a mail truck in downtown London early today, clubbed its three guards and made off with loot valued up to £100,000.

The loot included £44,500 in currency, soiled but still negotiable, being sent to the Bank of England for destruction.

Scotland Yard authorities believe the raid may have been carried out by the same gang that stolel £11,000 from the mail car of a train in Southern England May 13. They suspect the gang has contact men who notify it when valuable mail is moving.

The bandits, masked by black silk scarves and handkerchiefs, struck in two stolen cars with split-second timing before dawn. They blocked off the mail truck in a quiet side street near Regents Park and used blackjacks on the unarmed truck driver and his two helpers.

Two of the gang drove away with the truck. Its registered mail and parcels rifled, the truck was found abandoned five hours later a few blocks away.

Reds Made Big Buildup in Far East—Ridgway

WASHINGTON, May 21 (AP). — Gen. Matthew B. Ridgway said today Soviet Russia is carrying on a big and "significant" military buildup in the Far East, while the Communists in Korea command a bigger offensive punch than ever before.

But the general said that if the Reds should strike now with an all-out-attack in Korea, they would be thrown back with "tremendous" losses on their side.

Ridgway is scheduled to leave by plane for Paris Monday after a stopover in New York to visit United Nations headquarters there.

The former far Pacific commander said the Communists in Korea have been massing reinforcements at a faster pace than the Allies during the year-long truce talks.

Fishermen Find Parachute Afloat

PRINCE RUPERT, May 21 (CP)—Fishermen have found a parachute with human remains still in the harness floating in the sea near Asadown Island, 75 miles South of here.

Finding of the parachute was reported today by the R.C.M.P., but no details were available here. Police started an investigation.

An American B-36 bomber crashed off Princess Royal Island, 40 miles to the North of here where the parachute was found, Feb. 15, 1950. Twelve of the 17 crew members parachuted from the blazing ice-coated bomber, but no trace was found of the other five.

Agreement Accepted

VANCOUVER, May 21 (CP)—The 13 member firms of the Road Builders and Heavy Construction Association of British Columbia have accepted a conciliation board recommendation of pay boosts ranging from 16 to 35 cents an hour for employees.

MAN ESCAPES WITH $1200

WINNIPEG, May 21 (CP) — A 26-year-old employee of a Winnipeg fisheries plant disappeared yesterday with $1200 while taking the money from a branch office to a downtown bank.

Employee Ernie Gordon is being sought by three police forces—city, suburban and R.C.M.P.

C.C.F. Rebukes Gardiner for F-M Procedure

OTTAWA, May 21 (CP) — Four C.C.F. members today charged Agriculture Minister Gardiner with thwarting the will of parliament by obstructing full parliamentary investigation into the government's handling of the foot and mouth disease outbreak.

The charge was contained in a letter sent by Percy Wright (Melfort), Hazen Argue (Assiniboia), William Bryce (Selkirk) and Owen Jones, (Yale), to A. J. Bater (L-The Battlefords), who headed the investigation as chairman of the Commons agricultural committee.

Making their letter public, the C.C.F. members sternly rebuked Mr. Bater for the way in which he handled the investigation.

JET EXPLODES IN MID-AIR

RAMSGATE, Kent, England, May 21 (Reuters) — An American Thunder-Jet power-dived toward nearby Manston air base today and exploded about 20 feet above the ground as the pilot, Capt. John Patrick O'Brien, tried to pull out. O'Brien was killed.

PROPOSE TO PURCHASE CANADIAN ALUMINUM

WASHINGTON, May 21 (AP)—Congress members and major United States aluminum producers today received coolly a defence production administration proposal to buy up to 175,000 tons of aluminum a year from Canada.

ONLY CHIMNEYS and fireplaces remain to mark the site of the Royal Muskoka Hotel on Lake Rosseau, Ont. Roaring flames burned the famous landmark to the ground before fire crews could be assembled. The hotel, built in 1903, had some of the most famous names in the world on its register. The loss is estimated at between $1,500,000 and $2,000,000.—Central Press Canadian.

Three-Year U. S. Rail Strike Ends

Flathead Produces First Gas

CALGARY—Gas has been discovered for the first time in the Flathead Valley area in South-eastern British Columbia.

A moderate flow of gas was discovered at a wildcat venture. The strike was made in an unidentified sand section, and may or may not be capable of producing in commercial volume.

Pacific Petroleums is doing the Flathead area drilling under an agreement with Amalgamated Oils who hold lease to the land.

IMPORTS SAG; EXPORTS MAY REACH TOP IN '52

OTTAWA, May 21 (CP)—Canada scored another big credit balance in her foreign trade during April as imports sagged while exports continued to ride on a boom which may turn 1952 into the biggest exports year in history.

Shipments to all countries climbed by $50,000,000 to $350,600,000 during April, up from $300,200,000 last year, the Bureau of Statistics reported in a preliminary statement today. Sales to the United Kingdom more than made up for a small decline to the United States.

Imports dropped by $67,800,000 to $325,200,000 from $393,000,000, mainly because of reduced purchases from the U.S. and Britain.

Thus Canada scored a favorable monthly balance of $25,400,000 and brought the toatl credit balance for the first four months of 1952 to $109,300,000, compared with a deficit of $117,000,000 in the same period last year.

Credit balances also appeared to have the psychological effect of bolstering the value of the Canadian dollar in foreign markets. It portrays a sound and strengthening economy to the foreign investor.

Total exports for the four months reached a peak of $1,350,600,000 against $1,119,200,000 in the same period last year. If exports continue at this rate, Canada will break the record of almost $4,000,000,000 achieved for 1951.

Commons Outlaws Mass Murders

OTTAWA, May 21 (CP) — The Commons ratifying a United Nations convention outlawing genocide, heard hopes today that it will help eliminate this mass murder.

But External Affairs Minister Pearson said that genocide is still being practised "especially in those countries behind the iron curtain."

Mr. Pearson said the convention—signed by Canada in 1949 — is perhaps the most important new source of international law to develop since the Second World War.

By approving it, Canada was taking a step to protect minorities. She was proclaiming that genocide is a "monstrous crime." And she was making it more difficult to commit.

Approved also was a resolution giving parliamentary approval to amendments to the Canadian-United States extradition treaty which have been in effect since last Fall. Under the amendment persons using the mails to perpetrate international frauds may be extradited.

The contracting countries undertake to prevent and punish genocide as a crime under international law.

CONSTRUCTION WORKERS TO GO ON STRIKE

HALIFAX, May 21 (CP) — A general strike by more than 5000 city construction workers will be called Monday, Halifax district construction trades council decided tonight. A council meeting voted unanimously in favor of the walkout unless a 50-cent hourly wage increase is met. The Halifax Construction Association offers 12 cents.

LEGION UPHOLDS CONSCRIPTION

MONTREAL, May 21 (CP) — The Canadian Legion's national convention re-endorsed its 1950 stand for immediate conscription today but happily accepted a Quebec proposal that it should be called selective service instead.

A Quebec-command spokesman said the only thing its delegates have against conscription is the word itself because it has political connotations which are objectionable. The other delegates shouted approval of that position.

FLIGHT-LIEUT. A. Vickers of Waterdown, Ont., walked away from this wreckage of his Vampire jet plane when it crashed at Port Hope, Ont. He said he was flying over Lake Ontario when his engine failed. He turned inland, struck high tension wires that slowed his flight and set up a display of sparks, then hit a rail fence with sufficient force to throw the plane 40 feet in the air. Spectators who saw the crash freed Vickers, who had no injury other than a sprained ankle.—Central Press Canadian.

B.C. Is Power Mad—Reid

OTTAWA, May 21 (CP)—Senator Thomas Reid (L.—British Columbia) said today that British Columbians are being conditioned by a propaganda campaign to forget the fishing industry in favor of dams and water power.

Senator Reid, chairman of the International Pacific Salmon Fisheries Commission, said much of the propaganda came from the Aluminum Company of Canada.

He spoke as the senate sent to committee for detailed study a bill authorizing the Canadian National Railways to build a 46-mile rail line from Terrace, B.C., to the aluminum company's $500,000,000 development at Kitimat.

CALLOUS

"No more callous group of men ever came into the province of British Columbia than the aluminum people," he said.

"It has taken over a year and a half to two years to get the officials of this company down to the point where they are considering allowing sufficient quantities of water to enable sockeyes (salmon) to go farther up the river to spawn."

He said he doubts if the proposed agreement for protection of fisheries will provide enough water of the right temperature for sockeye spawning.

Senator Reid said he does not oppose building a railway to Kitimat. But the federal government should suggest to the British Columbia government proper assurance be given that the Kitimat project dams does not harm the fishery industry.

NO COOPERATION

Provincial government co-operation on this matter was "nil, because it may be described as 'power mad.'" The attitude of interests pushing power development was that progress must go on, and what do a few fish matter.

I could demonstrate how the people of British Columbia are being conditioned by propaganda of all kinds, which is paid for by these companies, to that very way of thinking — that progress means dams, electric-powered industries.

PROPAGANDA

"In the past few years almost every little paper is carrying that kind of propaganda, and I think these power advocates have also gained the support of the Vancouver press, because our papers keep pounding on the theme 'British Columbia needs industrial development and we cannot afford to pay much attention to these men, including Tom Reid, who are talking about fish.'"

15-Year-Old Given Life Imprisonment

EUGENE, Ore., May 21 (AP) — A 15-year-old boy, accused of the gunshot slaying of an 18-year-old deaf mute girl, was convicted here of first degree murder.

A circuit court jury which recommended leniency for the boy — Eugene Harlan Belcher — deliberated the case for four hours.

Judge C. F. Skipworth said the recommendation for leniency made a sentence of life imprisonment mandatory.

The boy, who will be 16 this July, was accused of firing the shot that killed Mary Ellen Campbell at her farm home near Cottage Grove, Ore., April 4.

Fires Cause Panic

HAMILTON, May 21 (CP) — Four fires broke out tonight in four buildings of a 12-building apartment section in Hamilton's residential "Mountain" area. Police are investigating the possibility that a firebug may have been responsible.

The fires caused near panic among some 300 apartment residents.

SOLD BY MISTAKE

CLEVELAND, May 21 (AP) — A gold-plated, jewel-studded can opener has been sold inadvertently, the May Company announced today. The department store said the opener, insured for several thousand dollars, had been sent to Cleveland for display purposes by the Rival Manufacturing Company. A clerk sold it, not knowing its value, the company declared. A reward is offered for its return.

Bertrand to Hang For Murder of Wife

HULL, Que., May 21 (CP) — Rheal Leo Bertrand, 37-year-old dry-cleaning establishment employee by day and part-time psychologist by night, today was convicted of the murder of his 55-year-old well-to-do bride of two months. He was sentenced to be hanged Aug. 8 in Bordeaux jail.

Bertrand, acquitted on a charge of murdering his first wife in 1933 and who served part of a 15-year term for attempted bank robbery, accepted the verdict calmly. But he fainted when the judge retired for a few moments before passing sentence.

Pale and trembling after coming out of the faint, Bertrand stood in the prisoners' box while Mr. Justice Francis Caron passed sentence. After the judge concluded with the words 'May God have mercy on your soul", the bells of a nearby Roman Catholic church tolled the evening Angelus and the sound drifted into the hushed court room.

Bertrand, slim, dapper and apparently confident until the end, stood two trials on the same charge. His first trial ended suddenly in February when the presiding judge Mr. Justice Valmore Bienvenue of Quebec—suffered a heart seizure and died while delivering his charge to the jury.

Defence counsel Joseph Ste. Marie of Hull said after the verdict he could not say whether an appeal will be launched.

"It is something we must consider," he said.

Plot to Kill Perons Uncovered

BUENOS AIRES, May 21 (AP).—The Argentine government has arrested 13 men and a woman for a reported plot to kill President and Mrs. Juan D. Peron, newspapers said today.

All the afternoon papers, with close government connections, told details of a plot to seize the government more than three months ago.

The bare fact that hundreds of persons had been arrested for questioning has been published abroad but never here until now.

Col. Jose Francisco Suarez, former army chief of staff, was named as ring-leader. He has been under arrest for months.

TROOP SHIP ON WAY HOME

SEATTLE, May 21 (AP) — The U.S. Navy transport General Simon B. Buckner will dock at Seattle tomorrow morning with 1314 Canadian and American servicemen from the Far East.

The 938 Canadians make up the majority of the military personnel.

MINE KILLS FIVE BROTHERS

TUNIS, Tunisia, May 21 (Reuters) — Five brothers were killed near here today when a wartime landmine exploded. The brothers, aged 21, 19, 17, 16 and 13 were working in the garden with their father and mother when one of them struck the landmine with a shovel.

Woman Fails to Claim $6990

EDMONTON, May 21 (CP) — A woman who apparently lost $6990 has neglected to tell police about it.

Another woman walking in a downtown lane yesterday picked up a "scuffed envelope" but threw it away. Her ten-year-old son Keith Watters, picked it up again examined it more closely and found it was full of bills.

The boy gave the money to city police who checked and found a woman living in the Stony Plain area, 25 miles West of Edmonton, had taken that exact amount from a bank. The envelop contained 139 bills of $50 denomination and two $20 bills.

But all that happened more than 24 hours ago and still police haven't heard from the woman. Police said the bank refused to divulge the woman's name.

The money is being held by city police.

Gov't Handled Railways Will Revert to Owners

WASHINGTON, May 21 (AP)—The three-year United States rail labor dispute ended tonight when three big unions reluctantly accepted a White House peace proposal.

Approval of the unions foreshadowed quick return of the seized roads to private ownership after 21 months under government control.

The carriers accepted the White House proposal Monday night.

More than 150,000 members of the engineers, fireman and conductors will get an immediate wage boost ranging up to 37 cents an hour and lump sum payments of $600 to $1100 for back pay to October 1950.

Back wages will cost the roads an estimated $100,000,000.

Union approval of the new agreement, good until October, 1953, was announced by the unions at their hotel here.

The three rail union chiefs said they accepted "with some disappointment" but that "there are no better alternatives under one-sided government seizure and rule by labor injunction."

ARMY CONTROL

The roads have been under technical control of the Army since they were seized in August, 1950, to avert a strike. Since March 1949, when the long dispute over working rules and wages got started, strikes and "sick" walkouts have occurred at least three times — in 1950, 1951 and last March.

The March strike brought a no-strike court order still in effect.

The agreement approved tonight is substantially the same as one tentatively accepted by heads of the three unions in December, 1950, but rejected by the rank-and-file.

But it contains one change which the unions called a "major improvement" over the spurned 1950 proposal. That change gives the unions the right to reject carrier demands for extending the runs of train crews beyond a divisional terminal point.

ALMOST '50 PROPSOAL

Aside from this carrier concession, which replaced binding arbitration over inter-divisional train run disputes, and a couple of other rules changes, tonight's agreement is almost word for word the rejected 1950 proposal.

The fourth big operating union, the trainmen, settled its dispute with the roads a year ago when it accepted the December 1950 proposal.

Here is how the wage increases in tonight's agreement will be distributed:

All yard workers get an average 37-cent hourly wage raise; all over-the-road workers get an average increase of 22 cents an hour.

The Army raised wages 12* cents and five cents for yard and road employees respectively. These amounts are included in the 37-cent and 22-cent basic increases.

COST OF LIVING UP

Part of the wage increase comes from a cost-of-living escalator clause in the new contract. This raises or lowers wages each three months one cent for each one point change in the government's cost-of-living index on a base of 178.

The average wage today among yard men is an estimated $1.59 an hour, for over-the-road men, $1.95 an hour.

McCULLOUGH ACQUITTED OF MURDER

WINNIPEG, May 21 (CP) — Gavin McCullough, 52-year-old office manager today was acquitted by a 12-man jury of a charge of murder in the prayer-session slaying last Jan. 25 of his foster child, Martha Louise. The jury ruled that McCullough was insane at the time of the crime.

Mr. Justice J. T. Beaubien, the presiding judge, ordered that McCullough be taken in strict custody to the provincial jail at Headingley, Man., to await the pleasure of the Lieutenant-Governor. Next move in the case was uncertain.

The jury deliberated only 16 minutes after the judge in his charge said the verdict could be either guilty of murder or not guilty because of insanity.

Four psychiatrists testified today they believed McCullough insane at the time of the crime, although he had since regained his reason.

(The Criminal Code provides for imprisonment at the pleasure of the Lieutenant-Governor in decisions of this kind. Court records here showed that a woman sent to jail in 1942 as a result of a similar verdict was released about one month later.)

McCullough, who had listened intently but impassively to the proceedings, showed no emotion when the verdict was read. He appeared to grimace slightly when his lawyer, A. J. Stringer and some friends shook his hand.

He then was taken from court, handcuffed to a policeman.

LAB, AUTOS DESTROYED

PHILADELHPIA, May 21 (AP)—A $500,000 fire destroyed a pharmaceutial laboratory today and wrecked 32 new automobiles in an adjoining warehouse. No one was injured.

Reds Charge Allies Plan to Impress Prisoners Into Army

MUNSAN, Korea, May 22 (Thursday) (AP) — Communist truce negotiators Wednesday charged that the United Nations Command planned to herd thousands of prisoners into the United States Eighth Army "to serve as your cannon fodder."

This was their reply to a tongue lashing by Vice-Admiral C. Turner Joy, who accused the Reds of violating rules governing treatment of prisoners.

JOY OUT

Joy bows out today as the top U.N. negotiator after 10 exasperating months. He is the only remaining member of the original five-man truce team which opened the talks last July 10.

He will make his farewell appearance at 11 a.m. at Panmunjom (10 p.m. EDT Wednesday). Then he will prepare to leave to become superintendent of the U.S. Naval Academy at Annapolis, Md.

Maj.-Gen. William Harrison Jr. takes over as the senior delegate Friday.

Joy traded sharp words with North Korean Gen. Nam Il for an hour Wednesday.

Nam said a riot at Pusan prison camp Tuesday was new proof that the Allies "murder" their captives. (U.S. guards killed one prisoners and wounded 85 in quelling a Red rebellion.)

Nam accused the Allies of violating the U.N. Charter, saying they had used violence against North Korean and Chinese prisoners.

Joy said Nam's charges were designed to "generate enmity" and "to block an armistice."

NO REGARD

"Never before in modern history," he said, "has a belligerent displayed less regard for the rights and welfare of prisoners of war."

Joy emphasized that "our side does not ask for such equity at the expense of the welfare of the prisoners."

Nam Il replied the Allies planned to impress four-fifths of their captive into their armies in Korea.

CANADIAN DOLLAR DOWN

NEW YORK, May 21 (CP) — The Canadian dollar was down 1/32 of a cent at a premium of 1 21/32 per cent in terms of United States funds in closing foreign exchange dealings today. The pound sterling was down 3/16 of a cent at $2.80⅛.

And in This Corner . . .

ROCK ISLAND, Ill., May 21 (AP)—Hunting for speeders on busy 18th Avenue usually is good and yields a tidy sum in fines for the city.

But two traffic patrolmen sat in their squad car just off 18th Avenue for four hours Monday without spotting a single speed violator. Finally, as the policemen were about to conclude that sanity and respect for traffic regulations had suddenly overcome the city's drivers, a pedestrian advised them to drive two blocks down the street.

They did, and found a crudely-lettered sign which read: "Warning! Speed trap ahead."

CLEVELAND, May 21 (AP)—A nest of young robins at Euclid Beach Park may fly in circles when they grow up. Their mother built their home on a merry-go-round

The nest is on an electric light bulb at the top of the device and rotates at a slower pace than the cars carrying the children.

WILMINGTON, Calif., May 21 (AP)—Old tug No. 10 was a real tough and harbor-worthy vessel. It had hauled in some big ships in its day.

Last Monday, however, No. 10 was cast in a new role—towing a floating barge for a style show, with a score of cuties traipsing the deck as they modelled swim suits, and bra and panty sets.

This was just too much for old No. 10. After getting back to its dock it capsized and sank yesterday.

MEMPHIS, Tenn., May 21 (AP)—Carl Simmons parked his car, dropped a nickel in the parking meter and hung an envelope on his windshield reading:

"Patrolman, attention Enclosed are several nickels for the parking meter. The owner of this car is a salesman calling on a local store and does not want to interrupt his sale. Thank you for your courtesy."

The cop on the beat didn't interrupt Simmons' business call. He wrote him an overtime parking ticket.

LAGUNA BEACH, Calif., May 21 (AP)—Robert Nicholas, 26, a merchant seaman, was fishing from the surf near here when he got a real bite. The jerk on his prized fishing pole was so strong that Nicholas quickly wrapped the heavy line around his wrist to save the pole, he related.

The fish dragged him into the surf and over jagged rocks, before he could free his wrist, Nicholas added. Bruised and scratched, he watched his tackle trail out to sea and figured he was lucky.

The fish is probably telling his schoolmates about the one that got away.

Reception Workers Named by Socreds

A meeting of the Socred Ladies Council Group at the Socred Committee rooms on Tuesday evening hear president, Mrs. L. Hanic ask the aid of all the Socred Auxiliaries in planning the coming reception to be held fo rMr. and Mrs. W. D. Black.

Mrs. J. A. Wilson was chosen as convener, Mrs. Jones, Mrs. A. Heibey, Mrs. F. Searle, and Mrs. R. Bradley will name serviteurs from their separate groups. Mrs. Scott will be in charge of the kitchen committee.

CANBERRA, May 21 (Reuters)—A Labor member of the House of Representatives said today the Australian people are getting tired of having their prime minister "summoned" to Britain to be told what the "sterling bloc" or some other "bloc" wanted done. Standish Koen said the next time Britain's prime minister summoned the Australian prime minister to London the former should be invited to come to

August Start Possible . . .

Trail To Call Tenders For $1,775,000 Hospital

TRAIL, B. C. — Trail - Tadanac Hospital Board members Tuesday night inspected final plans for Trail's new 150-bed hospital, construction of which is expected to get underway sometime in August.

The Board discussed details of the completed plans with C. E. Pratt of the firm of Sharp and Thompson, Berwick, Pratt, architects for the hospital. Mr. Pratt arrived from Vancouver with the plans Tuesday evening.

It is expected the board will advertise for tenders on the general contract June 2 and bids will be opened in a month's time. Actual construction of the building may begin in August.

Final blueprints are before government officials in Victoria while another set has been sent to Ottawa.

Mr. Pratt also discussed with the board possible items that could be deleted from the building in the event bids received exceeded the money set aside for the hospital.

COSTS DIP

He said building costs had increased this Spring. Since then they had dropped but there was the possibility some cutting of items would be necessary.

The architects will submit to the board a full list of items that could be deleted from the contract should it be necessary. Some mentioned at the meeting were reduction of finishes, road blacktopping and curbing, and elimination of one of the three elevators.

Cost of the hospital has been estimated at $1,775,000. Furnishings will require another $100,000.

Mr. Pratt informed the board that it was unlikely a shortage of steel would delay construction plans.

A separate contract for the hospital's boiler plant brought two bids with the lowest at $85,000.

The hospital will be located on a bench in East Trail, overlooking the city.

150 to Compete for $1200 Prize List in Kaslo Mine Safety Tests

Entries of 150 or more are expected to compete for prizes valued at $1200 at the annual mine safety competitions at Kaslo June 28.

Arrangements for the competitions were carried out at a meeting in Nelson by the West Kootenay Mine Safety Association. A banquet for 200 at the Kaslo Legion Hall will follow the day's events.

Half a dozen teams are expected to compete in the mine rescue events. There will be a new competition in first aid for ladies' teams, an open first aid class for men and one for novices and a junior event.

Mines department officials from Victoria and mining heads will take part.

Mrs. R. N. Shillington of Kaslo is president of the association.

EAGLES, MANY OTHERS AT RITES FOR I. TRINCA

Requiem Mass was sung Wednesday morning by Rev. R. D. Anderson at the Cathedral of Mary Immaculate for Isadoro (Joe) Trinca.

A large company of friends and members of Aerie No. 22, Fraternal Order of Eagles, attended. The Eagles formed opened ranks from the Cathedral to the funeral coach through which the casket was borne by pallbearers J. B. Vecchio, J. Zanon, James Madden, Joseph Vecchio, S. Marzoli and Joe Depretto.

Mr. Trinca, proprietor of the Hilltop Store, died Saturday here.

Interment was at Nelson Memorial Park, and at the conclusion of the committal rites, the Eagles' burial ritual was conducted by Chaplain Frank Eberle and President B. Browell.

KOOTENAY MEN HOME-BOUND, IN PORT TODAY

VANCOUVER, (CP) — Lt.-Col. Gordon G. Corbould of New Westminster, who commanded the Royal Canadian Regiment second battalion in Korea, is returning home Thursday.

He is aboard the U.S. Navy transport Gen. Simon B. Buckner which is carrying 911 Canadian veterans. She is due to dock at Seattle at 8:30 a.m. PDT, Thursday.

Also aboard it Lt.-Col. J. A. A. G. Vallee, commanding officer of the famed Royal 22nd Regiment, second battalion.

British Columbians include Lieut. William H. Coull, Victoria; L.-Cpl. Frederick W. Bennallick of Victoria; Gnrs. Warner F. Kirk, Rossland; Hugh McBryan, Kimberley; Joseph F. Mitchell, Michel, and James Moore, Creston.

$12.95 RATE FOR TRAIL HOSPITAL WARDS

TRAIL, B.C. — A public ward rate of $12.95 a day has been set for the Trail-Tadanac Hopsital following approval of the hospital's budget by Victoria.

The increase rate is 45 cents above an interim increase granted the hospital at the first of the year. The ward rate last year twas $12.31 a day.

Under the new rates semi-private ward rate is $14.95 and private ward rate is $15.95.

Mission Bands and Parents Enjoy Afternoon Program

Slides of the United Church missionary work from coast to coast in Canada were shown in St. Paul's Church Tuesday afternoon to Trinity and St. Paul's Mission Bands and Explorers, and their parents and friends. A program of Scripture readings, recitations, piano and vocal solos were given by both groups.

In the evening St. Paul's C.G.I.T. with Gwen Caston as leader affiliated with the senior Women's Missionary Society and Mrs. Gordon Stewart on behalf of the Margaret Foster group presented World Friendship badges to members. Slides were then shown with Mrs. Lloyd Catley telling the story. A silver collection taken will go to the new United Church Training School. Refreshments were served at both meetings by the three senior groups. Mrs. M. T. Harris and Mrs. Archie Birse were general conveners.

Local Group Asks No Vote in Liquor Plebiscite

A representative committee of Nelson citizens has been set up to campaign for "a strong No vote" on the liquor plebiscite June 12.

An organization meeting was held at Memorial Hall Tuesday night and an executive formed of Rev. Theo T. Gibson, chairman, pro tem; A. L. Cartier, Dean T. L. Leadbeater, Ross Fleming, J. A. Bracken and Boyd C. Affleck. Rev. L. S. VanMossel is secretary, pro tem.

Other members of the advisory committee include Major D. H. Hammond, Alan Smith, W. G. Murray, Rev. Allan Dixon, and it is planned to expand the committee to 20 men and women active in educational, medical and public service fields.

Working in close affiliation with the newly formed Alcohol Research Council of British Columbia, the Nelson committee is seeking to interest voters in "appreciating the danger inherent in a Yes vote."

A. W. Cawley of Vancouver, executive secretary of the research council, will attend a public meeting here next Tuesday morning.

Trail Sees Corps Inspection

TRAIL, B.C. — Annual inspection by officers of the senior service of the Sea Cadet Corps of Trail at R.C.S.C.C. Fort Sheppard on Riverside Avenue was carried out Tuesda evening.

Inspecting officers were Commodore K. F. Adams, O.B.E., C.D., R.C.N., Lieut. Cdr. D. H. Tye, C.D., R.C.N., area officer, and Captain F. G. Hart, R.C.N., retired. Captain Hart is Western regional representative of the National Sea Cadet Committee.

Following the inspection the cadets paraded past the Junior High School where the salute was taken. Later they returned to the Sea Cadet building where the public was able to watch the boys at classes.

Others attending the inspection an ceremony included R. W. Diamond, honorary president, Trail branch of the Navy League, Mayor E. G. Fletcher, Lt. Col. F. Coates, Major H. E. Edwards, Sqd. Leader I Sommerville and H. Keffer, Canadian Legion, Rotary, Gyros and Junior Chambers of Commerce members.

U. S. RELAXES COPPER CEILING

WASHINGTON, May 21 (AP)—The government today relaxed price ceilings to let United States manufacturers pay more for imported copper.

The move was designed to get supplies of Chilean copper moving again to the U.S. Chile halted shipments May 9 in an effort to get a higher price.

12 CANDIDATES IN NEW GROUP

VANCOUVER, May 21 (CP) — The Christian Democratic Party, British Columbia's newest political group, will have at least 11 candidates in the June 12 provincial election.

The party, pledged to support minority rights, already has nominated eight candidates in greater Vancouver ridings and plans to have at least three more, a spokesman said today.

Health Care Theme at W.I.

Mrs. C. W. A. Barwis, district health nurse, showed a film on poliomyelitis and gave a talk on the prevention and care of communicable diseases, when the Granite Road Women's Institute held their monthly meeting at Shirley Hall.

Reports were heard from the various committees and it was noted that the tea and bake sale had netted $40.

Mrs. E. Ironmonger, delegate to the district conference, gave an interesting report on the conference and activities of other Institutes. Mrs. H. Ronmark was chosen to replace Mrs. E. P. Muraro as delegate to the Vancouver convention in June, since Mrs. Muraro is unable to go.

Convener for the W.I. exhibit in the Fall will be Mrs. N. Johnson and the Fall bazaar was discussed.

Refreshments were served by Mrs. N. Johnson, Mrs. E. Young, Mrs. G. R. Pickering and Mrs. F. Olson.

VETERANS, FELLOW WORKERS AT RITES FOR A. ROLLICK

Canadian Legion burial honors were accorded Wednesday afternoon at the funeral of Alexander Rollick. Services were conducted at the Thompson Funeral Home chapel by Rev. Allan Dixon of Trinity United Church.

Members of H.B. Mine unit of Mine, Mill Union Local 901, of the Canadian Legion and the Ladies' Auxiliary attended the rites. Hymns "Abide With Me" and "What a Friend We Have in Jesus" were sung, organist being Mrs. W. A. Manson.

Mr. Rollick, 35, miner and war veteran, was killed in a fall at the H.B. Mine near Salmo Saturday.

The flag-draped casket was borne to the grave in the Returned Soldiers' Plot, Nelson Memorial Park, by pallbearers Allan M. Cameron, John Johnson, John Sjoberg, Alden Tetz, Joseph Vlahovitch and Fred Westman.

EMPEROR'S DAUGHTER ENGAGED

TOKYO, May 21 (Reuters) — Emperor Hirohito today officially announced the betrothal of his fourth daughter, Princess Yori, 21, to Takamasa Ideda, 25, first son of the former Marquis Nobemasa Ikeda. The wedding will be next October.

Five Charges Face Escapees

Four juveniles, identified by police as escapees from Boys Industrial School at Coquitlam, will appear in juvenile court here this week on five separate charges of breaking, entering and theft.

Two of the juveniles are from Nelson, one from Kimberley and the other from an Okanagan centre.

The four were arrested at Creston in a car allegedly stolen from Port Hammond following the Sunday escape of at least two of the boys from Coquitlam Sunday. They are suspected of blazing a trail of thefts across the Southern interior.

The charges involve theft of three jackets from a farm house near Grand Forks while owner Frank Zak was away, theft of 11 gallons of gasoline from another district farm house, and of a 45-gallon drum of gasoline from property of George Spears of Ymir.

Police reported they recovered from the car a cash box contining about $1 identified as from Hoods Bakery at Nelson; a quantity of food, cigarets and candy believed stolen from Ronmark's store on Morgan Street.

The four were in possession of $7.65, which police believe was the remaining balance of $20 allegedly looted from Keirans restaurant on the North Shore, 15 miles East of Nelson.

PRISON RIOT QUELLED

ADELAIDE, Australia, May 21 (Reuters) — Prison guards today used hoses and clubs to crush a riot by 180 long-term prisoners at Yatala labor prison, 10 miles North of here. The prisoners broke through a compound fence but were turned back by the hoses.

Improved Education System for B. C. Urged by Farmers; No Private Aid

KASLO, B.C.—The government should not aid private schools, but should instead improve the present educational system in B.C.

This opinion was contained in a resolution approved by the West Kootenay-Boundary Central Farmers' Institute at its annual meeting here Wednesday, to which Kaslo Farmers' Institute was host.

Another resolution passed by the delegates called for immediate action toward standardization of the Kuskanook to Wynndel section of the Southern Trans-Provincial Highway. "Instead of encouraging tourists to the Kootenays, the section drives them away,' 'the resolution stated.

A more equitable system of school taxation was sought in another resolution.

The Central commended the B.C. Department of Agriculture for its stand in preventing the spread of foot and mouth disease in cattle for this province.

KNOWLER PRESIDENT

Delegates reelected D. K. Knowler of Fruitvale as president. G. Haines of Nakusp was chosen first vice-president, J. Cochrane of Kaslo, second vice-president, and Kenneth Wallace of Boswell was again named secretary-treasurer. Representative on the advisory board is Mr. Wallace, with Mr. Cochrane as alternate, and F. H. W. Chanter is representative of Nelson Chamber of Commerce.

Balfour, Boswell, Kaslo, Willow Point, Nelson, Fruitvale, Shutty Bench and Nakusp were represented at the meeting, and a number of the delegates saw Kaslo for the first time. They were welcomed by W. S. Tyers, president of the Kaslo Institute, and by Mayor R. E. Green.

L. W. Johnson of Victoria, superintendent of B.C. Farmers' Institutes, urged greater attendance at meetings and urged the various groups to work for better public relations.

C. E. S. Walls of Victoria, representing the B.C. Federation of Agriculture, emphasized the importance of his organization at a luncheon given by the Kaslo Institute in King George Hotel. He said one of its accomplishments last year had been in seeing that the three per cent sales tax had been removed from certain farm machinery.

NEW CHERRY

R. C. Palmr of the Summerland experimental station said a new type of cherry had been developed which was resistant to small cherry disease, a heavy bearer and a fine grower, and that it might easily restore the cherry-growing industry.

W. MacGillivray, superintendent of field work for the B.C. Department of Agriculture, and H. R. Anderson and Ted Swales, from Nelson also attended the meeting. The Kaslo Women's Institute served supper to the visitors.

C.C.F. Platform Topic of M.L.A.

RANDOLPH HARDING

NAKUSP, B.C. — An outline of the C.C.F. party's seven-point program was given by Randolph Harding, who is seeking re-election in Kaslo-Slocan, at a meeting here.

In hospital insurance, the party would abolish co-insurance, exempt low income and give the chronic patient care and extend hospital services to remote areas. Maximum power service posible would be given rural areas, and highways in rural areas would be improved.

After the break-up of Coalition, Premier Byron Johnson had said he had no power to act on behalf of the people on such important questions as the hospital insurance service inquiry board report, Workmen's Compensation Act and Industrial Conciliation Act. Yet, Mr. Harding said the government had passed a $186,000,000 budget.

Mr. Harding, who has represented the riding for seven years, was born in Silverton, served in the Second World War, and taught school in Burton on the Arrow Lakes for 13 years, Mr. W. Moseley said in introducing him.

CRANBROOK VOTERS' LIST LONGER

CRANBROOK, B.C.—In preparation for next month's provincial election, the voters list for Cranbrook constituency, covering territory from Kingsgate North to Skookumchuck, including Cranbrook and Kimberley, East to Wardner and communities on the West side of the Kootenay River to Skookumchuck, is in the hands of the printers and is expected to be available to the public by the end of this month.

Court of revision presided over by Registrar of Voters E. L. Hedley removed 44 names from the list of those who have died or moved away. The final list showed 9050 names, up approximately 2000 names compared to the 1949 list. Kimberley polling stations list 3768 voters, and Cranbrook stations, 3600, with the rest in village or rural polling stations.

Road Program Rolling In Cranbrook District

CRANBROOK, B.C.—With only medium cooperation from the weather, substantial headway is being made in Cranbrook district's public works road program.

Under the supervision of W. B. Johnstone, a prime surface coat is being laid on the 8.25 miles of new construction Westward from Cranbrook on the Southern Transprovincial Highway. Marwell Construction Company, contractor for surfacing of this stretch is moving in equipment preparatory to putting on the mulch surface.

Bad weather last Fall prevented completion of the entire 8.25 miles to a point South of Lumberton and the rerouting of the unfinished section is now being done and will be ready for surfacing in the Spring program.

The provincial public works gravel crusher unit at the Smith Lake crossing just West of the city has been dismantled, loaded on seven flatcars and is en route to Prince Rupert.

The Southern Transprovincial highway public works construction porgram for this season calls for extension 3.5 miles from Lumberton to the North end of Moyie Lake.

GRADING, OILING

Grading on secondary roads of the district has been held up somewhat by need for most of the equipment and crews on main road construction, but is now nearing completion.

A total of three miles of extra-municipal roads in the immediate vicinity of Cranbrook have been oiled during the past two weeks as a measure toward eliminating the dust nuisance resulting from late April drought.

District Public Works Engineer J. A. Dennison is supervisor of all these projects.

ELECTED May Queen of Sunshine Valley for 1952, Alice Hlady will be crowned at Grand Forks school's May Day celebration Friday. She will be crowned by the retiring queen, Gladys Pope. Brown Creek and Kettle River North schools are helping the Grand Forks school stage the program, which will be followed by the high school track meet.

Castlegar Place To Be Saturday

CASTLEGAR, B.C. — A gala program has been planned for Castlegar's May 24 celebrations, sponsored by Lillian Killough chapter, Imperial Order Daughters of the Empire.

A parade from elementary school No. 1 grounds will start at 1 p.m., and will proceed through town and return to the school grounds where May Queen will be crowned. Maypole dances and other dances will be performed by Mrs. K. Andreaschuk's pupils.

Children's races will be held under the direction of H. Bate, and Castlegar Cubs are planning a ball game against a visiting team for early evening. A dance will also be held.

ARSON HINTED IN 'FORKS FIRE

GRAND FORKS, B.C. — A fire near Grand Forks, believed to have been started by Sons of Freedom arsonists, was quelled shortly after midnight Wednesday morning.

About $25 damage was caused to a Doukhobor community hall two miles South of Grand Forks before the fire was extinguished.

R.C.M.P. said Wednesday "the blaze appeared to be incendiary."

PAYS $35 FOR SPEEDING

John J. Phillips of Nelson was fined $35 when he pleaded guilty to a charge of speeding. Phillips appeared before Magistrate William Brown in City Court Wednesday.

The charge arose when Phillips exceeded the 30 mile per hour limit on Fornt Street Monday night.

To Meet Population Rise . . .

School Bylaws Planned for Kimberley

KIMBERLEY, B.C.—Bylaws for new school construction in the Kimberley area are under consideration by City Council and school board in efforts to keep up with rapidly growing school population.

Ratepayers soundly rejected a $336,880 bylaw to cover increased facilities at five district points over a five-year period several months ago, and the new bylaws will be to implement building at the most essential points.

First one, tentatively planned for September for an amount still undecided, would provide a three-room replacement for Chapman Camp school, burned 18 months ago, and a two-room school for McDougall Townsite where need is greatest. Second bylaw to be voted several months later would be for a two-room school in Lower Blarchmont. These would provide seven of the fourteen additional classrooms which will be required by 1956.

SWING SHIFT

Increased school population from its present approximate 1700 total is due to the large Consolidated Mining and Smelting Company expansion program at present in construction stage, and will be permanent. Present overcrowding will necessitate Grade II school children attending on a two-platoon schedule next Fall, alternating between morning and afternoon sessions, and this method will have to be extended to other grades if no additional classrooms are provided within a year.

Expand Staff For Wider Bus Schedule

An expanded Summer schedule, effective May 29, has been announced by Western Canadian Greyhound Lines at Nelson.

Additional runs to Trail and Calgary are included in the revised schedule with another addition to Vancouver planned ne.. month.

Six trips daily from Nelson to Trail, the first two morning runs connecting to Spokane, will be in effect on the new schedule. Buses will leave Nelson at 7 a.m., 9:45 a.m., 11:40 a.m., 4:30 p.m., 7 p.m., and 11:15 p.m.

Nelson to Calgary and Winnipeg buses now leaving at 6:20 a.m. and 6:50 p.m. will be augmented by another at 1:50 p.m.

Effective June 25 will be an additional Nelson to Vancouver trip at 4:30 p.m. daily. Others are at 11:40 a.m. and 11:15 p.m. The night bus will travel via Cascade while the others will go by way of Paterson.

The Nelson-Kaslo run will be a 4:35 p.m. daily while Nelson-New Denver trips are at 11 a.m. and 3:30 p.m., the latter connecting with Nakusp.

All schedules are on Pacific Standard time.

As a result of the expanded service, it has been necessary to increase driving staff by 30 percent, the company said.

FERNIE, B.C. — Esther Rebekah Lodge, which under-took the canvass of Fernie and environs for funds for the Canadian Cancer Society has concluded the drive and has returned more than $1200 as proceeds.

Mrs. G. H. Butler, who was chairman of the drive has extended the thanks of the lodge to the public for its support of this cause.

Wrestling To Be Big May 24 Event

CRANBROOK, B.C.—Half a ton of wrestling talent will provide the main evening attraction for the 24th of May celebration being sponsored by the Gyro Club this year on behalf of their community fund.

Main events will be Con Bruno of Brooklyn, 221 pounds, versus Bob DeMarce of Green Bay, Wisc., 219 pounds, and Tom O'Doole of Phoenix, Ariz., at 240 pounds, versus Mr. X of Murders Unlimited, whose home and weight are confiedntial. Preliminary bouts will be brought from the Windermere Valley. Bouts will be staged at the Memorial Arena where a ring has been erected and seats constructed.

A special afternoon attraction will centre on the airport as base for fighting aircraft of the R.C.A.F. being sent in for a display of aerial gymnastics.

Morning parade, then loggers and miners competitions, the Maypole dance, first aid competition, softball and children's sports will occupy the afternoon at Baker Park. The celebration will be touched off with a dance at the Bluebird Inn Friday night, and Royal Canadian Shows will operate on Baker Street through the weekend.

P.-T.A. Furthers Sidewalk Project

NATAL, B.C. — Natal-Michel Parent-Teacher Association is out for action in its drive for asphalt sidewalks for Natal and Michel.

The Department of Public Works and the Department of Education have instructed the P.-T.A. to contact district engineer and make necessary plans, and a committee of P. Kacheluba and P. J. Chala will investigate the matter. The project has the backing of both Natal Board of Trade and the coal company, and circulars are to go to all organizations in the area for support.

The P.-T.A. is also seeking taping of school bicycles as was done last year to prevent accidents in the dark, and to ask for taping of miners' bicycles. It has been reported that the local union has already allocated a small sum for this purpose.

At the P.-T.A.'s monthly meeting before Fall term starts, Miss Lillian Robertson took over the duties of recording secretary until a new slate of officers is elected in September, after Mrs. S. Chatterson had resigned. The financial report showed that two undertakings of past weeks had brought in $140. Mrs. Emma Ungaro reported on the annual B.C. Parent-Teacher Federation convention in Vernon.

Retiring president M. H. McLeod, who has been transferred to Fernie by R.C.M.P., was presented with his president's pin and with a pen and pencil set, Mrs. T. D'Andrea, acting president, making the presentation.

I.O.O.F., Rebekahs Name Officers

SLOCAN CITY, B.C. — Officers were elected at the annual meeting of West Kootenay District Association of Independent Order of Odd Fellows and Rebekahs, here with Slocan Lodge, I.O.O.F. and Floral Rebekah lodge as hosts.

The 50th anniversary of the founding of Floral Rebekah Lodge was celebrated at the same time.

New I.O.O.F. officers are G. H. Summers of Trail, chairman; D. Ewing of Trail, chairman and G. Nash of Trail, secretary treasurer. Mrs. W. Sinclair of Slocan City is president for Rebekahs, and Mrs. Phyllis Cooper of Slocan City, secretary-treasurer.

Twenty-five year jewels were presented to R. G. Warner, D. Scott, F. Storgard, and T. W. Cooper.

After meetings, a banquet was held here, attended by members and their friends. Decorations were in lodge colors, and a four-tiered anniversary cake decorated by one of the members centred the head table. Mrs. O. Neal, only remaining charter member of the Floral Rebekah Lodge cut the cake.

GREAT STRIDES

Mrs. Warner and W. E. Graham told of progress of the lodges during the last 50 years, of assistance given to projects of the order, of financial aid and parcels for boys who served in both World Wars, and of aid in building the present hall.

Mrs. F. Atkinson, Rebekah supervisor, congratulated the lodges on their achievements, and spoke of the courage and spirit of the order's pioneers.

A program of songs, violin solos and skits entertained the guests and members, and a dance wound up the meeting.

VILLAGE APPLIES FOR HALL GRANT

KIMBERLEY, B.C. — Marysville, fast growing residential village four miles from Kimberley, has applied for a grant from Consolidated Mining and Smelting Company's recreational facilities account to build a community hall.

Application for grants from this fund are made through the Kimberley City Council, and monies are used to assist in projects of community value.

It is planned to start construction of two-thirds of the building this year. To complete the community centre, a ten-year project, $30,000 will be required.

Herridge Words Straighten Thinking on Investment

The size and spectacular nature of some of the projects instituted in Canada has tended to encourage a belief that the bulk of investment in Canadian business and resources is being carried out by foreign interests. Actually the sum of all foreign investment in Canadian enterprises last year represented only 17.7 per cent of the total.

That opinions not in keeping with the facts are effected by knowledge of a few extremely large American-financed undertakings in Canada was brought out pointedly by H. W. Herridge, Member of Parliament for Kootenay West, in a recent broadcast from the Capital. Quoting Department of Finance records, he told that capital investment in Canada in 1951 from the sayings of Canadian companies and Canadian people was $4.5 billion. Foreign capital investment was $800 million.

A multitude of important, if not always imposing, developments are in progress which make up the "large and unexpected" investment-by-Canadians figure. These figures are heartening, and it is good to have pointed out the fact that Canadians are not backward in gaining the opportunities offered by their own country.

Keeping Up With the Regulators

Canadian business must support an army of bookkeepers, accountants and clerks which is engaged virtually full time on what is essentially Government work or which arises out of Government laws, regulations and schemes. Development of workmen's compensation, unemployment insurance, sales and income tax, priorities and allocation of raw materials have all meant more paper work and more overhead for private business.

This is a cost factor that our fathers and grandfathers did not have to worry about. But it is a very real and expensive factor in the conduct of modern business. Every move that a Government makes affecting business not only increases the number of employees on the public payroll, but it adds directly to the overhead of private businesses and to price tags as well.

Invitation to Deadlock

Fixed election dates are not wanted in Canada, says the Edmonton Journal. "The vices of system may be seen in action in a number of countries. In the United States, both the President and Congress have their terms of office fixed by the Constitution. As a result, Congress cannot vote out of office a President who has completely lost its confidence and support, while the President has no means of disciplining even the Congressmen of his own party. This leads inevitably to almost continuous deadlock."

LETTERS TO THE EDITOR

Letters may be published over a nom de plume, but the actual signature of the writer must be given to the Editor as evidence of good faith. Anonymous letters go in the waste paper basket.

Facts, Not Criticisms Wanted From Politicians

To The Editor:

Sir — As we are fully aware the people of B.C. are facing another provincial election. The problem is: do we know which party to support? At the present time, everyone is so confused.

But when one reads the paper, listens to the radio or attends a political meeting there seems to be one major item on the platforms—i.e.—"Condemn the other parties." Isn't it the truth?

It isn't criticism the people want. It's facts, recommendations, and solutions. After all God did give us brains.

(Mrs.) ANN MURPHY,
Appledale, B.C.

"Security" Proposals Make Him "Winch"

To the Editor:

Sir—In reply to your reader's final and somewhat esoteric letter in support of social security in your May 11 edition, I call to mind a schoolmaster who once taught me.

During an English lesson we came upon the expression, "the line of least resistance". This was referring to human behavior, and was not used as it is in physics or electricity. The teacher explained this expression by using sheep as his example. The sheep has very little mind of its own beyond being able to feed itself. It goes and comes by nothing more than the bark of the shepherd's dogs, never puts any effort into anything, and, of course, ends up at the slaughterhouse.

I am not, as your correspondent seems to imagine, against security—only the ways in which it sometimes is supposed to be achieved. Letting the Government take over too much is to me definitely following the line of least resistance, and leads nowhere but to the state of demoralization which has crept in in England. Parties which use security as a part of their election platform usually are the advocates of nationalization.

A few days ago I noticed that a prominent party leader said that if his party got into power they would grab the logging industry and the mining industry, the C. M. & S. in particular, and so on. This disturbing oration caused to Winch (sorry—wince). Surely now is the time to think up something sensible for a party platform. They tried nationalization in the U.K., and are now trying desperately to unscramble the eggs. Fooling about with industries will only lose time and money, and, as in England, a lot of business prestige.

The perilous position that England finds herself in stems from the fact that everyone was regimented and told how well off he would be under the Labor Government. Things were good for a while; wages high, plenty of employment, so production which the country sorely needed went down and stayed down. They now have a long hill to climb, so long that they must go back and take a run at it. Now it all depends on how many are willing to go back and start the run and keep going till the top is reached, whether or not they see over the hill—I wouldn't say the "Promised Land"—but at least a more promising one.

Your correspondent mentions the Venetians and their argosies. Don't we hear today right close by us of companies putting out tens and hundreds of millions of dollars on new projects for which the results must be awaited for as long or longer than the argosies took to return?

Finally, East to a man who has been East of Suez means just that—East of Suez.

P. F. GRIFFITHS.
Riondel, B. C.

Your Horoscope

It is a time to make the most of whatever opportunities present themselves in business and pleasure. Some pleasant financial surprises are predicted for you in the months ahead. Look for traits of persistence, energy and keen intellectuality as today's child grows.

It's Been Said

Only the actions of the just smell sweet and blossom in the dust.—James Shirley.

He who is afraid of being too generous hast lost the power of being magnanimous. The best man or woman is the most unselfed.
—Mary Baker Eddy.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

D. B. C., Sandon—Would you please give me the name and address of a Catholic school in Nelson which boards children? Also the name of the person to whom I address my letter regarding arrangements? Where may I write for information on care and feeding of a Spaniel?

St. Joseph's Academy no longer takes boarders but if you write to Sister Margaret, St. Joseph's Academy, Nelson, she will be glad to help you. Write to Mrs. J. J. Carney, R.R. 1, Nelson, for information on the Spaniel.

N. S., Hill's Siding—I heard a long time ago that American pennies, dated 1942, 1943, 1944 can be exchanged for a car or money. If that is true, where do I send them?

Some confusion has arisen out of the fact that the late Mrs. Henry Ford made a collection of certain pennies issued by the U.S. mint and later recalled. Mrs. Ford offered to exchange these coins for a car, but since her death several years ago the offer has been dropped.

Curious, Kimberley—What is the distance by air from Baghdad to Honolulu?

8445 miles.

Reader, Trail—Can you outline the purposes of the United Nations?

To maintain international peace and security and to that end: To take effective collective measures for the prevention and removal of threats to the peace and for the suppression of acts of aggression or other breaches of the peace, and to bring about by peaceful means, and in conformity with the principles of justice and international law, adjustment or settlement of international disputes which might lead to a breach of the peace. To develop friendly relations among nations based on respect for the principle of equal rights and self-determination of peoples, and to take other appropriate measures to strengthen universal peace. To achieve international cooperation in solving international problems of an economic, social, cultural, or humanitarian character, and in promoting and encouraging respect for human rights and for the fundamental freedoms for all without distinction as to race, sex, language or religion. And: To be a centre for harmonizing the actions of nations in the attainment of these common ends.

Looking Backward

10 YEARS AGO
From The Nelson Daily News, May 22, 1942

Miss Mary Kubin and Albert Grieve carried off first prize at the Joymakers' partner whist Thursday night. Second prizes went to Mrs. George Chaluck and W. Howe.

Laura Nelson, performer in Nelson girl softball ranks for three or four seasons, is now in uniform for the Young Liberals at Vancouver. She went to Vancouver with her family only recently.

25 YEARS AGO
From The Nelson Daily News, May 22, 1927

Among those successful in the recent examinations for positions as stenographers in the provincial civil service were Miss G. M. Thorpe, Miss R. H. Craufurd, Miss M. Emerson, Miss I. M. Robinson, Miss M. L. Harper, Mrs. D. M. Kemp, Miss N. M. Davis, Miss I. M. Edmondson, Miss J. C. Lambert, Miss M. E. Humphry, Miss L. A. Gustafson, Miss C. E. Jeffs, Miss G. M. Williams, Miss S. A. Towgood and Miss G. Proudfoot.

50 YEARS AGO
From The Nelson Daily News, May 22, 1902

The tug Halys with a barge of firewood, Hercules with a barge of limestone for Hall Mines Smelter, and Surprise with a barge of lumber from Pilot Bay were among the arrivals at the wharves yesterday.

The question as to whether Nelson will have a band or not for the Summer months is now before the public. The matter was to have been handled by the tourist association, but so far as is known, no step has been taken by that organization. Last year the evening concerts on the streets were greatly appreciated and if it is taken up now no doubt arrangements could be made to have them repeated this year.

Communist Aims in Korea Fail-Truman

By ED CREAGH

WEST POINT, N. Y., May 21 (AP) —President Truman said today the Kremlin's desire to dominate the world is obviously unchanged, "but I believe we are well on the way to preserving our freedom without paying the frightful cost of world war."

"The plain fact is," Truman said, "that the Communists have utterly failed in their objectives in Korea.

"The Communist aggression failed to shatter the United Nations. Instead, the Communist attack has made the United Nations stronger and more vigorous and has demonstrated that it can and will act to defend freedom in the world."

TALKS WITH RIDGWAY

Fresh from a conference with Gen. Matthew Ridgway, who called at the White House soon after flying to Washington from Tokyo on his way to succeed General Eisenhower as supreme commander in Europe, Truman also spoke about the Korean truce negotiations.

He said the U.S. will not accept the Red demand for repatriation of all Communist prisoners whether they want to be repatriated or not.

He spoke of this country's atomic weapons in grimly simple terms:

"An atomic artillery piece has been developed and tested and will have to be reckoned with in the future. The Navy is working on its first atomic powered submarine. Our overall atomic production program is in excellent shape."

Industrial War Opens at Coast

VANCOUVER, May 21 (CP)—Leaders of 20,000 building trades unionists in the Greater Vancouver area today declared industrial war on employers who, they charged, have 'ganged up" to break the power of labor this year.

In an unprecedented press statement issued today the Vancouver and District Building Trades Council (AFL-TLC) composed of representatives from 26 unions, flatly declared it would fight employers all the way in the 1952 wage tussle.

Their action, they said, was prompted by what they termed failure of employers to "bargain in good faith" with unions in the construction trade.

They were referring to a conciliation board report which rejected the demand of 2500 Vancouver carpenters for a 50-cent pay boost and action of painting contractors in rejecting board recommendations for a 30-cent hourly pay-hike for painters.

Saturday Worst Day For Bad Accidents

VICTORIA, May 21 (CP) — Most accidents in British Columbia occur between 4 and 5 p.m., and the worst day for accidents is Saturday.

Motor-vehicle branch statistics released today reveal that accidents were more than five per cent higher up to the end of March, compared with the same period in 1951. There were 4839 accidents this year compared to 4628 last year.

Deaths are down more than 30 per cent, 23 persons being killed on the highways from January to March 1952. Injuries increased more than seven per cent in the period, 1275 persons being hurt in accidents.

Aussies Consider Meat Agreement

CANBERRA, May 21 (Reuters) — Details were given in the House of Representatives today of the new 15-year meat agreement between Britain and Australia, under which Briton will buy all Australian export surplus. The agreement dates from July 1.

Both countries are committeed to development programs to increase Australian output, Britain supplying materials and equipment.

Prices will be reviewed yearly, not later than July 31. The agreement stipulates that prices will not fall below the 1950-51 level.

80% Time Loss Due To Work Stoppages

OTTAWA, May 21 (CP)—Five work stoppages in the textile industry accounted for more than 80 per cent of the total time lost from industrial disputes in Canada during April.

The Labor Department announced today that these five work stoppages were responsible for a combined time loss of 142,065 working days and involved 7,171 workers.

Civil Servants To Meet on Government Offer

VICTORIA, May 21 (CP) — Civil servants all over British Columbia will meet Monday night to consider the government's offer of a five-day 36¾-hour week for office workers and a five-day 44-hour week for outside workers.

Forty-two locals of the B.C. Government Employees' Association, representing 10,000 civil servants, will hold meetings.

Iceland, Greenland and Spitsbergen were all discovered as the result of expeditions by Norsemen about the ninth century.

May seems to be rivalling June for brides this year with showers and weddings providing social interest.

TO ALBERTA . . . Mr. and Mrs. Earl Cutler and family will leave Friday morning on a motor trip to Lethbridge and Calgary.

• • •

FROM FRUITVALE . . . Mr. and Mrs. Harvey Dilling and their son, Bruce, of Fruitvale, were guests of Mrs. Hildred Hughes, Baker Street. Bruce left Wednesday for Rockcliffe, Ont., to join the R.C.M.P.

• • •

HOME AGAIN . . . Mrs. Albert Jerome leaves this morning for her home in New Westminster after spending two weeks in Nelson with her neice, Mrs. W. Ogden. She has renewed acquaintances with a number of people, some of whom she has known since first arriving in Procter in 1911 after the first of five trips to and from England.

• • •

IN HOSPITAL . . . Miss Irene Laughton is a patient in Kootenay Lake General Hospital.

• • •

FROM SEATTLE . . . Mr. and Mrs. C. F. Lloyd-Young of Seattle and their son-in-law and daughter, Mr. and Mrs. Dale Bickford are visiting Mr. and Mrs. K. Dixon, 812 Front Street, for a few days. While in Nelson they are staying at the Bluetop Auto Court.

• • •

FOR FUTURE BRIDE . . . Miss Ignatia Lanigan was hostess at a shower honoring Miss Helen Krystek whose marriage to Francis Doyle takes place at the end of this month. Games were played and many useful gifts were presented to the bride-to-be.

NATAL, B.C.—Proceeds of a women's whist drive sponsored by Mount Carmel Society in St. Michael's hall, will go to the hall. Winners were Mrs. D. Billy, first, and Mrs. T. Finley, second, and consolation award went to Mrs. K. McFarlane.

Castlegar I.O.D.E. Plans Pot-Luck Event

CASTLEGAR, B.C.—Decision to hold a pot-luck supper in June was made by Lillian Killough chapter, I.O.D.E., at its meeting at which plans for May 24 celebrations were made.

Mrs. J. H. Westwood read an interesting article on impression of Canadian women and Canadian way of life of a Dutch woman immigrant. Two parcels have been sent overseas, and flowers have been sent to Mrs. Lillian Killough, after whom the chapter is named, who is in hospital.

Fruitvale Auxiliary Sets Tea, Sale Date

FRUITVALE, B.C.—Date for their postponed tea and sale was set by Scouts and Guides Mothers' Auxiliary at its meeting at the home of Mrs. T. R. Anderson.

Plans were completed for a father and son picnic to be held in Recreation Park May 30. Arrangements for the group's annual picnic June 16 were also discussed, and will be finalized by the executive.

Marriages

Mr. and Mrs. Richard Bowyer of Devine, B.C., formerly of Nelson and District, wishes to announce the marriage of their only son, Richard John Bowyer and Nora Jean MacDonald, only daughter of Mr. and Mrs. Robert MacDonald, also of Devine, B.C., which took place at Lillooet, B.C., May 17, 1952.

Hume School P.-T.A. Group Is Organized

First of a series of meetings designed to organize Parent-Teacher Association work on a new basis saw appointment of a Hume School Committee Wednesday.

Three groups will represent the schools when the organization is completed, replacing the present organization, which has grown to unwieldy proportions. Organization of a Central School Committee is planned next week.

The Hume Committee of Mrs. John Applewhaite and Mrs. J. S. Livingstone will line up a proposed slate of officers to be presented to another meeting in September, and will continue arrangements for functioning of the group. Mrs. H. T. Gumbert will head the telephone committee.

T. B. Stallwood, Hume principal who welcomed the parents and teachers attending the meeting, suggested that parents would be welcome to visit the classrooms prior to the future meetings, which are to be held in the afternoons. In this way they would gain more intimate knowledge of the school.

It was also suggested the baby-sitting problem might be overcome by having supervised play groups for pre-school children.

Mrs. Carney, P.-T.A. president, was chairman and acting secretary was Mrs. D. R. Grahame.

Kaslo Legion L. A. Votes Sum to Branch

KASLO, B.C.—A substantial donation for the branch was voted by Ladies' Auxiliary to Kaslo branch of the Canadian Legion at its meeting in the Legion club rooms.

Charter members served refreshments, as it was the 19th anniversary of the auxiliary's organization. A new member was initiated, and five applications for membership were accepted. Members decided to buy a hot plate for kitchen use.

L.A. HOLDS WHIST DRIVE

FRUITVALE, B.C. — Ten tables were in play at a whist drive held in Legion hall by Ladies' Auxiliary to Fruitvale branch of the Canadian Legion, committee consisting of Mrs. E. Allard, Mrs. C. G. MacKenzie and Mrs. F. Peitzsche. Mrs. Henry Cyr and Jack Ford held high scores, and Mrs. C. Goddard and A. D. Miller, low scores.

The severe cold of high altitudes is caused by the thinness of the atmosphere, which does not retain the sun's heat.

To Live in South

WILLOW POINT, B.C. — A pot luck supper was enjoyed by about 20 guests who assembled Saturday evening at the home of Mr. and Mrs. M. Heddle in honor of Mr. and Mrs. Jim Riley who left Tuesday to take up residence in California.

Mrs. Riley was also entertained Monday afternoon at the tea hour by Mrs. J. Arichuk and Mrs. Van Manen. The same evening she was presented with a going away gift by Mrs. Low and Mrs. T. Whitelock.

Traffic in Bangkok, capital of Thailand, is carried on largely by means of canals.

PYTHIAN SISTERS HOLD PARTY

FRUITVALE, B.C.—A Mother's Day party of games and contests was held after the meeting of Rosevale temple, Pythian Sisters. Mrs. James Rothwell arranged the entertainment.

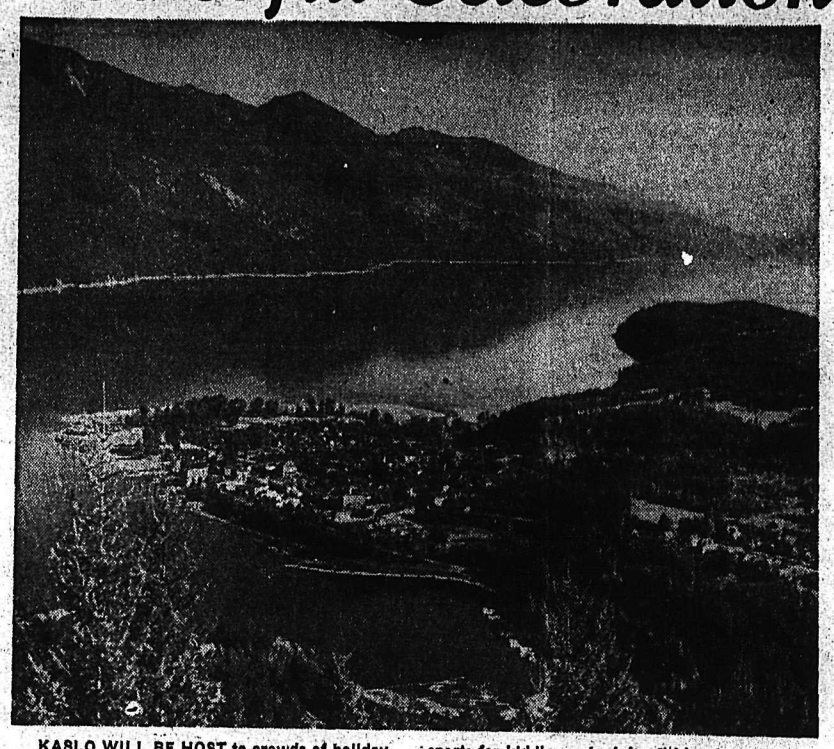
Colorful Celebration to Mark Kaslo's 60th Victoria Day



KASLO WILL BE HOST to crowds of holiday-minded district folk at the cherry capital's 59th Victoria Day celebration Saturday. The picturesque city, shown above in its scenic setting, is offering sports for kiddies and adults, fishing for those who, "Follow the Rainbow", and golf. Vimy Park will be scene of the always colorful Maypole dancing and crowning of a queen.

Sports, Gay Parade, Crowning Of Queen, Dancing, Softball

KASLO, B.C.—For old and young alike, this year's edition of the Kaslo Victoria Day program, the 60th annual celebration, promises a full round of gay pageantry and sports fare.

Saturday festivities will be highlighted by a gala parade, topped off with the crowning of Miss Lynne Smith as Queen of May and the lively Maypole dances at Vimy Park.

Leading the parade is a 27-piece band headed by a drum majorette while the May Queen-elect and 1951 May Queen Thelma Logan and attendants will be featured in the entourage.

Evening program will be featured by a band concert at the bowling greens, followed by a dance at the Legion Hall.

A varied sports program has also been arranged throughout the day with a children's field day slated fo 9:30 a.m. and a girls' softball game between Kaslo and Procter at 3:30 p.m.

Kaslo's picturesque nine-hole golf course is ready for a busy day while anglers are promised a good run of fish in Kaslo waters of Kootenay Lake.

The program is sponsored by the Kaslo Recreation Asosciation.

KASLO CHOIRS STAGE CONCERT

KASLO, B.C.—St. Mark's Anglican Church choirs staged a successful concert in Legion Hall for two nights, under direction of choir leader Mrs. C. C. Halleran.

The program opened with a Gay Nineties review, complete with costumes. Donald Kay, Arthur Tinney, Michael Halleran and Fred Webber comprised a male quartet, the chorus sang, and a duet by Marge Snowden and Mickey Halleran was returned for encores. Gene Leveque delighted the audience with humorous recitations, a women's quartette of Marge Snowden, Enid Dennison, Audrey Ringheim and Pat Halleran drew sustained applause, as did singing of Fred Webber and the chorus. The junior choir made a hit singing and acting old-time songs.

The second part of the program was carried through by George Armstrong and his minstrel group. A tenor solo by David Dryden and chorus was followed by Fred Webber's bass solo and male quartet selections, and Leo Heroux sang with the chorus.

On the second night, a dance followed the concert and was attended by a huge crowd.

Candidate Raps Gov't "Intrusion"

KASLO, B.C. — "Increasing intrusion" by government authority into affairs of the individual must be curbed, Howard Parker of Slocan City, Progressive Conservative candidate for Kaslo-Slocan, said in a pre-election address in I.O.O.F. Hall here.

Introduced by R. E. Green, chairman, Mr. Parker said the P.C. Party would protect the freedom of the individual, oppose monopoly, and enlarge opportunity for B.C.'s people and their children. Welfare of the people is best assured by a minimum of government compulsion, the party believed.

The cause of labor is best served by no interference by government in labor unions, he said. To illustrate his party's interest in welfare of workers, he said P.C. members' stand on a bill introduced at the last session to increase pensions of widows of workers killed on the job, had not been opposition to increases but against the method of payment from reserve money.

POOR METHOD

Party leader Herbert Anscomb had said the payment method was a raid on the workers of B.C., as the entire financial structure of the pension fund would be adversely affected.

The P.C. Party would institute a hospital insurance plan on a non-compulsory basis and eliminate co-insurance; protecting pensioners and welfare cases! review the problem of school financing, accelerate the highway program with more emphasis on secondary roads, reduce licence fees on passenger cars by 30 per cent, reorganize and extend services of the department of agriculture and extend power to rural areas.

W. A. Hogg Rites Held at Kimberley

KIMBERLEY, B.C.—Funeral services were held Tuesday for William Archibald Hogg, 48, who died in McDougall Hospital. He had been ill since April, and was returning to work on the midnight shift at the Sullivan concentrator when he collapsed and died without regaining consciousness.

Born in Donebristle, Fife, Scotland, Mr. Hogg came to Canada 25 years ago. During the Second World War he served for 2½ years with the R.C.A.

Surviving are his wife and four young children, his parents, three sisters in Scotland, and a brother, David, of Chapman Camp, also by two uncles, Alex and Archie Archibald in Kimberley.

Slocan City Hears Social Credit Talks

SLOCAN CITY, B.C.—The Social Credit Party has advanced in Alberta through careful handling of the peoples' money and by doing away with waste.

This is what J. C. Landeryou, M.L.A. for Lethbridge, told an audience here, speaking on the same platform as E. W. Bourque of Nelson, Social Credit candidate for Kaslo-Slocan. S. Morrison was the chairman.

Social Credit, he said, aimed to encourage and assist in processing of raw materials of the province through private and industrial enterprise, and to create better understanding between producers and consumers. He described Social Credit as an economic, not a political party.

Fruitvale Socreds Choose President

FRUITVALE, B.C. — Robert Underwood was elected president of the Fruitvale Social Credit group at a meeting at the home of Mr. and Mrs. C. Paterson. The post has been vacant since the group was organized.

Various reports were considered, at plans were made for a dance.

LAST RITES HELD FOR LISTER MAN

LISTER, B.C. — Joseph Henry Wocknitz, 65, of Lister, woh died in Creston Valley Hospital after a long illness, has been laid at rest.

Born at Emsley, South Dakota, he came to Canada in 1908 to farm at Magrath, Alta. He married in 1918, and moved to Creston in 1933 and a year later moved to Lister where he resided for the last 18 years.

Besides his wife he is survived by three daughters, Mrs. D. McKee, Mrs. E. C. Pendrey in Kimberley and Mrs. R. Fleck in Lister, five sons, Albert and George of Waneta, William in Creston, Kenneth in Kimberley and Lyle at home, seven grandchildren and two sisters and three brothers.

Rev. K. F. Sterzer conducted funeral services, and interment was in Lutheran cemetery at Lister. Pallbearers were R. Ragsdale, Seb Kopp, O. Provost, Kirk Beard, Hugo Sommerfield and J. Fox.

Donald McPhail, 64, Dies at Kimberley

KIMBERLEY, B.C. — A Kimberley resident since 1930, Donald McPhail, 64, died suddenly as he was preparing to leave the Sullivan Mine after completing his day's work.

Born at Lewis, Scotland, he joined the British infantry during the First World War. On his discharge, he was employed at the power plant at Camelon, Falkierk, Scotland. In 1928 Mr. McPhail came to Kimberley, his wife and family joining him in 1930. Surviving are two sons, John, of Hope, and Neil of Kimberley, and one daughter, Mrs. George Williams of Kimberley, also a sister in England and a brother in Glasgow, Scotland. There are six grandchildren. Mrs. McPhail predeceased her husband in 1946.

R.C.M.P. Officer To Move to Fernie

NATAL, B.C. — Constable M. H. McLeod, who has been in charge of the Natal detachment, R.C.M.P., for the last five years, has been promoted to the rank of corporal. The promotion became effective May 1. Fernie detachment. Constable L. V. Geldreich of Trail will replace him

Corporal McLeod will be leaving Natal shortly to take charge of the at Natal.

Natal-Michel P-TA Concert Huge Success

NATAL, B.C. — A packed audience attended a concert sponsored by Natal-Michel Parent-Teacher Association, which brought in $57 in a silver collection.

The Natal-Michel band under Bernard Keeling, combined with local talent to make the show outstanding. Miss L. Robertson presented a play including Grade III pupils, Jack Glover of the teaching staff accompanied the singers, and M. Slemo was master of ceremonies. The committee in charge consisted of M. Anselmo, Mrs. Slemko, Mr. Glover and J. Ivansko.

Bralorne Doctor to Practice in Kaslo

KASLO, B.C. — Dr. A. D. Johnson of Bralorne has taken over the practice of the late Dr. K. Shimo-Takahara and his clinic.

A native of Nova Scotia, Dr. Johnson is a graduate of Dalhousie College in Halifax and practised for two years in Nova Scotia before moving West. He has been practising in Bralorne for three and a half years. He is married and has a young daughter....

Kootenay Pythians on Grand Lodge Executive; Kimberleyite Is Chief

VERNON, B.C.—Grand Lodge of B.C. Knights of Pythias unanimously endorsed the program recommended by the order throughout the province on the cerebral palsy program at the fifty-first session.

Joe Dougall of New Westminster, supreme representative for B.C., installed the new slate of officers for the Knights.

They are: Grand Chancellor, Mark Beduz, Kimberley; Grand Vice-Chancellor, R. E. Kelly, Vancouver; Grand Prelate, Douglas Glover, Vernon; Grand Secretary, F. J. Harding, Vancouver; Grand Treasurer, J. B. Slough, Vancouver; master-at-arms, S. B. Parkin, Victoria; grand inner guard, Harry Blackburn, New Westminster; and grand outer guard, George Santano, Castlegar.

Supreme Chief Cleona Hogan installed new officers for the Pythian Sisters. They are: Past Grand Chief, Evelyn Beduz, Kimberley; grand chief, Sally Chapman, Penticton; grand senior, Vera Mesher, Esquimalt; grand junior, Evelyine Cartwright, Michel; grand manager, Della Parent, Nakusp; grand protector, Mildred Manion, Northfield P.O.; grand secretary, Nan Behnsen, Vancouver; grand treasurer, Elsie Bereau, Nelson; grand guard, Fern Blankley, Vernon; grand press correspondent, Mrs. Vivian Davies, Trail; supreme representatives, Mrs. Mary Goucher, Nelson; Mrs. Mabel Wadman, Vancouver; supreme alternates, Mrs. Nellie Ratcliffe, Mrs. Nan Behnsen, Vancouver.

Greetings from the Knights of Pythias convention to the Pythian Sisters convention were brought by James Draper, supreme representative of New Denver; B. Slough, supreme past chief, Vancouver; Rev. J. Briscoe, Kelowna; J. Dougal, supreme representative, New Westminster; J. Lyle, grand chancellor of Yakima, and C. Mitchell, deputy supreme chancellor. Mr. Lyle presented the Sisters Temple with a basket of flowers.

When supreme chief Cleona Hogan held an initiation ceremony for the sisters, the original Bible was used.

The Rose Lovell Shield was awarded to the Penticton Temple in a drill competition.

Margaret Will Set Society Tone When Mourning Ends

LONDON, May 21 (Reuters) — Princess Margaret, focal point of romantic interest in this country before the death of her father, will be freed of strict court mourning rules June 1.

Since the King died Feb. 6, the 21-year-old Princess has been seen least of any member of her family. But next month she will again be free to go to the plays and parties she loves.

Friends report a great change in Margaret, formerly regarded as the liveliest and gayest of her family. Her lengthy telephone conversations with friends have stopped and there are only occasional signs of the familiar interest with which she greeted the public.

Last year she smoked a package of cigarets a day and drank an occasional cocktail. Today she neither smokes nor drinks.

"Nothing seems the same without Papa," she has said.

Her first public appearance will be June 6, when she attends the trooping of the color, the traditional annual ceremony at which the monarch takes the salute from the Brigadier Guards.

But her return to a normal life will be gradual. As the memory of her father's death dims, she may again set the tone of informal gaiety in royal circles.

The surface temperature of the sun is about 5900 degrees centigrade but some more distant stars are calculated to be much hotter.

North B. C. Indians Threaten to Boycott Smithers Business

MORICETON, B.C., May 21 (CP) —An Indian chief today charged white people in Northern British Columbia with "terrible discrimination" and threatened to boycott their businesses.

Chief Harold Sinclair of the Kitwanga Band said 5000 Indians in Northern British Columbia are "determined to break this terrible discrimination against them in the earning of their daily bread."

He particularly mentioned Smithers, B.C., 225 miles East of Prince Rupert, in his discrimination charge. Moriceton is 21 miles South of Smithers.

Indian representatives and Smithers Chamber of Commerce are scheduled to meet June 2, and the chamber has promised action "if the Indians have any sound basis for their claim."

Indians have complained of ill-treatment by "some Smithers business establishments."

Smithers business men said today "the Indians are exaggerating the matter."

Award Presented to Lotta Hitschmanova

OTTAWA, May 20 (CP).—Dr. Lotta Hitschmanova, executive director of the Unitarian Service Committee, has been presented with a special scroll and medal by the Archbishop of Athens, committee headquarters here reported today.

The medal, in recognition of her help to the Greek people, was the second she had received for this work. In 1950 she was presented with the silver medal of the Greek Red Cross. Dr. Hitschmanova now is on a fact-finding tour in Greece.

Bridge Authority Only Way Says Works Deputy

KELOWNA, B. C. — "Snow removal in British Columbia is now one of the biggest problems of the Department of Public Works," said E. S. Jones, deputy minister of public works at the annual special dinner meeting of the Board of Trade here on "Development of Highways in B. C."

He said most criticism of B. C. highways is due to comparison of our roads with those of states to the South. The province looks after 22,000 miles of highways without the aid of the Federal Government.

"B. C. maintains more miles of highways than the States of California, Oregon and Washington put together," he said. "Because the United States government offers financial and maintenance assistance, it is unfair for the people of B. C. to criticize the provincial government on its highway system."

On the question of bridges replacing ferries throughout the province the deputy minister said he saw no way they could be built except under a bridge authority. A bridge across Okanagan Lake between here and Westbank would cost in the amount of $7,500,000, he said.

Secondary highways throughout the province will be given consideration in the very near future, he said.

Find 4 of Sloop's Missing Passengers

BELLINGHAM, Wash, May 21 (AP) — The wind-whipped wake of one of Puget Sound's worst yachting tragedies has revealed the bodies of four of seven persons who were aboard the 35-foot sailing sloop Prelude when it vanished Sunday evening.

An extensive search for the other three persons—now presumed dead—and the wreckage of the mysteriously missing boat is continuing today.

The bodies of Mrs. Ellen Fordyce and her son Kenneth, 12, Ed E. Jukes and Mrs. Donald W. Card, were found in the waters between here and Orcas Island, some 15 miles to the Southwest. Only Jukes was not wearing a life preserver.

Still missing are Paul Fordyce, the owner of the yacht, Donald Card and Mrs. Jukes. Only a mattress, lifeboat paddles, two seat cushions and an ice box door from the Prelude have been found.

One of the world's largest fish-canning industries, with more than 100 factories, is at Stavanger, historic Norwegian port.

Has "World-Owes-Me-a-Living" Feeling Killed U.K. Initiative?

By ALAN HARVEY
Canadian Press Staff Writer

LONDON (CP)—It's not exactly a brand-new thought, but current political comment provokes an uneasy question—is Britain entitled, after all, to a higher standard of living?

Through the war years and the period of shortages which followed, the British people experienced disappointments, false dawns and hopes deferred. The weekly meat ration shrank to a parcel that could be pushed through a letter-box and a customer couldn't even take his dirty clothes to the laundry of his choice, but through it all most had faith in better days ahead.

DOUBTS AHEAD

Now there are doubts. While politicians talk about full employment, full stomachs and lower living costs, there are others who see Britain stuck with what she has, reduced to the sort of permanent fish diet for which these islands probably were intended in the first place.

In this view, the term United Kingdom conjures up a picture of 50,000,000 people living on a rock in the North Sea, with coal which they won't dig as their only important resource, but smugly accustomed to and clamoring for a standard of living dating from the days of the industrial revolution, cheap food and a paramount pound

CHRONIC COMPLAINTS

One such critic is Columnist George Schwartz of The Sunday Times, a Conservative newspaper.

The first simple statistic, says Schwartz, is that the land area of the United Kingdom is 94,205 square miles, or something under 0.2 per cent of the land area of the globe. Looked at in that light, you'd think Britons would be pretty happy with their present share of the world's goods.

Not so, says Schwartz. Instead, the people are "more peevish, cross and splenetic" than if they had spent 300 years in the wilderness.

Although he does not say so, the Columnist probably has in mind the kind of world-owes-me-a-living mental attitude which is blamed for a recent strike at a clock-making firm in Cricklewood, Northwest London.

The company, faced with a cancellation of export orders caused by commonwealth import cuts, decided to fire some of its employees. The union demanded that the company retain the men until suitable alternative employment could be found. The company refused, and the entire staff went on strike.

Barbara Brent's BUYS AND WHYS
A WEEKLY INFORMATION SERVICE

MONTREAL, May 22nd — "Rise and shine" . . . with a wonderful breakfast of 5 Minute "Cream of Wheat". This breakfast treat is so smoo-oth and delicious, it's guaranteed to waken any heavy-eyed sleepyhead. Easy to prepare, too — for 5 Minute "CREAM OF WHEAT" cooks to taste-tempting perfection in just 5 minutes of boiling. What's more, 5 Minute "Cream of Wheat" is good for you. It supplies Iron for good red blood, and Calcium and Phosphorus — for diets deficient in these elements. Treat your whole family to "Cream of Wheat" some morning soon. One taste, I know you'll make it your family breakfast stand-by!

They All Say It . . . Yes, all my friends say "This is the *best* coffee I've ever tasted!". And no wonder. For INSTANT CHASE & SANBORN COFFEE is made by real coffee people . . . it's the happy result of almost 100 years of coffee experience. The flavour's there — and the body — and the real lift. So when friends drop in . . . serve Instant Chase & Sanborn Coffee. It's wink-quick to make one cup or a potful. Takes no longer to make than boiling the water. And it's wonderfully economical. (I save up to 40c a pound compared with ground coffee!) Switch to Instant Chase & Sanborn Coffee . . . I know you'll be glad you did!

Remember The Old Fable about the grasshopper and the ant? While the foolish grasshopper spent the summer chirping merrily, the industrious ant stored up provisions for the winter. And when the first icy blasts swept the landscape, you know who was in a pretty pickle! Therein lurks a lesson for all . . . The happier the summer, the faster it flits by. And the sooner Fall and Winter will be upon you. So provide for those new cold-weather clothes now — by *regular* saving! It's nearly painless that way. If you don't, "you-know-who" will be wrestling last year's hat into an excuse for this year's fashion. Why not put a small amount aside *every week* in a *Savings Account* at the BANK OF MONTREAL? And if you find it hard to save steadily — as so many of us do nowadays — ask for your free copy of "Personal Planning for Successful Home-makers" at the B of M. It's helped Canadians from coast to coast — and it can help you, too!

Made For Each Other . . . melt-in-your-mouth canned salmon and tangy, exciting SUNKIST LEMONS. Yes, they're a tasteful "team" for a real treat. Serve the salmon cold in a salad — or piping hot as a main-course dish . . . with lemon quarters for easy squeezing. That helps the folks to get all the zestful Sunkist lemon juice they want with their fish. M-mmm! *Fresh* lemon juice — so good — and good *for* them, too . . . lots of Vitamin C! So make your fish-dishes famous for flavour — with the added zest of Sunkist California Lemons. They're the finest, juiciest grown.

More Beautiful Women use Woodbury Face Powder . . . why don't you? Yes, Hollywood stars chose WOODBURY FACE POWDER 6 to 1! What's the secret of its popularity? The makers of this wonderful face powder say it's preferred because of the special blending process and exclusive foundation-cream ingredient. It's so satin-smooth, so fabulously fine and velvety — clings so beautifully for hours. And the superb Woodbury shades are *wonderfully* flattering. See what Woodbury Powder can do for *you* — costs just 23c, 45c and 75c. And try the vivid excitement of Woodbury lipstick, too. Creamy, clinging — in 7 tempting shades . . . 23c and 55c.

I've Discovered A Wonderful Way to clean my refrigerator. ENERGINE CLEANING FLUID does the trick! Yes, Energine works like magic to make porcelain surfaces sparkle — refrigerators, bathtubs, sinks, tiling and wash-basins. Energine makes "child's play" of *so many* household chores. It's "certain-sure death" to grease spots . . . will get rid of even those deep-down stains on upholstery, drapes and rugs. Contains no caustics nor acids and will not harm fast-dyed fabrics. Just try it once and, like me, you'll know that Energine is the *handiest* thing in the house. Ask for it at drug and department stores for as little as 25c.

Thirteen Is My Favourite Number when it comes to buying tomato ketchup. Because my "best buy" is the big 13-ounce bottle of HEINZ TOMATO KETCHUP. Just compare it with the 11-ounce bottle of some brands — and see how little extra you pay for Heinz quality. Made from pedigreed "Aristocrat" tomatoes — blended with the same vinegar that makes Heinz pickles famous — livened with fragrant spices — and sweetened with pure granulated sugar . . . no wonder Heinz Tomato Ketchup peps up every dish it touches. Want to make hubby happy? Then just put a bottle of Heinz Ketchup on the table tonight.

Want A Wonderful Spring Salad that will add a piquant touch to your meals these lovely May days? Here's one . . . and Lime Jell-O is the reason for its tangy, tempting flavour. That "locked-in" Jell-O flavour is sealed right in each tiny particle until *you* release it by adding water to the Jell-O. Keep several packages of JELL-O JELLY POWDERS on hand. There are seven grand flavours — for delicious desserts and salads such as this:

SPRING GARDEN SALAD

1 package Lime Jell-O
1 cup hot water
1 cup cold water
2 tablespoons vinegar
1/2 teaspoon salt
1/2 cup sliced radishes
1 tablespoon finely-chopped green onion

Dissolve Jell-O in hot water; add cold water, vinegar and salt. Chill. When slightly thickened, fold in radishes and onions. Chill until firm, in large mould or individual moulds.

Even A "Beginner" Can't Go Wrong with this wonderful stove. The new '52 GURNEY Gas Range has so *many* cooking helps. First of all, there's the famous Gurney "Even-Heat" oven that keeps the temperature exactly right — *automatically* — on the sides, the top, on the bottom . . . and even in the corners. Then there's the automatic clock control for easy, automatic cooking. And I particularly like the glass oven-door panel so you can check up on your cooking without opening the oven door. But I'd suggest you take a look at the new Gurney features yourself. See your Gurney dealer tomorrow. He'll be glad to show you how carefree cooking can be — with the new Gurney Gas Ranges.

In our family

AYLMER Tomato Soup

is FIRST CHOICE...

for True Tomato Flavor

SAYS MRS. J. L. DONOGHUE

Those happy smiles on Dad, Therese and Joe speak volumes for Aylmer flavor. The Donoghues have 3 other children—Carole, Gwen and Leo—so Mrs. Donoghue buys the big 20-oz. tins of Aylmer Tomato Soup and gets *twice* as much for *less* money.

Fruitvale Notes

FRUITVALE, B.C. — Alex Graham is attending a United Church conference at Vancouver, representing the St. Paul's United Church. He accompanied Rev. D. W. More to the Coast.

Mrs. Irene Barlock is visiting friends in the Okanagan Valley for a few days.

Dale Spooner is visiting his parents, Mr. and Mrs. W. Spooner Summer holiday. He is a student at the Naramata Christian Fellowship Training School.

Movie Gossip

By BOB THOMAS

HOLLYWOOD, May 21 (AP)—Don't worry your pretty head if you don't have a perfect figure, girls.

Here are two experts who say that movie stars don't either.

Well, maybe there are two exceptions—Elizabeth Taylor and Marilyn Monroe.

This verdict comes from Al and Estelle Allardale, a husband-wife team and operators of an exclusive shop patronized by Hollywood fashion-seekers.

FLAWLESS

"Every star has some drawback, as far as figure is concerned," reported Allardale. "The only ones who break this rule are Miss Taylor and Miss Monroe. Try as you may you can find no structural defects in either one.

"But I do not mean that they are completely perfect. No one can be that good. Miss Taylor lacks a maturity, which is an important part of beauty. And Miss Monroe must dress vary carefully, or she will look cheap."

"All of the other stars have some defect or defects, many of them glaring," Mrs. Allardale added. Together, they enumerated some of them. Their decisions:

Greta Garbo has feet that are too long and her posture is poor. Katherine Hepburn does not have enough in the right places. Jane Russel has too much bosom. Rita Hayworth is sway-backed.

Betty Grable may have beautiful legs, but she is too short-waisted. Shelley Winters has too much bosom and too much hips. Barbara Stanwyck is too thin all over. Bette Davis too chunky.

OTHER ASSETS

"But all of these stars have assets that make up for whatever they lack physically,' Allardale explained. "They have powerful personalities that make them exciting individuals."

"It's a matter of whether beauty is in the object or the eye," Mrs. Allardale remarked. "When beauty is lacking in the object, these women compensate with other elements. Irene Dunne and Eve Arden make up with chicness what they lack in natural beauty. Dinah Shore does it with warmth and appeal."

Allardale added that beauty is merely a matter of fashion, anyway.

Paper Price Draws New York Squeals

NEW YORK, May 21 (CP)—The New York Daily Mirror says today the $10-a-ton increase in the price of Canadian newsprint sold to the United States 'is a political move to increase American aid to Canada."

"No economic factor warrants this increase which will prove disastrous to some newspapers, a hardship to all," the Mirror says in an editorial.

"The same process applies to coffee, to the cocoa bean and to numerous other commodities, some of which are priced not by the market, but by what government-controlled cartels decide the traffic will bear in the Uinted States. Their object is not trade itself, but the accumulation of American dollars."

Gangster Tactics In London's West

LONDON, May 21 (AP) — Seven masked men ambushed a postal truck and made off early today with loot estimated in newspaper reports at up to £100,000.

Three guards attempted to fight off the robbers. They were blackjacked into submission. Two of the gang then drove away with the truck, followed by their five accomplices in a black sedan.

The truck was found five hours later, abandoned near the scene of the robbery. The holdup took place on a side street, only a block from Oxford Street, the London department store centre.

The thieves had rifled the truck of registered mail and parcels.

Eight days ago thieves boarded a Brighton-to-London train and stole £10,500 from a locked mail car.

A post office official said the latest loss "is certain to be many thousands of pounds" but declined to give any figures until the senders of the stolen mail and packages had been interviewed.

The robbers stopped the truck by swerving their car across its path.

20 MILES PAVING FOR OKANAGAN

KELOWNA, B. C.—Contracts for the paving of 20.2 miles of highways in this district have been let, according to L. E. Willis, resident engineer for the Provincial Department of Public Works.

The contract includes main highway work in the Kelowna, Okanagan Mission, Rutland and Winfield areas.

Storms Construction of Vancouver has been awarded the contract. Cost of this work will come out of the $2,000,000 ear-marked by the Provincial Government for secondary highway work.

The nearest star to the earth, apart from the sun, is Proxima Centauri, some 25 billion miles distant.

Trouble Brewing In South Africa

CAPETOWN, May 21 (AP) — Prime Minister Daniel Malan's nationalist forces kept up their relentless fight today against opponents of their white-supremacy policy.

They kicked a Communist out of parliament and ordered another off the provincial council of Cape Province.

Both men represented colored voters (persons of mixed blood) of Cape Province, whose voting rights would be curtailed under Nationalist legislation now awaiting approval by the senate.

The garment workers, meanwhile, called a meeting Saturday and planned a 24-hour strike at some future date to protest a government order that their general secretary, C. S. Sachs, resign his post on charges of being a Red.

Moyie Notes

MOYIE, B.C.—Chief P.O. Officer Reading and his family have returned to their home in Victoria after spending 10 days with the parents of Mrs. Reading, Mr. and Mrs. Frank Botterill.

Mr. and Mrs. A. Erickson and son of Jorne, Vaslbotten, Sweden, have arrived in Moyie. Mrs. Erickson and her son spent a week with Mr. and Mrs. Gust Williams, while her husband, went on to Vancouver. Mrs. Erickson is the daughter of the late O. Lundquist. While here they also visited her stepmother, Mrs. Lundquist.

Mr. and Mrs. L. Gravell have returned to their home at Moyie, after spending the Winter months at Victoria

Trail's Joe Jankola Fans 24 in No-Hitter

CALGARY, May 21 (CP) — Twenty-year-old Joe Jankola of Trail, B.C., last night struck out 24 batters—only three short of the possible in a nine-inning game—when he racked up the first no-hit, no-run game in the history of the Chinook Amateur Baseball League.

Jankola's strikeout total was a league record. He led Calgary Universal Mercurys to a 19-0 victory over Standard.

Jankola, attending the Calgary Technical Institute, walked the first two men in the sixth inning. The second out in the ninth came on an infield play.

What is believed the strikeout record for organized baseball was set May 13 at Bristol, Penn., by 19-year-old Ron Necciai who fanned 27 men in a class-B Appalachian League game. The previous top mark recorded was hung up by Hooks Iott who struck out 25 in a nine-inning game for Paragould, Ark., in June, 1941.

SINKS 4th ACE

DENVILLE, N. J., May 21 (AP) — Golf pro Danny Williams, Jr., specializes in aces.

He scored his second hole-in-one in three weeks and fourth of his career Tuesday on the 130-yard, par-three ninth hole at Rockaway Country Club.

BUMS SCORE 15 IN ONE INNING

By The Associated Press

Brooklyn Dodgers set a hatful of records Wednesday night as they took over first place in the National League by smearing Cincinnati Reds 19-1.

The Dodgers created at least five modern records in the first inning when they scored 15 runs on 10 hits, seven walks and two hit batsmen.

The 15 runs erased the modern standard of 14 runs in one inning by the 1920 New York Yankees, 1922 Chicago Cubs, 1948 Boston Red Sox and 1950 Cleveland Indians. The all-time high of 18 was scored by Chicago Cubs in the seventh inning, Sept. 6, 1883.

Twenty-one Dodgers went to bat, another record, and 12 scored after two were out, also a record. The previous mark for most at bats in one inning was 19, established by the 1922 Cubs and tied by the 1948 Red Sox. The former high for most runs scored with two out was 11, set by Pittsburgh in 1942. The other marks set were, most runs batted in one inning, 15, and most batters to reach first safely in succession, 19.

Chris Van Cuyk lashed out four straight hits, two in the big inning, as he coasted to his third victory by scattering five hits.

New York Giants split a twin day-night bill with St. Louis Cardinals to drop a half-game behind the Dodgers. The Cards took the opener 3-0 as Cliff Chambers blanked the Giants with five hits. Lefty Dave Koslo won his 10th straight game from the Cards as the Giants slugged out an 8-1 triumph in the night contest.

Philadelphia Phillies downed the floundering Pittsburgh Pirates 7-3 in another night game while the scheduled contest between Chicago and Boston at Boston was washed out by rain.

TRUCKS COMES CLOSE

Virgil Trucks made a valiant effort to become the second pitcher in major league baseball history to pitch two consecutive no-hit games but had to settle for a 5-1 two-hit Detroit Tigers' victory over Philadelphia Athletics.

The 33-year-old righthander, obviously nervous, held the A's hitless until the seventh inning of the American League day game when Billy Hitchcock singled with one out to break the spell.

Trucks pitched a 1-0 no-hitter against Washington last Thursday and until Hitchcock singled, Trucks had hurled 15 2-3 consecutive hitless innings.

St. Louis Browns squeezed out Washington Senators 2-1 in 10 innings in a night American League game while New York Yankees cuffed Chicago White Sox 5-1 in a day contest behind the five-hit pitching of Allie Reynolds.

Early Wynn and Mike Garcia proved too much for Boston Red Sox and Cleveland Indians won a two-game series opener 5-1 in another night game. Wynn, credited with his fifth victory, was rescued by Garcia in the eighth.

Duke Snider hit the only homer of the Brooks' record-breaking inning attack that included 10 hits, seven walks and two hit batsmen. Bobby Norgan later hit two homers, each with a man on base.

A homer by Dixie Howell, his first hit of the season, ruined Van Cuyk's shutout bid.

Robin Roberts, working towards his third 20-victory season in a row, chalked up win No. 7 in the Phillies' victory over the last-place Pirates. Roberts hasn't lost a decision since he was the loser in the Phillies' 1952 opener.

Koslo scattered eight hits for his second triumph of the season for the Giants, both over the Cards. He has whipped them 10 straight times since they last defeated him June 11, 1950.

Western Hangs On In 83-82 Thriller

TILLSONBURG, Ont., May 21 (CP)—A lay-up shot by Bill Pataky with nine seconds of the game remaining gave University of Western Ontario a thrill-packed 83-82 victory over Tillsonburg tonight in the third game of the best-of-five Canadian Olympic basketball trials. It was the Mustangs' first victory.

A crowd of about 3000 remained on its feet in the last 10 minutes as the lead bounced back and forth with the outcome in doubt until the final second. Livingstons won the first two games 79-65 and 75-69 and the fourth game will be played here Friday.

Carl Ridd, flashy Winnipeg Grads star who was granted permission to play in this series by the Canadian Basketball Association, fluffed a glorious chance to tie the score with one second left in the game. He missed a free throw when his shot hit the front of the rim, balanced momentarily and then rolled off.

A couple of minutes previously, the Winnipegger shoved Tillsonburg in front 80-79 with a foul shot. Then Pataky sent the college champions ahead 81-80 and climaxed it with his brilliant lay-up shot after he stole the ball from playing-coach Paul Thomas at centre.

27-POINT EFFORT

Doug McNichol of the collegians was the outstanding player on the floor with a 27-point total—nine fielders and nine free throws. His defensive work was largely instrumental in the Western victory.

The Mustangs, coached by Johnny Metras who refused to play two University of Alberta Golden Bears awarded them by the C.A.B.A. on grounds it wasn't ethical, held the Livvies to a 16-16 first-quarter tie, went ahead 43-36 at the half but relinquished the lead 61-59 at the three-quarter mark.

Lamotta Wins On Comeback Trail

DETROIT, May 21 (AP) — The swarthy Jake Lamotta, the aging Bronx Bull bent on a comeback hade his late-round bull rushes pay off tonight to win a unanimous 10-round decision over young Gene (Silent) Hairston before an estimated 10,000 fans at Olympia Stadium. Lamotta, eight years older than the 22-year-old Hairston, outweighed his foe 168 to 160¼.

DETROIT, May 21 (AP)—Undefeated welterweight Chuck Davey was signed today for a return bout with Chico Vejar at Olympic Stadium June 11.

Davey, former Michigan State college boxer who made good in the pro ranks, won a unanimous 10-round decision over the Stamford, Conn., welterweight in Chicago May 7.

That action-packed bout was acclaimed by many as one of the finest fights of the current season.

Russia Serious About Summer Olympics

By WILL GRIMSLEY

NEW YORK, May 21 (AP)—Don't sell Russia short in the Helsinki Olympics—the Soviets may prove the potent "dark horse" of the Summer Games, a member of the United States Olympic Committee said today.

"We have been informed that Russia has had 2000 athletes under intense training for two years for these Olympics," Richard M. Ritter said. "We know they are determined to make a tremendous showing for political reasons.

"Also we know that Russia is dominating the Olympic programs of its satellite countries—Czechoslovakia, Poland, Hungary and so forth. The Soviets could shift athletes from Hungary to Russia, for instance, and no one would know any difference.

IN THE DARK

"That's just how much in the dark we are about Russian personel and Russian strength. They aren't giving out much information but we know, from everything we hear, they are girding for a supreme effort."

Ritter, a retired business man of Jenkintown, Pa., is honorary secretary of the World Amateur Swimming Federation. He was a U.S. Olympic swimmer in 1908, one of the organizers of that sport's world organization and has been an Olympic committee member since 1932.

"Just this week we have been notified that Russia is assigning four swimming judges, two diving and two water-polo judges to the Helsinki Olympics. That seems to be proof enough the country is planning on entering a full team."

MAYS REPORTS MAY 29

NEW YORK, May 21 (AP) — Willie Mays, centrefielder for New York Giants, received orders today to report for army duty May 29.

The papers were sent to the young outfielder from his home in Fairfield, Ala.

Mays, the National League's rookie of the year in 1951, was accepted for service Jan. 16.

NEW YORK, May 21 (AP)—The Finnish national travel office said today next Friday midnight is the deadline for buying tickets to the July Olympic Games in Helsinki.

Tickets not sold by that time will be returned to Helsinki for redistribution to countries which have sold their quotas, a spokesman said.

CARSON CITY, Nev., May 21 (AP) — Jim Thorpe, famed Indian athlete of 40 years ago, has applied for a Nevada gambling licence to go into the night club business near Las Vagas.

Pirate Plight No Aid to Meyer's Stomach Ills

PITTSBURGH, May 21 (AP) — Published reports today that Pittsburgh Pirate Manager Billy Meyer will quit because of a stomach ailment brought scoffing denial from General Manager Branch Rickey.

The Philadelphia Evening Bulletin quoted Meyer as saying he has had stomach trouble for years. He added:

"The way we're losing now I dont feel that I can take it indefinitely."

Rickey commented calmly on the report:

"I doubt if Meyer said that. I know he has been taking treatments for a stomach condition for some time, but I don't think he made that statement."

The newspaper also quoted Meyer as saying:

"No manager can make gold nuggets out of hunks of brass. I have a couple of kids who have a chance to become major leaguers.

"I know some of the kids are going to make good but by that time I may be back on the farm."

When asked if that meant he was going to quit. Meyer is quoted as replying:

'We can't go on losing forever and I've got my health to think about."

The Pirates have won five games and lost 26 so far this season but Rickey predicts his "youth movement" will result in a better ball club by next year.

Als Enlist McGill's Obeck as "Advisor"

MONTREAL, May 21 (CP) — Montreal Alouettes of the Big Four Football Union announced today that Vic Obeck, coach at McGill University, will join the Alouette brain trust for the training period in July.

Obeck will serve as something of a Canadian advisor to coach Douglas (Peahead) Walker, Alouettes' newly-acquired coach from Wake Forest College in North Carolina.

Obeck will help with instructing the linemen and will be in charge of the team's conditioning.

His chores with Alouettes will not interfere with his duties at McGill, where he is athletic director and football coach. His work with the Big Four team will coincide with his vacation arrangements.

British Cricket

LONDON, May 21 (Reuters)—A couple of flashing centuries by opening bats Eric Bedser and David Fletcher today gave Surrey a formidable pile of runs in the first day of its league match against Essex.

Bedser scored 116 and Fletcher 142, rocketing the team to a total of 417 all out.

Middlesex, with Surrey hard on its heels at the top of the league table, had a grim struggle with Gloucestershire at Lords for first-innings supremacy. Gloucestershire inched ahead to get 169 all out against Middlesex' 138 all out.

Individual honors of the day went to Fred Gardner, Warwickshire opening bat, who stood undefeated through the whole innings against Lancashire to score 184 of his team's 286.

Fred A. Huber Jr., publicity director of the Detroit Red Wings, advises that it takes between 29 and 31 minutes to play a regulation 20-minute period in Detroit Olympia. Huber has been checking the actual time it takes to play a period this season in Detroit. He says that 28 minutes is the fastest time it took to play a period and that the second period in the Toronto-Detroit game of December 2 took the longest and is possibly a record for the longest single period in hockey. The second period on December 2 took 55 minutes to complete. The actual game took two hours and 29 minutes to play.

Around the KOOTENAY in Sport

GERRY REYNOLDS

A fine example of how talk can be harnessed into action was seen this week with the blossoming forth of Nelson's Little League baseball setup. Assurance of a five-team league has exceeded the fondest wishes of organizer Ab MacDonald who began talking up a four-team league a scant three weeks ago. Within two weeks he had more than enough sponsors, $1500 in the kitty and, most important, an eager group of the city's most active young men ready to pitch in and make the league work.

This kind of positive action is a treat to behold, notwithstanding the feeling of many that the kids of today are already overly spoon-fed. And Nelson kids are more fortunate than most in the encouragement of athletic talents. Nevertheless, the Queen City is lagging in organization as compared with Trail and Kimberley. These towns may be reaping the benefits of company subsidy but they're making organization pay off in hockey championships (e.g., Trail's four B.C. championship squads and one finalist last season.)

In short, the Little League is another big stride towards an Amateur Athletic Association which Nelson must have if it is to continue to compete with Trail and Kimberley.

The rest is now up to the kids as far as baseball is concerned. The 10-12 year-olds are now organized, the present four-team Midget League takes care of the 15-16 bracket. Only kids caught in the squeeze right now are the 13-14 year-old youngsters who aren't good enough for the Midget League and are too old for Little League. But if Little League here fulfills its promise, next year should see the formation of the Pony League, (13-15 age group), an off-shoot of the Little League to permit its graduates to continue in organized ball. Altogether, it's a bright situation getting brighter.

★ ★ ★

SHORT SHOTS . . . Bud Greenwood says he has had a good response from his offer to coach prospective scullers, and incidentally, to revive the Nelson Rowing Club. At least 10 have contacted him to date, more than enough for two crews, but Bud says he can take at least that many more. First lesson will be early next week . . . The ball park lighting investigation committee hasn't yet decided how to raise the $12,000 needed for installation but they plan to go ahead and put up the poles already donated providing the Civic Centre Commission doesn't object . . . Nelson Hockey Club is in complete accordance with the W.I.H.L. recommendation to scrap the costly Coast trip but would like to maintain the inter-league exchange with the Okanagan teams, possibly to make two trips to those centres says Leaf prexy Frank Hufty . . . Johnny Harms, who left here three weeks ago on a trip to California, is reported in Vancouver. The ace right winger has assured Wares he'd be back in three weeks but the Leaf moguls are keeping their fingers crossed as Johnny is a key cog in next season plans.

★ ★ ★

DIAMOND DUST . . . Jack Spring, who did some chucking for Nelson last season, is pitching for Washington State Cougars and is highly-rated as a pro prospect, Clive (Sports Eye) Fleming reports . . . Joey Jankola's feat of whiffing 24 men in a no-hit performance should birng smiles to Smokie manager Eric Bishop's face. The speed-boy is attending Calgary Tech and is slated to rejoin the Smokies when school's out . . . Speaking of pitchers, Tiger manager Fred Tinling rates Nelson Outlaw ace Ron Brown as the best homebrew in the district. It's no secret, Tinling would like to get him for the Tigers . . . Incidentally, Ron Brown's club will head for the New Denver tournament Saturday and possibly stay over for another game Sunday. They've also accepted an invitation to Nakusp for the Silver Jubilee celebration there July 1 and hope to arrange a return game with Colville Air Force Base here June 1.

TIGERS, SMOKIES TRY AGAIN TODAY

Nelson Tigers make their first appearance of the season in Trail this evening when the Smoke Eaters play host in a postponed exhibition at Butler Park.

Tingling will send out Marsh Severyn to face lefty Pete Boisvert, Smokie ace whom Nelson has failed to beat yet in two seasons.

The team will leave from the Arena at 4 p.m.

Fights

LOS ANGELES—Ramon Fuentes, 146, Los Angeles, outpointed Bobby Jones, 147, Oakland, Calif., 12.

SACRAMENTO, Calif. — Freddie "Babe" Herman, 142, Los Angeles, outpointed Woody Harper, 146½, Oakland, Calif., 10.

NEWARK, N. J. — Charlie Williams, 153, Newark, outpointed Clarence Harbin, 148, St. Louis, 8.

LONDON — Don Cockell, 177, London, outpointed Renato Tontini, 177, Italy, 10.

SALT LAKE CITY—Garth Panter, Dayton, Ohio, knocked out Floyd Richardson, Canada, 6.

Riondel Fastball Squad Downs Creston, Wynndel

RIONDEL, B.C.—Riondel's newly formed fastball team, the Giants, got off on the right foot by winning both ends of its opening doubleheader at Creston.

The Giants trounced the Creston Eagles 12-2 in the first game and then downed the Wynndel nine, 12-8.

Riondel lineup is as follows: Jerry Bishop p, Larry Fiedler c, Ed Berns 1b, Jim Sutcliffe 2b, Len Bay 3b, Joe Rees ss, Bob Sutcliffe lf, Paddy Etmanski cf, Ron Hallstrom rf, Les Rylan and Len Fiedler, spares.

Giants' next games will be June 1 when they play host to Kiwanis in a doubleheader.

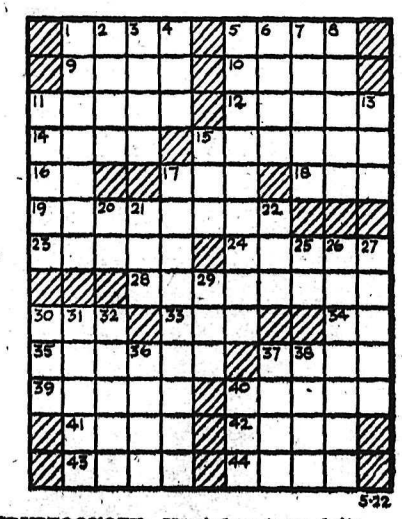
Yesterday's Answer



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X E
is L O N G F E L L O W

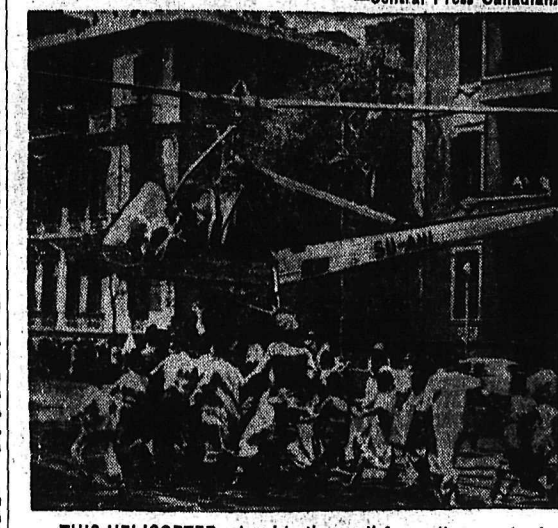
One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

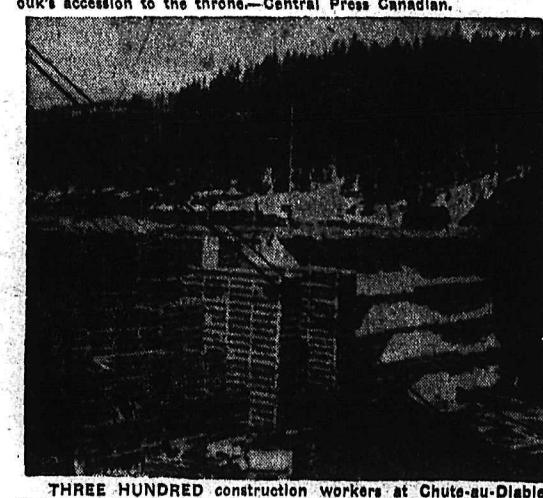
G K Z B U X Z H S G L W M S H P U L S B T K B Q, Y Z B N V S Q K S W M S N Q Z K N M S U S-N G W M N S T V J W B M S X R S Z—L M X Y S L-E S X U S.

Yesterday's Cryptoquote: I BUILT MY SOUL A LORDLY PLEASURE-HOUSE WHEREIN AT EASE FOR AYE TO DWELL—TENNYSON.

AUSTRALIAN PREMIER Robert G. Menzies and his wife are seen following their arrival in San Francisco en route to Washington and later London for top-level military and economic talks. Following his return from England, Premier Menzies will visit Canada.—Central Press Canadian.



THIS HELICOPTER catered to the small fry on the recent celebration of "accession day" in Cairo, Egypt. The egg-beater hovered low in the square near the royal palace of Abdin and dropped candy to the youngsters, some of whom optimistically carried baskets. "Accession day" is the celebration of the anniversary of King Farouk's accession to the throne.—Central Press Canadian.



THREE HUNDRED construction workers at Chute-au-Diable, Que., were forced to flee for their lives when a coffer-dam, seen above, broke on the rain-swollen Saugenay River. At work on a 250,000 h.p. hydro development, the men fled the path of the onrushing water when a temporary dam below a huge concrete dam gave way. Construction officials said no lives were lost but a part of the power development site was inundated by 30 feet of water, causing $100,000 damage to equipment.—Central Press Canadian.

PUBLIC NOTICE

NOTICE TO CONTRACTORS

SEALED TENDERS for the General Contract, including all trades, endorsed "Tender for School Construction, Salmo, B.C.", will be received by the Secretary Treasurer, School District No. 7 (Nelson) Nelson, B.C. at or before 5:00 P.M., Friday, June 6, 1952.

Working Drawings and Specifications will be available after 12:00 Noon, Monday, May 19, at the office of the Secretary of the School Board, and at the office of the Architects, Sharp & Thompson, Berwick, Pratt, 1553 Robson Street, Vancouver, B.C.

A certified cheque for Five Percent (5%) of each tender submitted must occampany each tender, and shall be forfeited if the party tendering declines to enter into contract when called upon to do so. On the award and signing of the contract, the successful tenderer shall furnish to the Board of School Trustees a Surety Bond equal to Fifty Percent (50%) of the contract price. On receipt of the Bond, the certified cheque submitted with the tender will be returned.

The Board of School Trustees and the Department of Education reserve the right to reject any or all tenders without explanation. No tender having any qualifying clauses will be considered.

The work consists of a new two classroom Elementary School with small Administration Section and Lavatories, and a two classroom addition to the existing High School with extension of existing steam heating and electrical systems.

The Contractors, at their option, may tender on any one or both projects.

A deposit of $25 (Twenty-Five Dollars) is required for each set of plans and specifications and will be returned upon receipt of same in good condition.

SHARP & THOMPSON,
BERWICK, PRATT
For Board of School Trustees
School District No. 7 (Nelson)
Nelson, B.C.

DATED AT VANCOUVER, B.C. May 15, 1952.

Market Trends

NEW YORK, May 21 (AP) — Buoyancy in the railroad section gave the signal for a general advance.

Canadian issues were mostly higher. McIntyre added ¼, and Canadian Pacific and Distillers Seagrams each gained ¼. Dome Mines dropped ¼, while International Nickel and Hiram Walker remained unchanged.

TORONTO (CP) — Golds climbed slowly to the highest level of the year's index. Western Oils drifted lower while industrials and base metals made little headway.

Trading was ragged. Guayana, a gold prospect, was an exception as it edged upward in a turnover of about 30,000 shares. Volume for the session was about 1,900,000 shares.

MONTREAL, (CP) — Prices dipped near the close. Trading was dull. Minus markers held a slight edge over plus signs, though many issues traded at previous rates. Changes were limited to fractions in either direction.

LONDON, (Reuters) — A dull session was intensified around midday when market talk of a possible higher bank rate caused general weakness.

Persistent selling of gilt-edged stock lowered values by ⅝ or more and the war loan 3½ per cent touched the low of 76⅝. Most other sections followed this lead.

Ain't It the Truth!

THE MAN who walks into a hardware store and buys a 1¼-inch drill, doesn't want a drill. What he really wants is a ¼-inch hole. THE CUSTOMER who buys our tablets or capsules or mixtures doesn't want those things as such. What we are really selling him is health, happiness and, sometimes, even life itself.

WHEN YOUR DOCTOR writes YOUR PRESCRIPTION, let your FIRST THOUGHT be . . .

Martin Praises Medical Science

HAMILTON, May 21 (CP)—Federal Health Minister Martin today paid tribute to Canadian medical research scientists and said the Canadian Government is giving financial backing to their work.

Canada has won "an honored place" in recent great advances in medical science, Mr. Martin said in a speech to the 72nd annual meeting of the Ontario Medical Association.

"It is the intention of the Federal government . . . to put enough of our national resources at the disposal of our medical scientists so that the frontiers of scientific discovery can constantly be pushed back."

OUTSTANDING RESEARCH

Federal aid already was "the outstanding feature of medical and public health research in Canada." This year it would account for approximately $2,000,000 of the $3,500,000 to be spent on health research.

Medical research was one of the greatest fields for conquering new worlds, Mr. Martin said.

"Who knows what research discoveries lie ready to our hand?

"Who knows how few more segments of medical science might complete our understanding of the laws governing the human body, and answer questions that since the dawn of time mankind has asked despairingly?"

12 New Outbreaks of F-M in Great Britain

LONDON, May 21 (Reuters)—Twelve new outbreaks of foot-and-mouth disease were confirmed Tuesday bringing the total in England, Scotland and Wales to 324 since November.

The number of animals slaughtered so far, including those in yesterday's outbreaks, now stands at: 19,173 cattle, 12,643 sheep, 7318 pigs and 20 goats.

Dutch Queen Opens Largest Canal Lock

TIEL, The Netherlands, May 21 (Reuters)—The largest inland navigation lock in the world and a new stretch of canal linking the heavy river traffic of inland Europe with the North Sea were opened today by Queen Juliana.

The 45-mile Amsterdam-Rhine Canal, which cost about $23,800,000, will take ships up to 4000 tons and halve the shipping time between Amsterdam and the Rhine to about 2 0hours.

Most haddock caught in Canadian waters are less than 10 pounds in weight.

Vandals Destroy Island Property

VICTORIA, May 21 (CP) — Attention J. A. Fitzpatrick, producer of those travel films on lands near and far:

Some vandals have disappeared into the sunset of beautiful Hill Island, lugging your bathtubs, doors, windows and lighting fixtures.

They even carted away your kitchen sink, Mr. Fitzpatrick, and chopped up the kitchen cupboards and burned them in the kitchen stove.

Word of the vandalism was received here today from Sidney, near Hill Island and 18 miles North of Victoria. The island nestles in the blue waters of the inside passage.

The travelogue producer acquired Hill Island about three years ago during a visit to British Columbia. On this island he built a house for holiday use.

Unfortunately, he didn't hire a caretaker.

John Garfield Found Dead in New York

NEW YORK, May 21 (AP)—John Garfield, 39-year-old actor, was found dead of a heart ailment in his apartment here today.

Dr. Thomas Gonzales reported the death.

Garfield was noted for his "tough guy" roles.

He gained fame on the stage for his potrtrayal of a boxer in the Clifford Odets play, "Golden Boy", in 1937.

He subsequently played gangster roles in Hollywood films and was starred in a number of Broadway productions.

Garfield, born Julius Garfinkle in Brooklyn, engaged in a number of juvenile scrapes and became a protege of Angelo Patri, child psychologist and writer. Patri was credited with starting him on his theatrical career.

Says Bullies Among German Immigrants

MONTREAL, May 21 (CP) — Charges that "swashbuckling bullies" from German, are entering Canada to become a "cancer" of foreign ideologies were hurled across the floor of the Canadian Legion's national convention today.

The convention agreed that Canada should tighten her immigration and citizenship laws to face the situation.

The most violent charges came from Alex Solomon, Montreal business man, who won upport for his demand that Germa nimmigrants be screened more thorougly because, he said, swashbuckling bullies are coming in to become pivots of unrest.

COME ONE, COME ALL!

COAL gives the Most Efficient Automatic Heat in a COAL Furnace

Your coal furnace is designed and built to burn only one fuel. That fuel is coal!

So, to enjoy the delightful comfort of automatic heat and to get the greatest heating efficiency from your coal furnace, install Combustioneer — the revolutionary automatic coal stoker. It is easily and quickly installed in your furnace.

FIRE-BED "BREATHES"

Combustioneer measures out the correct amount of air for efficient combustion. Then it "pokes-up" the fire so that this air surrounds each particle of coal. The fire-bed "Breathes," extracting all the heat from every pound of coal.

FREE BOOK—Ask for free book which tells about the comfort, labor-saving and economy of Combustioneer. Models include the Bin-Feed which feeds coal from bin to fire-bed.
