WEATHER FORECAST

Kootenay: Variable thin cloudiness. Not much change in temperature. Light winds. Low-high at Cranbrook and Crescent Valley 32 and 70.

Prince, Princess Off on Honeymoon

Cut 4-Foot High Wedding Cake; Page Boy Dropped Ring; Movie Lights Blaze

MONTE CARLO, Monaco (AP) — Princess Grace and Prince Rainier took their final marriage vows in the austere Monacan Cathedral Thursday, following which they boarded the Prince's yacht for a honeymoon cruise on the blue Mediterranean.

"Are you happy Grace?" came an American shout at the dock.

Her Serene Highness, the film star daughter of Mr. and Mrs. John B. Kelly of Philadelphia, Pa., didn't answer, but the prince smiled and nodded emphatically.

Grace, 26, and the 32-year-old sovereign of this little principality — united Wednesday in civil rites — became man and wife in the eyes of the Roman Catholic Church in the cathedral ceremony where they exchanged plain gold band rings.

CUT CAKE

They cut a four-foot-high wedding cake before their guests in the sunlit courtyard of the palace. Two hours later came the get-away in their white 300-ton yacht Deo Juvante II.

Grace carried aboard her two-year-old poodle Oliver, who was decked out in a blue velvet collar and leash that harmonized with her outfit—a grey silk suit with full skirt, a white overcoat, a tiny white hat and long white gloves.

She and the prince held hands in the salon which was loaded with flowers, while the crew stowed aboard 12 pieces of luggage. A big cheer from the dockside crowd finally brought the couple on deck, smiling.

At 5:07 p.m., the yacht pulled away. Whistles blared from other yachts and visiting destroyers in the harbor.

SHOOT ROCKETS

As the yacht nosed through the passage, two rockets shot into the air releasing parachutes carrying American and Monacan flags.

The bright, pleasant, and not too solemn cathedral wedding was played out under blazing movie lights to complete the marriage begun Wednesday.

The cathedral ceremony was serious and moving, but enough like other weddings to make everybody present feel it was real and not a movie set affair.

DROPPED RING

A page boy dropped a ring and Rev. Francis Tucker, the prince's American chaplain, scrambled on the sanctuary carpet for it. Grace's veil got caught under her chair. Rainier's sword tangled in his legs. Even thieves added to the excitement. Burglars took advantage of the concentration of police forces in the hotels to protect jewelry of wedding guests, already twice plundered—and rifled a private art collection of rare paintings worth $95,000.

But all that was forgotten when the bride marched Thursday down the aisle of the cathedral. She leaned on the arm of her father. Italian, American, British, French sailors and Monacan police presented arms for her. Bugles sounded and the church organ played.

The wedding went off like clockwork, slow paced, with music sounding to every gesture.

HELPED WITH RING

Rainier had trouble sliding the ring of Grace's finger but with her free hand she reached over and helped him. When her turn came to put the ring on his finger, it slipped on easily.

They did not kiss. Instead, mass was said.

Before the prince and Grace boarded the yacht, police attempted to move photographers and reporters from the positions they had held for several hours, but desisted when other photographers—primarily movie men—began to film the incident.

GRACE KELLY AND PRINCE RAINIER watch with smiles as Jacqueline Pasquier of Nantes, France, curtsies to them at the Palace in Monaco. The youngster won competition against 4782 French schoolchildren for writing the best wedding greetings to the prince and Grace. She went to the palace to recite her greetings and present the big bundle beside her in which are enclosed the unsuccessful efforts of her competitors.—AP Wirephoto by radio from Monaco.

BANK ROBBED AT COAST

Bandits Escape With $5,000, Miss $10,000

VANCOUVER (CP) — Two bandits Thursday accepted a teller's apology for the late opening of a Suburban branch of the Bank of Montreal, then scooped $5000 from the teller's cage.

The two men, armed with at least one and possibly two snub-nosed revolvers, then backed out of the bank and jumped into an escape car driven by a young blonde woman.

The dark blue car sped off and sucessfully escaped from an intricate police cordon thrown up by City and RCMP officers.

The bank is situated on Boundary Road, dividing line between Vancouver and Burnaby.

The two bandits were standing in front of the bank when it opened, 15 minutes late, for the day's business.

Teller Mike Catchpole apologized to the men for keeping them waiting.

One of the men replied: "That's all right, I want all the money."

The pair pushed their way into the bank and while one held a gun on the bank staff the other scooped the money from the teller's cage into a shopping bag.

In their haste to get away, police said, the men missed about $10,000.

Hammarskjold Wins Absolute Cease-Fire Along Gaza Strip

UN Sec'ty-General, Ben-Gurion Meet To Discuss How to Maintain Cease-Fire

By ERIC GOTTGETREU

JERUSALEM (AP)—Dag Hammarskjold announced Thursday that Egypt and Israel have put into effect a new and unconditional cease-fire on their strife-torn border.

It was the United Nations secretary-general's first big accomplishment on a Middle East peace mission for the Security Council. He said both governments told him they had ordered their forces not to shoot across or pass over the armistice demarcation line after 6 p.m. Wednesday.

Both sides agreed to the cease-fire more than a week ago but had reserved the right to fire in self-defence. They also had delayed giving Hammarskjold confirmation that the necessary orders had gone out to their forces.

Hamarskjold held two private meetings with Israeli Premier David Ben-Gurion Thursday on how to maintain the cease-fire.

Earlier, Ben-Gurion and his cabinet had a private discussion of the talks between the premier and secretary-general. Hammarskjold had conferred with Egyptian Premier Gamal Abdel Nasser in Cairo and with Lebanese officials in Beirut before coming here. He will return today to his Beirut headquarters.

His assignment is to obtain compliance with the 1949 armistice agreements of Israel with Egypt, Jordan, Lebanon and Syria and reduce tensions along the demarcation lines fixed by those agreements. He is to report to the council by May 4.

Shortly before the cease-fire announcement, an Egyptian military spokesman in Cairo said an Israeli patrol fired with automatic weapons for 15 minutes during the morning on an Egyptian post near Deir el Ballah in Egypt's Gaza coastal strip.

The strip's frontier was the scene of major clashes two weeks ago. The spokesman said Egypt suffered no casualties Thursday, did not fire back but complained to the armistice commission that Israel had violated the armistice.

FILE COMPLAINTS

Israel and Jordan filed complaints also with their armistice commission Thursday. The complaints grew out of clashes Wednesday.

LONDON (Reuters) — Lebanese fighters drove off two Israeli planes which tried to force a Sudanese airliner to land in Israeli territory Thursday, Cairo radio reported Thursday.

The radio said the plane, on a flight to Beirut, was over Lebanese territory when the two Israeli fighters approached. The pilot of the Sudanese plane made contact with Lebanese authorities who sent up two fighter planes. They put the Israelis to flight and the airliner landed safely, the radio added.

Parliament Thursday

By The Canadian Press

The Commons approved in principle the government's Trans-Canada Highway bill, three Progressive Conservatives being the lone dissenters.

An amendment by George Hees (PC —Toronto Broadview) that provinces decide where increased federal highway aid should apply was defeated 72 to 37.

Works Minister Winters said the new federal formula for the highway will require an extra $10,000,000 to $15,000,000 annual federal spending.

Defence Minister Campney said the U.S. guard in the Globemaster gun-drawing incident may or may not have been guilty of an error of judgment.

Trade Minister Howe said he hopes to make a statement shortly on a final payment to Prairie farmers under the 1954-55 wheat pool.

The Senate armed its divorce committee with new power to initiate prosecutions against witnesses who fabricate evidence in its divorce hearings.

Students Go Back to Classes

NANAIMO, B.C. (CP) — The 100 students involved in the walkout at Nanaimo High School Wednesday returned to their classes in normal manner today. There were no repercussions of the demonstration which a student spokesman said were caused by "despotic measures' of the school principal J. B. Litch.

However, this morning, the student body, in assembly, was warned by C. L. Campbell, inspector of high schools, that "any insubordination or indiscipline by the students will result in immediate suspension from school of those concerned."

"The School Board has heard the representatives of the students concerned and has decided that in order to clear the air a complete investigation of all aspects of the situation should be made."

Policeman Draws 3-Year Sentence

VANCOUVER (CP) — Charles Parker, 20, auxiliary policeman, was sentenced today to three years in jail for the beating of Grocer Chew Bing April 4. Parker pleaded guilty to a charge of robbery.

"This might well have been a charge of murder," magistrate Oscar Orr said as he passed sentence.

He said he beat the Grocer with a night stick after he finished walking a training round of a Chinatown beat with a city patrolman.

Parker said he committed the crime because he was "short of cash."

DOLLAR HIGHER

NEW YORK (CP) — Canadian dollar was 1-32 higher at a premium of 9-32 per cent in terms of U. S. funds today. Pound sterling off 3-32 of a cent at $2.81 1-32.

MONTREAL (CP) — U. S. dollar closed at a discount of 9-32 per cent in terms of Canadian funds, unchanged. It took 99 23-32 cents Canadian to buy $1 American. Pound sterling $2.08¼, down 1-16.

Engineers To Lead Graduate Salaries

OTTAWA (CP) — Starting salaries for university graduates this year will be higher than ever before. The unemployment insurance commission Thursday said employers are listing about 6000 job opportunities through the national employment service offering salaries up to 10 per cent greater than they were last year.

Engineering graduates, as usual, will get the highest starting salaries, averaging $345 a month, up from $317 in 1955. Some fields such as mining, civil and chemical engineering and geology offer as high as $450 a month, the commission said.

Outside of engineering, average salaries offered for college graduates are about $270 a month, compared with $256 last year.

Average monthly salary for undergraduates working during the summer months, is $218, with highs of $375 and low of $175, depending on scholastic advancement.

Canadian Players Play Western Tour

TORONTO (CP) — The Canadian Players, rambling offspring of the Stratford Shakespearean Festival, will send two companies late this year to tour Canada and the United States presenting four plays, it was announced Thursday. They will stage Shakespeare's Hamlet and Othello, George Bernard Shaw's "Man and Superman and Henrik Ibsen's Peer Gynt.

Green Warns Against Rogers Pass Route

OTTAWA (CP) — British Columbia Conservative Howard Green Thursday warned against construction of the Trans-Canada Highway over a B. C. mountain pass which has "a history of disasters from snowslides."

Mr. Green said in the Commons that if that route is chosen—a relatively short one over Rogers Pass between Golden and Revelstoke—"I have no doubt many Canadians will lose their lives in snowslides as the years go by."

Mr. Green, member for Vancouver-Quadra, spoke during debate on a bill to extend federal contributions to the highway another four years beyond next December's expiry of highway agreements with the provinces.

Works Minister Winters, emphasizing that choice of the route through the mountains is up to the B. C. Highways Minister Gaglardi.

STUDY JUMBO PASS

Mr. Gaglardi had said preliminary studies indicate Rogers Pass may be the route chosen, but that B. C. wants to investigate further the possibilities of the Jumbo pass route—a more southerly one through Windermere, B. C.

Mr. Winters said that if B. C. chooses Rogers pass, "we'll give it very favorable consideration." The federal government must approve the route.

Mr. Green and H. W. Herridge (CCF-Kootenay West) joined in a plea that the Jumbo Pass route be fully investigated before a final decision is reached.

The Commons discussion centred on the complex question of alternate routes across the Selkirk range between Golden and Revelstoke.

The route now designated for the highway is the so-called "Big Bend" one, swinging in a northward curve between the two points along the Columbia river. A highway already exists there.

Mr. Winters, referring to the possibility of a power dam at Mica Creek, at the north part of the Big Bend, said it seems expedient to find an alternate route since a dam would flood the road.

The Big Bend route travels 196 miles from Golden to Revelstoke. The direct Rogers pass would take 88 miles and the Jumbo route looping south would take 234 miles.

James A. Byrne (L-Kootenay East) asked about an alternate path for the Jumbo route, starting farther east at Mount Eisenhower in Alberta and bypassing Golden, B. C.

Mr. Winters said a lot of highway expenditures already have been made between Eisenhower and Golden. He could not recall B. C. ever suggesting dropping that section.

Mr. Green said the short Rogers pass route "may look tempting but it's about the worst snow area in B. C."

A former CPR route through the pass had had such a disastrous history that it was abandoned after the loss of many lives and much railway equipment. The five-mile Connaught railway tunnel was built at great cost to avoid using the pass.

'Dozer Worker Has Narrow Escape

LILLOOET, B.C. (CP) — Dave Robinson rode his runaway bulldozer down nearly 1,000 feet of embankment near here Thursday and lived to walk away.

Police said Robinson was working on a public works project high in the mountains when the road collapsed beneath his heavy machine.

He rode the bucking machine down the step embankment and was thrown clear near the bottom. He lay still as dislodged rocks thundered past him.

"It looked as if the whole mountain was coming down on me," he said.

Sleepy in the Mornings? Hormones May Tell Why

By ALTON BLAKESLEE

LOS ANGELES (AP)—Are you a slow, sleepy starter in the morning who comes to life at night? Or a quickly alert morning songbird who runs down in the evening?

Differences in normal supply of an adrenal gland hormone during the day might be the reason.

This suggestion was made Thursday to the American College of Physicians by Dr. Philip S. Hench of the Mayo Clinic, co-winner of a Nobel Prize for development of the adrenal hormone cortisone in treating rheumatoid arthritis.

He reported new measurements of blood content of the powerful adrenal hormone cortisol, also known as hydrocortisone.

The supply is usually highest about 8 a.m., then declines sharply until noon. It usually rises slightly again then falls late in the afternoon.

Other researchers find the decline continues through the night until, during sleep, it suddenly bounces up about 6 a.m. Maybe this is preparation for waking and the day's activities, Dr. Hench said.

SLOW STARTERS

The Mayo Clinic team finds some people have more hormone at 10 a.m. than 8 a.m. Perhaps these are the slow starters, whose supply lasts longer into the evening or isn't used up as fast.

Dr. Hench said he is one of those who is "hardly 'conscious' or at least not fully alert until 10 or 11 a.m."

The tests are being run on arthritis patients and normal persons to learn whether some upset in the hormone production mechanism is a cause of rheumatoid arthritis.

COUNTESS MOUNTBATTEN, who had never seen a koala, has her arms full with one brought to a Sydney, Australia, party. Watching at left is her husband, Earl Mountbatten, Britain's First Sea Lord. After hobnobbing with the British nobility, the koala went back to its gum trees in home at the Sydney Taronga Park Zoo.—AP Wirephoto.

Tax Cuts, Election Loom for Next Year

By DAVE McINTOSH
Canadian Press Staff Writer

OTTAWA (CP) — Fresh evidence that there may be tax cuts and a federal election in 1957 came to light Thursday.

Informants said preliminary work has already started on the 1957-58 estimates of government spending. This is some three months earlier than usual.

They added that this is a clear indication the government intends to pare estimates to the bone, thus allowing for a larger surplus than now forecast and possible tax cuts next year.

For instance, civil servants who ordinarily do a fair amount of travelling in connection with their jobs already have been asked to submit nearly a year in advance estimates of their expenses for the 1957-58 fiscal year. The 1956-57 fiscal year started only this month.

Informants said the individual government departments will have an extra three months to go over expenditure estimates before they go to the treasury board. Normally, departments submit their estimates to the treasury board around Nov. 1. The board reviews carefully each department's request for funds.

SPENDING OUT ORDERED

One source said the defence department has been ordered to cut spending in 1957-58 below the $1,775,000,000 appropriated in 1955-56 and the same amount Parliament is being asked to vote for 1956-57. Defence spending accounts for nearly 40 per cent of all government expenditures.

It was understood that the ministers and deputy ministers in each department will take larger slices out of estimates than usual before the treasury board gets a crack at proposed expenditures.

Another clue that tax cuts might be possible next year came from a bureau of statistics report that corporation profits last year were $3,022,000,000, an increase of 26 per cent over 1954. Taxation on these profits increased 18 per cent to $1,326,000,000.

If corporations continued in 1956 to make such profits, with resulting increased taxation revenue, a government surplus in 1956 - 57 greater than the $113,000,000 predicted by Finance Minister Harris would accrue. The bigger the surplus, the more chance it would be converted into tax cuts.

B. C. Bear Skins Off to Britain

PRINCE GEORGE (CP)— The Junior Chamber of Commerce in Prince George is planning to ship off its usual annual gift of British Columbia black bear-skins to England to make toppers for the Grenadier Guards.

This, despite a London dispatch saying the traditional bearskin hats worn by the brigade of guards now are made of—if you'll pardon the expression—Russian grizzly-bear hides.

Michael Silbertson, head of a London firm of uniform makers, said earlier this week his company has spent £5000 buying the skins from the USSR because the usual source—Canada—"has been drying up."

For the past six years the Junior Chamber in this northern B. C. town has been supplying the skins free of charge to Grenadier Guards.

The Chamber now is preparing a shipment of 20 skins and it is expected to be sent off within the next two weeks.

The unit has an annual quota of 30 skins, and procuring them costs the members about $200.

To meet the quota, many of the members take gun in hand during the hunting season and head for the bush country. If the members don't get enough, the Chamber fills its bag with purchases from local trappers.

A Chamber spokesman said he thinks the confusion lies in the fact that many British guards regiments wear the furry busbies. Prince George supplies only the Grenadier Guards.

He said the project first started in 1949, when England complained that its usual bearskin source—at the time, Russia— had been cut off. Furriers then were prepared to make the hats from treated wolf hides until the Junior Chamber here stepped into the breach.

IN BRITAIN . . .

Silent Crowds Greet Russian Visitors

By R. M. MacLURKIN

LONDON (Reuters) — Nikolai Bulganin and Nikita Khrushchev, Russia's top leaders, got down to business on world problems with Sir Anthony Eden Thursday after a chilling encounter with the British public.

A statement issued after their talks said it was agreed that "both the substance and the progress" of them should be secret. Nothing would be divulged except by agreed communiques, the statement said.

The Soviet statesmen spent the morning driving around the centre of London on official engagements. Everywhere they went there were crowds — and silence.

At the cenotaph, where they placed a six-foot wreath in honor of Britain's war dead, 1,000 persons just stood and stared. At Buckingham palace, where they signed the visitors' book, sightseers again kept silent.

NO WAVES RETURNED

As their convoy of limousines, flanked by police motorcyclists, coursed through the London streets, Premier Bulganin waved his hand continually. No hands waved in return.

And tonight, when the Russians returned to their rooms at Claridge's, there was loud booing from a crowd outside the swank hotel. It seemed to come from a group standing together.

The small, portly Russian leaders found their first warm welcome at the Soviet embassy where Russian children crowded around them with bouquets. Beaming benially, they went around patting the children with fatherly hands.

The keynote of their reception in London so fare is brusque security, with police keeping the public at a distance.

But behind the scenes, social meetings between the British and Russian leaders appear cordial. It is still to be seen how far this atmosphere will be strained by hard-hitting talks on such crucial problems as Communist arms supplies to the Middle East tinderbox and the reunification of Germany.

And in This Corner...

ALBANY, N.Y. (AP)—Six-year-old Jimmy Maddex rushed into naval reserve headquarters Wednesday and reported that his "little brother" had fallen into the Hudson River.

"He said 'I'm Superman' and jumped into the water," James said.

Police sped to the scene, launched boats and conducted a two-hour search with grappling hooks. At dark they gave up, took James home and told his mother.

"It couldn't be so," Mrs. Joseph Maddex said calmly. "James has no little brother."

CHICAGO (AP)—A 22-year-old wife and mother who said she'd rather have her television set than her husband got her wish Thursday.

Judge Walter O'Malley of superior court granted a divorce to Mrs. Darlene Carlson. She testified her husband, Richard, 27, a painter became violently angry when she stayed up late to watch TV shows. She charged him with cruelty.

The court gave her custody of their two sons, Stephen, 3, and Mark, 1, and ordered Carlson to pay $32.90 a week for their support. Mrs. Carlson was asked if her husband didn't mean more to her than the TV set. She replied:

"Definitely not."

TORONTO (CP)—A boy with a sweet tooth found $107.30 worth of candy to test his appetite Wednesday when he broke into a parked truck in midtown Toronto. Police, who later charged a 13-year-old boy with theft, said he had lost his appetite.

BRANTFORD (CP)—A thief who stole a flashlight from a parked car Wednesday short changed himself. He left $1 on the car seat. The flashlight was worth 98 cents, its owner said.

HOSPITAL PLANS TO BE DISCUSSED AT VICTORIA

New hospital architect and two planning committee members will travel to Victoria this weekend to discuss plans for the project with B.C. Hospital Insurance Service construction division personnel.

Committee chairman E. M. Stiles, architect D. P. Fairbank and committee secretary R. H. Procter will leave by car Sunday. They expect to meet with HIS staff members Monday.

Decision to go to Victoria was made by the committee following receipt of scheme and plans from HIS.

News Conducts Bylaw Forum

To inform readers on the $656,000 bylaw program to be voted on by city ratepayers April 27, the Daily News invites participation in a question and answer forum.

Questions submitted to the Daily News by telephone or letter will be received beginning today. City Council members will be consulted in obtaining the information for the answers.

Chamber of Commerce civic affairs committee is also planning a radio forum over CKLN.

Wiltons Move To Victoria

Residents of Nelson for nearly half a century, Mr. and Mrs. Harry J. Wilton are leaving for Victoria to make their home.

Mr. Wilton, a tailor here since 1907, retired two months ago. Mrs. Wilton came to Nelson in 1909, when they were married. Until 1946, Mr. Wilton operated his tailor's shop in the 500 block Josephine Street, where Gray's chocolate store and the Clerihew barber shop are now located. He sold his business in 1946, and in recent years has worked for Tickner Tailors.

Mr. and Mrs. Wilton's son, Hedley, who moved to Victoria with his family in February, came to Nelson this week to assist his parents to move. They will travel together by train.

DRIVER'S APPEAL NOT UPHELD

An appeal against conviction of failing to be reasonably considerate on the highway was not allowed in county court here Thursday by County Court Judge E. P. Dawson.

Mike W. Popoff was appealing the conviction handed down by Magistrate William Evans in provincial court. The alleged offence occurred March 23 at South Slocan. Popoff is from Crescent Valley. He was fined $25 and costs and his licence was suspended by the Magistrate.

The Judge did order the Magistrate's sentence amended to allow return of Popoff's driver's licence.

Odds . . . and Ends

. . . by M. D. B.

Heard they're trying to come up with a name for the new creek tearing down Cottonwood Street from the vicinity of the L. V. Rogers High School. Extra crews are trying to cope with the runoff which the other day raced down Anderson Street and gouged out the diamond at Queen Elizabeth park.

• • •

See where Notre Dame College is getting a coat of stucco. It seems that every time you turn around there's a new house mushroomed up in that vicinity, and some of them are really special looking. The mayor's split-level home is drawing much comment and some of the colors and materials are quite refreshing. There's also a house with colored brick trim that is out of this world.

• • •

Things are really doing 'round the park these days. The bath house has a freshly-painted look about it and the tennis courts are having their tapes painted on. The swimming pool has walks installed around two sides so far and the next thing to be done is excavating to put in the bottom or floor or whatever you call it. While taking in all this activity we stopped to admire a couple of bathing beauties down on the sand soaking up the sunshine.

• • •

Found Mr. Holt in the greenhouse, bright with geraniums and begonias (love the smell of a greenhouse). He was transplanting the last 2,000 of 32,000 seedlings. He proudly exhibited 640 begonias he had grown from seed — they were sturdy looking plants. He has 250 outdoor 'mums in pots and this year he's growing 100 indoor ones for show in the greenhouse. He confided that he hopes more people will come and look around the greenhouses

• • •

Asked him if he had any trouble with people snitching plants. He said no, none at all, perhaps a dozen out of thousands. He said his roses came through the winter well, for he had covered them as usual. He only lost about half-a-dozen out of 300 and all his shrubs survived.

• • •

Couldn't help asking him if Mrs. Holt is a gardener too and since she is down in Courtenay visiting her daughter, I guess I can tell you what he said, "I don't believe Mrs. Holt could grow a blade of grass," but I guess one ardent gardener in a family is plenty and we can't all have thumbs as green as Mr. Holt's.

• • •

While I was chatting with him I asked him if he had any birds in his quaint bird houses, and he assured me that swallows were nesting in both of them.

• • •

Leaving the park I noticed children on the swings and an elderly couple sitting on a bench enjoying the sun with a dog flopped down nearby, king of all he surveyed.

Nelson Juveniles In Narrow Escape As Car Goes Off Road

Three Nelson juveniles escaped serious injury when their car skidded and shot over the bank on the North Shore highway about 5.30 p.m. Thursday. One of the three boys, a passenger, was treated at Kootenay Lake General Hospital for a broken collar bone. The others suffered minor injuries.

RCMP said the Nelson-bound car apparently got out of control on loose gravel on a sharp turn about seven miles East of Nelson, and wound up at the bottom of a 12-foot bank on the lefthand side of the road, facing in the opposite direction in which it had been travelling. A string of Eastbound ferry cars had passed the spot only minutes before, police said. The car was heavily damaged, tentatively estimated at between $500 and $600.

Residents in the vicinity helped the boys from the car and gave them coffee, while waiting for police. The more seriously injured boy was taken to hospital.

Registration $10, Will Be Accepted at Door

17 Teen-Agers To Ride In Car Roadeo Here

Seventeen Nelson teen-agers have passed stiff written examinations in the Teen-Age Safe Driving Roadeo to become eligible for driving tests here Saturday. The event, designed to promote better driving by teen-agers, is sponsored by the Junior Chamber of Commerce.

Leader in the tests of skill at the Civic recreation grounds at 2 p.m. Saturday will win a free trip to Vancouver, where he will participate in provincial safe-driving finals May 26. The provincial winner will get a trip to Ottawa to compete in the national finals.

Saturday, the boys will be required to manoeuvre cars provided by Nelson automobile dealers between barrels set out on the grounds and through other obstacles providing limited clearance. Jaycee officials said there will be no speed trials, or "hot rod" races.

Second and third place will also be awarded. To go into the finals, contestants must have accident-free records, and so if the first-place winner happens to become involved in an accident, the next man will take his place, they explained.

Those successful in the examinations.

George Buckley, Morris Donaldson, Larry Fournier, Alvin Fox, Garry Foxall, Ronald A. Garner, Bill Lambert, Bob Laughton, Art Mawer, Norman Murphy, Don McGillivary, Brian MacKay, Lorne McRory, Barry Peterson, Ronnie Pringle, Peter M. Relkoff and Allan Schmidt.

School Costs Up $39,000 . . .

Midnight Oil Burned As City Budget Studied

With the 1956 budget to be brought down by the first of May and six bylaws to be presented to the public for their approval April 27 city councillors are burning the midnight oil.

They sat in a committee meeting of the whole council from 2 p.m. Wednesday until 11:15 p.m. studying the estimates and Mayor Joseph Kary said Thursday they would sit again Friday evening.

Pressed for time and busy for the past month preparing the $656,000 money bylaw program to put before the taxpayers this Friday, council will likely waive all business at its regular Monday night meeting and study the estimates further in an attempt to complete them, Mayor Kary said.

Then a special council meeting will be called to give the bylaw readings during the week and the budget will likely be brought down at a second special meeting April 30, the mayor said.

Council is seeking to retain the same tax levy for the city as last year, the mayor said. That is, it will adjust the mill rate to bring in about the same amount of money as taxes brought in a year ago — about $365,000. The mill rate, he explained, because of assessment equalization, will be lower. It required a mill rate of 44 mills last year, he explained, "now a 35 or 36 mill rate will bring the same amount of money."

However, though Council may call for only the same amount of money for city purposes as it did last year, the city's share in School District 7's budget has increased $39,000 this year, the Mayor said. This alone means another four mills. Total amount the city will pay to the school district this year is $164,452.

A school board official attributed the increase to an all-around increase in school operating costs, increased salaries, more teachers, more new schools and additions and more maintenance costs.

School district 7's total budget is $870,588 this year. Of this the city pays $164,452, Salmo, $6921, the rural area $193,398 and the B.C. government $505,817.

J. Roach Dies at Salmo, Aged 94

John Roach died at Salmo Wednesday night at the age of 94. He is survived by three sons, John of Spokane, Ellis of Salmo and Peter of Paddockwood, Idaho, and two daughters, Miss Elsie Brisbin of Salmo and Mrs. Estella Cronkhite in the United States, and 21 grandchildren.

Mr. Roach was born in Indiana in 1862. He worked in sawmills in Minnesota and in Potlatch, Idaho where he moved after he was married. In 1917 he settled in Paddockwood, Sask. where he farmed untill retiring in 1936 and remained there until he went to Salmo in 1954. Funeral services will be held in Paddockwood.

Moyie Man's Death Found Accidental

CRANBROOK — A coroner's jury returned a verdict of accidental death of Robert Alexander Smith near Moyie last Saturday when he was struck from behind by an eastbound freight train. Evidence showed that Mr. Smith, 83, was walking the track and had just crossed a trestle when the locomotive struck him and threw him. He lived for minutes afterward and cause of death was skull fracture. Two small children who were accompanying him on the walk to inspect one of his cabins escaped injury.

He had been Moyie Postmaster for 50 years and a resident of the village for 59 years.

Rosebery Successor Launched As Residents Holiday at Slocan

SLOCAN CITY — Slocan residents took a holiday Thursday afternoon to watch the launching of the Iris G, named after the wife of the owner, I. Horrie of Interior Lake Service. The boat's crew will consist of three or four and will take the place of SS Rosebery, the last of five boats that have run between Rosebery and Slocan City. The first was the SS Hunter.

The new boat is 40 tons, powered with a diesel engine and built in the modern trend of new power and design by J. Manley of New Westminster, B.C., shipyard owner.

The launching, under the expert supervision of Harry Gow, roadmaster, was an engineering feat. Using CPR 40-ton cranes, the boat was raised from the flatcar and manoeuvred out over the wharf through narrow pilings, to enter the water at 7:30 p.m., a thrilling experience for all who watched.

The Iris G started her journey with an eventful trip from the Coast. Owing to the fact that she rode too high, she was unable to travel on the main line, so travelled from New Westminster to Vancouver, from there to Nanaimo by CPR barge, C. and N. Railway to Chemainus, then C. and N. barge to Port Mann, C. and N. railway to Basque, and from there to Slocan City.

Converting Trail Parking Area Brings Protest

TRAIL—Presenting its report to the Trail Chamber of Commerce, the retail section Thursday night strongly opposed the move proposed within the city of converting the esplanade car parking section into a park area and termed it a short-sighted policy.

"With the parking situation acute and promising to become worse, the proper interest of the city can best be served by making the area a two-hour metered parking area," suggested Leo Levey, spokesman of the merchants' section.

Mr. Levey said that the retail section at its last meeting endorsed the newly-formed West Trail Improvement Association in its effort towards civic improvement.

Concerning local bus service, many merchants, he felt, would be willing to subsidize but, as yet, the public itself has not shown too much interest. The merchants are still studying the possibility of bus service for Trail although the "cream" has been taken care of, that is, the outlying districts, and left little to be serviced. A poll on store hours is continuing.

A survey of Cominco employees on whether or not a change in time is desirable will be made in the near future, the chamber learned from Local 480.

NO CABINET WORD

The chamber was unable to obtain any further information on whether the provincial cabinet is coming to Trail in May as previously announced.

A resolution urging the establishment of a separate regulatory body for control of radio and television in Canada was approved and will be presented to the Fowler royal commission established by the Canadian government.

Resolutions considered at the Associated Board meeting held at Invermere for presentation to the B.C. chamber convention in Vancouver next week were heard by the chamber.

MUSIC PUPILS TO BE HEARD IN RECITAL

Two Nelson music teachers are presenting their second senior pupils in recital in St. Paul's Auditorium Saturday night.

Sponsored by Mrs. Lawrence McPhail and Mrs. T. J. S. Ferguson, and open to the public, the program will include both vocal and piano numbers and will be representative of grades 8, 9, 10 and ARCT court of the Royal Conservatory of Toronto.

The number of Nelson students reaching upper grades in music is steadily increasing, Mrs. Ferguson says. This year three students will try for their ARCT status. This is the largest number to take the exams in one year.

Search Continues For Drowning Victim

Attempts to locate the body of A. L. Gustafson, Nelson man who is presumed to have drowned while fishing Tuesday, were unsuccessful Thursday. RCMP continued dragging operations, which began Wednesday morning.

Mr. Gustafson is believed to have drowned when he slipped from a log while fishing at the mouth of Sitkum Creek in the Nine-Mile narrows.

Famed Lecturer Coming . . .

Management Course To Be Held Here

Famed management executive lecturer and teacher, Dr. J. L. Rosenstein will conduct a one day management course here Saturday at the Canadian Legion. Dr. Rosenstein, who has lectured to management and supervising staffs throughout North America, is appearing at seven British Columbia centres this month and next under combined sponsorship of the British Columbia Safety Council and the Extension Department of the University of B.C. Topic of the course will be "Human Relations in Man-Management and Supervision."

DR. J. L. ROSENSTEIN

Dr. Rosenstein's one-day seminars in human relations approach to supervision and the management of men, represent every level of supervision and management from sales and service departments of many of the greatest Canadian and American industrial services, and business concerns. Sponsors of the seminars have included Chambers of Commerce and Junior Chambers, manufacturers' associations, industrial councils, personnel and training associations, safety councils, and the American Society of Safety Engineers.

AUTHOR

Recognized as one of the world's leading authorities on the subject of personnel administration, industrial psychology and the art or science of creating efficient workers through understanding of the human element, Dr. Rosenstein is the author of two books, and of a complete National Safety Council series of booklets on "The Human Side of Safety" as well as the creator of the NSC's film "Human Factors in Supervision." His books are "Psychology of Human Relations for Executives" and "The Scientific Selection of Salesmen."

A session similar to the Nelson one will be held in Cranbrook Friday. He has also agreed to take two sessions exclusively with Consolidated Mining and Smelting Company personnel.

Registration for these seminar sessions has been arranged through the Extension Department of the University of British Columbia. Others may register on the day of the session.

OPEN LIQUOR IN CAR

Two Nelson minors, Glen Eyre and Donald Reimer, both 19, pleaded guilty in provincial court Wednesday afternoon, to having opened liquor in their car. They were fined $25 and costs. Offence occurred on the North Shore and they appeared before Magistrate William Evans.

Staffs Move Into Cranbrook's New Provincial Gov't Building

CRANBROOK — Cranbrook's new provincial government building located on Eleventh Avenue across from the Rotary playground is now fully occupied and the old three-storey structure at the East end of Baker Street has been vacated. Formal opening ceremonies have not been set yet.

All the services formerly located in the old building were transferred and joining them at the central office are the staff of the East Kootenay Health Unit formerly located in the Baker Park building, the Social Welfare Service formerly in the Royal Bank building, the provincial highway office, and the Public Utilities' office.

COURT ROOM

The large new general government office is located in the north wing of the building, second storey of which provides the court room where Spring Assizes will open May 7, and also the judge's chambers. South wing is occupied by the East Kootenay Health Unit service and affords space for the well-baby and pre-schoolers clinics formerly held in various rented quarters.

Also in this wing is new location for the Cranbrook Public Library which will transfer from its rented quarters in the Cranbrook Mercantile building to a street-level location. Library transfer date has not been decided and finishing work in the location is continuing.

The long two-storey section linking the two wings provides offices for the other government departments. There are 46 offices and rooms in the new building, not counting the library space and approximately 50 government employees are accommodated. Office move was largely transfer of files, and most of the furnishings and equipment of the new building are new.

Contract for the building, constructed by C. J. Oliver Construction Ltd., was for $237,873, but preliminary unforeseen difficulties in ground moisture of the site added to the preparatory cost.

TO BE DEMOLISHED

The old three-storey frame building housing government services for more than 50 years will be demolished. Details of transfer of title to the property from the provincial government to the city are still incomplete, but the city has received written permission to issue a call for tenders for demolition at once. City plan for extending Baker Street through the circular site Eastward, and establishing parks in the remaining semi-circles is still pending the legal transfer.

Crestbrook's Planer Goes On Night Shift

CRANBROOK — Crestbrook Timber Ltd. started a night shift at its planer at the Cranbrook Sash and Door plant here which will probably continue over the summer, dependent on resumption of logging and mill operations in its supplying woods camps. It will operate on a five-day week and required a new crew of eight men. A similar night shift last season continued well into October.

Spring breakup closure of all its logging camps is in force at present with runoff of the heavy snow cover proceeding better than expectations so far. The sawmill of the St. Mary's Lake woods operation is expected to resume about May 7 if these weather conditions continue and the logging operation in that area a little later.

The Mineral Lake stationary sawmill is continuing to operate through the runoff closure from the log reserve in the lake. The Lamb Creek logging camp which supplies this plant is closed for the breakup and conditions for resuming logging are not expected until early in June. A night shift will be put on at Mineral Lake sawmill when continuous log supply warrants it.

Crestbrook Timber Ltd. becomes the official name for all the company's operations from Golden to Moyie Lake next week.

Invermere Kin Spruce Up Park

INVERMERE — The Invermere Kinsmen Club's work party at the the Taynton Bay Park made a start on their announced project of improving the park for the use of the public this year.

A general clean up was attempted first. Dead trees were cut down and the road has been put through over the new fill.

Plans are now under way for a new bathhouse. Play equipment will be built and a wading pool for the tiny tots. A float and diving board will be constructed for older swimmers.

Planning of the park has been in the hands of Dick Lim and Edward Thouret and construction is in charge of Norman Kellough and John Ladyka. W. A. Hayden is convening the finance committee.

Invermere Students Stage Plays Tonight

INVERMERE — The Invermere High School Drama Club is presenting its first entertainment of the year at the Invermere High School tonight. The program consists of two plays, "The Red Lamp," a play in two acts directed by Miss Diana Bengough of the high school staff and a one-act play, "A Modern Cinderella," directed by Mary Hendrickson, Grade 10 student.

In "The Red Lamp" are Gail Christianson, Seigfried Hromadinick, Clarence Rauch, Danny MacKill, Dorothy Dehart and Marlene Roder. Cast of the second play consists of Georgina Sholinder, Irene Lewis, Pat Dean, Judith Weir and Eleanor Hollybow. Diana Bravener and Thelma Chrona are in charge of makeup. Stage manager is Earl Hanson assisted by Allen Lockhart and Edie Kebe.

HISTORIC DAGGER

NEW YORK (AP) — The Fijihama family of Okuba, Japan, has loaned one of its treasured relics to the New York City Opera Company, a 1000-year-old dagger. It will be used in the company's forthcoming production of Puccini's "Madame Butterfly."

33 Pass Exams In First Aid

CASTLEGAR — Results of first aid examinations held recently in Castlegar were announced by R. Rivers, secretary of the St. John Ambulance Society. Thirty-three candidates passed the examination successfully. The exams came at the end of an eight-weeks course, covering lecture and practice, instructors being C. H. King, F. Richardson and J. Dalziel.

Successful candidates for labels were K. Rigby, F. Richardson, J. Dalziel, C. H. King, J. Makaroff, F. Schulte, E. Conroy, N. E. Churches, F. Morran, W. Dalling, J. D. Smith, T. B. Couch, J. A. Williams, R. Desaulniers and R. Rivers

Only one medallion was awarded, and this went to J. Hendricks. Winners of vouchers were J. L. Baker, T. Oglow, M. Bondaroff, H. Vanderberg, Mrs. Nelly King, Mrs. Helen McLeod and Miss Maureen Creighton.

Certificate winners were W. F. Budden, G. Bondaroff, T. Drazdoff, Mrs. Lois Johnson, Mrs. Carol Price and Miss D. Vanderberg. Three junior certificates were also awarded, these going to Robert King, Jeannette King and Roger Toogood. Examining physician was Dr. A. D. Johnson of Kinnaird.

Mr. Rivers thanked the students and instructors for turning out in all weather for the lectures, and congratulated them on their successful completion of the course.

Invermere Streets Being Improved

INVERMERE — An extensive road improvement program is under way in this village. The commissioners, taking advantage of heavy road machinery available now before it starts on provincial government work, have planned a heavy program under works chairman W. R. Lake.

Kathleen Street has been widened and graded; Grand Drive, which was out of line along the site of the new hospital, has been centered to conform with the rest of the avenue and has had the dip filled where the avenue approaches Rotten Row. A lane has been opened back of the post office to allow mail trucks to deliver and to better service to stores. A fill has been made on Fifth Street and a road has been made across the fill leading to Taynton's Bay Beach.

Bailey Heads Credit Unions

TRAIL — West Kootenay Chapter of Credit Unions has named H. M. (Ace) Bailey of Trail as president by acclamation, succeeding Albert Hott. Vice-president is R. H. Bradley of Nelson, secretary, Miss Evelyn Bouchier of Rossland; treasurer, George Burns of Nelson, and directors Al Hier of Rossland, Norman Bentley of Trail, H. R. Vyse of Fruitvale and I. Dergousoff of Castlegar.

Plans for the annual school of officers to be held in May were discussed, and a special meeting was called for a later date due to the pressure of completed agenda, with the large attendance expected. Around 100 officers are anticipated from the area Credit Unions represented in the West Kootenay Chapter. Credit Unions represented at the meeting were Trail, Rossland, Nelson and District, Fruitvale, Riondel, Castlegar, Slocan Valley and the Nelson railway employees.

New Branch Organized . . .

Handicapped School Probable for Creston

CRESTON — Creston has formed the latest link in the growing chain of branches of the Kootenay Society of Handicapped Children which stretches through East and West Kootenays.

An enthusiastic number of interested Creston people turned out Wednesday night for the official organization meeting of Creston branch, attended by more than 15 delegates from branches in Nelson, Trail, Kimberley and Cranbrook.

Those coming from Nelson were George Talbot, Nelson branch president; C. B. Garland, Q.C.; Dr. G. R. Callbeck, R. B Morris, Mrs. C. W. Tyler, Mrs. Norman Buckley and Fred Leno.

The visitors spoke on the Society's work and objectives, and explained details of branch organization. They suggested a membership drive as a means of stirring public interest.

A slate of 12 was elected as the executive of Creston branch. Officers will be named later.

It is hoped that a day school will be established here shortly, as a survey has shown that there are a sufficient number of handicapped children in Creston and the surrounding district to warrant classes.

Kootenay branches now number five, with a prospect of a branch at Castlegar also in sight.

Trail Property Owners Back Gas Referendum

TRAIL — Only 610 of 3041 eligible voters turned out to vote on a natural gas referendum here Thursday, but a solid favorable vote resulted.

A total of 592 voted in favor of giving Inland Natural Gas Company the franchise to install, maintain and operate a natural gas distribution system in Trail. There were 12 "no" votes and six ballots were spoiled.

Only property owners were eligible vote on the referendum.

L. G. Anderson, city clerk, was returning officer.

GIFT OF RICE

DACCA, East Pakistan (AP) — Six ships carrying 60,000 tons of rice as a gift from the U. S. government will reach Pakistan in May and June. The rice was donated to make up for a shortage caused by insect damage to the Pakistan rice crop.

Nelson to Vote on Important Bylaws

Examination of the provisions of the bylaws to be presented to the taxpayers of Nelson April 27 shows the overall importance of these measures and the amount of care spent in their preparation.

Each money bylaw falls into two parts; a description of the work to be done or the equipment to be purchased and the method of financing and repayment. In the case of the Civic Centre bylaw the work to be done is due to the necessity of taking care of the depreciation which has occurred over a period of years as well as to modernize and improve facilities. This bylaw is for $100,000 and its bonds will be issued for a period of 15 years. The repayment amount for the first year of principal and interest will be $11,000. This amount will decrease each year until the last year, when it will be $6,240.

The bylaw for public works equipment calls for a bond issue of $80,000 and provides mainly for equipment necessary to build and surface roads. The bonds will have a life of 10 years. The first annual payment of interest and principal will be $11,200 and the last $8320.

The bylaw to provide for street improvement gives the blocks to be paved and the details of their construction. The amount to be raised is $200,000 with repayment spread over 15 years. The initial repayment of interest and principal is $22,000, which decreases to $12,480 in the last year.

The bylaw for cement sidewalks is also for $200,000 and the repayments are the same as for the street improvement bylaw: $22,000 in the first year and $12,480 in the last.

The bylaw for sewer construction involves borrowing $60,000 repayable in 15 years. The initial annual repayment is $6400 and the last $4160.

The bylaw to purchase the old post office is not a money bylaw. It seeks permission from the taxpayers to purchase the building at a cost of $16,000 to be paid for out of general revenue.

From all this it can be seen that from the magnitude of the work the cost will not be excessive. There will, of course, be savings to offset this expenditure. In 1954 a total of $37,919 was paid by the city for concrete sidewalk construction, street paving and sewers, with not very satisfactory results. This cost will be absorbed if the bylaws pass, reducing the annual expenditure considerably, but not, by themselves, sufficient to keep the mill rate at its present level. There are, however, other reductions in expenditure due to retirement of bonds or decreased maintenance charges which will reduce their cost still further.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. QUESTIONS WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

Reader, Nelson—Who is the agent for Investors Mutual, an investment fund?

Jack Charko, 224 Behnsen Street, Nelson, phone 914-Y.

C. E. M., Nelson—When is Halley's comet to return to our hemisphere? How fast will it be travelling and will we be able to see it with the naked eye? If so, from where?

Halley's comet is due to return in 1986. We regret that we have no other information on this subject. Perhaps other readers can help?

Interested, Nelson—To settle an argument, was Grace Kelly married before she met Prince Ranier?

No.

Mother, Nelson—When is National Baby Week this year?

April 28 to May 5.

K. K., Cranbrook—I am terribly thin and feel embarrassed when out with other girls who are shapely. Nothing I eat seems to help to put on weight. Can you offer any suggestions

First of all, if you are really thin—that is, if your bones stick out—we advise you to see a doctor. If, however, you are just not curvaceous, we suggest you eat porridge, take eggnogs, cottage cheese, a little butter on green vegetables, Canadian cheese, cream soups, the odd cookie.

Inquirer, Nelson—When will the lilac festival be held in Spokane?

May 17, 18 and 19.

Student, Notre Dame College—Could you tell me if Howie Meeker ever scored five goals in one single NHL game?

Yes, he did.

A New Republic

Asia, with its age-old history and dense populations, is awake today. History there is being made one of the important steps constitutionally taken in recent years being the proclamation of a republic in India in 1950. Now her neighbor, Pakistan, has taken on like status. It is now the Islamic Republic of Pakistan, an independent nation within the British Commonwealth. The Islamic tie indicates the great preponderance of the people of the Islamic faith in that country of 80,000,000 people. The New Republic has close ties with the West. It has never yielded to neutralism as has India in the power play of East and West; it is a member of the Baghdad defence pact clearly uniting itself with the free world. There has been no question where Pakistan has stood. The new status does not lessen the problems facing the country. There are minorities in Pakistan that must be recognized if unity is to be maintained and to be strong she must be united. The government has given its pledge that the rights of minority groups will be safeguarded. If it is wise it will keep this pledge.

—Lethbridge Herald.

Industry in Chains

Canadian processors of aluminum have a grievance. "The only shortage of aluminum is in Canada, the country that produces it." Canadian plants suffered, as from August, 1955, a 40 per cent cut in supplies of ingots from the Aluminum Company of Canada, their only source, while U.S. plants, they say, received preferential treatment. They lost markets and serious unemployment appeared imminent. The Department of Trade and Commerce at Ottawa took up their case with Aluminum Limited, the U.S.-controlled company which owns Alcan, and is now able to assure Canadian firms that they will get at least as much aluminum this year as in 1955. It is understood Mr. Howe himself intervened, for which he deserves credit.

That Canadian plants are allowed, by grace of a U.S. concern, to obtain a limited amount of Canadian material is not, of course, a particularly glorious victory. As pointed out in these columns recently, about 85 per cent of Canadian aluminum ingots go abroad, whereas most of the home market for manufactured aluminum is normally supplied by Canadian firms.

Letters to The Editor

Letters to the Editor on any topic of genuine interest are welcome if they are brief, accurate and fair. No letter will be inserted in whole, or in part, except over the signature and address of the writer. Unsolicited correspondence cannot be returned.

Boys' Choir Leader Extends Appreciation

To the Editor:

Sir—May I take this oportunity of expressing publicly my sincere appreciation of the many courtesies shown to St. Paul's Boys' Choir during their recent 25th Anniversary celebrations.

Our special thanks are due to your paper, Mr. Editor, for the very competent and unstinted reports of our various activities. We are grateful too, for the many letters of congratulations received from friends of the choir, both near and far.

The enthusiastic reception given to our concert program by an audience of 654 was inspiring to all who took part. And again, the presence of 130 men and boys at our luncheon made it a never-to-be-forgotten event. The boys of St. Paul's will long remember their visiting guests with gratitude and admiration.

May I just here extend my personal greetings to those of the 500 boys who are within the circle of your readers. For 25 years you have gladdened our hearts by your singing and we watch with a thrill of pride as we see you fulfilling the ideals of the choir. Your continuing friendship to me personally has been a richly rewarding experience. And all this has been accomplished because of the untiring support and encouragement of the people of St. Paul's, whose friendship I shall ever treasure.

Thanking you, Mr. Editor, for your support of this and many other efforts put forth to help our boys,

Mrs. T. J. S. Ferguson.

Let Toronto

The aggrandizement of metropolitan Toronto should not be abetted by the rest of Ontario and by the government of Ontario. If Toronto is to be an empire in itself, let Torontonians pay for it and not expect, and collect, levies from the serfs outside it.

Toronto is indeed acting like an empress, taxing its colonies to keep it on easy street. Let Toronto industry, Toronto employees, Toronto citizens and Toronto government pay their own high costs of being Toronto. Let them put on the extra taxes the mayor and super-mayor threatened would be necessary unless the central governments dole out (from our taxes) hundreds of millions of special dollars.

If Toronto industries and citizens are taxed sufficiently to make them aware of the financial disadvantages of Toronto, the flight of industry and people to Toronto will be lessened. Then there will be no enormous Toronto problem; then other smaller Ontario cities will get the industries and be able to keep the citizens which they should have.—Peterborough Examiner.

Watch Your Language

HURRICANE — (HUR-i-kain)—noun; a cycline of large extent, usually with rain, thunder and lightning. It is the highest term in scales of wind force, but does not imply so great a velocity as tornado winds, rarely exceeding 100 miles an hour. Origin: Spanish—Huracan, from Taino—Huracan, Hurrican, evil spirit.

It's Been Said

Love leads to present rapture—then to pain; but all through Love in time is healed again.—Charles Godfrey Leland.

TODAY'S BIBLE THOUGHT

When he came to himself he said . . . I will arise and go to my father. Luke 15:17.

Some have pictured the Infinite as a stern and relentless judge Christ portrayed him as a very loving father. All we have to do is to turn round and go back home and start over again. God will be waiting for us.

Aunt Het

Any man with a job can earn a livin'. The hard part is keepin' up with the men whose wives your wife knows.

Wheat For Czechs Loaded at Montreal

MONTREAL (CP) — The first shipload of Communist-purchased wheat is being loaded here aboard the Finnish ship Aragona for Czechoslovakian consumption.

Shipping officials said that the Iron Curtain shipment is the first here in several years.

The 405,000-bushel shipment is the forerunner of about 20-25 vessels expected here this season to handle Czech purchases announced earlier by the Canadian government.

MISSING MAIL

MARSEILLE, France (AP)—Workmen remodelling a post office here found postcards mailed between 1914 and 1916. The cards, dropped into a slit opening from the street, had lodged between the wall and the inside box.

INGRID'S DAUGHTER—Jennie Lindstrom, right, 17, daughter of Ingrid Bergman, appears in Salt Lake City school play, where she lives with father, Dr. Petter Lindstrom.

Your Individual HOROSCOPE

By Frances Drake

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

For Saturday, April 21, 1956

MARCH 21 to APRIL 20 (Aries) — A grand day for bright and happy things, seeking favors, doing good, too; also a responsive period for money-making in honest endeavors, in business servicing the public, etc.

APRIL 21 to MAY 21 (Taurus)—Though your Venus' aspect warns against being too exacting in personal matters, the day has wonderful possibilities for wholesome activities, recreation, hobbies sound business and general work.

MAY 22 to JUNE 21 (Gemini)—Mercury vibrations offer great promise here for keenness in mental work, writings, analyzing, research, authoring stories, plays, etc. A responsive day for well planned business ventures hard work.

JUNE 22 to JULY 23 (Cancer)—Your Moon is among several well-aspected planets. This can be a beneficial workday or one for healthy pleasure, hobbies, entertainment. Catch up with neglected reading, correspondence.

JULY 24 to AUGUST 23 (Leo)—Full, generous aspects to gladden the heart, add laurels to your endeavors. Artist, scientist, student, journalist, storekeeper, laborer among those highly favored.

AUGUST 24 to SEPTEMBER 23 (Virgo) — Select your program for the day and enjoy and benefit by it. No worry, no anxiety! With faith in God's help and abiding love, go forward to new and worthy goals.

SEPTEMBER 24 to OCTOBER 23 (Libra) — Delicate matters, especially concerning home and family, ask extra tact, kindliness. It's a grand day for work, charitable activities, sports, events, travel, and healthful hobbies.

OCTOBER 24 to NOVEMBER 22 (Scorpio) — A responsive day for new, purposeful ventures, for things you enoy but don't have time for during the week.

NOVEMBER 23 to DECEMBER 21 (Sagittarius) — This should be a pleasant, profitable day in many ways. New undertakings can be started, matters already on the way can be kept going to advantage. Fine for mental and money matters.

DECEMBER 22 to JANUARY 20 (Capricorn) — It's not necessary to drive hard or push yourself because everything looks so favorable. Some days of rest are needed — for better health, brighter thinking, replenishing energy.

JANUARY 21 to FEBRUARY 19 (Aquarius) — Uranus, the changeable, the inventive and challenging, your natal planet, is on today's long list of auspicious planets. Go ahead with plans, so long as they are honorable. Good fun okayed.

FEBRUARY 20 to MARCH 20 (Pisces) — Quiet Neptune rays will become very stimulating and heartening tomorrow. Other planets highly stimulating now so things are generally up to you. Enjoy some recreation.

YOU BORN TODAY are virile, stimulating, bright folks — "on the beam," as they say, and with lots of mental keenness to get ahead in a profession, business, trade; as successful lifemate and homemaker. You become wonderful religious, splendid teachers (perhaps exacting but fair), able scientists and generally thorough educators; can do well in the sports world or as entertainers. Never permit your attitude to become overbearing. Cultivate that splendid sense of humor and reasonableness you innately possess. Birthdate: Hippolyte Taine, Fr. historian, critic.

A successful tea and bake sale was held by the Fairview Catholic Women's League Wednesday afternoon at the Catholic Hall, 704 Fourth Street. Individual tea tables were gracefully centered with carnations in rose bowls, while red and pink camellias highlighted the pouring table, presided over by Mrs. A. Ludovicci. Mrs. George Kirby and Mrs Mary Jordan were in charge of the sewing table and Mrs. L. Chase and Mrs. Mary DeFerro were at the bake table. Serviteurs included Mrs. A. Cawley, Mrs. Bernard Klein and Mrs. E. J. Darwin. President Mrs. F Moisey was at the door to greet the guests and Mrs. Bert Wickstrom handled the draw. Miss Helen Stubbs was cashier.

• • •

Mrs. Lawrence Hall and daughter Eleanor, 510 Fifth Street, have returned from a trip to Quebec.

• • •

Mr. and Mrs. W. Gardner, 723 Stanley Street, have returned from Regina, Sask. where they visited their son, W. J. Gardner. They also visited relatives and friends in Moose Jaw.

• • •

Robert Phillips, 904 Sixth Street, and Geoffrey Hartridge, 117 Houston Street, are spending a few days in Vancouver. While there Mr. Phillips will visit his mother, Mrs. W. Phillips.

• • •

Mrs. J. C. Chambers and daughter Ruth are spending a few days in Spokane along with Miss Muriel Chambers, R.N., who joined them at Trail.

• • •

Mrs. C. Grill and daughter Betty, 305 Richards Street, have returned from Greenwood, Midway, Osoyoos and Oroville Wash, where they visited friends. They were accompanied by Miss P. Fulko, 1903 Falls Street.

AFTER A HONEYMOON in Calgary and Edmonton, Mr. and Mrs. Franklin Lewis Koble, who were married in St. Paul's United Church recently, will take up residence in Calgary. The bride, the former Elizabeth Reikoff, is the daughter of Mr. and Mrs. M. J. Reikoff. The groom is the son of Mr. and Mrs. L. Koble. Rev. G. W. Payne performed the ceremony.
—Renwick photo.

Build Better Country, IODE Leader Urges

VANCOUVER (CP) — Women all over Canada were urged to "arise, unite and build a better country."

Canada needs your strength, they were told. Speaker was Mrs. L. B. Smart, of Toronto, national president of the Imperial Order of Daughters of the Empire.

She was guest at the B. C. chapter's 43rd annual banquet at Hotel Vancouver.

"The building of our country is a challenge to the women of our generation," Mrs. Smart told the 400 diners. "We must re-dedicate ourselves.

"We must make sure Canada is preserved within the British family of nations and we must strive for world peace."

Calling on women to "Hurry up and join" the Order, Mrs. Sharp said these were beneficial days for her sex.

"In the early days few women ventured from home," she said. "They took n opart in public life, knew nothing, of radio and television. It took a war to make them realize they had a part in building Canada and new many women occupy high posts in the country."

A life membership colored red, white and blue was presented to Mrs. Frances E. Harrison, 70, who joined the Order in Vancouver in 1905.

Provincial President Mrs. F. E. Dowdall reported the presentation of a Union Jack to the new territorial court at Aklavik early this month by Mrs. W. G. Fraser, former regent of the Nova Scotia Chapter.

The Order was founded in 1900 and has 32,000 members in 936 chapters. B. C. has 2500 members.

It is a voluntary, patriotic organization associated with the Victoria League in England and the Daughters of the British Empire in the U. S., Its motto is "One flag, one throne, one empire."

Nuptial Rites Held at Canyon

CANYON—Doukhobor wedding ritual united in marriage here the former Nellie Bludoff, daughter of Mr. and Mrs. Pete Bludoff, and Walter Ewashen, son of Mr. and Mrs. Jacob Ewashen of Nanton, Alta. The wedding took place at the home of the bride's parents.

The bride wore a full-length lace netted gown, a pearl tiara headdress and a chapel veil, and carried white and pink roses and lily of the valley. Her twin sister, Miss Anne Bludoff, was in a blue gown with a blue halo headdress and matching gloves. Her bouquet was of pink and white roses and lily of the valley.

The bride's parents assisted in receiving guests at the reception, Mrs. Bludoff wearing a blue nylon dress with white roses. The bride's table was centred with a three-tiered-wedding cake flanked by vases of Spring flowers. Servers were Mrs. P. Bludoff, Mrs. Fred Bludoff, Mrs. J. Parkhill and Mrs. A. Nichwolodoff.

The bride donned a natural shade suit with white and green accessories before the couple left on a wedding trip to the United States. They will live in Nanton.

Guests from out of town were Mrs. W. Shertobitoff of Castlegar, aunt of the bride, Mr. and Mrs. A. Vishlow of Fruitvale and the groom's father from Nanton.

A wedding dance was held at the home of Mr. Fred Bludoff, the bride's brother, the music being played by Mr. Roy Moberg, Mr. Nick Vishloff and Mr. Peter Tamlin.

Sixteenth world conference of Girl Guides and Girl Scouts in 1956 is being held in Brazil.

Newlyweds Go To Victoria

NATAL — A pretty wedding was solemnized at Holy Family Church in Fernie recently when Mary Ann Kusnir, daughter of Mr. and Mrs. George Kusnir of Fernie, and Stephen Menduk of Victoria, son of Mr. and Mrs. Stephen Menduk, sr., of Natal, were united in holy matrimony. Rev. Father J. B. Barnes officiated.

The bride was lovely in a floor length gown of satin, net and tulle, the yoke of which was enhanced with pearls. Her full-length veil was held in place by a Juliet cap, studded with pearls. She carried a bouquet of red roses and lilies. The groom's gift to the bride was an earring and necklace set of silver filigre with powder blue stones.

Miss Fiona Colgur was maid of honor and chose an aqua nylon chiffon gown with matching net headdress. Her bouquet was of pink carnations, tied with aqua ribbon. Miss Joanne Kusnir and Dorothy Binda were junior bridesmaids and wore pink nylon marquisette dresses with pink headdresses. They carried matching corsages of pink carnations. Little Diane Kusnir, was a sweet flower girl in nile green nylon net and she carried a basket of mixed flowers. Stephen Romano was ring bearer and wore white trousers and wine blazer.

Mr. James Clare of Michel was best men and Mr. Dominec Romano of Sparwood was usher.

During the ceremony Miss Betty Gigliotti sang "Ave Maria" and "On This Day O Beautiful Mother". She was accompanied on the organ by Mrs. George Hovind.

Mrs. Kusnir chose an aqua afternoon dress with pink accessories. Her corsage was of pink carnations.

GROOM MAKES CAKE

A reception was held in the IOOF hall. The bride's table was centred with a three-tiered wedding cake, made and decorated by the groom. Father Barnes proposed the toast to the bride. The best man gave a toast to the bridesmaid and also read telegrams from well-wishers.

For the honeymoon spent en route to Victoria where the newlyweds will reside, the bride donned an off-white boxy suit with a Bertha collar.

Castlegar PTA Executive Plans Graduation Banquet

CASTLEGAR — Planning the 1956 graduation banquet, which will once again be handled by the Stanley Humphries Parent-Teacher Association, was the most important business at the monthly meeting of the PTA executive, held at the home of Mrs. J. Kennedy, secretary.

This year's graduation banquet is to be convened by three committees rather than one. A committee will take charge of setting tables, another will have charge of food and serving, while the third committee will take on the job of clearing up after the meal. It is hoped to have the three committees formed from the three areas concerned, Robson, Kinnaird and Castlegar. Mrs. Thornedale has offered to head the committee to handle clearing up, with the help of Robson members.

The nominating committee reported a fair response to efforts to obtain candidates for the various offices, with only three offices for which there are at present no nominees. Annual elections will be held at the next meeting, and installation of officers is to be during the May meeting, last for the term.

Canadian Newsprint Output Increases

MONTREAL (CP) — Canadian newsprint production in March amounted to 552,896 tons, an increase of 13,767 tons above March 1955, the Newsprint Association of Canada reported Thursday.

Production rate was 101.3 per cent of 1956 rated capacity against 102.1 per cent last month. In March, 1955, production was 101.8 per cent of 1955 rated capacity.

Canadian shipments totalled 534,767 tons, up 22,734 tons on the same month last year.

Mrs. Bland Honored At South Slocan Tea

SOUTH SLOCAN— Mrs. Bland, wife of C. H. Bland, superintendent of plants for the West Kootenay Power and Light Company, who retires this month, was honored Thursday night at a tea in No. 3 Plant hall.

Court whist was enjoyed by 65 women from Nelson, Corra Linn, South Slocan, No. 3 Plant, Brilliant, Crescent Valley, Kinnaird, Trail and Rossland. High score was Mrs. R. Wadeson of Rossland and the low score prize was awarded to Mrs. O. Hawkins of Brilliant.

Tea and coffee were served after the games, with the head table decorated with flowers and lighted tapers, seating Mrs. Bland, her mother, Mrs. Croll of Nelson, Mrs. Wadeson, Mrs. A. Lambert of Kinnaird, Mrs. G. N. Brown, Corra Linn, Mrs. L. Rogers of No. 3, Mrs. R. Deane of Rossland, and Mrs. A. McFadden of South Slocan.

TRAVELLING CASE

Mrs. Rogers spoke on behalf of the hostesses and the many friends and presented Mrs. Bland with a gift from the gathering, a travelling case outfitted with mirror and tray. It also contained a child's blue sock with money

Mrs. Bland thanked the gathering and expressed the hope that she would have many visitors to her new home in Nelson. The evening closed with the singing of "For She's a Jolly Good Fellow."

Co-hostesses for the evening were the wives of the Company staff — Mrs. D. Bell, Mrs. G. Hall, Mrs. N. Roberts, Mrs. T. Wilson, Mrs. R. Weist, Mrs. G. Craft, Brilliant, Mrs. R. Kennedy, Mrs. Rogers and Mrs. R. Whitely.

Recipes:

April Showers Cake Appropriate Treat

By MARGARET CARR

Something about spring makes you feel like having a gay party. And parties, especially spring parties, call for delectable sweet treats. April Showers Cake will win you compliments with its delicate texture and whimsical decorations.

By using a different filling and a colorful frosting assasionally, you can adapt April Showers Cake to any occasion, simple or festive. Feature this fluffy white cake for dinner desserts during spring. If you are planning to give any kind of a shower, it is the perfect refreshment to serve. It will be the star attraction on your table.

One of the secrets of successful cake-making lies in proper mixing. Be sure to cream the shortening and sugar together thoroughly. The creamed mixture should be very light and fluffy. Add the flour mixture in four parts, alternately with three parts of milk. Do not beat. Just stir enough to blend the ingredients after each addition.

APRIL SHOWERS CAKE

3 cups sifted cake flour
3 teaspoons baking powder
1 teaspoon salt
1 cup shortening
2 cups sugar
1 cup milk
1½ teaspoons vanille extract
6 eggs whites, stiffly beaten

Sift together flour, baking powder and salt. Cream together shortening and sugar until light and fluffy. Add flour mixture to creamed mixture alternately with milk and vanille extract. Fold in stiffly beaten egg whites. Blend well. Pour into two greased paper-lined layer pans. Bake in moderate oven (350 deg. F.) 35 minutes. When cool, frost with Fluffy Frosting and decorate. To decorate, cut four-inch piece of cardboard to shape of wide wedge of pie. Scallop wide edge. Stick point and two sides of wedge lightly into frosting. Cover with tinted frosting. Make handle of umbrella and raindrops from remaining tinted frosting.

FLUFFY FROSTING

2 eggs whites, unbeaten
1½ cups sugar
5 tablespoons cold water
1 teaspoon light corn syrup
Dash of salt
1 teaspoon vanille extract

Cimbine eggs whites, sugar, water, corn syrup and salt in top of double boiler and mix thoroughly. Place over rapidly boiling water and beat constantly with rotary beater until mixture will hold a peak (about seven minutes). Remove from heat. Add vanilla extract and beat until well blended. Cool. A small quantity of the frosting may be tinted with a few drops of food coloring and used for decoration.

WEEK'S SEWING BUY

SNAPPY-WRAP! Sew it 1-2-3 quick—no wals seams! Slip it on 1-2-3 quick—just wrap 'round, tie waist! So versatile—pop it on first thing in the morning, wear it shopping, gardening, cooking. Make several in scrip cottons, magic wash-and-wear nylons.

Pattern 9019: Misses' Sizes 12, 14, 16, 18, 20; 30, 32, 34, 36, 38, 40, 42. Size 16 takes 4½ yards 35-inch.

This easy-to-use pattern gives perfect fit. Complete, illustrated Sew Chart shows you every step.

Send THIRTY-FIVE CENTS (35c) in coins (stamps cannot be accepted), for this pattern Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Send your order to MARIAN MARTIN, NDN, 60 Front St., W., Toronto, Ont.

Enraged Racoon Bites Children

VICTORIA (CP) — An enraged racoon burst into a Glen Lake home where it had once been kept as a pet, and savagely attacked Mrs. Velma Flewin, her son, James, 9, and daughter, Sharry, 3.

The family heard a noise outside, opened the door and the 'coon rushed in and bit the little girl.

The mother and son fled to a neighbor's for help. The 'coon gave chase and bit both before the boy beat off the animal and it scurried away into the bush.

The Flewin's were taken to St. Joseph's Hospital where they were treated for severe lacerations. They were kept in hospital overnight for observation.

Life's Little Irony

CHICAGO (AP) — Mrs. Mary Hastings Bradley, author who has bagged several lions without mishap in Africa, was treated in hospital Wednesday for a broken arm. She was injured when she tripped on a lion skin rug in the trophy room of her home.

HUNTING FOR FOOD IN SNOW — These hungry deer search for food in a deerpark near Flach, Switzerland, during the severe European winter. As a last resort, when fields are frozen over, the animals nibble at the bark of trees.

Cat's Long Trek

CHATTANOOGA, Tenn. (AP)—Missy, a fluffy brown and white cat missing for 14 months, has joined her family here after a 200-mile journey which left her dirty and bedraggled, and her paws almost raw. Mr. and Mrs. Edward Bass said they moved here 14 months ago. When they moved, however, they couldn't find Missy and left without her. But, the couple said, Missy appeared in their front yard here this week.

White and Black Applaud King Cole

LOUISVILLE, Ky. (AP)—Negro singer Nat (King) Cole, attacked while performing in Birmingham, Ala., last week, received a deafening roar of applause from some 10,000 white and Negro fans in Jefferson County Armory here Wednesday.

The singer, who said he cancelled an Atlanta appearance because he feared a repetition of the Birmingham attack, was escorted to the armory by city police. Detectives were scattered throughout the audience, but police chief Carl Heustis said this was simply a precautionary measure, as he had anticipated no trouble.

From an Oldtimer's Notebook

—BY R. G. JOY—

Historian, Nelson and District Oldtimers' Association

On looking for an article in my littered library I came across one referring to Sir Frederick Madden, an English telegrapner, the son of an officer of Irish extraction. He was born in Portsmouth Feb. 18.

From his earliest years he displayed a strong bent to linguistic and antiquarian studies. In 1826 he was engaged by the British museum to assist in the preparation of the classified catalogue of printed books then contemplated, and in 1828 he was knighted. In 1837 he succeeded Josiah Forshall as Keeper of Manuscripts.

I phoned James Madden, manager of the Madden Hotel, one of the first pioneer hotels in Nelson, and read part of Sir Frederick's article to Mr. Madden. He informed me that the Maddens were of English and Irish extraction, some of whom were English and Irish officers in both Irish and English regiments. For their services they were given land in Quebec. The family in Quebec were also shown a Madden crest. Both Jimmy and Mrs. Hunter (nee Sadie Madden) came up to my home and Jimmy asked me to view the first part of the Madden Hotel, which was erected in the year 1890.

TENT RESTAURANT

I now quote from Grant McKane's story to me in his cabin in 1941.

"I came to Nelson in 1890 on the 28th of June. Jim Gilker and J. F. Hume were in a log house. A. J. Marks was in his hotel known as the Nelson Hotel. Hugh Madden was running a restaurant in a tent down by Ford Creek on Baker and Ward. Tom Madden, now deceased, was the father of the Madden family of Nelson. He came down from the main line of the CPR and built a hotel. Tom had no money so I helped him build a hotel, the lumber came from Buchanan's Mill on 13 mile. Tom and Hughie were in together."

This is the earliest story of the Madden House, the part that is now torn down. In 1893 on April 7 yours truly and a man named McLean were running a restaurant about where the old bar of the Madden House was situated.

Alec Macdonald was bartender for Tom Madden for many years, and often could be seen at the window at the bar looking for someone to enter into conversation in mining. He owned a promising gold mine on 49 Creek. There was also a barber shop in the basement under the name of May. Later the basement became a job printing office of W. H. Jones. What is now the CPR office was a dry goods establishment. Proprietor was Mr. Kerr. Joe Meagher was his clerk, and took over the business later. Joe moved later to the Eagle block in the store Freeman's now occupies. The Shamrock Bar was at the rear of the Madden Hotel.

A young lady from the Slocan district informed me that one of the Maddens, Anthony, who died recently, often gave some of the kids lectures on good behaviour and morals. An old timer told me that Tom Madden, the father of the present Madden family in Nelson, was good to old timers who were in poor circumstances at times, during the first depression, which came in 1892-3.

At that time, Brian, the Silver Tongued orator, was fighting for the 16 to 1 ratio. The banks shut down on credit and advanced very little money. The construction of the Nelson Fort Shephard Railway, now known as the Great Northern, helped some of the Nelson merchants to survive, buying some supplies from them.

BUILT BRIDGE 1890

The bridge across Ward Street was built in 1890. We understand that the tent restaurant started by Hugh Madden was almost on a level with Ward Street which flowed over the site of the Annable Block, part of the KWC Block, down past Fink's property and down under the Hume Hotel site and on down to the Kootenay River.

The brick portion of the hotel of T. Madden was built by Martin Madden, a brother of Tom's who had the contract. In later years he and his wife were the librarians of Nelson. H. Kane was the architect. Yours truly saw him stand on Baker Street looking southeast and sketching the drawing for what is now known as the CPR offices.

James Madden kindly drove me in his car to see the building of the new bridge, we then visited the new high school and saw it from the outside. Then I asked him to take me to see the Gilker property on Victoria Street and also view the last remnant of the first frame house built by the Stuckey family, pioneers of Nelson, behind the Bank of Montreal.

A 2000-year-old cemetery was unearthed during excavations for a housing project near Hamburg, Germany.

Massey Makes Good Reporter

TORONTO (CP) — In an address to the annual banquet meeting of The Canadian Press the Governor-General told of his Arctic odyssey and said it was "an inspiring story."

Some 280 newspapermen and their guests heard Mr. Massey describe the 17-day air trip that took him over the North Pole and over a land "moving in its vastness, with strange and mysterious beauty."

Emile Castonguay of L'Action Catholique, Quebec, in thanking the governor-general for his talk, recalled that Mr. Massey had represented Canada as a diplomat in the United States and Britain. He added:

BORN INTERPRETER

"Tonight we have been given evidence that your genius for representing Canada, and for interpreting this country, has taken on an even more thilling dimension. In the role of returned explorer, you have represented us to ourselves."

"I highly recommend your ability as a reporter," said Mr. Castonguay, president of the Canadian Daily Newspaper Publishers Association.

In his talk, Mr. Massey called for individuality on the part of newspaper editors. He said newspapers would never lose their "pride of place" despite competition for permanence."

In his first major speech since returning from his 10,000-mile Arctic tour, Mr. Massey reviewed his journey and stated:

"I shall keep the romantic vision which I think most of us have when we enter the Arctic, for it is a land moving in its vastness, with strange and mysterious beauty and overwhelming solitudes. But there must be realism in our minds as well, for it is a hard country, where endless and lonely toil, together with constant vigilance, is often the high price of survival."

'Copters For Queen

LONDON (Reuters) — The Queen will use two new airliners and two helicopters for short distance travel, Air Secretary Nigel Birch announced Wednesday. For longer flights she will continue to use airliners provided by the national airlines, he told the House of Commons. The new airliners are four-engined Herons, normally seating between 17 and 20 persons.

Archbishop Warns Public Against Burial Exploitation

VICTORIA (CP) — Archbishop Harold E. Sexton has warned the public against "possible exploitation by private burial societies."

These societies, he said in an address to the opening session of the 54th synod of the Anglican Diocese of British Columbia, "in the operation of Memorial Gardens, apparently make a charge of about $150 per lot and plan to get 900 to 1000 lots or graves per acre."

"It would seem to be a profitable business," he said.

Greek Drama Entry At Island Festival

LADYSMITH (CP) — A stark Greek classic, "The Trojan Women," presented by the Yellowpoint Drama Group, won three certificates of merit from adjudicator Phoebe Smith in the Central Vancouver Island Drama Festival which opened here Wednesday night.

"This is the third festival I have attended this season and it is the first time that a Greek drama has been presented," Miss Smith said. "It was a very ambitious thing to do. The play was commanding and challenging and yet presented with poise and dignity and with an understanding of tragedy."

Agree On Value of G. B. Shaw's Estate

LONDON (Reuters)—The estate left by playwright George Bernard Shaw when he died in 1950 has been valued at £600,000 after an agreement on the value of his copyrights between the government and his executors.

In 1951 a provisional figure set the value at nearly half this amount. But the value of the copyrights finally raised it to £430,000 after 5½ years of negotiations among the public trustee's office, the executor of the estate and the estate duty office which collects inheritance taxes. The estate will be liable to inheritance taxes at a rate of 70 per cent.

Six-Goal Outburst Sparks Eastern Victory

Graham Joyce Leads Uprising As Canadians Falter in 3rd

VERNON—Using a trick perfected by Vernon during their march to the Western Canada senior amateur hockey championship — that of scoring their goals in flurries—Chatham Maroons erupted for six goals in the final period here last night to flatten Vernon Canadians, 7-1, before a capacity crowd. Second game of the best-of-seven Allan Cup final series will be played here tomorrow night.

Five major penalties—three to Canadians — were called in the final frame, which saw Graham Joyce score three times, Danny Blair, Lloyd Ferguson and Don Busch once apiece. Eric Unger opened the scoring with a screened drive in the first period. Marty Zorica of Chatham drew a misconduct.

Frank King, aided by Odie Lowe and Johnny Harms, evened the score after less than a minute of the second period. But Vernon, hampered by stiff back-checking, a solid defencive alignment and the steady puck-fending of Marv Edwards, could score only that once.

Joyce, a 23-year-old graduate of Kitchener Dutchmen of the Ontario Hockey Association Junior A series, scored two goals — at 1:58 and 5:08 to give the men of Murph Chamberlain a 3-1 edge.

Besides his one goal, Busch set up three and generally bothered Vernon defence all night. He aided on both of Joyce's counters as well as helping Ferguson—younger brother of Detroit Red Wings' Lorne—give Maroons a 6-1 lead just after the 10-minute mark.

Chatham matched Vernon bump for bump as the rugged Canadians found trouble, especially in the third period, against high-flying Ontarians who triumphed over Kitchener - Waterloo Dutchmen, Stratford Indians, Sudbury Wolves and St. John Beavers in their march to the Dominion final.

Lou Bendo, who was recruited along with Billy Flick of the vanquished Indians of the OHA Senior League, to bolster Chatham before their semi-final series against St. John, squared off with Vernon playing coach George Agar and both drew majors at 6:25. Ferguson scored with the clubs shorthanded.

A mass brawl among Walt Trentini and Art Hart of Vernon and Ted Power of Chatham, caused all three to inhabit the penalty box for periods of five minutes. One second after Chatham had received the one-man advantage, Busch put the cap on the Maroon rally and the final damper on the hopes of local fans as he took a pass from Joyce to beat Gordon cleanly.

Chatham — Goal: Edwards; defence: Zorica, D. Blair, Kotanen, Baldwin; forwards: Bendo, Flick, Ferguson, Power, Connelly, Chalmers, Busch, Joyce, Viskelis, Unger.

Vernon—Goal: Gordon; defence: Stecyk, Lavell, Schmidt, McLeod; forwards: Roche, Macdonald, S. Blair, Lowe, Agar, Harms, King, Hart, Trentini, Bidoski.

First period: 1. Chatham, Unger (D. Blair) 9:20.

Penalties: McLeod, 7:03; Hart, 16:02.

Second period: 2. Vernon, King (Lowe, Harms) :38.

Penalty: Power, 12:21.

Third period: 3. Chatham, Joyce (Busch, Unger) 1:58; 4. Chatham, Joyce (Busch, Viskelis) 5:08; 5. Chatham, Blair, 5:31; 6. Chatham, Joyce, 5:52; 7. Chatham, Ferguson (Busch, Kotanen) 10:47; 8. Chatham, Busch (Joyce) 12:46.

Penalties: Bendo (major) 6:25; Agar (major) 6:25; Zorica (misconduct) 8:25; Trentini (major) 12:45; Hart (major) 12:45; Power (major) 12:45.

Play Semi-Finals Today in Tourney

VICTORIA (CP) — Bob Cossey of New Westminster, B.C., lone Canadian left in championship play, ousted Ed Manley, left-hander from Bellingham, Wash., Thursday, 1 up to move into Friday's important semi-final bracket in the Empress Hotel Golf Tournament.

Cossey will meet Ken Lindley of Seattle, who battled J. W. Gilbert of Mount Vernon, Wash., to the 20th home before disposing of him.

An All-Vancouver, Wash., semi-final in the other bracket matches Ed Rapp and Dave Coons, who turned back Percy Person and H. L. Onstad, both of Seattle, 4 and 2 and 3 and 2.

JERSEY CITY, N.J. (AP)—Philadelphia Phillies Thursday released two pitchers. Righhander Lynn Lovenguth was sold outright to Toronto and lefthander Seth Morehead was sent to Miami on a 24-hour recall option.

Lovenguth was with the club last year, appearing in 14 games before being sent to Syracuse of the International League where he won 15 and lost 8.

BOXING CLUB IN HIGH GEAR

Steve Cameron was not on hand Thursday night at the meeting of the Nelson Junior Soccer Association in the Civic Centre. He was downstairs running an estimated 20 boys through their paces as the Maple Leaf Boxing Club held another workout.

Steve, who fostered the idea nearly a month ago, and has been working faithfully at it ever since, every Monday and Thursday night, added another light punching bag to his arsenal of ring equipment Thursday night. Part of the expenses of the bag were defrayed by donations from various Nelson firms and private citizens.

Among the list of donations are $10 from Nelson Intermediates; $43 from a group of citizens who declined to be named, and all sorts of equipment and donations from others in town.

Steve was the overlord as he moved about from group to group supervising. One man was looking after the rope-skippers while others, at various times, have dropped in to help Cameron handle the youngsters.

Next big step for the ambitious Mr. Cameron is a regulation ring. The Civic Centre Commission is having one built for him, as they in common with almost everyone else in town, are solidly behind this venture.

Although none of his young charges have yet boxed in competition, most of them have had chances to whack their tutor. Just before concluding every workout, Steve dons the head-gear and spars a few rounds, stopping once in a while to point out the errors.

Cameron has hopes that before long some of his young proteges will be able to box competitively. He already has received invitations from various centres in the area, but does not believe even his most advanced pupils are ready yet.

Steve expects, too, that his proposed special classes for younger ringsters will become a reality as soon as possible. He has, as yet, released no information as to when that day will be.

BIGGEST VOLCANO

World's largest volcano, Nauna Loa in Hawaii, which had its last great eruption in 1907, towers 13,675 feet.

Chadwick Registers Shutout To Pace Warrior Victory

By AL VICKERY
Canadian Press Staff Writer

WINNIPEG (CP)—Winnipeg Warriors, backed up the steady goal-keeping of Ed Chadwick and shut out Vancouver Canucks 4-0 Thursday night to take a 3-2 lead in games in their best-of-seven Western Hockey League final. Sixth game will be played here Saturday night.

A crowd of 9296 saw Chadwick register the first whitewashing of the series as he booted out 23 shots. Warriors won the second, third and fifth games. If the series goes the limit, the final game will be in Vancouver next week.

Centre Mike Nykoluk paced the Winnipeg attack with two goals and an assist on a marker by Barry Cullen, who was named the WHL rookie of the year in a ceremony between the second and third periods. Veteran pro Billy Mosiekno notched the other Warrior tally. Goalkeeper Ray Mikulan was brilliant in defeat as he turned aside 30 shots, many of which were right at his doorstep. Canucks were best served out in front by the line of Gord Pennell, George Ford and Mark Marquess.

Only one goal was scored while Vancouver was shorthanded, although the west coast champions took eight of the 13 penalties called in the rugged game.

SHOVES PUCK HOME

Nykoluk opened the scoring at 12:49 in the first period when he shoved the puck under a sprawled Mikulan after Warriors had swarmed in on the Vancouver net on a ganging play. Hugh Barlow drew an assist on the play.

Warriors continued to hold the play and went ahead 2-0 at 18:38 when Mosienko, cutting in sharply, took a pass from linemate Ed Mazur and Skippy Burchell and beat Mikulan on a hard high shot.

Vancouver were two men short on two occasions early in the second period but Warriors failed to capitalize. Mikulan kicked out shot after shot but finally gave way under the pressure at 5.34 when Nykoluk deflected Barlow's blueline slap shot into the net.

Cullen scored what proved to be the final goal of the game at 18:34 when he tipped in a play at the crease after a double relay from Nykoluk and Bill Burega. Canuck Phil Maloney was sitting out a tripping penalty at the time.

Play was about even in the scoreless last frame as the Warriors played it close. The four-man defence corps of Burega, Mickey Keating, Danny Summers and Chuck Lumsden set up a tight rearguard and the forwards skated hard both ways to protect Chadwick's shutout bid.

Vancouver — Goal: Mikulan; defence: Egan, Hudson, Currie, Ehman, Kaiser; forwards: Marquess, Maloney, Lilley, Pennell, Cyr, McCarthy, Brown, Ford, Kabel.

Winnipeg — Goal: Chadwick; defence: Summers, Keating, Burega, Lumsden; forwards: Nykoluk, Cullen, Barlow, Masnick, Aldcorn, Nesterenko, Burchell, Mosienko, Mazur, Hoekstra.

Referee: Eddie Powers; linesmen: Andy Gurba and Dick Davis.

SUMMARY

First period: 1. Winnipeg, Nykoluk (Barlow) 12:49; 2. Winnipeg, Mosienko (Mazur, Burchell) 18:38.

Penalties: Masnick 1:33, Burega 4:05, Hudson, Mazur 8:24, Keating, Kaiser 8:50, Ford 19:25.

Second period: 3. Winnipeg, Nykoluk (Barlow) 5:34; 4. Winnipeg, Cullen (Burega, Nykoluk) 18:43.

Penalties: Ehman :39, Egan 1:46, Hudson 10:57, Maloney 18:09.

Third period: No scoring.

Penalties: Masnick 8:40, Egan 12:40.

Stops:

Mikulan	13	10	7-30
Chadwick	5	10	8-23

Decent Weather Will Allow Bigger Throngs

NEW YORK (AP) — With a break in the weather, the second round of major league openers today should top the 226,097 turnout which showed up for baseball's formal bow last Tuesday.

The American League moves into the circuit's two largest ball yards — Cleveland Stadium and New York's Yankee Stadium—and into Kansas City and Baltimore, where the fever of relatively new franchises still runs hot.

The National League reopens business in four long established centres but large crowds are forecast at Pittsburgh, Philadelphia, Chicago and St. Louis.

The opening games Tuesday were played in generally cool and cloudy weather with snow flurries in the middle west.

The day's largest crowd was 40,037 at Detroit to watch the Tigers play Kansas City. The National League's biggest gathering was 39,766 at Milwaukee, where the Braves met Chicago Cubs.

Baseball Standings

Rally For Tie . . .

Montreal Guards Slim Chance of Victory

MONTREAL (CP) — Montreal junior Canadiens Thursday night kept their hopes of a title alive by fighting to a 3-3 overtime tie with Toronto Marlboros in the fifth game of the Eastern Canada Memorial Cup playoffs.

The Marlboros still hold a 3-1 edge in the seven-game series but cannot win it until they count eight points.

The Canadiens were forced to come from behind three times during the hard-checking contest. Canadiens forward Mike Lagace was the life-saver in the match. He rolled a puck past Len Broderick at 18:17 of the final frame to tie the score 3-3.

Gary Collins opened the scoring for Toronto at 5:33 in the first when he grabbed Bob Pulford's rebound and lifted it over Montreal goalie Eddie Johnston.

COUNT EVENED

Canadiens evened the count while Toronto defenceman Al MacNeil was sent off for tripping Andre Pronovost. Ralph Backstrom slapped a six-footer past Broderick.

Canadiens were forced in their own end as Marlboros checked fiercely. The puck slid out of a scramble and Toronto moved a point ahead as Bob Nevins drove a screened shot that Johnston did not see. Marlboros had a two-man advantage in the closing minutes of the first period but could not capitalize.

Bob Boucher was the second Canadien to knot the count. At 3:51 in the second stanza, he poked a pass from Gerry Wilson into the Toronto net from just outside the crease.

Bill Kennedy notched the final goal for Marlboros at 12:50 in the second period. He caught the short side of the Canadien net with a hip-high ten-foot sizzler.

Nelson Kokanees Seek To Enter League Again

There is a better than fair possibility that Nelson will have a senior lacrosse team this season, provided there is a league in which the team could play.

Thursday night in the Civic Centre, 10 members of last year's team plus two newcomers — Ron Hill of Rossland and Wayne Blackwell — late of Vancouver—showed up at an organizational meeting, which was called by retiring vice-president Dunc Jamieson.

Harold Mayo, a boxla star in this area for more years than he cares to admit, was elected manager, on a temporary basis. He will be in charge of the team during its early practices and will handle negotiations with the Civic Centre Commission as regards practice time.

Known last year as the Kokanees, the club will have to spend very little for equipment. They bought new sweaters and equipment last season, so the bank balance — a "massive" $15.55 — will not be taxed too badly before the season starts and money begins again to come in.

Jamieson said he believed a few sticks and balls would be sufficient to get the team going. No date was set for the first practice, pending Mayo's discussion with Arena Manager Jack Morgan, probably sometime today.

Each of the approximately 15 present promised to approach likely friends and acquaintances about the advisability of turning out to the first practice. All indicated a willingness to do so.

Now, if only a league is formed everything (or nearly everything) will be fine. As they awaited an official league announcement concerning the league meeting, the Kokanees did not name an executive. That will come later, it was agreed, when one becomes necessary.

Allot Practice Time For Soccer Squads

Norman Bradley Thursday night walked out of a meeting in the Civic Centre after a relatively minor dispute over the fate of two sets of sweaters which had been transferred from the Nelson Junior Soccer League to the newly-formed Nelson Midget Soccer League.

Bradley, one of eight men who agreed to coach Nelson's soccer-playing youngsters this season, left the room after being told that two sets of matched sweaters and stockings had been given to the Midget league to help get the youngsters organized.

The group of seven on hand for the meeting, headed by Recreation Director Thor Andreassen, had been discussing means of getting hold of two more sets and had apparently all but reached a decision when Bradley stood up, said: "That lets me out," and left.

Throughout the discussion he had advocated seeking the return of the sweaters, while the others—Charles Rushby, Ken Adcock, Dave Cathcart, Fred Taylor and Jim Christie, as well as Andreassen, indicated they were willing to try and get new uniforms.

The group, of whom Steve Cameron and Bob McGhie were absent, agreed they were exceptionally fortunate to have had one such as Gord Taylor to make sure the sweaters were used last season and further agreed that after his efforts Taylor had every right to give two sets to the midgets if he so desired.

Taylor told the group last week what he intended to do and apparently no objections were voiced at that time.

Bradley's decision apparently was motivated by a discussion among the group as to the best way of obtaining the necessary uniforms.

He was in direct opposition to a suggestion by Jim Christie and Andreassen that a letter be written to some of the senior soccer teams in British Columbia asking if they had any used outfits that could be given to the cause.

Bradley favored buying the uniforms, although the total cost for 30 matched sets of sweaters and socks would be in the vicinity of $136.

It was hoped that Bradley would return to the organization before the league officially opens on May 2.

Practice time for each of the four clubs was allocated as follows: Monday—Celtics; Tuesday—Hotspurs; Thursday — Rangers Friday — Wanderers. Wednesday nights and Saturday afternoons will be the game times. The Midget teams will play Saturday mornings.

Although the official schedule has not been released as yet, it is known that each team will play nine games in the first half of the schedule. After a layoff during the hottest part of the summer the clubs will all play the second half of the season, starting on Sept. 1.

Pictures of old country soccer matches and the intricacies of coaching were shown before the group broke up.

Record-Holder Invited to Coast

VANCOUVER (CP) — John Landy, Australian holder of the World Record in the mile run, has been invited to run here in May, it was announced Thursday.

The invitation was extended by the B. C. Olympic and British Empire Games Association.

R. F. Osborne, secretary of the association, said it was hoped Landy would appear on May 25 during the annual Vancouver and district high school track meet.

Landy's record for the run is 3:58.0.

Glenn Hall Wins Calder Trophy

MONTREAL (CP)—Glenn Hall, goalie for Detroit Red Wings, was announced Thursday as the outstanding rookie in the National Hockey League for the 1955-56 season.

In the voting by hockey writers, broadcasters and telecasters, the 24-year-old netminder received 99 of a possible 180 points. Closest were Andy Hebenton of New York Rangers, with 64 points, and Henri (Pocket Rocket) Richard of Montreal Canadiens, with 63.

Hall receives the Calder Memorial Trophy, which goes to the player chosen as "most proficient in his first year of competition," and $1000 from the NHL. In an earlier announcement Hall was also named goalie for the second all-star NHL team.

Hall is a native of Humboldt, Sask., and came up through the Red Wings' farm system. He turned professional with the Indianapolis Caps of the American Hockey League in the 1952-53 season after playing with the Windsor (Ont.) Spitfires juniors. The next three seasons he was with Edmonton Flyers of the Western Hockey League. In that stretch he had six-game and two-game appearances with the Red Wings.

SUCCEEDED SAWCHUK

He became the Wings' regular goalie last season when Terry Sawchuk was traded to Boston Bruins. Sawchuk won the rookie award in 1950-51, his first season with the Wings.

Hall is the seventh goalie to win the rookie award in 24 seasons. The others were Sawchuk, Lorne Worsley, Jack Gelineau, Frank McCool, Frank Brimsek and Mike Karakas.

Players who received more than a scattering of votes included Hec Lalande, Chicago, 29; Hank Ciesla, Chicago, 27; Dick Duff, Toronto, 23.

In the mid-season voting Hall received 48 points, and 51 in the second half. Hebenton was highest vote-getter in the second half with 54, but had only 10 in the first half. Richard had 44 in the first half but only 19 in the second half.

Manager Weill Denies Charge

NEW YORK (AP) — Al Weill, manager of heavyweight champion Rocky Marciano, denied Thursday that he received $10,000 "under the table" after the Marciano - Don Cockell fight as charged in a ring investigation in Oakland, Calif.

"That is all wet," said Weill, shortly before his departure for Macon, Ga., to meet with Marciano.

"I wish it was so, but it isn't. I haven't seen any $10,000."

James Cox, counsel for the California Boxing Commission, introduced work sheets Thursday in an attempt to show that Jimmy Murray, promoter of the fight, paid Weill $10,000 "on the side" while shortchanging the two fighters.

Promise Brandon Two Series Tests

BRANDON, Man. (CP) — Brandon will get at least one and possibly two games of the Edinburgh Cup final if Winnipeg Warriors oust Vancouver Canucks in their current Western League final.

Al Leader, President of the WHL, said in a telephone interview that if Warriors win, one game will be played in the Wheat City arena, May 5th, with the possibility of a second game, May 8th.

The WHL champions meet the winner of the Montreal Royals-Shawinigan Falls Cataracts series for the trophy.

Form Joint Team For Soccer Tourney

DUESSELDORF, West Germany (Reuters) — West and Communist East Germany have decided to enter a joint soccer team for the Olympic tournament, it was announced Thursday.

The two trainers, Sepp Herberger (West Germany) and Oswald Pfau (East Germany) will be jointly responsible for picking the teams.

Sets Record . . .

Finnish Speedster Wins 60th Marathon

BOSTON (AP) —Finland's Antti Viskari today ran the fastest marathon in history in winning the 60th annual Boston event. His time was 2 hours, 14 minutes and 4 seconds.

Viskari outran Boston's Johnny Kelly to cross the finish line 125 yards ahead. There were 165 starters in the 26 mile, 385 yard grind from Hopkinton to Boston.

The old record for the Boston event was 2:18:22, set last year by Hideo Mamamura of Japan.

Kelley, who sought to become the first American to win the classic in 10 years, was timed in 2:14-.33—the fastest marathon ever turned in by a U. S. runner.

Eino Oksanen, another Finn, was third in 2:17.56 while Nick Costes of Boston was fourth in 2:18.01.

All bettered Hamamura's record. The marathon was the fastest ever run. The old mark was 2:17.39, run by Britain's Jimmy Peters on a flat course in England.

Eighteen Canadians started in the race and Gordon Dickson of Calgary made the best showing. Running in the colors of the New York Athletic Club, he finished seventh in two hours, 28 minutes, 45 seconds.

MADRID MASHES MILAN

MADRID (Reuters) — Real of Madrid defeated Milan of Italy 4-2 in a European Cup soccer semi-final here today.

The teams will play the second game of the tie in Milan May 1.

Moose Jaw Bowlers Cop RCAF Crown

OTTAWA (CP) — The RCAF station at Moose Jaw won the air force men's team bowling championship with a three-string total of 3728.

Some 60 air force station bowling champions from Whitehorse, Y. T., to Baden-Soellingen in West Germany bowled three strings of five pins Tuesday and Wednesday. Results were tabulated here in the first such RCAF tournament.

FO W. Godby of Aylmer, Ont., a member of the Moose Jaw team, scored the men's high triple—901—and also the high single with 373.

The women's team championship was won by the Whitehorse station with a three-string total of 3390.

Charges Monopoly

Government Launches Suit Against IBC

NEW YORK (AP) — The government launched a new anti-trust suit against the International Boxing Club Thursday by charging the owners "schemed" to tie up championship fights through exclusive contracts.

Furthermore, the government said, the boxers were kept in the IBC's debt through loans of money for which no interest was asked.

The IBC countered that New York's Madison Square Garden and the Chicago Stadium, the two big arenas figuring in the suit, barely broke even last year, showing that the IBC did not engage in monopolistic price practices.

Federal judge Sylvester J. Ryan adjourned the hearing until Monday.

The government charges that the IBC and its owners from June, 1949, to May, 1953, conspired to restrain and monopolize inter-state trade in the promotion, broadcasting and telecasting of championship fights in this country.

Defendants include the IBC of Chicago and New York; the Madison Square Garden Corp; James D. Norris, New York IBC president, and Arthur M. Wirtz, Chicago. Assistant District Attorney William J. Elkins told the court that the IBC sought to extract exclusive contracts from boxers. He said, as a result, the defendants promoted or had a part in the promotion of 80 per cent of all title fights in the U.S. during the 1949-53 period.

IBC attorney Withney North Seymour, Sr., said such contracts are "almost universal in the entertainment business and do not unreasonably restrain either the boxer or a future promotor in any way."

CHANGE DATES OF GOLFING INSTRUCTIONS

Leigh McBride, one of the chief organizers of the twice-a-week golfing classes at the Junior High School, said Tuesday afternoon he thought there would be only two or three classes before Nelson Golf and Country Club is in condition for playing.

He reported that the response to the classes has been highly satisfactory, increasing steadily from 19 at the first class to a high of 46 two meetings ago. Wednesday night's attendance dropped off slightly to about 35, Mr. McBride said.

The golf course, particularly the lower sections, are well on the way to drying out, and he predicted that golfers would "be able to whack the ball around, at least" before too many more weeks.

Next week, he said, classes will be held on Monday and Wednesday evenings instead of the regular Saturday and Wednesday. The decision was made to allow instructors and pupils to enjoy the weather.

Bill Maxwell Early Leader

HOT SPRINGS, Ark. (AP) — Billy Maxwell shot an eight-under-par 64 to take a one-stroke lead Thursday over Cary Middlecoff in the first round of the Hot Springs open golf tournament.

Maxwell, from Odessa, Tex., said that he "made a couple of mistakes," but he easily made up for them with his putter. He was never in serious trouble as he posted 31-33 over the par 36-36 layout.

The favored Middlecoff was in form on the greens, but slightly erratic with the rest of his game.

"I shot a terrible round," he declared.

Maxwell's round was only one stroke higher than the best recorded in the first Hot Springs open last year. That round was posted by another Texan, Doug Higgins of Midland, who was far back with a par 72 Thursday.

Defending champion Bo Wininger was five strokes behind the leader with a 69. He won last year with 67-67-68-68-270.

BOTOFOGO RALLIES

BRENTFORD, Eng. (Reuters) — Botofogo, the Brailian soccer club beat Brentford, English League Third Division Southern team, 3-2, under floodlights Thursday night. Brentford led 2-1 at halftime.

WATFORD BEATS RAMPLA

WATFORD, Eng. (Reuters) — Watford beat Rampla Club of Montevideo 4-2 in their soccer match under floodlights here Thursday night. Watford, English Third Division Southern team, led 2-0 at halftime.

Harshman, Score, Brewer All Limit Opposition to Two Hits

By The Associated Press

Chicago's Jack Harshman and Cleveland's young Herb Score tangled in a pip of a pitchers' battle, each allowing only two-hits, with the White Sox squeezing out a hitless run to win 1-0 Thursday for a sweep of the opening series between the two American League pennant threats.

It was a day of great pitching in the AL. Tom Brewer tossed a two-hitter for Boston, beating Baltimore 4-2 as the unbeaten Red Sox made it three straight over the Orioles. The White Sox are 2-0.

Kansas City, also 2-0, beat Detroit 4- 1on Bobby Shantz' five-hitter.

And veteran Chuck Stobbs set down New York 7-3 on seven hits as Washington jarred ex-teammate Maury McDermott for homers by Jim Lemon and Ed FitzGerald in the Senators' first success after two defeats by the Yankees.

In the National League, Milwaukee remained unbeaten, knocking off Chicago Cubs a second time, 3-1, while Pittsburgh handed New York Giants their first defeat 3-2. Brooklyn Dodgers got rolling, clipping Philadelphia 5-4 in 10 innings in their second "home" opener at Jersey City. Cincinnati, pushed along by Ray Jablonski's grand slammer, outlasted St. Louis in a home run derby 10-9 in 10 innings.

SCORE SLIPS

The White Sox didn't get a hit off Score until the eighth. But the damage was done an inning earlier when the young lefty walked Minnie Minoso and let fly a two-base wild pitch.

Ex-Indian Larry Doby then lofted a sacrifice fly to end a string of five strikeouts in the season's two games. Score, who set a rookie mark with 245 strikeouts, whiffed Doby twice while fanning 10 for the afternoon.

Cleveland got its hits as leadoff singles by Bobby Avila and Al Smith in the fourth. But Harshman, who struck out five, got Al Rosen on an infield pop, retired Vic Wertz on a fly and then struck out ex-White Sox outfielder Jim Busby.

Jackie Jensen tripled for Boston's first two runs and Mickey Vernon punched home the tie-breaking pair in the fifth when Dave Pope lost the ball in the sun. Brewer's wildness set up the Oriole runs, one scoring on Dave Philley's double and the other on an error.

Three of the hits of Shantz were by Roy Boone, but the only damaging blow was Earl Torgeson's homer in the sixth. Five singles off Steve Gromek scored the As' four runs in the fifth.

HOWARD IN FORM

Elston Howard was the only Yank to give Stobbs trouble, hitting a home run and two singles. Roy Sievers singled two runs home off McDermott in the first with Lemon and FitzGerald powering their clinching homers in the fourth. Yogi Berra, who reached base safely his first nine times at bat for the Yanks, went 0-for-4.

Wes Covington's pinch-single broke up a 1-1 tie for the Braves in the seventh off loser Warren Hacker. Covington batted for winner Bob Buhl, who gave the Cubs their first 1956 run in the fourth, then tied it with a RBI double in the fifth.

Pinch-hitter Rube Walker lifted a sacrifice fly to win for the Dodgers. Roy Campanella's double, his 1,000th hit, tied it and chased little Murry Dickson in the two-run 10th. There were eight errors in the game, five by the Brooks.

Preston Ward's pinch-single off loser Al Worthington drove in two runs for a 2-1 Pittsburgh lead in the seventh and Frank Thomas knocked home the clincher with a single in the eighth.

Ron Kline, shaky at the start, went the route for the Pirates, who won their first.

A bases-loaded single by Wally Post won for Cincinnati off reliefer Ellis Kinder. Post, Smoky Burgess and Ted Kluszewski also homered for the Redlegs, but it was Jabo's blast that overcame an 8-3 deficit. Stan Musial, Wally Moon and Bill Sarni, who got two, homered for the Cards.

SPLIT $40,773 FROM PLAYOFFS

NEW YORK (AP)—The players of the four American Hockey League teams which competed in the recently completed Calder Cup playoffs divided a total of $40,773.95, it was announced Thursday.

Providence Reds, league and playoff champions, received the largest share, $16,717.32. Cleveland, which finished fourth and lost to Providence in the finals, got $11,824.49.

Pittsburgh players shared $6,523.88 for finishing second and losing in the semi-final, while Buffalo, third-place team, received $5,708.35 after being eliminated in the semi-final.

The playoff pool is based on 50 per cent of the minimum number of games required to settle each of the three playoff series—the two best-of-seven semi-finals and the best-of-seven finals.

Soccer Star Seeks Leg Operation

LONDON (AP) — Tom Finney, England and Preston North End soccer star, said today he will have an operation on his left leg May 9. That means he will not be available for England's match against Brazil and games against Sweden, Finland and Germany in May.

Finney, a right winger, has suffered pain from swelling of his leg after recent games.

Market Trends

NEW YORK (AP) — Prices dipped Thursday in the stock market in the slowest session in more than two months.

Canadian issues were mostly off on the New York exchange. International Nickel and Hiram Walker both lost ¾, McIntyre fell ½, Distillers Seagram was off ⅜, Aluminium Ltd. and Canadian Pacific both slipped ¼ and Dome Mines fell ⅛. Hudson Bay Mining was up ¼ and Granby Mining was unchanged.

TORONTO (CP) — The stock market retreated Thursday with scattered areas resisting the trend. Western oils posted a small advance and among industrials, the banks were firm following announcement of an increase in borrowing rates on loans used by brokers to cover margin accounts. A few steels also were in demand.

Opemiska fell $1.25 among the mines. Consolidated Halliwell was off 33 cents to $2.82. Rare Earth advanced 25 cents, Temagami, Consolidated Discovery and United Keno tacked on 15 cents.

MONTREAL (CP) — Losses appeared in most sections of the industrial list at the close of active trading Thursday on the Montreal and Canadian stock exchanges. Some firm spots were evident.

Fraser and Price Brothers were point losers as the papers led the move to lower levels. Most others in the group were fractions easier.

PHONE 1844 FOR CLASSIFIED

Coast Dry Dock Net Profits Increase

VANCOUVER (CP) — Burrard Dry Dock Co. Ltd., had a net profit of $700,444 in 1955, an increase of $200,000 over 1954, the company's annual report discloses.

President Clarence Wallace said work on construction and conversion of naval vessels is expected to be completed and delivery made this year.

Calgary Livestock

CALGARY (CP) — On offer up to 11 a.m. on the Calgary public stockyards: 865 cattle, 15 calves. Wednesday's sales: 1,184 cattle, 29 calves, 539 hogs, 67 sheep.

Around 75 per cent of the light offerings were good and choice butcher steers and heifers. Good and choice butcher steers met strong competition at steady to strong prices.

Choice steers 16.75-17.25, good 16-16.75, medium 15-15.75, common 13-14.50; choice heifers 15.75-16.25, good 14.50-15.50, medium 13-14, common 10-12.50; good cows 12.50-13.25, medium 11.25-12.25, common 10-11; canners and cutters 6.50-9.50 and good bulls 11.50-12.40, common to medium 9-11.

Good feeder steers 15.50-16.75, god stock steers 15.50-17, common to medium 13-15.

Good to choice veal 20-23, common to medium 13-19.

Hogs steady Wednesday, 20.50 Grade A; sows steady 11 liveweight.

Good lambs 25-50 higher at 18-18.75.

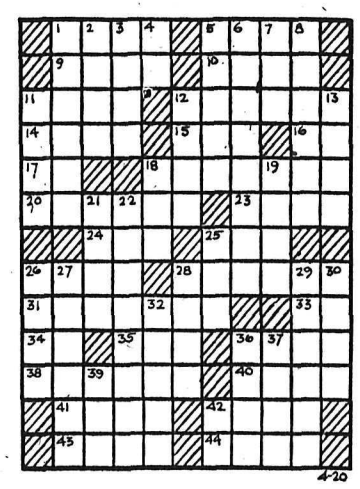
Yesterday's Answer



DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

B C M M C A P I G E C U Y C M E R S J U L.
G D B'M O C D E P S—O U I E G C D S.

Yesterday's Cryptoquote: SCIENCE IS NOTHING BUT PERCEPTION—PLATO.

HISTORIC THEATRE

LONDON (CP) — Marble Arch Pavilion has closed its doors for the last time. One of London's oldest movie houses, it was opened 43 years ago on the site of the old Tyburn prison. Some of the cells still remain in the basement and a block of wood marks the site of the gallows.

Calder First Indian Student To Enter UBC

VICTORIA (CP)—Frank Calder, first and only native Indian to be elected to a legislative body in Canada, has become a powerful spokesman for his people.

In 1952 the British Columbia legislature heard its first address in a language other than English when Calder, CCF member for Atlin, spoke in the tongue of the Nishga tribe.

He calls Atlin the "Switzerland of B.C." and the far northern constituency is so extensive that it costs him half his legislative pay of $3000 to make a tour of the riding.

Frank Calder has run for election three times under the CCF banner and has increased his majority each time.

In keeping with Nishga tribal belief, he was adopted two weeks before birth by the leading chief of the band. Upon his foster father's death, Frank's blood father became the leading chief.

Tribal tradition is that the chieftainships shall pass to the eldest nephew. In this case there is no nephew so Frank will inherit his father's name, Chief Long-Arm.

The future Chief Long-Arm went to elementary and high school near Chilliwack. He was the first reservation Indian ever to enter the University of British Columbia, graduating from there in 1946 with a degree in theology.

His entry into politics postponed his becoming an Anglican clergyman but, the 41-year-old member says: "The mortality rate is very high in politics and if my constituents decide to terminate my political career I shall seek entry into the ministry."

Meanwhile, Frank Calder continues to work towards his ideals. He advocates strongly that Indians become Canadian citizens and take on the responsibilities and rights that go along with citizenship. He is striving to win the right for Indians to vote in federal elections and equality of treatment in all matters.

Paintings Worth $95,000 Stolen

MONTE CARLO (AP) — Monaco's third—and biggest—robbery of the week-long wedding celebration for Grace Kelly and Prince Rainier III was announced today.

Police said five rare paintings valued at more than $95,000 were stolen Wednesday from the home of Dr. S. Mikhaelos, a wealthy resident of the principality.

Earlier jewels totalling $55,000 in value were stolen from a wedding guest and from one of the bridesmaids.

The most valuable of the paintings was a Rubens portrait, valued at around $70,000. Also stolen were a Rubens portrait of an apostle, Van Dyck's Deposition of Christ, a Guido Reni of David holding Goliath's head and a portrait of a young girl by John Russell.

Descriptions of the paintings were flashed to police throughout France. Security forces at ports and airfields were asked to keep a close watch.

The Highways

No. 3 — Cascade, Rossland — mostly bare, some rough and muddy sections. Rossland, Trail, Castlegar, Nelson, Balfour, Kootenay Bay, Creston, Goatfell — bare, frost heaves. Goatfell, Cranbrook, Fernie, Crowsnest — good.

Stamp Collectors Line Up In Monaco

MONTE CARLO (AP) — Hundreds of stamp and souvenir collectors lined up at Monaco's post offices Thursday to buy the special stamp issue honoring the wedding of Grace Kelly and Prince Rainier III.

The series of eight stamps of varying denominations was for sale only Thursday, the day of the religious ceremony. Price for the set: 827 francs ($2.38.)

Ex-King Leopold Leads Expedition

BRUSSELS (Reuters) — An expedition led by ex-king Leopold of Belgium is believed to have established the site of the first Spanish city on American soil, according to information published here. Leopold led an archaeological expedition to Colombia in January this year. The forgotten city is Santa Maria la Antiguia del Darien —not the first Spanish settlement in the Americas but the first community with city status — which was founded in 1510 and abandoned in 1524.

Bourne To Lead Middle East Army

KUALA LUMPUR, Malaya (Reuters) — Lt.-Gen. Sir Geoffrey Bourne, director of operations against the Communists in the jungle war here has been appointed British commander-in-chief of the army in the Middle East, it was announced.

The tough, one-armed Bourne made a dual reputation as a ruthless anti-Communist fighter in Malaya as well as supporter of the country's march towards independence.

111th Battery News

The 24 Regiment carried out an exercise in the vicinity of Casino Creek west of Trail. A detachment of the 111th Battery took part Saturday and Sunday. The exercise covered various phases of field craft and firing of various types of weapons, in the small arms category. It entailed long days in the field but was stimulating and instructive.

Sgt. E. J. Heroux, Administrative clerk, was in Trail Wednesday in connection with monthly maintenance of the vehicle on charge to the 111th battery.

WOII S. Desireau, 24 MAA Regt. Trail, is in Nelson in connection with Q duties.

Part 1 orders by Lieut. F. W. M. Drew, officer commanding.

Duties for week — Orderly officer, Lieut. H. Dahlquist; orderly NCO, L-Bdr. K. Loewen; fire picket, Gnr. C. G. M. Kidd and Gnr. Jennings; canteen orderly, Gnr. L. H. J. Atwell; canteen Steward, Bdr. R. McGhie.

Parade — Friday at 1955 hours; dress, as per part 1 orders; special training, quarter-guard, Sgt. Hill instructing.

Plans Pheasant Farm In Okanagan Area

VERNON (CP) — H. A. McPhee, a 1948 Olympic swimmer, has announced that he plans to establish a pheasant farm near Vernon.

Mayor Frank Becker informed City Council that Mr. McPhee has the full support of the Game Department and of the Vernon Fish, Game and Forest Protective Association.

Mr. McPhee has purchased 38 acres four miles East of Vernon.

He said he plans to grow up to 2500 birds this year and build this number up to 15,000 "within the next few years."

The birds will be sold to the Game Department and restaurants.
