Bailey Bridge for Sanca Gap Arrives

Replacement Won't Go In Until Sunday; Traffic Flows Again On Road To Kaslo

Restoration of bridges and road sections washed out in last week's floods, is going ahead surely and steadily in West Kootenay.

Sections of the Bailey Bridge from the Coast which will fill the gap over Sanca Creek on the Kootenay Lake East shore rolled into Nelson Wednesday on four trucks.

The highways department at Nelson, however, still thought it would be Sunday before Sanca bridge is replaced. Otherwise, the Southern trans-provincial highway along the East shore would be open. Temporary replacements have been made where other bridges along the 50-mile highway were swept away.

The road to Kaslo is now open, the bridge hole at Woodbury Creek having been temporarily patched.

The Slocan highway is open from South Slocan to the Monashee.

These are the roads still closed: Kaslo to New Denver, Kaslo to Lardeau, Robson to Syringa Creek.

A further drop in the water level at Revelstoke indicated that the Columbia River should be going down accordingly at Trail and Castlegar. Certainly, the rise has been more gradual at these points.

Revelstoke read 28.03 Wednesday compared with 28.96 the day before. Trail level was up to 40.32 from 40.84, and Castlegar reached 32.4.

FERRY KEEPS ON

The Castlegar ferry was still operating Wednesday night, practically at the "point of no return."

Nelson's second recession was reported. The water level was down from 14.84 Tuesday to 14.75.

Kootenay Lake communities between Kootenay Bay and Sanca were once again watching the cars go by. Road communication with Nelson was restored to Boswell just before noon Tuesday, and stranded tourists and delayed visitors quickly set off for the Kootenay Lake ferry.

A crowd of residents went to Lockhart Beach Monday to watch three bulldozers tear out a fresh channel to steer the still-raging creek back to its bridge. Decking and stringers had to be removed to give bulldozers a clear run to the lakeshore.

"It was a welcome sight to see the bulldozers change the big flow of water off the Lockhart picnic grounds and down the fresh outlet," one resident reported.

Crews hustled to get the bridge redecked, and to remove tons of rock, sand and logs from the highway before it could be declared safe for traffic.

The big equipment has now been moved to Sanca, to prepare ground so that the Bailey bridge may be hauled up to the bridge site.

As soon as the highway was reopened at Lockhart, the almost-buried car of Moose Jaw tourists was dug out and towed to Nelson.

Huge breaks in blacktop at La France have been filled and much debris removed, but much mopping up remains to be done. For the time being, a narrow passage has been made through the litter.

U.K. WARNS NATIONALISTS

Will Protect Ships Trading With Red China

LONDON (AP) — Britain has warned Nationalist China the Royal Navy will protect British ships trading with Communist China.

Robert Turton, undersecretary of state for foreign affairs, told the Commons Wednesday the warning was contained in a protest to Nationalist Chinese authorities against the interception of two British ships trying to enter Foochow.

He said the ships, the Inchjura and Helikon, were intercepted by a Nationalist warship Tuesday and were warned not to enter Foochow. The next day, Turton said, the Helikon made another attempt to enter the harbor. He said the vessel was fired on by the warship and detained seven hours. Both ships later got into Foochow, Turton said.

Russ Scullers To Race After All

HENLEY-ON-THAMES, England (AP) — The Russians will take part after all in the Royal Henley regetta, Britain's fashionable rowing classic.

The Russian decision to return was made late in the day, six hours after the regatta had opened on a discordant note with the Soviet oarsmen withdrawing their entire team.

A stevedores' strike on London's docks had left the Russians, who won three major titles at Henley last year, without their racing shells for the four-day competition on the River Thames. Moscow sent orders to drop out and not risk it with borrowed shells.

Then, with dramatic abruptness, the Russians asked permission to return to Henley. The dockers' union had decided to allow the shells to be unloaded from a Russian ship at Gravesend. The regatta committee, which the Soviets originally blamed for the failure to get the boats into the Thames, permitted the Russians to return for today's events.

While the Russians supplied the drama, it was strictly an American day on the river.

Massachusetts Institute of Technology, Dartmouth and the University of Pennsylvania recorded impressive victories in heats of the Thames Challenge Cup.

The University of British Columbia eights crew, expected to race Friday in the Grand Challenge Cup heats, continued to train. UBC's opponents are not yet known.

THIS BRONZE STATUE of Sir Winston Churchill, the work of Yugoslav sculptor Oscar Nemon, has been placed in the Guildhall in London in honor of the former prime minister. At the dedication, Churchill noted that it is unusual to erect statues to living statesmen and hoped the city officials "would not find it a duty in my lifetime to make any agonizing reappraisal."—Central Press Canadian.

The Nelson Daily News will not be published Friday, Dominion Day. Publication of regular editions will resume Saturday morning.

Celebrations Hold Sway in District Friday

Brightening skies over the Kootenays Wednesday held hope that the sun would shine on Dominion Day celebrations in nearly a dozen communities.

Children's and adults races, ball tournaments, parades, queen crowning ceremonies and dances will make the day memorable in towns from the Boundary nearly to the Alberta border, provided of course that the weatherman gives Southeastern B.C. a break in its long wet spell.

Natal is extending its festivities over three days, from Friday to Sunday, and will treat its residents and visitors to a merry round of events.

Invermere and Fernie will also be entertaining theirs and neighboring folk. Cranbrook will welcome fans to its rodeo.

Salmo, where three lovely young girls are vying for the title of queen will transform plans for an activity-packed day into performance. It will be host to hundreds.

Silverton will become the hub of the Slocan for the day, as a long list of sports and show entertainments are run off at Dewis Memorial Park. The sponsoring Community Club has worked for months to assure a good celebration.

Another holiday town will be Nakusp, which will be "packing them in" from all parts of the Arrow Lakes.

In Nelson and Trail the emphasis will be on children's sports, the Kinsmen holding events at the Civic recreation grounds in Nelson, and Shavers Bench park being the drawing place in Trail.

Gov't Returned for 6th Straight Term

EDMONTON (CP) — The Social Credit party, under evangelist-politician Ernest C. Manning, won its sixth consecutive general election in Alberta Wednesday.

The size of its majority may not be known for a couple of days because of the complex vote-counting system. Social Credit won 52 of 61 seats in the 1952 election.

Early in the vote-counting it looked as if the Social Credit vote had been cut to about 51 per cent from 56 per cent in the last two elections and the Liberal popular vote had increased to 29 per cent from 22.

But this was before anything more than a small fraction of Edmonton and Calgary counts were available.

Close counts in single-seat constituencies where the alternative vote is used, coupled with the proportional-representation system in the multi-seat ridings of Edmonton and Calgary, made it impossible to gauge the final result from the early count.

In a dozen rural seats the leading candidate held a margin insufficient to assure election. In rural seats where more than two candidates are running the alternative vote system provides that the votes of trailing candidates are distributed on the bases of marked second choices.

It may be days until Edmonton's seven seats and Calgary's six seats are decided. There were 30 candidates in Edmonton and 23 in Calgary.

By the time 27 Social Credit candidates were elected opposition candidates had made four gains from Social Credit — one Liberal, one Liberal-Progressive Conservative, one Coalition and one Independent — all in rural seats.

TWO LEADERS IN

Premier Manning and Liberal leader J. Harper Prowse won personal victories in Edmonton. This was Mr. Prowse's third general election since taking over the Liberal party in 1947.

Seven cabinet ministers were returned. One, Lands and Forests Minister Ivan Casey, was defeated by Ross Ellis, the only Liberal-Progressive Conservative candidate.

The vote ended what political veterans termed the hottest election campaign in Alberta's 50 years.

An estimated 650,000 persons were eligible to vote. The last general election, in 1952, saw 298,335 of 537,140 eligible voters cast ballots. The record vote was in 1940 — 308,864.

John C. Landeryou and Roy S. Lee recovered seats they resigned in the last legislature when it was revealed they were part-owners of an Edmonton office building being leased to the government.

Mr. Landeryou, a former Social Credit member of Parliament, retained Lethbridge in a four-way fight while Mr. Lee won Taber in a three-way battle.

Both ran again on the Social Credit ticket although Mr. Manning said they hadn't government support.

Standing at dissolution: Social Credit, 49; Liberal, 4; Progressive Conservative, 3; CCF, 2; Independent Social Credit, 1; vacant 2.

Social Credit held one seat and lost another to the Progressive Conservatives in two by-elections.

Russ Expected To Take Tough Line at Geneva

By RICHARD KASISCHKE

MOSCOW (AP) — Are the Russians going to take a tough line at the Big Four summit meeting in Geneva? Increasing signs in Moscow indicate the answer is yes.

For one thing Premier Bulganin has been briefed for many weeks by key Russian policymakers in preparation for his talks with President Eisenhower, Prime Minister Eden and Premier Faure.

Western observers here say the West should be warned not to expect the Belgrade atmosphere at Geneva. There last month Bulganin and Soviet Communist party boss Nikita S. Khrushchev apologized publicly for the way in which the cominform had kicked out Tito's Communist party in 1948.

The Communist party newspaper Pravda told off West German Chancellor Konrad Adenauer Tuesday. In effect it said he need not come to Moscow at all under the Soviet invitation June 7 if he was coming with pre-conditions.

The same kind of notice is expected to be served soon on the Japanese, who have been driving a hard bargain in negotiations at London with Russian representatives over war prisoners and territory lost during the Second World War. The London talks were initiated in an effort to agree on a Japanese-Russian peace treaty.

Can the Russians carry through a tough policy at Geneva, with their manifold economic problems at home and the situation in the "people's democracies" and China? Maybe they can't, but it's a good bet they are going to try.

Furthermore, the Russians think they are making headway, especially since India's Prime Minister Nehru on his recent visit to Moscow signed a joint declaration with Bulganin calling for handing over Formosa to the Chinese Reds and for banning even experimentation with nuclear bombs.

AGREED CHARGES BILL MODIFIED

OTTAWA (CP)—The government decided Wednesday to modify its controversial agreed-charges legislation to give persons opposed to any agreed charge a better chance to get it reviewed.

The legislation had run into opposition before the Commons railway committee on the ground it narrowed complainants' access to the railway-regulating board of transport commissioners.

Transport Minister Marler's bill is aimed at making it easier for the railways to establish these contract rates with shippers. As placed before the Commons, it would make any complainant go to the minister for permission to get a board hearing.

At present, qualified complainants may go direct to the board. Truckers are excluded and would continue to be under the new legislation.

Expect Traffic Toll

CHICAGO (AP) — A July 4 U.S. Independence Day weekend automobile traffic death toll of 380 has been forecast by the National Safety Council. The estimate covers the period from 6 p.m. Friday until midnight Monday.

THE HAGUE (AP) — Trial adoption of children for three years is provided for the Netherlands' first adoption law, passed Wednesday by the lower house of Parliament. The bill is expected to end a flourishing black market in adopted children, who in the past have often changed hands as the result of newspaper advertisements.

DOLLAR HIGHER

NEW YORK (CP) — The Canadian dollar closed Wednesday 1-32 of a cent at a premium of 1½ per cent in terms of U.S. funds. Pound sterling up 1-16 of a cent at $2.78½.

MONTREAL (CP) — The U.S. dollar closed at a discount of 1 15-32 per cent in terms of Canadian funds, up 1-16. It took 98 17-32 cents Canadian to buy $1 American. Pound sterling $2.74⅜, up ¼.

Umbrella Aids In Thief's Capture

VANCOUVER (CP) — An umbrella-swinging lassie and three Calgarians foiled an attempted holdup in a Granville street shop just at closing time Tuesday.

Scheduled to appear in police court Wednesday on a charge of attempted robbery is Adam Diewold, no fixed address.

Police said a man entered a small hosiery and glove shop operated by Mrs. Eva Davies and told her to "hand it over." At the same time, the man grabbed a handful of money from the till.

Marlene Furrer, who was on her way home from work, noticed the commotion in the store and ran in, breaking her umbrella over the surprised bandit's head. As he raced from the store with pert, 102-pound Miss Furrer still swinging at his head, the bandit ran into Derek Crows, W. I. Shepherdson and Jack Deanes, all of Calgary.

The three Albertans grabbed the fleeing man and held him until police arrived on the scene.

TUC Issues Expulsion Order To End Strike

LONDON (Reuters)—Britain's labor union chiefs Wednesday made a stern but abortive bid for an immediate end to a five-week dock strike affecting two-thirds of the country's shipping.

Leaders of the 8,000,000-member Trades Union Congress ordered the stevedores union to expel all 10,000 of its striking members in north England ports. This would leave the union with only its 70,000 London members who are also on strike.

The TUC acted immediately after a three-man committee set up to investigate the grievance between the two rival unions found the stevedores guilty of "poaching" the 10,000 northern members from the 1,300,000-strong Transport and General Workers Union.

Wednesday night, strike leaders in Liverpool and Manchester struck back hard at both the committee's findings and the expulsion order. Liverpool strike leader Bill Johnson angrily declared: "The TUC left out one important factor — that is how the men themselves feel about it.

WILL BE INTENSIFIED

"The strike will be intensified." John McShane, strike leader in Manchester, declared: "As far as we are concerned, the strike for recognition continues and under no circumstances will our membership return to the TGWU."

The strikers in the northern ports, backed by their London members, are demanding equal negotiating rights with the rival union on wages and conditions. Their breakaway union was suspended by the TUC last year for raiding their rivals' membership.

Latest figures show 18,000 stevedores on strike, affecting 260 ships in six ports and hitting the country's vital export trade.

The TUC statement said there no longer is any justification for continuation of the stoppage.

Leaders of the stevedores' union will meet today to decide whether to accept the committee's decision.

Butter Issue Stirs House

OTTAWA (CP)—The question of selling surplus Canadian butter to Iron Curtain countries boiled up in the Commons Wednesday and the government disclosed that about 300,000 pounds of unsalted butter was shipped to an unnamed European country.

The butter issue also developed into an exchange between Prime Minister St. Laurent and Opposition leader Drew as the House discussed a Canadian Press report Tuesday that the government has granted an export permit for the shipment of butter to Communist-controlled Czechoslovakia.

GIRL DRAGGED BY HORSE DIES

LANGLEY, B.C. (CP) — A 13-year-old girl, dragged by her runaway horse, died in hospital here Wednesday. Her name was withheld until relatives could be located.

Police said the girl was riding the animal about a mile east of here, when she was thrown or fell from the saddle. Her foot became wedged in the stirrup and the frightened horse ran for about half a mile before the girl dropped free.

She was found alongside the road and died without regaining consciousness.

Judges Get Pay Hike

OTTAWA (CP) — An Opposition senator-farmer made a last-ditch attempt Wednesday to block passage of government legislation giving a $2,500-a-year boost to salaries of federally-appointed judges. But he lost out for want of a seconder to his motion.

Senator Ralph Horner (PC-Saskatchewan) opposed final reading of the bill in the senate on the ground this is no time to be increasing salaries. The fact is, he said, Canada may have to cut wages to stay in the export market. Farm income was down and would drop more.

Britain's Free Press Has 100th Birthday

By ADRIAN BALL

LONDON (Reuters) — Britain's national newspapers, which have the largest circulations in the world, Wednesday quietly celebrated the 100th anniversary of the birth of the modern free press in the country.

Until June 29, 1855, British newspapers staggered under a penny government tax. This forced their price beyond the pocket of the average man. The government finally bowed to a long campaign and abolished the onerous duty.

Newspapers mushroomed all over the country. On that very day, two great British journals — the London Daily Telegraph and the Edinburgh Scotsman — were born. Four days later, the Manchester Guardian was first published as a daily.

Editorials in newspapers across the country commemorated the anniversary. They pointed to the tremendous changes in world opinion since the days when the press was deliberately fettered by taxes for fear the masses would become "too enlightened" and too dangerous.

The Manchester Guardian said a free press is regarded nowadays as one of Britain's "natural liberties."

UN REPORTER WAS COMMUNIST SPY

WASHINGTON (AP) — Winston M. Burdett, now United Nations reporter for the Columbia Broadcasting System, told investigating Senators Wednesday he was a Communist spy in Europe for more than two years in the early 1940s.

He said he quit the party in 1942, having realized it was "the tool of a cynical power.

WOULD ABOLISH SENATE

MONTREAL (CP) — The 60,000-member Quebec Federation of Industrial Unions suggested Wednesday abolition of the Canadian Senate and its replacement by a body in which the provinces would have the power of veto on constitutional issues.

Israel's Coalition Government Resigns

JERUSALEM (Reuters) — Israel's four-party coalition government led by Premier Moshe Sharett resigned Wednesday after a split between its main parties.

The split is between the moderate labor party, Mapai, and its main partner, the right wing General Zionists party.

The riff occurred when the General Zionists abstained late Tuesday on a non-confidence motion over a libel case.

Bennett Nettled by Coast Paper Questions

VICTORIA (CP) — Premier Bennett angrily refused to answer questions concerning B.C.'s provincial debt submitted by the Victoria Daily Times, Wednesday.

"This is my press conference, my friend," he said. "I don't want to discuss anything else, thank you."

The questions, which the premier did not even agree to look at, arose as a result of his recent challenge that the newspapers are misrepresenting the province's debt situation.

The latest debt issue resulted from the issue of a booklet entitled "A Review of Resources, Production, and Governmental Finances," prepared by the department of finance. Premier Bennett is finance minister.

Newspapers and the government's political opponents, have charged the government with "juggling the books" to make the debt picture appear brighter by transferring responsibility for loans to government agencies, such as the PGE, the Toll bridges and Highways Authority, the B.C. Power Commission and by not showing loans for school construction guaranteed 100 per cent, paid about 50 per cent, by the province.

The premier, in accusing the newspapers of misrepresentation, said he would invite editorial writers, and any chartered accountants they want to bring along, to his office. He did not undertake to allow them to look at the books, but said he would be willing to answer any questions.

"The question of debt is in this book—that is the issue this morning thank you," he said. "We want to let the people know once and for all who is right—the critics or the finance department."

"I know the Victoria Times is bitterly opposed to this government," said the premier.

"I want editorial writers and chartered accountants over—that's the question and issue."

Traffic Cops on Job July 1st

By The Canadian Press

The 88th anniversary of the Confederation which brought Canada into being will be celebrated throughout the country Friday, Dominion day.

A Canadian Press survey shows that in cities, towns and villages from coast-to-coast parades, sports events, community gatherings and private picnics will mark the day when Canada was born.

Everywhere police have given notice they will crack down on speeding and dangerous drivers to keep the weekend death toll under control.

Safety leagues in both Ontario and Juebec have issued special appeals to drivers and swimmers to exercise particular caution to keep the weekend fatality toll below last year's when 69 persons including 21 children lost their lives.

TWO GET PADDLINGS, JAIL TERMS

NEW WESTMINSTER (CP) — Two men convicted of armed robbery were sentenced Wednesday to two years in prison and paddlings.

Oliver Marteins, 30, will receive two whippings of five strokes each, and Warren H. Leary, 25, one whipping of five strokes.

They were convicted of separate robberies in suburban Burnaby.

SALT LAKE CITY (AP)—When the burglar alarm went off in the Salt Lake City treasurer's office, it couldn't have happened at a better time.

It was time to change shifts in the sheriff's office, located in the same building. So twice the usual number of deputies were around.

They piled over desks and swarmed through all doors to answer the alarm.

In the treasurer's office, they found only a red-faced janitor, Richard Hathaway. He explained he had bumped the burglar alarm while getting a waste paper basket out from under one of the cashier's counters.

TOKYO (AP)—Tokyo barbers have touts. They roam the streets hunting for long-haired prospective customers and try to steer them to particular barber shops.

ABIDJAN, French West Africa (Reuters) — Two Africans stole $110,000 worth of diamonds here thinking they were rock salt, then threw them out because they didn't flavor the stew, police reported Wednesday. Authorities now are busy combing rubbish heaps trying to recover the stones. So far they have found 707.

No Immediate Plans For Radar Here

Radar, an infallible check on speeding motorists is not planned for the Kootenay in the immediate future.

The electromatic radar speedometer is being tried out at the coast by RCMP but it will be a considerable time before there are any radar prosecutions in B.C.

RCMP at Nelson said Wednesday there are no immediate plans for radar in the Kootenay.

Fined For Speeding

Two Nelson motorists were fined $25 each in city court Wednesday for speeding.

Kenneth James Williams pleaded not guilty, then changed his plea to guilty to exceeding the speed limit on Stanley Street June 26.

Alfred H. Wilson pleaded not guilty to speeding on Latimer Street June 22, saying he didn't believe he was exceeding the speed limit. He was found guilty. Both appeared before Magistrate William Brown.

Nelson Dominion Day Features Fun for All

Nelson with many other centres will stage gigantic Dominion Day celebrations Friday when fun for the entire family will be provided, sponsored by the Nelson Kinsmen Club.

At 9 a.m. kiddies' sports will take place at the Civic Recreation Grounds with prizes given for all events. Children under 12 years of age will receive free nickles.

A decorated bicycle and costume parade will be held, starting at 1 p.m. with prizes given to the various age groups. Plus this event there will be a pet parade. There will be prizes for three different groups of dogs plus the cat and other pet sections.

At 3 p.m. there will be Little League baseball at Queen Elizabeth Park.

In the evening a carnival will be held in the Arena where there will be games of various kinds for young and old.

The gala event will get under way Thursday night with the first of three dances to be held in the Auditorium. On Friday and Saturday there will also be dances with the last winding up the holiday weekend.

This is the second year in a row the Kinsmen have taken over this giant project and committeemen have high hopes it will be a huge success.

OUTLAWS BEAT BABE RUTHERS

Nelson Outlaws took the Babe Ruth All-Stars 12-8 in a seven-inning practice game at the Civic Recreation Grounds Wednesday night.

Giving the All-Stars a look at a little faster ball at the plate and harder hit balls, more of such games have been scheduled.

Although not playing any U.S.-Canadian league games this week, the Outlaws will be far from idle as they journey to Silverton July 1 to take part in a baseball tournament. Over the weekend the club will travel to Colville, Wash., to take on the Colville Eagles and the 760th Air Squadron in a doubleheader.

A trip to Metaline Falls is planned for next week and on July 10 Kellogg, Idaho club will be the Outlaw's visitors in Nelson as a part of the Midsummer Bonspiel program.

TO LECTURE AT UBC

VANCOUVER — A special fund to bring outstanding cancer specialists to Vancouver for lectures at UBC has been established by the B.C. division, Canadian Cancer Society.

Purpose of the fund, said Mrs. F. M. Ross, division president, is to make available here first hand knowledge of the latest developments in the field of cancer research and treatment.

Morey, Mrs. Bradley Cop Mixed Foursome

Mrs. L. S. Bradley and A. Morey won the honors at the Nelson Golf and Country Club Wednesday when they copped first prize in the mixed two-ball foursome tournament.

Runners up were C. Hayless and Miss Catherine Argyle, with consolation prize for high hole going to Miss Pat Grieve and H. B. Forse.

Dinner in the club house followed the tournament which, had 36 entries. In charge of the event were Miss Joan Sutcliffe and G. R. Barefoot.

Fast, Hard Work Produces 11th Spiel Booklet

Nelson's Mid-Summer Bonspiel Committee came close to missing publication of a souvenir booklet for the first time in the 'spiel's history.

Until a week ago the idea of making possible the annual booklet was discarded, but through the efforts of the Nelson Daily News and secretary of the 'spiel directors, Walter Wait, Nelson and District will be publicized as in the past.

On hearing of the missing link, which has become part of the gala bonspiel week, the management of the News and Mr. Wait started work and in a week's time have designed a fine souvenir.

Slightly smaller than last year's, the booklet will feature many stories and pictures throughout its 20 pages. There will be stories and pictures on Nelson and its bonspiel parade and the scenic drives through the Slocan district. It will tell of the rapid growth of the Kinnaird, Robson and Castlegar district, the importance of the Creston-Salmo cutoff, of Balfour and Kaslo plus stories on the work of the Nelson Chamber of Commerce and the Junior Chamber of Commerce.

With the bonspiel a little more than two weeks away, preparation for the printing of the booklet is well advanced and curlers from throughout Canada and points in the United States will be carrying them to their homes to show friends the beauties of the Kootenays and to tell of the wonderful time to be had at the mid-summer 'spiel.

Plane Flight Refused Prisoners; Cars Take Drug Addicts to Coast

First attempt to transfer 13 prisoners from Nelson Provincial Jail to Oakalla prison at Vancouver failed when they created a disturbance at Castlegar airport, it was learned here Wednesday.

The pilot of a chartered plane refused to carry them because of their conduct, it was reported. Three Trail taxis were finally enlisted to carry the prisoners, convicted narcotic addicts, to Vancouver.

RCMP and jail officials Wednesday still refused to comment on the presence of the drug addicts at the Nelson jail and of their return to Vancouver.

There was some indication that the 13 prisoners had been transferred to the Nelson jail by mistake after being sentenced at Vancouver.

Jail Warden Alex Tulloch, who returned to Nelson Wednesday after conferring with the Inspector of Jails Ernest Stevens at Vancouver, would not comment on the incident. Information would have to come from Mr. Stevens, he said.

SIX CARLOADS

Three cars of guards and RCMP and the three taxis carried the prisoners to Vancouver leaving Trail about 7 p.m. Saturday and travelling all night. Two prisoners were in each of five cars and three in the sixth. There were some threats and sickness, but on the whole the prisoners behaved fairly well on the trip. Neither police or guards would give information on the event.

Facilities for care of drug addicts are inadequate at the Nelson jail and there were considerable disturbances during their two-week's stay.

It was known they received medical treatment while here and that one had been a patient in Kootenay Lake General Hospital.

Five Fairview Scouts Presented With Queen Scout Badges, Plaques

Before three lighted candles and a glowing "campfire," five Nelson Boy Scouts reaffirmed their Scout Law promise in receiving their Queen Scout badges at the Scout Hall Tuesday night.

The candles represented the threefold promise to do their duty to God and the Queen, to help other people at all times and to obey the Scout commandments, District Commissioner Don L. Ure explained.

They were Jack Miller, Jim Wilks, Jack Boyes, Bill Lambert and Bill Gibbon, all members of the Third (Fairview) Troop. Each received a plaque from Rt. Hon. Vincent Massey, Governor General and Chief Scout for Canada, which stated they had shown themselves "worthy members of the great Scout brotherhood."

Parents of the boys stood with them during the presentations. Mr. Ure told the new Queen Scouts they had helped themselves along the path of life and should reach for greater heights, and continue to promote goodwill and peace among men of all nations. He reminded them their parents had played a big part in their achievement by encouraging them to enter such beneficial activities.

WINS CERTIFICATE

The commissioner also presented a cub training certificate to Miss Florence Moss, Fairview Brownie leader, who completed the training course in New Denver in 1953.

The five scouts also received badges they had earned. Assistant Scoutmaster Gordon Fleming presented the first class badge to Jack Miller; Fire Chief E. S. Owens the firemen's badge to Jim Wilks and Jack Miller; Cpl. Alex Borodula the ambulanceman's badge to Jack Miller; Jim Wilks, Bill Lambert, Jack Boyes and Bill Gibbon and J. J. McEwen the Pathfinder's badge to Bill Gibbon, Jack Boyes and Bill Lambert.

Two of the scouts, Bill Gibbon and Bill Lambert, will attend the World Scout Jamboree at Niagara-on-the-Lake in Ontario in August.

In another interesting ceremony, Chuck Easy became a new member of the Fairview troop in going up from cubs to scouts. Cubmaster Fred Westfall presided.

Prior to the ceremonies, Cpl Alex Borodula, who is expected to become Scoutmaster of the Fairview troop, succeeding Irwin Hobden who has left Nelson, led parents and scouts in a word game. Corporal Borodula came here from Greenwood, where he was a scoutmaster.

Congratulations were extended to the queen scouts by J. J. McEwen, president of the Nelson District Scout Association, who told them they would find their reward in many ways if they remained "good scouts"; and by Clifford Easy, chairman of the Fairview group committee and who acted as chairman during the ceremonies.

Refreshments were served by the scout mothers.

Tenders Submitted for Supermarket Excavation

Tenders have been received at Vancouver for excavation for the big supermarket Canada Safeway Ltd., will build in Fairview, it was learned in Nelson Wednesday.

Announcement as to the successful bidder is expected shortly, and excavation work will probably begin in a few days time.

It is understood that construction will begin in the Fall.

The company, which at present leases premises on Baker Street for its retail business, has for its site a 20-lot area on Anderson Street between First and Pine Streets, the former John E. Marquis garden property.

The building will cover an area 100 by 125 feet, and blacktopped parking lot will accommodate more than 140 cars.

JOE HAYWOOD RESTS IN TRAIL

TRAIL (CP)—Joe Haywood, 27, who recently resigned from the Vancouver police force after a short but sensational career as a rookie cop, is in Trail for a "complete rest." He is staying with his parents, Mr. and Mrs. Joe Haywood, 25 Perdue Street.

He refused to comment about his future plans. As for his experiences at the coast, he said "as far as I'm concerned it's a dead issue. I don't want to talk about it to anyone."

Wallace Homer Gives Royals Win

Nelson Royals, taking advantage of Salmo errors and a three-run homer by Dorothy Wallace, came through with their second win in four starts this season in the West Kootenay Ladies' Fastball League.

Down 4-2 going into the sixth inning of the seven-frame encounter, the Royals counted four runs with Wallace's big blow scoring Lil Hickey and Chris Chapman ahead of her.

Verda Pratt went to the mound for the Royals and did yeoman duty after having two bad innings, the first and third when Salmo counted two runs as Royal errors accounted for the unearned runs.

The loss was the second straight for Salmo, having been defeated by Trail last week.

Lil Hickey led the Royal attack, collecting four hits in five trips, while M. Hanson had three hits in four tries for Salmo.

E. Kraft, in losing the game, struck out four and walked one while Pratt picked up three strikeouts and failed to issue a base on balls.

Gyros Tour Lumber Plant

A tour of the Kootenay Forest Products plant and a film on plant operations was the final program for the summer months of the Nelson Lions Club Tuesday night.

After the dinner meeting at the Hume Hotel Silver Room, members were escorted through the plant by E. L. Vance, R. Kidd and W. Hardy. The guides explained that from 150 to 300 wage earners, depending upon the season, added approximately a million dollars to the purchasing power of the Nelson district.

During the film, which covered logging, shipping and the supply of finished products to the consumer, Mr Vance gave a running commentary on the various scenes.

Larsen Installed By Salmo Rotary

SALMO—O. P. Larsen was installed as president of the Salmo Rotary Club at the installation ceremonies in the Masonic Hall Tuesday night.

Nelson Rotarian H. D. Harrison also installed vice-president Hartley Cullon; secretary-treasurer Tom Lund and directors Frank Burger, George Ditchburn, Leslie Hart and N. C. Donaldson.

Mr. Donaldson was presented with a past president's pin by Mr. Harrison, who congratulated him on his year's success with Rotary.

Other Nelson Rotary Club guests were R. A. Peebles and W. S. Ramsay.

Natal's Celebration To Last Three Days

NATAL—Final arrangements for Dominion Day celebrations to be held at Natal-Michel for three days, Friday, Saturday and Sunday, have been completed.

A monster parade, headed by the Natal-Michel Band, will start from the Michel Hotel promptly at 10 a.m. and proceed through Michel and Natal and wind up at the arena where official opening ceremonies will begin at 11 a.m. The crowning of the queen will be undertaken by Dr. R. Glasgow of Sparwood. One of three queen candidates in the contest, Miss Rosalie Billy of Michel, will be crowned. Guest speakers following the crowning of the queen will include Dr. Glasgow of Sparwood and Simon Weaver of Natal. The ceremonies will conclude with the presentation of the parade prizes.

In sports with all games to be played at the Natal ball park, will consist of Little League and Pony League baseball tournaments, with teams entered from Natal-Michel, Blairmore, Hillcrest and Fernie. Two football games will be played with Natal-Michel Buffaloes opposing Fernie United on Friday and the Lethbridge ANAF on Sunday.

In senior baseball the Natal-Michel Red Sox will meet Eureka, Mont., while an exhibition softball game will see the Natal women playing against the Blairmore Merchanettes. These last two games will be played on Sunday.

HORSE RACE

On Saturday all sports will be held at the arena and will consist of Italian bowling, loggers' sports, children's sports, miners' sports, tug-of-war and a horse race, the latter to be run off on the old Great Northern track, and will finish opposite the station. In the evening on Friday and Saturday a carnival and bingo will be held in the arena, along with two giant dances to be held in the Union Hall at Natal. The three-day celebration will come to a grand finale with a giant variety concert held in the arena.

Sternwheeler Goes To Permanent Berth

NAKUSP—Members of the Minto committee, assisted by other citizens, moved without incident the Minto onto her permanent berth at the foot of Grace Avenue.

Water had reached sufficiently high level to float the boat to its position over the cribbing previously built for that purpose. The big ship was easily handled by the light launches of Bob McKilligan, Fred Levitt and Peter Hurry.

Concentrates Move From HB to Trail

Both Mine, Concentrator Working 'Round the Clock; All Raises Driven

The Consolidated Mining and Smelting Company's HB mine at Salmo is now operating. Shipping of concentrates began late in May, and about 150 men are employed at the operation.

Underground development and new mine buildings including a 1000-ton capacity concentrator, were completed on the site in 1953 at a cost of $3,000,000, but the property was not brought into production at that time. The mine is 37 miles east of Trail by road and seven miles from Salmo.

The new buildings are located a mile south of the old workings, near where Aspen Creek enters Sheep Creek, 33 miles from Nelson. A few houses have been built on the property, but most of the employees commute daily from Salmo.

Property superintendent is J. C. MacLean from Cominco's Tulsequah operations. Mine superintendent is H. G. Barker, from the Sullivan Mine at Kimberley.

Another Kimberley man, H. J. Chalmer, is concentrator superintendent. Mr. Chalmers was previously assistant to the operating superintendent at the Sullivan concentrator.

Superintendent of maintenance is H. W. Beckett from the Trail engineering staff. Also from the Trail operations is branch accountant J. W. Young.

4000-FOOT TUNNEL

The HB orebody is a low grade zinc-lead deposit which lends itself to long blast hole drilling. All raises have been driven to carry the broken ore down to a 4000-foot haulage tunnel at the 2800-foot level. A 40-horsepower diesel locomotive is being used to haul the ore through the haulage way to the concentrator.

Concentrates are being trucked from the mine to the Trail smelter by a Salmo contracting firm.

Both mine and concentrator are working a 24-hour schedule, with the mine operating on a five-day week, and the concentrator seven.

The original HB claims were staked in 1910 by P. F. Horton and J. A. Benson. For a name they chose the first letter of each of their surnames. Ever since the property has been known as the HB.

The property changed hands several times between 1910 and 1927 when it was purchased by Cominco. The property remained idle from 1927 until after the Second World War when an extensive diamond drilling and exploration program resulted in the discovery of a large tonnage of ore.

FALLING TREE INJURES LOGGER

CRANBROOK — Claude Thompson, 32-year-old logger with JSB Lumber Company, suffered a compound fracture to his leg when a gust of wind knocked over a tree he was falling and pinned him to the ground. The accident occurred in the woods a short distance South of Moyie where a new logging road is being opened, and he was clearing right-of-way.

Cranbrook District Ambulance took a doctor to the injured man and rushed him 22 miles to the hospital here. His home is on the Smith Lake road and he is married and has a small baby.

Barge, Sunk in Storm, Refloated

NAKUSP—The B.C. Forest Service landing barge, which sank in last week's storm, has been refloated.

The local Forest Service crew, assisted by the dominion government dredge and crew, worked for about six hours raising the barge. A diver, Fred McKim, was brought in to assist with the work, and spent an hour under water securing the cables for hoisting. Representing the B.C. Forest Service from Nelson were L. A. Chase and J. Lees, mechanical engineer.

After the barge was raised, four pumps were used for an hour to pump her dry. She was found to have two holes in the stern. She was towed across the bay to Rothwell's point, where she was turned over and dried for repair. It is hoped that the well-sealed engine has escaped water damage.

FUNERAL HELD FOR FORMER FAUQUIER MAN

KIMBERLEY — Requiem was celebrated at Sacred Heart Church here Tuesday morning, with funeral service in the afternoon, for August Skribe of Fauquier, who died here Sunday after 10 weeks illness. He was 74 years old.

He was born at Marburg, Austria, and in 1911 came with his wife to Canada and Lethbridge district where they lived for six years. In 1917 they moved to Fauquier on Arrow Lakes, and in 1924 to Kimberley. He was a steel sharpener for Sullivan mine operations for 21 years until his superannuation in 1945, when he moved back to Fauquier. He was an ardent hunter and fisherman.

One son, Otto, two grandchildren and a brother, Frank, survive him, all in Kimberley. His wife died here in 1940.

Windermere Ready for Fete

INVERMERE — Plans for the fourth annual Lake Windermere District Lions Club celebration Friday are completed and only the cooperation of the weather man is required to make the day a gala occasion.

The event will be held in the Lions' Park at the Crossroads and will provide a full program of entertainment including senior baseball and junior softball, children's races and horse races, a horseshoe tournament, games, concessions and a program of special events.

In the late afternoon a barbecue will be held by the Canadian Legion. Refreshments will be served throughout the afternoon at concessions held by the Edgewater Ladies' Aid to the hospital and the Lake Windermere Girl Guide Association.

In the evening a gala dance will be held in the Lake Windermere Memorial Community Hall at Invermere.

VANCOUVER (CP) — Mr. and Mrs. Archie McGougan saved their two sleeping children Wednesday as their home burned in suburban Capilano Highlands.

Mrs. McGougan, who smelled smoke, awoke her husband. He carried two-year-old Campbell to safety and she rescued their daughter, Bey, 5, lowering her from a ground-floor window and following her to safety.

Quick Action Promised on Power Extension to Slocan

page 3—QUICK ACTION—3-36G

SLOCAN CITY—A quick decision was promised by the B.C. Power Commission regarding the Nakusp extension in the New Denver-Silverton area, it was reported by the power committee at the final meeting for the season and ladies' night of the Slocan City Board of Trade Tuesday night.

The power committee also reported that the provincial government and B.C. Power Commission had been contacted about the recent storm and flood damage to two local electrical plants.

Highways and transportation committee reported that flood damage to the highways of the district was now well in hand.

Slocan City Council was authorized to arrange an official opening for the 10-mile stretch between Appledale and Terrys which is being hard surfaced.

Q. A. Forsythe reported that framed pictures of the district had been delivered to the Interior Tug and Transport Company at Castlegar for display on the MV Arrow Park.

Chairman of the community affairs committee, Ian MacLeod, is to contact Hon. R. E. Sommers, B.C. minister of mines, lands and forests, about the prospectors' course to be offered in New Denver and Slocan City in October.

Howard Parker informed the meeting that the access road to various uranium mining claims and logging limits up Lemmon Creek are in bad shape as a result of recent floods. Randolph Harding, MLA, stated that the Jackson Basin Company air compressor now en route to its claims, is understood to be arranging with the government office for road repairs.

L. R. Campbell reported that the Slocan City Board of Trade had been advised by the registrar of the B.C. College of Dental Surgeons to contact two recent graduates who might be interested in practicing in New Denver.

After the dinner, served by the Slocan City Women's Institute, Mrs. W. Chornobay sang two selections, accompanied by Mrs. W. C. Thring. The meeting concluded with the showing of the film, "The 1954 Gray Cup Final."

Radium To Get 'Phone Exchange

INVERMERE — A new telephone exchange will be installed at Radium Hot Springs in time for operation Friday. This will relieve the overloaded Invermere exchange during the resort season when Radium phone lines are in almost constant demand.

Service at the Radium exchange will be restricted to 12 hours a day the schedule to be decided by Radium residents. After the exchange closes for the night, connections may be made through the Invermere exchange.

The new exchange will be located in the National Park Hotel. Miss Myrna MacKay, Invermere operator will be on duty and Miss Johnson will be brought from Cranbrook for Radium duty.

Miss Muriel Reade of the East Kootenay Telephone service at Cranbrook will visit Radium to organize the operation of the new exchange.

Dreams of Confederation Fathers' Exceeded

Canada on July 1 is only twelve years from completing its first century of Confederation. During the past eighty-eight years the Dominion has surmounted, if not fully solved, some of the knottiest constitutional problems to face a new nation. It has evolved a method whereby bi-racialism has survived by permitting its two major groups to retain the bases of their culture and yet co-operate in the management of the country. It has succeeded in being North American without losing its identity in that of its larger and more powerful neighbor; and it has retained its British—and hence its European—connection even while developing an autonomy of its own. It has thus been influential in shaping the growth of the old Empire into the pattern of the new Commonwealth. And in both peace and war it has won the respect of the world.

In 1867 Canada consisted of scattered colonies, Upper and Lower Canada and Nova Scotia and New Brunswick. There were a few isolated settlements on the plains, and far off in British Columbia there was an even more isolated group of people.

Since the original four provinces entered federation, Newfoundland and Prince Edward Island have rounded out the nation on the Atlantic seaboard. The great prairie area became three prosperous provinces, one of the major bread baskets of the world. Coal, natural gas and oil have added to the wealth produced from fertile fields. In British Columbia we have Canada's third largest city, and every area is rushing upward in population.

Ontario and Quebec have become great industrial provinces, with their water power, minerals and timber producers of great wealth. Agriculture still is very important, but not now as all-important as in 1867.

There are men and women still living who were born before Confederation. All this has happened in their lifetimes. One would need a vision not given to humans to anticipate the progress to be made in the lives of those children now being born.

On this anniversary, proud of the past, we can renew our determination to go forever forward; in peace, we hope. With that attitude our present dreams of Canada's future can be exceeded in equal measure to the manner in which those of the Fathers of Confederation have been exceeded.

Fly the Flag On July 1

The nation is celebrating a birthday July 1. That should be reason enough for everyone to fly the Canadian ensign and whatever other symbol or decoration that seems to fit the occasion.

With celebrations planned in Nelson and many Kootenay centres, with the holiday season coming into full swing, with Canada's only Summer Bonspiel just ahead here, there are many reasons why we should deck up and keep our streets, stores and other properties in bright and celebrant condition this Summer.

Two Provinces Celebrate 50th Birthdays In Canada's 88th Year; B.C. Entry in 1871

Dominion Day, on Friday, is the 88th birthday of Canada as a nation.

On that historic July 1 in 1867 the provinces of Upper and Lower Canada, which became Ontario and Quebec, joined with Nova Scotia and New Brunswick.

Manitoba came into Confederation as a new province in 1870. British Columbia entered in 1871, and Prince Edward Island in 1873. Two other provinces—Alberta and Saskatchewan—this year are celebrating the 50th anniversary of their entry to Confederation as provinces in 1905.

Newfoundland joined Canada as the tenth Canadian province in 1949.

A great nation stretching from sea to sea was the dream of the early statesmen, and 1867 was the first step. It was not until the 1931 Statute of Westminster that Canada was defined as an autonomous community, equal in status, one of the nations of the British Commonwealth united by a common allegiance to the Crown.

Advocates City and Country Pride Committee

To the Editor:

Sir—I notice the Federal and Provincial governments are doing their best to encourage the tourist to be with us.

We hold our annual Midsummer curling bonspiel as a means of getting our share of the tourist trade.

What are we doing at having our city put on the holiday look? It looks as if we are very indifferent to our outward appearance for the tourist and in celebration of our national holidays.

We do a nice job for the Christmas season in a commercial way in street and home decorations, but that is the end.

We used to have colored lights, banners and flags decorating our streets and a flag at each place of business; and on Dominion Day, which is July 1, Friday, we can expect to see flags on the Legion, city hall and government buildings only.

At one time we brought in special speakers for this day. It helped keep alive the words of Lord Dufferin, Governor General of Canada, 1872-1878:

"Love your country, believe in her, honor her, work for her, die for her. Never has any people been endowed with a nobler birthright or blessed with prospects of a fairer future."

It is well we have a good Garden Club and parks department, as the flowered boulevards give the tourist something to admire and talk about. By all accounts they will soon be a thing of the past.

How about advocating a "city and country pride committee" whose duty it would be to encourage and maintain in a fitting manner the dressing up for all occasions of one of the best small cities in the Dominion of Canada?

Reader, Nakusp—Have you any information on the Headless Valley in the Nahani River district of the Yukon? I am interested in legends and so forth.

Another reader phoned in the following information: "The Dangerous River", by Raymond Murray Patterson, was published in the United States and England last year. It is about Mr. Patterson's trip in the fabulous South Nahani country. You can get this book from The Open Shelf, Public Library, Parliament Buildings, Victoria. There is no charge and postage is paid. This service is available to all who live some distance from a municipal library. It appears Mr. Patterson sifted all the legends and sought the truth as much as possible in his writings.

Interested, Trail—Please print name and address of German ambassador to Canada, and address in Ottawa.

Confederation Day

The history of Canada—of daring folks who came
In search of high adventure—they won enduring fame.
The sailors and the soldiers, the statesmen of our land,
Their names deserve an honored place within our record grand.
They were the guardians of our rights, that justice be fair weighed;
But the folks who built our nation were the pioneers who stayed.

Enduring frontier settlements through long, hard years of toil,
They wrested from the wilderness farm homes of fertile soil;
O'er woodland, prairie, mountain range, our pioneers marched ahead,
And none in all the world helped more that all the world be fed.
Was their reward their faith to know their task, through coming years,
Would be well heired by, valiant new relays of pioneers?

No pioneer task is ever done. Throughout all future years
Of peace or wartime problems will come new hopes and fears.
Each generation must progress upon the best they heir;
No standing still to waste past gain, or to bewail ill's care.
Today's Canadian pioneers must stoutly progress on
To the goal our forebears visioned at Confederation Dawn.

—Will Stuart.

State of Siege Lifted by Peron

BUENOS AIRES (Reuters) — An official broadcast over the Argentine radio Wednesday announced lifting of the state of siege imposed following the revolt of June 16, and the resignation of Interior Minister Angel Gabriel Borlenghi.

The army ministry communique said that with lifting of the state of siege, the "command of repression" has completed its tasks. This command, created after the June 16 revolt against President Juan Peron gave the army complete charge of the armed forces.

The communique said the national and port police have been restored to the jurisdiction of the ministry of interior.

Gen. Franklin Lucero headed the "command of repression," which restored order after navy planes bombarded Government House and the centre of Buenos Aires in an unsuccessful coup.

Streamline Tree Fruits Board

KELOWNA, B.C. (CP) — Creation of a new post and a reshuffle of key men in other positions to streamline the operations of B.C. Tree Fruits, Ltd., was announced here Wednesday by the board of governors of the growers agency.

J. B. Lander, sales manager, has been elevated to the post of general sales manager and Carl Stevenson has been promoted to Mr. Lander's former position.

William Embrey was made manager in charge of the United States and valley cannery sales. Supervision of Canadian Fruit Distributors, Ltd., previously carried out by Mr. Lander, will be handled by C. Lander, who will continue as liaison with the shippers.

Harry J. Van Ackeren becomes assistant to general manager R. P. Walrod and will also be public relations consultant.

In view of the duel position of general manager of the two organizations, B.C. Tree Fruits and B.C. Fruit Processors, Ltd., Mr. Van Ackeren will relieve Mr. Walrod of some of his duties.

HAY AHOY!

Some farmers in the picturesque, low-lying Suffolk Broads district of England bring in the hay by water. So it was logical for a British boat builder to use lightweight aluminum to produce a 650-pound punt capable of carrying a load of hay more than six times its own weight.

In Canada aluminum is better known among farmers as a non-rusting, heat-reflecting, easily handled material for barns and roofs and silos... though of course it has many other farm uses, from milk cans to windmill blades. No hay-boats, though.

Rosslanders Much Feted on Golden Wedding

ROSSLAND — Mr. and Mrs. Henry Brown, for 40 years residents of Rossland, celebrated their golden wedding anniversary recently, when they were honored by family and friends on the occasion.

A renewal of their marriage vows took place before high mass in the morning at Sacred Heart Church with Rt. Rev. Msgr. A. K. McIntyre as celebrant. Gordon Borkes, a grandson, served as altar boy, and the senior choir sang the mass, with George Bourchier as organist.

This was followed by an anniversary breakfast in Trail for 24 persons. The three-tiered anniversary cake, topped with a golden "50" was flanked by gold tapers in crystal sconces. Tiered arrangements of red peonies completed the setting. John Stanley, nephew of Mrs. Brown, acted as toastmaster, with Monsignor McIntyre paying tribute to Mr. and Mrs. Brown, and their son Lester, and daughter, Mrs. Alice Borkes, honoring their parents with a few words.

A reception for about 60 people took place at Brown's residence during the afternoon and evening. Here the anniversary cake was placed on a separate table covered with a linen cut work cloth. An arrangement of yellow chrysanthemums and white gladioli decorated the table, and golden tapers in silver sconces flanked the cake. Mrs. D. A. McCoy poured during the afternoon, with Mrs. Paddy Head taking over these duties in the evening. The rooms were beautifully decorated with bouquets of carnations and gladioli. Serviteurs were daughters and daughters-in-law, Miss Kathleen Brown, Mrs. Alice Borkes, Mrs. J. D. Brown and Mrs. C. L. Brown.

Many beautiful gifts and congratulatory telegrams were received.

Out-of-town guests at the celebration were Mrs. Rose Campbell, Mr. Brown's sister, and her sons, Fred and Leslie, all of Calgary, and her daughter, Mrs. Gordon Graham of Bralorne, B.C., Miss Rizpak MacLean and Mrs. Anna Desmone, nieces of Mr. Brown from Oakland, Calif., John Stanley, nephew of Mrs. Brown, from Vancouver; Mrs. Paddy Head of Dishman, Washington; and Mr. and Mrs. D. A. McCoy of Edmonton.

Mr. and Mrs. Brown were married in St. Alexander's Church, Glengarry, Ont., on June 25, 1905. They went to Vancouver in 1910 and then to Rossland in 1915. They have three sons and two daughters, all living in Rossland and 13 grandchildren.

Calgary Man Takes Bride at Athalmer Church

INVERMERE — The Church of the Canadian Martyrs at Athalmer was the setting for a lovely early Summer wedding when Bernice Elizabeth Stoddart, second daughter of Mr. and Mrs. W. H. Stoddart of Windermere, became the bride of Charles Curtis Hathaway of Calgary, son of Mr. and Mrs. E. B. Hathaway of Fort Worth, Texas.

Rev. Father Agnellus of Athalmer officiated at the ceremony. Best man was Mr. Hathaway, father of the groom, and Miss Gloria Gauthier of Calgary was maid of honor. Usher was Mr. Robert Kirkpatrick of Calgary.

Given in marriage by her father the bride was lovely in a traditional gown of white embroidered nylon tulle over taffeta, with a matching headdress and fingertip veil. Her cascade bouquet was composed of sweetheart roses and lily-of-the-valley.

The maid of honor had chosen a gown of coral nylon with matching stole and her hat and gloves were entone. Her bouquet was of white carnations.

For her daughter's wedding Mrs. Stoddart had chosen a two piece navy ensemble with blonde accessories and the mother of the groom wore a suit of air force blue with white accessories. The bride's grandmother, Mrs. T. F. Brearley of Cloverdale, was in a mauve sheer dress worn with matching hat and gloves and a grey coat.

At the reception at Skookum Inn, 70 guests gathered to congratulate the young rouple. A three-tiered wedding cake topped with pink rosebuds centered the bride's table. The toast to the bride was given by Mr. Vaughan Kimpton and Mr. E. B. Hathaway proposed a toast to the bridesmaid.

For her honeymoon in Northwestern United States the bride wore a pink tweed suit with a box jacket and black patent accessories. Her corsage was of split white carnations. The young couple will reside at 830 19th Avenue West, Calgary.

Out-of-town guests besides the groom's parents from Fort Worth and the bride's grandmother from Cloverdale were Miss Dolores Hathaway and Miss Zelma Voreis, both of Fort Worth. Other guests were from Vancouver, Calgary, Kimberley and local communities.

SOROPTIMISTS AT ROSSLAND WIND UP YEAR

ROSSLAND — Final meeting of the Rossland-Trail Soroptimist Club was held at the home of Mrs. Erna Coombes in Rossland, where a potluck supper was enjoyed before the business meeting.

Three new members gave a resume of their work, with Mrs. Joan Roe speaking on the Canadian Arthritis and Rheumatism Society; Miss Hazel Whittington on the scope covered by public health in B.C.; and Miss Edna Sullivan spoke of her duties as industrial nurse for the Consolidated Mining and Smelting Company.

Mrs. M. Butorac reported that the Soroptimist award, previously specified for the best girl student in grade 11 had been presented to a boy student. Members decided that this year only, an award would be given to the deserving girl student as well.

Highlight of the meeting was the report of Mrs. Mary Buchan on the recent Soroptimist convention in Winnipeg. President Mrs. Helen Fleury read the report of the local club, presented by its delegate at the convention.

It is hoped to have Miss Lennie MacNeill governor of western Canada Region, present in the fall when meetings resume.

Invermere Couple's Children Christened

INVERMERE—At a christening ceremony at St. Andrew's United Church at Wilmer, the infant daughter of Mr. and Mrs. Arthur Godlien of Invermere received the names Ellen Hedvig, after her mother and her maternal grandmother, and her older brother was baptised Luverne Arthur. Rev. A. A. Burnett of Invermere officiated at the ceremony.

Godparents for both children are Miss Ellen Barbour of Wilmer, their aunt, and Clarence Hall of Wilmer. A family supper party was held at the home of the little principals.

Soroptimist Slate Installed

Installation of new officers took place at the last meeting of the season of Soroptimist International of Nelson, held at the home of Miss Emily Hamson.

Miss Dorothy Norfield, the president during 1954-55, installed the group's new leaders. They are Miss Hellen Sloan, president; Mrs. Eileen Welsh, vice-president; Mrs. Irene Sample, treasurer; Miss Jean Gilker, corresponding secretary; Mrs. Thea Gibson, recording secretary, and directors Miss Norfield, Mrs. Sarah Tyler and Mrs. Emma Tickner.

Miss Gilker reported on the Winnipeg conference which she attended as the Nelson delegate. She was named regional representative on the federation for public affairs.

Members discussed plans for the usual Fall bridge party and rummage sale.

Former Nelson Woman Passes

INVERMERE — Mrs. Frances Walker, 75, widow of Robert George Walker, formerly of Nelson and late of Invermere, died Wednesday in Lady Elizabeth Bruce Memorial Hospital here after a brief illness.

Born in Harkaway, Ont., she came to B.C. 18 years ago, residing in Nelson until 1950 when she and her husband joined their only son, G. H. Walker at Invermere, where she has since resided. Mr. Walker died last March.

Besides her son George, she is survived by three brothers and one sister in Ontario.

Funeral service will be held Saturday at Nelson. Interment will be in Nelson Memorial Park.

New Licences Said Insult to Chief Justice

NORTH VANCOUVER (CP) — The granting of forest management licences while the Sloan commission was conducting its hearings was described as "an insult to Chief Justice Sloan."

The statement was made by Gordon Gibson, former Liberal member of the legislature for Lillooet who *resigned his seat in protest against* the provincial government's policy of granting timber licences.

Addressing the North Vancouver Junior Chamber of Commerce, Mr. Gibson said "public opinion has made it impossible for the govern*ment to continue granting licences* and no more should be granted."

The outspoken Liberal said he had "full confidence in the ability" of Chief Justice Gordon Sloan "to bring in a working policy that will benefit all of the people of B.C."

Pacific Airlines Buys QC Company

OTTAWA (CP) — The air transport board has approved the sale of Queen Charlotte Airlines to Pacific Western Airlines, a board spokesman said Wednesday.

Both are independent companies operating in British Columbia coastal areas and both have their headquarters in Vancouver.

No details of the sale agreement were available here.

Russ Attitude Encourages Ike

WASHINGTON (AP) — President Eisenhower said Wednesday he is sure the Russians' shooting down of a U.S. Navy plane was a local occurrence and not a matter of policy.

The president's statement was made at a press conference. Eisenhower went further than did Secretary of State Dulles who had said Tuesday that he believed no deliberate Soviet policy was involved.

OFFERS TO PAY

Eisenhower said it is encourag*ing to note the attitude taken by* the Soviet government which has expressed regret for the incident and offered to pay half the damage.

The United States has not accepted the Soviet offer.

Eisenhower said his hopes for a solid accomplishment growing out of the Big Four conference to begin in Geneva July 18 have risen in *the last two months.*

But he added that he still is trying not to expect too much and that there is no doubt the Soviets are still wedded to the Marxist doctrine of world revolution.

Dismiss Two On Income Tax Charge

NEW YORK (AP)—Charges have been dismissed for two of five men who had been accused of failing to pay $17,400,000 in income taxes on complex wartime whisky dealings. It is the largest income tax claim ever prosecuted.

Cleared by the dismissal of four counts were Irving Koerner of Great Neck, N.Y., and Albert Roer of Brooklyn.

Still under indictment in a trial before federal Judge Sidney Sugarman are Hyman H. Klein of Los Angeles and two lawyers, Morris Alperin of Brooklyn and Maurice Haas of Mt. Vernon, N.Y.

Klein, born in Milwaukee, is a naturalized Canadian and formerly lived in Vancouver.

Tackles Fishing War

GENEVA (AP) — The international law commission has completed a draft law providing for compulsory arbitration of disputes between states over fishing activities on the high seas. It will be sent to governments for their observations, after which a definitive draft will be submitted to the UN General Assembly, probably next year.

Says Canadians Lack Pride

KINGSTON, Ont. (CP)—Prof. A. R. M. Lower of Queen's University told the Canadian Authors Association that Canada was a discouraging country for creative work because citizens were "unimaginative, uncreative and uninterested in *things of the mind.*"

He spoke at a civic dinner at which five medals for achievement in various fields of writing were presented. Author of several Canadian history books, Dr. Lower received the Governor-General's award for academic non-fiction Wednesday.

Dr. Lower said Canadians lacked a national creative consciousness —"they have little national pride, but a touchy vanity about their country."

UBC AWARD

Medals were awarded to: Robert Tyre, Saskatchewan civil servant and former newspaper man who won the University of British Columbia medal for "Saddlebag Surgeon," biography of a Prairie doctor; Bill Stephenson, national film board, for the article "There'll never be another Model-T," and to Emil L. Fackenheim, University of Toronto professor, for the scolarly article "Kant and Radical Evil." The last two awards were made by the University of Western Ontario.

University of Toronto engineer P. B. Hughes won a medal for his short story "Catherine and the Winter Wheat," and the poetry medal went to James Reaney, University of Manitoba, for his poem "The Horn."

King Haakon Falls And Breaks Thigh

OSLO, Norway (Reuters) — King Haakon, 82-year-old monarch of Norway, was taken to hospital Wednesday with a broken thigh. His condition was reported satisfactory.

The official communique issued by the king's doctor, Prof. H. A. Salvesen, said the king had a fall at his country house at Bygdoey, just outside Oslo, which resulted in the fracture.

Enraged Moose Tips Over Car

FLIN FLON, Man. (CP) — A charging moose crashed into the side of a moving car, tipped it over and injured two of its three occupants.

The moose apparently rushed out of the bush, 45 miles north of here, ran into the car driven by Reno Persson and sent the vehicle rolling over several times into a ditch.

Two passengers, Martin Petalik and Gordon Garant, were taken to hospital. Mr. Petalik suffered a broken arm and minor injuries and Mr. Garant suffered a displaced shoulder. The driver had only slight injuries.

A GENERAL MOTORS VALUE

Illustrated—Pontiac LAURENTIAN Sport Coupe

There's no mistaking *this* beauty!

Out of the medley of modern motor cars, *one* car stands out.

Whether you see it a quarter of a mile down the highway—or watch it flashing past in the line of traffic—there is absolutely no mistaking the beautiful new Pontiac.

Coming, passing or going, it's the one car that carries the great stamp of individuality.

And this wonderful difference in favor of Pontiac goes far beyond appearance.

There's the same superiority in performance.

Put the Strato-Streak V8, the Strato-Flash V8 or the Big "6" through their paces on the getaway *just once*—and you'll see that you never need do *that* again! Here's spirit to lift *anybody's* spirits!

Steering is *so* easy and steady that you almost drive with your mind. The ride is as level as a level itself.

This is a great car. It's new from the ground up. And naturally, this gives it a big advantage over all other cars from every conceivable standpoint.

Why don't *you* get a Pontiac? Come in today . . . drive a Pontiac away! Once you take the wheel—and get our deal—it's an irresistible combination!

Yukon Too Low For Riverboats

FAIRBANKS, Alaska (AP) — For the third time this month, the river boat sailing from Whitehorse to Dawson, Y.T., was cancelled this week due to the lowest waters in 44 years at Whitehorse.

Travel officials here said at least another foot of water was needed in the Yukon river there before the steamer Klondike of the White Pass and Yukon route could be launched.

Several tourists scheduled to voyage between Whitehorse and Dawson this week have been rerouted to Fairbanks by air. Others have flown to Dawson instead.

Most District Streams Open to Anglers Friday

Friday will be more than Dominion Day to those members of the Fisherman's Union (unorganized) in the Kootenay district who wield fly rods.

That day the majority of streams in the district open to rod and reel artists, but the luckless part of this year's opening is high water.

"Most of the creeks are just boiling massesof mud and waer," a a game department officer at Nelson said Wednesday. He doubted that even the craftiest angler would meet with any vaguely resembling success, except in headwaters, before July 15.

Hehe are some of the more popularcreeks and rivers which become legal fishing grounds Friday:

The Lardeau River (as far North as Tenderfoot), Midge Creek, the Slocan River and tributaries such as the Little Slocan and Koch Creek, the Salmo River and its tributaries, Cottonwood Creek, Kokanee and Woodbury Creeks, Wilson Creek.

There are a host of others, of course, but the exceptions must not be overlooked: those creeks which are open from Novemberl to July 31, the Kootenay from Corra Linn to Brilliant which is open May 1 to October 15, and the Kettle River and West and North Forks and tributaries, which are open from June 1 to September 15, and the closed areas.

Those opening Friday will stay as such until March 31, 1956.

Thomas To Try Treacherous Swim

CAMPBELL RIVER, B.C. (CP) — Bert Thomas, swimming logger from Tacoma, Wash., will foresake Juan de Fuca strait July 1 for the treacherous four miles of Discovery passage.

Thomas has failed in four tries to swim the strait from Victoria to Port Angeles, Wash., a distance of 18.3 miles.

Today, the Rotary club announced it would sponsor Thomas in his attempt to swim from Cape Mudge on the tip of Quadra island to the Campbell River spit, one of the most treacherous stretches of water on the Pacific coast, with whirlpools, tide rips and sudden boils that make it dangerous even for boats. Thomas accepted.

Lakes Near Cranbrook To Be Cleared Of Coarse Fish in $13,000 Program

Horseshoe and Garbutt's lakes near Cranbrook will come in for a share of $13,000 released from the game conservation fund by order-in-council, for a coarse fish eradication program of the Game Commission.

The substance used is derived from a South American plant containing rotenone. This breaks down readily into non-lethal components in water, making it possible to introduce desirable fish into a treated lake from four to six weeks after poisoning.

The lakes to be treated are infested with coarse fish such as suckers and squawfish, and it is necesary to remove them before Kamloops trout can be successfully introduced.

Rotenone is usually dragged through the water behind boats or sprayed across the surface in such a manner as to reach every part of the lake. The substance is very effective in killing all fish life although it is completely harmless to warm-blooded creatures. Water treated with rotenone can be used for drinking by human beings with perfect safety.

Other lakes in B.C. to be cleared under the program are Burnaby's Deer Lake and Allison Lake near Princeton. S. B. Smith, fisheries biologist with the Commission, in charge of the operation, believes that Deer Lake will be a popular trout fishing lake when the project is finished.

Other lakes are all close to main, well-travelled highways, and travellers should get some easily accessible and good fishing from them soon, he said.

Agganis Funeral Service Today

LYNN, Mass. (AP)—His bat and glove laid by forever, dressed now in his favorite blue suit, and upon his head—in accord with ancient Greek custom—a chaplet of apple blossoms, the body of first-baseman Harry Agganis of Boston Red Sox lay in state Wednesday night in the church where his funeral will be today.

Most Rev. Athenagoras, Bishop of Elaia, spiritual leader of the Greek Orthodox Church in New England, will celebrate the ages-old final services for the 25-year-old former Boston University football great.

Twice felled by pneumonia during the current playing season, the young "Golden Greek" and gentleman-sportsman died unexpectedly Monday of a blood clot in one lung.

Because he was of marriageable age, a wedding ring was placed on the finger of the dead athlete, lying in state in St. George's church. That, and the chaplet of blossoms, signify in Greek tradition, that he now is wed to God.

U.S. Golfers Leading 1st Round B.C. Open

By PETER MURRAY
Canadian Press Staff Writer

VANCOUVER (CP) — Bob Rosburg, chunky shotmaker from San Francisco, found the greens to his liking Wednesday and shot a seven-under-par 65 for the first-round lead in the 72-hole, $15,000 B.C. Open.

Rosburg was one of the first finishers and his score stood up all day as a select field of 85 professionals and 12 amateurs toured the par-72 Shaughnessy course under leaden skies.

Only one stroke behind Rosburg at 66 is handsome Jimmy Clark of Laguna Beach, Calif., who started his round by dropping a 45-foot putt on the first hole.

Bracketed with 67s were youthful Dow Finsterwald of Athens, Ohio, Marty Furgol, Lemont, Ill., and Tommy Bolt, Houston, Tex.

Bolt toured the front nine in 33, four strokes under par and the lowest of the day, but went sour on the back nine after shanking his tee shot on the 160-yard 10th hole. The ball wound up beside the 18th green and he took three shots to get down.

Big Mike Souchak, ex-football player from Durham, N.C., had to settle for a 35-33—68 after blitzing Shaughnessy with practice rounds of 65 and 62 earlier this week.

Souchak was tied with Julius Boros, Mid Pines, N.C., and Bo Wininger, Oklahoma City, Okla.

A total of 11 players were tied with 69s. They included husky Bob Wylie of Calgary, low Canadian in the field. The other Calgary entry, Bud Loftus, had a 35-37—72.

Nelson Golfers To Shoot for Two Trophies Over Weekend

Activity at the Nelson Golf and Country Club will be at full swing starting Friday when play for the CIL Cup will get under way. The semi-finals and finals of play for the Appleyard-Lowe Trophy take place Sunday.

President Graeme Steed stated Wednesday the CIL competition will be 27 holes and medal play with full handicap. This type of play for the event came into being three seasons ago and has proved popular as it gives high and low handicap players an equal chance of taking the top prize.

Already several entries for the event are in, but post entries will be accepted, said Mr. Steed. The event was won last year by Ed McGregor.

CLUB FINALS

Sunday will see the club championships, which started last Sunday, completed, with semi-final and final matches to be played.

In the championship flight for the Appleyard-Lowe Trophy, Arnold Sherwood will meet A. Mores in one match with Doug Campbell matching shots with former winner of the cup, Jimmy Allan. The cup last season was won by Johnny Leschuk.

The consolation flight for the championship will have Max McLeod taking on Wayne Edmonson in one game and Graeme Steed and Alex Allan in the other.

Second flight competition will see Larry Parlowe and Murray Creighton hooking up in a duel while the other semi will have Bill Bishop and John Dunnett teamed.

Jack Grieve and Harry Forse will play the final of the consolation.

The semi-finals and the one final will take place in the morning with all other final matches to be played in the afternoon. Friday morning's play in CIL matches will get under way at 9 a.m.

Mr. Steed reported the course in fair shape despite the heavy rains and predicted many fine rounds of golf would be played.

Throughout last Sunday's play the golfer's games became better as the tournament progressed, he said, with Doug Campbell parring the course with a 33 on his last round.

Trabert, Nielson To Wimbledon Finals

WIMBLEDON, England (CP) — Top-seeded Tony Trabert of Cincinnati and unseeded Kurt Nielsen of Denmark won decisive victories Wednesday to gain the final round of the Wimbledon all-England lawn tennis championships.

Trabert whipped a fellow-American, seventh-seeded Budge Patty of Los Angeles, 8-6, 6-2, 6-2. Nielsen upset highly-favored, second seeded Ken Rosewall of Australia, 11-9, 6-2, 2-6, 6-4 to repeat his 1953 performance when he lost to Vic Seixas of the United States in the final.

Patty, rated a possible choice for the United States Davis Cup team if he manages in American tournament this year, played superlative tennis against Trabert in the first set. Trabert, however, dazzled the 17,000 crowd with delicate angle shots, high jobs hit right off the baseline and some old-time slugging to take the second and third sets easily. Two Australian pairs reached semi-finals of the men's doubles. Mervyn Rose and George Worthington beat John Ager, Black Mountain, N.C., and Pablo Eisenberg, Maplewood, N.J., 6-3, 6-1, 6-2.

Favored Rex Hartwig and Lew Hoad, however, dropped a set in carving a 6-2, 6-4, 2-6, 6-2 win over the Indian pair, Ramanthan Krishnan and Nareth Kumar.

The second-seeded women's doubles team of Mrs. Bev. Baker Fleitz of Santa Monica, Calif., and Darlene Hard of Long Beach, Calif., reched the semi-finals beating Mrs. Hazel Redick-Smith and Dora Kilian of South Africa 6-0, 4-6, 6-4, in a match interrupted by rain.

Campanella May Be Sidelined

BROOKLYN — (AP) — The National League-leading Brooklyn Dodgers announced Wednesday night catcher Roy Campanella "may be lost to the club until shortly after the all-star game "because of an incomplete fracture of the left kneecap."

The announcement followed a preliminary x-ray examination of the power-hitting catcher's knee by Drs. Herbert E. Fett and Eugene Zorn, club physicians.

Nakusp Nine Beat Denver-Silverton

NAKUSP — The Nakusp ball club motored to Silverton to beat the New Denver-Silverton team with a one-sided 12-2 score.

Lenny Erickson, starting pitcher for New Denver-Silverton walked 5 men in the first inning which gave Nakusp their start. Nakusp scored 5 runs. New Denver used 3 pitchers, Kenny Gordon finishing the game.

Shig Kiyono of Nakusp hit a home run and got a double. Louis DeRosa, who pitched for Nakusp, gained 10 strikeouts. Kenny Gordon, who took over for New Denver in the 2nd, also gained 10 strikeouts. DeRosa, who faced 34 batters, allowed only 5 hits. New Denver faced 49 batters, and allowed 12 hits. W. Harcus was the leading hitter for New Denver-Silverton with 2 singles.

Scorers for Nakusp were W. Highland 2, S. Kiyono 2, E. Derochers 2, O. Yanagasawa, F. Johnson, J. James, L. DeRosa, B. Hempseed, and A. Yano.

Scorers for New Denver-Silverton were W. Morrison and W. Harcus.

BIG INCREASE

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints Each day the code letters are different.

Market Trends

NEW YORK (AP) — Buying late in the session pulled the stock market out of a slow decline Wednesday. Prices were thoroughly mixed at the close.

Canadian issues were mixed. McIntyre was up two points. Distillers Seagram gained ¼ and Dome Mines advanced ⅛. Canadian Pacific fell ⅜ and Hiram Walker lost ⅛.

TORONTO (CP) — Prices had a generally soft tone on the Toronto stock exchange Wednesday, but most losses were small and were countered by a substantial group of gains.

In base metals Noranda lost two points. Consolidated Morrison lost most of a seven-cent advance. Mackeno, in a 265,000-share turnover was down one cent at 92 cents. Violamac, Copper Cliff and Cassiar were up.

MONTREAL (CP) — Industrials lost ground at the close of moderately active trading on the stock market Wednesday.

Mines were generally a few cents easier in heavy trading. Pardee was up 60 cents, Bathurst up 22 cents and Baska up 13 cents against the general trend. Prominent among the losers were Panel, off 20 cents, New Pacific off 14 cents and Culch, off 12 cents.

LONDON (Reuters) — The markets again displayed a quiet and uncertain tone today. Widespread falls were recorded as a result of fresh small selling in the absence of buyers.

Gilt-edged stocks declined by minor fractions on light liquidation in front of the end of the half year. Overseas rails tended to ease.

WINNIPEG GRAIN

WINNIPEG (CP) — Cash prices: Oats: No. 1 feed, .76⅝. Barley: No. 1 feed 1.04½.

BOND PRICES UNCHANGED

MONTREAL (CP) — Prices were generally unchanged in quiet trading on Montreal bond markets Wednesday.

The new B.C. Electric 4¼ preferred issue was steady at 49½-50b. CPR convertible issues were easier. The 4s of '69 at 113½-114½b and the 3½s of '66 at 110½-111½b were each a point lower.

Government markets were quiet and firm. There were no features.

Calgary Livestock

CALGARY (CP) — Bulk of today's receipts of 1050 cattle and 25 calves at the stockyards Wednesday were medium to good butcher steers and heifers. Trading was strong and active. All clases of butcher steers were selling fully steady at Tuesday afternoon's advance of 25 to 50 cents with medium to good steers showing most of the gain. The odd package of strictly choice steers sold up to 19.80.

There was a good demand for all classes of dry-fed butcher heifers at strong prices; cows not quite so active with the bulk of good cows selling for 12 down; bulls generally steady.

Choice butcher steers 19 to 19.50; good 18 to 18.75; medium 16.50 to 17.75; common 13 to 16; choice heifers 17.25 to 18; good 16.25 to 17; medium 15 to 16; common 10 to 14.50; good cows 12 to 12.50; odd sales to 13; medium 11 to 21.75; common 9.50 to 10.75; canners and cutters 5.50 to 9; good bulls 12.50 to 13.50; common to medium 9 to 12; good feeder steers 17 to 18; good stock steers 16 to 17.50; common to medium 12 to 15.50; good and choice calves 20 to 24, odd sales higher; common to medium 10 to 19.

Wants Reduced Charges for Seaway Freight

OTTAWA (CP) — Manitoba opposes any new restrictions on the Canadian coastal shipping trade, the provincial government declares in a brief filed Wednesday with the royal commission on coastal shipping.

The province says the Great Lakes-St. Lawrence River area particularly should be allowed to get the full benefit of reduced water charges expected to result from increased competition after completion of the St. Lawrence seaway. This could bring down cargo rates on grain moving from the West.

"We contend," the brief added, "that serious consideration should be given to the possibility of further opening the coastal trade of Canada to vessels of all friendly nations."

HEARINGS ON JULY 11

At present, only vessels built and registered in the Commonwealth have free access to the Canadian coasting trade. One of the points to be considered by the commission is whether there should be restrictions to protect Canadian shipping and shipbuilders.

The three-man royal commission under Mr. Justice W. F. Spence of Ontario is to open hearings here July 11.

The Manitoba brief will be discussed later at hearings in Winnipeg by two government witnesses, Dr. Harold Mayer and Dr. Ezra Solomon of the University of Chicago.

Burnaby Pays For Stray's Damage

BURNABY, B.C. (CP) — A stray dog has cost this B.C. municipality $87.50.

That is the amount the city has been ordered to pay to M. C. Wright under the Sheep Protection Act for the loss of 54 chickens destroyed by the dog. The act covers all forms of farm livestock besides sheep.

The municipality was held liable for the damage when the dog could not be found.

IBT Accused of Raiding Brewery

WINNIPEG (CP)—The Winnipeg Labor Council (CIO-CCL) has condemned the International Brotherhood of Teamsters (AFL-TLC) in St. Paul, Minn., for raiding Local 343, International Brewery Workers (CIO-CCL), at St. Paul.

A. A. Franklin, representative of the brewery workers, told the council such raiding tactics by one powerful international union against another would seriously jeopardize prospects of a CIO-AFL merger.

The raiding in St. Paul was in direct violation of the new labor federation constitution approved by the executives of the AFL and CIO, he said.

The Winnipeg council passed a resolution of condemnation which will be sent to George Meany, AFL president, and Walter Reuther, CIO president.

Minister Sinclair Off To Russia

OTTAWA (CP) — Fisheries Minister Sinclair leaves Wednesday on the first lap of a trip to Moscow to attend an international whaling convention and possibly talk on world problems with Soviet leaders.

The 46-year-old minister will be the first member of the Canadian cabinet to travel behind the Iron Curtain.

Mr. Sinclair is becoming a globe-trotter. In 1950, he toured Europe as parliamentary assistant to then Finance Minister Abbott and visited Yugoslavia, meeting Marshal Tito. Last year he visited southeast Asia.

Accompanying the minister to Moscow will be his executive assistant, Alistair Fraser, 32, formerly of Vancouver.

Reward For Reports On Atom Smuggling

WASHINGTON (AP) — The Senate passed a bill this week authorizing rewards up to $500,000 for information on any attempt to smuggle atomic weapons or materials into the United States. The measure now goes to the House of Representatives, which passed a similar bill last year.
