To Evacuate 20,000 Before Weekend; U. S. Forces on Hand

Red China Denounces Eisenhower; Reds Continue Shelling Upper Tachen

TAIPEH, Formosa (Reuters)—Powerful U.S. air and naval forces began swinging into position Thursday to shield the evacuation of 20,000 Chinese Nationalist troops from the Communist-threatened Tachen Islands.

The mammoth operation, almost under the noses of the Chinese Communists, is expected to be launched any hour between now and the weekend. Evacuation plans were reported to have been completed Thursday at a Nationalist cabinet meeting.

Two squadrons of American F-86 Sabrejets — heroes of the sky war over Korea — flew into Formosa from their Manila and Okinawa bases Thursday and the U. S. Far East Air Force in Tokyo announced other "offensive units" are being redeployed to forward bases —presumably Formosa.

PROVIDE AIR COVER

Vice-Admiral Alfred M. Pride, commander of the U. S. 7th Fleet now off Formosa, is reported to have made plans to provide an air "umbrella" with his carrier-based aircraft and air force planes over the evacuation scene.

The Tachens, 200 miles north of Formosa and within 20 miles of the Communist mainland, are exposed to the nearby Communist-held islands of Toumen and Yikiangshan. Red artillery batteries on Toumen twice shelled Upper Tachen island Thursday.

Meantime, the Nationalist fighter-bombers smashed for the second time within 24 hours at Yikianshan, captured last week by the Communists. A Nationalist air force announcement said its planes set ablaze three landing ships near Yikiangshan before being driven off without loss by Communist interceptor planes.

REDS BLAST IKE

As the first American Sabre jets took up position at "temporary duty bases" in Formosa, reports grew that Gen. Chiang Kai-shek has agreed to President Eisenhower's suggestions for a cease-fire in the Formosa straits.

Eisenhower proposed the cease-fire Monday in his request to Congress for authority to use American forces in the defence of Formosa and the Pescadores islands.

Communist China Thursday night reiterated its determination to "liberate" Formosa and denounced Eisenhower's truce call as a smokescreen concealing "a *brazen threat of aggression.*"

PRESIDENTIAL PRESS SECRETARY James Hagerty, right, gives reporters information on President Eisenhower's Formosa message to congress at the White House Jan. 24. The President asked Congress for authority to use armed forces if necessary to assure the security of Formosa and the Pescadores Islands against Communist attack. Reporters make notations on their advance copies of the message text.—AP Wirephoto.

Relatives Forbidden to Visit Red-Held Fliers

WASHINGTON (AP)—State Secretary Dulles Thursday notified relatives the government has reached "the reluctant conclusion" it must forbid their travel to Communist China to visit imprisoned Americans.

A state department announcement said the notifications went out Thursday through the air force. The department released the text of a letter from Dulles to the relatives of 17 imprisoned Americans — 15 airmen and two civilian employees of the army.

Dulles' letter, *identical in each* case, declared the Chinese Communists could best demonstrate their concern for the relatives' peace of mind "only by releasing those they hold."

"The increasingly belligerent attitude and actions of the Chinese Communists in recent days," Dulles wrote, "have forced this government to the reluctant conclusion that it would be imprudent for the time being to issue passports valid for travel to Communist China to any American citizens."

The Chinese Reds had offered to let the relatives visit the men. The offer was made through Dag Hammarskjold, secretary-general of the United Nations.

WOULD DELAY DAM . . .

Wait for Waterway Report Says Webster

VICTORIA (CP) — A delay in completing a deal on the proposed Kaiser dam at Castlegar until the end of an investigation by an international committee, was suggested Thursday by CCF Opposition Leader Arnold Webster.

He was one of three opposition members of the legislature who mentioned the agreement between B. C. and Kaiser Aluminum for construction of the dam across the Arrow lakes.

The American company wants to build the dam to increase the power potential of the Columbia river across the border.

The federal government opposes the deal with the B. C. government and *intends to block it.*

Mr. Webster said study of every aspect of the Columbia is being conducted by the international waterways commission and that "it would seem wise to await their report before completing negotiations with a private corporation."

He also suggested that instead of Lands Minister Sommers, negotiations with the company should be conducted by the B.C. Power Commission and should include federal and American agencies.

Both he and Robert Strachan (CCF-Cowichan-Newcastle) called for an end to the dispute with the federal government which Mr. Strachan called a "wild battle."

NEW YORK (CP)—The Canadian *dollar was 1-32 of a cent* lower at a premium of 3½ per cent in terms of U.S. funds Thursday. Pound sterling was up 1-16 of a cent at $2.78 17-32.

MONTREAL (CP) — The U.S. dollar closed at a discount of 3⅜ per cent in terms of Canadian funds, up 1-32. It took 96⅝ cents Canadian to buy $1 American. Poung sterling, at $2.69⅛, was up ⅛.

CHIANG KAI-SHEK, left, Chinese Nationalist leader, and Vice-Admiral Alfred M. Pride, centre, Chiang's host at this meeting aboard the USS Wasp off Formosa last year, conferred at Taipeh. Admiral Pride, commander of the U.S. 7th Fleet, also met with U.S. *military assistance chiefs* on Formosa while units of the fleet were reported moving north to the Tachen Islands to assist in possible evacuation of Chinese Nationalist troops there. At right in last year's meeting is Maj.-Gen. Pee Tsung Kan. Chiang's military aide.—AP Wirephoto.

WANTS R. CHINA RECOGNIZED

Senator Says Reds Form Gov't; Should Be in UN

OTTAWA (CP)—Canadian recognition of Communist China was urged Thursday in the Senate.

Senator William Euler (L-Ontario) said that, since Communists from the "actual government" of China, "we should recognize it." He added that Red China "should come into the United Nations."

He made the suggestion during *Senate debate of the Paris agreements* providing for entry of a rearmed West Germany into the North Atlantic Treaty Organization.

Ratification of the agreements was approved unanimously by the Upper Chamber after a two-day debate. The Commons approved ratification Wednesday by a vote of 213 to 12.

Senator Euler said the free world today has three alternatives. They were to continue the present state of uncertainty, to go to war or to attempt to live with Russia and other Communist nations.

"To me, the third course is the only one possible because we have to come to it anyway," he said.

B.C. Member Raps "Policy Reversal"

OTTAWA (CP) — The government was accused Thursday of playing party politics with national unity and the welfare of Canada.

Davie Fulton (PC — Kamloops), speaking in the throne speech debate, described the government's recent proposals to end the Ottawa-Quebec tax dispute as "a calculated reversal of policy and attitude" made for political advantage.

He said the political stake was the six federal by-elections Nov. 8. The Liberals won four seats, the Progressive Conservatives one and *the CCF one.*

Mr. Fulton singled out Prime Minister St. Laurent and Justice Minister Garson in his charge that the Liberal government had done much to bring national unity and relations between various parts of the country "almost to the breaking point." He referred specifically to federal-provincial fiscal relations.

Ideal Place For Spinsters

LONDON (Reuters) — A prominent young London woman now married to a Corsican fisherman Wednesday called on English spinsters to visit that "island of love," meet a virile, bronzed fisherman and tear up their return tickets.

Jane Stewart Liberty, now Mrs. Tousaint Orsini, wrote to the columnist of a London newspaper saying: "Calvi is an ideal place for lonely girls and sad spinsters because there are plenty of dark, handsome, lonely men here who delight in English company.

"I can quote eight marriages of Corsican men and girls who have been on holiday here in *the last year.* Some were English, some French . . .

"A girl might even marry a bandit. Some have been known to hide from the law for 30 *years. I would like to tell your* readers about it for the lonely spinsters' sake."

FIRE RAZES CIVIC CENTRE

TERRACE, B. C. (CP) — Fire levelled the civic centre of this north central British Columbia *town Thursday night. Fifty* firemen fought the blaze for two and one-half hours before bringing it under control.

The centre was a converted army building and first estimate of the damage was $10,000.

Volunteer fire chief Curley Casey was taken to hospital with undiscolsed injuries after falling from the roof. He had been overcome by smoke.

COFFEE PRICES DROP AT COAST

VANCOUVER — Coffee prices dropped two cents a pound in city stores over the weekend, and the outlook is for further cuts, a spokesman for the tea and coffee trade said Thursday.

He stressed that new cuts would probably not be immediate although "the market situation is *still soft. Replacement costs don't* warrant us dropping prices any further," he said.

There is still a local shortage extending down the Pacific coast, which is largely due to shipping delays, he pointed out. In consequence local roasters are relying on spot markets for their supplies.

He said coffee prices may fall again in the "next two or three weeks," but added that the unpredictable factor—competition—might cause adjustments at any time.

It is reported that prices fell on Monday by three cents on coffee sold on the U.S. Pacific coast.

CITY WORKERS MAY RECONSIDER

VANCOUVER (CP) — City hall employees may reconsider their 4.7 per cent hourly wage increase demands if city council will grant some of the fringe benefits requested, a union spokesman said Thursday.

Max Pierotti, business agent for City Hall Employees Association, Local 15, told aldermen the union's main objective was for service pay and longer vacations.

Council's conciliation committee deferred decision until it has met with other civic unions, but aldermen reiterated their stand of holding the line on costs this year to keep taxes down.

The employees seek three weeks vacation after five years and service pay of $8 a month after 10 years.

WOULD CONTROL REDISTRIBUTION

Gov't Wants 6 Of 11 Seats On Committee

VICTORIA (CP) — The government would have majority control for the first time on a committee on redistribution of legislative seats to be proposed by premier Bennett.

In a notice of motion on the legislature's order paper Thursday premier Bennett proposed a comittee of 11 persons: six Social Crediters, three CCF, one Liberal and one Independent.

Ten of the members are the same as were on the committee that studied redistribution at the last two sessions. Then it was five government members and five opposition members.

Cyril Shelford of Omineca has been added to the proposed list of members in Premier Bennett's notice of motion this year.

In his notice the premier asks that the committee study the "desirability of increasing the number of members to be elected to the legislature and as to the distribution of the memers among the districts of the province."

Mr. Laing and Mr. Moore said they will protest on the floor of the house. Mr. Moore said it is clear the government wants to control the committee.

Mr. Laing said: "It is quite apparent the redistribution we are going to have will be a Social Credit redistribution."

SIX SAID KILLED IN COPTER COLLISION

STUTTGART, Germany (CP) — Six American servicemen were reported killed Thursday night when two U.S. Air Force helicopters collided at Schweiberdingen, north of here, according to police.

No further details were immediately available.

MILK SALES DROP

VANCOUVER (CP) — Total retail sales of milk and cream in the Vancouver area in 1954 dropped by more than three per cent from the previous year, the milk board announced Thursday. Only sales of skim milk showed an increase over 1953—of 14.3 per cent. Board officials said they are attempting to determine the cause of the falloff.

Ford Strike Ends

Cars Expected Off Production Line Monday After 109-Day Shutdown

TORONTO (CP)—The Ford of Canada strike, longest in company history, ended Thursday.

Settlement came in the strike's 109th day.

Negotiators for the company and the United Automobile Workers (CIO-CCL) midway through the afternoon announced they had reached basis for settlement of the walkouts which took nearly 9000 workers from their jobs *in three company plants in* Ontario.

T. J. Emmert, Ford of Canada executive vice-president, said the powerhouse at Windsor is being reopened *at once and cars are expected* to come off the production line a week from Monday.

The settlement came as a surprise. A report had been circulated here that the union had been instructed by Walter Reuther, its president, not to back down farther in contract demands.

TIPS BREAK NEAR

The first indication of a break in negotiations came only 15 minutes after company and union representatives entered their hotel conference room. A. S. Pattillo, a Toronto lawyer and labor relations adviser, left the room and told reporters a break was near.

Within another 15 minutes came an announcement that a basis for *settlement had been reached.*

In the general terms of settlement the company agreed to a contract to run to June 15, 1956, and effective as soon as it is ratified by the locals at Windsor, Oakville and Etobicoke. It will cover all bargaining units of hourly-rated employees of the three locals.

The union agreed to revision of seniority clauses which the company said would relieve it of some of the cost and inefficiency arising from short-term lay-offs.

A wage improvement factor, effective June 15, will give employees of the three locals four more cents an hour. Average wage before the strike was $1.69 at Windsor and Oakville and $1.59 at Etobicoke.

PAY HOSPITAL BENEFITS

Through the new contract employees and their families are to be provided comprehensive hospital, medical and surgical benefits, wholly at the cost of the company.

There will be a modified union shop in which all new employees at the three establishments will have to become members of the union as a condition of employment. Present employees are not required to join but all must pay union dues.

Other provisions of the new agreement include:

Adjustment of the working week by the company to not less than 32 hours for up to six weeks in one year as a means of reducing production in slack times rather than laying off men;

Three weeks vacation with pay to employees with 15 or more years of service;

The present eight-cent-an-hour cost-of-living allowance will be included in basic pay.

Decadent Jazz Played in East

BERLIN (Reuters) — The Communist East Berlin radio bowed to "popular demand" Wednesday night and played American jazz and swing records.

Officialdom became more lenient last year after a long period during which jazz was barred as "decadent" and some dance bands fled to the West rather than have their selections checked by Communist party officials.

Wednesday night's 15-minute program, for the radio's "dear jazz listeners," included "Soldier Dog Rag," and tunes by George Gershwin and Duke Ellington.

Defensive War Personal Decision Says Eisenhower

By DOUGLAS B. CORNELL

WASHINGTON (AP)—President Eisenhower declared Thursday his Formosa policy is purely defensive —and he reserved to himself alone any decision to strike the Red Chinese mainland in safeguarding the island stronghold of Chiang Kai-shek.

He thus moved to quiet expressed fears in the Senate that Chiang might drag the United States into a great conflict, or that a hot-headed American military man might launch preventive war.

The statement failed to satisfy a little knot of senatorial opponents, but it brought a powerful supporting response. Chairman Walter Geroge (Dem. Ga.) of the foreign relations committee, who had been consulted by Eisenhower in advance of the statement, called on the chamber to back the president "in this grave juncture of world affairs."

The fight-if-we-must resolution, George declared, must not be robbed of its psychological impact by *long delays or "trifling amendments."*

Postal Clerk One Of Most Wanted

OTTAWA (CP) — The RCMP have added the name of a little-known clerk, sought in connection with $44,500 missing from the post office where he worked, to their list of most-wanted fugitives.

The new listing is that of John Keith MacDonald, 46, sought since the money disappeared from the Britannia Beach, B. C., post office last Dec. 17.

The RCMP said Thursday MacDonald, a former insurance agent who once lived in Montreal, worked at the post office under the name John Clealand Wallace Black. They said he was last seen leaving the area the night before a registered mail parcel containing $44,500 was discovered missing.

The money, all in bills of small denomination, has not been recovered, and RCMP information on MacDonald still is scanty. They have learned he was discharged from the army in Montreal in 1946, that he speaks English and French and that he first turned up on the west coast about 1950.

$1.6 Million Set for Northern Development

OTTAWA (CP) — The Northwest Territories government ended a nine-day session here Thursday, endorsing a $1,600,000 budget aimed at northern development and approving a new plan to extend health services in the North.

The nine-man N. W. T. council approved 17 ordinances — equivalent to provincial laws. One granted liquor privileges to those few Eskimos among the 7,000 in the North who have adopted the white man's ways.

Then the council of five appointed and four elected members prorogued until Aug. 29 when it will open a summer session at Fort Smith, N.-W. T. The little settlement of less than 1,000 people just north of the Alberta boundary is about the only centre outside Yellowknife with enough accommodation to handle a council session.

Council members received details of the new northern health plans as they approved the 1955-56 budget estimating expenditures of $1,618,849 and revenues of $1,227,-017.

The 1955-56 expenditures contained an item of $17,000 to help provide for a new medical officer, dental officer, eye specialist and public health nurse for the Mackenzie *district, most heavily-pop*ulated area of the N. W. T. Cost will be split with the federal government.

BANDIT FOILED

VANCOUVER (CP) — A lone bandit, carrying a toy pistol, was captured by two citizens Thursday as he fled from a supermarket with $282.

Police arrested Harvey W. Laing and charged him with robbery.

The man thrust a note at cashier Mrs. Doris Spratt demanding money. When she handed over the cash, he started toward the front door.

A shopper, Albert Clause, rushed at the man and grabbed him around the neck. Store manager R. Jackson rushed to Clause's aid and the two men held the suspect until police arrived.

Boy's Body Found In Basement

HULL, Que. (CP) — The body of six-year-old Guy Gauthier was found *in the basement of his home* by two young playmates, it was reported Thursday night.

Police did not confirm or deny the report pending investigation, expected to be completed about midnight. The boy's body was reported found about 9 p.m. by two of his playmates. There was no immediate indication of how the boy *died.*

Earlier, Hull police said they were seeking two men in connection with the disappearance of the boy. The two men were wanted for indecency offences.

Advises Gov't, Industry Plan Work for Low Employment Months

VICTORIA (CP) — CCF Opposition Leader Arnold Webster Wednesday called on private industry and the provincial government to *co-operate to help the unemployment* situation.

Mr. Webster fired the opening gun in the legislature in the debate on the speech from the throne.

He dealt with a wide variety of matters, including forestry, redistribution, disability assistance, natural resources, the Columbia river and the dominion provincial taxation agreement.

He was followed by Dr. Larry Giovando (Ind.-Nanaimo) and Robert Strachan (CCF-Cowichan-Newcastle).

"Now is the time when revenues are buoyant for this government to give leadership in meeting the problem of unemployment by maintaining as large a number of men as possible on essential public works such as roads, schools and hospitals," he said.

Private industry should be urged *to schedule more maintenance and* expansion work during low employment months.

Jobs can be found for every able bodied man in Canada, he said.

"No magic is needed. Only determination and human ingenuity. A generation that can split the atom can destroy the blight of unemployment."

He called for a continuing program of unemployment assistance Some form of federal aid is necessary for the unemployed but until it comes the constitutional responsibility for them rests with the provincial government.

Dr. Giovando called for free narcotics for addicts such as is provided in Britain.

He said while there are 3,000 addicts reported in Vancouver there are only 297 in Britain. Free narcotics would remove the exhorbit*ant profit from their illegal sale* and "lessen the amount of crime in the metropolis of Vancouver."

Dr. Giovando also said increased assessments under the government's equalization of assessment program will eventually mean increased taxation.

The assessments were increased in municipalities this year, he said, and when municipalities need more money in future the mill rate will be raised, increasing taxation.

"The thin edge of the wedge is in."

Mr. Webster also asked the government to postpone final granting of forest management licences till after the Sloan Royal Commission into the forest industry.

And in This Corner . . .

LONDON (Reuters)—British scientists Thursday soberly reported some shocking news on osculation.

They said about one person in 20 produces blue electric sparks on kissing—giving the term "sparking" real meaning.

A spokesman for the National Physical Research Laboratory stated: "If both the woman and man have very dry lips, the friction caused by kissing could generate sparks. They (the sparks, not the *kissing couple) would be blue, a reasonable estimate for a kiss might* be 500 volts."

The spokesman made plain that a kissing couple need not fear electric shocks saying: "There would be no energy—well, no electric energy—behind the sparks."

VANCOUVER (CP)—Doctors, who pumped the stomach of 13-month-old Tommy Campbell, Thursday added another entry to the baby's case history.

His latest narrow escape came Wednesday night when he drank from a bottle of bleach.

At the age of nine months, he fell down the basement stairs and fractured his skull. A month later he was injured when his head went through the windshield of his dad's car when it was in an accident.

MONTREAL (CP)—A 28-year-old night club manager, who fell asleep and began snoring in the prisoner's dock, was convicted Thursday of breaking into a home in suburban Ville St. Michel and stealing a radio worth $1200.

The man, Raymond Morin, will be sentenced today.

When Morin fell asleep, Mr. Justice Wilfrid Lazure said:

"This is the most unbelievable thing I've seen in my 18 years on the bench."

Defence lawyer J. P. Massicotte quipped: "It's the sleep of the just."

INTERNATIONAL FALLS, Minn. (AP)—Swim suits and shorts sold briskly at 12 below zero in this Canadian border city Wednesday—to retail clothiers.

A Minneapolis salesman chose winter's coldest day to take orders for heat-wave sports wear, and reported sales lively.

Trail Woman Wins $5000 In Contest

TRAIL — A Trail woman, Mrs. E. G. N. Player, 140 Oxford Road, has won $5000 in a bo xtop contest sponsored by the Quaker Oat Company.

She won first prize in the $10,000 competition by writing 50 words or less on why she liked the company's product. Thirty-five contestants were drawn.

The announcement was made made Thursday by Gib Goucher of Nelson, sales representative for East and West Kootenay.

Presentation of the award will be made next week by Russell Winfield of Vancouver, provincial manager, who served this area for 14 years.

DIES BEFORE TRIAL

NANAIMO (CP) — William Branch, 55, who was awaiting trial on charges of impaired driving and threatening with a gun, was found dead Thursday with a bullet wound. A gun lay nearby. An inquest will be held Monday.

The Coppermine River flows 525 miles to the west end of Coronation gulf in the Arctic Ocean.

Shuttle Tourney For Kimberley This Sunday

KIMBERLEY — A round robin badminton tournament, the first of its kind to be held in a number of years, will be staged Sunday.

Play will commence at 11 a.m. and it is anticipated a large entry will be on hand. Mixed, ladies and men's doubles, will be the program for the day.

The club also hopes to renew its annual city championship which has been sidelined for several seasons due to the lack of interest and entries.

Members of the club will take part in the Spokane, East Kootenay and Nelson tournaments held later in the season.

With a membership of over 30 players Kimberley seems to be back on the map in the badminton world.

At present there is a decided lack of interest among junior players. Junior badminton once was one of the major indoor sports in Kimberley with the players several times in the running for provincial honors.

ADJOURNED TO FEB. 2

A case involving Peter P. Hlookoff of Nelson has been adjourned in city court by Magistrate William Brown until February 2. Hlookoff is charged with being in charge of a vehicle when his ability to drive was impaired by alcohol. Alleged offence occurred December 10. Case was adjourned while the magistrate considers the evidence. B. K. Arlidge is crown prosecutor and G. B. Arnesen defence counsel.

Owen Re-Elected Head Chamber of Commerce

Re-election of V. C. Owen as president of the Nelson Chamber of Commerce took place at the organization's annual meetig Thursday night in the Hume Hotel.

The meeting was combined with a testimonial dinner for Most Rev. Martin M. Johnson, Biship of Nelson, who has been elevated to the position of co-adjutor Archbishop of Vancouver.

Also returned to office were F. H. Hoskins, first vice-president, and Mayor Joseph Kary, second vice-president. Ven. Archdeacon F. H. Graham of Trail, is honorary president, and B. C. Affleck, immediate past president. The Council consists of the immediate past president, the president, the vice-president, secretary-treasurer J. A. Bracken and one representative from each standing committee.

Standing committees, with chairmen and vice-chairmen named in order, are; John Learmonth, R. D. Barnes, roads and bridges; Robert Foxall, P. Markoff, agricultural; Fraser Tees, G. B. Arnesen, membership; J. G. Watson, C. W. R Harper, entertainment; S. E. Briard, W. J. Shukin, freight and transportation; D. H. T. Mollison, George Bevis, industrial; B. B. Clark, F. A. Beresford, tourist and publicity; A. W. McAdams, A. R. Burnie, national affairs; Harry Burns, W. J. Ebdon, finance; C. W. Ramsden, Mr. Affleck, civic affairs; J. F. Waters, J. R. Bailey, fish and wildlife; D. E. Sweet, chairman, retail activities, and W. S. Ramsay, vice-chairman, educational.

Every member has been asked to indicate his or her desire as to committee membership, and the information will go to the chairmen and vice-chairmen who have been empowered to appoint members.

The nominating committee consisted of Mr. Barnes, chairman; Mr. McAdams, M. B. Ryalls, Mr. Beresford, K. D. McRae, Mr. Burnie and Mr. Arnesen.

GOOD FINANCIAL YEAR

The financial statement, presented by Mr. Burns, showed receipts during 1954 of $4170 and disbursements of $3852, and a bank balance at the beginning of this year of $536. In the publicity account, there were receipts of $3237 which included $1500 from the city of Nelson, and disbursements of $1383, leaving a balance of $1854.

A host of officials from present organizations and neighboring Chambers of Commerce and Boards of Trade attended the meeting. Principal among them were H. R. Banks of Kimberley, president of the Associated Boards of Trade and Chambers of Commerce of South-eastern B.C.; Dr. C. H. Wright of Trail, executive member of the Canadian Chamber of Commerce; W. T. Waldie of Castlegar, first vice-president of the Associated Boards; F. C. Ingram, second vice-president of the Associated Boards; Donald Sutherland, president of the Castlegar Chamber of Commerce; J. M. Macbeth, president of the Castlegar Chamber of Commerce; T. D. MoRae, president of the Rossland Chamber of Commerce; J. A. Cochran, president of Kaslo Board of Trade, and W. A. Taylor, representing Salmo Chamber of Commerce. A. R. Ramsden, president, represented Nelson Junior Chamber of Commerce.

Archdeacon Graham, who is a life member of the Nelson Chamber as well as its honorary president, said grace.

Entertainment was provided by Norman Gibson, who sang "Bluebird of Happiness" and "The Biggest Aspidistra in the World."

$63,789 Trail Welfare Revenue

TRAIL — R. D. Ramsden, elected to serve another year as president at the annual meeting of the Trail District Welfare Society, was highly commended for the efficient manner in which he had conducted the efforts of the organization in 1954.

In his annual report he stated that revenue had dropped appreciably during the year in the form of individual donations due to a sharp reduction in employment locally and at Waneta.

The total revenue was $63,789.66 in 1954 compared with $71,466.50 in 1953. Administration costs were $3,834.25, or 5.5 per cent of total receipts, representing one of the lowest operating cotst per capita in compiled returns made on community chest organizations.

Reports were heard from most of the 30 beneficiary organizations affiliated with the society and covered a very wide range of activities, and local welfare work.

A scroll of appreciation was presented to Samuel C. Stewart, who has completed 14 years of service as director in the society. Mr. Stewart is expecting to leave Trail in the Spring.

Seven directors were elected to fill vacancies, Dr. D. A. Sinclair, W. G. Siddall, Mrs. H. P. Kingwell, Mr. Ramsden, Rev. John Scott, C. R. Shier. Elected to position of vice-president and second vice-president respectively were D. T. Wetmore and Leo Levey.

Civic Rates Among Canada's Lowest—Morgan

Nelson Civic Centre has rates for rental of its facilities among the lowest in Canada, although they are at times criticized, Nelson Lions Club learned at a meeting in Hume Hotel.

Manager of the Centre Jack Morgan explained to members that, though the rates to local organizations are criticized, they aren't enough to meet per-hour expenses of the building. Because of this, help from the city is needed.

Many improvements are required at the Centre, Mr. Morgan said, and mentioned need of a new heating system. The use of coal and wood stoves in the dressing rooms is not good, he said.

The proposed permanent floor in the arena will be a useful and money-making installation as it will allow the centre to use the arena more profitably.

The new ramp was not only built for ease in handling the traffic into the rink but could be also used for storage purposes which the building badly needs, he explained.

Night lights in the park would be another revenue producer, as it has been proven conclusively that with this addition, a centre can attract shows that are otherwise not interested.

"If people in the community will take a second look at their Civic Centre and perhaps learn a bit more about it and not take it for granted, they would find points of interest and information that would be of benefit to them and visitors alike," Mr. Morgan said.

At its inception the Civic Centre was a paramount project of its kind in North America and can still hold its own even with the modern buildings that have since been erected all over the continent, he declared.

The club voted to get wedge hats to wear at local affairs to publicize the Lions Club.

Archbishop Urges Effort For Greater City . . .

Traditional Sense of Social Conscience Said Nelson Hallmark

Nelson Chamber of Commerce Thursday night gave a testimonial dinner in honor of Most Rev. Martin M. Johnson, but the Archbishop turned the tables on his hosts by giving stirring testimony to his faith in the Kootenay country he is shortly leaving.

In an address that was both witty and reflective, His Grace measured the achievements and prospects for this district, with particular reference to Nelson itself, a town of which he knew nothing before his election as Bishop of Nelson 18 years ago.

"If I were asked to give a reason for my faith in Nelson and district I would choose from a myriad of qualities one which has marked its history . . . and which so distinguishes it today," he said. "I refer to the wonderful conscience of those who made Nelson possible and who today carry on its traditions.

"It was from this conscience that there issued so many tales of exploits, of adventures, of joys and tragedies, in the mining and logging day which saw the birth of Nelson. It was due to this conscience that every tale factual and fictional was woven with the threads of humanitarianism, of charity, of loyalty and of generosity."

Continuing, His Grace said: "It was due to this conscience that those who pioneered the trail and skidway came to have, in addition to competence in industry and commerce, a sense of social consciousness; that is, a concern for others."

He doubted if there was any place in Canada where there are more people concerned with the youth, the distressed, the sick, the aged and infirm and the otherwise friendless, than in Nelson.

Turning to specific examples, Archbishop Johnson mentioned the Civic Centre which he described as "a monumental symbol of social and civic consciousness, of community pride, interest, unity and co-operation" as one evidence of this social consciousness.

WILL ANSWER CALLS

"But my faith, while it is well rooted in the past, is based more upon my experience each day with the citizens of this district," he declared. "I know their present-day interest in all those whose only claim upon them is their need."

While he had been primarily concerned in the foundation of works under Catholic auspices, Archbishop Johnson had not failed to notice good works carried on under other auspices—all appealing to the "traditional sense of stewardship" which he regarded as the salient feature of the conscience of Nelson.

"I would not say that the people give money away just for the sake of giving. They are prudent stewards and they wish to see . . . where their money is to be used," he averred. "But when they are presented with a concrete need and a concrete plan wherewith to meet that need, they rise to the occasion nobly and generously."

The coadjutor Archbishop of Vancouver pointed to school and hospital plebiscites, to Community Chest and church campaigns, to promotional efforts on behalf of national relief organizations, to recreational facilities, and to "the current salvage and rescue operations" on behalf of the hockey club.

Turning to the institutions he has founded, Mount St. Francis Infirmary and Notre Dame College, His Grace observed that "it takes a lot of genuine faith in a community to sponsor an outlay of $1,000,000."

"I make no apology for my pride in the fact that these two institutions serve the community without regard to, or question of, class, race or creed.

"My faith has been amply rewarded by the beneficiaries, the youth who otherwise might be denied a university education, and the aged and chronically ill, who in the judgment of the Inspector of Hospitals enjoy the most comfortable and scenic home in British Columbia.

TREASURED ASSOCIATIONS

"My faith is further rewarded by the memory . . . of the staunch support of men of broad vision and courageous convictions, men who scorned the petty and ignoble, men of my own religious beliefs and men whose religious convictions were vastly different. In a word, I shall always treasure the memory of associates who in my scale of values were men of integrity, moral stature and character."

In an advisory and a prophetic vein, Archbishop Johnson recommended that Nelson should expand its boundaries to make way for its growth, its needs and services.

"If we used the intelligent, skillful and painstaking effort . . . used in recent plebiscites, together with the tremendous potential of a community effort, the boundaries of Nelson would be adequately extended," he said. "Then there would be no doubt of a greater Nelson properly and accurately placed among the cities of B. C. in the next Dominion census."

Summing up his "story of faith in the collective conscience of Nelsonians", he urged his listeners to remember that "conscience is the voice of God speaking within us" and to "revere that voice and revere the kind Providence which has given the citizens an ear sensitive to the promptings of that voice."

The Archbishop's address brought warm words of tribute from the Kootenay's pioneer clergyman, Ven. Archdeacon F. H. Graham of Trail. The Archbishop's "attitude on the streets of our city" has helped to promote its residents' faith, he said.

Dr. W. C. Murphy introduced the guest speaker, and he was thanked for his address by Mayor Joseph Kary.

JOHN NIAGARA
Talks about:
LARGE BILLS
And How to pay them

Most people spend large sums of money only when they know where the money is coming from. But there are some bills that you just can't plan for. For instance, car smash-ups, unexpected medical expenses, fires, thefts and anything completely out of your control; bills . . . that hit you like a bolt out of the blue. These large bills are often a serious concern to a family. That's when a Niagara loan can really be of help. At any rate there are a lot of letters in our office which were written by people who certainly think our service was a mighty fine answer to this difficult kind of problem. You'll find if you inquire, that friendly loans at Niagara Finance often have lower rates. Another point about Niagara, loans to $1500 are life-insured at no extra cost to you. If you have a large unexpected bill which you can't handle why not drop in or phone; we'll be glad to see you.

Bob Maber Presented Queen Scout Badge

Robert (Bob) Maber, 16-year-old Fifth Nelson Scout, was presented his Queen Scout badge in ceremonies at Nelson Scout Hall Wednesday night.

The badge is the highest award in Scouting and is awarded only when a Scout has proved himself in proficiency and passed numerous tests.

About 80 parents and fellow Scouts gathered for the presentation made by Mayor Joseph Kary, honorary president of Nelson and District Boy Scout Association.

A scroll, signed by Canada's chief scout, Governor-General Vincent Massey, was read and presented by District Scout Commissioner Don Ure.

INSPIRE FAMILY

Mr. and Mrs. Maber were called to the head of the Scout horseshoe during the presentation. Mr. Ure congratulated them on inspiring their family to follow and remain with such a movement.

The young Scout was also presented his Ambulance Man badge by Mines Safety Inspector Herbert Aitchison, his Cyclist Badge by President of Nelson and District Boy Scout Association J. J. McEwen, and his Fireman's Badge by Fire Chief Elwin S. Owens.

LEADER HONORED

At the same time, Irwin Hobden, Scoutmaster of the Third Fairview Troop, was presented a preliminary training course certificate for leadership by Mr. Ure.

Origin of the Queen Scout badge was outlined by Dr. N. E. Jennejohn, past-president of the association and chairman of the meeting. He also greeted guests.

An indoor campfire was held, directed by Leonard Wise, assistant Scoutmaster. Fred Merriman, Cubmaster of Fifth Nelson Pack, related ghost stories followed by a skit by leaders and boys of the Fifth Nelson Scout Troop. Games, in which visitors participated, were played.

Refreshments were served by the Mother's Auxiliary.

STARTED AT EIGHT

Bob Maber started as a Cub with Fifth Nelson Pack when he was eight and has continued with the group. He is still a member of the Scout Troop and a Cub instructor. He is a bronze arrowhead and silver arrowhead Scout.

Gerald Corbett, Scoutmaster, Leonard Wise, Bill Ramsden and Garry Human, assisatnt Scoutmasters, also took part in the program.

'Denver Oldtimer Pens Short Verse

NEW DENVER — H. R. Harrod, New Denver oldtimer, is keeping himself busy this Winter by composing poetry. His most recent verse is the following:

"There'll always be an England,
and a Scotland, too;
There'll ayways be an Ireland
where the dear old Shamrock
grows,
There'll always be those British
Isles that weather all the gales,
And to finish up this ditty, we'll
bring in dear old Wales."

SEMENICK CONVICTED OF CONCEALING

VANCOUVER (CP) — William Seminick, middle-aged victim of a gangland ride last November, was convicted here Thursday on a rarely used charge of "concealing the identity of the two men who attempted to murder him."

Mr. Justice James Coady remanded him to the end of the Supreme Court Assizes for sentencing. The Assizes are expected to end Monday.

Four Trail Rinks Enter Semis In West Kootenay Women's Spiel

The annual Women's Kootenay Bonspiel held in Trail reached the semi-finals in the primary event for the Trail Cup Thursday. Four Trail rinks will vie for top place Friday.

P. Puttullo, I. Montpellier, A. Milburn and M. Ink will play in the semis with the eventual winner carting home the silverware.

Only nine games were played in the secondary event for the Rossland Cup and play in this event will continue Friday morning.

VANCOUVER (CP) — Four logging and three lumber milling deaths in B. C. for December were reported Thursday by the Workmen's Compensation Board. There were 831 accidents of all kinds in the industry for the month.

Coal was mined as early as 1672, on a small scale, in Nova Scotia.

The Weather

VANCOUVER (CP) — Aside from low cloud over the Kootenay and Okanagan lakes, most of the southern interior is clear and temperatures will fall to close to zero in much of this region Thursday night. Along the south coast temperatures will continue about five degrees above the seasonal normal and in the Cariboo about 20 degrees above the average.

New Rotary Club to Be Instituted at Salmo

SALMO — A move toward organization of a Rotary Club in Salmo culminated with a meeting Wednesday night of 20 Salmo business and professional men and H. D. Harrison of Nelson, past district governor and special representative of governor J. C. Jeppson of Lewiston, Idaho.

The widely-representative group of Salmo men voted to apply for a charter in Rotary International. The new club is sponsored by the Rotary Club of Nelson.

Officers elected were M. C. Donaldson, president; J. H. Cullon, vice-president; Thomas Lund, secretary-treasurer, and O. P. Larsen, Frank Burger, Leslie Hart and Dr. G. F Ditchburn, directors.

Others attending the organization meetings were E. E. J. Avery, William E. Benton, Alfred Harris, J. C. Hearn, Max Henne, C. W. Henry, Elvin E. Kraft, Fred Lipsack, C. B. Reid, Michael Schulz, W. A. Taylor, W. L. Taylor, Rudy Ungaro and P. Warpick. Several others have expressed desire to join the group in the charter application.

Nelson Rotarians who accompanied Mr. Harrison to assist in formation of the new club included C. B. Mutchler, secretary; W. S. Ramsay, president; Spud Cameron, Ald. J. H. Coventry, William Evans, Robert Foxall, R. H. Dill, G. A. Hoover, Dr. N. E. Morrison, N. C. Stibbs and C. W. Ramsden.

Salmo will be the 47th club in Rotary district 153, encompassing the Eastern half of B.C., the large section of Washington East of the Cascade mountains, and all of Idaho North of and including Lewiston.

In the immediate area, Rotary clubs operate in Nelson, Castlegar, Fruitvale, Nakusp, Trail and Rossland and numerous other points in Southeastern B.C. It is expected, therefore, that the new Salmo club will have many visiting Rotarians at its meetings.

AIMS EXPLAINED

Rotary was defined by Mr. Harrison as "a fellowship of nearly 400,000 business and professional executives throughout the world, who are united in the 'Ideal of Service', which is thoughtfulness of and helpfulness to others.

"It is particularly interesting that the Rotary Club of Salmo is being organized at this time," Mr. Harrison added, "because Rotary Clubs around the world this year are celebrating the golden anniversary of the founding of Rotary."

"Members of Rotary Clubs," he continued, "endeavor to exemplify their motto, 'Service Above Self' in all of their daily business, social and civic contacts by placing the obligation to serve others before the desire for profit for themselves. A Rotary Club selects its membership on the basis of one active member from each recognized business and profession in the community, so that it is a representative cross-section of the business and professional interests and activities in the community."

The Rotary Club of Salmo will hold its regular weekly meetings in Salmo at 6 p.m. each Tuesday, starting February 1. As soon as it has been formally admitted to membership in Rotary International, its official Rotary charter will be presented by the district governor at a special meeting which will be attended by Rotarians from many of the Clubs in this Rotary District.

Cranbrook Man, R. C. McNeil Dies

CRANBROOK — Almost a lifetime resident of Cranbrook, Robert Claude McNeil died at the Hospital Tuesday. He had been taken ill Saturday. He was the son of the late Mr. and Mrs. Robert McNeil who came from Quebec in 1900 to establish their home in Cranbrook.

Claude McNeil was born in Shawville, Quebec, 65 years ago and had his schooling in Cranbrook. He was a grader operator with the provincial public works for more than 35 years until retirement in 1942. Since then he continued his home at the family residence on Van Horne Street.

Funeral services will be today at McPherson Funeral Home, and burial will be in Westlawn.

Three sisters, Mrs. G. L. Sullivan, Vancouver; Mrs. C. W. Tyler, Port Coquitlam, and Miss Erma McNeil, Cranbrook, and four brothers, Bartley and Kenneth in Cranbrook, Jack in Kelowna, and Noble in Vancouver, survive him.

Edgewood Sports Ground Transferred

EDGEWOOD — The Edgewood-Inonoaklin Sports Committee has unanimously agreed to transfer its funds to the local Fair Board.

Since the fair was re-opened last year it was felt that the Sports Committee should dissolve. When it was organized several years ago, they purchased the sports ground and sponsored the annual Labor Day celebration. Mrs. J. Vrooman, R. E. Bateman and R. N. Donselaar, appointed by the Provincial Parks Commission as trustees for the property, will request the transfer of the title to the Inonoaklin Farmers' Institute Agricultural Fair.

Plans Rolling For Cranbrook's Golden Jubilee

CRANBROOK — Faced with the necessity of revising its city licence charge for beer parlors under the new order of public houses, City Council has set a $50 licence fee semi-annually. Formerly the rate was based on the volume of beer sold in the licenced premises.

A new agreement with the General Workers Union regarding reduction in the work week for public works employees to 40 hours at the former 44-hour rate, reached final draft stage at the meeting. Council also approved 10 per cent pay increases for the six salaried firemen and assistant fire chief.

Dr. W. G. Watts, East Kootenay Health Unit medical officer, outlined the proposed school dental clinic plan to cover children of primary grades, which was approved in principle, and Council will recommend its approval by the Cranbrook District School Board.

Golden jubilee of Cranbrook's incorporation as a city November 1, 1905, will be marked this year with extensive late Summer festivities, probably the last week in August. Mayor R. E. Sang has proposed this, and will call a meeting soon of organizations willing to participate in a program designed to attract and entertain former citizens.

Provincial Arena Association issued an invitation for Cranbrook representation at its annual meeting May 4 to 8, and Council appointed Alderman George Haddad, city parks committee chairman to attend.

Success of the mechanical street sander put in operation this Winter, which makes safe city streets in a short time after a freeze, thaw or snowstorm, has led to authorization of addition of a second sander to the city's works equipment.

Wardens Chosen At South Slocan

SOUTH SLOCAN — J. D. Yeatman was named vicar's warden and B. Hammond, people's warden, at the annual meeting of St. Matthew's Anglican Church here.

Also elected were Mrs. A. Muir, treasurer; Mrs. Baker, envelope secretary; and Mrs. J. Murray, Mrs. S. Marshall and J. Gilker were named to the church committee. Mr. Yeatman will be delegate to the Synod.

Rev. Canon W. J. Silverwood and Mr. Yeatman expressed warm appreciation to those who have contributed to the work of the church.

Reports were given by J. Murray, Mrs. D. James, and Mrs. Marshall for WA, financial and Sunday school aspects.

CRANBROOK RITES FOR ANTONIO TITO

CRANBROOK — Requiem will be celebrated at St. Mary's Church here this weekend for Antonio Tito who died at a rest home in Vancouver Tuesday at the age of 76 years.

He came from Italy to Canada and Sirdar as a young man in 1904, then continued to Cranbrook on railway section work. After a few years employment with Staples Lumber Company he joined the city crew in waterworks division where he remained until retirement 16 years ago, when he opened a store on Van Horne Street. He continued at this until his health failed and other members of the family took it over. He leaves 73 surviving descendants.

They are six daughters, Mrs. Rose Romano, Mrs. J. Shaw, Mrs. Bert Frisina in Cranbrook, Mrs. Antonio Strange of New Westminster, Mrs. Kathleen Procopio of New Westminster, and Mrs. Grace Palombo at Seattle; four sons, James in Portland, Frank in New Westminster, Nootch in Seattle, and Michael in Cranbrook, 32 grandchildren and 31 great-grandchildren.

Mica Creek Dam Urged By Okanagan Boards

SALMON ARM—A special committee was appointed by the Okanagan Mainline Associated Boards of Trade to draft a resolution urging early development of the upper Columbia River basin.

The move was made at the quarterly meeting of the association here.

Members of the committee are: President H. C. Hoover, Armstrong area; S. J. Thompson, Golden; Albert Abrahamson, Revelstoke, and A. C. Andrews, of Kamloops.

SUBSTITUTE MOTION

Appointment of the committee was approved as a substitute to a resolution proposed by Golden and Revelstoke delegates which would have placed the meeting on record as supporting the action of the Federal Government in opposing the projected Kaiser dam at Castlegar.

The committee will investigate the situation and their resolution will be submitted to member boards.

TOO BIG

Mr. Hoover said the Columbia river development was too big an issue for the associated boards to take action without the resolution having first been considered by individual boards.

Mr. Thompson said if the Provincial Government goes ahead with the Kaiser dam proposal "it will be selling out the province at 50 cents on $1,000 of natural resources."

On the other hand, he said, the lake which would be created by a dam at Mica Creek, would open up one of the largest lead deposits in the world and also mean the logging of hundreds of square miles of timber.

VAST EMPIRE

"A vast industrial empire would be created by Mica dam," Mr. Thompson said. "It would produce millions of horsepower in electrical energy, mean 60,000 jobs in the immediate area and 500,000 jobs in B. C."

F. J. Beruschie of Revelstoke said Gen. A. G. L. McNaughton, a member of the International Joint Water Commission, had classed Mica dam as the first key in a vast project which would store from 10 to 14 million acre feet of water in the upper reaches of the Columbia.

The Castlegar dam "was number eight on General McNaughton's list, and now provincial Lands Minister Sommers says it has priority."

Mr. Beruschie said press reports indicated "Washington power interests had agreed to build Mica dam, which would be a gift from the U. S. utility firms."

This in turn would "mean a gift of $10,000,000 (m) a year to the province and in addition the province would get the power produced."

Kinnaird Society Re-Elects Warner

KINNAIRD — H. J. Warner was re-elected by acclamation as president of the Kinnaird Improvement Society at the annual meeting Wednesday night.

Other officers elected were K. L. Roberton, vice-president; Walter Jacobson, secretary-treasurer; Miss Irene Viau, recording secretary, and J. C. McLeod, trustee for a three-year term. Committee chairmen are Mrs. Roberton, refreshments; B. Rourke and W. Sommerfield, building; Mr. Roberton, membership; Mr. Jacobson, welfare; Mrs. Jacobson, library and L. Greenwood, parks board representative.

In giving in the financial report for 1954, Mr. Jacobson said that while the year had not been as successful financially as previously, the Society was still able to show a credit balance. Receipts totalled $5370, and disbursements amounted to $5774.

LOW RENTALS

The Society continued to make the hall available rent-free for all children's activities, and the policy of low rentals for local service groups was continued. Even so, rentals for the year proved the highest source of income, bringing in $838.

Mrs. Roberton, reporting for the refreshment committee, said that a profit of about $50 had been realized from the sale of refreshments at Society dances. Almost $100 had been raised from a St. Patrick's Day tea and two catering jobs.

Several minor improvements were made to the hall, Mr. Rourke reported.

The library committee report showed that an increasing number of children were using the library facilities at an average rate of about 100 books a week. A large number of children's books were added to the shelves. As few adults were using the library, almost all new books purchased had been for children and teen-agers.

Membership committee chairman reported a slowly increasing membership, several former members rejoining.

Suggestions for increasing attendance at membership meetings were discussed.

Shutty Bench Road Petition Launched

KASLO — A petition signed by 26 persons asking that dangerous corners be eliminated and narrow portions widened on the three and a half mile stretch of road between Kaslo and Shutty Bench, was received by Kaslo Board of Trade at its January meeting.

G. Armstrong, chairman of the roads and bridges committee, said that the public works department is not likely to spend more than maintenance funds on the section until a permanent location has been decided upon.

However, the Board is writing to the public works minister asking further assurance that a full survey of the Kaslo-Balfour road will be undertaken.

Avenue "A" bridge here is being investigated by the public works department.

'Forks Supper Aids Church Building

GRAND FORKS — More than 200 people attended a buffet-style supper served by the men of the United Church in the church basement. Proceeds will go to the building fund.

Fire Brigade To Draw Up Bylaw

NAKUSP — The Nakusp Volunteer Fire Brigade has decided to subscribe to a membership in the Kootenay Society for Handicapped Children. It was thought that this was a very worthy cause serving the entire district, and so eligible for support from the brigade.

A committee has been formed to draw up by-laws covering the organization. It is proposed to limit the active brigade to a fixed number of members whose duty will be to take part in the actual work of combatting fire. Associate members will take charge of social functions and money raisers. The committee appointed is K. P. Highland, Ralph McPhee, Glen McMullen, Stan Cowan and Charlie Daoust.

McDonald Elected 'Forks Alderman

GRAND FORKS—John B. McDonald was elected alderman here Thursday, receiving 154 votes.

Y. Sugimoto received 127 votes, and Sam Talarico, 77. Four ballots were rejects. A fairly large percentage of voters turned out.

Mr. McDonald, who has been retired for three years, was public works engineer. He takes the place of Lorne Murray, elected in December but who has left Grand Forks.

It will be Mr. McDonald's third term in office.

Claridge Heads School Board

NAKUSP — W. J. Claridge was re-elected chairman of the board of trustees of Arrow Lake School District at the board's meeting at Burton.

Bus drivers and janitors have accepted the board's wage proposals for 1955, but negotiations with the teachers on a new salary schedule are continuing.

Although further study will be made and more information gathered, the board has approved in principle the need for expansion and replacement of old buildings in the district: replacement of the Nakusp high school with a six-room junior-senior high school, expandable to 10 rooms plus a chemistry laboratory, industrial arts room and activity room; the addition of two rooms in the southern area, an activity room in the southern area, renovation of the old Nakusp high school for school board rooms, workshops, storage space and a bus garage.

The board is also giving consideration to providing teacherages in the various attendance areas.

NATAL MAN TRAPS RECORD SIZE MINK

NATAL—Two mink, one of them believed to be of record size, were caught recently by Ben Volpatti near his home in the Elk Valley, about eight miles West of Natal. The animals are reported to be very rare in the district.

The first mink measured 32½ inches. The largest mink caught in this area some years ago measured 30½ inches.

Mr. Volpatti's second mink, caught a few days later near the same spot, measured 27½ inches.

Cranbrook Firm Buys Fernie Business

FERNIE — Falkins Agencies Ltd. of Cranbrook has purchased the insurance and real estate business operated by Len W. Hunnable of Fernie, for the past 13 years.

Owing to health reasons, Mr. Hunnable decided to reduce his business ventures. He will continue to operate the Hunnable Funeral Home.

Your Community Chest Dollars Aid Cancer Research

The disease of cancer continues to be one of the most baffling problems of modern medicine, says the Canadian Cancer Society. Next to heart disease it is the greatest cause of death in Canada. Last year over 19,000 of our men, women and children died of cancer. Almost 2000 men died of stomach cancer alone. Leukemia (cancer of the blood) took the lives of 182 children under the age of fifteen.

The cause of the disease is unknown. Diagnosis of internal cancer is difficult and uncertain. Cancer cures with radiation and surgery are usually obtained only when the disease is caught in the early stages. Cancer victims, either in hospitals or homes, require constant attention and special care.

To counteract these conditions the Canadian Cancer Society was organized in 1938. It attempts to control cancer in three ways: 1) To cut down the cancer death rate by teaching the public the nature of the disease and emphasizing the importance of early diagnosis and treatment. 2) To seek means by which the disease may be prevented or more effectively treated. 3) To relieve the suffering of cancer patients and to assist them in their various problems.

To carry on this work the Society conducts an annual cancer campaign in April during which $1,500,000 is raised for cancer control.

The chief aim of the education program is to dispel the superstition and fear that have surrounded cancer for centuries and replace it with facts and hope.

Besides its lay education program the Society sponsors the post-graduate training of doctors, radiation therapists and radiation physicists who will work in Canadian hospitals and cancer clinics.

A research program is sponsored in co-operation with the National Cancer Institute, which was organized in 1947 and includes in its membership many outstanding doctors and research workers. Dr. Lyman Duff of McGill University, president of the Institute, points out that "Our Canadian cancer research effort, begun only a few years ago, is now comparable to that of other countries. The Institute spends $400,000 annually to provide personnel, materials and equipment for research. At present it is supporting 60 research projects in universities and hospitals across the country. In addition the Institute supports the training of young cancer research scientists."

In Nelson district public support of this vital work is provided through your gifts to the Community Chest.

Many, by their fear of being cheated, have taught how to cheat, and by their suspicions have justified other men for doing wrong.—*Seneca.*

LETTERS TO THE EDITOR

Letters to the Editor on any topic of genuine interest are welcome if they are brief, accurate and fair. No letter will be inserted in whole, or in part, except over the signature and address of the writer. Unsolicited correspondence cannot be returned.

Jubilee Calendar Does Not Disrupt Weekly Cycle

To the Editor:

Sir—I have not observed in A. J. Hill's (chairman, Canadian Affiliate, The World Calendar Association, Ottawa) defence of the proposed world calendar anything that would set aside the facts and observations stated in my letter of October 6.

Although our present Gregorian calendar is more than 300 years old, yet it is within 21 seconds of being in complete accord with the solar year.

It is said that the so-called easing of statistical computation will bring about a departure from the truthful computation of time.

A report of the Geneva meeting of the United Nations last July might indicate that the proposed new calendar was not too favorably received. Some member nations were favorable. The delegate from Pakistan said that his government was "unshakably opposed" to the specific proposal under consideration. Cuba and the Argentine republics both said their governments would not be prepared to express themselves until they knew where the Vatican stood on the question. The Vatican thus far has merely stated that it is willing to co-operate in the matter of studying the reform of the calendar. Other member nations already recognize the unfavorable aspects of the proposed calendar.

The Geneva meeting requested that the proposal be further studied by both members and non-members of the United Nations, and at its nineteenth session it would consider the matter again.

The writer of this letter personally endorses calendar reform so long as it does not disrupt the continuity of the weekly cycle.

A calendar sometimes referred to as the jubilee calendar has been proposed. It has considerable merit. It is a 12-month calendar making use of a leap week inserted every five years, except the years ending in 25, 75, and those divisible by 400. Instead of having an extra day every year and two extra days in leap years for statisticians to reckon with, this proposal would be the same every year. Only every fifth year, with the exceptions indicated, would a fifty-third week be added. This calendar would have 364 days or 52 weeks in the ordinary year, with 53 weeks in leap years. The year would have a perpetual seven-day week and always begin with the first day of the week. Each quarter, except the last during leap year, would have one 31-day month and two 30-day months, the same as the proposed world calendar. The first month of each quarter would begin on Sunday, and the last month of each quarter would end on Saturday. Each quarter would contain 78 working days and 13 days of rest. The intercalary year would have an extra week added to the month of December in every year divisible by five, except those years ending in 25 or 75 and those divisible by 400. Practically all the advantages claimed for the proposed world calendar are to be found in this calendar, with the very important added feature that it does not disrupt the weekly cycle by making use of the blank-day.

F. T. BALMER.

Kaslo, B. C.

It's Been Said

A nation's character is the sum of its splendid deeds; they constitute one common patrimony, the nation's inheritance. They awe foreign powers, they arouse and animate our own people.—Henry Clay.

Your Horoscope

The stars indicate that your ambitions will now be fired and lead to impressive success and promotion in your vocation. Look for a personality in today's child utterly fearless, tireless and indefatigable. Success seems certain.

Illegal picketing threatens our very democratic existence, declares the Cobourg (Ont.) Sentinel-Star. "In a democracy when a strike denies the right of man to the quiet enjoyment of his own property, the freedom of the individual is defeated; and when the individual freedom is taken away, man is bereft of enterprise, initiative, enthusiasm and faith in tomorrow—when man's faith, when his hope is gone, his religion, his all has been taken from him."

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. Questions WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

G. M. R., Castlegar—Could you tell me how to polish marble?

Pure beeswax, 10 parts; Japan gold (size), two parts; spirits of turpentine, 88 parts. The mixture is of creamy consistency, and should be applied in small quantities with the aid of a piece of white flannel. If it is desired for use upon white marble, white wax may be substituted for beeswax. The Japan size prevents the stickiness when wax alone is used. Perhaps other readers have different formulas?

Subscriber, Trail—Is there any food value in bananas, prepared cereals and dessert jellies?

Bananas contain some vitamin A and B, and a good amount of vitamin C. Prepared breakfast foods contain proteins, carbohydrates, a little calcium, phosphates, iron, vitamins A, B, and C. Any dish containing gelatine is digestible and good for sick and well.

Mrs. J. R., Creston—Is Limoges china bought 40 years ago of any special value?

It would depend on whether the design has been discontinued, thus making it a collector's item. A specialist on the subject—such as Birks of Vancouver and Calgary—could tell you about its possible value.

Interested, Nelson—Can you give me any information on Scotland Yard, police headquarters in London, England? Do they only look after the Houses of Parliament, for instance, and royalty, or are they responsible for policing the London area?

This famous police organization is responsible for keeping the peace in 734 square miles of London, omitting only the one square mile of the city which is policed by the Lord Mayor's men. Anyone in the London area by dialing 999 on their phone will be answered by Scotland Yard, and within a few minutes a patrol car will be at his door. The police force, founded in 1829 by Sir Robert Peel, nowadays employs 16,000 men, of whom 1400 are inspectors of the Criminal Investigation Department, and others are police constables. Although Scotland Yard's cable address is Handcuffs, the constables very rarely carry handcuffs today, nor do they carry guns; instead they are armed with short truncheons. They use cars disguised as delivery trucks, taxis, private motor cars, and the map room in Scotland Yard knows exactly where each car is during the day. According to the New York-World Telegram Almanac, Scotland Yard is the most famous police organization in the world.

Verse

Six Feet of Earth

I'll sing you a song of the world and its ways,
And the many strange people we meet;
From the rich man who rolls in his millions of wealth
To the poor struggling wretch on the street.
Tho' a man may be poor and in tatters and rags,
Yet we know that we ought not despise;
Just think of this adage, and remember, kind friends,
That six feet of earth makes us all of one size.

There's many a coat that is tattered and torn,
But beneath lies a true, honest heart.
Just because he's not dressed like his neighbor in silk,
Why, society sets him apart.
On the one fortune smiles while the other one fails,
No matter what venture he tries,
Till death in the end brings them both to the grave,
And six feet of earth makes them both of one size.

Thus, whenever you meet a poor fellow who tries
To battle this world and its frowns,
Just lend him a hand, and perchance he'll succeed;
Don't crush and still keep him down.
For a cup of cold water in charity given
Is remembered with joy in the skies:
We all are but human, we've all got to die,
And six feet of earth makes us all of one size.

—A WOLVERINE.

A ton of butter has vanished from a Stratford creamery, and now the fat's in the fire.
—Brantford Expositor.

Guardian Terms Ike's Message Formosan Folly

By ALAN HARVEY
Canadian Press Staff Writer

LONDON (CP)—The Manchester Guardian says Foreign Secretary Eden and External Affairs Minister Pearson of Canada will need "all their ingenuity" to find a way out of the dreadful and damaging" situation which has arisen over Formosa.

The Independent Liberal newspaper, which strongly criticized President Eisenhower's message to Congress on the defence of Formosa, refers to the British and Canadian foreign secretaries in a long editorial entitled "Formosan Folly".

NO OTHER REFERENCE

Their is no other reference in the editorial to back up the idea that Eden and Pearson are working together to modify American policy on Formosa. In a front-page story, however, the Guardian says:

"It is reported on good authority that direct reference to defending Quemoy and the Matsu islands was omitted from President Eisenhower's message on the recommendation of Britain and Canada."

Another reference to Quemoy and the Matsu islands appears in a Washington story by Max Freedman, a Guardian correspondent. Freedman, a Canadian, says Britain and Canada have warned the U. S. state department it would be "dangerous" to identify Quemoy and Matsu in a precise guarantee against Communist aggression.

Freedman adds the administration decided against naming the islands, but that "important" American officials had told reporters privately they would be protected by American power.

Player Piano Ousts Juke Box

QUEBEC (CP) — Juke boxes sparkling with colored lights may be all right for some restaurants but at Quebec's Chez La Grande a purple player piano with cats and butterflies scattered all over it is the big attraction.

The little, Parisian-style cafe offers its clients a selection of music that would make a juke box burst a neon tube in envy. There are more than 600 rolls for the piano, a relic of the Victorian age whose counterparts are seen now only in cowboy movies and museums.

OLD FAVORITES

The rolls include such old favorites as "Sweet Genevieve" and "When You and I Were Young Maggie." There are excerpts from Verdi's "Il Trovatore" and also hymns, including "Hark, Hark, My Soul."

This particular player piano's early history is unknown. The owner of the cafe, Lisa Perrin, said she got it in 1942 from an aunt in Cincinnati. A strong pair of legs is needed as pedals pump the bellows that turn the perforated rolls.

The recent addition of a record-player has not proved popular with the cafe patrons. So long as the player piano continues to churn out their favorites, such words as "long-playing" and "Microgroove" are enough to start an argument.

Marriages Annulled

VATICAN CITY (Reuters)—The sacred Roman Rota, the Roman Catholic Church's appeal court in matrimonial cases, last year agreed to annul 131 marriages, but rejected 114 other pleas for annulment. These figures were issued by the Vatican press office Thursday. Identities of those who applied were not disclosed.

Announce Schedule For Royal Flight

LONDON (AP) — The flight schedule for Princess Margaret's trip to the West Indies was announced Thursday.

She will leave London airport at 3 p.m. GMT Monday in a British Overseas Airways Corporation Stratocruiser. The plane is due at Gander, Nfld., at 10:10 p.m. Newfoundland time and will leave at 11:10 p.m.

It is due in Montego Bay, Jamaica, at 7:20 a.m. local time Tuesday and will leave one hour later. It arrives in Trinidad at 3 p.m.

Manitoba Doubts Weatherman

WINNIPEG (CP) — Unbelieving Manitobans heard the weatherman say Thursday the province was warming up.

But sub-zero temperatures and numbing winds sweeping across the Prairies couldn't convince the majority of shuddering citizens.

In Winnipeg the mercury dropped to 25 below but during the morning rose eight degrees to 17 below. Similar rises were recorded in other Prairie cities.

But the trend was reversed at Brochet, in northwestern Manitoba where for the second straight day the isolated community reported the coldest temperature in the west — 43 below.

Churchill was 28 below, Regina -6, Saskatoon -1, Brandon -12, Portage la Prairie -23, The Pas -14 and Dauphin -7.

LUCKY ALBERTA

Warm air caressed southern Alberta. The forecast high Thursday for Calgary was 35, Lethbridge 40 and Medicine Hat 35. Edmonton was somewhat chillier as another wave of Arctic air began a move southward. The Alberta capital had a forecast high of 25.

The public weather office said here that Manitoba's cold spell would continue overnight with the mercury again dropping to 25 below in Winnipeg overnight.

Father Sues Police For Son's Death

VANCOUVER (CP)—Three New Westminster policemen are being sued by the father of a young RCAF airman who was fatally wounded last July when officers fired on a fleeing car here.

Unstated damages are asked by Morris Murdoch Byers for the death of Ronald Gerald Byers, 22.

The constables named in the suit are Roy C. Hilker; Edwin J. Kellock, and Douglas Sandford, all of New Westminster.

Byers alleges the officers were negligent in the use of their pistols.

The airman was one of five occupants of a speeding car which was chased by police July 27. Shots were fired during the chase and Byers was hit.

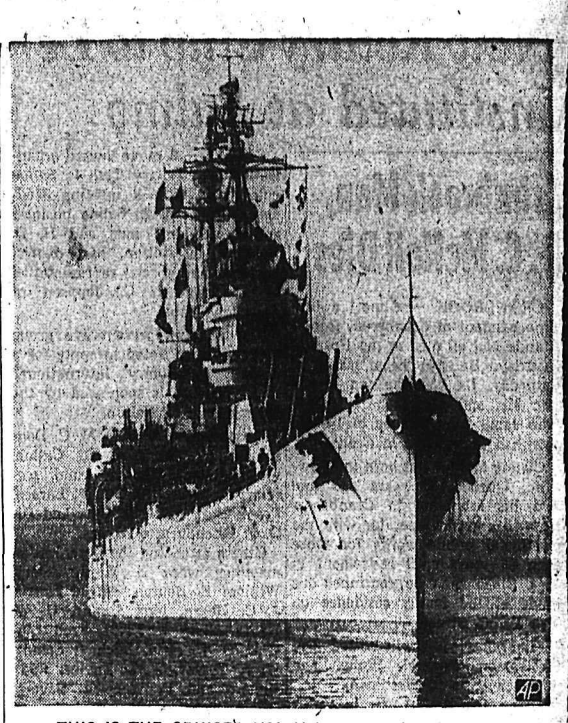
Insult To Queen On Wall of Holyrood

EDINBURGH (Reuters) — Unidentified persons plastered the words "Stay out, Limey Lizzie" along a wall of the Queen's official Scottish home here during the night.

The words, in whitewash letters two feet high, stretched for 70 feet along a wall of historic Holyrood Palace.

Police believe extreme Scottish nationalists were responsible. The nationalists, who want home rule for Scotland, object to the Queen calling herself "Elizabeth the Second." They say she is only the first Elizabeth to rule over Scotland.

The American liner United States set an Atlantic crossing record of 3 days, 10 hours, 40 minutes in 1952.



THIS IS THE CRUISER USS Helena, flagship of the U.S. 7th Fleet, which was described as "at the ready" to evacuate Chinese Nationalist forces from the Tachen Islands off the Red China mainland. Vice-Admiral Alfred M. Pride, commander of the 7th Fleet, remained aboard the Helena at Formosa while powerful units of his naval force, reinforced by three aircraft carriers from Manila, reportedly were due to take up positions in the Tachens area Jan. 24.—AP Wirephoto.

Naval Officer Wants Logs and Poles to Build "Little Canada"

By FORREST EDWARDS

TAIPEH, Formosa (AP)—Correspondents with the United States 7th Fleet off Formosa are subject to an almost complete news blackout under navy censorship.

The navy's restrictions forbid any news story touching on the following subjects:

1. Fleet movements.
2. Fleet size.
3. Fleet disposition.
4. Intentions.
5. Possible damage.

These restrictions have been applied so broadly and severely as to withhold anything but a trickle of minor feature stories.

SAYS NOT CENSORSHIP

The navy insists the restrictions are not censorship. However, the restrictions are actually a censorship much, much tighter than any formal censorship applied by the United Nations command in the Korean war.

All correspondents with the fleet have been required to sign fresh agreements to submit their stories to the ship captain or higher commander for clearance. Even if the stories pass the captain they must be sent to the commander of the U. S. Pacific Fleet in Pearl Harbor, then to the navy chief of information in Washington for ultimate release.

As a result, almost no news of the fleet has been cleared for publication.

The fleet commander, Vice-Admiral Alfred M. Pride, has refused repeated requests to allow correspondents to work aboard the flagship.

Ottawa to Renew Gold Subsidies

OTTAWA (CP)—The government has decided to renew subsidies for Canada's gold mines for two years —1955 and 1956—under a modified formula which will reduce payments sharply.

The government gave notice on the Commons order paper Thursday that it will ask Parliament to amend the Emergency Gold Mining Assistance Act to extend it to the years 1955 and 1956 "subject to certain modifications."

It was understood the modifications are aimed at reducing the government's outlays for subsidies which in 1954 totalled about $16,500,000.

Take Queen Off New Africa Stamp

PRETORIA, South Africa (CP)—The South African coat of arms replaces the head of Queen Elizabeth in the centre of a new stamp issued Thursday. The Afrikaans words "Suid-Afrika" have been placed at the top of the stamps with "South Africa" at the bottom.

Days are Numbered for Drab Suits And White Undies in Men's Affire

By PAULINE KENNEDY

TORONTO (CP)—Men's fashions this year have burst into technicolor but males are still reeling under the impact of shocking pink and lavender shaded shirts.

Lorain Fawcett, New York color consultant who runs her own firm, thinks it's about time men crawled out of their camouflage of grey and navy.

"There hasn't been a major change in the men's fashion picture for more than 25 years," she said.

TV A FACTOR

Consultant Fawcett, Vancouver-born blonde with a colorful personality in her own right, has been working as a color adviser with a men's shirting firm.

"Men's styles have been rock-bound for a long time because the men were so busy watching each other no one dared get out of line an dexperiment."

Miss Fawcett gives television credit for the change. "TV did for men what Dior and Dache do for women. It set the new color trend."

Because white doesn't photograph well television performers turned to pastel shaded shirts. They even wore their pink, yellow and helio (light lavender) shirts outside th estudio and the man-on-the-street thought is wasn't bad.

"In the Christmas trade pastel shirts outsold all other types," Miss Fawcett said. Pastels have also crept from shirts into the flecking in dark grey and black men's suits, into ties and even men's underwear.

"Pioneers wore red flannels so why shouldn't the modern male have pastel shorts?" Miss Fawcett said, defending the idea.

The recent craze for vividly patterned vests showed that men's hearts are really with the color trend, she said.

"I'm just waiting until they begin using more vivid colors for siuting material. That will be the next step."

If You're TIRED ALL THE TIME

Everybody gets a bit run-down now and then, tired-out, heavy-headed, and maybe bothered by backaches. Perhaps nothing seriously wrong, just a temporary toxic condition caused by excess acids and wastes. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys, and so help restore their normal action of removing excess acids and wastes. Then you feel better, sleep better, work better. Get Dodd's Kidney Pills now. Look for the blue box with the red band at all druggists. You can depend on Dodd's. 52

They'll Do It Every Time — By Jimmy Hatlo

Today's Bible Thought

The gift of God is eternal life, through Jesus Christ our Lord.
—Rom. 6:23.

He stands at the door and knocks. If we admit Him then we have eternity in the heart.

Aunt Het

If Henry is self-made, so is a flea on a dog. He never gave a dime to help the community. Other men built the town, and all he ever did was feed on it.

Nakusp Notes

NAKUSP — Plans for the Women's Institute annual supper were discussed at the January meeting of the Fauquier WI. The supper will be held later in the year, it was decided. Annual reports were read and adopted. Seven women attended the meeting at the home of Mrs. Boettger.

Six tables were in play at a successful whist drive in East Arrow Park sponsored by the Hall Board. Prize winners were Mrs. B. Robins, Mrs. Rogazz, Miss Betty Lewis and Mr. Finch.

January meeting of the Burton WI decided to assume one-half cost of purchase of portable tables for the hall, the Hall Board to be responsible for the other half. Plans were completed for a bake sale.

The moon "rides high" in the sky in winter, but never attains great height in summer.

Former Nelson Girl Is Bride of RCMP Officer

Of interest in Nelson, former home of the bride, is the marriage in St. John's Presbyterian Church in Medicine Hat of the former Ann Enabelle Laing and Anton Martin Gorek, RCMP.

Rev. R. L. Taylor performed the ceremony for the anly daughter of Mr. and Mrs. Frank E. Laing of Brooks, Alta., and the only son of Mr. and Mrs. Martin Gorek of Pritchard, B. C.

Boughs of cedar and chrysanthemums formed the setting for the nuptials, and guest pews were marked with white satin ribbon bows and sprigs of dogwood from Nelson. Mr. Laing gave his daughter in marriage.

An exquisite gown of Chantilly lace over shimmering white satin was worn by the bride. The gown was designed with a bouffant skirt and the bodice was modified by a scalloped neckline and lily point sleeves. Her veil of illusion net cascaded from a Juliet cap of white satin, encrusted with seed pearls, and she carried a bouquet of sweetheart roses. Her jewelry consisted of a set of turquoise earrings and necklace, which her mother had worn as a bride.

Miss Merton McAffer was maid of honor, and Miss Janet Holt and Miss Mona Owen of Bassano, Alta., were bridesmaids.

The senior attendant wore a gown of pink nylon net over taffeta, and carried a nosegay of blue carnations. Her head bandeau was of matching carnations. Miss Holt was gowned in blue net and taffeta, and carried a contrasting nosegay of pink carnations with a matching headband. Miss Owen was similarly gowned in pale yellow carnations and wore a matching bandeau.

The groom was attended by Constable Ken Sutherland and Constables Thor Thompson and Richard Chick were ushers. All wore full dress RCMP uniforms.

A reception for 60 guests was held at the home of the bride's uncle and aunt, Mr. and Mrs. A. J. Marshall. Pouring at the tea table which was centered by a three-tiered wedding cake, were Mrs. R. W. McMullen, aunt of the bride, and Mrs. R. McAffer. Servers were Mrs. David McMullen, Miss Maida Millican, Mrs. G. W. Murray jr., and Mrs. Mack Murray. Mrs. McAffer proposed the toast to the bride.

For her daughter's wedding, Mrs. Laing wore an afternoon dress of eggshell boucle taffeta with black velvet accessories and a corsage of pink roses. The groom's mother chose a gown of navy blue crepe with navy accessories and a corsage of deep red roses.

For a honeymoon trip, Mrs. Gorek donned a charcoal suit, accented by white accessories and topped by a red coat.

The couple will make their home in Mission, B. C., where the groom is staitoned with the RCMP.

Year of Progress For Lister WI

LISTER — In a review of the past year's work, Lister-Huscroft Women's Institute at its January meeting learned that great strides had been made.

The sum of $200 was turned in to the Creston Valley Hospital toward a two-bed ward. Members had time to organize an attractive display for the Creston Fall Fair, winning second prize. Four books were bought for Lister-Huscroft elementary school children making most progress during the past term.

Money was raised at a bazaar and chicken suppers. Bags of Christmas treats were given to each child in the area, fruit and vegetables were collected for the Creston Valley Hospital, donations were sent to the Queen Alexandra Solarium, Pennies for Friendship and other organizations.

The Institute also sponsors the local Four-H club.

Committee chairmen named were Mrs. B. Reihl, agriculture; Mrs. C. Millner, social welfare; Mrs. L. McKee, citizenship; Mrs. Z. Hobden, home economics and Mrs. M. Anderson, arts and crafts. Mrs. J. Bird is auditor, and Mrs. N. Mahan Four-H representative.

The sum of $5 was voted to the March of Dimes, and a layette will be given to a local mother.

Nelson Social

PHONE 1844

Ladies' Auxiliary to the Fraternal Order of Eagles held their sewing circle at the home of Mrs. J. Ratkowski, 723 Railway Street. Cohostesses were Mrs. D. Schumaker and Mrs. D. McNabb. The hostess prize was won by Mrs. I. Valentine.

• • •

St. Saviour's Mother's Club held a meeting in Memorial Hall with Mrs. C. E. A. Simonds, Mrs. M. Jeffs, Mrs. F. Phillips and Mrs. F. W. Cartwright tea hostesses.

• • •

J. R. Kemball, accompanied by Bob Wright, left by plane on Wednesday for Vancouver where Mr. Kemball will undergo medical treatment.

NELSON INTEREST IN COAST RITES

Mr. and Mrs. James Eccles, lately of Nelson, have announced the marriage of their daughter, Pherese, and Dr. Joseph Patrick Fleming. The wedding took place in St. Andrew's Cathedral in Victoria.

First Baptism at New Fernie Font

FERNIE — First infant to be baptized at the new baptismal font of the Holy Family Church, Fernie, was Linda Louise Hovind, infant daughter of Mr. and Mrs. George Hovind. The font was recently given to the church by Mrs. A. Klauer, in memory of her husband, A. A. Klauer.

Rev. Father Joseph Barnes officiated at the christening. Godparents of the infant, who was born November 22, 1954, are Mr. and Mrs. Anthony Fiorillo of Fernie. Mrs. Fiorillo took the place of Mrs. Warren Reynolds of Minneapolis, Minn., who was sponsor by proxy.

Dress Up With Marian Martin

SUCCESS STYLE!

STUNNING! SEW-EASY! Your favorite fitted bodice, whirly 8-gore skirt! Sew it with sleeves or as a sundress. Cover up with the cute jacket. This wonderful style has EVERYTHING—to keep you looking oh so lovely!

Pattern 9043: Misses' Sizes 12, 14, 16, 18, 20. Size 16 dress and jacket takes 4 yards 39-inch fabric; 1⅛ yards contrast.

Send THIRTY-FIVE CENTS (35c) in coins (stamps cannot be accepted) for this pattern. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER.

Send your order to MARIAN MARTIN, NDN, 60 Front St., W., Toronto, Ont.

OFFICERS NAMED BY GUIDE GROUP

EDGEWOOD — Mrs. A. DeYaiger was elected president of the Local Girl Guide Association at its annual meeting in the Edgewood Hotel.

The yearly reports were read, with the members being very much surprised at the amount of work which was done in 1954. Plans were made for a Guide and Brownie concert and a bake sale to be held April 1.

Other officers elected were secretary-treasurer Mrs. J. Pender, social conveners Mrs. L. Jordan, Mrs. A. Milne and Mrs. I. Farrer, and badge secretary Mrs. W. Lewtas.

ENJOY KOOTENAY WINTER

KASLO — Mr. and Mrs. E. Wellsby of Burnaby have spent the last three weeks visiting old friends Mr. and Mrs. G. E. McCready of Blaylock. They have left for Calgary to visit their married daughter Jean, after which they will tour Utah, Nevada, California and Mexico, returning by the end of February to Vancouver. The Wellsbys say they have enjoyed the beauty of Kootenay valley in the Winter time.

Retiring President Lauded by Legion LA

Annual reports showing outstanding work during 1954 were given at the monthly meeting of Ladies' Auxiliary to Nelson branch of the Canadian Legion.

Mrs. A. O. Allen, retiring this year as president, thanked members for their support during her three years in office, and asked for continued backing for her successor, Mrs. Norman Brown. She was given a great ovation, and members voiced their appreciation of her leadership.

Mrs. E. S. Elliott presented Mrs. Allen with an engraved past president's pin, and Mrs. Allen installed the new slate of officers.

The officers are Mrs. Allen, past president; Mrs. Brown, president; Mrs. G. E. Thompson, first vice-president; Mrs. P. Shrigley, second vice-president; Mrs. B. Gray, treasurer; Mrs. Peter Markin, secretary; Mrs. Mary DeFerro, sergeant-at-arms; Mrs. Frank Day, Mrs. Fred Castle and Mrs. J. C. Eckmier, executive members, and Mrs. Shrigley, standard bearer.

Committees, which include all Auxiliary members, are Mrs. R. Keffer and Mrs. M. Colman, investigating; Mrs. Castle and a committee of six, finance; Mrs. Markin, house; Mrs. Day, Mrs. Gray and a committee of 12, ways and means; 11 members, social; Mrs. W. H. Burns, membership; Mrs. Eckmier with several conveners of group such as Mrs. Burns and Mrs. DeFerro and others to be named later, catering; Mrs. E. Lawrence, Mrs. E. Gibbon and Mrs. C. Millis, phoning; Mrs. Keffer, layettes; Mrs. Burns, birthday box; Mrs. Gerry Rowe, baby spoons; Mrs. Castle, booster prize; Mrs. J. Serres and Mrs. Colman, Hycroft box; Mrs. Shrigley, standard bearer; Mrs. Thompson, Press and Hospital Auxiliary; Mrs. J. Dawson, hospital visiting; Mrs. Brown and a committee of three, liaison committee; Mrs. Burns, drill team, a new venture; Mrs. H. H. Currie, Kootenay Society for Handicapped Children, and Mrs. Elliott and Mrs. Gray, refreshments.

55 MEMBERS

The annual report of secretary Mrs. Markin showed a membership of 55, an increase of nine. Donations were made to Tranquille, Hycroft, Shaughnessy Military Hospital, the scholarship fund, national disaster fund of the Legion, and a box of gifts went to Hycroft.

The Auxiliary held two bazaars and teas, catered to several events, sent a layette to London, and helped the branch in many fields such as Poppy Day and on Remembrance Day, by attending parades and funerals, and by buying necessities for the Legion kitchen.

It helped the Hospital Auxiliary by collecting wool for blankets, the Hospital Auxiliary donated to the hospitals, by donating blinds and plastic curtains to the hospital. Many members attended every Hospital Auxiliary function.

Delegates were sent to zone and provincial conventions.

Treasurer Mrs. Burns' report showed finances to be in a healthy condition. Ways and means report of Mrs. Day showed an active year and good results.

In hospital visiting, Mrs. Gray said that in 45 weeks members representing a large percentage of total membership made 862 visits and distributed 852 treats.

Commenting on the work, the retiring president said: "This meant devoting many hours to this highly appreciated work, as many hospitalized were from out of town branches and had no other visitors."

Mrs. Ruth McCreight said many cards, flowers, and messages of sympathy or congratulation, had been sent during the year. Birthday cards were sent to all members by Mrs. W. Leslie.

Mrs. Shrigley reported purchase of blinds and curtains for the hospital and a chopper and candelabra for the Legion kitchen.

In monthly reports, Mrs. Gray reported 127 hospital visits and 116 treats distributed by herself and Mrs. Thompson, assisted by Mrs. Eckmier.

Booklets containing new bylaws for the Auxiliary were distributed.

Wynndel Shower Honors Newlyweds

WYNNDEL — A miscellaneous shower was held in the Memorial hall honoring Mr. and Mrs. L. Ringheim, recent newlyweds.

The gift table was decorated with pink, white and blue streamers and wedding bells. L. Abbott, on behalf of the community, presented the young couple with useful household gifts. Court whist was enjoyed, winners being Mrs. C. G. Mulholland and Syd Mosley, and consolation winners being Mrs. J. Wigen and Roy Rhodes.

BACK FROM HOLLAND

EDGEWOOD — Henry Hopp has returned from a six-week visit to his native land of Holland. He returned by air to Montreal and from there flew to Castlegar. He was met in Castlegar by his wife and his son and daughter-in-law, Mr. and Mrs. Bert Hopp.

Boy Wonder of Finance Found Dead In Lavish Fifth Avenue Mansion

NEW YORK (AP) — Financier and draft dodger Serge Rubinstein was found dead Thursday, bound and gagged, in his lavish Fifth Ave. mansion.

Clad in black pajamas, he was lying on his back in his third-floor bedroom.

The room had been ransacked. All drawers in the dresser-section of a built-in wardrobe had been pulled out.

"It was either murder or robbery," said a policeman. "The place was turned upside down."

Rubinstein, 46, was facing deportation proceedings as an undesirable alien. The former "boy wonder" of finance was convicted and imprisoned for draft evasion during the Second World War.

He entered the United States — through Canada — in 1938 as an immigrant on a disputed passport, issued in Shanghai in 1935. He claimed Portugese citizenship.

Rubinstein was the subject of an alleged extortion plot last year. Emanuel Lester, 31, is charged with attempting to extort $535,000 from the financier.

Lester, an alleged automobile salesman, claimed he was merely trying to colect a debt from Rubinstein, against whom he had filed a $760,000 lawsuit.

Lester also is charged with smuggling automobiles here from Canada and selling them with false registration. He is free on bail.

PASSPORT "DISOWNED"

The Russian-born financier frequently was seen at nightspots despite his troubles with the government.

Rubinstein grew up in Stockholm, Vienna, Paris and other European capitals.

He entered the United States in 1938 under the Russian quota but on a Portugese passport. The Portugese government since his "disowned" the passport.

Rubinstein came naturally by his financial wizardry.

His father, Dmitri, was privy counsellor to the czar, financial adviser to the monk Rasputin, and an official of banks in Moscow and St. Petersburg.

Build Huge Stadium

LONDON (Reuters)—A new stadium to hold 150,000 people is to be built at the foot of the Lenin hills, Moscow radio announced Thursday.

The London, England, chamber of commerce, largest in the world, was formed in 1881.

Post Office Clerk On Wanted List

OTTAWA (CP)—John Keith MacDonald, 46, post office clerk sought in connection with $44,500 missing from the post office at Britannia Beach, B. C., has been added to the RCMP's list of most-wanted fugitives.

The RCMP, announcing his listing Thursday, said MacDonald had worked at the post office under the name of John Clelland Wallace Black. He disappeared last Dec. 16, the night before a registered mail parcel containing $44,500 in small bills was discovered missing.

Identify Body Found in Woods

STE. ANNE DES MONTS, Que. (CP)—A youth whose dismembered body was found Monday hanging from a tree near here was identified by police Thursday as Jean Simoneau, 20-year-old native of Perce, Que. It is believed he had been dead since last Summer.

Two woodsmen found the youth's skull and torso hanging from a tree by a leather belt near this Gaspe peninsula town, 300 miles east of Quebec City.

FIND SUITCASE

Police uncovered legs, arms and part of the spine buried in snow. With them was a suitcase containing an unemployment insurance card bearing his identity.

His skeleton was found beside a lonely logging road some 300 feet off the main highway which circles the Gaspe peninsula.

Police said they could not determine immediately the cause of death. Dr. Delphis Miville, district coroner, said he believed the body was dismembered before being hanged.

Oregon Logging At Record High

PORTLAND, Ore. (AP) — Logging in the national forests of Oregon and Washington reached a record high of 2,585,000 board feet last year.

Regional Forester J. Herbert Stone reported this brought in nearly 35 million dollars. The timber harvest was 130 million board feet above the previous high in 1953. Stone said the cutting still was 125 million feet short of the allowable amount.

He said the heaviest logging was in the final quarter of the year, when logs were needed after the summer-long strike. That achieved a record for the quarter of more than a billion feet.

Coast Specialist Wins Tax Appeal

OTTAWA (CP) — A Vancouver skin specialist, Dr. Ben Kanee, today won an appeal from an income tax assessment against $2000 he spent on treatment in the United States for his young daughter.

The income tax appeal board ruled against the income tax branch which argued the money was spent for education rather than for physical treatment.

The appeal covered the 1952 tax year in which Dr. Kanee claimed exemptions, as he had done successfully in the previous year, on $2000 paid for treatment on his daughter in the Central Institute for the Deaf, a part of the medical school of Washington University, St. Louis, Mo.

Color Bars Lowered

BISMARCK, N.D. (AP) — The North Dakota House of Representatives this week voted 75 to 32 in favor of a bill repealing a 1909 statue forbidding marriages of Negroes and whites.

Northwest Corp. To Serve Boundary Towns

SPOKANE, Wash. (AP) — The Pacific Northwest Pipeline Corp. plans to pipe natural gas to "every city, town and industry within economic reach of our pipeline," says the chairman of the firm's board.

Ray C. Fish of Houston, Texas, said in a telephone interview his company will serve the Columbia Basin in Washington, the Coeur d'Alene mining district and Lewiston area of Idaho, the Metaline mining district of Northeastern Washington and areas in Southeastern British Columbia.

Fish said he was certain the Federal Power Commission will grant a permit to import Canadian natural gas, after which the firm will seek franchises in Eastern Washington and Northern Idaho counties.

Business Spotlight . . .

Canada's Pulp On World Market

MONTREAL (CP) — Canadian chemical pulp production set a record in 1954, C. M. Matheson of Montreal, chairman of the chemical pulp section of the Canadian Pulp and Paper Association, reported Thursday.

Speaking to the association's annual meeting here, Mr. Matheson said chemical pulp production exceeded 4,000,000 tons for the first time in the history of the industry.

All grades of pulp contributed to the increase, he said, but largest increases were in bleached sulphite paper grades and bleached sulphate.

The increasing importance of Canadian pulps in world markets was shown by overseas shipments some 43 per cent greater than in 1953. However, shipments of market pulp to the United States were only moderately higher.

SEES STRONG DEMAND

Mr. Matheson said a continuing strong demand in most grades of chemical woodpulp is indicated for 1955. He said that while future comparisons still have to be against the high levels already established, it appears the long-term trend will be upward.

Further demands from overseas markets should result from a relaxation of trade barriers and the freeing of international currencies, Mr. Matheson said. He said that this, coupled with a buoyant demand in North America, should provide Canadian pulp producers with a favorable outlook for some time to come.

Rob Driver of Taxi and Cash

VANCOUVER (CP)—Taxi driver John William Coltman was robbed of $15 and his cab here Thursday by two men.

Coltman told police he picked the men up in the Kerrisdale district and was driving them to English Bay when one of them jabbed a gun in his back and ordered him out of the taxi.

He gave the men $15 and some silver, and they gave him back the silver, then drove away in the cab.

Police recovered the stolen taxi.

DETROIT (AP)—A $250,000 gift from the Ford Motor Co. fund to the 1955 Crusade for Freedom was announced by Henry Ford II, president of the Ford Motor Co. The money will go to support Radio Free Europe in its year-round campaign to carry the message of the Free World to people in Iron Curtain countries.

Shen Primes Nehru On Formosa Threat

NEW DELHI (AP)—Shen Chien, Red Chinese charge d'affaires, conferred with Prime Minister Nehru Thursday to deliver what informed sources described as a briefing on Formosa from Chinese Premier Chou En-lai.

These sources said the meeting was called at "Chou En-lai's initiative" to acquaint Nehru with the Red Chinese point of view before Nehru leaves for London Friday to attend the Commonwealth prime ministers conference.

Accept Montreal Firm's Bid for Iroquois Lock

OTTAWA (CP)—The St. Lawrence Seaway Authority has accepted the joint $6,470,000 bid of two Montreal companies for the immediate construction of a canal and lock at Iroquois, Ont., in the International rapids section of the St. Lawrence river.

Hon. Lionel Chevrier, seaway authority president, Thursday announced that of 11 bids submitted, the one accepted was the lowest, that of Pentagon Construction Co., Ltd., and Iroquois Construction Ltd. The work is to be completed by Nov. 30, 1957.

The proposed lock will be 768 feet long and 80 feet wide, with a depth of 30 feet and an approach channel depth of 27 feet at all river stages.

Northern Construction Co. and J. W. Stewart Ltd., Vancouver, came close to matching the winning bid. It submitted one for $6,543,373.

Among the other losing bids were several United States tenders.

Seattle Expects Canadians Feb. 3

OTTAWA (CP)—The final draft of Canadian troops being sent home from Korea will reach Seattle by ship Feb. 3, army headquarters announced Thursday. The draft includes 150 members of No. 42 Infantry Workshop, RCEME, who remained behind to service vehicles when the 25th Infantry Brigade was reduced by two-thirds after the armistice.

Jupiter, the largest planet, has a volume more than 1000 times that of earth but of less density.

Kemano Power Plant Failure May Halt Kitimat Work for Two Weeks

KITIMAT, B. C. (CP)—A two-week suspension in operations loomed for the giant Aluminum Company of Canada plant here Thursday as the operation approached its 24th hour without electricity.

The power, brought over a mountain range from nearby Kemano, failed a few minutes before noon Wednesday.

A helicopter started the long job of tracking down the break, but heavy clouds closed in and forced a halt to the plan.

A Kitimat resident, reached after the millions of horsepower stopped flowing into the giant operation, said the failure was "a serious thing for the plant, and will probably mean a two-week halt."

The extra time consumed in resuming operations is taken up with chipping the "frozen" metal from the vast buckets, and gradually reheating the delicate furnaces.

A foot-party began a dangerous hike into the fog-shrouded peaks today, armed with snowshoes and two-way radios.

wasn't in operation until 7:30 Wed-

The auxiliary power unit, which nesday night, supplies only enough power for the northern town's domestic uses.

Telegraph and telephone lines connecting the town to Vancouver, 500 miles south, failed Wednesday afternoon, and were not restored until Thursday morning.

HE QUITS

CRAWLEY, England (CP) — Because a bus stop was moved 300 yards, 89-year-old nurseryman Bill Mills resigned after 72 years' service. Bill says he "just can't stand the extra walk."

Drama Festival Fo Grand Forks In May

GRAND FORKS — A Gr Forks drama group known as " Singers and Players" will spon the South Okanagan drama fest in Grand Forks May 6 and 7.

Groups are expected from K owna, Naramata, Summerland, P ticton, Princeton, Keremeos and iver. Local chairman of the fest committee is D. L. Feir. The reac committee of the Singers and P ers is busy selecting a play wh William J. Zoellner will direct entry in this festival. Last year festival was held in Kelowna.

All Monarch Mixes are guaranteed to give you the best "home-made" you've ever made.

WIN A SUNBEAM MIXMASTER JUNIOR

IN THIS NEW, EASY "WHO WAS THE MONARCH" CONTEST

50 SUNBEAM MIXMASTER JUNIORS TO BE WON THIS MONTH! CLOSING DATE JANUARY 31st

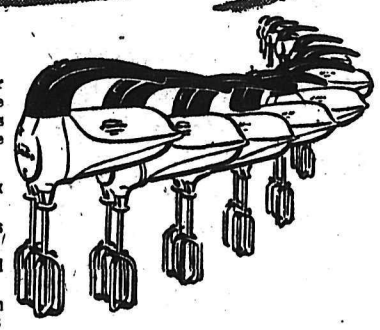
Don't miss this grand opportunity to win a Sunbeam Mixmaster Junior—It mixes, whips, beats, stirs, blends and folds! The correct-mixing speed for every mixing need is instantly selected by thumb-tip control.

Easy to clean, the Sunbeam Mixmaster Junior has large beaters for producing greater volume in less time—light in weight for easy handling. This month, fifty of these superior food mixers must be won by users of Monarch Mixes. Be one of the winners. Enter this easy contest to-day!

It's fun to enter!

HERE'S HOW! Write on plain paper your name and address and the answers to these four questions about Kings and Queens of the English Monarchy:

1. Who was the English Monarch that had six wives?
2. Who was the English Monarch that was crowned on June 2nd 1953?
3. Who was the English Monarch that signed the Magna Carta?
4. Who was the English Monarch for whom Sir Walter Raleigh reputedly laid down his cloak?



Mail your entry to "Monarch Contest", Box 598, Vancouver, B.C.

CONTEST RULES

1. *Each entry must be accompanied by the top half of the front panel from any Monarch Mix package.*
2. *Entries must be postmarked no later than midnight January 31st, 1955.*
3. *Prizewinners will be the first fifty correct entries opened after the contest closes and will be notified by mail within 14 days after closing date, and a list of prizewinners will appear in this paper.*
4. *This contest is limited to residents of British Columbia.*
5. *Employees of Maple Leaf Milling Co., Ltd., its advertising agency and their families are ineligible.*

SPORTS

Midway, Oliver, Forks Rinks Win at Spiel

GRAND FORKS — This time every year, the bonspiel craze spreads a fervor that will not subside till long after the last rocks are thrown and trophies presented.

Twenty-four rinks, 15 local and nine from Greenwood, Midway, Oliver and Osoyoos competed in three competitions lasting over three days.

Grand Forks Merchants' Competition was won by the Midway rink of Roy Hallstrom with Joe Fukui third, Seiji Onizuka second and Tim Hadikin lead, against Jack Acres' rink with Herb Heaven third, Doug Feir second and Constable Wilf Emde lead.

The powerful Coughlin rink of Oliver again copped the silverware in a close final against the Dawson rink of Osoyoos. Mrs. Ida Scott presented the Norris-Scott trophy to Skip E. J. Coughlin and plaques to be inscribed for S. R. Taylor, B. Rashenburger and G. J. Bufort as symbol of their victory.

C. Dawson's rink was skipped by Ross Echlin for this event and players were Russell Rattery and Ab Smith.

The Grand Forks Trophy, emblematic of championship for 44 years, was won by Jack Buck's rink of Grand Forks. George Chahley was third, Klaus Scheer second and Hans Lodder lead, in the finals against Ed Hendry's rink from Greenwood with Art Taylor third, Ticky Higashi second and Walter Cox lead.

Presentation was made by Mrs. Jack Acres, president of the Ladies' Curling Club.

Skips were Art Morrison, Dr. D. A. Perley, Jack Buck, Fraser Carmichael, Nick Dergousoff, Tom Williamson, W. E. Brown, Harold Bailey, Jack Mathers, Alfred Downey, Stan Peterson, Oscar Pennoyer, Herb Clark, Elmer Scott, Jack Acres, all of Grand Forks; Emery Deutsch, Christina Lake, Gordon McMynn and Roy Hallstrom, Midway; Dodo MacLean, Ed Hendry, Glen Weatherly and Jim Forshaw, Greenwood; C. Dawson, Ross Echlin, Osoyoos and E. J. Coughlin, Oliver.

Responsible in making the draws was the Bonspiel committee comprised of Herb Clark, chairman, Oscar Pennoyer, J. A. Labron and Laurie Lichty.

Ted Reynolds is president, Jack Acres, vice-president, and W. E. Brown, secretary-treasurer of the Curling Club, who acted as ex-officios.

The curlers' banquet was held Saturday night in the Odd Fellows' Hall which was attended by nearly 100. Caterers were the Canadian Legion Ladies' Auxiliary.

The Consolation event will continue pending on ice conditions.

General manager William Shukin of Kootenay Forest Products Ltd. presenting the Forest Products Cup to Milt Ryalls' rink, winners of the latest Nelson Curling Club competition. Other members of the rink are Stan Jeffreys, Don Elder and Lefty White.—Vogue photo.

Kimberley Hopes For Golden Gloves Entries at Coast

KIMBERLEY — The Kimberley Amateur Boxing Club hope to have entries in the Vancouver Golden Gloves in March, reports Herb Stanton, boxing commissioner for the East Kootenay and president of the club.

It is also expected Fernie will have an entry for the first time as there are several good fighters in that district.

Boxing fans throughout the Kootenays will remember Jack Butula of Kimberley who in 1952 defeated Reggie Chartrand for the Dominion title. The same Chartrand has now turned professional and has won his last 30 fights without a loss. He will fight a title match in Montreal this month.

W.K. LACROSSE LEAGUE HEADS MEET SUNDAY

The annual meeting of the West Kootenay Lacrosse League will be held in Rossland Sunday afternoon.

It is anticipated a discussion of a four team league will take place. Nelson has expressed desire to re-enter the league which last season comprised Trail, Rossland and Spokane clubs.

An election of officers for the coming season will also take place.

Avery Top Threat For B.C. Title

VANCOUVER (CP) — Frank Avery of the Vancouver Curling Club, will be one of the top threats at the provincial championships in Kamloops on Feb. 7, when his and two other rinks represent the lower mainland in the try for the title. Clair Miller's Capilano Winter Curling Club delegation and the Clarence Larson group from Chilliwack will accompany Avery and his crew.

Slocan City Gets Even With Queens

SLOCAN CITY — The Slocan City hockey team made a decisive comeback in their second encounter with the Nelson Queens by downing the visiting team 9-5. Playing their second game on Slocan City ice, the visitors found the tables turned by what seemed to them a different team from the club they out-played 13-4 a week earlier.

Boates, combining first with Nedelec and then with Morgan, came through with two neat goals early in the opening frame to set the Queens off to a good start; Leschuk adding one for good measure on a combination from Hufty and Benedetti; while J. Hicks and Sutherland answered with one each for the home team.

The tide turned early in the second stanza with D. Hicks beating Freno on a relay from Storgard and Sutherland to tie the game. William Hicks then came through with two in a row to balance off singletons by Nelson's Nedelec and Morgan, the period ending with both clubs on even terms.

The home team rolled into the final session like a house on fire, with Hicks, McLeod, J. Hicks and Sutherland each finding the mark, while the Nelson club pressed hard but were unable to retaliate with a single shot that could find its way past Benny Lister, who along with Nelson's goalie W. Freno gave an outstanding display.

Fans Witness Rare Penalty Shot As Leafs Down Smokies 7-3

The Nelson Maple Leafs, with their sights set on aiding the dime-a-goal campaign, rapped home seven goals Thursday in downing the Smoke Eaters 7-3 in a game which featured the first penalty shot in many a game on Nelson ice.

Nearing the end of the first frame, Don Fletcher, Smokies' defenceman, sprawled on top of the puck in the Trail goal crease with Seth Martin out of position. Referee Johnny Lang made no bones about calling the penalty shot. Bruce Carmichael took it, but was foiled by a great close-in save by Martin.

A good mid-week crowd witnessed a fast, close-checking game that saw both sides come close on numerous occasions only to have both Martin and Ray Mikulan in the Leaf cage come up with sparkling saves.

* * *

	P	W	L	T	F	A	Pts.
Kimberley	28	16	11	1	124	108	37.45
Nelson	38	18	18	2	171	145	35.43
Trail	37	15	20	2	157	178	30.93
Spokane	31	13	17	1	121	142	28.35

* * *

The Leafs got away to an early two-goal lead, but the determined Smokies—playing only 12 men as the Heindl brothers failed to dress for the game—put on a desperate bid to even the score. Just before the bell Ray Kinasewich picked up his 26th goal of the campaign to give the Leafs the edge.

TWO FOR HALDANE

Bill Haldane, who with Kinasewich collected two goals, counted the only marker of the second on a play with Lee Hyssop. Hyssop again starred for the Leafs, setting up beautiful plays all evening.

Play in the middle canto roughened as the checking became closer. At the 15:00 mark Ray Mikulan found himself a busy boy. The Smokies swept in and kept him hopping from one side of the net to the other, but the rookie managed to keep his citadel clear.

The final was a case fo too much Leafs and not enough Smokies as the wind was taken from the visitors' sails. Hard-working Moe Young, who again was called upon to play most of the game, finally had to give up as the Leafs skated him into the ice.

Young, early in the game handed out a stiff bodycheck to Red Koehle, who left the ice and did not reappear.

Twice in this frame referee Lang chased two men to the box at one time as tempers frayed under the fast pace set by the players. Nine penalties were called, the Leafs taking five.

Ice Chips:

The penalty shot was the second of the season. Bud Andrews of Trail missed a goal in Kimberley early in the season on a free shot . . . Three stars. Lee Hyssop, Ray Kinasewich and Moe Young . . . Syd White was outstanding on the blue line for the Leafs . . . Gil Desrosiers was equally as good with Moe Young as he gave Mikulan trouble on several hard drives . . . Bill Haldane scored what proved to be the winning goal.

Lineups:

Trail — Goal, Martin; defence, Hamilton, Cook, Fletcher; forwards, Young, Kromm, Kuzma, Desrosiers, Andrews, McTeer, Trentini, Penner.

Nelson—Goal, Mikulan; defence, White, McGregor, Parker, Lofvendahl; forwards, Hyssop, Haldane, R. Koehle, F. Koehle, Keller, McDonald, Carmichael, Bell, Kinasewich, Jeffrey.

SUMMARY

First period—1. Nelson, Bell (Kinasewich) 5:50; 2. Nelson, Kinasewich (Lofvendahl- 11:56; 3. Trail, McTeer (Desrosiers, Kuzma) 12:43; 4. Trail, Andrews (Kromm) 14:59; 5. Nelsno, Kinasewich (Bell, Jeffrey) 19:50.

Penalties—Fletcher 2, McDonald.

Second period—6. Nelson, Haldane (Hyssop, Lofvendahl) 4:54.

Penalty—Lofvendahl.

Third period—7. Trail, Andrews (Kromm) 4:51; 8. Nelson, White (Hyssop, Carmcihael) 6:08; 9. Nelson, Jeffrey (Bell) 6:25; 10. Nelson, Haldane (Lofvendahl) 16:57.

Penalties—Jeffrey, Parker, Trentini, Kromm, Lofvendahl.

Lindsay May Serve Suspension

NEW YORK (CP)—The board of governors of the National Hockey League ruled Thursday that Ted Lindsay must serve his 10-day suspension for slugging a fan with his hockey stick during a rinkside scuffle in a game at Toronto last Saturday night.

The governors also instructed NHL president Clarence Campbell to draft rules forbidding players from "intentionally interfering" with spectators. And fans who interfere with players "will be promptly ejected" from the arena, the governors said.

The governors met to hear Detroit's appeal against the suspension which Campbell slapped on Linlsay Tuesday. The Red Wings felt it was too stiff.

The governors issued the following statement:

"The decision of the president was upheld. The governors declared their intentions to see that the players do not intentionally interfere with spectators who interfere with players will be promptly ejected.

"The president was instructed to prepare all necessary regulations to give effect to this policy."

At the meeting were Conn Smythe, Toronto; Walter Brown, Boston; Jim Norris, Chicago; Gen. John Reed Kilpatrick, New York; Bruce and Marguerite Norris, Detroit; and Frank Selke, Montreal.

MARCIANO IS MAN OF YEAR

NEW YORK (AP) — Heavyweight champion Rocky Marciano Thursday received the "man of the year in sports" award from Sport magazine for his combined talents as fighting man and sportsman.

Marciano was praised by Gene Tunney, former heavyweight champ; Julius Helfand, chairman of the New York State athletic commission; Harry Markson, managing director of the International Boxing Club; Al Weill, his manager, and Nat Fleischer, president of the Boxing Writers Association.

Tunney said he ranked Marciano among the three or four heavyweights "in the great tradition" of the ring.

NHL LEADERS

By THE CANADIAN PRESS

Standing: Montreal, won 28, lost 12, tied 8; points, 64.

Points: Beliveau, Montreal, 54.

Goals: Beliveau, 28.

Assists: Olmstead, Montreal, 34.

Shutouts: Sawchuk, Detroit, 10.

Penalties: Evans, New York, 91.

Rangers Tie Wings on Vic Howe's 35-Ft. Goal

By The Canadian Press

Vic Howe gave his big brother Gordie Howe a scoring lesson Thursday night, shipping in a 35-foot goal in the third period to give New York Rangers a 3-3 National Hockey League tie with Detroit Red Wings.

While Vic connected with the key goal of the game at Detroit, his brother Gordie, high-scoring right winger of the second-place Red Wings, drew a blank.

The young Howe, playing his 13th game in the NHL, capped a New York comeback by beating goalie Terry Sawchuk with a screen shot. Two minutes earlier, Danny Lewicki had fired the Rangers' second goal, a 40-foot screen shot and his 22nd marker of the season.

The Red Wings took a 3-1 lead during the first two periods on goals by Bill Dineen, Glenn Skov and Dutch Reibel. Skov's goal was a gift as Rangers defenceman Harry Howell knocked the puck into his own net.

Pete Conacher fired the first New York goal in the opener.

BOSTON WHIPS HAWKS

Boston left winger Lorne Ferguson scored three goals as the Bruins whacked the last-place Chicago Black Hawks 5-2 in a game at Boston.

Ferguson's third tally came at 19:26 of the third period after the Black Hawks had rallied for two quick scores in the late stages.

Ferguson scored his first from only five feet away early in the second period. Later in the same stanza he hit a 15-footer. Sandwiched between these two goals was one by Boston's Real Chevrefils, a drive from the right side.

Fernie Flaman tallied for the Bruins early in the finale with a 50-foot drive. It was after that goal that Chicago came to life with a counter by Red Sullivan and another by Allan Stanley.

V'S HALFWAY ACROSS ATLANTIC

PENTICTON, B. C. (CP) — The Vs, Penticton's Allan Cup hockey champions, Thursday were halfway across the Atlantic without leaving home.

An aircraft, symbolizing the one which will carry them to Germany for the world championship event next month, is moved across the map as their travel fund climbs.

Of the $15,000 needed, nearly $11,000 has been realized. The fund received a boost Wednesday when the players themselves threw in $1,000. Another $5 came from an Atchison, Kansas, fan; G. S. Dudley, secretary-manager of the Canadian Amateur Hockey Association, donated a personal $50.

When the fund hits $13,600, the plane will be over dry land at Shannon, Ireland. Fund chairman Jack Tetley says that will be within a few days.

Nelson Rinks Praise Trail 'Spiel Handling

Although they only copped one of the four representative spots in the zone playdowns in Trail the five Nelson entries gave a good account of themselves.

Returning home they had nothing but praise for the ice conditions, handling of the draw and the exceptional good fellowship among all rinks competing and Trail curling fans.

It was interesting to note that R. Maurer and Jim Harvey both gave Reg Stone close games before bouncing out and Dick Palmer forced both the Scotty Ross and T. D'Amour rinks to go all the way before admitting defeat.

The M. B. Ryalls rink was down 7-0 in the fifth end of the final game before they dug their heels in and fought back to emerge victors over Pete McIntyre 10-9. That gave them a spot in the provincial 'spiel to be held in Kamloops.

It is possible the 7 a.m. practice sessions helped the Ryalls rink. At any rate they are continuing the workouts.

The Len Peerless rink was drawn against Scotty Ross. The boys did well and feel the inter-city curling did much to help the game in both centres.

Especially noticeable was the hum of curling activity at all times, mixed rinks, nurses, teachers and zone games all going at once.

Fernie Rangers Down Coal Kings

FERNIE — Fernie Rangers defeated Michel-Natal Coal Kings 11-6 in Fernie Tuesday night in an Alberta-British Columbia Hockey League game. The game was hard fought with neither team giving any quarter. The referees handed out 16 penalties, nine to Michel and seven to Fernie.

Stanley Oleshko, a juvenile, playing his first game for Fernie, scored twice and obtained two assists. Joe Bossio got three goals and three assists. Wilf Ashmore was credited with five scoring points on two goals and three assists. Other Fernie scorers were Doug Brewer, Patsy Caravetta, Vic Marasco and Joe DeGeorgio, one each.

For Michel Tilio Fabro scored three goals and got an assist. Marvin Thewlis, Ben Serafini and Renoe Fabro scored the others.

The win gave Fernie a six won, four loss record in league play.

Top Fighters Sign

VANCOUVER (CP) — The entry list was filling up Thursday for the Diamond Belts boxing tournament here Friday and Saturday, with top fighters from coast to coast scheduled to appear.

In the 165-pound division, Gordon Riddell of Edmonton, former Canadian champion, is scheduled to take part. The tournament is sponsored by the Vancouver Sun.

Duval Rink Wins Mixed Curling

J. Duval and his foursome captured first place honors in the second mixed spiel at the Canadian Ex.

Fifteen rinks, seven from Salmo, competed. The Duval rink was forced to play an extra end before dropping D. Parsons from play.

D. MacDonald squeezed out a win from R. Stevens to capture the secondary event.

Personnel of the winning rink was J. Duval, B. Duval, R. Chenoweith and A. Chenoweith.

Playing for D. MacDonald were L. MacDonald, T. Smith and E. Smith.

SKI HILL STILL IN GOOD SHAPE

Skiing will continue to be one of the favorite pastimes of over 100 enthusiasts this weekend. The hill is in good shape at the golf course.

Although there is a lack of snow on the upper part of the slope the condition lower down is perfect.

The tow has been busy the past few weekends as many skiers have taken to the slopes for a day of recreation.

Over 100 were on hand last weekend and it is hoped as many or more will turn out Sunday.

Canadiens Tie Bantam Hawks

The last-place Canadiens, playing one of their better games in the Bantam League, came through with a 4-all tie against the top-place Hawks at the Civic Wednesday afternoon.

Highlight of the contest was the last period rally of the Canadiens as they came from behind, 4-2, to tie it up in the last minute of play. They pulled their goalie, Jorgenson, out for an extra forward to salvage a point for their league standing.

The Hawks led 3-1 at the end of the first period. Each team scored once in the sandwich session and then in the third the Canadiens scored twice to even things up. Lang, Smith, Pederson and Abrahamson scored for the Hawks, with Wilson and Erwin getting assists. Dubreviele with two goals and Nielson and Paterson with one each were Canadiens scorers. Nielson and Sjoberg gained assists. The Hawks drew the only penalty of the game meted out by Referees Wayne Farenholtz and Don Porteous.

NEW YORK (AP)—As a reward for his extraordinary pinch-hitting exploits during the season and in the world series, Dusty Rhodes recieved a "nice" raise from New York Giants.

The Giants, in announcing Thursday the reserve outfielder's acceptance of terms for 1955, did not disclose figures but it was believed that he was given $15,000, a boost of about $5000.

The icy-nerved clutch hitter broke 10 world series records and tied two others with his feats against Cleveland.

Lions Won't Give Up U. S. Pros Under Contract

VANCOUVER (CP)—British Columbia Lions, who won a game in the Western Interprovincial Football Union last year, announced Thursday they would not give back the United States pros already under contract this year.

Return of any United States professionals recently signed by Canadian teams has been made a condition for any cease fire between the U.S. National Football League and Canadian teams.

The condition, stipulated by NFL president Bert Bell, has been turned down by Toronto Argonauts of the Big Four, who said they would leave the league and play "elsewhere" rather than agree to such terms.

"We won't give back pros we've signed no matter what peace the WIFU and Bell make," Lions' coach Annis Stukus said. "If necessary, we'll play the Argos all season long."

President Don Mackenzie backed up his coach.

Lions, in their first season last year, battled with the NFL in signing several top U.S. players, some of whom were under previous contract to NFL clubs, notable among these were Arnie Weinmeister and Al Pollard.

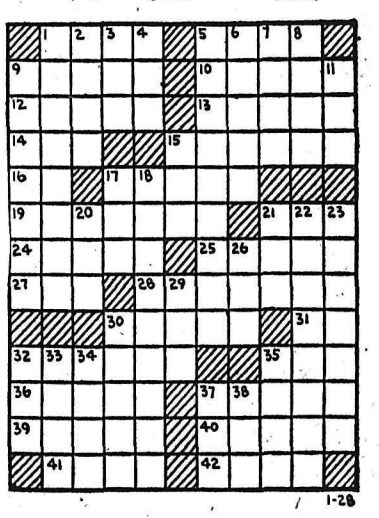
Yesterday's Answer



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

V W K P K G S S C G Q H G D W R W A A W D
A T G K A T W Q H W W V — W V W D H E K.

Yesterday's Cryptoquote: A THING OF BEAUTY IS A JOY FOR EVER: ITS LOVELINESS INCREASES—KEATS.

For
YOUNG WOMEN
Formal Training
and
Career
Opportunities
in Nursing

The Canadian Army now offers you training as Nursing Assistants, covering such subjects as physiology, anatomy, nursing procedures, care and treatment of the sick. After your training, you will work in one of the military hospitals across Canada or in Europe. Female Nursing Assistants, if in good standing towards end of first year of service, become eligible to qualify as Certified Nursing Assistants. You receive the same pay, pension rights, leave and other benefits that are given to men in the Canadian Army.

Classes are being held at Camp Borden, Ontario.

If you are 19 to 29, single, have grade 10 or the equivalent, write to the Command Headquarters, Personnel Depot, or Recruiting Station nearest your home.

PUBLIC NOTICE

SHERIFF'S SALE

Under and by virtue of a Warrant of Execution issued out of the County Court of West Kootenay, holden at Rossland, and dated the 11th day of March, 1954, wherein John Laktin and Sam Postnikoff carrying on business under the firm name and style of Belford Motors are Plaintiffs and Pete Chernenkoff is Defendant, I have seized and offer for sale by tender all the right title and interest of the Defendant in the following described chattels:
1 — 1937 Dodge Coupe, Serial 9473232.

Written offers will be received by the undersigned up to 4:00 p.m., Monday the 7th day of February, 1955.

Terms of Sale — Cash.

The highest or any offer not necessarily accepted.

This vehicle may be seen at Belford Motors, Kinnaird, B.C.

THOMAS G. C. FOX,
Sheriff for South Kootenay,
Courthouse, Nelson, B. C.

AUCTION SALE

TIMBER SALE X65485

There will be offered for sale at Public Auction, at 10:30 a.m., on Monday, February 21st, 1955, in the office of the Forest Ranger, Edgewood, B. C., the Licence X65485, to cut 1,412,000 Cubic Feet of Spruce, Fir, Lodgepole, Balsam, Larch, White Pine and Cedar, on an area covering Vacant Crown Land adjoining the West boundary of Lot 4793 situated at the confluence of Stove Creek and Kettle River, Similkameen Division of Yale Land District.

Seven (7) years will be allowed for removal of timber.

Provided anyone unable to attend the auction in person may submit tender to be opened at the hour of auction and treated as one bid.

Further particulars may be obtained from the Deputy Minister of Forests, Victoria, B. C., or the District Forester, Nelson, B. C.

CBA Told Horse And Buggy Days Rule Law Courts

CALGARY (CP) — The president of the Canadian Bar Association said Thursday that Supreme and district court judges are underpaid and overworked in a judicial system dating from "horse and buggy days".

W. Park Jamieson of Sarnia, Ont., said that until the current situation in which "judges at all levels are grossly underpaid" is rectified, Canada will have difficulty attracting to the Bench the brilliant lawyers needed.

Addressing the annual meeting of the CBA's Alberta section, he also termed as not realistic the division of judges into Supreme and district courts, and suggested there should be only "one court, with all judges appointed to it."

Each judge would be employed according to his ability, the area administered and the problems pertaining to the area.

Mr. Jamies added:

"What we need in Canada is some appropriate and proper body to consider the situation across Canada and make recommendations for the good of the public generally and the administration of justice."

Bank of England Ups Interest

LONDON (AP) — The Bank of England raised its interest rate today from three to 3½ per cent. This means that persons who want to borrow money will have to pay more interest.

The Bank of England is the central clearing house for all banking transactions in Great Britain, and its lead is usually followed by other British financial institutions.

The action is seen as an effort to check what has been termed a "gentle inflation."

It was the first increase in the bank rate in almost three years, Prime Minister Churchill's government having reduced the rate twice from its post-war high of four per cent, reached in 1952.

Radioactive Materials Carried to Undertaker's by Chalk River Body

By FRANK CAREY

WASHINGTON (AP)—An undertaker's establishment had to be decontaminated of radioactive materials carried in the body of a worker killed in a Canadian atomic plant accident, a doctor on the project reports.

Dr. Robert M. Taylor, medical chief of the Canadian project at Chalk River, Ont., said the man was killed instantly by flying debris following the "chemical explosion of a solution containing radioactive fission products." The incident occurred four years ago but this was the first report on it.

SOLE ATOM DEATH

Dr. Taylor said the man's body was contaminated by the radioactive materials, and that while all accessible material was removed before the body was taken away from the plant, "after the body was taken to an undertaking establishment and perpared for burial it was necessary to decontaminate the establishment."

Taylor told a reporter this was the only death even indirectly associated with work on atomic materials which has occurred since Canada's atomic program was launched during the Second World War.

Various scientists and consultants of the U. S. Atomic Energy Commission told the conference it was inconcievable that any form of major accident-involving release of atomic materials to surrounding communities — could occur in reactors of the type envisioned for use in furnishing industrial power.

Market Tends

NEW YORK (AP) — The stock market hesitated under profit-taking, but managed to forge ahead, with only a few areas of weakness persisting.

Gains were generally posted by Canadian issues. International Nickel was up 1⅜. Canadian Pacific ½, and Dome Mines ⅛. Hiram Walker was off ½.

TORONTO (CP) — Base metals soared for the best climb in two months on the stock exchange amid rumors of an impending increase in the price of copper.

International Nickel was ahead $1.37½ to $59.37½ at 2 p.m. Noranda was up $1.50 to a 1954-55 high of $84, Hudson Bay $1, Quemont and Falconbridge major fractions.

MONTREAL (CP) — Prices were irregularly stronger in active trading.

Hudson Bay and International Nickel improved a point, while Algoma and International Paper were ¾ higher. Half-point gains were posted by Price, Power Corporation and Noranda.

LONDON (Reuters)—The rise in the bank rate from 3 to 3½ per cent had little effect on the London stock market. Gilt-edged stocks eased slightly prior to the announcement, but then most rallied to around overnight levels.

Canadian Pacific was a firm spot in rails, and International Nickel showed a good gain.

Calgary Livestock

CALGARY (CP) — Trade on the livestock market Thursday was generally lower than earlier in the week.

Receipts were mainly butcher steers, heifers and cows, with 1668 cattle and calves o notter, including 720 head held over. Replacement cattle in short supply.

Choice steers and good cows about 25 cents or more lower; choice heifers unevenly lower to 50 cents higher; one lot of choice 900-pound heifers $17.70; bulls steady.

Choice steers $19.25 to $20.25; good $17.25 to $19; medium $17 to $18; common $14 to $16.75.

Choice heifers $16.25 to $16.50; good $15.25 to $16; medium $14 to $15; common $12 to $13.75.

Good cows $9.50 to $10; medium $9 to $9.25; common $8.25 to $9; canners and cutters $5 to $8.

Good bulls $10.50 to $11.50; common to medium $8 to $10.

Few stocker and feeder cattle on offer; good kinds meeting ready sales at steady prices; good feeder steers $16 to $17; good stock steers $15 to $16; common to medium $12 to $14.50; good stock steer calves $14 to $16.50.

The few veal calves on offer about steady; good to choice veal $19 to $22; common to medium $14 to $18.50.

Hogs closed 50 cents lower Wednesday at $23.50 A grade; no sows sold Wednesday; last sales Tuesday $14.50 liveweight.

Good lambs steady at $17 to $18.25.

UTAH (AP)—A tremendous explosion reverberated across Utah's western desert recently sending a black cloud of smoke high in the air. Five thousand pounds of obsolete bombs were blown up by army and air force personnel.

Mortgages Take High Place in New Insurances

TORONTO (CP) — E. C. Gill, president of Canada Life Assurance Campony, said Thursday 1955 may well be a greater year than 1954 in Canada and the United States, and may top the record year 1953.

In the United Kingdom great encouragement was taken from the steadily expanding economies of all Western European countries, and the momentum generated would probably produce new highs.

In Canada and the United States life insurance in force was by far the highest in the world. The most significant change in the company's lending portfolio, said Mr. Gill, is increased emphasis on mortgage lending. Including operations under the new National Housing Act, Canada Life placed mortgages of over $53,000,000 compared with $30,000,000 in 1953. Mortgages now represented 33.5 per cent of total invested assets, or $157,000,000.

New business in 1954 totalled $267,000,000 to bring business in force to $2,137,000,000.
