Vol. 55 NELSON, B. C., CANADA—THURSDAY MORNING, MAY 17, 1956 Not More Than 6c Daily, 10c Saturday No. 22

PROVINCIAL LIBRARY PARLIAMENT BUILDING VICTORIA B.C. 24 31 Dec 56

Castlegar Takes Lead in Festival

Castlegar took the lead in the inter-city competition Wednesday in the third day of the 23rd annual Kootenay Musical Festival. Castlegar was leading with an average of 87.7.

In second place was Trail with an average of 86.6, and Rossland was third with 86.1. Final figures for Nelson, which was leading up until Wednesday morning, were not available Wednesday night.

Two championships—a shield for the intermediate elocution and a cup for intermediate pianoforte—were presented and the varying audience saw a program comprising vocalists, elocutionists, pianists and dancers.

KATHLEEN MOORE

June Killough of Kinnaird, winner of the elocution class in the under-18-years age group, won the Knights of Pythias Trail Shield. She was awarded top honors for her "insight into the poem" . . . the contestant Adjudicator Mrs. Peggy Macfarlane felt that made the "greater" effort.

"Had I been able to pick a second winner, I would have chosen Maureen Lambert of Kinnaird, for her fairylike delicacy, sensitivity and inner feeling of beauty," Miss Macfarlane said.

Other contestants for the shield, all winners in their various classes, were Ronald Kennedy and Robert Schulte, both of Kinnaird, who were tied for first place in the under 15 class; and Elaine Chernoff of Castlegar, Alexandra J. Hanna and Miss Lambert, tied for first in the under 15.

Second championship of the night went to 13-year-old Kathleen Moore of Rossland, who has been a consistent trophy winner in Kootenay festivals. Awarded a high mark of 88 for her playing of "Pranks" by F. Wilson Reade, the young pianist went on to win the intermediate championship, and the McDonald Consolidated Award.

"There should be many more people here listening to this music . . . but it is their loss" Filmer E. Hubble, choral, vocal and instrumental adjudicator commented. Also competing were Donald Graham of Fruitvale; Geraldine Cooper of Rossland and Janice Seafoot of Trail.

For the audience, two highlights of the evening were the lively square dances performed by youngsters from Fruitvale, and the winsome performance of a little Trail ballerina.

Bernice Martin was a "natural ballerina," Mrs. Macfarlane said, with "fine pose, and a graceful body for dancing." Only competitor in her group, she did two diverse dances, a graceful ballet number and a Polish Mazurka.

"Did you notice how those boys could waltz?" the audience captivoting Mrs. Macfarlane asked. She said the dancing, and the boys and girls from Willow Point, were "just wonderful, and their teacher deserved a lot of credit. There children are receiving a great deal of pleasure out of dancing . . . a good, fine entertainment."

Wednesday night was Mrs. Macfarlane's last session at the Kootenay festival. Her ajudications complete, she returns to Vancouver and her teaching today.

Today's program—and that of the rest of the festival—will be all music, with piano and vocal classes scheduled for the morning and afternoon. Operatic selection and folk singing are slated for the evening, when 13-year-old Kathleen Moore of Rossland, intermediate champion, will play a duet with Donna-Faye Haley of Trail, in the 21-years class for concerto for piano and orchestra.

Girls' solo: under 13 years.

Pat Hooker, Nelson, 84, first; Diane Rogers and Georgina Hadden, both of Nelson, second; Vicki Sparkes, Nelson, 82.

Song, "The Little Flower" by William E. Jacquest, was just a "little difficult" for the young voices, Mr. Hubble said before giving his adjudications. "The long, sustained notes, the changes in pitch and technique" required the resources of a 17 or 18-year-old, he said.

There was a "pleasant sound" in the rendition of Pat Hooker, who sang in the lower key. Her song had good shape, and was well controlled.

Other competitors were Isabel Ellard, Creston; Darline Cole, Creston; Lynn Davies, Creston; Sharon Anderson, Creston; Lea-Anna Scott, Nelson, Erna Lukan, Cranbrook; Evelyn Mackinder, Cranbrook; Carol Pfeiffer, Kinnaird; Mona Anderson, Kinnaird; Sheila Wait, Nelson; Sharon Walls, Nelson; Molly Taylor, Kinnaird; Beverley Pinckney, Kinnaird, and Nadeen Perehudoff, Tarrys.

Dancing solo: under 12 years.

Bernice Martin of Trail, 86 and 85. Her first dance, a ballet, was performed with good rhythm, her footwork was neat and tailored, and her points and arabesque were "quite good." The dancer had graceful arm and body movements. "All she needs is more control, which comes only with hard work and time," Miss Macfarlane said.

Her second dance, done with good synchronization of music and movement, was an accurate interpretation of the Polish Mazurka.

Folk Dancing: Open English Waltz and American Square.

Group B, Willow Point, 86 and 87, first; Group A, Willow Point, 86 and 86 and Group C, Willow Point, 87 and 85, tied for second.

All teams did an English Waltz and American Square.

Pianoforte: Under 15 years.

Kathleen Moore, Rossland, 88, first; Carol Dahlstrom, Rossland, 85; Sharon Wilkinson, Trail, 83; Stewart Wallach, South Slocan.

Excellent contrast showed in the winner's playing, with good pace, pulse and excellent contrast. Lyrical sections had "very lovely" tones.

FOLK DANCING—JUNIOR HIGH

Nelson Junior High School, Groups A, B and C.

Three teams joined in "fine teamwork" for the Italian Dance and were awarded 88 marks.

For the American Square Group A, with their "lovely rhythm maintained throughout" were given 87 marks; Group C, 86 and Group B, 85.

Signing of Two-Year Contract Wipes Out Rail Strike Threat

MONTREAL (CP)—Five major Canadian railroads and 150,000 of their non-operating employees Wednesday signed a two-year contract ending a dispute that had threatened a country-wide rail tieup.

The agreement provides for a four-stage wage increase of 11 per cent, plus another paid holiday this year and next and a health-welfare plan supported by employees and employers.

The agreement implements the recommendations of the majority report of a federal conciliation board. But the railways moved Wednesday to pass on the fresh financial burden by applying for a general freight-rates increase of 15 per cent, plus an increase of 25 cents a ton on coal and coke.

The application said the concessions will cost the Canadian Pacific and Canadian National Railways $24,600,000 this year. Earlier, the two main lines had estimated that the concessions would cost $80,000,000 more a year if extended to all classes of employees.

In a brief statement, the railways and the 15 unions involved limited themselves to expressing "satisfaction that a settlement had been reached by the parties without any interruption of rail services."

At Ottawa Labor Minister Gregg hailed the agreement as a "great victory for free collective bargaining." He said the signing will do much to strengthen confidence in the federal labor conciliation system.

TERMS OF AGREEMENT

The agreement in detail:

1. An increase of 11 per cent in basic wage rates to take effect in four stages—three per cent retroactive to Jan. 1, a further three per cent retroactive to April 1, an additional two per cent Nov. 1 and the remaining three per cent June 1, 1957.

2. One additional paid holiday (Thanksgiving) in 1956, plus a second additional paid holiday (Victoria Day) in 1957.

3. A health and welfare plan effective Jan. 1, 1957, to which railways and employees will each contribute $4.25 a month.

BONSPIEL QUEENS TO TAKE PART IN SPOKANE TELEVISION PROGRAM

Nelson in particular and the Kootenays in general will receive some valuable publicity Monday when Hilda Abfalter, Valerie Denyer, Barbara McCandlish and Muriel Lauder appear on television on behalf of the Midsummer Bonspiel Association.

The girls, finalists in the Midsummer Bonspiel Queen Contest, are scheduled to appear over TV station KHQ (channel six) between two and three p.m. Monday afternoon.

Although the complete format of the program was not disclosed by Albert Maida, chairman of the Queen Contest, he did reveal that the Kootenay game and fisheries department would provide a trout weighing between 20 and 30 pounds to prove to potential tourists that the fishing in this area is second to none in B.C.

Representatives of the Nelson Curling Club and the Midsummer Bonspiel Association will also appear.

Railways Seek Boosts To Offset Wage Hike

OTTAWA (CP)—The board of transport commissioners will open hearings June 11 on an application by Canadian railways for a general 15-per-cent increase in freight rates.

The application, filed Wednesday by the Railway Association of Canada, also seeks an increase of 25 cents a ton on coal and coke to be applied as far as possible to intra-Canadian tolls and rates.

The rate increase sought by the railways, is designed to offset wage boosts and fringe benefits to 150,000 non-operating employees and increased operating costs of the Canadian Pacific and the Canadian National Railways.

The association filed the application following company and union approval of a conciliation board report recommending an 11-per-cent wage increase spread over the next 14 months in a two-year contract.

On the basis of expected 1956 traffic, the application, said, the rate increases would yield the two railways $46,800,000 annually, with $19,200,000 going to the CPR and $27,600,000 to the CNR.

This was expected to cover the 11-per-cent wage increase and higher material costs experienced since the last general freight rate increase in 1953. But it would not be sufficient to meet increased costs resulting from any wage increases to the running trades and further boosts in material costs this year.

"Demands at least as extensive as those made by the non-operating unions have been served on the railways by their operating unions," the application said.

The $24,000,000 increase in operating expenses from wage boosts was for 1956 only. This figure would increase as further increases recommended by the conciliation board went into effect next fall and on June 1, 1957.

The applications said the requested 15-per-cent increase also takes into account increased labor expenses resulting from adjustments in vacations with pay and paid statutory holidays granted to non-operating workers since the 1953 rate boost.

Sommers Not To Be Called

VICTORIA (CP) — Chief Justice Gordon Sloan turned down Wednesday an application to have former lands and forests minister R. E. Sommers and E. T. Kenny give evidence before the Sloan Forestry Commission.

Chief Justice Sloan said government policy matters do not come within the terms of his commission, which has been inquiring into B.C.'s forest industry for the last 15 months.

"I do not feel free to send an invitation to Mr. Sommers or Mr. Kenny to give evidence on policy during their administration," he said.

The bid to have the two ministers appear before the commission was made by former Liberal MLA and retired lumberman Gordon Gibson, and two other small loggers' associations opposed to the present forest management licence system.

Mr. Sommers resigned from the Social Credit government Feb. 27 while under criticism for handling of his office. Mr. Kenny served in the Coalition and Liberal governments from 1947 to 1952.

Chief Justice Sloan also rejected a request to have the two former ministers give evidence on matters of administration.

He said all government officials concerned with forestry "from the deputy minister down" had been extensively cross-examined and there was no further information the ministers could provide.

However, the commissioner said he would be willing to reconsider that ruling if it could be proved to his satisfaction that Mr. Sommers or Mr. Kenny could provide new information on government administration.

Chief Justice Sloan said he was governed by several previous court decisions in his ruling.

Ministers of the Crown are not in any way responsible to the courts or tribunals, he said, and must answer only to the Legislature.

Deny Margaret Engaged to Prince

LONDON (AP) — The Royal Family Wednesday officially denied that Princess Margaret is likely to become engaged to marry Prince Christian of Hanover.

A statement issued at Clarence House, the princess' home, said:

"The press secretary of the Queen is authorized to say that the report that Princess Margaret is likely to become engaged to Prince Christian of Hanover is untrue."

The 35-year-old prince, German-born, simultaneously issued a similar denial.

PRINCE'S STATEMENT

"I wish to deny the story that I might become engaged to Princess Margaret and to say that there is no truth in these rumors."

Kimberley Tot Drowns

KIMBERLEY — A two-year-old Kimberley tot was drowned Tuesday afternoon in the waters of Kimberley creek as it runs through Morrison subdivision. She is Lena Ricketts, daughter of Mr. and Mrs. Bertram Ricketts of Morrison Subdivision.

It is believed the child was walking on sandbags surrounding the creek when she fell in. Coroner V. M. Bourne is conducting an enquiry.

Police have warned parents to exersice care over their youngsters in the vicinity of local creeks, which are now approaching high water.

Funeral services will be held Friday.

Nab Brinks Pair

BOSTON (AP) — FBI agents in a swift two-minute operation forced their way into a Dorchester district apartment Wednesday night and arrested two missing Brink's robbers — the last of 11 men allegedly involved in the fabulous $1,218,211 robbery.

The FBI said James Ignatius Faherty, 44, and Thomas Francis Richardson, 48, both considered dangerous, were taken without a struggle.

Final Death Toll 15 In Convent Tragedy

Jet Piloted by Creston Airman Crashed on Interceptor Mission

By DAVE McINTOSH
Canadian Press Staff Writer

OTTAWA (CP)—Hurtling out of the stratosphere like a destruction-bent meteor, a rocket-carrying RCAF jet fighter plunged into a nuns' rest home Tuesday night bringing violent death to 15.

Eleven nuns of the Roman Catholic order of the Grey Nuns of the Cross, the plane's two-man crew, a priest and a laywoman cook perished in the shattered Villa St. Louis on the south bank of the Ottawa river seven miles east of the capital. Twenty-two other nuns, including four injured, escaped.

Only out-of-town relatives were permitted to visit at the home and then only between the hours of 7 p.m. and 8 p.m. All occupants had retired for the night by 9:30 p.m., officials of the order said.

Defence Minister Campney reported to the Commons that two CF-100s were ordered to take off from their base at nearby Uplands to intercept an aircraft spotted by radar which was not immediately identifiable. It was one of the CF-100s which crashed.

It turned out that the unknown plane was an RCAF North Star transport en route from Resolute Bay in the Arctic to its Montreal base.

FLIGHT PLAN DELAYED

The RCAF said the North Star filed a flight plan before leaving Resolute Bay. This would tell Air Defence Command where the transport would be at any given time during the flight to Montreal.

However, an airforce spokesman said, the flight plan was delayed. He said he could not explain the reason for the delay, but it was presumed it was poor communications.

But Air Transport Command added another twist. It said the North Star filed a position report every half hour during its flight. There was no explanation why these reports had not been received by Air Defence Command.

Mr. Campney said the two CF-100s met the North Star at 7000 feet, then climbed to 3300 feet to practice interception tactics with each other — a normal procedure to give crews practice and use up excess fuel to help ensure a safe landing.

One of the fighters returned to Uplands. The other reported it still had excess fuel and would stay up a while longer. That was its last radio transmission. The pilot gave no indication of trouble.

Mr. Campney said all evidence points to the likelihood that the plane descended in a steep dive from a very high altitude.

Only the body of the priest has been positively identified. He was Rev. Richard Ward, 42, of Toronto, naval chaplain and also convent chaplain and a Korean War veteran.

The RCAF, following notification of next-of-kin, listed as "missing, presumed dead," the jet's pilot, FO William J. Schmidt, 25, of Medicine Hat, Alta., and its navigator, FO Kenneth D. Thomas, 20, of Niagara Falls, Ont.

RCAF officials declined, for security reasons, to say how many rockets the plane carried. A spokesman said, however, that the crash of the 17-ton craft with its remaining two or three tons of jet fuel into the building caused the main explosion. The rocket explosions were minor in comparison.

CRESTON — Flying Officer Schmidt, who was married, was the son of Mrs. Josephine Schmidt of Creston, widow of a Creston carpenter. His brother, Fred, is at present at home on leave from the Navy.

Flying Officer Schmidt attended school in Creston, graduating from the Prince Charles High School. He then joined the Air Force.

The RCAF moved swiftly to launch a full-scale investigation of the accident. A board of inquiry was appointed immediately. Airmen sifted the debris for even the minutest aircraft fragments.

Meanwhile, Prime Minister St. Laurent said he was deeply shocked by the accident. Mr. Campney expressed "deep regret" at the "appalling loss of life." Expressions of sympathy also came from Progressive Conservative leader Drew, CCF leader Coldwell and Solon Low, Social Credit leader.

Air Marshal Roy Slemon, chief of air staff, said: "I am deeply shocked as are all RCAF personnel who have learned of the dreadful tragedy."

CURTISS SPENDS NIGHT IN CABIN

Frightened Boys Lie Awake With Escapee

INVERMERE — Two young Radium Hot Springs boys spent a sleepless night in a log cabin while an escaped prisoner sought by RCMP lay in a second bed beside them.

Reid Madson, son of Mr. and Mrs. Chris Madson of Radium, and Don DeHart, son of Mr. and Mrs. Deano DeHart, had gone to bed between 9 and 10 p.m. Tuesday in the cabin behind the DeHart farm home one mile off Highway 95.

They slept until shortly before midnight when they were awakened by the barking of Don's collie pup which was in the cabin with them. In the moonlight they saw a man crawling in the window and guessed instantly that it was the escaped prisoner Curtiss, object of police search since he escaped from Cranbrook gaol Sunday.

He said, "Are you awake, sonny?" and when they did not reply he tiptoed to the other bed and spent the night there. Too frightened to sleep or move the boys lay until about 5 a.m. when Curtiss rose and left the cabin. From the window they watched him go to the DeHart home, reach through a window and lift DeHart's lunch box from the kitchen table. He then disappeared into the woods and the boys raised the alarm. Two more police dogs were flown in from a Kamloops training course Wednesday to assist the dog Tye. More than a dozen searchers are accompanying the dogs on the chase.

Curtiss has been described as armed and dangerous although the two boys whom he slept with said they saw no sign of a gun on him.

Green Raps Housing Policy

OTTAWA (CP) — Progressive Conservative Howard Green Wednesday called for greater federal action to provide housing for elderly Canadians and said government policy on that score is "unreasonable and unfair."

The member for Vancouver Quadra said in the Commons the government has no authority under the National Housing Act to speculate that rental housing projects built under federal-provincial arrangements cannot be used entirely for old people.

Works Minister Winters denied government discrimination against the elderly in its housing operations.

He said Central Mortgage and Housing Corporation permits up to 20 per cent of federal-provincial housing built under federal-provincial auspices to be occupied by those over 65. That age group made up only 7.7 per cent of Canada's population.

The question was raised during debate on a government bill to amend the National Housing Act. Slum-clearance provisions will be changed to allow commercial and industrial use of sub-standard city areas cleared with federal help, instead of the present limitation on use to housing and government purposes.

The measure also increases the maximum on government-guaranteed loans for home improvements from $2500 to $5000 for single dwellings and from $1250 to $1500 for additional home units in a building.

The Commons gave final approval to the bill after opposition members closely examined several aspects of it.

DOLLAR UNCHANGED

NEW YORK (CP) — The Canadian dollar was unchanged at a premium of 27-32 per cent in terms of U.S. funds. Pound sterling up 1-1½ of a cent at $2.81.

MONTREAL (CP) — The U.S. dollar closed at a discount of 27-32 per cent in terms of Canadian funds, unchanged. It took 99 5-32 cents Canadian to buy $1 American. Pound sterling 2.78⅝, up ⅛.

New Duncan Bridge . . .

Shortcut to Argenta To Be Opened Friday

Lardeau Valley residents Friday will celebrate the pushing through of a long-sought shortcut to Argenta.

Official opening of the Duncan River bridge will take place in a ceremony at 1:30 tomorrow afternoon, the Lardeau Board of Trade has announced. J. A. Dennison, regional highways engineer has been invited to cut the ribbon.

Adopting the theme, "Link Together", the board has arranged a program which will include sports and games. School children will present a demonstration in appreciation of the new bridge. Everyone in the district has been invited to join in the celebration.

By bridging the Duncan River right at the head of Kootenay Lake, the government has ended one of strangest anomalies in Kootenay road history—and has lopped 28 miles off the travel route from Lardo to Argenta.

Until now vehicles have been required to proceed North for about 14 miles beyond the lake head, then East almost into Howser before turning South again on the Argenta road.

The saving of time through the new route will mean much to Argenta and other district people, the Board feels.

The new bridge, several miles down the Duncan from the present one, was built during Winter months. Some work remains to be done on the approach roads.

Water Levels

NELSON, Tuesday 5.85; Wednesday 6.00.

$16,228 Budgetted For "Chest" Agencies

Business section is being canvassed in the 1956 appeal of the Nelson District Community Chest which is aiming at a target of $20,000—the same as last year.

Campaign "blitz" of the residential areas in which an army of volunteer canvassers will call on householders will probably be held May 31.

On behalf of its 19 agencies, the Community Chest has drawn up a proposed budget totalling $16,228, a reduction from the $16,625.50 given out in 1955.

Nearly half of the total distributions will go to two nation-wide organizations in their fights against disease. The B.C. Cancer Society and the Canadian Arthritis and Rheumatism Society will each receive $4000.

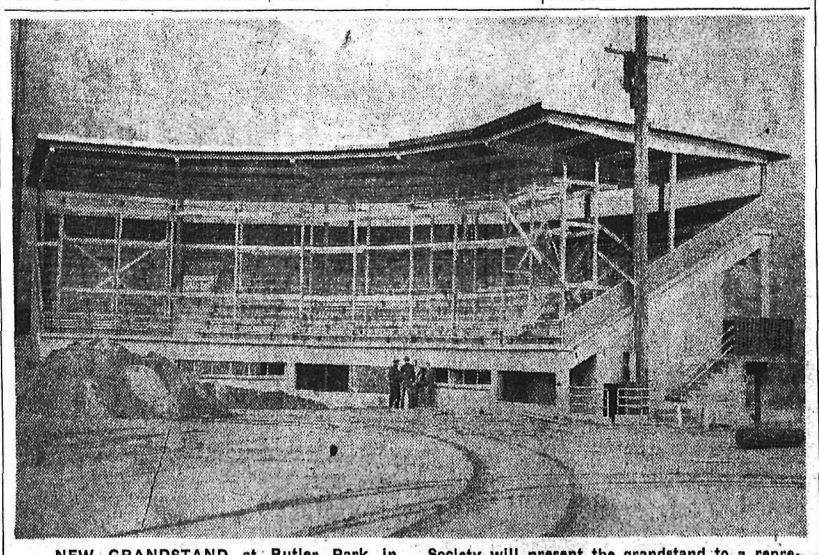
Canadian National Institute for the Blind comes next with $1800. Lions Club Easter seals for Crippled Children are slated for $1000, and the Nelson Boy Scout Association will receive $1500. The sum of $500 is earmarked for the Nelson Ministerial Association's relief fund which provides food and lodging for transients.

Two youth groups are given donations in lieu of tag days. The Air Cadet League will receive $452 and the Navy League $326.

Allocations of $300 will be made to the Knights of Pythias cerebral palsy fund, Ladies' Auxiliary to Nelson branch of the Canadian Legion, the Kootenay Lake General Hospital Auxiliary, Mount St. Francis Auxiliary, Beta Sigma Phi Sorority, Soroptimist Club for the children's ward; and Kokanee chapter, IODE, for local welfare.

Three youth camps operated by churches in the district—Koolaree, Lourdes and Galilee—are due to receive $150 each. St. John Ambulance Association would receive $100.

If the Chest fails to reach its objective of $20,000, cuts would have to be made accordingly in allocations, officials point out.



NEW GRANDSTAND at Butler Park in Trail, pictured above, will be formally opened next Wednesday. In intermission between doubleheader softball and hardball games, ceremonies will take place during which the Projects Society will present the grandstand to a representative of the city who will in turn hand over the sports addition to the Trail-Tadanac Board of Park Commissioners for operation.

And in This Corner...

LOS ANGELES (AP)—Mrs. Phyllis C. Brumfield testified in divorce court that her husband had a genius IQ, but he "was always performing juvenile antics," such as crawling all over his convertible while it was in motion.

This, the 21-year-old wife told Judge A. A. Scott Wednesday, constituted cruelty.

She added that John R. Brumfield, also 21, wouldn't work, wouldn't establish a home, had no interest in their 20-month-old son Jonathan.

Mrs. Brumfield got the divorce decree and custody of Jonathan. Brumfield is supervisor of a nut and bolt factory.

FORT WILLIAM (CP)—City firemen answered an emergency call Tuesday. They ran up a ladder to the roof of a building but didn't find smoke or flame. But they did find a $100 bill—exactly what the emergency was about.

The bill was blown out of a woman's hand by wind at a street corner. Chief Harold Lockwood said his department joined the search because the woman was in tears; it was the first time she ever had a $100 bill.

The bill was rescued from the skylight of a building.

St. Paul's Boys Choir Wins Shield 23rd Time

Mrs. Ferguson Given Shield to Keep; Trail Elocutionist Earns 90-Mark

Two shields and a trophy for choral singing and two trophies for Bible reading were presented in the Kootenay Music Festival Wednesday morning and afternoon.

The highest mark of the 23rd festival to date was given by adjudicator, Mrs. Peggy Macfarlane, to a young Trail elocutionist in the Bible reading under 12 years class.

Mrs. T. J. S. Ferguson of Nelson was presented with the Nelson Business College Shield for her 50-voice St. Paul's United Church Boys' Choir which won marks of 87 and 88 in the boys' choir, unbroken voice class.

Having won the competition for the 23rd time this year, Mrs. Ferguson will now keep the shield, which is replaced for yearly presentation by the Claude W. Tyler Memorial Shield, presented to Mrs. Ferguson by Mrs. C. W. Tyler of Nelson.

In presenting the new shield, Mrs. Tyler paid tribute to Mrs. Ferguson for the "splendid work" she has done for music in Nelson and the "many active years with the boys' choir," formed in 1931.

First Nelson Girl Guide Company received the E.R. Humphries Trophy from adjudicator Filmer E. Hubble in the group singing with a mark of 84.

"The singing was spirited," Mr. Hubble commented, "and we enjoyed it as much as they did."

MARK OF 90

The mark of 90, the highest in the festival to date, was given to Gary Calder of Trail by adjudicator Mrs. Peggy Macfarlane, who also presented him with the Pearl Murray Trophy for the Bible reading under 16 years group.

Festival results at the Civic and Capitol Theatres Wednesday morning and afternoon were as follows:

Pianoforte under 12 years playing "Gavotte in G" by Windsor — Donald Graham of Fruitvale, 86; Sandra Martin of Trail, 85; Judy Ann Anderson and Peggy Morrison, both of Trail, 83.

Others competing were Dawn DeVito, Janet Anderson, Shirley Cook and Beverley Tavaroli, all of Trail; Gweneth Rice of Rossland; Neil Vant, Wendy Herbison, Christine Hrytzak and Terrie Jean Stromstead, all of Nelson; James Killough of Castlegar and Gloria Catton of Crescent Valley.

Violin under nine years playing "Berceuse" by Blanchford — David McElroy of Nelson, 83 for "a very good sense of melody, good pace and interest."

Violin under 11 years playing "Gavotte" by S. Twinn — Barbara Allen of Nelson, 81.

Pianoforte under 14 years playing "Minuetto Giocoso" by Hadyn —Janice Seafoot of Rossland, 84; Louise Leveque of Kimberley, 83; Meredith Pond of Nelson, 82.

DON'T GO TOGETHER

Adjudicator Mr. Hubble expressed disappointment in the class in general as he said none of the contestants managed to get the real style of the minuet. "There was a lot of vitality and interest but I've come to the conclusion that 14 year olds and minuets don't go together," he said. "The winner needs more sparkle but she did get close to the style of the minuet."

The group also included Bernadetta Bergeron, Carol Wyder and David Carroll, all of Trail; Joanne Brown of Erickson; Donald Barker of Salmo; Anne Kambick and Heather Farrar of Rossland; Diane Rogers, Jay Paterson, Nandine Hendrickson, Sheila Munch and Judith Fransen, all of Nelson and Sharon Hart of Kimberley.

Boys' solo under 11 years singing "The Jovial Beggar" by Heller Nicholls — Harry Gansner of Nelson, 86; Wayne Price of Nelson, 85; Neil Baker of Nelson, 83.

Also participating in the class were David Brown of Nelson, Raymond Lundquist, Billy Bale and Norbert Ruebsaat, all of Kinnaird.

Boys' choir, unbroken voice singing "Great God of Our Fathers" by G. T. Francis and "Easter Carol by Holler — St. Paul's United Church Boys' Choir of Nelson, 87 and 88 for a total of 175.

Group singing, girl guides — First Nelson Girl Guide Company. 84.

Boys' solo voice under 13 years singing "The Pioneers" by Una Gwynne — Martin Horswill of Nelson, 87; Donald Oddie of Kinnaird, 85; Norman Kuhn of Nelson, 85; Jimmy Turner of Nelson, 84.

Winner Martin Horswill enjoyed his second top mark of the festival in the boys' solo, having topped the boys' solo, unbroken voice class Monday with a mark of 86. "He was natural and free and had much variety . . . very good," Mr. Hubble commented.

Others competing were Gary Wood of Kinnaird; Vernon Hall and Bernard Swendson of Nelson.

Pianoforte: Bach, under 12 years, playing "Musett in D" — Sandra Martin of Trail, 88; Peggy Morrison of Trail, 86; Couleen Sandulescu of Rossland, 84.

Other performers included Shirley Cook, Cheryl Krause, Bernice Martin, all of Trail; Lila Maureen Fenner of Castlegar; Donna DeLong, Terrie Jean Stromstead, Sharon Mydansky, Christine Hrytzak and Marilyn Bytalan, all of Nelson and Gweneth Rice of Rossland.

Girls' elocution under 15 years reciting "A Piper" by S. O'Sullivan and "The Dawn Wind" by John Masefield — Elaine Chernoff of Castlegar, 87 and 87 for a total of 174; Maureen Lambert of Kinnaird, 86 and 88 for a total of 174; Alexandra Hanna of Nelson, 87 and 87 for a total of 174; Noreen Fletcher of Castlegar, 84 and 87 for a total of 171; Beverley Ann Dempsey of South Slocan, 86 and 85 for a total of 171.

The group also included Lesley Hammond and Patricia Dalquist of South Slocan, Marilyn Markle of Kinnaird, Mary Fink and Bonnie MacDonald of Nelson and Jo Frances Hutchinson of Rossland.

Bible reading under 16 years — James Taylor of Trail, 87; Barbara Markin of Robson, 86; Bonnie MacDonald of Nelson, 85; Don Service of Trail, 85; Beth McLeod of Castlegar, 85.

Others competing were Bruce Hunter, Richard Norris and Robert Krueger of Castlegar; Jo Frances Hutchinson of Rossland; Marilyn Markle and Ronald Kennedy of Kinnaird; and Alexandra Hanna of Nelson.

Boys' elocution under 15 years reciting "Ozymandias" by Shelley and "Treasure Island" by Robert Louis Stevenson — Ronald Kennedy of Kinnaird, 81 and 81 for a total of 162; Robert Schulte of Kinnaird, 81 and 81 for 162.

Girls' elocution under 21 years reciting "Upon Westminster Bridge" by William Wordsworth and "Eve" by R. Hodgson — Donna Trozzo of South Slocan, 82 and 82 for a total of 164.

Bible reading under 12 years — Gary Calder of Trail, 90; Nadeen Perehudoff of Tarrys, 88; Penny Penniket of South Slocan, 86; Pauline Markin of Castlegar, 86.

The class also included Carol Batting, Sheryl Anderson and Janet Harmston of Castlegar; Harry White and Beverly Pinkney of Kinnaird; Ronald Lawton of Rossland; Janet Anderson of Harrop; Dian Bazley of Trail, Heather MacBeth and Barbara Leyland.

Committee To Explore Radiologist Service

Kootenay Lake General Hospital Board of Directors has set up a committee to work with the medical profession in fact finding toward possible development of a radiologist's service for Nelson hospital area. The committee was named at a meeting of the board in the hospital board room Tuesday night. It is expected that the medical profession will be asked to appoint members to act with this committee.

A considerable survey of the needs for a radiologist service has been conducted by KLGH administrative staff among other hospitals of the area.

The establishment of a radiologist would mean that the services on an X-ray specialist would be available for diagnostic purposes to doctors and patients of the area.

CO-OPERATION VITAL

The matter presented a complex economic and planning problem, Vice-chairman E. M. Stiles advised the hospital board of directors. Development of such a service would call for a high degree of co-ordination of plans and co-operation between the doctors and board.

Mr. Stiles, A. K. McAdams and Administrator R. H. Procter were named to the board's committee.

An interest in purchase of the existing nurses' home had been expressed by two parties, H. J. Witchell, maintenance committee chairman reported. A committee of H. D. Harrison; F. H. Hansen of Balfour and Mr. Witchell will investigate these proposals. In the meantime a deadline of 30 days for these investigations and for the installation of a fire escape on the nurses' residence was established by the board.

Little League Prexy To Speak to Rally

A Little League and Babe Ruth League mothers' rally is scheduled for Friday night in the Junior High School auditorium.

An address will be given by J. H. MacMillan, president of the Little League, to show Auxiliary members how they may help the boys and their coaches during the season ahead.

FINED FOR SPEEDING

Exceeding the North Shore speed limit resulted in a $10 fine and costs for Arthur G. Hill in provincial court Wednesday. He pleaded guilty before Magistrate William Evans.

RCAF Band Concert Here Tonight; Nelson Air Cadets To Be Inspected

CASTLEGAR — RCAF Band of Tactical Air Command played to a packed house in Stanley Humphries High School here Wednesday night and received a standing ovation from the enthusiastic audience.

The band demonstrated its versatility in selections from the classics to a current hit parade numbers, and clever Xylophone work in solo and trio numbers, brought down the house.

F/O CARL FRIBERG
. . . conducts band here tonight.

Formation of a Nelson Air Cadette pipe band which has been under way for some time, will receive assistance when the RCAF band of the Tactical Air Command of Edmonton presents a concert tonight at L. V. Rogers High School auditorium. Proceeds of the concert and dance will add the formation of the Cadette band.

Prior to the concert, annual inspection of the Nelson Air Cadet Squadron 561 will be conducted at Civic Recreation Grounds. Cadets and Cadettes will be inspected by Group Capt. E. A. McNab. The Edmonton band will also be in attendance at the inspection to which the public is invited.

The famous RCAF band which has appeared at a number of important Canadian and American events, will be conducted by Flying Officer Carl Friberg, formerly of Rossland. Now presenting concerts at district points, they will appear with several other bands in the Creston Blossom Festival parade Friday.

KPs Arrive For Trail Convention

TRAIL — The annual Pacific Northwest Grand Lodge and Grand Temple convention of the Knights of Pythias and Pythian Sisters will officially get under way this morning with a welcome address by Mayor L. A. Read.

Aproximately 350 are expected. A "get acquainted" event was staged in the KP Hall Wednesday night.

Laying of wreaths at the Cenotaph, regional finals of the annual public speaking contest for high school students, ceremonial drill competitions and a closing grand banquet and ball Friday evening are on the convention agenda.

RCMP Photog To Prince George

Roger Brett, RCMP photographer and fingerprint man for Nelson Sub-division left Wednesday night for Prince George where he has been transferred.

Constable Brett has been stationed at Nelson for the past five years and came here from Penticton and Trail. In recent years he has been stationed at many B.C. centres, including Prince Rupert, Telegraph Creek, and Prince Geore, the centre he is returning to.

He will be succeeded in Nelson Sub-division by Constable Ronald Somerville, who comes here with his wife and three daughters from Penticton.

Heroes of Battle of Atlantic To Be Remembered at Trail Cenotaph Sunday

TRAIL—For the first time since the end of the Second World War, Trail and district people will have an opportunity Sunday to pay tribute to all naval and merchant seamen who lost their lives in the Battle of the Atlantic.

The Naval Officers' Association, headed by Jack Kendrick, plans a remembranche service at the Trail cenotaph. Trail Branch of the Navy League and the Trail Legion branch are also participating. The Canadian Legion Brass Band, Sea Cadets and Wrenettes, Legion veterans, Naval Officers' Association members and Navy League members will march in the parade.

Yale Wages "Far Below" Those of Any Mines in District, Union Says

AINSWORTH — The wage scale at Yale Lead and Zinc Mine is "far below any mines in the district" and comparison with Sunshine Lardeau and Mineral King mines is "hardly fair", Local 901 of the International Union of Mine, Mill and Smelter Workers said Tuesday. The statement was issued by the union following one made recently by the Company management and reported in The Daily News.

Sixty-five Yale Lead and Zinc employees went on strike March 21 to back increased wage demands. Prior to the shutdown milling had been at the rate of 250 tons a day on a five and a half day week basis.

The union's statement follows:

"Bargaining for a new contract . . . commenced early in October, 1956. The Union demands which were presented to the Company were met with no satisfaction. Included in the demands were a 40-hour working week which is realized by the majority of the workers throughout the province; a raise in pay of 17¼ cents per hour to bring the workers up to parity with the other mines in the district, one extra statutory holiday with pay, a few other fringe benefits of lesser value, and some betterments in working conditions.

"The Union points out that the wage scale at Yale Lead and Zinc is far below any mines in the district. If the 17¼ cents per hour increase were accepted by the Company, it would still leave us from 6½ to 19 cents per hour less than that of the Bluebell Mine acros sthe lake.

"The Company here has compared us with the Sunshine Lardeau and Mineral King Mines. which is hardly fair, as the Sunshine Lardeau has had Union certification for less than a year and the Mineral King has signed their first agreement this year, 1956. Reference to monetary benefits between the three properties is not a good argument, since the Union has been recognized by this Company for over five years. Monetary benefits here have been gained by yearly bargaining over this period.

"During the course of six months bargaining a conciliation officer was called in with no results. Directly after, a Conciliation Board hearing was held in Vancouver, where a recommendation was handed down with an offer of five cents per hour and working hours to remain as is; also an additional statutory holiday with pay, and several fringe benefits. This was turned down by the Union here.

"Strike action was then taken, which shut down the Company's operation March 21. Immediately following the strike, a Union Committee met with Company representative, Mr. Smelts in Vancouver, where no satisfactory settlement was reached. Nothing was offered so nothing was agreed upon.

"After six months bargaining, local management informed the Union he has no authority to bargain over wages. Does this indicate poor bargaining on the part of the Union?"

The union publicity committee consists of E. H. Polola, C. Hartland and Gail Hartland.

Knights of Columbus Meet In Cranbrook

CRANBROOK—Knights of Columbus from Spokane, Nelson, Creston, Kimberley, Fernie and Michel-Natal converged on Cranbrook for the exemplification of the major degrees of the order. The "millionth member class" initiated here was only one of the large classes throughout the North American continent being initiated in the order's millionth member drive this month which now gives the members the privilege of being "a man in a million."

Ceremonies began with the initiation mass and corporate communion at St. Mary's Church. Initiatory rites began in the K.P. hall and then being continued in St. Mary's hall for the remainder of the afternoon.

Some 50 visiting women and guests were entertained at a tea at the nurses' home of St. Eugene Hospital. The initiation banquet was well-attended. Grand Knight Edmond Zarowny of St. Eugene Council acted as toastmaster. Lloyd Hamilton, district deputy, extended a welcome to the newly-initiated members of the order with A. Doer responding on behalf of the class. Ald. Sam McLeary, acting mayor of Cranbrook, extended greetings on behalf of the city.

The main address was delivered by the State Deputy of British Columbia, Dr. Joseph Vingo of Nelson. The state deputy directed his talk primarily to the women present since in his opinion the wives of the members of the organization "definitely have a bearing" on the members' activities in an organization. In order that the wives might better understand as to what is expected of their husbands' duties to their organization, he outlined some of the many projects undertaken by the order on a local, provincial and international level.

Other speakers included Carrol Martell of Spokane, retiring state deputy of the State of Washington; J. Maxwell of Vancouver. Council 1081; T. Nelligan of Creston; A. Kennedy of Kimberley. and A. Fiorillo, Grand Knight of Fernie Council.

A. Dagenais, on behalf of the parishioners of St. Mary's, presented Msgr. McIntyre with a purse for his extended holiday to Prince Edward Island.

Musical selections were provided by Paul Hielscher Choristers.

Hospitality To Keynote Kinsmen Meet in Trail

TRAIL — One of the biggest meetings in Trail's history, the 1956 convention of B.C. Kinsmen will be held here Saturday, Sunday and Monday, with a major portion of the program taking place in Cominco Arena.

About 300 delegates and 100 wives are expected to register. Majority of the wives belong to the Kinette Club, an auxiliary to Kinsmen Club.

The convention has been planned to the most minute detail There will be an Italian dinner, tours of Cominco plants, and the governor's ball itself, a mammoth project.

The Kinsmen Clubs of Trail and Warfield are jointly sponsoring this convention and have purchased costumes for themselves and the Kinettes composed of a red vest, a black string tie, a bowler hat and dark trousers or skirt. The Warfield Club members are also growing moustaches, to distinguish themselves from Trail members.

Registration will commence Saturday morning and carry through on a round-the-clock basis until Sunday noon. The convention officially starts with the annual Kinsmen parade in which the various clubs put up floats and other skits and march through the downtown area. In this parade will be three bands, Clowns Unlimited, and Majorettes from the high school. As well as these floats, the Trail Club will be leading, along with Warfield, and in their midst will be an old car in Kinsmen colors of purple and yellow which will be auctioned off at the governor's ball. After the parade there will be a smorgasbord with Armson's catering, who, then as throughout the convention will cater, except for the Italian dinner which will be prepared by Mrs. V. Bressanutti.

PLEASANTS AWAKING

On the Sunday and Monday morning, committees have been organized to cover all motels, hotels, where Kinsmen are staying and these committees will proceed to the various rooms knocking on the doors to awaken the delegates and at the same time hand the delegates bags, known as "wakie-wakie bags", which are filled with merchandise, souvenirs, samples, etc.

The program calls for a dance on the Saturday night, social event, the governor's ball, on the Monday night. The Trail Club has gone to a great deal of expense and has had considerable help from the Consolidated Mining and Smelting Company of Canada, in order to put forth meals. These meals will be served so that all delegates receive their course within 20 minutes from the first person at the head table.

During the Convention, official business will be passing of resolutions, election of District and Deputy Ditrict Governors, the installation of a new club from New Denver-Silverton and a decision, by vote, as to where the next convention will be held. The main contender in this regard is the Kamloops Club and it appears quite likely that this club will be the host for the next convention.

The proposed budget totals about $18,000 which will cover cost of meals, entertainment, decorations and accommodation.

There will be an 18-piece orchestra in attendance at the Governor's Ball. Entertainment will also be provided by the Doukhobor Choir and the Colombo Musical and Dramatic Club of Trail.

SAYS PENTICTON SHOULD LOOK TO HOSPITAL SPACE

PENTICTON (CP) — The expanding population of the city, expected to rise to 18,000 from 14,000 within five years, has left the community with a shortage of hospital accommodation, said Alderman J. G. Harris.

He said the occupancy of the hospital is far what it was established for.

"Our population is increasing rapidly and we must keep pace with the needs," he said. "If we do not make application now and possibly get a by-law before the ratepayers in 1957, we may be in a position where we won't get it for three years.

"If the population continues to increase as rapidly as it has done the situation will soon be more desperate."

Mr. Harris said there was now 96 per cent occupancy in the hospital compared to 86 per cent in 1955.

He said the city's share of the cost of a new wing would be approximately $150,000.

Moyie Woman's Nephew Killed

MOYIE—Mrs. R. A. Smith of Moyie has received word of the death of her nephew, Germain LaBonte, 23, at Tampa, Fla. A veteran of the Korean War, he drowned when his car went through a bridge span.

FAMILY RELATIONS

LONDON (CP) — Professor Alan Moncrieff, specialist in child care, told a conference that by and large parents haven't a clue about handling teen-age daughters. "They don't seem to get to know their daughters," he said. "They never seem to go out and giggle over a new hat."

IF BABY IS CROSS FIND OUT WHY

HEALTHY BABIES are not cross. Your baby should not be cross. If he is, then something in his little system may be "out of order". Probably mild Baby's Own Tablets can promptly "put it right." One Quebec Mother writes: *"My little girl was irritable, feverish and sometimes sick at her stomach — what a relief it was, after giving her Baby's Own Tablets, to see how much better she was."*

Easy to take, these sweet-tasting tablets are promptly effective in simple fever, constipation, restlessness and fretfulness resulting from irregularity at teething time, and other minor ills. No "sleepy" stuff, no dulling effect! Never be without a full box of Baby's Own Tablets. Sickness so often strikes in the night. Get a package today at your druggist. Money back if you are not satisfied.

HOW TO PREVENT TOOTHACHES

"Have all your sound teeth removed to prevent aches! How terrible, that toothache should invade an epicure in times of feasting; a beauty at a ball; a bridegroom on his nuptial night! Have them all out! Prevents biting, grinning, snarling and showing of teeth!" So urged an advertisement in an early American newspaper, about the time of dentist Paul Revere.

Your modern dentist believes in conservation, but, in fact, there is a stage in the breakdown of gums and bone around teeth, when nothing more can be done to save them. Then, the sooner you part with them, the more friendly and useful the replacements (dentures) will be. After healing, bone of the jaws with its covering of gums will be firmer, more rounded, instead of flabby and shifting. There'll be less movement of dentures—less tendency to skid when chewing food.

In Paul Revere's time, they had them all out, and "gummed it" while waiting for bone and soft tissues to heal. But now, people refuse to appear in public showing toothless gums, and object to eating baby food while waiting for dentures.

So, back teeth are removed first, leaving only six upper and six lower in front. When the broad back bearing surfaces have healed, dentures are made. Now, the remaining front teeth are removed, and the dentures inserted at the same sitting. Painful?

A deep open wound on other surfaces of the body would be bandaged, and a rigid, protective cover might be applied to prevent pressure on the open wound. In the mouth, what better protection than the denture of rigid material, preventing pressure on tender areas, and even carrying a healing liquid or paste, if your dentist believes it advisable?

Keep those natural teeth as long as possible, but when your time comes, let the parting be brief and prompt.

Our Municipal Governments at Work

The Association of Kootenay Municipalities, during its session in convention at Nelson, covered many topics of interest to the general public. Resolutions which passed will be presented to the next meeting of the Union of British Columbia Municipalities, which is a democratic method of ensuring that they will receive careful consideration before they reach government levels.

Today there is a growing awareness of the need of making, and keeping, communities attractive. The resolution which seeks a revision of the Municipal Act to enable villages and municipalities to control unsightly and untidy premises expresses the dislike of everyone of unsightly auto wrecking lots which disfigure the landscape. Concerted effort to remedy this state of affairs will do much to improve conditions everywhere.

Teachers' salaries were the subject of another resolution which asked that adjustments be made so that grants from the government are based more closely on the salaries actually being paid. Many people will agree that the continual rise in teachers' salaries is disturbing, but it is impossible to stop it because it is due to the teacher shortage.

However, the convention felt that unless there was a concrete effort on the part of taxpayers to stop it, teachers would try every year for higher salaries, and for the average taxpayer the line has to be drawn somewhere. This resolution was sponsored by Trail, and since they have the highest teachers' salary scale in the Kootenays, they might well start at home.

Nelson sponsored a resolution asking that municipalities be relieved of the registration and licence fees on municipally owned vehicles. This undoubtedly would be of benefit to the municipalities. The only objection is that it endorses the principle whereby dominion and provincial governments are relieved of taxation on the properties they have in municipal areas.

The difficulties which sometimes occur in city taxation due to our changing civilization is shown by a Trail resolution asking for power to assess and tax co-axial television cables. Apparently this was not given under the Municipal Act, and the city found itself with a lawsuit on its hands when it attempted to levy one.

Surface drainage is everywhere becoming a problem, and was the subject of a resolution by the Village of Warfield, which asked that the same powers held by municipalities to control this should be given to villages. There seems to be a field for study in this problem in its relation to flood control.

There were other resolutions dealing with home nursing and dependents under the Workmen's Compensation Act which would make for a better condition, and the general tenor of the convention was such as to show that municipal government is a very live thing.

Canada Medal Out of Vault

An Ottawa news item reports that the federal government is considering the award of the Canada Medal to Governor-General Massey and to former Prime Minister Arthur Meighen. This is most interesting, for the Canada Medal, now 13 years old, has not yet been awarded to anyone. No person in authority has ever explained why this should be so, and the decoration has remained as one of the minor mysteries of this era.

The Canada Medal was designed and struck in 1943, the announced intention being that it would be bestowed on civilians and servicemen as a reward for outstanding meritorious service. It would also be available for distribution to foreign but allied personnel who had rendered this country valuable service. Fourteen of the medals were made, seven with English inscription and seven with French, but these have languished in a government vault ever since. A conclusion must be that the Mackenzie King government could not agree on the first Canadian civilian to be honored by this new Canadian decoration.

One result of the hiatus was that in association with the armed forces of the allied nations during the war this country received but did not give. Some 1475 foreign awards were bestowed on Canadian troops, while none was bestowed as a reciprocal gesture. Sixty British decorations were granted to personnel of allied forces on the recommendation of the Canadian government, but no purely Canadian recognition of gallantry was made. Had the Canada Medal not been hidden away immediately it was created, the disparity might have been lessened, as well it should have been.

Now seemingly the medal has been brought into the open again, and Mr. Massey and Mr. Meighen are mentioned as potential first recipients. Each of these public figures has rendered notable service to the state and in themselves would be deserving of the order. One reservation that intrudes, however, is the thought that the initial bestowal of the decoration in this way might create a precedent which resulted in the Canada Medal being given automatically to retiring governors-general and prime ministers. Were the first awards to be of a pattern distinct from politics it would be much more desirable.—Victoria Colonist.

Weed Control

Weeds cost Canadian farmers $333 millions a year, according to official estimates, and city people endless misery from hay fever and skin poisoning. That's a lot of money and a lot of suffering, but the experts say it is not as bad as it might be.

In bad seasons it used to be that with every four pounds of grain shipped from Western Canada to terminal elevators went one pound of assorted weed seeds. And the freight rates on a pound of weed seeds from the prairie farm to the head of the lakes was exactly the same as on a pound of No. 1 Hard. Mechanized farming, with is greater speed and power, plus regular crop spraying with chemical weed killers, has cut this country weed toll tremendously. But a lot more could be done, speakers at the recent national weed control conference in Toronto emphasized, especially in urban areas.

Weeds, and especially rag weed, nettles and poison ivy, flourish in empty city lots and along untidy city streets, even better than in the best farm soil. And they will continue to flourish, the experts warn, until municipal authorities bestir themselves and provincial weed control acts are really enforced.—Financial Post.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. QUESTIONS WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy.

P. P. R., Castlegar—Would you be able to supply me with name and address of a water-diviner in this district?

We advise you to contact telephone number 334-Y, who has had quite good results and would show you how to go about water-divining.

C. G. A., Kootenay Bay—To dispel doubt, terminate controversy, and establish fact, can you please tell me where property lines terminate water-ward, on residential lots, at high water, low water, or water level?

In some cases old title deeds show how original owners' property extended to low water, but today foreshore rights are owned by the Crown and supervised by the province, and extend from high water mark, or line of vegetation, to low water.

Curious, Nelson—To settle an argument, did Rembrandt die a rich man?

In 1656, Rembrandt was declared bankrupt and an inventory was ordered by the Insolvency Chamber. The first sale took place in 1567 and the sum realized, under 5000 guilders, was but a fraction of what his great paintings were worth. He died in 1669, a poor man, still able to produce some of his finest work.

T. J. K., Grand Forks—Please print address of Canada Pumps, Ltd.

Canada Pumps, Ltd., Vancouver; Canada Pumps, Ltd., Woodside Avenue, Kitchener, Ont.

Puzzled, Nelson—Would it be possible for you to tell me how to string beads with knots between?

We will do our best: Lay beads out in graduated sizes, largest beads in centre, rest dwindling to smallest. Make knot at one end of cord, after each bead form ordinary knot, insert pin while knot is still loose and draw pin to edge of the bead. Withdraw pin and draw knot tight and place next bead up against it.

Reader, Nelson—Is there a minimum wage for dressmakers' helpers, also for housework?

For dressmaking there is a minimum wage of 60 cents per hour for female workers. This comes under the definition of manufacturing industry and became effective April 2, 1956. There is no minimum wage for housework.

If We Want to Own Canada

(Victoria Times)

If the Canadian people wish to own and control their own industries they should invest in them far more generously than they are investing now.

We are amassing a vast and almost unbelievable volume of capital in Canada, probably at a rate proportionately unequalled anywhere. But we have tended to invest it in absolutely safe securities while our American friends, always willing to take a chance, have risked their money in speculative enterprises which most Canadians are too canny or too unimaginative to touch. That, to cite an egregrious example, is true of Alberta oil.

If Canadians need more imagination about their own business and a new spirit of risk-taking, government may stimulate Canadian investment by giving the investor a better run for his money.

The Federal Government already allows certain tax concessions on dividends from Canadian corporations. Wouldn't larger concessions to the investor who risks his capital to develop the nation encourage larger home-grown investment?

It is to be hoped the Gordon Commission will deal fully with such positive proposals.

Watch Your Language

EFFULGE (ee-FULJ) — Verb transitive and intransitive. To shine; radiate. Origin: Latin—Effulgere, from Ex plus fulgere, to shine.

It's Been Said

No one will tell a tale of scandal except to him who loves to hear it. Learn, then, to check and rebuke the detracting tongue, by showing that you do not listen to it but with displeasure.—Saint Jerome.

TRANS-CANADA AIR LINES

Exclusive benefits of **TCP** *receive official recognition*

In 1953, after extensive research by Shell engineers and scientists, TCP was introduced to Canadian motorists.

Now Shell has been granted a patent for TCP*. This means *official* recognition of the advantages offered in this Shell-developed additive.

With the granting of this patent, it means Shell gasolines will continue to be the *only* gasolines giving you the extra benefits of TCP.

Today, with higher octane gasolines on the market, you need TCP more than ever. Without this special additive you cannot get full power from high octane gasoline, and only Shell premium gasoline gives you both high octane *and* TCP.

TODAY'S BIBLE THOUGHT

They that wait upon the Lord shall renew their strength.
—Isa. 40:31.

We have entered a sanctuary exhausted and discouraged and come out with firm step and high heart. So can you.

Aunt Het

Men fail to understand women because they expect them to be like men. A canary is puzzlin' too, if you think it should caw.

ABOUT THE TOWN

By Alice Stevens

PHONE 1369 OR 1844

Mrs. Andy Miller and daughter, Paige, visited relatives in Creston recently.

• • •

Mrs. Peter Thom, 202 Pine Street, is a patient in Kootenay Lake General Hospital.

• • •

Mrs. J. M. Armstrong, 215 Chatham Street, is in Trail visiting Mr. and Mrs. James Grant and Gordon.

• • •

Mrs. H. E. Stevenson has taken up residence in the Bevanne Apartments, Silica Street.

• • •

Mrs. W. Fisher, who has been the guest of her brother-in-law and sister, Mr. and Mrs. Hugh Armstrong, 215 Chatham Street, is visiting relatives in Robson and Salmo before returning to her home in Vancouver.

• • •

A shower for bride-elect Bernice Swanson was held last weekend at the home of her parents, Mr. and Mrs. E. Swanson, 822 Victoria Street. Fifteen guests attended and many useful gifts were presented. Co-hostesses were Jean Simmons, Mrs. M. Tilbury and Mrs. G. M. Braden.

• • •

Mrs. Joseph Maglio, Cedar St., has returned from ten days in Spokane where she was the guest of Mr. and Mrs. Michael Vecchio.

• • •

Mrs. E. Bergevin of Rome, Georgia, is visiting her son-in-law and daughter, Mr. and Mrs. J. McGown, North Shore.

• • •

Harold J. Witchell, past state deputy of Britisn Columbia, is leaving today to attend the Knights of Columbus State convention being held in Vancouver this weekend. It is also the golden jubilee of the Vancouver Council of the Knights of Columbus.

• • •

Irene Fleury and Mrs. A. T. Noxon, Terrace Apartments, spent Saturday and Sunday at Chapman Camp visiting Mr. and Mrs. Max DesBrisay and their three daughters.

NELSON, CRESTON INTEREST IN VOWS

Mrs. Dora P. Wilson of Creston has announced the marriage of her daughter Rosane Echo Clare, and Ronald Craig Kerr, son of Mrs. Rene Kerr of Nelson and Mr. J. Kerr of Edmonton.

The wedding took place in Coeur d'Alene, with Dr. Victoria Carbury officiating.

FLOWER GRABBERS

BUTLEY, England (CP) — Sir Peter Greenwell opened the daffodil woods of his home, Butler Abbey, to sightseers to raise money for the local church. More than 2000 persons turned up—and stripped the estate of every flower.

By TRACY ADRIAN

THESE TWO LITTLE JACKETS are the latest line in toppers for use with summer dresses or wear with separate skirts over blouses. They are also fun to don on a cool night over a frothy evening gown. The collarless model is a straight-line shrug in bright red wooliknit, lined throughout with black silk taffeta. Pen-thin white trim and black piping emphasize the narrow contour. At right is a double-breasted jacket in skipper navy wool with duotone stripes used as a trim around the neck, front panel and twin flap pockets. It is lined in navy silk taffeta.

Mrs. Hurl Elected by East Kootenay WIs

CRANBROOK—Mrs. E. Hurl of Creston was elected president when the sixth annual district conference of East Kootenay Women's Institutes was held here Tuesday in the United Church hall. Secretary is Mrs. R. Andestad of Wynndel, and re-elected directors were Mrs. E. Huscroft of Lister-Huscroft, Mrs. J. MacDonald of Flagstone and Mrs. M. Wigen of Wynndel.

They will conduct the 1956-57 business, with Flagstone as the meeting place.

Forty-nine women were present with representatives from the Triangle Group comprising Flagstone, Waldo and Elko in the Southeast corner of B.C., as well as from Wynndel, Creston and Lister-Huscroft. No representatives came from Windermere, which is also in this district.

Mrs. E. Black of Flagstone presided at the all-day session. Mrs. S. E. Gummow of Victoria, superintendent of B.C. Institutes, Mrs. A. A. Shaw of Vancouver, president of the B.C. provincial board, and Mrs. E. J. C. Roylance of Greenwood, vice-president, were guest speakers. Mayor R. E. Sang extended a welcome from the city of Cranbrook. A. B. Smith brought greetings from the advisory board of the Farmers' Institute.

Reports of activity carried on during the past year were given by the delegates. A luncheon was served by the WMS which also served tea at close of the afternoon session. Apple blossoms from Flagstone made attractive table decorations.

Mrs. Gummow gave an interesting report of her visits to the Women's Institute groups in all parts of the province and told of her experiences in the Cariboo and Peace River country. Women's Institutes have made great progress in adult education by helping women to take their part in the community and national life of Canada, she said. Border conferences are being arranged when the Women's Institutes of Canada and the Homemakers' Clubs of neighboring States pool their ideas A border conference is to take place on July 18 at Sullivan Lake, Idaho, and another will be held in Rexford, Mont.

Mrs. A. A. Shaw, the provincial president, who brought greetings from the provincial board, stated that the fact Women's Institutes are educational organizations and should sponsor only those things which are well worthwhile.

Lister Notes

LISTER — The junior ball team held a bake sale and tea at the home of Mrs. Leonard Huscroft.

Mr. and Mrs. Alvin Gorrill and children have moved to their new ranch at Westward Ho, Alta.

Mrs. Peter Hierst of Nelson was visiting her mother, Mrs. M. Powers.

Fred Lindhorst of Cranbrook visited his grandparents, Mr. and Mrs. W. Lindhorst

Vernon Gorrill of Cranbrook called in to see his parents, Mr. and Mrs. G. Gorrill.

Canon Silverwood Christens Infant

SOUTH SLOCAN — St. Matthew's Anglican Church was the scene of the christening of Greame Rodney, infant son of Mr. and Mrs. D. James of No. 3 Plant, South Slocan.

Rev. Canon W. J. Silverwood performed the rites and the baby's Godparents are his aunt, Joyce McDonald, South Slocan and Roy James of Trail.

Legion Auxiliaries Elect New Officers

CRANBROOK—Officers of B. C. Command Legion Auxiliaries to the Canadian Legion were elected at the convention here.

Mrs. J. S. Black of Prince Rupert becomes past president. Mrs. A. E. MacDonald of Victoria is president; Mrs. C. Breeden of Vancouver, first vice-president; Mrs. N. Denison of Lumby, second vice-president; Mrs. F. Middleton of Trail, third vice-president; Mrs. N. Hudson of Seattle, fourth vice-president; Mrs. Amy Erickson of Creston, fifth vice-president; Mrs. E. Armishaw of Nanaimo, sixth vice-president; Mrs. M. Cooke of New Westminster, seventh vice-president, and Mrs. A. W. Salter of Copper Mountain, eighth vice-president.

The delegates endorsed a brief to be presented by the Legion at the Dominion convention in Vancouver.

South Slocan Rehearses for Queen Crowning

SOUTH SLOCAN — The first full rehearsal has been held for the crowning ceremony of South Slocan's first May Queen in many years.

The scene for the festivities will be the greensward among the trees with a natural back drop of forest. Seeded two years ago under the supervision of V. Street and V. D. Yeatman, the green of the entire field has almost erased the problem of dust that clouds many memories. Mr. Mulloy, chairman of the Sports Association, said that the application last Spring of nearly a ton of fertilizer, donated by Cominco, has been one of the factors in the successful park like appearance of the field.

As a crowd of mothers and children watched the rehearsals and envisioned in the minds eye what the actual day will bring, many of the fathers and district men were assembling May poles, booths and for Monday.

Mrs. W. Conkin, Jr. who has been in charge of the May Queen addition to the usual program, has expressed thanks to the many people who have helped her, both in South Slocan and Crescent Valley.

Brownies Give Tea, Concert at Crawford Bay

CRAWFORD BAY — Brownies remembered Mother's Day with a tea and concert arranged by Mrs. H. Haverstock, Brown Owl, and Miss Lorna Lytle, Tawny Owl.

After serving tea to the mothers, the Brownies entertained with songs and recitations. Songs by the group were "Little Nut Tree," "Lavender Blue" and The Brownie Song. Jackie Baker and Maureen Foster sang "A Lovely Little Robin" and then accompanied Susan Levin in "Three Old Maids of Lee." "The Skunk" was humorously recited by Lynn Oliver and Georgina Preece sang "Rain."

A substantial sum was realized from the bake and candy sale.

Harrop WI Hears Conference Report

HARROP — When the Harrop and District Women's Institute held its meeting at the home of Mrs. D. P. Fairbank, a thorough and interesting report of the district conference in Fruitvale was given by Mrs. F. E. Boyce, official delegate. Others in the group attending this conference were Mrs. T. Jenkin, Mrs. E. Serres and Miss L. Grant.

A plant and seedling sale was held after the meeting, under direction of Mrs. C. McNown, convenor of agricultural committee.

WE DO IT FREE!

Do you buy shoes for the children only when theirs are worn out? That's often too late. Growing feet push forward rapidly—as much sometimes as a whole size in a month. Little bones may be crowding even though shoes still look sturdy and unscuffed. It costs not a penny for a check-up, there's no obligation. Come in anytime.

That Long Arm Of Coincidence

RICHIBUCTO, N.B. (CP) — A request for a pipeful of tobacco and the long arm of coincidence brought three New Brunswickers together in a crowded United States military camp during the Second World War.

The unusual story of the chance meeting was told recently in this little town on Northumberland strait by James A. Franklin who was visiting his home-town after an absence of almost 50 years.

Franklin said he was leaving Camp Devon where he was employed when he heard a man ask for a pipeful of tobacco.

A second man offered his tobacco and asked the first how long he had been working on the job.

"More than a year. My name is Gaudet and I came from a place called Buctouche in New Brunswick, Canada."

"Buctouche!" said the other. "Strange that we should meet in this crowd of strangers. I've been here two years. My home is Point Sapin."

"Point Sapin!" echoed Franklin, entering the conversation.

"Do you know a man down there named Moise Dugas?"

"Sure do I'm Oliver Dugas, Moise's, son," the other replied.

"I," replied Franklin, "am the boy your mother adopted before you were born."

MOCK CRASH TESTS SKILL OF DEFENCE CLASS

SOUTH SLOCAN—The civil defence courses at South Slocan being given by R. Roberts of the provincial civil defence, wound up with an actual test of all that had been learned.

The case took the form of a supposed car accident at Bonnington. The four volunteer casualties, Diane Davis, Kay Mulloy, Eleanor Manson and Steven Brewster, were effectively made up by Miss F. McLean of Kootenay Lake General Hospital to appear as casualties having fractures, facial lacerations, burns and shock. They were taken to Bonnington and dispersed over a wide area of brush and rocks. The men then were told that the accident had occurred and shown where the car had gone off the road. They dispersed and searched the area, and upon finding the victims, applied first aid, roped them to stretchers and transported them to ambulance and thence to the first aid station located in the WI hall at South Slocan. Mr. Roberts stated the eight men had moved quickly and had the casualties back in record time. Those taking the course were J. Hendren. J. D. Yeatman, W. Baker, Donald Trozzo, W. Woikin, John Hawkins. Bruce Davis and H. E. Dahlquist.

The 10 lessons the men have taken were concerned with blanketing victims on a stretcher, knot tying, rescue work from demolished structures by means of ropes, ladders, etc.; demolition of hazardous structures and shoring up of dangerous buildings. Several films were shown by Mr. Roberts to further instruct and emphasize the practical lessons.

Mr. Hendren, fire chief at South Slocan, plans to continue the courses with the brigade throughout the summer in conjunction with regular drills. Winter months are slated for first aid courses.

Nurse Shortage Critical at Trail

TRAIL (CP) — The Trail-Tadanac Hospital is faced with a "critical" shortage of 12 nurses, administrator D. C. Stevenson said Wednesday.

He told the hospital board that 26 nurses had left since January and only 11 replacements had been found.

Trustee F. E. DeVito suggested that Trail had been "black-balled" by British Columbia nurses. He said the pay scale is about $10 below the provincial average and nurses have transportation difficulties since there is no bus service between the hospital and the nurses' home two miles away.

The board learned that consideration of their budget has been deferred by the provincial Hospital Insurance Service until August. It is now basing finances on last year's allocations.

Reports showed that the operating deficit for this year to the end of April was $11,226 compared to $22,697 in the same period of 1955.

Teachers Appointed By Castlegar Board

CASTLEGAR— Castlegar Board of School Trustees held a special meeting to discuss staff for September. The board accepted the resignation of R. Cail and J. Buhr, effective June 30. The board appointed Miss C. Proudfoot and Mr. and Mrs. A. D. Harshemin to the teaching staff for 1956.

A letter from the Engineering Institute of Canada regarding an award for Grade 13 students attaining highest total marks in physics, chemistry and mathematics, and who will continue study at a recognized university, was received. This will be for the students in the area of Trail, Nelson, or Castlegar, and will be known as the "Kootenay Branch Award, Engineering Institute of Canada." The school inspectors of the three areas are in charge of the matter.

Miracle Cushion Holds False Teeth Tight . . .

Eases sore gums!

NOW! Eat, talk, laugh as you please. Goodbye to loose, rocking, wobbly, uncomfortable plates. One re-liner lasts for months. Easy to apply in the privacy of your home.

SNUG® BRAND DENTURE CUSHIONS are a triumph of science, a sensational new plastic re-lining that gets rid of the annoyance and irritation of loose fitting false teeth. One re-lining, applied in a few minutes, makes the wobbliest plates stay firmly in place — with perfect comfort. Eat corn-on-the-cob, steaks, apples — talk, laugh as you please — plates "stay put," firmly, solidly. No need to be embarrassed with falling, clicking and wobbling dentures. Soft, easy-to-clean Snug brand Denture Cushions are harmless to gums or dentures.

Sore, irritated gums very painful

Snug eases sore, irritated gums due to loose fitting dentures. All tender areas are gently cushioned with this soft plastic. Comfort is so enjoyable, most folks wear their plates day and night and only remove them for cleaning.

Used widely by many dentists

Snug brand Denture Cushions were first used by many dentists to help patients become accustomed to new plates . . . to comfort patients with old plates that have become loose due to tissue shrinkage. Since they were so effective, the cushions are now available to the public.

One re-liner can last months—easily replaced

Snug brand Denture Cushions can last for 2 to 6 months, according to the individual mouth. Stays soft and pliable — does not harden and ruin plate. Peels right out when ready to replace.

Re-lines loose plates when gums shrink

It's not your dentist's fault that tissues and gums shrink gradually — leave spaces between the plates and the mouth. Snug brand Denture Cushions re-line the plate so that there are no gaps between plates and gums. So easy to apply in the privacy of your home.

Easy, fast, simple—done at home—no waiting

Snug brand Denture Cushions are thin sheets of a marvelous, ever-soft plastic material. Simply place one of these wonderful re-liners on the cleaned denture (upper or lower) according to simple instructions in package, and presto! You have practically a new plate. No waiting, ready to bite on anything.

Cleaned in a jiffy—tasteless, odorless, safe.

Plates re-lined with Snug brand Denture Cushions can be cleaned in a jiffy by brushing under cold water. The Cushions are tasteless, odorless and sanitary.

Why put up with the bother of adhesives that must be used every day when Snug brand Denture Cushions are so clean and convenient, last for months? At all druggists.

7 REASONS WHY YOU SHOULD TRY SNUG DENTURE CUSHIONS!

1. Eases sore irritated gums due to loose fitting dentures.
2. Holds plates firm and tight — prevents rocking, clicking, falling. You'd think you had your own teeth back.
3. Eat anything you desire—corn-on-cob, beefsteak, apples, etc.
4. Long-lasting.
5. Easy, quick to apply and clean.
6. Harmless to plates, gums or teeth.
7. Money back if not satisfied.

By Frances Drake

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR FRIDAY, MAY 18, 1956.

MARCH 21 to APRIL 20 (Aries)—Jupiter is the only planet in truly auspicious position today, but Jupiter can be most helpful when we put forth our best efforts. On the whole, the day is not unfriendly, but steady and constant endeavor will be needed.

APRIL 21 to MAY 21 (Taurus)—If you are your usual cheerful and agreeable self, you'll go along with things as you find them and try to make the most of all good offerings. Finances are favored, as are sound business deals.

MAY 22 to JUNE 21 (Gemini)—A sort of mixed up day, planetarily speaking, but with cleverness, you can make a go of even the most difficult situations. There's no need to worry or overwork; just maintain an even but efficient tempo.

JUNE 22 to JULY 23 (Cancer)—You may have to work harder, but do so without trepidation. Familiar work will bring good and enduring returns. A good day for sound financial matters.

JULY 24 to AUGUST 23 (Leo)—You can broaden your scope for learning now; also make headway in other activities if you dig in without worry. Don't override others. Use your fine judgment.

AUGUST 24 to SEPTEMBER 23 (Virgo) — Express yourself by smart action; contribute your best ideas and know-how where needed. Others are usually eager to receive valuable suggestions when given graciously.

SEPTEMBER 24 to OCTOBER 23 (Libra)—Don't expect too much without some expenditure of time and effort. Screen each situation thoroughly and avoid foolish tangles with friends, associates, superiors. Proceed with confidence, however.

OCTOBER 24 to NOVEMBER 22 (Scorpio)—A good day for making headway in your special field of endeavor. Also a propitious period for making sound investments.

NOVEMBER 23 to DECEMBER 21 (Sagittarius) — Your naturally active mind and astute business ability should stand you in good stead now. Of course, you must reason correctly and be somewhat conservative to obtain best results.

DECEMBER 22 to JANUARY 20 (Capricorn) — This day can be filled with interest, fresh opportunities and new advantages, depending greatly upon how you use your bright mind and ingenuity.

JANUARY 21 to FEBRUARY 19 (Aquarius)—You may face some puzzling situations now, but you should not let them upset your determination to continue with plans and well organized program. A steady but not too forceful attitude will win.

FEBRUARY 24 to MARCH 20 (Pisces)—You can either take up new matters or continue with your general activities, and get ahead in a very substantial way. New chances for making sound investments, gaining in prestige.

YOU BORN TODAY are often quite clever, capable with both mind and hands. Don't let worry or lack of confidence hold you back from attaining the high achievement which can be rightfully yours. You must realize that the talents God gave you are yours to use, so always put forth your best efforts. Cultivate your artistic side, for while you can succeed in a trade or profession according to your likes and upbringing, you can always take up new work, too.

King Features.

Remand Eaton Again

LANGLEY, B.C. (CP) — Gerald Eaton, 51, charged with murder in the slaying of eight-year-old Carolyn Moore was remanded for another week for preliminary hearing.

The remand, to give both prosecution and defence time to prepare, will bring Eaton back into the tiny court room here on May 23 at which time he will probably be remanded until May 28, when the trial is expected to open.

LIBERALS TO TRY FOR KAMLOOPS SEAT

KAMLOOPS (CP) — The Liberal party will nominate a candidate to contest the Kamloops constituency in the coming provincial general election, Sydney J. Smith, president of the B. C. Liberal Association announced.

VAST IRRIGATION

India's total of more than 50,000,000 acres under irrigation exceeds that of any other nation.

HOT AIR?

WELLINGBOROUGH, England (CP) — A test for air pollution in this Northamptonshire town revealed gas — in the municipal council chamber.

PRECIOUS ITEMS

LONDON (CP) — An Elizabethan Magdalen silver-gilt cup was sold for £4100 at an auction sale. A silver-gilt rose-water ewer made in 1580 realized £2900.

SPORTS

Here's John Speaking on SHORT SPORT

A group of men violated one of the oldest, most respected adages of show-business last Friday night when they decided the show would not go on, after all.

And I fear that long after they have forgotten the reasons for the decision, they will remember the effect of it.

The group under discussion decided to refund the price of admission to 77 fans who had shown up for a scheduled card of wrestling matches. They made a mistake.

The mistake cost them, I am sure, 77 potential friends—friends they could not by any strength of the imagination afford to lose. Besides losing those 77 "friends", they lost the possible support of any people those 77 might speak to in laudatory tones.

Neither matchmaker Tex Hager, Civic Centre Manager Jack Morgan nor Civic Centre Commission Chairman Laurie Lefeaux were responsible for the discision. The decision (such as it was) was made by the wrestlers, with the complete approval of Moe Smith, Hager's assistant.

• • •

The move all but completed the chore started by Nick Zubray some time ago when he almost "killed" the territory with his disgraceful handling of the Primo Carnera affair. After that set of matches, the fairly large crowd was unanimous in telling all who would listen: "I'll never come back here again."

Most of the disgust and disillusionment was, no doubt, spur-of-the-moment stuff which would have disolved in time. But the way Hager's assistant and the wrestlers purported themselves last week was just another nail in the coffin.

• • •

Tomorrow night, Hager comes over here personally with what I consider the best set of matches he has ever brought to Nelson. Four midget grapplers highlight the card, and they are, to coin a phrase, fantastic! In the preliminary, Jerry Gordetski will oppose Al Warshawski, while in the main event, Leon Kirilenko will tangle with Canada's Cal Roberts.

That card could be what pulls out the coffin-nails. And Hager guaranteed Monday afternoon that the matches would go on, come rain, snow, sleet, hail or empty seats.

• • •

Short's Briefs: Four of Nelson's loveliest will be smiling out at you from your television screen Monday afternoon between two and three o'clock. But only if your television set has been turned on. Barbara McCandlish, Valerie Denyer, Muriel Lauder and Hilda Abfalter are all set to appear over KHQ. The girls are all finalists in the Mid-Summer Bonspiel queen contest.

• • •

Nelson Maple Leafs' had a fine workout Tuesday evening, which included some batting practice and lots of practice chasing long fly balls. Among those present were Marsh Severyn, Les and Frank Hufty, Jerry and Bob Koehle and numerous others . . . Tomorrow morning, you people are in for a treat (?). I will write a column about fishing. Which could be quite a chore considering my knowledge of fishing would barely cover the hair on the wart on the tail of the frog on the bump on the log in the hole in the bottom of the sea.

READ THE CLASSIFIED DAILY

Tom Morgan's Relief Hurling Propels Yankees Into First

By The Associated Press

New York Yankees jumped back into the American League lead by defeating Cleveland 4-1 Wednesday while the persistent Chicago White Sox won a 3-1 decision over Washington.

Tom Morgan took over from Maury McDermott with the tying run home, the bases loaded and one out in the fourth at Cleveland. The young right-hander got the side out and didn't allow another base-runner in his first victory against three defeats.

Mike Garcia was the loser, giving up a leadoff homer to Billy Martin in the first inning, and then collapsing as Martin, Joe Collins and Mickey Mantle singled and Yogi Berra poked a sacrifice fly for a 2-1 Yank lead in the fifth. Mantle later smacked his 13th homer.

Sox rolled up the longest winning streak in the American League this season as Dick Donovan scattered six hits and smashed a two-run single in the fourth.

In the other American League games, Boston edged Detroit 4-2 and Baltimore out-powered Kansas City 8-6.

In the National League Pittsburgh edged past Cincinnati into fourth place by thumping the Redlegs 9-2 on 14 hits. Bob Friend was the winner for a 5-2 record.

Don Liddle pitched his first complete game this season in New York Giants' 9-3 romp over Chicago Cubs.

Solly Hemus lined a bases-loaded single in the ninth to break a 1-all pitching battle between the Phils' Robin Roberts and Milwaukee's Bob Buhl. Hank Aaron's triple scored Milwaukee's run in the sixth off Roberts. Phils' first run came on rookie Ted Kazanski's eighth-inning single, one of seven hits off Buhl, now 2-2.

Michel-Natal Enters Loop

NATAL — A general meeting of the Michel-Natal Football Club was held in the Michel Hotel on Saturday, May 12 at which the club was re-organized for the 1956 season. A motion was also passed that the football club enter the Crow's Nest Pass Football League and compete fo rall the trophies.

The following officers were elected for the term: President, Herbie Travis Jr., Natal; vice-president, J. F. Mitchell, Michel; secretary, Robert Martin, Michel; treasurer, Norman Hughes, Michel.

The executive committee elected included Frank McVeigh, Hugh Robertson, W. G. Lyne. Coach of the team this year will be the veteran Ken McFarlane of Michel.

It was decided to hold practice sessions every Tuesday and Thursday evening at 6:30 p.m. The first game for the Michel-Natal club will be with Lethbridge A.N.A.F. at Natal ball park May 27.

Calgary Stampeders Sign Yank Centre

CALGARY (CP)—Calgary Stampeders announced the signing of Dick Tonn, five-foot 11-inch, 23-year-old centre from North Carolina State College, Wednesday.

Tonn, who weighs about 215 pounds, was a four-year letter winner at centre for State College. He averaged 45 minutes a game during junior and senior years.

He served two years in the armed forces between high school and college, where he studied industrial recreation.

Rainier Players Air Grievances

SEATTLE (AP)— Seattle Rainier baseball team met Tuesday night with Dewey Soriano, general manager of the Pacific Coast League club, to air grievances by the players over the managing of Luke Sewell, who last year piloted Toronto Maple Leafs of the International circuit.

The meeting, second blow-up by players this year, ended after a 75-minute discussion. Soriano said the grievances "were small things although taken by themselves they mean a lot to the individual." He said he felt the problem could be "worked out amicably."

Sewell and his two coaches, Bill Brenner and Vern Stephens, were absent from the meeting, but Sewell met late with Soriano.

Nelson Kegler Cops Honors In Marathon

CRANBROOK — The East and West Kootenay Men's Marathon Bowling tournament was held in Cranbrook Sunday May 13. Winners were as follows: High Three, consecutive: Bruce Malcolm, Nelson, 898; High any three: Alf Bakken, Cranbrook, 952; High Single: Art Bouchard, Nelson, 358. High totals 25 games: Bruce Malcolm, Nelson, 6099; Jack Buchanen, Fernie, 5665; Art Bouchard, Nelson, 5633! Bob Meredith, Cranbrook, 5590; Alf Bakken, Cranbrook, 5579.

Bosox Hurler Injures Ankle

DETROIT (AP) — Boston Red Sox pitcher Mel Parnell was injured in the third inning of Wednesday's game between the Red Sox and the Detroit Higers at Briggs Stadium. He was removed from the field on a stretcher.

The Boston southpaw, who led off the third with a single, overran second base and had to slide back in as Billy Goodman followed with another single.

Parnell was taken to Detroit osteopathic hospital for x-rays of his left ankle. The Red Sox said he caught his left foot in the bag strap, and quoted Parnell as saying he "heard it crack."

MANSFIELD, England (CP) — The Bishop of Southwell, visiting a boys' school in this nottinghamshire town, asked: "Well, young man, what class are you in?" Blushing, the "young man" replied "I'm one of the masters."

Trading Mart Active; Deadline Approaches

By The Associated Press

St. Louis Cardinals swapped Alex Grammas, their $100,000 reserve shortstop, and outfielder Joe Frazier to Cincinnati in return for utilityman Chuck Harmon Wednesday as major League clubs hustled through last minute player shifts to meet the 25-man roster limit by the midnight deadline.

It was the second trade in six days by Cards, with General Manager Frank (Trader) Lane juggling 10 players in the transactions.

The two-for-one swap left the cards a man under their 26-player limit, which makes allowances for returned serviceman Wilmer (Vinegar Bend) Mizell.

FRICK INTERVENES

While the Cards got right with the roster limit, Boston Red Sox had to re-appraise their player list after baseball commissioner Ford Frick voided their move to put sore-arm pitcher Willard Nixon on the disabled list.

Frick said he isn't going "to put a guy on the list just because he has a sore arm."

Cleveland Indians got down to their 26-man limit by trading catcher Hank Foiles to Pittsburgh for first baseman Preston Ward while sending catcher Earl Averill and infielder Bobby Young to Indianapolis of the American Association, and selling pitcher Jose Santiago to Kansas City. Averill was optioned, Young sold outright.

Kansas City gave veteran Elmer Valo his release and optioned pitchers Arnie Portocarrero to Birmingham of the Southern Association, Bill Harrington to San Diego of the Pacific Coast League and Art Ceccarelli to Columbus of the International League while selling catcher Joe Astroth to San Diego.

TORONTO GETS TWO

Outfielder Ron Northey was optioned to Indianapolis and catcher Earl Battey and pitcher Bill Fischer were sent to Toronto of the International League by Chicago White Sox.

In the National League, Brooklyn Dodgers beat the deadline by shipping sore-arm southpaw Karl Spooner to St. Paul of the American Association.

Pittsburgh, after dealing with the Indians, optioned righthanders Joe Trimble, Bob Garber and Bob Purkey to Hollywood of the Pacific Coast League.

Philadelphia Phillies hit the limit by sending pitchers Duane Pillette and Angelo Lipetri to Miami of the International League.

Speculation Reaches Peak

LOS ANGELES (CP)—Speculation on the Sugar Ray Robinson-Carl Bobo Olson middleweight title fight Friday night reached one of those odd stages Wednesday in which it appeared that the supporters of neither fighter was absolutely convinced his man would win.

Each faction was hopeful of success but not to the extent of going overboard.

This condition, of course, does not apply to the official parties of Robinson, the champion, and Olson, the challenging ex - champ. These people breathed fire and confidence. But how much of this was pure whistling through a graveyard was open to debate.

Last December in Chicago the situation was in marked contrast. It was hard to find anyone who would pick Robinson, who was deemed too old at 34 to make good in the big blue ribbon test of a comeback campaign.

So most all the experts went down with Olson in two rounds.

Wednesday Robinson boasts the larger group of expert pickers but the betting line is extremely thin and practically a toss-up.

By ringtime at Wrigley Field Friday at 7 p.m. when the main event goes on for the local trade and a national television audience, Sugar Ray is expected to be about a 2-1 favorite.

Two More Horses Scratched

BALTIMORE (AP) — Probable opposition for Kentucky Derby winner Needles in Saturday's $100,000 Preakness was reduced Wednesday to eight by withdrawal of Assorted and Ricci Tavi.

Trainer Oscar Mackey discovered belatedly that Llangoleen Farm's Assorted suffered a sore leg after winning the Preakness Prep Monday.

Ricci Tavi was second in the race but his handlers decided he isn't ready for such a classic as the Preakness.

Trainer Mackey was brimming with hope over Assorted before a bowed tendon showed up.

The shrinking field only added to the confidence around the Pimlico barn of Needles where trainer Hugh Fontaine turned to the weather for conversation.

"This crazy Maryland weather" said Fontaine, bundled up against the raw wind mixed with a spot of rain.

Was he worried about rain and mud for Saturday's $100,000 Preakness and the second stepping stone for Needles in quest of the triple crown?

"He can mud," reported Fontaine. "But I'd rather have a dry track. It's safer. Mud is no good for any athlete."

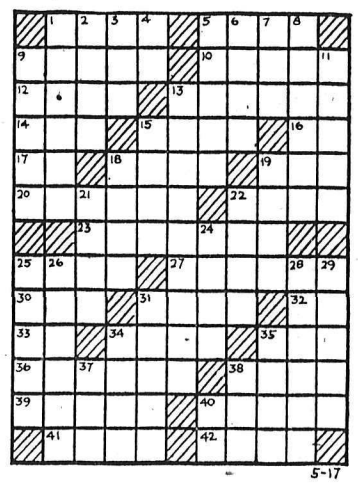
Yesterday's Answer



DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

E N A P H C T W G J L E A V T K S W G T K A L
W J A V J W E N A T L W F J N H K H J J W
S A J E J W K A — K N V B A K M A V T A.

Yesterday's Cryptoquote: STRAIT-LACED, BUT ALL-TOO-FULL IN BUD FOR PURITANIC STAYS — TENNYSON.

PUBLIC NOTICES

AUCTION SALE
Timber Sale X71317

There will be offered for sale at Public Auction, at 10:30 a.m., Local Time, on June 25th, 1956, in the office of the Forest Ranger, Castlegar, B. C., the Licence X71317, to cut 1,682,000 cubic feet of larch, white pine, spruce, fir, cedar, lodgepole pine, balsam, yellow pine, hemlock and other species and 127,000 lineal feet of cedar poles and piling, on an area situated on part of Lot 4598, and vacant Crown Land, Sentinel Mountain, South-east of Sentinel Lookout, Kootenay Land District.

Five years will be allowed for removal of timber.

Provided anyone unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Further particulars may be obtained from the Deputy Minister of Forests, Victoria, B. C., or the District Forester, Nelson, B. C., or the Forest Ranger, Castlegar, B C

FEELING HEADACHY
because of irregularity?

CHEW
FEEN-A-MINT

A modern medicinal laxative in chewing form, FEEN-A-MINT is pleasant to chew and gentle in its action, gentle enough for little children.

FEEN-A-MINT is a safe, dependable and thorough laxative and has a delicious candy-coating — refreshingly flavoured with mint. Why feel headachy in the mornings? Or off-color, sluggish and miserable anytime, because you need a laxative? Get FEEN-A-MINT at your druggist today and feel fine again.

FAMOUS CHEWING LAXATIVE

4H Club Addressed On Poultry Raising

CRAWFORD BAY — William Fraser gave an interesting talk on the care and raising of poultry when the 4H Club's monthly meeting was held recently.

The youngsters showed keen interest, and are doing well in caring for their chicks. Those studying gardening have sent soil samples to the Department of Agriculture in Victoria for analysis and have been advised on proper fertilizer to use. They also received a donation of fertilizer from The Consolidated Mining and Smelting Company. Many members have their gardens seeded.

Legion Head Speaks At New Denver

NEW DENVER — A. A. Lamb, West Kootenay zone commander, spoke at the recent meeting of New Denver branch of the Canadian Legion, expressing pleasure in the group's interest and hope that a delegate would be sent to the coming zone convention in Rossland.

Arrangements were made for a dance Monday.

FUNERAL NOTICE

BARTLE — Masonic services for the late Frederick William Bartle will be held Saturday, May 19, 1956, at one o'clock from the Masonic Temple conducted by officers and members of Fidelity Lodge No. 32 A.F. & A.M. Public funeral services will follow at 1:45 from the Masonic Temple. The Rev. Canon J. Rogers will officiate and interment in Masonic section, Mountain View Cemetery. Clark's Funeral Chapel in charge.

FUNERAL NOTICE

WILSON — Funeral services for the late Mrs. George W. Wilson (nee Pauline Dingwall McDonald) will be held Friday, May 18, 1956, at 2:30 p.m. from the Knox United Church. Rev. James M. Taylor will officiate. Cremation will follow. Clark's Funeral Chapel in charge.

Dayman New President of Fernie Chamber

FERNIE — Fernie Chamber of Commerce elected Aubrey Dayman as president at its annual meeting Tuesday night. Other officers elected were Jack Minton first vice-president, Isaac Haile, second vice-president and Frank Butala secretary treasurer. The councillors are Frank Amantea, Ed Chappell, Ross Colgur, William Quail, John Rahal, Herbert Planneger, Roy Ursual and Morley Obee.

A lengthy discussion arose from a question regarding the petition of the retail merchants for a full day closing, preferrably Monday, each week. The petition has been presented to the City Council who referred it to the city solicitor for legal advice. One section of the municipal act gives the Council authority to grant the petition. Another section states that if a holiday closure is in effect each week, council can only change it following approval by plebiscite. The Chamber decided to ask the retail merchants to reconsider their petition for one day closing in the interest of service to the public, to consider the possibility of remaining open one evening each week and the late opening of confectionery stores for the convenience of tourists.

The Chamber decided to write a letter to the Interior Breweries regarding the possible closure of the Fernie Brewery, to point out the local advantages, to seek an interview with the directorate and to escertain what help the Chamber of Commerce could give.

Major James White appealed to the meeting for the cooperation of the Chamber members in explaining the reassessment commencing in the city shortly. Such new assessment is being made to obtain a truer valuation of property and should benefit the citizens. With the same mill rate, the total taxes collected will be lower this year because the Municipal Department authorized reduction of about a quarter million dollars in assessment.

PENITENTIARY BID

The industrial committee will continue to gather information for submission with the application to federal authorities for the establishment of a penitentiary in this district. Further information, plans and data for the possible erection of a tourist campsite within the city will be gathered.

George Lees, former president of the Chamber was presented with a gift as a token of appreciation for his hard work and keen interest in Chamber of Commerce activities. Mr. Lees is leaving shortly for Kitimat where he has accepted the position of branch manager for B.A. Oil.

ANGUS PETRIE WINS ROAD-E-O IN CRANBROOK

CRANBROOK—Jaycee Road-e-o chairman Brian Clapp reports that the road-e-o held here was a great success.

Fifteen local contestants competed on a very difficult course. Angus Petrie came in with an almost perfect score to take first place and an all-expense trip to compete in regional finals at Vancouver. In second place, boys, Harry Kemball won a camera outfit, and first place girl Darleen Rosiky also won a camera outfit.

The Road-e-o would have been a much greater success had the young people's interests been greater.

Presentation of the trophy and prizes will be made at the next dinner of the Cranbrook Jaycees.

Natal Stores Close on Mondays

NATAL—Natal-Michel merchants have decided to close their shops on Mondays, and to remain open Wednesdays. Previously stores had closed Wednesday afternoons.

The merchants felt Mondays were dull business days, and that employees would appreciate two consecutive days off. Stores in the Crow's Nest Pass on the Alberta side of the border have been closed on Mondays for some time.

CONFIDENTIALLY YOURS
—by Byrne Hope Sanders

MONTREAL, May 17th — It's uncanny . . . but true! Add a package of LIPTON Onion Soup to boiling water—boil a few minutes—and you have a *flavor*, a *consistency*, a *richness* which you'd expect to take *hours* of slow cooking! Try grating some cheese over a bowl of Lipton Onion Soup and serve with a square of toast—it's scrumptious! Also serves as a base for heavenly onion sauces and gravy that are terrific on hamburgers or roasts.

LIPTON ONION GRAVY

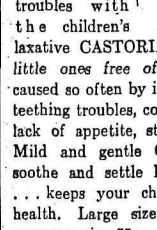
Bring 2½ cups water to a boil. Add package of Lipton Soup and 1 tbsp. butter or margarine. Cover and cook 10 mins. Blend 2 tbsps. flour and ½ cup of water and add to soup mixture. Stir till thickened—and serve to your delighted family—several times a month!

My Young Daughter . . . says that instead of *my* teaching our Budgie to talk—I'm learning to imitate the Budgie! All I know is that when I come into the room, he makes *exactly* the same little coaxing sounds I've been using over the past weeks! Sounds *just* like me! We've given ourselves a dead-line for a family decision on the name . . . ***to be announced in my next column,*** *for sure!*

I Don't Think there's anything more important to a child's health and general well-being than keeping him free of childish troubles with the children's laxative CASTORIA. Keep your *little ones free of the troubles* caused so often by irregularity . . . teething troubles, colds, headaches, lack of appetite, stomach upsets. Mild and gentle Castoria helps soothe and settle little stomachs . . . keeps your child in radiant health. Large size 45c. Family economy size 75c.

London, Paris and New York . . . are *you* planning to visit one or all of these meccas soon? Because if you are, for business or pleasure, your local BANK OF MONTREAL manager will be happy to provide you with letters of introduction to its people in those cities, and to make whatever financial arrangements will be most helpful to you while you're away. As a headquarters to handle correspondence and other matters . . . as a base of operations . . . and as a rendezvous to meet friends and pick up mail, I know of no more convenient place than the B of M . . . in London, Paris or New York!

$10 To Nova Scotia! To Mrs. L. G. Nette of Aylesford, who's discovered the secret of a tempting, *nourishing* breakfast that can be served to the whole *family at once!* She butters slices of whole wheat bread before breakfast; puts a half slice of BORDEN'S King-Size Cheese Slices on top of each, and pops them in the oven while the family's enjoying hot cereal. Then — hot, crunchy, *scrumptious* —they're ready! The family *loves* breakfast now—and neighbors are finding it a good idea too. Won't *you* try *it?* **And send me your favorite cheese recipe, using any Borden's Cheeses—to** Confidentially Yours, 1411 Crescent St., Montreal. Maybe you'll win the weekly $10 next!



Life Is Good! . . . specially in this magic month of May when the garden is full of promise and one can work *hard* in it . . . and then relax luxuriously with a cup of Instant Chase & Sanborn Coffee. It's so full-flavored, now that it's "Gentle-Brewed"—an exclusive process in which none of the delicate coffee essence is lost. Look through the window in the jar of INSTANT CHASE & SANBORN COFFEE—see the result of "Gentle-Brewing" . . . then *taste* its perfection in the cup! You'll find *all* the rich flavor of freshly made coffee—no more of that scorched color or scalded taste! *Do* try Instant Chase & Sanborn Coffee, today!

Take A "Peek" Test! . . . With your face hidden in your hands take a peek at your hair . . . is it really at its prettiest? You can do *wonders* with it by using LANOLIN PLUS Hair Products—the *shampoo* which gently *conditions as it cleans* . . . with the lanolin *right* in the shampoo. . . . Rinse with Lanolin Plus Creme Rinse—to highlight the beauty of your hair . . . then apply Lanolin Plus "For the Hair", a special formula to give that *extra* sparkle and gleam. Each of these products has a high lanolin content—that's why they're so good. The Shampoo $1.25. The Creme Rinse $1.25. "For the Hair" $1.25.

Good Health . . . is so much a matter of good food . . . so make certain that *your* dear ones are getting the essential nutrients . . . the vitamins and minerals . . . found in every pound of BLUE BONNET MARGARINE. It's such an *easy* way to ensure the best nutrition for, really, "Everything's better with Blue Bonnet on it!" Its sunny-sweet flavor adds to the enjoyment of fresh vegetables—of hot biscuits—of baked potatoes. Blue Bonnet brings nutrition as well as flavor because it's made from pure vegetable oils and pasteurized skim milk. Don't use just *any* margarine — make it Blue Bonnet *every time!*
