New Middle East Crisis Possible

Egyptian Decision Restore Rule in Gaza Strip Reported

By WILTON WYNN

CAIRO (AP)—Egypt apparently has decided to restore her rule in the Gaza Strip within the next two days. Another full-blown Middle East crisis may be precipitated.

Prime Minister Ben-Gurion told the Israeli parliament in Jerusalem Wednesday his country "reserves freedom of action in case Egyptians return to the Strip."

In New York it was announced that Dag Hammarskjold, UN Secretary-General, is flying to Cairo Saturday for consultations.

The Egyptian intention was reported Wednesday night by an official of the Palestine department in Cairo after UN Undersecretary Ralph Bunche had a 90 - minute conference with President Nasser and a 45-minute talk with Brig.-Gen. Salah Gohar, director of the Palestine department. Maj.-Gen. E. L. M. Burns, UN commander, sat in on the talk between Bunche and Gohar.

MOVE IN SOON

The official said Egypt plans to move its Gaza administration to the disputed strip "very soon", possibly within two days.

Bunche made clear to reporters that the UN is not disputing Egypt's right under the 1949 armistice with Israel to administer the former Palestine coastal area, nor even attempting to postpone the entry of Egyptian administrative officials.

A series of mollifying moves by UN officials has indicated, however, they hope Nasser of his own volition will delay the move until tempers have had a chance to cool.

Thousands of Gaza Strip Arabs staged a mammoth demonstration Wednesday in anticipation of the early restoration of Egyptian rule. Crowds paraded shouting "Death to Israel" and "Long live Nasser". Some shouted "Down with the Eisenhower plan".

The former Egyptian-appointed mayor who has been restored to his post in Gaza City by UN forces pleaded with the crowds to avoid violence and to behave "with dignity". There were no incidents.

A UN spokesman Wednesday reported the blasting of a section of railroad track inside the Gaza Strip.

Bunche told reporters the UNEF will give its full co-operation to Egyptian administrators.

"No attempt has been made to postpone the arrival of the Egyptian administration to Gaza," he said. "UNEF has no administration in Gaza and no intention to internationalize the Gaza Strip."

Egyptian officials said Tuesday it is not their intention to send troops to Gaza as yet. But the new Egyptian governor of the area, appointed Monday, is a major general, Hassan Abdel Latif.

Canada-Egypt Tension Easing

By JACK BRAYLEY
Canadian Press Staff Writer

CAIRO (CP) — Tense relations between Canada and Egypt over incidents in the Gaza Strip appear to be easing.

E. H. Norman, Canadian ambassador here, told this reporter Wednesday after emerging from a meeting with officials of the United Nations Emergency Force:

"I am aware of rumors of difficulties concerning the arrival in Egypt of the remainder of the Canadian contingent for the UNEF.

"Responsible UNEF officials have assured me that there is no basis for concern on this point."

Earlier it appeared that the arrival of the new troops was being resisted by Egypt following Egyptian newspaper charges that Canadian troops fired on Arabs in the strip Sunday during a demonstration.

DANES FIRE

An Egyptian spokesman in Gaza, however, said Danish troops had fired the volley that resulted in one death.

A draft of 32 reconnaissance troops, meanwhile, was held up at Naples, Italy, staging base for UNEF. They are part of a 105-man squadron of the 56th Reconnaissance Regiment. The balance of the squadron was to reach Naples within the next few days.

There was no definite word from Egyptian, UNEF or Canadian sources as to when the new arrivals would make the last lap to Abu Suweir, supply base for the Gaza area.

The ambassador's statement gave hope that what started out to look like another incident similar to that of the Queen's Own Rifles may be destined for satisfactory clarification within the next few days.

TURNED BACK

The Queen's Own, originally ordered to the Middle East, turned back at Halifax. Reports indicated that Egypt's President Nasser had vetoed their participation because of their name and their similarity of uniform to British troops.

Canadians had started to look upon developments within the last few days as the final straw from the Egyptians, who seemed to want to make them the whipping boys of the UNEF, with charges ranging from "imperialism" against Canadian government leaders to irresponsible handling of firearms by Canadian troops.

In between those extremes were a wide range of objections, obstructions and frustrations building up since Canada launched, then energetically supported, the UN force.

DOLLAR LOWER

NEW YORK (CP) — The Canadian dollar was 1-32 lower at a premium of 4½ per cent in terms of U.S. funds. Pound sterling 5-32 lower at $2.79½.

DENIED PERMISSION to bring his daughter, whom he has never seen, to Canada, Spira Nicho and his wife sadly look at their 27-year-old daughter's picture in their Toronto home. Mr. Nicho, also known as Spiro Perella, came to Canada from Greece in 1930, five months before his daughter was born. Through the depression he was unable to save enough money to bring over any of his family. Finally his wife joined him but Dafina was forced to flee from Greece in 1947 to Yugoslavia. She is now living in Budapest and Canadian immigration officials say she is subject to immigration rules applying to iron Curtain countries. Only those under 21 or over 60 are permitted to join their relatives in Canada.—Central Press Canadian.

WKP&L Consumption Continues To Grow

TRAIL — Another year of continuously growing consumption in electric power was reported by the West Kootenay Power and Light Company for 1956.

R. W. Diamond, president, says in the annual report that the overall rate of growth in load amounted to 9.8 per cent last year.

The company reported an increase of net profit to $743,175 from $734,558 in 1955. Common stock holders received $611,200 in dividends, and those owning preferred stock, $35,000.

There were 277 employees on the payroll at the end of 1956 compared with 278 at the end of the previous year.

Satisfactory operation of Lower Bonnington generating station was noted. Peak period utility loads exceeded its capacity, and $262,934 worth of power had to be bought from Consolidated Mining and Smelting Company generating plants. Thorough inspection of operating units and accessory equipment kept them in good shape, and transmission lines and substations were well - maintained. Goat River plant near Creston was used during only three short intervals while maintenance was being carried out. The report said this plant is becoming less useful as a Creston standby because of the large increase in loads related to Goat River plant's capacity.

GROWTH RATE

Growth last year averaging 9.8 per cent compares with 10.5 per cent for 1955, 6.6 per cent for 1954, and 11.3 per cent for 1953. Mining load increased 10.5 per cent, and other categories showed a 9.7 per cent increase. Consumption increase for major distribution centres in 1956 was Trail, 7.9 per cent; Rossland, 5.3 per cent; Creston, 14.1 per cent; Grand Forks, 18.4 per cent; Princeton, 18 per cent; Kelowna, 11.4 per cent; Penticton, 9 per cent; Summerland, 11.8 per cent; Oliver, 8.4 per cent; and Osoyoos, 3.1 per cent.

Minor repairs were made to the wood crib dam at Lower Bonnington after last spring's high water. The structure is reported to have settled slightly, but this is not considered serious.

Lower Bonnington and Goat River generated 301,780,847 kilowatt hours. Customers served at the end of last year totalled 31,838, of whom 19,964 were served directly. The remaining 11,784 were served through facilities of other distributors. Overall increase of 980 customers during 1956 was also reported.

Surveying now and clearing of right-of-way for a power line between Kootenay River hydro plants and the Whatshan development operated by the B.C. Power Commission, was completed toward the end of 1956, and the 138 KV transmission line is scheduled for completion in the Fall of 1957, under an agreement with the Power Commission. This interconnection, about 50 miles long, in conjunction with the Commission's power transmission facilities, will provide addition power for south and north Okanagan areas.

A second transmission line scheduled for completion this year cover a 32-mile area to serve Slocan Valley centres to Slocan City.

Minor extensions to high voltage transmission lines totalled 3.7 miles, principally in Trail-Salmo and Okanagan-Similkameen divisions. Another 13.8 miles of distribution circuits were installed on existing poles. Total added distribution transformer capacity was 4468 KVA.

Improved radio operation was credited with helping provdie efficient system operation. River flows are said to be ample for the generating plant capacity.

Britain, Jordan End '48 Treaty

AMMAN, Jordan (Reuters) — Britain and Jordan have formally ended their 1948 defence treaty but expressed hope they will remain friends.

Termination of the treaty came 35 years after Britain created the state of Jordan within the Palestine mandate under the late pro-British king, Abdullah. The treaty was due to run another 11 years.

Britain will evacuate her ground and air forces from Jordan within six months and accept payment of £4,250,000 for military equipment left behind.

In addition, Britain no longer will be obliged to pay an annual subsidy averaging about £10,000,000 nor guarantee Jordan's borders against invaders.

Premier Suleiman Nabulsi, who demanded termination of the treaty shortly after Jordan elected a pro-Egyptian parliament last October, said at the signing ceremonie Wednesday:

"This is the happiest moment of my life. Jordan is now free and independent and worth to follow the free Arab states in building Arab national glory."

He added that negotiations on ending the treaty had been friendly and hoped "an atmosphere of friendship will prevail between our countries."

British Ambassador Charles Johnston said Britain intends to "maintain close, friendly and equal relations" with Jordan.

London diplomatic quarters said Britain agreed to end the treaty because of mounting anti-British feeling in Jordan and the belief that Jordan no longer is vital as a strategic base.

WHEAT DEAL WITH POLAND DEPENDS ON 3-YEAR LOAN

OTTAWA (CP)—The head of a Polish delegation said Wednesday his government has offered to purchase 12,000,000 bushels of Canadian wheat if provided with a three - year Canadian government loan.

Ludwik Dobrzanski of Poland's foreign trade ministry said in an interview that the "definite proposal" was made to Trade Minister Howe and that Mr. Howe said he would take it up with his cabinet colleagues.

"We are progressing quite well and now are awaiting the reply of the Canadian government," Mr. Dobrzanski said. "The matter should be finished this week."

Poland and other Communist countries have purchased large quantities of Canadian wheat during the last few years, partly on credit. But in most cases credit was not extended for more than one year.

—Central Press Canadian.

FOUR-MONTH-OLD Stephen Moore is quite disinterested in the announcement that he is regarded by British physicians as "a medical miracle." For Stephen is the son of Mrs. Ellen Moore, 23, who was about to become a mother when she met with an accident. In a coma for 169 days, she was packed in ice and doctors were uncertain if the unborn child could survive the "deep freeze."

TCA Reports Record Year

OTTAWA (CP)—Record traffic brought Tran-Canada Air Lines its sixth successive surplus in 1956, the company told Parliament Wednesday.

TCA reported a surplus of $1,556,000 compared with one of $190,000 the year before.

The annual statement of the publicly - owned company was tabled in the Commons and referred to the House railway committee for scrutiny next week. Trade Hinister Howe, who reports to Parliament for TCA, brought in the report.

It showed gross revenues of $91,306,000, highest in the company's 20 years and up by a big 18 per cent from TCA's 1955 gross of $77,428,000.

TRAFFIC INCREASES

Company president G. R. McGregor attributed the improvement in TCA finances to increased traffic over its wide-flung international system, increase in aircraft capacity and increased productivity of both personnel and aircraft.

Partly offsetting these factors the report said, were increased depreciation charges—up by $2,600,000 — and higher maintenance expenses.

Operating expenses for the year were given as $82,225,000, with other costs bringing the surplus down to the eventual figure.

Passenger traffic produced more than 80 per cent of the company's intake — a record 2,072,000 passengers. This was a 23-per-cent increase over 1955.

Two Tots Killed

TORONTO (CP) — Two daughters of Mr. and Mrs. Roy Morrison, Linda, 4, and Deborah, 2, were struck and killed Wednesday by a truck while crossing the street four blocks from their home in the West End.

Revolutionary Attempt Directed at Batista

By GEORGE KAUFMAN

HAVANA (AP)—Young revolutionaries shot down the outer guard and invaded the presidential palace Wednesday in an effort to seize or kill President Fulgencio Batista. More than 40 men were reported killed.

About 20 of the student-led invaders and three guards defending Batista were killed in the palace fighting. The death toll in other fighting in the capital was estimated at 20.

Batista said his biggest worry under attack was for his small son, napping in bed.

The 56-year-old president, a veteran of violence, came through without a scratch. From the palace, he directed a counter-attack led by army tanks to suppress the uprising in the capital.

The attack on the palace apparently was in two phases:

1. A 40-man invasion team to tackle the palace guard and fight into Batista's private quarters and take him.

2. A covering armed force deployed in nearby buildings to keep up an outside attack.

The invasion force broke past the guard and into the first floor where Batista has offices. He was on the second floor finishing a late luncheon with two cabinet ministers.

Heavy firing around the palace lasted nearly three hours.

The government announced later the rebel forces at the palace were beaten back and calm prevails throughout the island.

The group that invaded the palace apparently clashed with the inner guard after storming the outer gates, while others fired on the palace from buildings nearby in a concerted attack.

HEAVILY ARMED

The general attack was made by students armed with machine-guns, pistols, rifles and grenades.

Of the bodies in the palace, all but five were identified as those of rebels. Several hand grenades were found in the palace, one in front of Batista's private office. It did not explode.

President Batista gave this version of the battle that exploded under him:

About 40 men tooks positions around the palace and attacked in unison. The presidential guard responded immediately. Police and army and navy forces joined in a mop-up operation. Tanks lined up in front of the palace and extended a block beyond in each direction.

Police clamped a curfew on Havana at 6 p.m. No one was allowed on the streets without a permit.

Anti - Batista student organizations were the apparent leaders of the attack.

Cassiar Road Information Demanded

VICTORIA (CP) — The government was subjected to stiff and repeated pressure by the opposition Wednesday to release committee findings of the Stewart Cassiar Road.

A night sitting was ordered by Mr. speaker Tom Irwin and the motion adjourned.

The road was referred to the committee on mining and railways last session when charges of waste were made in connection with construction of the road, from Watson Lake in the Yukon territory to Dease Lake. The road is primarily a mining access road.

The motion to have the matter referred to the committee to complete the findings and report back to the House first appeared on the order papers on Feb. 12. It was the third motion to appear, sponsored by Leo Nimsick (CCF-Cranbrook).

Parliament Wednesday

By The Canadian Press

Finance Minister Harris tabled the annual budget-preceding white paper showing record 1956-57 revenues of $5,149,100,000.

The white paper also showed government spending in the year ending March 31 at a peace-time record of $4,866,600,000. (See story Page 10).

Transport Minister Marler tabled the CNR's 1956 annual report showing a surplus of $26,076,000, second-highest in its history.

Prime Minister St. Laurent said Commons members can have a "fair expectation" of a general election "this summer."

Opposition members charged the government intends to raise the five-per-cent interest on bank loans it guarantees for farm-stored grain.

Senator Jean - Francois Pouliot (L-Quebec) proposed that Senate committees be streamlined to "distribute evenly the sessional work."

$26 Million CNR Surplus in '56

OTTAWA (CP) — The CNR Wednesday announced a 1956 surplus of $26,076,000—second-highest in its 33-year existence—and presented Parliament with a budget calling for a $7,700,000 surplus for this year.

Both figures were based on successive record revenues, with the expected 1957 figure of $800,000,000 topping the 1956 peak by about $25,000,000.

The publicly-owned company's surplus for last year will go to the federal treasury. It is not quite enough to cover what the CNR owes annually on preference stock held by the government.

However, the company before declaring the surplus was able to pay off fixed charges of $31,600,000 on bonds held by the government and public.

GOES TO COMMITTEE

The CNR report was tabled in the Commons by Transport Minister Marler. It was referred to the Commons railway committee —along with the CNR budget and the annual report of Trans-Canada Air Lines—for scrutiny next week.

For 1956, the CNR reported gross operating revenues of $774,800,000 as against the previous high of $696,600,000 in 1953 and the 1955 total of $689,300,000.

Operating expenses of $703,300,000 were up from the 1953 top of $658,000,000 and from 1955's $635,300,000.

The $26,000,000 surplus stacked up against one of $35,639,000 in the war year of 1943, the largest since the CNR was formed. The 1955 surplus was $10,700,000. In the year before that, there was a deficit of $28,800,000.

May Refuse Poor Drivers Insurance

VANCOUVER (CP) — John Babcock, president of the Insurance Agents' Asosciation of B.C., said in an interview Wednesday poor drivers may be refused insurance next year unless premiums are increased.

"The increased number of claims and higher repair costs not accompanied by a corresponding increase in insurance rates is resulting in increased selectivity," he said.

Chetwynd Improving

VICTORIA (CP) — Agriculture Minister Ralph Chetwynd is improving "but still in serious condition" in hospital, Premier Bennett told the legislature Wednesday.

Mr. Chetwynd was taken to hospital on Monday, believed suffering a relapse from a heart condition.

GREEK CYPRIOT YOUTH HANGED

Youngest Executed In Britain's 2-Year Unity Campaign

NICOSIA, Cyprus (Reuters) — Nineteen-year-old Greek Cypriot Evangoras Palikarides was hanged Wednesday night for carrying a gun.

He was the youngest Cypriot executed by the British during a two - year campaign to unite Cyprus with Greece. His death came as last-minute appeals were made in Cyprus and Britain to have the execution stayed.

In London Wednesday night, 40 Labor members of Parliament asked the government to stay his execution along with seven others under the death penalty in the British colony.

Palikarides Wednesday told his sister: "Don't grieve my death. It is good to die for Greece." His parents joined him in the death cell.

332 SLAIN

Palikarides was hanged in the Nicosia central prison soon after midnight Cyprus time. An hour before, a Greek Cypriot priest gave the last sacraments to Palikarides and another Cypriot hanged for a murder not connected with the terrorist campaign.

A frenzied uproar by men and women prisoners died down suddenly after the execution.

Since the emergency started April 1, 1955, 332 persons have died as a direct result of the EOKA campaign, including 102 Britons.

Before he died, Palikarides said "I hope I shall be the last Cypriot to hang for the cause of Enosis (union with Greece). If so, my death will be worthwhile."

He was the first man to be put to death for possession of a firearm since the British government imposed emergency regulations to combat the Cyprus rebellion two years ago.

ALL FOR $1

TORONTO (CP)—Burglars carried a 300-pound safe six blocks from an office building in suburban Mimico Tuesday night, then patiently hammered it open. Inside was $1.

SIR PIERSON DIXON was honored by the Pilgrims of the U.S. on his third anniversary as Britain's permanent delegate to the United Nations. He told the gathering in New York that the UN is being victimized because of a desire to keep the peace "even at the price of injustice." The natural and overwhelming desire of UN members to prevent war is being exploited by certain nations, he said.

—Central Press Canadian.

Threat of War Lessened—SEATO

CANBERRA, Australia (CP) — The Southeast Asia Treaty Organization said Wednesday night the threat of Communist aggression has lessened, but warned that Communists are still bent on world domination.

Foreign affairs officials from the eight SEATO nations, Britain, France, the United States, Australia, New Zealand, the Philippines and Thailand, signed a communique at the end of their three-day planning session.

"While the threat to peace in southeast Asia has diminished, the forces of international communism are still working for the ultimate objective of world domination," the officials said.

To counter communism, the countries outlined economic, cultural and military plans for southeast Asia.

U.S. State Secretary Dulles told a press conference American forces almost everywhere in the world carry atomic weapons as "almost a normal part of their equipment."

STOCKPILED EQUIPMENT

He did not specify whether U.S. forces overseas are equipped with live atomic warheads, but it has been disclosed previously the United States has stockpiled such equipment at its NATO bases in Europe.

Dulles said the U.S. and Australia are concerned that Russia may be engaged in other activities in Antarctica, on the SEATO pact's southern flank, under the guise of building scientific bases for the International Geophysical Year.

Dulles said all decisions reached at the conference have as a single purpose the strengthening of the spiritual and political beliefs of persons faced with the menace of communism.

"We have again confirmed our belief that only through the exercise of collective defence, backed by ample force, can we expect to remain free."

MUST BEAT COMMUNISM

The chief British delegate, the Earle of Home, said the most notable feature of the conference is that so many nations are able to agree on a program to promote peace.

The SEATO nations must meet and beat communism by the sheer weight of their own example, Home said.

Delegates discussed the threat of Communist penetration by means of subversion. Under an "exposure" program, SEATO would hand to those governments who had enemies within information about those enemies and expert suggestions on how to defeat them. It would be up to the governments concerned to stamp out any threats.

The communique said a permanent military planning office will be set up at SEATO headquarters in Bangkok, Thailand.

And in This Corner . . .

MONTREAL (CP)—Montreal takes its St. Patrick's Day celebrations seriously and its guest of honor for the festive weekend ahead is as Irish by birth as Paddy's pig.

In fact, Sir Henry Grattan-Bellew raises pigs.

Sir Henry and Lady Grattan-Bellew—she's English-born which is being overlooked—will be attending their first major Canadian shindig since they arrived at Foster, Que., in the eastern townships last May.

Sir Henry's title dates to 1668 and he followed Grattan-Bellew tradition with a spot of military service and then dedication to farming.

"I am not a gentleman farmer," says Sir Henry of his 110-acre hog farm. "In my country a gentleman farmer is one who supervises the work. I work."

Now he's anxious to produce the best pig in Canada.

They will preside as guests of honor Friday night at St. Patrick's Society annual ball, to be followed by a city-hall reception for citizens of Irish descent Saturday. There will be pontifical high mass in St. Patrick's church Sunday, followed by the annual parade and the closing United Irish Societies' banquet.

Switzerland's Features Portrayed in Lecture

About 300 people were taken on a three-hour tour of Switzerland Wednesday night.

With Anton R. Lendi, internationally - known Swiss commentator, as their guide, they travelled by imagination from the downstairs hall of St. Paul's-Trinity United Church to Geneva, joining 12,500,000 tuorists who go there from all over the world every year to admire the country and ski over and climb its mountains.

"There are many contrasts in Switzerland," Mr. Lendi said. On one hand are a happy people who live in much the same way as their ancestors, in "story book houses". On the other side are modern electric trains to carry visitors up the steep slopes.

Switzerland's four languages — French, German, Italian and Romanch — help to create tolerance and understanding, he continued. The lecturer quoted the philosophy of a famous Swiss poet: "Honor and esteem every man's country, but passionately and devotedly love your own."

A color film illustrated the lecture. It showed Geneva, its home of the International Red Cross, the watch making industry, skiing, the famous St. Bernard dogs, Zurich, village and pastoral scenes, Swiss cheese manufacturing, St. Moritz and other places.

Mr. Lendi was introduced by Rev. E. Donovan Jones, and his appearance was sponsored by the Excelsior Group of St. Paul's-Trinity.

Kinsmen Give $30 To Spurrell Fund

Nelson Kinsmen Club gave more than $30 to the Rev. Spurrell memorial fund, it was announced at the club's dinner meeting Tuesday night in the Hume. It was hoped other clubs would be encouraged to support the fund set up to help the widow and young son of the Anglican minister of New Denver who died in a snowslide last month. Half of the Kinsmen donation was collected after the founders' night meeting, and the rest came from Club funds.

J. G. Allan was asked to organize acts for an inter-service club talent show being arranged by recreation director J. R. Johnson for March 25.

Members expresed regret at being unable to assist the L. V. Rogers High School band on a trip to Kelowna to a music workshop in May.

Ian Brown was appointed assistant treasurer.

F. E. Morris has been nominated director of the Kinsmen polio fund. Elections will be held at the zone convention at Fernie April 6 and 7. Mr. Morris, Nelson polio chairman, said a Kaslo child is now in Vancouver with his mother to receive polio treatments. Local Kinsmen sent the boy there for his first treatments last year, and the parents seem happy with their son's progress. All expenses will be paid by the B. C. Polio Fund.

Airlines Officials Visit District

Visiting Nelson and district have been two representatives of Canadian Pacific Airlines. They are Frank B. Holland, distrist sales manager, and J. F. Hann, sales representative, both of Vancouver.

Excessive speed cost Kenneth Hingwing, Nelson, $10 and costs Wednesday. He entered a plea of guilty before Stipendiary Magistrate William Evans in provincial court.

Alex Fleming Dies in Victoria

A former Nelson man, Alexander Neil Fleming, died in hospital in Victoria early Sunday morning. Burial took place Tuesday.

Mr. Fleming, who would have been 52 in May, operated the Capitol Barber Shop here for about 10 years, starting in 1930, in an exchange with Robert Burgess. When he returned to Victoria, Mr. Burgess came back to Nelson.

His father, the late George Fleming of Nelson, was once local manager for the Singer Sewing Machine Company, and for a time operated the Lakeside Cabins, then known as Fleming Cabins. For a time, Alexander Fleming and his wife operated the business for the father.

His wife and son Bob survive him.

Small Audience as Film Festival Opens

A "meagre" crowd attended the first night's showing of the Kootenay Film Festival Wednesday in the Capitol Theatre. Rev. J. N. Allan anticipated there might be a better attendance on the two remaining days of the festival.

BREAKS LEG

GRAY CREEK — Roy Oxtoby broke his leg when hauling poles for Wirsig's sawmill. An extra long pole, the end of which was frozen under the snow, snapped off and knocked him down. He was taken to Creston Hospital where it was found to be a clean break of one bone.

Chopsticks Abandoned as Diners Tuck in

In a setting of Chinese lanterns and bright paper garlands, 300 members and guests of the Nelson Rotary Club dined on a many-course meal of Oriental food Wednesday night in the Silver Room of the Hume hotel.

Sitting at tables for eight, 168 persons were accommodated during the first hour of the dinner. Chopsticks were provided for all, but most of the diners soon changed to forks and spoons as they ate their way through a menu of such delicacies as don gar soup, sweet and sour spare ribs, cashew chicken, beef chop suey and jumbo prawns.

Young Chinese - Canadians acted as waiters and waitresses. Ingredients for the unusual dishes were imported especially for the dinner. All arrangements were under the direction of Joe Hingwing.

proceeds from the dinner, which is to become an annual affair, will go toward completion of the swimming pool at Lakeside park. Hector Mackenzie headed the ticket and publicity committee.

Signal Honor for Trail Sea Cadet

TRAIL — Five years of perfect attendance in the Trail Royal Canadian Navy Sea Cadet corps by Petty Officer First Class C. MacDonald were honored following Corps inspection Wednesday night. On behalf of Mayor L. A. Read, Ald. Alec Brokenshire presented a certificate. James Bryden, honorary president, Trail branch, Navy League of Canada, presented a pair of cuff links, and Commanding Officer Al. Bush presented a book on navy traditions. MacDonald has enlisted in the Royal Canadian Navy.

Former Kimberley Woman Dies at Coast

KIMBERLEY — Former Kimberley resident Mrs. Phyllis Ethel Caskey died Saturday in Vancouver. Funeral service was held there Wednesday.

Survivors are her husband, Archie, and two daughters, Pennie and Joyce, at home; and a brother, William Efflett, Hamilton, Ont.

DRIVER FINED

P. S. Podnikoff, Crescent Valley, pleaded guilty Wednesday in provincial court to crossing a double line. Fine levied by Stipendiary Magistrate William Evans was $15 and costs.

Students' Interest in Work Of Cancer Society Acknowledged

Roy Pollard was elected president of the Nelson Unit of the Canadian Cancer Society at the annual meeting Wednesday in the Court House. Secretary-treasurer elected was Mrs. J. T. McIntyre.

Maxime Mermet and Arthur Spiers, delegates of the Junior Red Cross Society at L. V. Rogers High School, were appointed to the board of directors in recognition of the interest shown by the Junior Red Cross in the work of the Cancer Society. The students suggested it might be possible to form a Junior Cancer Society at the high school and they thought that further interest in the work of the Society could be aroused by showing new films.

Retiring president H. A. D. Greenwood advised the meeting that the service clubs would be asked to name their representatives to serve as directors. He noted it was difficult to arouse interest in the Society since they had discontinued financial campaigns after becoming a member of Community Chest.

He said the Society paid all expenses of cancer patients referred to the Vancouver clinic, even hiring a house keeper to look after the home if necessary. He suggested that the new president might inquire into the possibility of the Society equipping a room in the new hospital here, as had been done at the Penticton hospital. The meeting was also told that the Society had received many donations during the year in lieu of flowers at funerals.

Dr. R. B. Shaw was appointed honorary president of the Nelson unit, with Dr. H. H. Smythe and Dr. J. G. McMurchy honorary vice-presidents. The meeting was attended by representatives from the high school, Selkirk Health Unit, Lions' Club and the Women's Institute.

Red Cross Drive "Encouraging"

Response in the first two weeks of the Red Cross drive in Nelson has been "very encouraging indeed", Branch officials said Wednesday. With only a few canvassers having turned in money, totals collected were $120 from outside districts, and $1310 from residents and businesses in Nelson. Final totals are not expected to be in until the first week in April.

Objective of the local drive, which started March 1, is $7500.

Judge Dismisses Disturbance Charge

Juvenile Court Judge William Evans Wednesday dismissed a charge of creating a disturbance against three Nelson juveniles because of lack of evidence. They were defended by G. B. Arnesen.

The three were charged when it was alleged they were singing in a local cafe Saturday night. City police, who were in the cafe kitchen, asked the trio to appear in court; police were not called to the scene as stated in Wednesday's issue of The Daily News.

Five Applications for Citizenship Approved

Five applications for Canadian citizenship were approved Wednesday by His Honor Judge E. P. Dawson in County Court. Certificates will probably be granted in about three months.

Petitioners were Georg Gerhard Greulich, Jan Franciscus Postma, Karl Winterberger, Vainno Isakki Virtanen and Frank Flezar.

40 From Here to Help Pick Liberal Candidate Tonight

More than 40 official delegates will represent Nelson Liberal Association at the nominating convention of West Kootenay Liberals at Castlegar tonight. Delegates from throughout the federal riding will attend from such district points as Trail, Rossland, Salmo, the Slocan and as far east as Creston, although not including Creston.

Nelson delegates will be:

Mr. and Mrs. H. D. Harrison, Mr. and Mrs. E. W. White, W. R. Hunter, W. N. Ferguson, W. W. Ferguson, N. R. Sardich, Mr. and Mrs. B. Vecchio, Steve Vingo, Mrs. V. Mason, Gordon Burns, Harry Burns, A. H. Allan, R. A. Peeples, Miss Winnie Kinahan, Mrs. F. Boyd, P. W. Marken, Mr. and Mrs. J. C. Fukala, Mrs. Mary DeFerro, Norman Brown, W. J. Sturgeon, J. E. Keegan, Ben Sutherland, S.E. Braird, Dr. G. R. Callbeck, Leo S. Gansner, E. W. Kopecki, J. L. Grieve, Fraser Tees, W. Carmen Hancock, C. F. Rutherglen, Charles Bland, C. H. Stark, Jack Morgan, A. C. Spiers, F. E. Goucher, William G. Apostoliuk, Stanley E. Morris, A. W. Moore, Howard Moore and Mr. and Mrs. James G. Allan.

NOTICE

The
Annual General Meeting
of the
NELSON DISTRICT COMMUNITY CHEST
Will Be Held
Thursday, March 28th
8 p.m. — Canadian Legion Hall

BUSINESS...

Reports of Committees and election of 4 directors for a 2-year term in accordance with Bylaw No. 5 of the Nelson District Community Chest Bylaws.

BYLAW

5. Election of Officers and their duties:

(a) The Board of Directors shall appoint, not less than three weeks before each annual meeting a Nominating Committee which shall nominate a list of candidates for the Directorate of the Society to be voted on at the annual meeting. The report of the Nominating Committee must be in the hands of the Secretary of the Society not less than two weeks prior to the annual meeting and shall be given publicity, together with this Bylaw, in the press prior to the Annual Meeting. Other nominations in writing and signed by any two members of the Society may be submitted to the Secretary not less than forty-eight hours prior to the time fixed for the Annual Meeting. All nominations must have the approval of the nominee. From the complete list of nominees there shall be elected the requisite number of Directors of the Society.

(b) Elections shall be by ballot and the Secretary shall make all arrangements that may be required in connection with the elections.

(c) The duties of the officers shall be such as are prescribed by law or these bylaws and such as are commonly performed by the respective officers and such other duties as may be assigned to them respectively by the Directors.

(d) The President shall preside at all meetings to ensure that the general policy and objects of the Society are carried out and generally supervise the business of the Society.

(e) The Vice-President shall, in the absence or at the request of the President preside, or in his absence some member of the Board of Directors, shall be appointed by the meeting. The Vice-President shall generally assist the President in the fulfillment of his duties.

(f) The Secretary shall prepare and have the custody of minutes of proceedings of all meetings of the Society and of the Directors, give notice of meetings, carry on all correspondence, have custody of the seal and generally perform all duties usual to a Secretary and all such minutes and records shall be open to examination to any member of the Society for a period of two weeks immediately preceding the annual general meeting of the Society.

(g) The Treasurer shall have custody of all funds and shall keep accurate record showing whence all funds came and how they are disposed of and generally perform all duties usual to a Treasurer.

REPORT OF THE NOMINATING COMMITTEE

The following names as nominees for directors are hereby submitted to the Annual General Meeting:

MRS. ISOBEL MURPHY
V. C. OWEN
FRASER TEES
DR. R. B. BRUMMITT
DR. N. R. JENNEJOHN
DR. T. H. BOURQUE
JOHN ERB
G. F. HARTRIDGE

MRS. E.C. WRAGGE
MRS. J. W. GRAHAM
C. W. RAMSDEN,
(Signed)
Nominating Committee.

MEMBERSHIP

1. Members of the Society shall consist of the subscribers of the constitution together with those admitted in accordance with the provisions hereinafter contained, that is, every person over the age of eighteen years and every corporation, organization, or firm contributing to the Society the sum of not less than Three ($3.00) Dollars shall be a member of the Society for the fiscal year in which the contribution is made. Where the person contributing is married, his or her spouse shall be entitled to a vote equally with the contributor. Each contributing corporation, organization, or firm may appoint, in writing, one representative who shall be entitled to act and vote on its behalf at all general meetings of the Society.

DEPARTMENT OF HIGHWAYS
NOTICE
Regulations - Section 35
"Highway Act"
Extra-Ordinary Traffic
Rossland-Trail Electoral District

The undersigned, being a person authorized by the Minister of Highways, in writing, to exercise the powers vested in the said Minister in Part II of the "Highway Act" and being of the opinion that all highways, roads and arterial highways within the Rossland-Trail Electoral District are liable to damage through traffic thereon, hereby makes the following Regulation, pursuant to Section 35 of the "Highway Act", effective from 12:01 a.m. on the morning of Friday, March 15th, 1957, until further notice:

No person shall operate any vehicle over any highway, road or arterial highway within the Electoral District of Rossland-Trail, having a single axle weight in excess of 75% of 18,000 pounds or a tandem axle weight in excess of 75% of 32,000 pounds by the Regulations made pursuant to Section 36 of the "Highway Act."
The Speed Limit of trucks and buses is restricted to 30 miles per hour.
Vehicles with solid tires are prohibited.

Dated at Rossland, B.C., this 13th day of March, 1957.

Financial Statement Indicates Sound Policy; New City Hall Immediate Need

The financial report made to the Council by the city auditor bears out his statement that the Council is following a sound financial policy. Last year the revenue of the city was $1,445,298 which, even in these days, is a considerable sum of money. Of this $12,448 was unexpended at the end of the year, which is an indication of a tight control over expenditures.

The city electrical department continues to be a big money earner for the city. It returned actual profit of $150,263 after capital expenditure and debt payment of $198,938 and operating cost of $249,725. This points to a high standard of efficiency in its administration.

The same can be said of the water department which returned a profit of $28,937 on its year's work.

The gas plant registered a loss but since this has passed to the Inland Natural Gas Company it will not again figure in Nelson's financial statement, but the Transit System is still not paying its way. Last year it lost $7706. Transit systems everywhere are having similar difficulties and in view of fares charged the loss is inconsiderable. In this particular case there are other considerations, besides the matter of profit, which are more important.

An item which is important to motorists is the receipts from parking meters. In 1956 these amounted to $12,953. Street parking space is rapidly becoming insufficient and it is time that the Council gave some thought to the matter of providing off street parking.

Once again the city auditor calls attention to the need for better accommodation at the city hall. In view of the present insufficient accommodation it is surprising that such good results have been obtained by all the departments. It is a tribute to their ability that they have been able to operate so well under great inconvenience.

This matter of providing better accommodation for the city staff is the only major problem before the City Council. Admittedly it is a difficult one. The ideal solution is to provide a completely new building built for the purpose of providing the right kind of accommodation for the needs of each department and adequate storage space for the records which constitute an important part in city government.

Unfortunately for the ideal solution this is no time, with credit restrictions, and the high cost of borrowing, to embark on a program which would involve borrowing. It therefore devolves on the Council to consider, even if temporary, means of providing for the needs of the rapidly growing city staff. There should be no delay in meeting the situation.

Letters To The Editor

Letters to the Editor on any topic of genuine interest are welcome if they are brief, accurate and fair. No letter will be inserted in whole, or in part, except over the signature and address of the writer. Unsolicited correspondence cannot be returned.

Preserve Landmarks, Writer States In Discussing Monuments Removal

To the Editor:

Sir—It is with a great deal of astonishment and sadness that I observed in the March 6 issue of your newspaper that the Nelson City Council has authorized the moving of the Houston Memorial and water trough to a location in Lakeside Park, to make way for the widening of Vernon Street.

First, I am astonished that such a move has been authorized with very little apparent objection from the residents of the City of Nelson, and that your newspaper has not taken a stand on the matter. As you are aware "tradition" is a wonderful thing, and it is only by honoring our forefathers that we can revere their names and their deeds in pioneering and settling this vast Dominion of ours.

Secondly, I am saddened to think that in order to make way for a highway (which is very commendable), it is necessary to remove this memorial—a memorial to the first mayor of the City of Nelson. It is true that today's generation does not give too much thought to these landmarks of the past, until it is too late, and I can only bring to your attention a recent item that appeared in one of the Vancouver newspapers concerning the removal of one of the first houses built in Vancouver to make way for a park project, and which fact was brought to the attention of the civic authorities by Major Matthews, Vancouver City Archivist—it is now going to be replaced, at considerable expense, which could have been avoided if the advice of Major Matthews had been followed in the first instance. I would also like to bring to your attention the many projects that are under way at the present time in replacing items of local and historical interest, in the way of Fort Macleod, Alta., Fort Langley, B.C., and the possible reclamation of Fort Steele, near Kimberley.

We have as much local history in British Columbia, and Canada, as there is in the various states of the U.S.A., but it is up to the authorities to preserve these items, because they are not only a tourist attraction, but do something for the tradition of our country. I would like to further point out that in such a busy metropolis as London, England, there are many memorials that are placed in busy thoroughfares, but it does not seem to be any problem for traffic to drive around them.

I would like to say that, as an ex-resident of Nelson, I still remain keenly interested in my native city, and trust that my letter will at least cause further thought to be given before the memorial is moved.

(MRS.) S. K. M. YOUNGBERG.
275 Gage Road, Richmond, B.C.

(Editor's note: Several news stories expressing the viewpoints of many on the subject dealt with in the above letter have been carried by this newspaper in the past year or two. Regarding reference to its stand, The Daily News feels the proper location for the War Memorial is that one which will invoke greatest reverence of those whom the memorial commemorates.)

MDB's Waxwings Bohemian

To the Editor:

Sir—Your "Odds and Ends" contributor, M.D.B., spoke too soon in his column Saturday, March 9, when after saying he should know a little more of the flora and fauna of B.C. himself, he preens himself on recognizing cedar waxwings recently. He, I think, spoke too soon for what he saw, I am sure, were Bohemian waxwings, quite similar in most respects but larger than cedar waxwings. The cedar is a summer bird in Canada, going south for the winter. The Bohemian is a bird of the north in summer and comes into southern B.C. in the winter only. The Bohemian has white or yellow marks on wings when closed, and the cedar red only.

A. B. SMITH.

Cranbrook, B.C.

?Questions? ANSWERS

Open to any reader. Names of persons asking questions will not be published. There is no charge for this service. QUESTIONS WILL NOT BE ANSWERED BY MAIL except where there is obvious necessity for privacy

E. F. D., Taghum—Could you please tell me the date of Moffatt's translation of the Bible?

Somewhere between 1820 and 1843 Robert Moffatt, a Scottish Congregational missionary in Africa, translated the whole of the Bible (and also Pilgrim's Progress) into Sechwana, the language of one of the tribes among whom he spread the gospel. His autobiography, Missionary Labours and Scenes in South Africa, was published in London in 1842. The brief biography of his life that we have here gives no mention of dates when his translation of the Bible was started and finished. For your further information, David Livingstone, the famous explorer, was his son-in-law.

Unsigned—I have some ointment I would like to have analysed. Tell me where to send it. I have tried local drug stores but they cannot do it. What would be the charge?

Send it to the Provincial Analyst, Parliament Buildings, Victoria, B.C. We do not know what the charge would be, if any.

Curious, Creston—Please tell me what the "glow" is in scotchlite? Also, can this be purchased in other forms—such as sprays or paint?

We have been informed this is a kind of luminous paint but have no other information. Have you consulted a local hardware store or paint shop? They might have some inside knowledge that would help.

Interested, Nelson—Who is the Dominion Archivist?

Dominion Archivist and National Librarian: Dr. W. Kaye Lamb, M.A., Ph.D., LL.D., F.R.S.C.

Not Easy To Get Fired

Top executives are finding it tougher and tougher to get fired these days.

Seldom before in the world of business has the power to fire been more cautiously practiced. And with good reason. In this era of unprecedented corporate growth — and consequent dearth of managerial talent —enough men with executive ability are hard to find. Then, too, there's a growing conviction in corporate councils that the outright firing of a key executive is more likely to sully a company's reputation than to strengthen it.

As one corporate official puts it: "The day of the hard-hitting empire builder who fired an executive because he didn't like his looks, or dismissed them wholesale because he was in bad humor, is gone." Another observes: "There aren't many top level executives who've been fired in the past 10 or 15 years—too many safeguards have been placed around management decisions these days for all the blame to fall on one man."

—Wall Street Journal.

Press Comments

Union leaders report that it is hard to organize the white-collar workers. Probably because they can't afford the dues.

—Winnipeg Tribune.

But we can't understand how Pierre Radisson could ever have handled the Indians without the U.S. cavalry to back him up.—Vancouver Province.

Budget Highlights

OTTAWA (CP)—Highlights of the federal government's financial white paper tabled Wednesday in the Commons:

Budget surplus for year ending March 31 estimated at $282,500,000, compared with $33,100,000 deficit in previous year.

Revenues are record $5,149,100,000 compared with $4,400,000,000 in 1955-56.

Expenditures peacetime high of $4,866,600,000, compared with $4,433,100,000 in 1955-56.

Government takes $100,000,000 from budget revenue to bolster civil servants' superannuation fund and reserve against losses on realization of assets.

Budget surplus is applied against net public debt, which brought down to $10,997,900,000.

Expenditures in addition to budget include $379,000,000 for universal old age pensions, mainly financed by special taxes.

Personal income tax — biggest revenue item — rises to $1,413,000,000 from $1,185,600,000 while corporation income tax rises to $1,185,000,000 from $1,027,700,000.

Defence spending up by $18,000,000 to $1,766,100,000.

Canadian living standards make greatest gain in post-war history during calendar year 1956 as gross national income reaches record $29,866,000,000.

Russia wipes out post-war debt with final $1,000,000 payment.

Immigration costs jump 50 per cent, mainly due to Hungarian refugee influx.

They'll Do It Every Time — Registered U. S. Patent Office — By Jimmy Hatlo

TODAY'S BIBLE THOUGHT

Jeapordized their lives unto the death—Judges 5:18.

The people of Zebulon and Napthali were not the last to do that. Our missing boys remind of that. We all hazard our lives for one thing or another, for a thrill we drive too fast, we live too furiously, or we soberly stake our lives for this end or that. Make it a worthy end.

Aunt Het

Pa says that in hard times, people are ruined by failure. In boom times, they are ruined by success.

About the Town

Exhibits Admired At Harrop School

HARROP — "Open House" at Harrop School was well attended by 16 parents. There are only 15 pupils in the school at present, but the schoolroom walls were almost completely covered with outstanding art exhibits, consisting of "spatter-painted" snowflakes, maps and shadow-writing, the latter art work being of particular interest. The children read aloud individually and each grade answered questions on its current reading lessons. Parents examined their children's work books and the teacher, Mrs. P. Munche, was able to discuss the progress of each pupil with the respective parents. Tea was served to the visitors by Mrs. A. Stevens and Mrs. V. C. Rowley.

Engagements

Mr. and Mrs. John S. C. Blight announce the engagement of their only daughter, Deanie Elizabeth, to Mr. James Innes Hendry, second eldest son of Mr. and Mrs. James Hendry of Calgary, Alberta. Vows will be exchanged in the St. Paul's - Trinity United Church at 4 p.m. on April 20th.

Balfour Notes

BALFOUR — Mr. and Mrs. M. Wellwood have as their guest Mrs. Wellwood's mother, Mrs. M. Johnson of Burnaby.

Mrs. M. Wellwood is a patient in Kootenay Lake General Hospital.

The Doctor . . .

Questions May Give Cancer Clue

By DR. H. N. BUNDESEN

A doctor is no magician. He can't tell whether a person has cancer simply by looking at him.

But he probably will be able to tell after asking a few simple questions and making a thorough, painless, physical examination.

When you go in for a physical checkup — and you should have one at least once a year — your physician probably will ask you these following questions regarding possible symptoms of cancer:

Have you noticed any painless lumps or thickening, especially in the lip, tongue or breast?

Have you at any time noticed any unusual bleeding from any natural body opening or from the nipples?

ANY SORES?

Have you any sores, particularly around the tongue, mouth or lips, that have refused to heal?

Are your bowel habits regular?

Have you noticed any change?

Have you warts or moles? Has there been any change in any of these?

Are you bothered with persistent indigestion or difficulty in swallowing?

Have you experienced any persistent hoarseness or unexplained cough?

Have you gained or lost weight recently? How is your appetite?

With your answers as a guide, he will then examine your lips, cheeks (inside and out), tongue and tonsils. He will check your scalp and neck for any scaly or bleeding sores, unhealed scars or black moles. He'll pay particular attention to the glands of the neck and armpits.

POSSIBLE X-RAY

With a stethoscope, the doctor will examine your chest. He may order an X-ray.

Simply by touching and applying pressure, he can check the size and character of your internal organs. He can detect any unusual enlargement or growth in your muscles, joints and bones by manipulating them with his hands.

With women patients, he'll check the breasts, cervix and uterus. A rectal examination is advisable for both men and women and particular attention should be paid to the prostrate gland in men.

Finally, he'll make a urinalysis to uncover anything else that might be wrong.

Gray Creek

GRAY CREEK — Leonard Syfchuck is the guest of Mr. and Mrs. Willard Foster at Crawford Bay. Leonard is still using crutches after his sleighing accident. In this way he can attend school.

George Petrescu, principal of Crawford Bay Superior school, is a patient in Creston Hospital.

Mrs. Norman Anderson has left for Los Angeles where she will spend a holiday with her brother, Verne Jernberg. Her journey down was broken in order to visit Mr. and Mrs. C. H. Murdock who used to reside in Gray Creek and are now living at Atascadero, Calif.

Eases Baby's teething troubles by keeping him regular
As thousands and thousands of mothers have discovered, Baby's Own Tablets can go a long way toward keeping baby regular during teething. These sweet-tasting little tablets bring prompt relief to little fevers, fretful restlessness, gas, listless appetites and tummy upsets resulting from irregularity during this time . . . and they are so easy to take. Use Baby's Own Tablets, too, for constipation or when stools are hard and pebbly. Clinically and time-tested for over 50 years — Use them with complete confidence. Get Baby's Own Tablets at your druggist today.
BABY'S OWN TABLETS
NEW! BABY'S OWN COUGH SYRUP made especially for babies. Soothing—quickly relieving. Pleasant. Won't upset digestion.

By TRACY ADRIAN

MOTHER AND DAUGHTER have teamed up in matchingly styled blouses for wear with separate skirts or under suit coats. Made in combed cotton broadcloth with full three-quarter sleeves, the mother's version has a tiny pointed collar, is eyelet etched and embroidered with a multi-colored bull. Little sister's blouse comes with an embroidered parakeet and has a small Peter Pan collar.

70-Member Legion Auxiliary To Celebrate Active Decade

CRANBROOK—The tenth anniversary of chartering of the Ladies' Auxiliary to the Canadian Legion branch here will be marked at a social gathering at the Legion March 27.

The Auxiliary now lists over 70 active members and takes a prominent and active part in community and welfare work in addition to its function of assisting Canadian Legion work. Charter members and members no longer active who have taken a prominent part in the 10-year history will be special guests.

Mrs. Ing Grant and Mrs. William Wasilieu were named delegates to the semi-annual East Kootenay Zone meeting of Auxiliaries at Creston on the weekend. Mrs. Herbert Simpson and Mrs. Gilbert Grant were appointed Auxiliary representatives to the St. Eugene Hospital Ladies' Auxiliary.

Auxiliary program of making flowers for street sale prior to Mother's Day in May is progressing well. All proceeds from this event will go to the Dr. F. W. Green Memorial Home Society Fund.

Mrs. W. J. Wilson was named Auixliary representative on the Cranbrook centennial celebration committee. Mrs. Pauline Gartside was appointed convener of the volunteer committee assisting with the weekly well-baby clinics.

LADIES' AID TEA WELL ATTENDED

WYNNDEL — Around 25 women attended the monthly Ladies' Aid tea for the St. Paul's United Church held at the home of Mr. and Mrs. L. Abbott. During the afternoon, Mrs. Mary Dobson of Timmins, Ont., daughter of Mrs. J. G. Abbott, had the opportunity of meeting many of her old acquaintances. Mrs. D. Abbott assisted Mrs. L. Aboott in serving lunch.

United Church Group Aids Spurrell Fund

PROCTER — Members of the Procter Ladies' Aid of the United Church voted a donation to the Rev. J. W. Spurrell fund at the March meeting at the home of Mrs. G. A. Phillips. Mrs. Alec J. Garner was a prize winner and is the hostess for the next meeting. Materials were distributed for the Easter tea and sewing sale.

Rev. J. W. Spurrell fund is in aid of the family of the Anglican clergyman killed in a snowslide in February near Woodbury Creek.

Bake Sale Proceeds To Buy Uniforms

WYNNDEL — The Wynndel Brownie group committee at its recent meeting decided to hold three bake sales in the district starting on Saturday. These sales will be held at local business establishments and are for the purpose of assisting to purchase uniforms for the girls and also necessary equipment.

The Brown Owl reported that there are now 21 enrolled in the Brownie pack and that the interest is great. Donations have been received from the Wynndel Women's Institute and from individuals which have been used to purchase badges for qualifying Brownies. Brown Owl and Tawny Owl have made semaphore flags for each of the girls.

KORDA'S WIDOW WED QUIETLY; PRESS FOOLED

LONDON (CP)—The ceremony was simple with the bride wearing a stylish grey dress and not a single reporter in sight.

The London press sportingly paid tribute to a socially prominent couple who set out to get married "quietly and without fuss" and did it so effectively that nobody knew until the newlyweds told them about it afterwards.

The principals were Canadian-born Irene Boycun, widow of Sir Alexander Korda, and David Metcalfe, an insurance broker with Lloyd's, who moves in Princess Margaret's set. Both are 29.

If there were any hurt feelings among London's columnists, they concealed them gallantly as they plastered their front pages with pictures of the bridal couple and the bride's apologetic explanation:

"We either had to invite everyone and make a big occasion of it or no one—so we said nothing."

Even now, none of the papers know where or when the wedding took place. Only that it was sometime last month and somewhere in London's West End. Not even Lady Korda's maid was told that her mistress was no longer Lady Korda.

It happened so fast that the bride's parents didn't have time to come over from Fort William, Ont., to attend the ceremony.

The couple met at a charity preview last spring.

Deer Park WI Gives To Trail Fire Fund

DEER PARK — For roll call at the March meeting of the Deer Park Women's Institute held at the home of Mrs. Gladys Briggeman, members were asked to turn in used Christmas cards which will be sent to the Silver Birch School for Handicapped Children at Castlegar. A report on the official opening of this school was heard by the meeting.

Members voted a donation of $5 be sent to the CJAT Sunshine Club towards a fund for a burnt-out family in Trail. Plans were made to hold a pot-luck supper in the community hall. Mrs. M. Law expressed her appreciation and thanks for a hamper of treats received after she was in the Trail-Tadanac Hospital.

Plan Record Ad Program

TORONTO — Dairy producers across Canada set aside a record sum of over $372,000 in 1956 for use in their 1957 advertising program according to information tabled recently at a meeting of the management committee of Dairy Farmers of Canada. Based on a deduction of a cent-a-pound on butterfat marketed in June each year, the best previous set-aside was $365,000 in 1954.

While officials of Dairy Farmers of Canada view the 1956 set-aside with satisfaction they are quick to point out that a 100 per cent set-aside in 1956 would have amounted to $651,000. Main difficulty in reaching the potential has been experienced in Quebec and Ontario, the largest producers of milk and cream. The set-aside potential of these two provinces collectively in 1956 was $462,000. Alberta and Prince Edward Island were the provinces closest to 100 per cent of the potential.

Latest returns reported from the various provinces were: British Columbia, $12,558; Alberta, $43,260; Saskatchewan, $34,106; Manitoba, $34,439; Ontario, $141,097; Quebec, $78,170; New Brunswick, $10,116; Nova Scotia, $10,445; Prince Edward Island, $7902.

Says Discrimination Shown To Indians

VICTORIA (CP) — Discrimination against employment of B.C. native Indians is worse in smaller centres than in the large cities, a legislative committee was told Wednesday.

Dean Goard, principal of the Vancouver Vocational Institute, told members of the Labor Committee of a four-year program to teach Indians new vocational skills.

Since 1953 some 46 natives have gone through the school and 36 of these were placed in jobs. This is a "good average," Mr. Goard said.

The principal said he feels that job-training which will enable Indians to take their place in the community is a basic step toward gradual integration. Their outlook is changed after acquiring these skills, he said.

Mr. Goard plans to complete a report on the school's experiment within the next three or four months. The report will be turned over to the Department of Indian Affairs.

SPORTS

B.C. Undefeated in Women's Curling

SASKATOON (CP) — British Columbia continued its unbeaten string in the western Canada women's curling championships by defeating Alberta 10-8 in the fifth round Wednesday. It was the Nanaimo rink's fifth win against no defeats.

In the other fifth round games Manitoba picked up its first victory in four starts, defeating Saskatchewan 9-7.

The results left Saskatchewan and Alberta tied for second place with 2-2 records and Manitoba and Quebec (idle Wednesday afternoon), tied for last place with one win each in four games. Quebec gained its first victory in the fourth round, edging Manitoba.

The sixth, seventh and eighth rounds of the double round-robin are scheduled for Thursday with the ninth and 10th rounds Friday.

B.C. came strongly on the last three ends to maintain its undefeated streak. Mrs. Marg Fuller and her Nanaimo mates trailed most of the way, but counted five points on the 10th, 11th and 12th for the victory. Mrs. Mabel McCloy, Alberta skip, narrowly missed forcing an extra end, but killed only one of two B.C. stones when she had to drive both out of the eight foot circle.

Manitoba, one down playing the 12th, scored three to defeat Saskatchewan. Mrs. J. E. Clark, Manitoba skip, made a takeout with the final rock to win.

Bucs Undefeated In Exhibitions

By The Associated Press

Pittsburgh Pirates, off to a fast start in the National League race a year ago only to run out of gas later, remained undefeated in the young 1957 spring exhibition series by shoving two runs across in the top half of the 10th inning Wednesday to defeat Boston Red Sox 3-1.

Cleveland notched its third straight at Tucson, Ariz., scoring all nine runs in the first five innings to down Baltimore Orioles 9-5.

Chicago Cubs won their first Cactus Loop game in five attempts when they scored five times in the second inning at Phoenix, Ariz., to defeat New York Giants 9-3.

Home runs were prominent at Vero Beach, Fla., where Brooklyn Dodgers defeated Chicago White Sox 9-4. Dodgers scored four runs in the first inning off Billy Pierce.

At St. Petersburg, Fla., Kansas City Athletics edged St. Louis Cardinals 5-4 with the aid of home runs by Gus Zernial and Hal Wayne Smith.

Cincinnati scored five times in the eighth off rookie Juan Pizarro to trounce Milwaukee Braves 11-4 at Bradenton, Fla. Redlegs clinched the decision with a seven-hit barrage in the eighth.

New York Yankees, beaten 1-0 Tuesday by Boston Red Sox in 13 innings, dropped a 6-5 verdict to Philadelphia Phillies in 12 innings at Clearwater, Fla.

Washington defeated Detroit 3-2 at Orlando, Fla., the scoring coming early on homers by Al Kaline of the Tigers and the Senators' Jim Lemon.

Vernon Takes Savage Cup Opener

SIGNED by the Brooklyn Dodgers "to pinch hit" for laughs at forthcoming games, circus clown Emmett Kelly is seen rehearsing his routine at Vero Beach, Fla., on Shigero Fujio, a visiting player from Japan. Other visitors to the National League champions' spring training camp include Mayor Norris Poulson of Los Angeles, who is hoping to lure the Dodgers—who will have to vacate Ebbets Field by the end of the '59 season because the property has been sold—to his fair city.

—Central Press Canadian.

Spokane Beaten 4-2

SPOKANE (CP)—Vernon Canadians Wednesday night took a 1-0 lead in their best-of-seven Savage Cup finals against Spokane Flyers as they knocked over the Flyers 4-2 here.

The Canadians took a 1-0 lead in the first period only to have the Flyers tie the game early in the second. But before the second period was over the Canadians again moved one goal ahead of the Flyers. Vernon made the score 3-1 early in the third. Spokane desperately tried to make a comeback but they only managed one goal after the Canadians added their insurance marker.

The Canadians four goals were equally distributed between Tom Stecyk, Walt Trentini, Ted Lebioda and Mark Marquess. Carl Cirullo and John Zahara notched Spokane's tallies.

The winner of the series will receive the Savage Cup and the right to travel to Eastern Canada for the Allan Cup finals. Last year the Canadians beat out the Flyers in seven games and then went on to win the Allan Cup.

SUMMARY

First period — 1. Vernon — Stecyk (Trentini) 15:34.

Penalties: Lebioda and Crawford 10:52; Bidoski 11:40; Plante 13:45; Bidoski 16:02; Crawford 19:55.

Second period—2. Spokane — Cirullo (Plante, Kubasek) 3:23; 3. Vernon—Trentini (Schmidt) 12:45

Penalties: Blair 3:26; Curillo 9:06; Schmidt 19:03.

Third period — 4. Vernon—Marquess (unassisted) 11:15; 5. Vernon — Lebioda (unassisted) 12:28; 6. Spokane — Zahara (Toole) 12:59.

Penalties: None.

Pee Wee Game Tied

Canadien Pee Wees managed a 5-5 tie in their first game of the City Pee Wee hockey finals with the Bruins at the Civic Arena Wednesday afternoon.

The teams battled evenly all the way after the Canadiens had taken a two-goal lead in the opening period. It was 3-3 at the end of the middle frame and each team rammed in two goals in the third. The teams meet again Thursday evening in second game with the third slated for Saturday.

The Bruins efforts were well divided with Teddy Leslie, Nick Bubas, Bobby Ludlow, Quentin Maida and Ross Seaby getting a goal each. Larry Black drew the only assist. For the Habs, Bobby Steed hung up a hat trick with Ron Friesan and Ken Planeden being the other marksmen. Planeden picked up two assists, Armstrong, Wah, Steed and Friesan one each.

Both the teams drew two minor penalties.

Bruins Nip Rangers 2-1

NEW YORK (AP) — Fleming Mackell's goal with 12 seconds to play gave Boston a 2 - 1 victory over New York Rangers Wednesday night and moved Bruins into a second-place tie with idle Montreal in the National Hockey League. The defeat snapped Rangers' eight-game unbeaten string at Madison Square Garden.

Mackell's tie - breaker climaxed an uphill battle for Bruins, who entered the final period behind 1-0. Leo Labine got Boston even at 12:50 and then Bruins went all out in quest of the vital victory.

The winning marker came out of a goal - mouth skirmish with Mackell batting the puck from point - blank range into the unguarded left corner of the net. It was his 21st goal of the season.

Fourth - place Rangers, who could have clinched a playoff berth by winning, produced their only goal in the second period. Dave Creighton took a pass from Camille Henry and fired home a close-range shot at 12:09.

The game marked the return of Jerry Toppazzini to the Boston lineup for the first time since he suffered multiple fractures of the face in a collision with Detroit's Ted Lindsay Feb. 7.

Boston goalie Don Simmons received good protection throughout most of the game. He had 17 stops to make, compared with 32 for Lorne (Gump) Worsely in the New York net.

Simmons had only two stops in the final period, as Boston pressed for the win.

Hornets Extend Midget Series

Hornet Midgets forced another game in the midget playoffs as they pounded out a 6-2 win over the Warriors at the Civic Tuesday evening. The Hornets have one tie, a win and two losses in the best of five series so the Warriors only need a tie to take the City championship.

Hornets racked up two goals a period while the best the Warriors could manage was a goal in the first and final frames. Bill Lipsack and Fred McLelland paced the winners with two goals each while singletons went to Mickey McMaster and Terry Tames. Wah picked up two assists, Lipsack two and Harrison, Carmen and goalie Adcock one assist each.

Dave Morrison and Clare Palmer were the goal getters for the losing Warriors with McCandlish earning an assist.

The losers drew three of the four penalties.

Schumaker Rink Curling Victor

Curling came to an official close at Nelson Ladies' Curling Club when the Kats and Kittens competition finished Wednesday.

Mrs. D. Schumaker of the Kittens emerged the winner by defeating the Mrs. M. Craig rink of the Kats by a score of 15-9. The winning rink won the Putman Cup.

Results of the playdowns between the Kats and the Kittens.

KATS

Craig 5, Kubin 11;
Kubin 8, Wallace 15;
Craig 15, Wallace 6.

Out of a three way tie, Craig emerged the winner.

KITTENS

Schumaker 8, Kuntz 4;
Kuntz 12, Gakson 6;
Schumaker 13, Gakson 2.

Mrs. D. Schumaker won the right to meet the winner of the Kats playdowns with a 2-0 record.

The Ladies' Curling Club will hold a banquet in the Hume Hotel when prizes and cups will be awarded.

Don Campbell May Become Curling Pro

TORONTO (CP) — Canada will have its first professional curler, if Don Campbell of Avonlea, Sask., accepts an offer from the Royal Canadian Curling Club here to become club professional.

Officials of the club revealed their offer Wednesday. Campbell is said to be interested in the proposal.

Don is one of four curling brothers, all from Avonlea, who have represented Saskatchewan in the dominion curling championships for the last four years, and won it once. They finished second in this year's competition.

If Campbell became club professional, his duties would be similar to that of a golf pro, club officials said. He would be a curling instructor and his services would be available to other Toronto clubs.

Legion Curling

WINNIPEG (CP) — Fifth round results Wednesday in the Canadian Legion curling championship:

British Columbia 10 Manitoba 6; Saskatchewan 11 Alberta 8; New Brunswick 13 Prince Edward Island 12, extra end; Ontario 12 Nova Scotia 8. Quebec-bye.

English Cricketers Win 13 of 22 on South Africa Tour

CAPETOWN (Reuters) — The touring English MCC cricket team completed its five-month tour of South Africa Tuesday with a decisive victory over the combined South African Universities by an innings and 28 runs.

It was the MCC's 13th win in 22 matches. The team drew six games on the tour and lost only three, including two tests.

Final scores were: Combined Universities 142 runs and 165 runs; MCC 335 runs.

A small crowd saw the Universities team lose its remaining five wickets in 95 minutes Tuesday for the addition of 102 runs to the overnight score.

An hour of that time was taken in breaking the stubbon sixth wicket stand between D. Vernals and C. Rushmere. A run out mix-up ended the partnership after the pair had added 87 runs—the second highest stand against MCC during the entire tour.

WITH STANE AND BESOM

In Nelson Curling Club fourth competition play Wednesday night, W. Duckworth defaulted to R. Carmichael, and Carmichael defeated A. Waters 8-7 to decide "B" section winner. In sections "D" and "F", W. Gold beat A. VanSacker 15-4; in "C" and "E", H. Moore bested N. Lutkiwich 11-8.

Tonight a 7 o'clock, Gold meets Moore and D. Meakins plays Carmichael in the semi-finals with final game slated for 9 p.m.

Nanaimo Bantams Coast Champions

NANAIMO (CP) — Nanaimo won the Pacific Coast Bantam Hockey title Tuesday night by drubbing Vancouver Kerrisdale Bantams, Mainland champions 7-2 to take the total-goal series 16-11.

The Nanaimo Bantams travelled to Vancouver last weekend for the two games but the teams broke even. Kerrisdale won the first game 4-1 and Nanaimo the second 8-5, forcing a third and deciding game here.

Brian Harper led the hustling Nanaimo Club with three goals and one assist. Others scorers for Nanaimo were H. Thien, T. Sarkissian, B. Beck, and a Chevrier.

For Kerrisdale Ralph Winfield and Leslie May notched one goal each.

SOCCER CHAMPS

GLASGOW, Scotland (AP)—The Glasgow Celtic soccer team, 16 times Scottish champion, will play eight games in Canada and the United States during May and June, it was announced Wednesday.

Swedish Champs May Tour Canada

STOCKHOLM (AP) — Hockey officials said Wednesday they have asked Canadian officials about the chances of arranging a Canadian tour in the fall for the Swedish world champion team.

A spokesman for the Ice Hockey Federation of Sweden said a fall trip would suit the Swedish players better because they now are scattered throughout the country.

Two Cities May Share WHL Games

BRANDON, Man. (CP)—A plan under which Brandon will share home games of Brandon Regals of the Western Hockey League with Saskatoon next season was approved unanimously Wednesday night at a public meeting of fans.

The plan, put forward by general manager Frank Boucher of the Regals, calls for 15 home games in Brandon with additional games depending on results of a campaign to sell season tickets.

Boucher said it is likely a similar proposal will soon be introduced in Saskatoon. Season ticket purchased would get choice seats at a reduced price, he said.

PHOENIX, Ariz. (AP)—Smooth-swinging Gail Harris, who perennially tries to win a first base job with New York Giants, again is off to a blazing spring start.

This time, the 25-year-old Harris, who has driven across 12 runs in four Giant exhibition games, may be ready.

"I'm more relaxed than I've ever been and I'm not pressing," said Harris after his three - run homer in the ninth gave the Giants a 9-8 triumph over Baltimore Orioles Tuesday. It was his second homer of the game and third of the Caotus League campaign.

Webb Decisions Wilf Greaves

CHICAGO (AP)—Fourth-ranked middleweight Spider Webb of Chicago scored his 19th straight victory with a 10-round unanimous decision Wednesday night over battling Wilf Graves, Edmonton native now fighting out of Pittsburgh.

Webb weighed 159½, Graves 161¼.

Webb, while winning, looked liked anything but a 6-to-1 favorite. The 24-year-old former Olympic champion, who has hopes of getting a shot at the middleweight title soon, was frequently suckered by Graves' rights.

Graves, a plodding, hard-punching fighter, got to Webb in the middle rounds and stunned him with a tremendous flurry of power in the eighth.

However, that probably was his undoing. Webb had his tiring foe under control in the final two rounds.

Referee Frank Sikora scored the fight 49-42, Judge Jim McManus had it 50-41 and Judge E. L. Frankel 48 - 41. The Associated Press scored it for Webb, 47-43.

There were no knockdowns although Graves slipped to the canvas in the first and the fifth rounds.

"Rocket" Only 9 Goals From Fantastic 500

By W. R. WHEATLEY
Canadian Press Staff Writer

MONTREAL (CP) — Maurice (Rocket) Richard, amazing right-winger of Montreal Canadiens who is only nine goals away from an unheard-of 500, isn't unduly concerned about approaching such a fantastic National League Hockey record.

"The way people talk they seem to think I'm going to stop right there at 500," said the philosophical 35-year-old Rocket Wednesday.

"Why not 505 or 508 or something else? It seems to me that 500 is just a big round figure."

It doesn't seem likely Richard will hit the magic 500—round figure or not — this season. His club has only five games left.

No matter when it comes, No. 500 will be applauded by none other than President Clarence Campbell of the NHL. It was Campbell who cracked down with a heavy suspension on Richard two years ago for an explosive outburst in Boston Garden. Out of the exitement engendered by this action against Montreal's hockey idol the infamous Montreal Forum riot was born.

Campbell, nevertheless, has always has great personal admiration for Richard's specular ability.

"I think he is absolutely fabulous," said Campbell Wednesday in speaking of Richard's crowding the glittering 500.

"He certainly typifies this in his dedication to the game. The thing that makes him great is the burning interest and fire that stimulate him. His ability is inside him.

"I can't conceive of him being ordinary in anything. As for his temperament, it's a question whether without it he could do all the things in hockey he accomplishes so well."

Richard's present 491 goals were scored in 852 games of regular-season play. He is finishing his 15th season. Because of injuries and illness he played the full schedule in only seven of those 15 seasons. He has scored 101 in 62 games of the Stanley Cup playoffs.

HOWE CLOSEST

Closest to Richard's figure is Gordie Howe of Detroit Red Wings who has 350. Howe will be 29 March 31.

MAURICE RICHARD

The long - eclipsed NHL mark was 324, held by Nels (Ol' Poison Stewart) of Montreal Maroons of other days. Richard broke that record Nov. 8, 1952.

He has scored 31 goals in 56 games this season. He missed seven games because of an operation on his elbow.

What about next season—after he has passed his 36th birthday Aug. 4? How long will he continue playing?

"I wouldn't even guess. You can never tell what is going to happen. Right now I feel fine and my legs are in good shape, too."

Finance Minister's Budget Surplus Up More Than Double Last Year's Figures

By JOHN LeBLANC
Canadian Press Staff Writer

OTTAWA (CP) — The federal government announced Wednesday the fourth-highest budget surplus since Confederation for the fiscal year that ends March 31.

More than doubling Finance Minister Harris' estimate of a year ago, the $282,500,000 surplus could have been $100,000,000 higher if the government had not decided to tuck away some of its record revenue into different treasury accounts.

And what remains of the surplus after these transfers goes to reduce the national debt, so it will not be directly available for any tax cuts in the minister's tax-setting budget tonight for the coming year.

The annual white paper preceding the budget—and outlining the government's present financial position—showed all - time high revenues for the current year of $5,149,100,000 and peacetime record spending of $4,866,600,000, both far in excess of the government's original budget forecasts.

CLOSE TO MARK

The figures are subject to a final tally when the 1956-57 accounts are cleaned up about mid-August, but customarily the white paper totals are fairly close to the mark.

Originally, Mr. Harris budgeted last March for a $113,000,000 surplus, but the bounding Canadian economy pushed his revenue estimate up by almost $400,000,000 and budget spending went more than $200,000,000 over the forecast.

The resulting surplus was exceeded only by those of the fiscal years ending in 1947, 1948 and 1949. The top of $678,000,000 was produced in the 1947-48 year by Finance Minister Douglas Abbott, now a justice of the Supreme Court of Canada.

The budget spending does not include payment of universal old age pensions, amounting to $379,000,000. These come mainly out of special taxation which this year was estimated to yield $373,000,000 so $6,000,000 was taken out of budget revenues to cover the deficiency.

FOR PENSION FUND

Another $50,000,000 was lifted from budget revenues to meet a 1955-56 deficit in the pension fund, a regular procedure since the pensions started.

Two other $50,000,000 transfers from budget revenues—and these not so normal—served to haul down the size of the surplus.

One of these round sums went to jack up the government's fund for the payment of pensions to retiring civil servants, to bring it towards a sounder acturial basis. This was in addition to a normal contribution of $72,000,000 to the fund.

A further $50,000,000 went into a reserve which the government keeps as an insurance against losses in casting in on assets.

The remaining surplus after this the white paper said, is being tossed in against the public debt to bring the net debt down to an estimated $10,997,900,000 by the end of the fiscal year.

NOT AT PEAK

While the white paper figures showed broken records here and there, they still did not top the all-time high spending for the treasury. This was $5,322,000,000 in the war year of 1943-44, when there was a deficit of more than $2,000,000,000.

However, the current year's figure was well over the 1955-56 peacetime spending peak of $4,433,100,000. There was a $33,100,000 deficit that year.

This year's $5,149,100,000 revenue figure was far ahead of last year's $4,400,000,000 despite little change in the tax setup between the two years. It compared with Mr. Harris' budget forecast of $4,763,000,000 when he predicted a surplus of $113,000,000.

The swelling revenues were a reflection of 1956 growths, as shown by the white paper, in various aspects of the economy including personal and corporation earnings that contribute largely to the federal coffers.

INCOME RISES

Wages and salaries, the review showed, rose by $1,474,000,000 to a high of $14,284,000,000. Farm income went up by 15 per cent to $1,608,000,000. Consumer spending increased. Corporation profits, after taxes, went up by $220,000,000 to $1,830,000,000.

The gross national income was estimated at a record $29,866,000,000, up almost $3,000,000,000.

For the 1956-57 fiscal year, personal income taxes rose to $1,413,000,000 from $1,185,000,000, remaining the biggest single breadwinner for the treasury.

Corporation income tax went to $1,285,000,000 from $1,027,700,000.

Defence remained the largest spending item during the year, taking up $1,768,100,000. This compares with $1,750,100,000 in the previous year and with $1,723,000,000 which the government has asked Parliament for in the year that starts April 1.

OTHER SPENDING

Other major spending accounts for the year included $522,200,000 in interest on the public debt, up by about $30,000,000; $397,000,000 for family allowances, an increase of $15,000,000; $140,000,000 for public works, up from $126,000,000; and $252,100,000 for veterans, an increase of about $4,000,000.

Other government dealings shown in the white paper included these:

Russia during the year paid off the last of $1,800,000 of a post-war loan from Canada. Czechoslovakia paid $4,000,000 on a $16,700,000 loan and still owes $2,000,000.

Britain paid $30,000,000 on its wartime interest - free loan of $700,000,000. She now owes $52,500,000 on that loan and $1,096,600,000 as the balance of a 1946 loan of $1,185,000,000. She paid $15,000,000 in the current year against the principal.

The white paper also showed that 1956-57 expenses of the immigration department jumped by 50 per cent from the previous year, mainly because of the cost of bringing Hungarian refugees to Canada.

The expenditure went up by $16,000,000 to $48,000,000, and of this amount $11,000,000 was attributed to the Hungarian movement.

FEWER HORSES

A new low total of 817,000 horses on Canadian farms was estimated at the end of 1956, compared with 3,452,000 in 1921.

TASTIER MACARONI FOR YOUR FAMILY

New 3-minute way to make smoother Cheese Sauce

Carnation's special blending qualities make it possible — Ordinary milk won't do.

CARNATION 3-MINUTE CHEESE SAUCE IN MACARONI AND CHEESE CASSEROLE

1 large can *undiluted* CARNATION EVAPORATED MILK
½ teaspoon salt
1½ teaspoons dry mustard
2 cups grated process-type Canadian cheese
4 cups cooked macaroni
¼ cup chopped green pepper
¼ cup diced pimiento

Simmer Carnation, salt and mustard in saucepan over low heat to just below boiling (about 2 minutes). Add cheese; stir over low heat until cheese melts (1 minute longer). Pour sauce over macaroni, green pepper and pimiento mixed together in buttered 1½-quart casserole. Bake in moderate oven (350°F.) 25-30 minutes.

Park, Old Folks' Home Suggested As Creston Centennial Projects

CRESTON — When the Village Commission met recently, the full Commission was represented along with two delegates from the Centennial Committee, two from the Ratepayers' Association and two from the Senior Citizens.

The centennial group suggested that assistance from the Village and Town Planning Commission would be desirable for a permanent project for the Centennial which would bring a government grant of 60 cents per capita. Their suggestion was that a permanent park site was needed and possibly a senior citizens home could be built in conjunction. After considerable discussion three sites were suggested. The Village will investigate and hold meetings with the Centennial Committee and Town Planning Commission.

Delegations from Ratepayers and Senior Citizens attended the meeting for the purpose of asking information towards obtaining natural gas. Dr. W. N. Fraser gave a long account of the steps taken.

The Village will enquire into regulations concerning enforcement of proper parking. A discussion on parking meters and by-laws took place.

NO TAG DAYS

A discussion on application for tag days ended in a decision that all or none should have a tag day. There being many applications, it was decided that no more tage days will be held except for the memorial poppy fund which is a national day.

Comprehensive insurance for the village will be divided equally among the five local dealers.

Three trade licences were approved, one sewer and two water applications, besides a building permit for the Pentecostal Church and also the Creston Review addition. Reports of various committees were given and notation was made that storm sewers should be enlarged. Decision was made to step up the continuation of the water metering program, especially to chief commercial users such as the hospital, schools, sawmills and other businesses.

DEPARTMENT OF HIGHWAYS

NOTICE

Regulations — Section 35 "Highway Act" EXTRA-ORDINARY TRAFFIC

Nelson-Creston Electoral District

The undersigned, being a person authorized by the Minister of Highways, in writing, to exercise the powers vested in the said Minister in Part II of the "Highway Act" and being of the opinion that all highways, roads and arterial highways within the Nelson-Creston Electoral District are liable to damage through traffic thereon, hereby makes the following Regulation, pursuant to Section 35 of the "Highway Act", effective from 12:01 a.m. on the morning of Friday, March 15th, 1957, until further notice:

No person shall operate any vehicle over any highway, road or arterial highway within the Electoral District of Nelson-Creston, having a single axle weight in excess of 75% of 18,000 pounds or a tandem axle weight in excess of 75% of 32,000 pounds by the Regulations made pursuant to Section 36 of the "Highway Act".

The speed limit of trucsk and buses is restricted to 30 miles per hour.

Vehicles with solid tires are prohibited.

Dated at Nelson, B.C., this 12th day of March, 1957.

A. L. FREEBAIRN,
District Engineer

Board Supports Trail Resolution

INVERMERE—William C. Davidson was re-appointed secretary for the Windermere District Board of Trade at the March meeting. L. S. Oulton, president, paid tribute to the excellent work done by Mr. Davidson in the interests of the Board of Trade.

The Board voted unanimously to uphold a Trail Chamber of Commerce resolution that July 1 be retained as the Dominion Day celebration date irrespective of weekend holidays.

It was reported that L. S. Oulton has been invited to serve on the nominating committee for the Associated Boards of Southeastern B.C. The president and others plan to attend the annual meeting of the Southeastern Boards of Trade and Chambers of Commerce April 4.

Deer Park Told of Proposed Hospital

DEER PARK—A well-attended meeting on the Castlegar and District Hospital plebiscite was held recently in the community hall. M. E. Moran of Castlegar was the speaker. Others who attended from Castlegar were J. T. Waldie. R. A. D. West and W. J. Banigan. Refreshments were served by the members of the Deer Park Women's Institute.

Roy Slavins, 3. Michael O'Neil. Midget Downhill: 1. Kent Chappell, 2. Roy Slavins, 3. Robert Irvine.

SPORT STAMPS' DESIGN SYMBOLIC? MP PONDERS

GRAY CREEK — The designs on Canada's latest issue of postage stamps came in for criticism from N. W. Herridge, MP for Kootenay West, in the House of Commons recently.

Mr. Herridge is quoted in Hansard, March 1, as having said:

"Now, I just wish to say a word or two about stamps. I cannot resist looking at stamps and I notice that the department has recently issued some stamps which depict certain popular sports in Canada. One was published last year dealing with hockey and I think it was an excellent stamp. I hold in my hand four more, one dealing with, I am not sure whether it is fishing or canoeing. As a matter of fact, the stamp would indicate neither. There is one on swimming, one on hunting and one on skiing. The stamps the department issued to commemorate the late Sir Robert Borden and the late Lord Bennett are excellent. I think most of the stamps which deal with persons are excellent. When it comes to subjects of this type the stamps seem to be formal and they seem almost early Victorian so far as the engraving is concerned. I understand that these stamps are issued with the idea of illustrating popular sports in Canada. I think it would be better if the department said they were symbolic of popular sports in Canada and then left the rest to a person's imagination. I have four questions I should like to have the minister answer.

"Has he ever seen anyone in Canada paddling a canoe and fishing in the manner shown on the stamp indicating a fishing expedition?

"Has he ever seen any female swimming in Canada in the attidude indicated on this stamp and in water with waves of this regular nature?

"Has he ever seen anyone shoot at a bird in this fashion with a bird dog pointing as indicated."

"Has he ever seen anyone skiing on a hill with a 45 per cent slope holding one pole on the snow and the other one in the air?

"I do not think these stamps truly illustrate popular sports in Canada. As I say they may be symbolic of popular sports in Canada and there may be much more in the stamps than we see on the surface."

DAVID THOMPSON

Then Mr. Herridge spoke on David Thompson "the first white man to visit the Kootenay country and... the first white man to realize its great beauty, its natural resources and its possibilities.... We all know that David Thompson was one of Canada's greatest explorers, one of its greatest naturalists, and... I am sure that if the department can immortalize a billy goat it should be quite willing to immortalize David Thompson by the issuance of a stamp. I was pleased to discover less than ten minutes ago that the department proposes to issue a commemorate stamp this year to commemorate this great Canadian."

Castlegar Hospital Plans Outlined

RENATA — There was a good turn out at a public meeting held at the school here when M. E. Moran, R. A. D. West, J. T. Waldie and W. J. Bannigan, Hospital Society executive, spoke to the Renata ratepayers and discussed the Castlegar and District Hospital plebiscite to be held today. Architect's plans for the proposed hospital was shown and residents had the opportunity of seeing an attractive exterior of the hospital model. The planning for efficient operation was well explained.

Construction costs and district's share of cost were explained in detail.

Villages Pool Funds to Help Build David Thompson Park

INVERMERE — Plans for 1958 Centennial Celebrations are taking shape in the Windermere district. Several of the smaller villages are pooling their project money to participate in the building of the David Thompson Memorial Park which will be officially opened in August, 1957, during the David Thompson sesqui-centennial year.

The village of Invermere in co-operation with the Invermere Kinsmen Club is improving the Kinsmen Park at Taynton Bay. The Kinsmen erected playground equipment last summer. The centennial project money will be spent to fill in an adjacent slough and landscape the grounds, enclose a shallow wading area for small children, build picnic tables and benches and barbecue pits; work on mosquito control and build a pavilion which will include bathhouses.

Track Removal Cost Estimated

CRANBROOK — Notification was received by the City Council this week from the Canadian Pacific Railway that cost of the proposed move southeastward of the section of track on the Cranbrook-Kimberley rail line would be approximately $51,000, which the railway was not prepared to undertake. The suggestion had been proposed as a measure for lengthening the airport runway at the north end. Lumber yard operations beyond the south end of the runway have been under Department of Transport criticism for some time as a hazard to landing of large aircraft.

City works superintendent Emil Erickson reported to the meeting that cost of adding seven cells to the city jail in the basement of the city hall would be approximately $12,000. This information will be forwarded to the attorney-general's department.

Ald. A. J. Balment gave notice that he intended to introduce a bylaw shortly toward control of dogs in the city.

KOREA'S BIG RECOVERY

Korea's leading industry, cotton textile production, has increased by nearly 50 per cent since the end of the Korean war in 1953.

Mrs. Glen Taylor Of Cranbrook Dies

CRANBROOK—Mrs. Glen Taylor, whose home had been near Cranbrook for the past 22 years, died Sunday at St. Eugene Hospital after a long illness. She was born Clara Edith Hart at Grande Ligne, Quebec. She is survived by her husband in Cranbrook, four sons, Clarence in Calgary, Frederick at Nanoose Bay, Alexander at Campbell River and Jack in the North West Territories; a daughter, Mrs. Florence Burton of Tilley, Alta.; 15 grandchildren, and two sisters, Mrs. J. Murphy of Erickson and Mrs. L. Milne of Red Deer, Alta. A fifth son, Franklin, was killed on active service with the Canadian Army in Italy in 1944.

Rev. F. D. Wyatt officiated at the funeral service at Christ Church Wednesday and burial was in Westlawn Cemetery.

15 DAYS IN EUROPE

- Low Excursion fare saves you $97.00 — leave any day of the week, stop over en route across Canada, and then spend 15 days in Europe.
- Enquire about TCA's "Extra Cities" Plan. Travel to extra cities at no additional cost.

See your Travel Agent or call TCA in Vancouver at TAtlow - 0131. 666 Howe St. (opp. Georgia Hotel), 792 Burrard St. (Lobby Hotel Vancouver).

POTATO TIPS

GERMAN POTATO PANCAKES

Wash, pare and grate 6 med. potatoes. Combine 2 tbsps. flour, 1½ tsp. salt, ¼ tsp. baking powder, ⅛ tsp. pepper. Combine flour mixture with: 2 beaten eggs, 1 tbsp. grated onion, 1 tbsp. minced parsely. Drain grated potatoes, add to egg-flour mixture. Beat thoroughly. Fry cakes in ¼" hot fat until brown.

POTATOES O'BRIEN

Boil 6 med. potatoes. Chill, dice. Add 1 chopped green pepper, 1 chopped onion, 1 tbsp. flour, ¾ cup grated cheese, salt, paprika, dash of cayenne. Put in greased baking dish. Pour over them 1 cup milk or cream. Top with breadcrumbs. Dot with butter. Bake at 350°, 15 min.

ITALIAN POTATO SALAD

Dice 2 med. boiled potatoes. Toss potatoes lightly with 1 stalk diced celery, ½ cup diced cucumber, ½ cup ripe olives, diced, and 2 tbsps. minced onion. Blend in ¼ tsp. oregano, and Italian-style salad dressing consisting of olive oil, wine vinegar, garlic, salt and pepper.

• Always peel potatoes just before cooking. Do not soak potatoes. (Minerals and vitamins escape.) • Cook in boiling salted water. Save potato water for soups, sauces, yeast breads. • Cover boiled potatoes with cloth while they stand, to prevent sogginess. Cloth absorbs steam.

Market Trends

NEW YORK (AP) — The stock market made its best gain of the past eight sessions in more active trading.

Leading Canadian stocks in the general trend upward included International Nickel, up 1¼, McIntyre 1, Canadian Pacific ⅝, Aluminium Ltd. ⅛ and Dome Mines ⅛. Off were Hudson Bay Mining and Walker-Gooderham, down ¼ each.

TORONTO (CP) — The stock market was higher but the tops of many issues had been reduced near the close of active trading Wednesday.

Ford A was ahead 1¼ points at 102½ among winning industrials Crown Zellerback gained a point at 49½, CPR ¾ at 31 and Aluminium ½ at 117.

Uraniums featured trading with gains ranging to 55 cents, led by Northspan at $8.65. International Nickel was ahead 1¾ at 98 among senior base metals while Hudson Bay added ⅞ at 78⅞. Juniors were mixed to easier.

MONTREAL (CP) — The Montreal and Canadian stock exchanges moved irregularly higher.

International Nickel climbed 1½ to 98½ among base metals while Noranda at 51 and Asbestos at 30¾ each moved up ¼. In steels Algoma jumped 1¼ to 115 while Atlas as 28¼ was up a point. Banks were steady to fractionally higher.

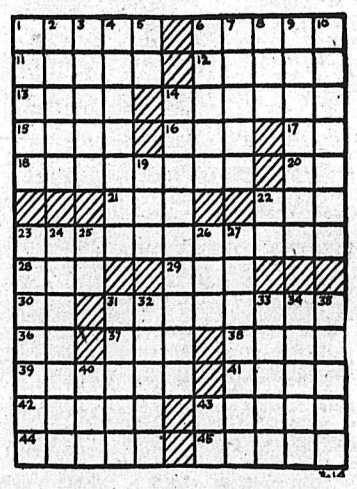
Yesterday's Answer



DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

D S M V M ' C L C R G O M V G R W R W B D S V I J B S D S M F L V T U G I J F C S R W - R W B — G M W L A I V F.

Yesterday's Cryptoquote: UNDER THE BLUDGEONINGS OF CHANCE MY HEAD IS BLOODY, BUT UNBOWED—WILLIAM HENLEY.

Decide Salary for Strachan's Secretary

VICTORIA (CP) — A salary of $62.50 per week for Kay Powell, secretary to CCF Opposition Leader Robert Strachan, was approved by order-in-council Wednesday.

The salary was effective March 11 and will continue as long as Miss Powell continues as secretary to Mr. Strachan in the legislative buildings.

Calgary Livestock

CALGARY (CP)—The livestock market was active on steady prices Wednesday. On offer were 1050 cattle and 60 calves. Bulk of the offerings was good and medium quality butcher steers and heifers. The balance of the run was cows, with a small percentage of choice butcher steers and heifers.

All classes of butcher steers, butcher heifers, cows and bulls were steady; the odd cow sale was above 12; the light offerings of mainly medium quality stocker and feeder steers met a strong demand and prices were fully steady; veal and butcherweight heifer calves were steady to strong.

Choice steers 17.50 - 18; good 16.50-17.50; medium 14-16; common 12 - 14; choice heifers 16-16.75; good 14.50-15.50; medium 12-14; common 10-11; good cows 11-12; medium 10-10.75; common 9-9.50; canners and cutters 7-9; good bulls 11-11.75; common to medium 9 - 10.50; good feeder steers 16.50 - 17.50; good stock steers 16.50 - 17.50; common to medium 10-16; good stock steer calves 16.50-18; good to choice veal 19-22; common to medium 14-17; good butcherweight heifer calves 17-19.50.

Good lambs 25 cents higher 18-18.75.

MAID WITH MISSION — Helen Landon, 20-year-old Huntington, Tenn., blonde, holds globe in New York to point up extent of traveling she expects to do in 1957 as Maid of Cotton.

The Highways

No. 3 — Grand Forks, Cascade—bare. Cascade, Rossland — widening and plowing, carry chains. Rossland, Trail, Castlegar, Nelson, Balfour Kootenay Bay, Creston, Goatfell — mostly bare, frost heaves, some icy sections, sanding. Goatfell, Cranbrook, Fernie, Crwosnest — icy sections, sanding, very rough over construction areas.

No. 3A — Trail, Salmo — mostly bare, icy sections, sanding.

No. 6 — Nelway, Nelson, South Slocan — mostly bare, icy sections, sanding. South Slocan, Slocan City, Nakusp, Needles — bare sections, frost heaves rough sections. Needles, Monashee — plowing. Monashee, Vernon — fair to good, bare sections, icy sections sanding, frost heaves, rough over construction areas.

Kaslo, New Denver — plowing. Lardeau, Gerrard — open Lardeau to Poplar, closed Poplar to Gerrard.

Alaska Highway — good.

Crown Zellerbach's Sales Up, Decline Shown in Earnings

VANCOUVER (CP) — Crown Zellerbach Canada Ltd. set a sales record last year but the company's net earnings didn't increase proportionately, President Peter T. Sinclair said in the annual report Wednesday.

"Increased costs, a weaker lumber market and a substantial exchange penalty on sales paid for in United States currency owing to the premium position of the Canadian dollar" were causes of what he termed "retarded earnings".

Sales reached $79,474,192, a seven-per-cent increase from 1955. Net income was $9,924,219, an increase of $37,988 in the year or 4 per cent, Mr. Sinclair said. Earnings per share were $1.32.

Exchange on U.S. currency totalled $409,600, the president said.

He made only a brief reference to newsprint. There was a continued strong demand, he said.

Kraft Paper Products maintained strong prices but the uneasy international situation resulted in a weakening export demand.

Lumber and shingle production declined, Mr. Sinclair said, "reflecting market conditions in these various product lines."

BCPC Reports Higher Profits

VANCOUVER (CP)—The British Columbia Power Corp. Ltd. Wednesday reported higher revenues from its electric, gas and rail freight services in 1956 resulted in an increase of more than $2,000,000 in net profit compared with 1955.

A. E. Grauer, president, said in the company's annual report gross revenues gained $4,881,160 or 7.7 per cent from 1955 to reach $68,323,799 last year. Expenses were $52,076,829, an increase of $3,207,946 or 6.7 per cent in a year.

Last year's capital expenditure program — mainly for investment in a natural gas distribution system — was $95,600,000 or more than double the outlay in 1955.

Mr. Grauer said that between now and 1960, electrical generating capacity totalling 557,000 kilowatts is scheduled to be added to the BCE system. This will approximately double present output.

Natural gas was first received in the Lower Mainland area of B.C. last November and conversion of appliances from manufactured gas was completed in mid-January.

Common share earnings for 1956 rose to $2.34 a share, compared with $2.05 in 1955.

Your Individual HOROSCOPE

By Frances Drake

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

For Friday, March 15, 1957

MARCH 21 to APRIL 20 (Aries) — Control emotions and keep sensibly alert for defects in plans and other possible errors. Avoid impatience, doubt, anxiety. Familiar matters favored.

APRIL 21 to MAY 21 (Taurus) —Use your bright mind to differentiate between delicate, subtle matters and everyday problems and chores. This may not be an easy day perhaps but one needs such days for checking, repairing, etc.

MAY 22 to JUNE 21 (Gemini)—No forlorn looks! Brighten up, show your sunny side. Everyone has periods which are not entirely comfortable but, if you take them in stride, you won't fail.

JUNE 22 to JULY 23 (Cancer)—Take wise precautions in all important and tricky matters and where there are dangerous tools, machinery and the like to be handled. But don't worry or anticipate trouble. Do smile.

JULY 24 to AUGUST 23 (Leo) —You may have to urge yourself forward at some moments today. Keep ambitiously, usefully busy, and particularly serene if your day is demanding. Calm, patient endeavor always gives satisfaction.

AUGUST 24 to SEPTEMBER 23 (Virgo) — Reading down through the Signs one might think the day is impossible of benefit to anyone. That is not so, but there is a need for alertness and caution if all are to get best results from endeavors, and to avoid needless errors. This applies to Virgo, too.

SEPTEMBER 24 to OCTOBER 23 (Libra) — Heed Taurus. YOU can put the day in the credit column. This does not mean you will reap showy gains but you can accomplish through good work, research, study, etc.

OCTOBER 24 to NOVEMBER 22 (Scorpio) — A combination hard to beat now would be your general know-how plus, tact, patience and acquiescence to due orders, necessary changes. Some obstacles melt under good humor.

NOVEMBER 23 to DECEMBER 21 (Sagittarius) — Your Jupiter is the only planet in auspicious position today. You can lead the way for many. However, some aspects warn not to go to extremes. Keep purposefully busy, however.

DECEMBER 22 to JANUARY 20 (Capricorn) — Those who work faithfully and smartly can gain at daily occupation, in selling, managing, work or business handled intelligently, consistently. Be careful, watch details — but don't worry.

JANUARY 21 to FEBRUARY 19 (Aquarius) — Well-made plans, matters properly prepared can bring new benefits. Don't give way to irritability or impatience. Keep forging ahead in your intelligent manner and things won't go wrong.

FEBRUARY 20 to MARCH 20 (Pisces) — Set a goal and aim at reaching it as directly as possible. Today stimulates your innate intuition and sense of direction. Avoid straining or fretting, but "plough" on with faith. You'll win.

YOU BORN TODAY are usually gentle, kindly in manner, reasonable and fair in your judgment of others. You are, however, too self-effacing at times for your own advancement. You have splendid ability and many talents for true achievement but you must cultivate and exercise them. Many Pisceans have reached the top rung of the success ladder in a variety of endeavors. What you like and that for which you have trained or studied will respond readily, generously to your handling. You can be clever actors, writers, organization workers, skilled mechanics. Birthdate: Andrew Jackson, 7th U.S. president; Harold L. Ickes, former Secretary of the Interior.

New Verdict on Ann Ducharme

VANCOUVER (CP) — A coroner's jury has ruled that a woman whose semi-nude body was found on a cinder pile last Friday was murdered.

Dr. T. R. Harmon, pathologist said Ann Ducharme, 27, died an unnatural death "as a result of exposure and alcoholic intoxication."

Detective William Morphett testified Tuesday the woman's feet weren't dirty although a shoe was found 80 feet away in muddy ground. Her clothing lay scattered along a 125-foot trail to the body, he said.

The woman was found Friday by Leslie G. Boyd, a civic employee, as he was going to a dump fill on the shore of False Creek in the city's industrial area.

Coroner Glen McDonald said Wednesday an earlier theory the woman died as a result of pulmonary tuberculosis and acute gastritis proved unfounded after subsequent investigation.

LONDON (CP) — Number of prescriptions taken to chemists by health service patients has fallen by more than a quarter, the health ministry reports. Since Dec. 1, patients have had to pay a shilling for every item on a prescription.

Odds... and Ends

... by M. D. B.

Well, as I said a few snowstorms ago, spring is coming to Nelson. Baker Street is pretty well dried off and in some places swept. Children have marbles and skipping ropes out and there is an air of optimism everywhere and signs of spring cleaning both in business establishments and in homes.

* * *

Spring sunshine has a curious habit of glinting on cobwebs and showing up the streaks on windows, shaming people into doing something about them.

* * *

People around the 200 block on Anderson Street are really in the limelight these nights with the two tall light standards, similar to those on Vernon Street, installed on the new Safeway premises.

* * *

By the way, I neglected to tell you about the one-year-old birthday card we received in honor of the column's birthday—we certainly had our hour of glory this year.

* * *

There seems to have been a good deal of ultra vires going around lately — yessir — that old 'flu bug is hard to avoid sometimes.

* * *

Just when I announce I have seen a flock of cedar waxwings and feel so pleased with myself for having even recognized them, someone from Cranbrook writes in to pop my balloon. He says cedar waxwings just aren't around here at this time of year and what I saw was the Bohemian Waxwing. I'll admit I didn't inquire into their habits too well, so whether they are Bohemians or not I'm in no position to say. Nevertheless, I appreciate his interest and for setting me straight in the matter. (His letter appears on editorial page.)

* * *

Hereafter, though, I think I'd better stick to description instead of trying to name them. Unfortunately this might be even more confusing. Let's see now — today I saw a flock of birds — they were not very big, nor yet very small. They had little red patches on their heads and blue on their backs, or was it blue on their heads and red on their backs? On second thought, maybe I'd better just stick to worms and grass.

Heart-Broken Model Bursts Into Tears

LONDON (Reuters) — A young model burst into tears as she displayed her 20th dress of the fashion show, a pink-and-white bridal gown.

Curtains were drawn and an announcer informed the audience: "We apologize, but the girl learned today that her fiance has been killed."

The model, 20-year-old Judy Hull, had planned to wed a U.S. Air Force lieutenant who was killed in a flying accident Monday.

DEATHS

New York—Josephine Hull, 71, stage and movie actress, of cerebral hemorrhage.

Toronto — Joseph Lister Rutledge, 72, writer and former editor of three Canadian magazines.

Montreal — George Slater, 70, president of the Quebec Hockey League.

Attorney-General's Dept. Supports Sturdy's Rights

VANCOUVER (CP) — Counsel for the Attorney-General's department has supported the right of lawyer David Sturdy to examine bank accounts of former lands minister Robert Sommers.

Mr. Sommers is appealing against a B.C. Supreme Court decision to allow Mr. Sturdy to make a limited study of his bank account for the purpose of seeking evidence that might help his defence against the former minister's slander action.

Mr. Sommers is suing the barrister because of statements made by Mr. Sturdy before a forestry inquiry in December 1955.

The Attorney-General's department counsel, Victor Dryer, told an Appeal Court hearing: "It seems obvious that to enable a litigant to give evidence inspection is necessary. The litigant himself must make copies and must have the liberty to look at books for that purpose."

Mr. Dryer was replying to a contention by Mr. Sommers' lawyer, Alfred Bull, that the B.C. Evidence Act under which the application for examination was made is invalid.

Set $200,000 Bail for Drug Suspects

VANCOUVER (CP) — Bail of nearly $200,000 was set in police court here for 14 of 22 persons arrested in a lightening roundup of suspected drug traffickers.

The raid, biggest of its kind here in nearly two years, marked the climax to undercover investigation carried on by a lone RCMP officer for more than two months.

The officer, Constable Theodore Gangdal, 25, posed as an addict and moved unobtrusively through the city's hangouts, gleaning information that made the raid possible.

Six RCMP squads and eight city police officers swooped down on a dozen hangouts of addicts and "pushers." The mop-up continued throughout the day.

DEALT WITH "PUSHERS"

RCMP Superintendent W. H. Nevin described the round-up as "the result of several months investigational and observational work."

Authorities said Const. Gangdal carried out a number of transactions with suspected drug pushers during his patient search for evidence.

Arrests were made on downtown streets, in suspects' homes and in downtown haunts.

Traffickers face a maximum penalty of 14 years.

ANCIENT LAND

Tools estimated to be 100,000 years old have been found in the wilderness of Egypt's Einai Peninsula.
