ITEMS OF INTEREST

ATTITUDE OF ATTORNEY-GENERAL ON THE LORD'S DAY ACT.

The Big Coal Strike Virtually Over.—W. C. Ward Arrives From England Re Douglas Lake Cattle Company Deal.

"The government has decided not to give its assent to any prosecutions under the Dominion Lord's Day Act." This important announcement was made by Hon. F. J. Fulton, attorney general, just prior to prorogation at Thursday afternoon's sitting of the provincial legislature. Hon. Mr. Fulton did not simplify the words quoted to any extent. He said that the members of the executive council had given the matter careful consideration, that there had been several conferences for the purpose of discussing the question, and they had come to the conclusion that the wisest policy would be to take advantage of that clause which confers upon the attorney general of the respective provinces provinces the option of enforcing the act or refusing to assent to prosecutions under its provisions.

The announcement was greeted with enthusiastic applause fron the benches occupied by the Socialists.

It is quite probable that the Dominion Lord's day alliance will take action to force the provinces which have declined to accept the measure to enforce it. It is understood that the point is taken that the federal government has no authority to give the respective provinces power in criminal matters which was not conferred on them through the terms of the British North America Act. For the reason mentioned it is likely that the alliance will take what action is necessary to have the question brought before the federal authorities at as early a date as possible.

Coal Tie-up Practically Settled.

At Fernie on Monday an agreement was drawn up between the operators and the coal miners to extend over a period of two years, the terms of which will not be made known until a general vote has been taken. In an interview with Mackenzie King the minister stated that the district executive board had agreed to the terms of this agreement and had promised to speak to the men in favor of it. On the outcome Mr. King had no doubts. He stated that he had "implicit confidence" in the district executive board and that the men would unquestionably accept.

The vote was taken simultaneously throughout the Boundary yesterday and today operations on the mines should start again. If this agreement is accepted the Conciliation Board will not be needed.

Douglas Lake Cattle Co.

W. C. Ward, formerly manager of the Bank of British Columbia, and Mrs. Ward and Miss Ward, arrived at Victoria from England last Wednesday night. Mr. Ward was one of the owners of the Douglas Lake Cattle ranch, which was recently sold for $1,000,000 and has come out on business connected with the transfer of that important property to its new owners.

Rev. D. K. Allan will preach in the Presbyterian church next Sunday at 11 a. m. and evening at 7.30 p. m. Rev. Geo. Murray will preach at Lower Nicola at 3 p. m.

Printers' ink marks the path to riches and fame. Try it.

Takes Over Outfit.

T. J. Smith, of the Diamond Vale Coal and Iron Mines, Vancouver, has purchased for $10,000 the building containing the Summerland Supply Company's furniture, hardware, feed and harness departments of their store at Summerland. The building adjoins his wharf which is being extended 600 feet and covered for use as a warehouse. Mr. Smith has also in course of construction a fine residence on his large estate. The building will accommodate twenty men, all of whom will be required when his 10,000 trees get into bearing.

Big Deal in the Okanagan.

The largest real estate deal ever consummated in the Okanagan was put through last week, when the O'Keefe and Greenhow ranches at the head of Okanagan lake were sold to a Belgian syndicate for $700,000.

The properties consist of fertile land situated between Armstrong and Vernon, and have an area of over 18,000 acres. About 5000 acres of the O'Keefe ranch and nearly the same area of the Greenhow ranch are suitable for fruit growing, and it is the intention of the purchasers to divert water from the Earl Grey canal, now under construction, and irrigate the property. After this has been done the syndicate will place the land in small subdivisions of five and ten acres on the market in London.

Coldwater Railway.

The tracklaying of the V. V. & E. railway reached the boundary line last week and now working on towards Keremeos. It is expected the track will be laid as far as Princeton by the end of the year. It has been stated on reliable authority that the railway will reach the Coldwater section by next fall and that a line would be run down as far as Middlesboro'.

Oldtimers Fear Floods.

The snowfall all through the Rockies and especially in the Selkirk mountains was heavier during the winter which is just giving way to spring than it has been for years and fears are being entertained by many oldtimers that as soon as continued warm weather sets in there may be a repetition of the floods of 1904, which swept the valleys of the Fraser and Columbia rivers and caused considerable loss of life.

Thos. Heslop has taken over the Metropolitan Meat Market form James Pooley and will continue business at the old stand.

M. Adams, of Merritt, was thrown from a broncho this week and came out of the fracas with a dislocated shoulder and a bruised side.

M. Stringer has charge of the local train this week during Conductor Frisken's absence at Kamloops, who is moving his family to Spences Bridge.

The wedding of John Beaton, general merchant of Kamloops, and Miss Elizabeth Caesar, of Markdale, Ont., took place on Thursday last at Chilliwack.

MERRITT: I have for sale some choice building lots in this the coming town of the Nicola Valley. There are only a few of them, and as there is at present a demand for lots in that locality, they should not remain long unsold. The lots are well situated, are 42 feet by 210 feet, and the price is $125 each. Prompt action is necessary if you want to secure one. For particulars and to view the lots apply G. M. BRASH, Real Estate Agent, Nicola.

OF LOCAL IMPORT

THE DAY WE CELEBRATE WILL NOT BE SLOW.

The Methodists Hold a Very Successful Official Meeting at Lower Nicola.—Merchants Agree to Continue Early Closing.

The celebration committees meet this evening to complete arrangements for the Victoria Day celebration to be held in Nicola. The finances already secured have been very satisfactory and there is now on hand over $300.00, with more to come.

Arrangements have also been made with the C.P.R. to hold their train on that day until seven o'clock in the evening so as to allow the people along the railway to spend the day at Nicola and return home the same day.

The Ladies' Aid will have charge of the refreshments on that day, and from past experience the public may depend on a good square meal to assist them in the celebration.

A meeting of the committees in connection with the Victoria Day celebration will be held in the court house, Nicola, on Friday evening at 8 o'clock. Any person having any suggestions to make before the program is arranged are requested to give same to the committee for consideration.

Methodist Church.

The quarterly and trustee boards of the Methodist church assembled in Lower Nicola on Monday, April 29th, for the transaction of important business. Rev. T. H. Wright, superintendent, called the meeting to order. After devotional exercises were conducted, reports were presented for the various departments of Christian work, and the financial and numerical returns were tabulated for presentation to the annual district meeting which will be held at Kamloops on May 13 and 14.

Gratifying reports were read on Sunday school work, and the trustees reported the acquisition of valuable church property. All the church property is free from debt.

It was decided to hold the annual picnic in Lower Nicola in the month of June.

Rev. Dr. White, superintendent of missions, who recently visited the valley and also the various appointments, spoke about the hopeful outlook viewed from a material and ecclesiastical standpoint, now that we have railroad connection.

A. R. Carrington was elected by ballot to attend the annual district meeting.

The following officials were elected to hold office for one year: A. R. Carrington, N. J. Barwick, W. Riley, H. H. Woodward, R. Whittaker, D. Dodding, Geo. Slater. Society representatives, Mrs. Wright and Ernest Woodward. A. R. Carrington was re-elected by ballot as secretary of the board.

An active interest is being taken in the work of the church and the outlook for the future is bright.

Early Closing Will Continue.

Last fall the general stores of Nicola adopted an early closing for their stores which expired on April 30th, but before that date a largely signed petition from the residents of the town and district was presented to them asking to have the early closing continued. The merchants considered same and have decided to close on the following nights: Tuesdays, Wednesdays and Thursdays at 6 p.m., and on Mondays, Fridays and Saturdays at 9 p.m.

A. W. Lundbom Dead.

The death occurred at Surrey Centre on Saturday of A. W. Lundbom, one of the oldest British Columbia pioneers. Heart disease was the cause of death.

The late Mr. Lundbom was a native of Sweeden and was eighty-six years of age. He came to British Columbia at the time of the gold excitement in Cariboo and engaged in packing over the trails with mule teams for years. After the completion of the Cariboo wagon road Mr. Lundbom sold his business and engaged in ranching, first in Nicola and later in Surrey Centre.

LOCAL NEWS.

E. A. Sergeant, of Kamloops, was a visitor to Nicola this week.

F. Rey, of Mammette lake section, was a Nicola visitor this week.

Jos. Moore, of Kamloops, and Miss Moore, of Beaver ranch, were in Nicola on Thursday.

The Diamond Vale Supply Co., Coutlee, are still continuing their sale of dry goods, groceries, etc.

J. B. Haddard, the jeweler, of Vancouver, was in Nicola for a few days this week on a business trip.

Mrs. F. Rosenberg, of Ashcroft, arrived in Nicola on Wednesday and is visiting with Mrs. M. P. Stewart.

Just to remind you that Nicola is going to capture the angel cake with her Victoria Day celebration this year.

Methodist church services will be held on Sunday as follows: Diamond Vale 7 p. m., Lower Nicola 7.30 p. m.

The secretary of St. John the Baptist church is calling for tenders for the erection of a parsonage on the church property.

G. B. Armstrong's new store at Diamond Vale is under way and it is expected that in a few weeks' time it will be open for business. The building is a two-storey 26x80 and will have a solid glass front.

Dr. George E. Davenport and John P. Cunningham, of Vancouver, accompanied by J. E. Bate, of Aspen Grove, made a trip into the Coldwater section this week in connection with the timber in which they are interested.

Jim Fish, a half-breed who resides on the Sullivan reserve, and Jonah, an Indian of the same place, are principals in a police court case today. Booze is at the bottom of the affair.

The case of Munro vs. the executors of the Gillie estate will be heard at the Kamloops assizes court this week. A number of witnesses and interested parties will leave this week to be in attendance. The case is in connection with the Lake View ranch.

Work on the new bridge across Nicola river is being rapidly rushed ahaad and today Foreman Trodden will allow teams to pass over. The work has been done in an exceptionally quick manner considering the difficulties the foreman has had to contend with. The grading of the road is going ahead and in a few weeks Nicola town will have a first-class approach to the railway station.

SHIPMENT OF COAL

THREE CARS A WEEK FROM NICOLA VALLEY COAL & COKE CO.

Excellent Work is Being Done on the Property.—Main Tunnel Now in Over 600 Feet and Shows a Fine Body of Coal.

Work on the Nicola Valley Coal and Coke Co.'s property at Coal Gully is going on steadily and excellent work is being done by the management. The tunnel is in over 600 feet and in good coal and is keeping up to the representations made by the management and experts who have visited the property. Besides the tunneling a good deal of preliminary work on other seams and general work has been done. A water system has been installed and a fine flow of water is now on the property.

W. H. Armstrong, of Vancouver, the energetic manager, was at the property last week consulting with the superintendent, Alex. Faulds, and was well satisfied with the progress of the work. Bruce Warden, of Bankhead, arrived at the mine this week and will assist Mr. Faulds with the engineering work.

At present the company are supplying the railway company with 100 tons of coal a week and have orders in for all the coal they can produce.

The Nicola Valley Coal & Coke Co.'s property has many advantages in its favor to make it one of the greatest coal mines on the continent, with an abundance of coal, and its its location is admirably situated for working. The coal is not a supposition but a reality, as can be seen daily, teams hauling same to the side track a short distance from the mine, and from the manner in which the company's business is being conducted, parties interested can have no fear of the outcome. The coal has been used locally for many years, but it was not until the railway was completed that work commenced in earnest. Before the end of this year will see the company with their collieries and a large staff of men busily engaged getting out the black diamonds, and with this mine alone will be able to support a good sized town in a short time.

Mr. Faulds, the superintendent, is a man of vast experience in the coal line and everything done in connection with the company's interests is done in a substantial and business-like monner.

Nicola Coal.

Nicola coal is now being used on the S. & O. Two carloads went through on Wednesday. The engineers claim it is a splendid steam coal, with very little ash and no clinkers. — Armstrong Advertiser.

Inspector Destroys Trees.

Provincial Inspector Cunningham has siezed and will destroy almost an entire carload of nursery stock recently arrived in Vancouver from Tennesee for planting in the Summerland district.

The usual inspection given showed that the trees were diseased and a closer inspection was made with the result that the following were condemned: 4463 apple trees, 103 pear trees, 1684 peach trees and eight cherry trees. The most important condemnation was that of the apple trees inasmuch as they were infected with the Schizoneura lanigera or woolly apple louse, an insect of which there has previously been no trace in the province, and the introduction of which might have done untold harm in the Summerland district.

EDITORIAL NOTES.

The senate (Canada's Old Man's Home) has decided to close its bar, and next year the restaurant will be run by a salaried official instead of a caterer as at present. It will be a rather dry proposition for some of the old stagers.

The citizens of Nicola will celebrate Victoria Day in royal style. Subscriptions have been coming in very satisfactorily and there is every possibility of one of the best celebrations ever held in the valley taking place this year.

A petition to the merchants of Nicola was presented this week asking them to continue the early closing which was inaugurated last year. The merchants have agreed and from the first of this month the stores will close at six o'clock on Tuesday, Wednesday and Thursday evenings. This is a step in the right direction.

Arrangements have been effected whereby the miners at Fernie and other places in that section return to work. Mackenzie King of the government labor department was instrumental in bringing about the settlement. An agreement between the operators and the men has been arranged for two years, and the miners were to vote on it yesterday, but in the meantime they have gone back to work.

After a forty-five day session the provincial legislature adjourned on Thursday with twenty-six members present. During the session valuable legislation was passed and in all it has been the best business session held for many a year. Out of 80 bills before the house, 63 passed, seven were dropped at the end of the session and the rest were defeated. A large portion of the business brought before the house was in the way of amendments to laws already existing, but all of it has been for the best interests of the province. The land act received attention where it was found necessary to amend, as also the municipal act, recommendations having been made by the Union of B. C. Municipailities, and many of the suggestions were accepted. One of the most important and for which the government received considerable criticism was the reduction in taxation. When the government took the reins of power the finances of the province were in such a deplorable shape that they had to increase the taxes. During their tenure of office they have conducted the business of the province in such a satisfactory manner that they are now able to carry out their promise to reduce taxation. The administration of British Columbia's affairs have been in good hands and the government are to be congratulated on the wisdon used in their deliberations.

MINERAL ACT.

Certificate of Improvements.

NOTICE.

Vernon Fractional Mineral Claim, situate in the Nicola Mining Division of Yale District. Where located—Aspen Grove.

Take notice that I, Isaac Eastwood, agent for David H. Smith, Free Miner's Certificate No. B93428, intend, sixty days from date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 37, must be commenced before the issuance of such Certificate of Improvements.

Dated this 19th day of March, 1907.

ISAAC EASTWOOD, Agent.

BORN.

ALLAN.—At Nicola, B. C., on Thursday, May 2nd, 1907, to the Rev. D. K. and Mrs. Allan, a daughter.

LOCAL NOTES

Mrs. Shafer, of Kamloops was a visitor to Nicola valley this week.

Mrs. C. Shafner returned to Lower Nicola on Friday from a visit to the east.

P. D. Roe, of Canford, was in Nicola this week and has decided to open a law office here shortly.

J. E. Bate and F. Hinshaw, of Aspen Grove, were in Nicola on Tuesday and left for the Coldwater section.

B. P. Little, superintendent of the Diamond Vale Coal & Iron Mines, and Mrs. Little, left on Monday for Vancouver.

Rev. J. Thompson will conduct services in St. John the Baptist church next Sunday at 11 a.m. and 7 p.m., and at Quilchena at 3 p.m.

G. Blair, of Mackay, Smith, Blair & Co., wholesale merchants of Vancouver, returned to the coast on Monday, after a three weeks' visit to this section looking after his interests.

D. P. Marpole, of Dot station, this week received about one thousand fruit trees from M. J. Henry's nurseries at Vancouver, which he will plant on his ranch. Mr. Marpole intends to go extensively into the fruit and produce line.

Barclay Bonthrone and J. McNeil, of Vancouver, and Mr. and Mrs. McMorris and son arrived at Lower Nicola on Friday. Messrs. Bonthrone and McNeil visited Otter Valley in connection with mining properties. Mr. McMorris will remain in the Valley and has taken charge of Mr. Bonthrone's ranch at Lower Nicola.

Rev. J. H. White, D.D., superintendent of Methodist missions for B. C., gave an eloquent address on Tuesday evening of last week showing the rapid strides made and the general prosperity enjoyed by the church, and the great need of workers to supply the demands of the rapidly growing districts caused by the influx of settlers into the Northwest and B.C. Mr. White left on Wednesday for New Westminster and will pay a visit to Prince Rupert in company with Rev. James Allan, M. A., of Toronto.
