WESTMINSTER WINS CHAMPION HONORS

Celtics Beaten in Final Game of B. C. Football Cup on Mainland.

The Westminster football team won a great victory on Saturday, when they beat the Celtics in the final of the B. C. cup by three goals to one, thereby winning the mainland championship, and earning the right to meet the winners of the island league for the British Columbia honors. Both teams were at full strength, and therefore the test of endurance was a thorough one.

A Great Struggle.

There was no lack of enthusiasm among the Rovers' supporters and they were largely represented in the grand stand at Recreation park when the game was kicked off. At the very beginning things favored the Rovers, Hooper and Hurren making a splendid rush which, however, did not mature. Celtics made long kicks out, but was unequal to stem the tide, however, the Celtics at length took up the running, and favored by the sun at their backs, attacked. Pearson got away, and passing Locke gave the ball to Robertson, who failed with the shot. However the Rovers, playing very much better football, recovered lost ground, and the backs passing up well forward, Caydzien put in a shot to Hooper, who opened the scoring. The feature of the visiting halfs' play was Jimmy Viner and Waddy Robertson, in what Locke and Craig lacked in weight they made up in cleverness, feeding their men down splendidly. The home defence was very weak, McKenzie being badly off color, and time and again Hooper, Hurren and Caydzien had openings which could not be improved. Bruce and Kirby did

MILITIA MUSTER FOR ANNUAL CHURCH PARADE

Local Companies Attend in Strength at St. Andrew's Church—Rev. J. S. Henderson Preached.

The annual church parade of A and B Companies, Sixth Regiment, was held yesterday morning to St. Andrew's church, there being a good muster of the men. Their soldierly appearance and bright khaki uniforms attracted much attention on the parade from the Armories, the route being by way of Queen's avenue, Eighth street, and Princess street to the church, headed by the Bugle and Fife Band of A and B Companies, under Sergt.-Instructor Neille and Corporal Dickenson. In fours was the form of the parade, and on arrival at the church they occupied reserved seats in the body of the building. Rev. J. S. Henderson conducted the services, some fine choral selections being rendered, including a solo by Miss Munn, with beautiful effect.

Rev. J. S. Henderson preached from the subject of ing Solomon's Shields, and referring to the discussion in the press about the need of men rather than Dreadnoughts to protect the British empire, he said he did not want to be misunderstood. He was in favor of attention being given to perfection of guns, and ships, and the assurance of the integrity of the empire, but behind all that must be true manhood, men of determination and Christian character.

The officers and non-commissioned officers present were: A Company, Capt. Johnston, Lieut. Cunningham, Color-Sergt. T. Kelly, Sergts. Morrison, Steffens and Feeney.

B. Company, Capt. Corbett, Lieut. E. J. Webber, G. B. Corbould and D. C. Buck, Color-Sergt. Sloan, Sergts. Hunter, O'Donovan, G. McArthur and J. Burnett.

There were also present Quartermaster Sergt. T. J. Mahoney, and several ex officers of the corps, who, although not now on the active list, showed their interest by attending the parade.

There will be two outdoor drills this week, on Tuesday and Thursday, in preparation for the inspection next Monday.

MAY BE NO APPEAL IN FISHERIES CASE

Indications Are That B. C. Government Will Abide By Full Court Ruling.

Victoria, April 18.—It now seems possible that there may be no appeal for the Attorney-General to argue when he appears before the Privy Council in June at the end of the holiday he and Mr. Bowser are taking in Southern Europe. Before he left a number of questions were drawn up to be submitted to the Full Court, answers to which would determine the rights of the Province and Dominion respectively in the matter of the regulation of fisheries. The Privy Council was then to be asked to pass upon the decision of the Full Court.

It is understood, however, that the Full Court does not intend to entertain the matter, holding that the tribunal should not be invoked save in respect of a concrete case, and that it does not sit for the decision of abstract points of law, even if promulgated by the Crown. It will be remembered that at the last sitting of the Full Court, E. V. Bodwell, K. C., argued several questions arising out of the rights of the Dominion and the Province in regard to Indian lands. The Court reserved its decision, and it is now understood that no judgment will be rendered in this matter either, and on the same grounds.

Last year the Province prosecuted a fisherman who contravened the Provincial Fishery regulations, and the case was carried to the Full Court, which held that the regulations of the Province were ultra vires. Leave was asked to appeal to the Privy Council but this was refused by the Full Court. At first it was the intention to apply to the Privy Council direct for leave to appeal, which can be given quite regardless of any dictum of a Canadian Court, but later on it was thought better to raise the whole question by getting the Full Court to pass upon a number of questions covering the whole matter, and thus get the controversy out of the way for good, one way or the other.

If this plan fails, as it will if the Full Court refuses to entertain the questions at all, it seems likely that the first method will have to be reverted to. This, however, has not yet been considered, it is understood by the government, nor can it well be until the Full Court has formally announced its decision.

HARRY BERESFORD WAS ONE STEADY LAUGH

"Who's Your Friend" About as Comical a Comedy as Could be Conceived.

Harry Beresford must be a born humorist. No man who jokes and laughs mainly because he is paid for it could have scored the success Beresford did as Daniel Hake in "Who's Your Friend" at the Opera House Saturday night, with a house about two-thirds empty. But apparently such trivial matters as box office receipts do not trouble the whimsical Harry, for he acted as if thousands had been applauding him, instead of merely hundreds—if it is safe to put the numerical designation in the plural.

The comedy in which he starred on Saturday afforded Mr. Beresford full scope for his genius in mirth provoking, the burden of smile-raising devolving mainly upon him, although Miss Grayce Beebe, as Rosalie, furnished material for numerous laughs.

W. S. Lyons, as Harry Harrison, in love with Lila Hake (Miss Edith Wylie), was a prominent figure in the cast, while the chief feminine role, although ostensibly in the hands of Miss Wylie, was at times appropriated by Miss Jane Ferrell as Fay, a dashing creature who displayed her costumes to the best advantage. All the smaller parts were well taken.

Taking it all through, "Who's Your Friend" is easily the most amusing production seen here this season. The jokes and quips were coming so rapidly that many chances for a hearty laugh were overlooked by the audience. However, one laugh more or less mattered little, as the whole play, from start to finish, was an endless stream of laughter.

COLLECTOR SCORNS SMUGGLERS' PRICE

Customs Officer Turns Down a $50,000 "Settlement" Offer.

New York, April 18.—An offer to pay $50,000 to the United States government to settle the smuggling cases which the customs officials are now investigating has been made to Collector William Loeb, jr., of this port. The offer was refused. Harrison Osborne, counsel for Mr. Loeb, said Collector Loeb had decided that there should be no compromise with the smugglers.

Mr. Osborne added that two attorneys who stated that their services had been engaged by men who claimed to represent the men who owned the property recently seized by the customs officers proposed that the government should surrender the seized goods, amounting in all to about $50,000 worth of French gowns and laces. It was announced that the goods would be sold by auction. Besides using the names of Miss Nellie Grant and Mrs. John E. Mason, Mr. Osborne said the smugglers had shipped trunks full of goods to this city addressed to a woman of Pottstown, Pa., and another of Minneapolis.

NOMINATIONS ARE THREE FOR ALDERMANIC VACANCY

Three-cornered Fight on Saturday for Seat at Council Board—Mr. Hardman Withdraws.

As was expected three candidates only were nominated on Saturday for the aldermanic vacancy owing to the resignation of Alderman Garrett. They were E. J. Fader, J. S. Bryson, and A. M. Herring. Alfred Hardman withdrew at the last moment, and signed Mr. Bryson's paper. The election takes place on Saturday next.

Mr. Fader's paper was either signed or witnessed by C. A. Welsh, J. G. Gamon, J. Reichenbach, T. Ovens, T. J. Trapp, T. H. Smith, and R. Preston, F. J. Lynch, H. Ryall and F. J. Mackenzie.

Mr. Bryson's paper contained the names of D. S. Curtis, W. S. Collister, F. J. Coulthard, James B. Kennedy, Peter McDougall, W. T. L. House, J. Cameron, C. C. Cameron, Geo. B. Cross, J. C. Armstrong, John A. Lee, Ed Goulet, R. Buchanan and A. Hardman.

The nominator and assenter of A. M. Herring were T. S. Annandale and J. Reichenbach.

DOUKHOBORS PURCHASE LAND IN PASS VALLEY

Two Thousand Acres of Fruit Land Sold to Peter Veregin's Followers For $20,000.

Rossland, April 18.—J. A. Kinney, the well-known C. P. R. conductor, W. H. Gage, of Castlegar, and H. B. Landers, of Brilliant (formerly Waterloo), have sold to the Doukhobor Society a tract of two thousand acres of land located in Pass Valley, which lies about four miles north of Castlegar. The consideration is $20,000. It is the intention of the society to clear and improve this land and use it as pasture for its stock. The Doukhobor Society some time since purchased 3,000 acres in the neighborhood of Brilliant, which will be devoted principally to fruit and vegetable raising. A large number are coming in addition to those already here, and, when they have brought the land to a high state of cultivation, they will need considerably more than that which they have already acquired.

Ottawa, April 19.—Civil Service competitive examinations for vacant clerkships in the inside service will be held at Vancouver, Victoria and Nelson on May 25.

HOLY TRINITY OFFICERS TO PRESENT REPORTS

Cathedral Parish Holds Vestry This Evening—Financial Condition Good.

The annual vestry meeting of Holy Trinity parish will be held this evening at 8 o'clock. A number of reports will be presented. The churchwardens (Dr. R. E. Walker and J. J. Jones) report that the past year has been a busy one in the parish, and the finances are in a healthy condition. Early in the year, the parish was offered $1500 for the lot on the east end of Agnes street. As this lot was of no especial use to the church, it was deemed advisable to accept this offer, and the sale was accordingly made. After deducting commission on sale, and expense of transfer, a balance of $1394.00 was left. With this was paid off the balance of the mortgage on St. George's Hall, $500; loan on lot immediately east of the church, $203; kalsomining, ventilating and renovating the church, $590.15, and grading of church yard, $84.45; a total of $1377.60. The space beneath St. George's hall had been utilized, and a large dining room and kitchen has been built in the basement.

FIERCE RIOT ENDS SOCCER GAME FOR SCOTCH TROPHY

Sixty Thousand Persons Charge on Field and Set Fire to Buildings—Forty Are Injured.

Glasgow, April 18.—The final soccer football game for the Scotch cup ended in a riot yesterday. Sixty thousand spectators charged upon the players' field and tore up the goal posts and set fire to the entrance gate fence and ticket booths. More than forty persons were injured and taken to hospitals.

When the firemen attempted to extinguish the blaze the crowd cut the hose, rendering their efforts useless. Mounted police then charged the rioters and in the face of a hail of rocks, bottles and other missiles, succeeded in keeping the grandstand and pavilion, where the players had taken refuge, free. These structures alone were saved from the flames.

The trouble arose because the teams refused to play extra to settle a tie. Most of the injured are policemen.

ENDURANCE CONTEST ENDS IN WIN FOR SEATTLE TEAM

Keen and Jenkins Knock Down 13,738 Pins in Marathon Bowling Contest at Rainier Alleys.

Seattle, April 18.—At a quarter to ten o'clock this evening the first bowling Marathon ever pulled off on this coast ended, the finish being watched by an immense crowd of enthusiasts. Keen and Jenkins, of Seattle, who rolled 76 games won the endurance contest with a total of 13,738 pins to their credit. The Vancouver teams finished fifth and sixth in the list. All the other contestants were Seattle men.

R. R. Carver, of New Westminster, acted as foul line judge, remaining on duty the entire twenty-four hours.

Following are the team scores:

Keen and Jenkins	13,738
O'Donnell and Allen	13,451
Fronhager and Bechtel	13,349
Nye and Kundegraber	12,707
Hodge and Steers	12,687
Hockley and Crist	12,135
Wetmore and Cressman	12,112

The Coal Strike.

Nelson, April 18.—The strike in the Crow's Nest Pass and Alberta coal mines will not affect the operations of the mines or smelters of the Consolidated Mining & Smelting Company at Rossland, Phoenix, Moyie, Sandon and Trail, as all these properties have several months' supply of fuel on hand and can meet more if it should be required.

M'GILL AGAIN SUFFERS DEFEAT

Columbian College Wins the Track Meet By Majority of Fifteen Points.

Columbian college was victorious again in its second annual track meet with McGill university, Vancouver, at the Brockton Point grounds, last Saturday, by the comfortable score of 55 points to 40.

The results in all the events were very fair, although none of the world's records were at any time in danger. In the high jump and pole vault, both of which were won by the college, the height made by the winners is not all the limit they can go.

Galloway was the great man for McGill and for short distances he is a very consistant runner, always being sure on the getaway. He made 16 of McGill's 40. The rotundity of the champion at shotputting gave the Vancouver supporters no fear of Francis, until it became evident by the way he heaved the iron that he had the necessary muscle.

The finish of the mile was the most exciting of any contest. Murray, of McGill, the winner, set the pace at the start, with the hope of getting an early lead which he could maintain till the end. White, of the College, however, kept at his heels and pushed him so hard for the lead, which was never more than three feet, that neither had any strength for a sprint at the close, and Murray had to be carried from the track.

The finish for the half and quarter mile also brought down the grandstand, and were hard fought wins, Holt and McKenzie only breasting the tape a few feet ahead of their nearest opponents.

The local school was able to maintain the lead in the relay race from start to finish, but only won by a couple of yards. Galloway, the first runner for McGill, spiked himself in the left foot just as he finished his distance. The wound is not dangerous.

With the exception of the rugby team, which was really only a novice at the game, the College has never been defeated in any contest by McGill, and although at the start of the track meet McGill made the most points, the Collegians were never nervous over the final result.

The Winners.

100 yards—First, P. Smith (M), 11-1-5 seconds; second, J. Galloway (M); third, W. Myers (C).

220 yards—First, J. Galloway, (M), 24 3-5 seconds; second, W. Myers (C); third, R. Phipps (M).

Half-mile—First, J. Hoult (C), 2 minutes 14 seconds; second, A. J. Knowling (M); third, C. House (C).

Mile—First, W. Murray (M), 4 minues 53 3-4 seconds; second, A. White (C); third, A. Wells (C).

120 yards hurdles—First, J. Galloway (M), 20 4-5 seconds; second, C. Watson (C); third, G. O. Fallis (C).

Long jump—First, H. Ferguson (C), 17 feet 9 1-2 inches; second, P. Smith (M); third, G. O. Fallis (C).

High jump—First, C. Watson (C), 4 feet 10 inches; second, J. Galloway (M); third, H. Ferguson (C), and G. O. Fallis (C), tied.

Pole vault—First, H. Ferguson (C), 8 feet; second, J. Davidson (C); third, G. Boyd (M).

Putting the shot—First, J. Francis (C), 34 feet 6 1-2 inches; second, B. Brydone-Jack (M); third, G. O. Fallis (C).

The Columbian college team which won the relay race was: J. Holt, W. Meyer, G. Fallis, C. Watson.

The points scored by the individual competitors was as follows: Galloway (M), 16; Ferguson (C), 10 1-2; Watson (C), 8; Smith (M), 8; Francis (C), 5; Murray (M), 5; McKenzie (C), 5; Holt (C), 5; Meyer (C), 4; Phipps (M), 4; Fallis (C), 3 1-2; Brydone-Jack (M), 3; Knowling (M), 3; Davidson (C), 3; White (C), 3; House (C), 1; Hoyt (M), 1; McArthur (C), 1; Wells (C), 1.

Five points were credited for first place, 3 for second and 1 for third. The relay counted five on the total for the winning school.

VICTORIA RETIRES FROM SENIOR LEAGUE

Three Clubs in Amateur Lacrosse Association—Schedule Drawn Up.

The principal development of the adjourned meeting of the B. C. A. L. A. held in this city on Saturday is that Victoria will not run a team in the association this year. A schedule was then drawn up and the meeting adjourned till Wednesday week for the amendment constitution to be drafted.

The delegates present were: A. W. Gray, president, in the chair, C. A. Welsh, and F. J. Lynch, representing Westminster; Con Jones and Lionel Yorke, Vancouver; J. Martin and H. Sacret, Maple Leafs, and L. Sweeney, Victoria.

Victoria Strict Amateurs.

Archie McNaughton wrote commending the association for having taken the line it had in breaking away from the B. C. A. A. U., expressing the opinion it was the best thing possible for the future of lacrosse in the province.

The determination of Victoria to oppose the action of the association was not long in coming to the surface and Mr. Sweeney continued to harp on that idea throughout the evening. He took the line that the various athletic associations in Victoria were under the control of the B. C. A. A. U. and by playng in B. C. A. L. A. games the men would be professionalized in every other sport. He wanted to see a senior league fromed independent of Vancouver and Westminster as both teams had confessed to professionalism. The teams he mentioned were Victoria, V. A. C., Maple Leafs and Westminster intermediates.

The president asked how much further would they get? That league if

MAY AMALGAMATE BIG GERMAN LINES

Alliance Under One Control of Shipping Valued at $115,750,000 Proposed.

New York, April 18.—A special Berlin cable to the "Times" says: "Reports are current that proposals will be brought forward at the annual shareholders' meeting of the North German Lloyd at Breman, on April 24, with a view to effecting the amalgamation of that line with the Hamburg-Amercian line. It is believed that each of the great German lines could continue to do practically the same business it does now separately by the maintenance of joint offices throughout the world, and by otherwise sharing the operating charges, while doing away with profit-destroying competition at various points. The proposed alliance would bring under one control a shipping capital aggregating the enormous sum of $115,750,000.

great work at back, long kicking with judgment being the rule. The referee gave several free kicks against Westminster, when in the opinion of spectators there was no need for them. The first half ended with play all in favor of Westminster.

Rovers Forge Ahead.

In the second part the Celtics made strenuous efforts to equalise, but would not have done so except for a mistake. Pearson, passing Kirby through a mistake on his part, shot clean at the goal. Barbaree had the ball all right, but could not clear it before Nanson kicked it through, making the score one all. The forward line of the Celtics, considered to be the crack one of the coast, appeared completely disorganised and seldom became dangerous. Several frees against the Celtics showed they were playing rough, but there was no serious injury. Sawyers got in some long kicks. Suddenly the ball came down, it lacked only four minutes to time, and Johnston scored a beautiful goal. Encouraged by the burst of enthusiasm from the Westminster supporters it was not long before the Rovers made their position impregnable by Hurren scoring, almost on time. All the Celtic team were off color, their backs were weak, and the forwards would not get rid of the ball. Certainly the Celtic line-up was a failure, and lacked making good the great expectations raised in the past few weeks. Risk was the best man on the home team. Too much praise cannot be given the victors, the combination of Hooper and Hurren, the energetic play of the halves, and the admirable defence.

The Teams.

The teams lined up: Westminster, goal, Barbaree; backs, Bruce and Kirby; halves, Craig, Sawyers and Locke; forwards, Caydzien, Hurren, Hopper, Johnston and Shawcross.

Celtics: Goal, McCormack; backs, Ross and McKenzie; halves, Risk, Scott and Knowles; forwards, Viner, Anderson, Pearson, Robertson, and Nanson.

SWARM OF BEES SOON CLEARS COURT

San Rafael, April 18.—County officials and employees in the court house today are making liberal applications of soothing lotions, following the invasion of several offices by a swarm of bees yesterday afternoon. After clearing the courthouse of its occupants the busy insects made their way into nearby offices and stores. State Senator Martinelli was driven from his office when the bees took possession. Many officials and clerks were severely stung.

Barley Bread
DO YOU know that there are hundreds of loaves of Barley Bread sold daily in Vancouver—that 15 or more of the bakers there are making this bread? That the bakers in Victoria are also at it—and those in New Westminster are just starting? Such is the case, and we mention it.
These bakers are making good bread—moist, sweet—and having a flavor entirely different from all other breads made from wheat flour. THIS BARLEY BREAD is not only delicious in flavor, but it is the most easily digested bread on the market today—those who have used it say so—and we will give copies of their testimonials in this space later.
The reason for its easy digestibility is—the special process through which the barley passes when preparing it for milling changes ten per cent. of the starch into grape sugar, or in other words, predigests it. (It requires 3 days to do this, but it pays.)
We have spent approximately $50,000 in the erection of a mill at Calgary, Alta., to produce Barley Flour and Barley Flakes by this process; this should be convincing evidence that we have faith in the value of it.
BARLEY FLOUR
For those who make their own bread, we are filling this flour in 10-lb. sacks. In each sack there are recipes for making bread scones, cakes, etc. Ask your grocer for a sack.
We guarantee the quality of this flour.
Ask your baker for a loaf of Barley Bread.

Synopsis of Canadian North-West Homestead Regulations.

Any even numbered section of Dominion lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or sub-agency for the district in which the land is situate. Entry by proxy may, however, be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is rejuired to perform the homestead duties under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the agent for the district of such intention.

Six months' notice in writing must be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

W. W. CORY,
Deputy of the Minister of the Interior.

THE ALDERMANIC VACANCY.

Quite an unusual amount of interest is being displayed in connection with the election of a citizen to fill the vacancy caused by the resignation of Alderman Garrett. Of the three candidates nominated we regard Mr. E. J. Fader as the most likely to head the poll. We are led to express this opinion by reason of this candidate's strong position. He is one of the best known and most respected business men of the city, notwithstanding the fact that he has only been among us a few years, whilst he has already proved himself to be a really capable representative of the citizens' interests upon the council. His defeat at the last election was very generally regretted, for during the short time he was a member of that body he accomplished a great deal of good, useful work. Mr. Fader's extensive commercial interests and the various new industries which he has been instrumental in founding have been important contributions to the progress of the city. He has always been among the first to come forward and lend his assistance to any project for the good of the town and to support its various philanthropic institutions, whilst as a large employer of labor he enjoys the reputation of being a just and generous head.

RAILWAY FENCES.

None too soon has the Board of Railway Commissioners taken in hand the important question of railway fences and cattle guards. In the course of the recent tour of the commissioners over the western portions of the Dominion a very large number of complaints were made against the railway companies for their neglect to carry out the provisions of the Railway Act in regard to fencing, accommodation and road crossings, and cattle guards. In consequence of the widespread and general character of the complaints an order has been designed to remedy the existing state of things, which will be spoken to at the meeting of the Board at Ottawa on Mey 4.

In this district the question is of great importance, for the losses of stock on the railway by farmers and ranchers have been of quite a serious character. Numerous instances have come to our knowledge from time to time. A few weeks ago a memorial was presented to the Burnaby council setting forth numerous losses that had been sustained by settlers along the Great Northern line, in the way of horses and cows. Then there is the recent case of a Coquitlam farmer who had three cattle destroyed on the C. P. R., the animals having strayed thereon by reason of the fence having been destroyed by railway employees in the course of work on the line. The attempts of the complainant to secure compensation have been treated with scorn and contumely. The tendency of these powerful corporations either to refuse compensation altogether or to defy individual claimants to do their utmost by an appeal to the law, is perhaps the most reprehensible feature of the railway policy. The companies know very well that the ordinary farmer cannot afford to enter upon the cost and trouble of almost endless litigation, and behind this circumstance they take shelter. It is certainly time something was done to facilitate the enforcement of the just rights of the farmers.

We observe that the proposed order requires fences to be erected on either side of the railway, of a minimum height of four feet six inches, but nothing appears to be said as to the character of these. In this district we have noticed the fences are generally constructed of barbed wire, the strands being placed a foot or more apart. Whilst this kind of fence is probably as good as any against horses and cattle, it is not effective against hogs. The bottom strand of wire should be not more than six inches from the ground level, the next two strands being a similar distance away. It ought to be clearly laid down that these railway fences, of whatever they may be constructed, should be effective against all farm stock, whether hogs, horses or cattle. As to the form of cattle guard in general use hereabouts, we have little faith in it as a bar to cattle entering upon a railway. We have more than once seen cows successfully negotiate these so-called guards. It would be far better to have proper swing gates at all road crossings, similar to those in use in England and Europe generally. Such gates would probably not be any more expensive to erect and maintain than the guards that railway companies are now required to instal.

The new order will make an important amendment to clause 4 of section 254 of the Railway act. The companies have abused the exemption from fencing unenclosed and unimproved lands, which they have hitherto enjoyed, and in future they will be required to erect fences, gates and guards as a new line of railway is graded, and to maintain these upon lines not yet completed or opened for traffic. This will not mean any hardship upon the companies and will be a distinct advantage to owners of adjoining lands and to settlers coming in after the construction of a line.

TECUMSEHS ARE NOT SATISFIED WITH DATES

P. D. Ross' Instruction to Contest for Minto Cup Here on Set Dates Not Agreeable to Indians.

Toronto, April 18.—The Tecumsehs are greatly disappointed at the turn Minto Cup affairs have taken. The probable allotment by trustees of July 3 and July 10 dates for cup games makes it look as if the Indians will be unable to make the trip.

Manager Querrie is now down in Pennsylvania, with the Toronto baseball team, but President Solman is authority for the statement that an effort will be made to have the N. L. U. change Tecumseh's game at Toronto scheduled for July 10 to another date later in the season.

There is the option of playing Torontos on Dominion Day, but as it is intended to use this date for a city championship contest, in the event of the Indians going west later in the month, the Tecumseh management will not care to pass up its 50 per cent of the big gates assured. All that the N. L. U. champions would get out of a league game would be the regulation $200.

Victoria Retires From Senior League

(Continued from Page One.)

formed would not be a senior league, but be only of intermediate standing.

Mr. Martin said he had voted for the separation from the B. C. A. A. U., and would stand by the present association. At a meeting the previous day they had decided to put a team into the field, and had 18 players promised.

The Victoria delegate intimated that the club would withdraw.

Residence Clause.

Mr. Jones wanted one of the clubs in Vancouver to withdraw, but after consultation with Mr. Yorke they had decided to remain in another season. He asked for the residence rule concerning membership to be amended from two years to one, and Mr. Welsh explained that it was to the interest of the association to meet the requests of the contending teams.

The association adopted this suggestion which will be embodied in the constitution. This will prevent transfers without good and sufficient grounds.

C. A. Welsh intimated that he had decided to accept the management of the Westminster team, in spite of the pressure of his private business.

The meeting adjourned till April 28, when the new constitution, embodying the regulations of the C. A. F. and N. L. U., will be drafted.

Schedule.

The schedule adopted was as follows:

May 15.—Maple Leafs at Westminster.

May 22.—Vancouver at Maple Leafs.

June 19.—Westminster at Vancouver.

June 26.—Maple Leafs at Vancouver.

July 1.—Westminster at Maple Leafs.

July 10.*—Vancouver at Westminster.

July 17.*—Maple Leafs at Vancouver.

July 31.—Vancouver at Westminster.

August 7.—Westminster at Maple Leafs.

* Subject to change, September 11 and 18, in case of possible Minto Cup games.

Holy Trinity Officers To Present Reports

(Continued from Page One.)

Bank of Montreal, for the alterations in St. George's hall, has been $5391.64, and the expenditure $5351.44. This leaves a cash balance of about $40.00, and a total liability against the capital account of $490.00, which will be reduced to $400.00, as soon as the outstanding rents due the hall, are collected.

The parish has not yet been able to repair the church tower, but this will have to be attended to, during the coming year. During the year, negotiations have been entered into, to secure the services of a curate, but so far, these efforts have been unsuccessful.

Gifts to Church.

Thanks are expressed to the choir, the choirmaster, H. Morey, and H. Disney, who took his place during illness. The W. A. society has liberally assisted during the past year, and thanks are also due to W. J. Walker and A. Wedge for the hangings and other furniture in the chancel; also H. Disney, for the music cabinet for the choir, and to Messrs. Broad and Whitmore, for their successful efforts, in collecting money to purchase new music for the choir.

Rector's Views.

In the course of his report the rector (Rev. A. Shildrick) says: "The occasional services which have been held, are as follows. I have officiated at 9 marriages, 12 baptisms and 30 burials. Of these burials, five have been of members of our congregation. In my report last year, I made a few remarks respecting the Sunday school, and I will now again refer to it. I regret to say that the interest of the congregation has not been manifested in this branch of our work, as I think it should have been. I have welcomed most heartily, two or three additional teachers but need more, especially one or two male teachers, one of whom would take the duty of superintendent.

ENTIRE FAMILY IS ALLEGEDLY INSANE

Shelbourne, Ont., April 18.—Five members of the family of James Johnston, a Malmar farmer, are in jail following information laid by Johnston himself charging them with insanity. The constables who brought them to the jail found Mrs. Johnston and her daughter in a semi-nude condition. The prisoners made several attempts to escape on the way to jail.

SEALING COMPANY WILL NOT SEND FLEET OUT

Victoria, B. C., April 18.—The Victoria Sealing Company has decided not to send out any schooners this season. RUSSELLS RAN ROUND BASES TWELVE TIMES

Young Liberals Only Got Home on Four Occasions—Players Need More Practice.

By a score of twelve runs to four, the Russells on Saturday afternoon defeated the Young Liberals in a mediocre baseball game at Queen's park. The winners had it all over the losers from the start, although the Young Liberals had a fighting chance until the sixth inning, when the Russells piled up eight runs, including a homer by Ryall. Sayce vacated the slab in favor of Silver in an effort to stem the rush of runs, but the damage had been done before Silver got his gait.

Peele, for the Russells, pitched fair ball, but both Malcolmson and Mills, the catchers, need to improve considerably. To sum up, it was essentially an early-in-the-season game. The attendance was slim.

A Slim Attendance.

Editor Daily News:

Sir,—What is the matter with New Westminster? When a city of this size cannot scare up a bigger crowd for a show like "Who's Your Friend," there must be something wrong. The few who were at the Opera House Saturday night were certainly not lacking in appreciation, though the "tour trays" did not "take the trick" with them as it did with Judith. It is not very encouraging to the local management to hustle around for good shows, or very encouraging to the players. If New Westminster doesn't wake up she will find the theatrical "nothing doing" sign on the back door, like the sign of the tramp on the door of inhospitable kitchens. The community, like the individual, who lives without a laugh, will grow grouchy, miserly and "Vennamy."

TALK OF CHURCH UNION PROVOKES HOT DISCUSSION

Montreal, April 18.—"An irreconcilable theological Bedlam," was how one Congregational minister yesterday described the creed put forward as the proposed basis of Church Union in Canada. "I would rather go out of the ministry than subscribe to it," said another. "I wish these two ministers had the Church of God at heart," retorted a layman, who sprang up to defend the proposed basis of union. The above were some of the remarks made yesterday afternoon at a warm discusssion on Church Union, which took place at the semi-annual meeing of the Congregational Union of Quebec, hele here.

Telegraphers Demand Unions.

Paris, April 18.—The French telegraphers held a formal meeting here today and joined the postal employees and the teachers in demanding the privilege of forming unions under the laws of 1884, which includes the right to strike.
