NEXT LACROSSE GAME WILL DRAW BIG CROWD

Minto Club Match Will Be Great Attraction Monday—Both Teams Confident.

The general impression around town is that Monday's Minto cup match will be just about the most strenuous lacrosse game fought on this coast for years, with one exception. As the players on both teams concur in this opinion, there is little room for an argument.

The way in which the challengers held their own during the greater part of Thursday's game, and the fact that they held down the champions to a lead of two goals, assures a record crowd for the last of the two games on Monday afternoon. Special arrangements are now being made to handle the throng, the B. C. E. R. putting every available car on the interurban line, but with the increased holiday traffic to cope with on that day, it is considered impossible for the company to bring over all who desire to see the big game. Arrangements have therefore been made for a special G. N. R. train to leave Vancouver for Westminster about 1:30 p.m. starting on the return journey after the match. The number of passes will depend entirely on the patronage of the Vancouver sports. It is expected that over a thousand persons will be handled on this special train without difficulty.

In Case of a Tie?

This question has ben asked several times during the past few days, "What will happen to the Minto cup if the Reginas score the same number of goals as the Westminsters, neither having the advantage at the end of the second game?" The answer is easy.

Regina came west to win the Minto cup by defeating the champions. The challengers can only defeat the Salmon Bellies by scoring the greater number of goals. Should the tallies be equal, Westminster retains the championship trophy.

Manager C. A. Welsh, of the Westminsters, does not believe the score will be tied at the end of Monday's game.

Manager W. S. Gray, of the Reginas, holds the same opinion, but Mr. Welsh and Mr. Gray do not agree on the name of the team which will be ahead after the battle is over.

May Play Extra Game.

In the event of the score being tied, the teams would likely play an extra game about the middle of next week, according to a statement made yesterday evening by one of the officials of the local club.

Changes in Lineup.

There will be a number of changes in the lineup of both teams when they take the field on Victoria Day, although nothing definite is decided as yet. The Reginas will probably have to leave out Warwick, and may make other changes on their home.

Westminster will probably be without the services of Bryson, in whose stead Grumpy Spring will likely officiate. Wintemute will not be in the game, and there does not seem much chance of Pete Latham catching a place. Different tactics will be employed by the defenders in the next match.

Even Money Now.

Both teams have now taken their opponents' measure and are, as a result, confident of victory on Monday. Supporters of the Salmon Bellies have lost no confidence in the home boys, and are still willing to bet that the trophy will remain in the Royal City—but there are no more two to one offers floating around. The next game is looked upon as a good even money chance, but nothing more.

Money Making Games.

A comparison of the gate receipts on Thursday with the amount taken in at Montreal on the occasion of the two championship matches last year when Westminster won the Minto cup, is interesting. On that historic occasion, the east saw with heartfelt regret eight hundred dollars in real money going west as Westminster's fifty per cent. share of the receipts for the two games. Thursday's game drew a crowd of over six thousand people, more than $3000 being taken in at the gates. Of this Regina gets $1500, a half share, or nearly twice as much as fell to the share of the champions when they captured the mug.

Given fine weather, Monday's gate should amount to well over $4000. Regina's half share will go a long way toward reimbursing the enterprising citizens of Pile-O'-Bones, who financed the trip after the pewter ware. Most of Regina's share of the bullion gathered in at the gates will find its way to Saskatchewan, as the team managers are sticking closer to the coin than Regina mud does to a new chum.

Rumors of Dark Horses.

A story to the effect that Paddy Brennan and Kavanaugh, two Montreal Shamrock players, were at Harrison Hot Springs with the Regina team and would figure in Monday's game, was circulating in the city yesterday. The News wired to the Springs for information on this point, but no answer was received. The yarn is not at all likely, however, as both these players figured in a game in Montreal last Saturday, playing for the Shamrocks against Montreal. Kavanagh plays at point, while Brennan is an outside home man. Both figured on the Shamrocks' lineup when that team was defeated by the Westminsters last year.

The Official Protest.

Following is a copy of the protest forwarded on Thursday afternoon to P. D. Ross, managing trustee of the Minto cup:

May 20, 1909.

P. D. Ross, Esq.,
Trustee Minto Cup:

Dear Sir:—

The Regina Lacrosse Club arrived here today, and we find in their lineup one or more players of several N. L. U. and other clubs. Owing to Regina refusing to give us a lineup of their team up to the present time, we were unable to enter protest up till now.

We, therefore, beg to notify you that we are playing these games under protest on the following grounds:

They are playing men who are not bona fide members of the Capital Lacrosse Club of Regina, namely, Howard, Allan, Gorman, Murton, Lalonde, Warwick and Shea. To the best of our knowledge they have been hired simply to play for the purpose of lifting the Minto cup, and in many cases have no intention of playing afterward with the Regina team. Some of them have already made arrangements to play with other clubs immediately after the Minto cup series is over.

We are also given to understand that this Regina Lacrosse team has been suspended by the association they formerly played in and for which they claim championship.

We feel that a team got together in the manner of the above is one that no association would allow, and would mean the ruining of lacrosse as far as organized and qualified clubs are concerned in playing lacrosse in the best manner to promote the game and keep it to the front as the national game of Canada. We have always kept our local boys to the front, and believe it to be the only way to keep it popular.

Hoping to receive a favorable ruling on the above protest, I remain,

Yours truly,
H. RYALL,
Sec.-Treas. Westminster Lacrosse Club.

May 20, 1909.

STEAMER RAMONA MUST BE REPLACED ON UPPER RIVER

Western Steamboat Company May Be Wound Up and New Organization Formed.

The meeting of the shareholders of Western Steamboat Company, called for last evening, failed to mature, as those present did not hold sufficient stock to enable the meeting to go forward with due formality. However, with T. J. Trapp in the chair, a citizens' meeting was held, and the whole question of a second steamer on the upriver run was thoroughly discussed.

The Western Steamboat Company will probably be wound up, and a new company formed, with a fresh issue of stock in order to build another boat in succession to the Ramona. The traffic on the river demands a daily service to Chilliwack, and way ports, and the meeting recognized something must be done to maintain the service in the interests not only of the merchants, but the citibens and the residents of the Fraser valley.

R. Whitmore, secretary of the company, was appointed to canvass the city, and see what cash promises could be got for a new boat. Estimates and models had been submitted by the local boat builders, the Westminster Marine Railway and the Royal City Dockyard, and a discussion also followed whether it would be better to utilize the engines and equipment of the Ramona, or build an entirely new boat.

The meeting of shareholders was adjourned till next Friday at 8 p.m., with a citizens' meeting on the matter half an hour later.

WATER SUPPLY OF EDMONDS INTERESTS THE RESIDENTS

Public Meeting Held to Discuss the Scheme—Reeve Byrne Cautious About Expressing Opinion.

The success of the petition for the supplying of water to the residents of the Edmonds road district, Burnaby, is now assured, a committee of three of the members of a meeting held last night in the municipal hall, Burnaby, appointed to act on behalf of the ratepayers. Reeve Byrne, who presided at the meeting, pointed out how the Municipal Clauses act dealt very finely on this point, and explained that he did not care to express his opinion too quickly on this question.

Percy B. Brown spoke as to the necessity of the immediate action of the council on this question, which greatly affected this portion of the municipality. B. G. Walker, J. P., P. B. Brown and D. C. Patterson were appointed on the committee to represent the ratepayers.

GRAND MASTER LAYS FOUNDATION STONE

Local I. O. O. F. Lodges Unite to Witness Interesting Ceremony.

With the peculiar services of the Odd Fellows order, the corner stone of the new hall which is being erected on the corner of Eighth and Carnarvon streets, was laid last night.

About a hundred members of the two local lodges, Royal City No. 3, and Amity No. 21, marched from their present hall at seven o'clock and with uncovered heads attended the ceremony, which was under the direction of Grand Master Fulton of Ladysmith, with the assistance of Wallace Lew, D.D. G. M., Vancouver; W. H. Cullin, G. T., Victoria; E. G. Thompson, son, grand chaplain, of Royal City lodge, Westminster. Several other New Westminster officers including E. L. Webber, G. W., J. J. Johnston, J. W. McDonald, and W. R. Gilley, took a prominent part in the proceedings. The grand chaplain of Royal City lodge, Rev. E. G. Thompson, pronounced an invocation upon the completion of the placing of the stone.

Historical Sketch.

The grand orator, Rev. J. S. Henderson, gave in his address an interesting historical sketch of the society in New Westminster. The first branch of the order here was organized 38 years ago, on March 22, 1871, and was called New Westminster lodge No. 3. George Turner, one of Colonel Moody's sappers, is the only surviving charter member. The second lodge, Royal City lodge No. 13, was instituted August 12, 1890. Two charter members of this lodge are still living, D. Welsh and C. S. Keith. These two lodges amalgamated on April 14, 1899, and took the name of Royal City lodge No. 3. A third lodge, Amity No. 21, was formed April 14, 1894.

The Royal City lodge has at present 161 members and the membership of Amity is 211. There is also a strong Beulah Rebekah lodge, composed only of women affiliated with the I.O.O.F.

The new edifice will be the third erected in this city by the organization, the first one being burned on February 1, 1891, and the second going up in flames on the occasion of the great conflagration on September 10, 1898.

Odd Fellows Eulogized.

Following these remarks Rev. Mr. Henderson gave an eulogistic address on the great work for the good of humanity in which the large membership of the Odd Fellows, numbering over a million members in all parts of the globe, has taken such a great part.

When Mr. Henderson had concluded, the grand chaplain pronounced the benediction, and the members reformed and returned to their hall, where a social gathering was held in honor of the occasion. Light refreshments were served and speeches made by Grand Master Fulton, Past Grand Master D. E. Mackenzie, Deputy Grand Master Wallace Lew, C. S. Keith; E. L. Webber, G. W.; A. H. Ferguson, Rev. J. S. Henderson and the contractors, J. Carter-Smith and R. Buckland.

A presentation was made to the grand master of the handsome silver trowel used to lay the foundation stone. The stone was the gift of Gilley Bros.

Anvil Salute on Monday.

A very formal solemnity, which without fail has been observed exactly at noon every year since 1871, is the firing of the anvil salute on May 24, formerly in honor of her late majesty, Queen Victoria, and now in honor of His Majesty King Edward, the date not having been changed. There is a large and varied aggregation of officials necessary to properly carry out this ceremony, who are marshaled under the leadership of Tom Ovens, the event occurring before his blacksmith shop on Eighth street.

LEAGUE LEADERS MEET YOUNG LIBERALS TODAY

The Balmorals and Young Liberals clash this afternoon in a baseball match at Queen's park. At present the Balmorals lead the league, but the end of the schedule is a long way off, and the Liberals, who consider themselves a good team, hope to demonstrate their right to win today.

The Balmorals' players will be: Munn, c.; Briggs, p.; W. E. Sinclair, 1b.; G. E. Pierrot, 2b.; H. Ryall, ss.; C. Stein, 3b.; F. Smith, rf.; F. O. Canfield, cf.; Barbaree, lf.

The long postponed game between the Liberals and the Russells, from May 14, will take place on Wednesday evening of next week.

ORCHARD NOW HAS TO WORK SENTENCE

Boise, Idaho, May 21.—Harry Orchard, famous as star witness for the prosecution in the Haywood and Pettibone trials, and now serving a life sentence for the murder of ex-Governor Stuenenberg, of Idaho, is no longer a "trusty" in the commissary department.

Under the administration of Warden Whitney, Orchard was not required to do any hard labor, but since Warden Snook has been in office things have changed. The latter is carrying out his policy that all life prisoners should be treated alike, and Orchard is now doing the hardest kind of work in the shoe department.

TRADES COUNCIL ENDORSES HOLIDAY

Hopes Business Will Be Done With Sympathetic Employers—Labor Day Fete.

The session of the Trades and Labor Council last evening was brief, no business of importance arising. The proposed labor hall, and the celebration of Labor Day came up, but no definite action was taken. W. Dodd was voted to the chair.

It was decided to celebrate Labor Day, September 6, and the matter was referred to the local unions for endorsement. A committee consisting of the delegates from each union will report at the next meeting on the manner of celebration.

Labor Hall.

Mr. Boyle introduced the question of the proposed labor hall. He was the only member acting of the three appointed, and had been unable to make the progress he expected with the different unions. He had been in negotiation for the old Orange hall, and the Cunningham hall. The rent quoted was but $2.50 a month difference. A motion was moved to postpone the decision for a month during which the other unions might be approached, but R. A. Stoney, secretary, objected it would throw the matter where it at present stood, and moved an amendment to appoint two new members to the committee to assist Mr. Boyle. On a division the amendment was lost, and the motion passed. As the Trades and Labor Council will be responsible for the balance of rent after the unions contribute their share, a report will be brought up of the moneys likely to be available to pay rent of the hall.

Weight of Bread.

The chairman reported for the committee that he had, in company with Ralph Wilson, interviewed the unions with reference to the co-operative movement and had been favorably received. H. Knudsen introduced the need of a bread bylaw in the city, and was informed the city council had the matter in hand. He complained that at present no uniform weight of loaves of bread existed in Westminster.

Holidays and Short Hours.

A resolution was passed promising the support of the trades' council to all stores and shops supporting a half-holiday for employees during the week. The officers hoped all possible publicity would be given the matter, believing that considerate employers should benefit in increased trade.

J. P. McMurphy thought the time ripe for taking action in regard to a civic eight-hour day.

At the present time the civic employees work nine hours a day, and apparently make no complaint about conditions. R. A. Stoney said the trades' council had enough to do without taking up matters about which they received no murmur, and he did not consider the time ripe for interference. The chairman said so far as he could learn the civic employees were well treated. The matter was dropped.

Miscellaneous.

A letter promising support to the eight hours' day for government employees was read from J. D. Taylor, M. P. The secretary was authorized to make the regular per capita assessment in aid of the Trades and Labor Congress of Canada. All the delegates reported good business conditions, most of the men working, and no complaints. No action was taken on a report that the road tax weighed heavily on the working men.

"LITTLE TIM," IF MAYOR, WOULD AROUSE NEW YORK

New York, May 21.—"Little Tim" Sullivan, who as vice-chairman of the board of aldermen is occupying the mayor's office in the absence of Mayor McClellan and President McGowan of the board of aldermen, has announced three things he would do if he were the real mayor for six weeks. They are:

First, I would open up Coney Island on Sunday, so that poor people who have to work the other six days in the week could have a good time on the only day left to them.

Secondly, I would close certain streets on the East Side to traffic during the afternoon, so that the children who live in the crowded tenement houses could have a playground where there would be no fear of their being run over by trucks and automobiles.

Thirdly, I would make New York a home for New Yorkers by placing at the head of city departments men who understand conditions and know what the people want.

WINNIPEG BAPTISTS FAVOR CHURCH UNION

Winnipeg, May 21.—At a general meeting of the First Baptist church last night a resolution was adopted in favor of church union. At the meeting Rev. D. B. Harkness, secretary of Baptist missions in the west, explained that the Baptists of Canada have been considering for some years the question of organic union of the Baptist churches throughout Canada. A committee of twenty representing the various congregations of the Dominion has been looking into the matter, and gathering the consensus of opinion among Baptists.

ST. BARNABAS COMPANY HAS SUCCESSFUL YEAR

Annual Inspection by Lieut. Rorison—Prizes for Drill and Musketry Presented.

The annual inspection of St. Barnabas' company of the Boys' Brigade took place last evening at the drill hall, the inspecting officer being Lieut. Rorison, of the Sixth Regiment D. C. O. R., of Vancouver, who complimented the boys on their drills. The prizes were presented by Ald. J. J. Johnston, who gave a brief address. The Royal Templars' Brigade attended in charge of Corporal Wade and the St. Barnabas' Company was in charge of Capt. V. H. C. Abbott and Lieut. Simpson.

The prize list was as follows:

May Queen's medal for best attendance at drill, won by Private Ernest Dawe; medal presented by W. Norman Bole, K. C., for all round efficiency, won by Corporal Arthur Dawe; medal presented by Lieut. Rorison for best drilled boy, won by Sergt. Campbell Watson.

Shooting—Cup presented by Musketry Instructor T. J. Mahoney, for the best shooting section, won by No. 4 section, Sergeant George Trapp; lacrosse stick presented by W. Norman Bole, K. C., for most bullseyes, won by Private Harry Johnston; medal presented by Musketry Instructor T. J. Mahoney, for the five best scores, won by Private Harry Johnston.

SLENDER AUDIENCE FOR GREAT SOPRANO SINGER

Lena Duthie Enthusiastically Received—Gave Charming Recital of Scottish and Irish Songs.

Miss Lena Duthie will form a poor idea of the musical and artistic taste of New Westminster from the beggarly attendance at the Opera House last evening, the worst of the season. Those who failed to attend missed one of the best entertainments brought here recently, as Miss Duthie in her admirable performance "An Evening in Scotland," portrays the characteristics of two of the most famous nations in the world's history. Miss Duthie has a splendid lyric soprano voice, and rendered once again those charming Scottish songs which never fail to please. Among them were "Annie Laurie," "'Tis the Last Rose of Summer," "Scots Wha Hae," and in addition to songs gave some capital talks redolent with humor. The singer wears three costumes for her songs, that of a Highland lassie, next as an Irish peasant, and third as a fishwife. The enunciation is distinct, and with a rich and full voice she enthralled her audience for two hours.

FAVOR REDUCTION IN LUMBER TARIFF

Washington, May 21.—It was announced today that the Senate finance committee had determined to reduce the proposed rates on finished lumber. The concessions have not been decided upon as yet, and will depend largely upon what action is taken on rough lumber.

Senator Culbertson, of Texas, made a bitter attack upon the protective tariff today. He declared that it increased the cost of living out of all proportion to the increase in wages, and enabled American protected manufacturers to sell cheaper to foreigners than to the home consumers.

NORTHCLIFFE PROTESTS AGAINST WAR FEVER

London, May 21.—Lord Northcliffe, in a signed article in today's Mail, protests against the feverish articles published recently to the effect that German warships are being used to spy on England.

Northcliffe is the proprietor of a string of British dailies and magazines. His article is the first recognition of the importance of taking by the "yellow press," which heretofore has been treated with scorn as harmless.

FIRST CRICKET MATCH PLAYED THIS AFTERNOON

The first match for this season of the New Westminster Cricket club will be played this afternoon at Moody square with the Point Grey Cricket club of Vancouver. The local team will be composed of Lashmar, Welfare, Judd, C. S. Cooke, Davey, Sherin, C. Hamber, Houghton, Whittaker, Guy Simpson and Ramsay.

LOCAL RUNNERS WILL RACE AT NANAIMO

Nearly all the races at Nanaimo on Victoria Day will be contested by Douglas Ross, Henry McKenzie, William Fryer and Jack Hoult, members of the Columbian college track team. Ross will enter the long distance races, including the ten-mile marathon. Fryer will take in the mile; Hoult the half and quarter mile, while McKenzie will figure in the sprints. The quartette leaves by way of Victoria on the Princess Victoria from Vancouver today.

EMPIRE DAY MARKED IN PATRIOTIC WAY

Westminster Children Hear Stirring Addresses—Fine School Essays.

In common with the public schools throughout the British Empire, yesterday being the nearest school day to Monday, Victoria Day, the children in the public schools of the city received instruction in patriotic ideals, and suitable songs and recitations marked the day.

A joint demonstration was held in the afternoon in the Opera House, parents and friends receiving invitations. The younger children were excused, but all who could reasonably comprehend the speakers attended, the building being packed. The chairman of the school trustees, T. J. Trapp presided and there were present on the platform Revs. A. E. Russ and J. S. Henderson, Trustees Peebles, Thornber, the secretary to the board Rev. R. Lennie, and H. D. Mackness, directing the songs. Judge Howay and Judge McInnes were unable to attend.

Patriotic songs, as the "Maple Leaf For Ever," "Cheer, Boys, Cheer," and "Red, White and Blue," were rendered by the children. The feature of the program undoubtedly was the series of essays by high school scholars, cleverly thought out, and put into good language by the composers. Those reading them numbered Misses Eakin and Sutherland, Theodore H. Lennie and Howard Manzer.

The subjects of the essays were:

Miss Lydia Eakin: "A British Citizen;" Miss Marion Sutherland: "One Flag, One King, One Navy;" Theodore H. Lennie: "Canada and Her Relations to the Empire;" and Howard Manzer: "Loyalty and How It Should Be Taught."

After Rev. A. E. Russ had addressed the children, Rev. J. S Henderson followed with a fine speech on patriotism. The British Empire is a subject which may well enthuse any orator and in the time at his disposal the speaker pointed out that they as Canadians owed a great deal to the motherland. They ought also to remember the British Empire was not a record merely of triumphs of the drum and trumpet, but of peace and prosperity. Not only had it produced great warriors, but poets, artists, statesmen, philosophers and scientists.

Trustee Peebles pointed out the distinction between "English" and "British." The chairman and trustee Thornber made brief addresses, and the proceedings closed with the National Anthem.

SALE OF CIGARETTES STOPPED IN ILLINOIS

Springfield, Ill., May 21.—Late last night the house by a vote of 89 to 2 passed a bill prohibiting the manufacture or sale of cigarettes. The penalty for a first offence is a fine of $50 to $100, and a jail sentence of 1 to 50 days. Subsequent violations are punishable by a fine of from $100 to $500, and imprisonment of from ten days to six months.

Bowling.

In the B. C. Intercity Telegraphic league last night Westminster scored a total of 2283 pins, the bowlers and totals being Latham, 470; Smith, 431; Gilchrist, 478; Murchie, 469; Willette, 435. The Latham-Sloan vs. Bryson-Purdy match resulted in a win for the former by 226 pins.

DEAN OF WESTMINSTER VERBALLY CHASTISED.

London, May 21.—The dean of Westminster's refusal to permit the remains of George Meredith to be buried in the abbey appears to be final, and he declines to give any reason for his attitude. No effort had been spared to induce the dean and chapter to reconsider the matter, but in vain. The newspapers are loud in their reproaches of the deal for his deplorable failure to recognize the nation's wishes and in the discharge of the sacred duty vested in him as guardian of the national valhalla.

JOURNALIST SLAPPED LEGISLATOR'S FACE

Quebec, May 21.—Oliver Asselin, a Montreal journalist, has been arrested as the result of an encounter with Hon. A. Taschereau, in which he slapped the legislator's face, today. He pleaded guilty to assault and battery. Mr. Davidson, K. C, appeared at the special request of the crown, and asked for the maximum penalty. Judge Chauveau will impose sentence on Tuesday.

LAND REGISTRY ACT.

Take notice that an application has been made to register the corporation of the Township or District of Mission, as the owner in fee simple, under a tax sale deed from the collector of Mission Municipality, to the corporation of the Township or District of Mission, bearing date the 7th day of October, A. D., 1908, of all and singular that certain parcel or tract of land and premises situate, lying and being in the District of New Westminster, in the province of British Columbia, more particularly known and described as Lot 12, in Block 36 of Lot 412, Group 1, being part of the northwest quarter of Section 17, Township 17; southwest quarter of northeast quarter of southwest quarter of section 28, Township 17; west half of west half of northwest quarter of Section 35, Township 17; subdivision 6 of south half of southeast quarter of Section 29, Township 17.

You and those claiming through or under you and all persons claiming any interest in the said land by virtue of any unregistered instrument, and all persons claiming any interest in the said land by descent, whose title is not registered under the provisions of the "Land Registry Act," are required to contest the claim of the tax purchaser within forty-five days from the date of the first publication of this notice upon you, and in default of a caveat or certificate of lis pendens being filed within such period, or in default of redemption before registration, you and each of you will be forever estopped and debarred from setting up any claim to or in respect of the said land, and I shall register the corporation of the Township or District of Mission as owner thereof in fee.

And I hereby direct that publication of this notice for thirty days in a daily newspaper published in New Westminster will be good and sufficient service thereof.

Dated at the Land Registry Office, New Westminster, province of British Columbia, this 8th day of April, A. D. 1909.

C. S. KEITH
District Registrar.

To Henry Menetry, Maria Kitchin, L. H. Mershon, John Mohrman, T. Deasy and William Neal.

IT PAYS TO ADVERTISE —IN— THE DAILY NEWS

MARKET REPORT

There was only an average crowd at the city market yesterday, but business was very brisk, and nearly all of the produce on hand was sold.

Meat was, as always, the heaviest line in the market, and found a strong demand. There was a large turnover of eggs and butter, and a light trading in fowls. Only a few table greens and plants for setting out represented the spring vegetable market.

The sale for beef was good, with only a fair supply on hand. Lamb, mutton and pork were on hand in large quantities, and had a strong demand, all the pork being easily disposed of. The supply of veal was better than last week, and had a favorable market.

Eggs show no sign of weakening for the summer, and with lots in the stalls, all found ready customers. Butter also had a strong market.

The demand for fowl of all kinds was quite strong, and all the fowl and ducks brought in were eagerly sought after by purchasers. The farmers brought in their first crop of early vegetables, having radishes, lettuce, and green onions for sale. Celery, cabbage and tomato plants were also on hand.

Carnations were the most prominent among flowers for sale, the florists also having young plants for the garden.

There were the usual rings of auctioneers in Lytton square, and a rather large number of horses and cattle changed hands.

Official Quotations.

Beef, hindquarters, 8 1-2c to 9c; forequarters, 6c to 7c; mutton, 13c to 14c; lamb, 18c to 20c; veal, 11c; pork, 8 1-2c; eggs, wholesale, per doz., 25c; retail, 30c; butter, per pound, 30c to 35c; fowl, doz., $8.50 to $9.50; chickens, $7 to $8; ducks, $15; potatoes, per ton, $35.

The Circus

What would a circus be without its parade? It has been proven time and again that the public will not tolerate any curtailment in the big spectacles under the white tents and neither will they patronize a circus that does not give a free street display. There are many shows that would gladly eliminate this expensive feature if they dared, but Norris & Rowe have never so much as considered the notion of omitting this always attractive feature.

The present year's street parade is said to be on the grandest scale that has ever been attempted. The costumes of the lady and gentlemen riders; the glittering trappings on animals and wagons; the artistically carved band chariots; the tableaux floats and the paintings on the many open dens and cages will be more gorgeous than ever. In the parade will also be seen some features which they have never been able to show before. The first is the tiniest of baby camels and the oldest of cub lions, which are sure to interest the children as well as their elders. Other features will be the wild beast display in the many open dens and cages; elephants, llamas, camels, dromedaries, shetland ponies, prize heavy draft stock and the beautiful thoroughbred racing stock will march in stately procession. Clowns will enliven the line of march and there will be enough music to make the parade inspiring. The show exhibites here on Thursday, May 27.

Has "ROBIN HOOD"—the Flour that is Different—been used in your home yet? You should start now.

Don't put off trying this wonderful new flour.

Every woman is proud of her cooking successes. The day your husband tells you that the bread or the pastry "is simply fine" is a happier day than usual for you. Haven't you found it so?

Now, to get the best success in your baking you must use the best flour. There is a great variety in flour, far greater than most women think. There is difference in wheat, difference in machinery, difference in methods and in knowledge of milling. This all results in difference in the flour, the final product.

"ROBIN HOOD" Flour shows most surely how great a difference there can be between the best flour and poorer flours. It is made of the best Saskatchewan wheat. Our equipment is the newest and most modern in Canada. Our experience in flour making is such that we know how to avoid the mistakes and take advantage of the best improvements in the milling industry.

"ROBIN HOOD" Flour has delighted all who have used it in Canada. For one thing it absorbs more moisture than other flours. Don't forget this when preparing your dough. The loaf made from **"ROBIN HOOD"** Flour is light, flakey, beautifully sweet, and most nutritious. **It is the finest loaf your husband, your children or you yourself can eat.**

More than that **"ROBIN HOOD"** Flour is sold under a positive guarantee. If by any chance you are dissatisfied after you have baked twice with it, your grocer is authorized to refund your money. Could we show greater confidence in **"ROBIN HOOD"** Flour?

Give **"ROBIN HOOD"** Flour a fair trial and dont forget to note the effect of adding more water than you use with other flours.

"ROBIN HOOD" flour is the flour that is making a sensation in western Canada. All over the west it is being talked about. The question neighbors are asking today is: "Are you using that new ROBIN HOOD FLOUR?"

HIS FAVORITE BREAKFAST FOOD

Vancouver, May 15, 1909.
The Brackman-Ker Milling Co.:
Dear Sirs,—I am pleased to state that I have used Caverhill's Barley Flakes regularly for several months and have found them a palatable, nourishing and easily digested food. THEY ARE MY FAVORITE breakfast food and I can warmly recommend them.
Yours truly,
GREGORY H. TOM,
Principal Strathcona School.
Vancouver.

"THERE IS A REASON"—That three days' preparation of the barley gives the flavor and makes them so easily digested—many have proved it—so may you. Ask your grocer for a package, 15c—Cook 30 minutes; do not stir.

THE BRACKMAN-KER MILLING COMPANY

Money's worth in every brushful

—Put there by the makers—found there in the service these M-L Pure Paints alone can give.

It is no hard thing to make a paint that looks good in the can—or sounds good in the advertising—and YOU couldn't tell the difference beforehand. But it is not so easy to put together the purest materials in the most expert way—and then to add one special ingredient greatly lengthen the paint's life—and that's what you get when you buy

M-L PURE PAINT

Forty colors, for every painting purpose, made by Imperial Varnish & Color Co., Limited, of Toronto.

SYNOPSIS OF CANADIAN HOMESTEAD REGULATIONS.

Any available Dominion Lands within the railway belt in British Columbia, may be homesteaded by any person who is the sole head of a family or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry must be made personally at the local land office for the district in which the land is situate. Entry by proxy may, however, be made on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land on each year for three years.

(2) If the father (or mother, if the father is deceased), of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the commissioner of Dominion lands at Ottawa of intention to apply for patent.

Coal.—Coal mining rights may be leased for a period of twenty-one years at an annual rental of $1 per acre. Not more than 2560 acres shall be leased to one individual or company. A royalty at the rate of five cents per ton shall be collected on the merchantable coal mined.

W. W. CORY.
Deputy of the Minister of the Interior.

UNION LABEL

SATURDAY, MAY 22, 1909.

A FEDERATED DISTRICT.

The step taken by the New Westminster Board of Trade with a view to securing the co-operation of the various districts of the Fraser valley in the work of advancing the interests of the New Westminster district, is to be commended. It is just such a combined effort of mutual interests that has long been needed in this locality. If our Board of Trade can successfully obtain the active assistance of the various public and semi-public bodies throughout the district they should be in a position to effect a considerable amount of really good useful work. It is a simple, every-day truth that whilst little may be done by individual effort, much may be accomplished by an aggregation of interests. There are so many directions in which the towns and settlements spread over the large area of country surrounding this city are mutually dependent that such a combination as is proposed must prove beneficial to all.

We may refer again to some of the objects which might be obtained for the advantage of the whole district. The establishment of one or more wholesale houses in this city for the supply of retailers throughout the Fraser valley, is a matter of primary importance, and it requires very little argument to show that whilst such a valuable auxiliary to our commercial establishments could be secured with comparative ease by an association of districts, it would be quite difficult for any one centre to obtain the institution of such a convenience. Closely allied to this is the question of establishing a central farmers' exchange to serve the needs, both as to purchasing and selling, of the large and important agricultural community, settled over the extent of the valley. This is peculiarly a subject that can perhaps only be successfully dealt with by a combination of those concerned. The formation of such an association as has been proposed would therefore place the attainment of this important object within the range of practical affairs.

The improvement of the transportation facilities throughout the district is another matter of importance that could be usefully dealt with by the federation. The inconvenience that has too often been caused by the arbitrary action of the railway companies in the alteration or suspension of train schedules is an evil that would be likely to be pretty promptly removed if pressure were brought to bear upon the offending authorities by concerted interests. The same may be said in regard to freight charges, respecting which the various places along the railway lines are, alone, practically helpless. Then we have the questions of a better boat service on the river, both for passengers and freight, mail collection and delivery, and other matters of similar character.

The amount of good work that could be accomplished by all who are concerned in the welfare and progress of the New Westminster district acting in unison through an aggregation forming one central body, is practically without limit. To the proposal of the Board of Trade therefore we extend our hearty support and look forward to its being successfully and promptly carried into effect.

WAITING

Oh, Adams, give us cement sidewalks.

Governor-General's Medals

By J. N. Muir, former principal of Victoria High School.

In the public school reports for 1876, on page 93, also in the British Columbia Colonist of September 19, 1876, is found the story of the first donation of Governor General's medals in British Columbia. At a meeting in the public school at Victoria, Lord Dufferin took the opportunity of presenting three medals, one of silver and two of bronze "to be competed for under such conditions as the managers of the institution might determine." His Excellency then handed the medals to Mr. Jessop. On one side of the medals the profiles of Lord and Lady Dufferin are cut with life like accuracy, with the inscription "Earl Dufferin, K.C.B., K.M.G. Governor General of Canada; Countess of Dufferin, 1876. On the reverse side, the Dufferin coat of arms and motto "Per vias rectas." Presented by his Excellency the Governor general." In the British Colonist for June, 1877, it appears that those three medals were competed for only by the pupils of the High, the Boys and the Girls school at Victoria.

New Distribution.

In the school reports for 1880, at page 323 it is stated that those three medals should be competed for as follows:

The silver medal in the senior division of the high school, (Victoria was then the only high school.) One bronze for the two public schools at Victoria and the other one for the public schools at Nanaimo and New Westminster, to be awarded on the results of the high school entrance examination.

Four Medals.

This continued until 1886. There were four medals given that year. One silver and three bronze. The extra medal was given to the New Westminster high school. Our present Premier, Richard McBride, had the honor of winning it.

Five Medals.

In 1889 another bronze medal was

SEASIDE LOTS FOR SALE

I have for sale two full-sized lots cleared—in fact, sown in clover, together with a two-story house, at Aliceville, Port Moody. These lots have no equal for location, as they are beautifully situated with a full view of the inlet. For any one wanting an ideal summer resort this is a rare opportunity. There is an ever-flowing stream of sparkling pure water quite close to the premises. It takes just one hour to walk from the car line to Aliceville, making it possible to spend the summer nights at this beautiful, cool spot. Good bathing, good boating and excellent fishing makes Aliceville a favorite. This property has just been liste with me, and I intend to give the first purchaser this bargain. Remember there is no nicer location on the whole inlet. The price is $800.00; half cash, balance in 6 and 12 months.

Synopsis of Canadian North-West Homestead Regulations.

Any even numbered section of Dominion lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26 not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a *Dominion Lands Agency* or sub agency for the district in which the land is situate. Entry by proxy may, however, be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

The homesteader is rejuired to perform the homestead duties under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of a homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the agent for the district of such intention.

Six months' notice in writing must be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

W. W. CORY,
Deputy of the Minister of the Interior

GREAT NORTHERN COMPANY MAKES IMPORTANT CHANGES

New Fast Limited Passenger Train Goes on Run from Vancouver to Portland Tomorrow.

Important changes are to be made in the Great Northern passenger train service, on Sunday, May 23. A new fast limited train, to be known as Train 269 , will operate between Vancouver and Portland. Equipment will consist of baggage and express car, coaches, parlor and dining cars. This train will make only the principal stops. This train will leave Vancouver south bound at 10:30 a.m.; Westminster, 11:00 a.m., due at Seattle at 3:55 p.m.; leave Seattle 4:10 p.m.; arrive Portland 10:30 a.m. North bound, leave Portland, 10:00 p.m., arrive Seattle 4:35 p.m.; leaves Seattle 4:20 p.m.; arrive New Westminster 9:30 p.m.; Vancouver, 10:00 p.m.

Following gives the time of all trains due at Westminster.

South Bound.		North Bound.	
No. 273	8:50 a.m.	No. 274	2:55 p.m.
No. 269	11:00 a.m.	No. 270	6:50 p.m.
No. 271	4:32 p.m.	No. 272	9:30 p.m.
No. 275	12:10 a.m.	No. 276	6:20 a.m.

A daily train (except Sunday) will operate between Vancouver and Port Guichon; train leaving Port Guichon in the morning, and returning during the afternoon, exact schedule for this train will be given later

New Spokane Express.

A new train known as Nos. 25 and 26, is now running between Seattle and Spokane. Its equipment consists of a baggage car, smoking car, first-class coaches, standard sleeping car and a buffet parlor observation car. A dining car serving dinner and breakfast is carried between Seattle and Reiter. On May 23 the eastbound train will be changed, and will leave Seattle at 5:15 p.m., arriving at Spokane at 7:10 a.m. Westbound service will remain as at present.

Through train from Tacoma and Seattle to Minneapolis, St. Paul and Chicago. On and after May 23, the Oriental Limited (Train No. 2), will run through to Chicago, without change, using the Burlington route from St. Paul to Chicago. Train will be brilliantly lighted throughout by electricity, the electric bulbs being larger than is ordinarily used, thus insuring a strong, bright, steady light. As at present train will include in its equipment, first-class coaches, tourist sleeping cars, dining cars, standard sleeping cars, compartment observation cars. Passengers using this train will reach Chicago in the evening at 9:10, instead of the following morning, as at present, thus saving one night on the road.

The Fast Mail (Train No. 4) will run from Tacoma and Seattle to St. Paul with present equipment, which includes first-class coaches, tourist sleeping cars, dining cars, and standard sleeping cars.

A new fast train to be known as No. 43 and 44, will be placed in daily service between Seattle and Kansas City, via Great Falls, Billings and the Burlington Route. This train will include in its equipment first-class coaches with reclining chairs (free), tourist sleeping cars, dining cars and standard sleeping cars. Schedule No. 44, leave Seattle 10:00 p.m.; arrive Spokane, 11:30 a.m.; leave Spokane, 11:45 a.m.; arrive Kansas City in forenoon. No. 43, leave Kansas City 6:05 p.m.; arrive Spokane, 9:15 a.m.; leave Spokane 9:30 a.m.; arrive Seattle, 10:50 p.m.

134 Third St., cor. Alder Portland, Or

Governor-General's Medals

(Continued from Page Four.)

added. It was given to the Nanaimo high school.

Eight Medals.

In 1895 a further change was made. Four silver medals, one each for the high schools, also four bronze medals, one for the head pupil of the public schools in each of the four coast cities Victoria, New Westminster, Nanaimo and Vancouver.

Twenty Medals.

In 1906 our present Governor General increased the number of silver medals from four to five, and of the bronze medals from four to fifteen. These medals are similiar to those given in 1876 by Lord Dufferin. They are two inches in diamater. On the one side they have the profiles of Earl Grey and the Countess and these words on the border "His Excellency Earl Grey, C.G.M.G., and Countess Grey." On the other side the Grey coat of arms and the motto "De bon vouloir servir le Roy," and these words on the border "Presented by His Excellency the Governor General. The fifth silver medal was given to the Nelson high school. Why the Nelson high school was selected for that honor has not yet been explained. There were then nine high schools in the province besides the four coast cities.

Provincial Disgrace.

The eleven extra bronze medals were distributed in 1906 as follows:

To Cumberland, Fernie, Grand Forks, Kamloops, Kaslo, Ladysmith, Nelson, Revelstoke, Rossland, Trail and Vernon. The reasons given by the department so far for this selection and for the annual distribution of those medals have placed it before the public in such a light that it is astonishing how our Lieut.-Governor does not call upon his Minister of Education to resign, or at least to ask his first minister to make some further explanation to the public which may clear the department from this disgrace in which it is placed by the explanations so far given, and so restore confidence in it. If it is not the privilege of the Lieutenant Governor to ask for such an explanation from his Premier, it certainly becomes the DUTY of the PEOPLE to wipe out the DISGRACE at the first opportunity.

Five Explanations.

The Education Department has, so far as I am aware, made five explanations as to the manner in which it distributes those bronze medals. Each one can be shown, has been shown, and is now herein shown to be FALSE.

These five explanations given by the department are as follows:

That they were given: 1. Where a high school had been established. 2. Where there was the most competition. 3. Where the most pupils were sent up to the high school. 4. There was no favoritism in their distribution. 5. They could not be taken away from one place and given to another.

Explanation 1 was given to Spallumcheen in a letter to the education department in August 1908. Explanations 2 and 5 were given at a later period to Chilliwack by the department. Explanations 3 and 4 were given at the School Trustees' Convention at Revelstoke in November 1908 by an *official of the department* who was instructed to represent both the Premier and the Minister of Education.

There are two points in connection with these explanations to be noticed. First, their falsity; second the object gained by them. As to the falsity of explanation No. 1, Ladysmith with no high school got a medal in each of the years 1906-07-08. Kelowna with no high school got a medal in 1907. Chilliwack with a High School since 1902 has never got a medal yet. Armstrong with a high school in 1907 got no medal. In 1906 there were only 12 high schools and each got a medal except Chilliwack In 1907 there were 15 high schools yet neither Chilliwack nor Armstrong got a medal. In 1908 there were 16 high schools yet Chilliwack and Cumberland each with a high school got no medal.

Are you not surprised at the AUDACITY of a department that would write such a letter as was written to Spallumcheen in August 1908, stating that those medals were given to places where a HIGH SCHOOL WAS ESTABLISHED, since the TRUTH is that they were not so given? When the above explanation was made public property through the newspapers, Chilliwack was aroused. Explanations 2 and 5 were then made to Chilliwack by the department. Chilliwack in the words of the chairman of its school board was for the time "perfectly satisfied." As explanations 2 and 3 are practically the same they may be taken together. Their falsity is shown as follows: In 1906 Armstrong passed up 10 pupils, Ladner 8, Golden 7, Kelowna 7, Esquimalt 6, Slocan 6, Enderby 6 and Chilliwack 4 yet none of these 8 places got a medal.

In 1906 Trail passed up 1 pupil, Kaslo 3, Ladysmith 5, Cumberland 5 and Grand Forks 6 and each got a medal. Why were those 5 places pre-

Governor-General's Medals

(Continued from Page Six.)

ferred to these other 8 places? There must have been FAVORITISM. There were 11 extra medals to be distributed in 1906.

There were 15 bronze medals in all. Four of these were for the four coast cities. Why were those 8 places passed over when selecting places for the extra 11 medals?

The department is thus proved to be not only guilty of favoritism, but also of further FALSITY. Since the truth is that the places were not selected according to the explanations. Does Premier McBride expect the PEOPLE of British Columbia to sit still under such DISGRACE? If he does, there must surely be a rude awakening in store for him. The eyes of the civilized world are upon us.

Unworthy.

A department that has thus been shown to be capable of makng such false statements cannot be worthy to be entrusted with the granting of those medals, much less with the granting of entrance and teachers' certificates.

Explanation 5 was given to Chilliwack as a reason why it got no medal although it has had a high school since 1902. Chilliwack took it for granted that it is true but it is now shown to be UNTRUE. A medal was taken from both Trail and Fernie in 1907 and from Cumberland in 1908. The reason given for taking it from Fernie was that in 1907 it did not pass up any pupils. Why it was taken from Cumberland and Trail I have not heard. Trail passed up 2 pupils in 1907 and Cumberland 3 in 1908. Why was a medal given to Kaslo in 1906 that passed up only 3 pupils and why was a medal taken away from Cumberland in 1908 although it passed up 3 pupils? It thus again appears that there must have been FAVORITISM.

Rank Favoritism.

When the medals were taken from Fernie and Trail in 1907, contrary to explanation 5, why were they given to Golden with a high school for six months and 5 pupils passed up and to Kelwona with no high school and 10 passed up? Why did not Chilliwack with a high school for 5 years and 9 passed up get one of them? Why did not Armstrong with a high school and 7 passed up get one? The education department is thus again proved guilty not only of favoritism but also of further FALSITY.

The End Gained.

By the department's explanations 3 and 4 given at the Revelstoke Convention, it prevented the Keefers' representative from introducing a resolution about the manner of distributing those medals. By its explanations 2 and 5 given to Chilliwack, it quieted the indignation that had been aroused when they heard of explanation No. 1 through the newspapers. By its explanation No. 1 it failed to satisfy Spallumcheen and nothing was gained. The publication of that false statement led on to the others. Now it is in such DISGRACE that something must be done.

Honor.

Has British Columbia's sense of honor and of morality become so dull that it will allow its education department to be conducted in that manner? The department should remember also that it is the custodian of the honor of the Governor General who entrusted it with the distribution of those medals. Earl Grey advised the pupils of the Port Hope Trinity College School "to give NO COUNTENANCE to those who did not play the game FAIR." He also said, "If the sports of Canada were not quite straight and fair they might be CERTAIN that there was SOMETHING ROTTEN in the character of Canada."

Can you imagine how galling it must be to him to learn that the medals, which he was good enough to donate for competition in the schools of British Columbia, have been given in such a scandalous manner? The scandal pertains not only to the manner of selecting the places where they were to be given, but also to the manner in which the examinations were conducted. The examinations, upon the results of which those medals were awarded. These and the MENDACIOUS explanations that have been made by the department, prove beyond all doubt that there must be SOMETHING ROTTEN in the character of the Education Department.

South Hill, B. C., May 20, 1909.

MINERS DAMAGE IDLE WORKINGS

Strike at Canmore, Alta., Assuming More Serious Aspect—Mounted Police Arrive.

Winnipeg, May 21.—This week the coal mine at Canmore, Alberta, was wrecked in a mysterious manner, the watchman on guard being dangerously injured. This mine has been idle some weeks owing to the strike, and it will take weeks to repair it. The company started in yesterday, but the striking miners made such dangerous threats against the workmen that a detachment of mounted police was sent for and arrived today from Calgary. The miners are all Slavs and Finns and mean business judging by their actions last night. Serious trouble is feared if the operators instruct the miners to continue the repair work tomorrow.

Templeman's Plans.

Ottawa, May 21.—Hon. Wm. Templeman expects to leave for the Pacific coast early next month He may first take a trip through the Maritime provinces to inspect the mining districts.

BLAMES ARMENIANS FOR SLAUGHTER BY ENEMIES

Commission Sent to Asia Minor to Investigate Recent Massacres Uses Whitewash Brush.

Constantinople, May 21.—Whitewashing the Mohammedans, the commission sent to Asia Minor to investigate the recent massacres there, in which more than twenty thousand Christians were murdered, will make a report placing the actual blame for the bloody deeds upon the Armenian population, according to messages received here today.

The report will be based upon the commission's belief that it has discovered an Armenian secret society which was plotting to overthrow Turkish rule.

LOCAL NOTES.

John Jardine, M. L. A., of Esquimalt, was a visitor to the city yesterday.

Mrs. H. M Streight, of Third avenue, leaves today for Victoria, where she will visit for a week.

Three tugs with large booms of logs for local sawmills were anchored off the mouth of the river last night, waiting to come up this morning.

It is understood that the inauguration of mail delivery in this city will be on June 1. Eight carriers will be used in the service, six of which have already been engaged.

The funeral of Kincaid Lee, the G. N. R. timekeeper who dropped dead at White Rock on May 14, took place yesterday to the Church of England cemetery, Rev. A. Shildrick officiating. A few friends attended the interment.

The two actions of Cooksley vs. The City of New Westminster, will not be heard till June 7, owing to the postponement of the opening of the sitting of the full court in Victoria for one week.

Yesterday was the fifty-third anniversary of the wedding of two of New Westminster's pioneers, Mr. and Mrs. Joseph Wintemute, who arrived in this city from St. Thomas, Ont., after an eight-weeks' journey by way of the Isthmus of Panama. Mr. and Mrs. Wintemute are seventy-eight years old, and look forward to many more years of happy married life.

The appointment is announced in the latest number of the British Columbia Gazette of Newton R. Brown, to chief clerk in the office of the assessor for the New Westminster assessment district. Notice is also given that Richard Polly, of Vancouver, and C. E. Pittendrigh, of New Westminster, are to be Fisheries Overseers for the Fraser river district and provincial constables.

The steamer Trader came in from Victoria with a very large cargo yesterday including ten tons of miscellaneous freight for local merchants. She had a hundred barrels of lime for Gilley Bros., which is the first instalment of a 500-barrel order from the lime kilns at Victoria. There was also thirteen tons of paint which will be used on the New Westminster bridge, which is to receive a new coat very shortly.

The Provincial Christian Endeavor convention will be held in this city on Tuesday, Wednesday and Thursday, June 1, 2, and 3 respectively, the sessions taking place in St. Andrew's Presbyterian church. The speakers secured include Rev. F. E. Clark, of Boston, who is called the "Father of the Christian Endeavor Movement," as he inaugurated it, starting the first society in a church in Maine; Rev. Dr. B. D. Thomas, Toronto; Rev. Dr. John McKay, principal of Westminster Hall, Vancouver, and Rev. Dr. Sipprell, principal of Columbian college.
