TELEPHONE PETITION

FIFTY PER CENT. OF PROPERTY-OWNERS MUST SIGN.

Work Cannot Proceed Until Then—Telephone Plant the Most Important of All Work to Have Completed Now.

The attention of the public is again drawn to the fact that before the council can take over the telephone plant from the company it is necessary to have a petition signed by 50 per cent of the property holders, or a vote of the people. The council has decided upon this course and there are petitions in various places in the city awaiting to be signed. For the benefit of the citizens as a whole and individually the telephone question is of the greatest importance. It costs a great deal more to do business today than it will when the telephone has been completed. There is nothing missed so much as the telephone, almost everything else can be substituted, but Shanks' mare for yours until the phone is in running order.

It is therefore up to the property owners to get a move on and put their names on one of the petitions; every day you delay is just that much longer before the plant will be finished and it has cost you that much more to live or to do business.

A copy of the petition will be found in the office of City Hall, McCaffery and Gibbon's office, Pattullo and Radford's office, G. R. Naden & Co and Lynch Bros. is given below. Sign your name today and help the telephone movement along.

Petition

We, the undersigned Property Holders, of the City of Prince Rupert, in the Province of British Columbia, holding the property set opposite our respective names in the said city of Prince Rupert humbly petition the mayor and council of the said city to purchase from the Prince Rupert Telephone Co. Ltd., all its interests in the telephone plant, pole lines and system now in course of construction by the said company, and to pay therefore the actual cost of putting in, constructing and erecting the same.

CONTRACTORS DELAYED

Streets Committee does not Consider The People's Petitions

Ald. Hilditch pointed out to the council last night that the failure of the council to decide what tax system should be adopted and the failure of the streets committee to consider the requests of contractors and others was holding the city back and preventing capitalists investing their money. This brought Ald. Lynch to his feet to explain his actions. The result was that the council went into the tax question on the spot and will endeavor to decide at tonight's meeting.

Ald. Hilditch asked Ald. Lynch if he had any report to present on S. H. Watson's request the rock excavation of the street at the corner of Seventh Street and Third avenue.

Ald. Lynch reported that he had not had time to convene the streets committee and no report was forthcoming.

Ald. Hilditch said that S. H. Watson asked for permission to put up bunkers on the lower part of the property referred to for the purpose of storing rock. He thought the council was passing over these requests altogether too lightly. By refusing to consider them the building up of the city was being delayed.

Mayor Stork said that the city had better take up at once the question of how the city would handle its street work, whether out of a general fund or by frontage tax.

Ald. Pattullo suggested that it be dealt with on Tuesday night and that the whole evening be devoted to that business.

This suggestion was adopted.

THIRTY KILLED IN FIRE

CAUSE OF DESTRUCTION OF MONTREAL HERALD

Gas Tank in Basement Exploded and Large Water Tank on Roof Fell Through Four Stories.—Herald Ninety Years Old.

Montreal, June 14. — Investigation shows that the cause of the fire in the Herald building was the breaking down of the supports of a watertank fire protection system. The tank crashed through four floors, causing the explosion of the gas plant and the conflagration. Thirty pressmen and girls were instantly killed and others of the employees were badly injuredr

It was a five-storey structure, standing on James Street and fronting Victoria Square, and was replete with all the modern requirements of a daily newspaper of the first class. The Herald was founded in 1801, and during the present generation especially has been one of the leading journals of the Dominion. Notwithstanding the fire, it was published this morning. with a complete account of the disaster.

The editerial and business staffs all escaped, but there may be other bodies still buried in the ruins.

The fire was only put out after an exhausting all-day fight, There were many thrilling episodes and many narrow escapes. Fred. Vidal, stereotyper, was caught under a girder and both legs and several ribs were broken. He was pinned helpless and the flames were rapidly approaching. His rescuers labored furiously in their race with the fire. All seemed hopeless. Father Marsin went through the seething flames to administer the last sacrament to the imprisoned and apparently dying man. Just then the heavy beam pinning him was severed and he was saved. Mr. Fitzmaurice, formerly cartoonist on the Vancouver Province, came within an ace of being killed. Isabella Phillips, formerly of Vancouver, was among those killed in the bindery department.

Aviation Record Broken

Indianapolis, June 14.—Walter Brookins broke the aviation record yesterday by exceeding the altitude of four thousand feet.

Building Ships Delayed

Ottawa, June 14. (Special)—The navy department is unable to push the building of vessels for the Canadian navy on account of the plans being held up in England, where fears are entertained that the details may leak out if the plans are sent here.

Making Hazelton Tributary

Hazelton will in a few days have a branch of the Prince Rupert Union bank, and several of the city's merchants are opening up branch establishments there. C. B. Wark & Co., is erecting a building there and will have a branch jewelry store.

ORGANIZATION COMPLETED

THE KAIEN ISLAND CLUB ELECTS OFFICERS AND DIRECTORS

Will Have Fully Equipped Gymnasium as Well as the Usual Social Features — Large Membership — Club Room on Second Avenue.

The permanent organization of the Kaien Island Club was effected at a general meeting held in the court house on Friday night. The following were named directors: T. D. Pattullo, F. D. Keeley, A. M. Manson, Martin O'Reilly, H. G. Helgerson, A. J. Morris, G. W. Nickerson J. B. Roerig and H. F. McRae. As the directors meeting which followed J. B. Roerig was elected president, F. D. Leeley, vice-president, A. J. Morris, secretary and G. W. Nickerson, treasurer.

The club building on Second avenue is rapidly nearing completion, and promises to be a credit both to the city and to the organization. In addition to the spacious quarters provided for the ordinary social division of the club, it will have a large modern gymnasium completely furnished with all the latest atheletic equiptment.

An elaborate affair is being planned for the formal opening of the club house, which will occur sometime during July.

The club has one hundred charter members and judging from their high standard and the enthusiasm manifested it promises to be one of the most successful organization in the north.

DESIGNS FOR CITY SEAL

Sixteen Were Submitted and Committee Will Pass on Them.

The designs for the city seals were opened and considered by the council Saturday night. There were sixteen received and some of them were exceptionally good, in fact beautiful. The council could not decide upon the best and left the matter in the hands of the mayor to select three citizens to assist in making the choice.

Among those who submitted designs Miss Freda Strathy, William Rhodes, Frank S. Evans, Miss Irene H. Blanchet (four) J. J. Kask(two) Arthur Silversides, 8th avenue and E. Green Street, J. Mark (two) J. W. Potter, James Edgar, Morte H. Craig.

Judges Chosen

His Worship Mayor Stork has selected Bishop De Vernet, Wm. Manson, and J. M. Christie as judges of the seals submitted, and they met this morning to consider them.

Football in Antipodes

Sydney, N.S.W., June 14—The American football team has arrived and will open the series of football gomes with an English team.

Killed by Lightning

Berlin, June 14—During a heavy thunderstorm a large crowd took refuge in an iron-fenced building. This was struck by lightning and six persons were killed, seventeen badly injured and eighty slightly hurt. At Breslau seven were killed by lightning in the same storm.

THREATS OF LYNCHING

Policeman Killed by Manager of a Closed Cafe

Laramie, Wyo., June 14—A body of police is strictly guarding the jail where C. E. Yeager is held for the killing of policeman John Johnson, because an infuriated mob threatens to yank Yeager out of the prison and string him up.

Yeager is the manager of a cafe which was closed on Saturday night by order of the court. Shortly after midnight Yeager appeared at the cafe and threated to kill Constable Wallace, who was in charge. Wallace summoned Johnson to his assistance and the latter was deliberately shot and instantly killed by Yeager. Yeagef also fired several shots into the crowd, that gathered but no one was injured.

FINED $300 AND COSTS

C. CHRISTIANSEN SOLD LIQUOR ILLEGALLY AND WAS CAUCHT

This Is the First Conviction Under the City's Liquor License By-law—Case Was an Important One to "Blind Pig" Operators.

Magistrate Carss this morning imposed a fine of $500 and costs upon Chris. Christiansen, proprietor of the Western cigar store, for illegally selling spirituous liquor, or, in other words, keeping a "blind pig." This is the first case of the kind under the city's by-law and is of the utmost importance. It will tend to influence the other blind pig men to a large extent.

Chief McCarvel laid the complaint, and succeeded in getting a conviction. On Saturday night last Constable Regan saw a man coming out of Christiansen's place and he had two bottles of whisky. For these the man paid 50c and $2.00. The witnesses for the Crown were Chief McCarvel, Constable Regan and the purchaser of the goods.

In defence Christiansen said he did not sell the liquor and never sold any. He had some liquor on hand, which he gave away to those who deeded it. He would not sell it. He received it from friends of his without price.

The magistrate did not take kindly to the novel defense, and imposed the above fine. If the fine is not paid, the city is entitled to redress; and if the redress is not sufficient to satisfy the fine, then the defendant will spend two months in the common jail.

The fine provided in the by-law is $250 and the license fee of $150 for bottle license, making a total of $400 for the extreme penalty. As this was the first case, His Worship made the fine $300.

YOUR ASSESSMENT

Does not have to be Placed on the Telephone Petition

It will no longer be necessary to place the assessed value of the property owned on the Telephone Petition opposite the signiture of the signers. All that is necessary is to put down the number of lots owned.

Ald. Pattullo and Ald. Mobley suggested that some one circulate the petition as that was the only way ten per cent of the property owners could be secured.

Hamilton's Quick Flight

Philadelphia, June 14.—Charles K. Hamilton landed at North Philadelphia early yesterday morning, completing the first half of a flight from New York and return. He covered 86 miles in one hour and 5 minutes. Five miles out on the return trip Hamilton, after breaking the outward record, stopped, his spark plug giving out.

A girl isn't necessarily an angel because she's fly.

DETAILS OF RECEPTION.

PUBLICITY CLUB COMMITTEES MAKE REPORTS.

Dance Tomorrow Evening All Arranged for the New Steamer's Guests—Reception at the Dock and Courtesies for Visitors.

The Publicity Club held a meeting in the Mining Association Exchange last night to receive the reports of the various committees entrusted with the arrangements for the dance to be given tomorrow night in honor of the guests of the steamer Prince Rupert. All the committees duly reported. Among these details came hand-painted programmes, a boat load of a variety of ferns, with mirrors and banners for the mural decorations of the ballroom, the dainty fittings of the dressing rooms, and so on. Prof. Kaufman will have an orchestra of four pieces to play for dancing, and a dainty collation is to be served from the Grill restaurant.

All the committees are to meet soon after noon on Wednesday and march to the wharf to meet the new steamer, which is due at one. There will be a large evergreen arch with the word "Welcome," and as the steamer ties up the club's majordomo will give the signal for rousing cheers. The brass band of sixteen pieces will play while the gang plank is thrown out and while the reception committee, headed by Mayor Stork, goes on board to tender the distinguished party the freedom of the city.

The formal proceedings will be short and will take place on the upper deck, where they can be heard and seen by the crowd on the dock. The reception committee will be formally received by the captain of the Prince Rupert and introductions will follow. The Mayor will then deliver the address of welcome to which the captain will respond. A short time after this the general reception on board will take place, and the vessel will be open for inspection during the afternoon.

The club has appointed a special committee of about forty to show guests over the city. These will wear badges bearing the word "committee." The expressed desire and ambition is to make this reception one for Prince Rupert to be proud of and long remember.

KILLED BY CLOUDBURST

Hundred and Fifty Lives Lost in Devastating Floods.

Cologne, June 14.—A tremendous electric storm, followed by a cloudburst suddenly iundated the valley of the Aar through which the Crotian railway is being built. It came so unexpectedly that one hundred and fifty laborers on the road were swept away while they slept. Thirty-seven of their bodies have been recovered.

Two barracks were csrried away by the flood, and ten houses were destroyed by lightning. The danger is now over but hundreds of people are ruined.

For Dominion Day.

A public meeting will be held in the Court House on Friday evening to organize for the annual Dominion Day celebration. The committee in charge last year are still holding office, and new men may be selected for this year if so desired. A full attendance is requested, as this will be the biggest celebration yet held.

ANOTHER SALE OF LOTS

Government to be Asked to Sell Remaining Lots in Section 1.

Ald. Pattullo suggested to the council last night that the government be asked to place on sale the unsold lots in the sections that have already been sold. If the city decides upon frontage tax for improvements the government would pay no taxes. In that case the owners of property adjoining government lots would refuse to sign any petition and no improvements would be made.

Ald. Smith and Ald. Pattullo moved the the deputation to Victoria take up the matter of selling the remainder of lots in section one, with the Premier and cabinet when they go down next week.

Making Good Progress

Right of way contractors have practically completed their work as far as Moricetown, there remaining only a short section, about fourteen miles from Hazelton, to be cleared. It is expected the contracts for clearing the right of way to Telkwa will be let very soon.

DAILY EDITION. TUESDAY, JUNE 14

Have your rats got the blind-pig staggers yet?

Wonder if McBride will give us a holiday for the opening of the Government wharf?

Mayor Stork should advertise for tenders to purchase the crop of hay at the corner of Second Avenue and Centre Street.

It may be an impertinent thought but it seems to us that the G. T. P. boats are coming on a flying visit instead of moving into their new home.

The City Council is already showing signs of proficiency in the art of civic administration. Some of the loquacious ones are already complaining of being mis-reported in the city press. The king's English certainly has some cruel experiences.

There is a great deal of aldermanic discussion over grading the avenues, but nothing is heard about the streets. Cross-town traffic will probably be left to the aeroplane promoters or maybe the pedestrians are expected to cultivate the kangaroo jump.

FIREMEN ENGAGED

Two Permanent and Four Call Men Secured Thus Far

The Fire Water and Light committee reported to the council last night as follows:-

H. C. McKeller has been engaged since June 1st as acting chief at $150 per month. Chief McKeller has advised your committee that he has engaged as members of the department:

Permanent—N. Creelman and M. Porter.

Call members—H. Morton, O. Robison, J. Unwin, and Wm. Williams

As soon as accommodation is ready in the Fire Hall, two more call men will be engaged.

Your committee has been investigating an automobile for the Fire hall, and finds that the price is much greater than anticipated. Further data is being sought and will be submitted at a latter date.

In reply to the call for tenders for hose for the department, your committe received renders from the Vancouver Rubber Co., and the Canadian Rubber Co., and recommends the purchase of 500 feet of paragon hose and 500 feet of keystone hose at $11.10 per foot. This gives each company half the order.

HON. THOS. TAYLOR COMING

Minister of Public Works Will Be Here To-Morrow

Among the visitors on the steamer Prince Rupert which will arrive here to-morrow is Hon. Thos. Taylor, Minister of Public Works for British Columbia. He will visit Prince Rupert in the afternoon as the guest of Wm. Manson, M.P.P., and the two gentlemen will then go up to Stewart. On their return they will visit Hazelton and other interior points. The visit of the Minister of Public Works is important at the present time when the whole of Northern B.C. is developing so rapidly and so much work is expected from that department.

Contract Signed

S. A. Watson & Co. signed a contract to-day to do the excavation work for Robt. Ashland's big hotel on the corner of Third Ave. and Seventh Street, lots 23 and 24, block 23, sec. 1. Work will be started in a day or so and the contractor will put all the rock taken out through his new rock crusher. There is a g od sale now for crushed rock and the machine will be kept busy for a long time to come.

On Hudson Bay Mountain

The owners of no less than four groups of claims on Hudson Bay Mountain are now developing their mineral claims. Dan Carroll, who is representing J. W. Stewart, of the firm of Foley, Welsh & Stewart, is going to the east side of the mountain to drive a tunnel on the eighteen inch ore chute discovered last summer. The solid ore is about eighteen inches wide and values are obtained in the vicinity of $150.00 a ton. J. A. Aldrich will continue his work of the last three summers on his property on Pine creek on the south side, and J. Halley and the Simpson brothers will carry on operations on their well known groups.—*Omenica Herald.*

Branch at Hazelton

E. K. Strathey, manager of the Union Bank of Canada, has recently returned from Hazelton, where he went to look over the ground for a site for a branch bank. He failed to secure suitable quarters and consequently purchased a lot on which the bank will erect its own building. He made arrangements for temporary quarters meantime for a staff to be sent from here. Mr. Little, now accountant at Prince Rupert, will become the manager of the Hazelton branch, and his assistants will be drawn from coast banks.

Telegraph Rates Reduced

Commencing June 1st rates on the government telegraph line between Hazelton and Ashcroft were reduced by twenty-five cents for a ten word message making the charge of a dollar instead of a dollar and a quarter under the old rate.
