G.T.P. TELEGRAPH SERVICE TO EAST

ARRANGEMENTS HAVE BEEN MADE FOR THE COMMERCIAL SERVICE

Operations Will Be Over The Transcontinental Railway Route.

H. Hulatt who has been appointed recently to the post of manager of telegraphs on the G. T. P. recently concluded an arrangement whereby the Grand Trunk Pacific Telegraph Company will operate over the Transcontinental Railway between Winnipeg and Moncton, and it is anticipated service over that section will be inaugurated within the next few days, thereby affording the west an additional competitive route to the east.

Mr. Hulatt on October 1 took the place of A. B. Smith, who resigned on account of ill-health. Mr. Smith started in the telegraph business in 1862 with the Montreal Telegraph Company and joined the Grand Trunk Pacific Railway as manager of telegraphs in 1905. Under his management the telegraph system of the G. T. P. has been brought into being and an efficient commercial telegraph service organized.

Mr. Hulatt joined the G. T. P. in 1907 and has been Mr. Smith's principal assistant. Under Mr. Hulatt's supervision the commercial telegraph service of the Grand Trunk Pacific has been extended not only to reach all the principal cities in the prairie provinces but also important points in British Columbia.

FOXES ADOPTED BY A CAT IN ALASKA

Big Collection Of Highly Prized Kinds Brought To Seattle.

Sixty-five live foxes, including two that were raised by a cat, arrived in Seattle on the steamship Mariposa, of the Alaska Steamship Company, en route from Fairbanks, Alaska, to Plattsburg, N. Y. The two raised by the cat were captured when young. As no mother fox was available for their care, the company was puzzled as to the means to be taken in raising the little captives. As an experiment they were turned over to a mother cat which promptly adopted them. Both are now large, healthy animals.

The shipment is the largest of the kind every brought from Alaska, but has a value of only $50,000 because of present market conditions. Prior to the war the shipment would have been listed between $100,000 and $150,000. It consists of fifty silver grays, five blues and ten ronsses.

Philadelphia Won The First Game In World's Championship

(By Hotel Prince Rupert Bulletin Service.)

The first game in the world's championship series was won today by the Philadelphia (Nationals), by a score of 3 to 1, over the Boston (Americans.)

The battery for Philadelphia consisted of Alexander and Burns. For Boston, Shore and Cady were the battery.

Neither pitcher did any sensational work, both being frequently saved by the star fielding.

Paskort's sensational catch of Gardner's fly cut off a sure hit and saved a score in the eighth innings.

The score was: Boston one run, 8 hits and 2 errors. Philadelphia, 3 runs, 5 hits and 1 error.

Good Sum Of Money Raised Yesterday For Laudable Purpose.

The Red Cross Sale of Home Cooking yesterday was a decided success. The sum of $41.95 was realized, which in view of the most inclement weather, might be considered a splendid record.

PATRIOTIC DANCE FOR RED CROSS

DELIGHTFUL EVENING SPENT AT ST. ANDREW'S HALL LAST NIGHT

Dancing Was Kept Up Until An Early Hour By Young People.

At St. Andrew's Hall last evening a most enjoyable dance was held under the auspices of the Chapter Hill 60, I. O. D. E. The Daughters of the Empire turned the proceeds over to the Red Cross Society. The dance was one of the best given.

Music was provided by Alex. Gray. The hall had been decorated very artistically for the occasion, and the refreshments were of the most appetising character.

LORD KITCHENER WHO SAYS HE KNOWS HOW MANY MEN HE WANTS

The results of the great recruiting rally in England on Saturday are not yet known, but it is generally understood that Lord Kitchener will get the necessary number of men by one means or another. "I know how many men I want," he told the labor leaders. "I know their names and the numbers of their doors, and if they don't come I will fetch them. Give me the men and munitions I want and I guarantee we shall have the war in the hollow of our hands."

AMERICAN BOAT HAD BIG CATCH

SAN JUAN FISHING COMPANY'S SCHOONER STAN HAS GONE SOUTH

She Had On Board 280,000 Pounds Caught In These Waters.

Word was received by H. O. Roberts, the local fish buyer for the San Juan Fish Company, that the Stan, one of the company's boats had reached Ketchikan with a large catch. She was proceeding direct to the company's headquarters in Seattle with the catch.

The Stan had been out for some little time, but had caught her fish within a week's time. She had 280,000 pounds aboard.

PARLIAMENT NOT LIKELY TO MEET THIS YEAR

Unless Something Unforeseen Arises Will Not Meet Till January.

While no official announcement has been made or is likely to be made, it is understood it is the intention of the Government at the present time not to summon Parliament before January. Unless some crisis or special circumstances which will require the approval of Parliament arise, the House will not be called until the regular time early in January. There is no special reason now for summoning the House. The war vote has not yet been exhausted and is sufficient to last until January, while there is no special legislation pending which calls for immediate action. The war revenue taxation has proven successful so there is no need of legislation for the present at least on that score. When Parliament is called there will not likely be a heavy legislative programme, while the two most important questions will be the war appropriation vote and the bill to extend the life of Parliament.

The first will not likely be controversal. As for the second the Government is going on the assumption that the Liberals will agree to a reasonable extension. However, it is well known at Ottawa that there is a certain wing of the Liberal party which is strongly opposed to any extension or to any agreement with the Government, and is bent on forcing the Administration to appeal to the people. Whether this will prove the dominating wing remains to be seen.

Attacks, there is good reason to believe, were inspired from Liberal headquarters. The Liberal leaders were paving the way for a general onslaught on the financial policy of the Government when Parliament is summoned.

The financial statement which Mr. White will be able to present to Parliament will not leave the Liberals much room for attacks of a very vigorous character.

WAS DELIGHTED WITH RAIL TRIP

S. P. BARNES OF EDMONTON PLEASED WITH G. T. P. ROUTE

Visitor At One Time Was Associated With The Late Charles M. Hays.

S. P. Barnes, of Edmonton, arrived last evening by the G. T. P. from the prairies. He will go south this morning and is looking forward to a delightful trip by water along this coast. If it is equal to the scenery along the route of the G. T. P. he will be satisfied. Mr. Barnes made the trip over the G. T. P. for the first time, and thinks there is nothfirst time, and thinks there is nothing to compare with the route.

The visitor from Edmonton was associated a number of years ago with the late Charles M. Hays in railway work. That was on the line of the Missouri Pacific. He took occasion during his visit here to call last evening on David H. Hays, whom he wished to see as the brother of his former associate.

GOOD CATCHES REACHED PORT

NEARLY 200,000 POUNDS OF FISH CAME IN YESTERDAY

The Canadian Fish & Cold Storage Company Took Most Of Them.

Some good catches of halibut reached port yesterday. About half of that landed here was from Canadian bottoms, while the remainder was from United States boats. The Canadian Fish & Cold Storage got the great bulk of the catches.

Of the catches, Capt. Kinghthall, of the Carruthers, brought 80,000 pounds, and the Stirratt had 18,000 pounds. Outside of these two boats, owned by the Cold Storage, the Tuladi with 5,000, and the Gifford with 2,000, both Canadian bottoms came in.

Of American boats the Tom and Al. had 3,000 pounds. La Paloma brought 45,000, and the Jeannie F. Decker had 12,000 pounds. The cargo of the latter boat was bought by the National Independent Company, by Mr. Bermhoff the local buyer for that company.

BRINGS WORD OF CHEER.

Speaking in Toronto, Sir Robert Borden uttered words of the highest hope with respect to the war and its progress. He closed with the following:

"My last word to you is a word of good cheer, a word of hope, a word of confidence, a word of belief that the great cause for which we are fighting—a cause which involves not only the future of our Dominion and our Empire, but the future of civilization, of humanity, of the world itself—cannot fail."

HALLIGAN'S BEAR IS ATTRACTING ATTENTION

Well Known Resident Of Prince Rupert Has Trouble Getting Black Bear Transportation.

The Vancouver Province has the following reference to a well known local man and his friend the bear:

When A. Halligan, of Prince Rupert applied at the C. P. R. depot this morning for tickets for two and explained that his companion on a trip to Chicago was to be a three-year old, fully grown, black bear, he was asked to supply proof of his claim that the animal was as he described it, "The tamest bear in captivity."

He returned a short time later leading the animal, an apparently quiet amiable creature, that trotted meekly at his side on the end of a stout steel chain, and then proceeded to demonstrate how it behaved.

"Take a ride on its back," he urged the skeptical ticket seller. "See how mildly it behaves when I prod it," he supplemented suiting the action to the word. The ticket agent declined the invitation.

Mr. Halligan was very disappointed when he was informed that it was against the company's regulations to allow animals, even the smallest of pet dogs, to travel with passengers in the regular coaches. It will go with the baggage, up ahead. He is quite devoted to the animal, which has been his inseparable companion during the past year. It follows him about like a dog and curls up on his bed with him at night. The bear was captured on the Skeena River a year ago. That it had been shot at and wounded a number of times is shown by the fact that five bullets can be felt in its hide. As a rule, unless bears are captured as young cubs, they are hard to train and bring up. Even then they are treacherous when they grow up. Mr. Halligan is taking the animal to Chicago, where it is to go on the vaudeville stage. He gave it an auto ride this morning to see the sights.

MINING ENGINEER WANTS TO GO TO FRONT

G. B. Gereau Will Go South To Enlist For Active Service.

G. B. Gereau, who is an American by birth and has followed mining as a vocation is leaving for the south this morning to join the Canadian overseas forces, with the expectation of getting to the front. He has been engaged in mining during the past summer in the interior of the district, but the war spirit has been constantly increasing, and now he says he is going to enlist.

Mr. Gereau has a property on Fiddler Creek, the Brantford group, which he regards as a splendid proposition. He was about to instal machinery and start work taking out ore. The call to the battlefield proved too strong, however, and he says he is determined to get to the front.
