The Polaris Sold Fish Catch By Telegram From Alaska

Fishing Schooner Sold Catch By Telegraph From Ketchikan

A new system of placing a boat's catch on the market was that adopted by the Polaris yesterday. The telegraph wires were used from Ketchikan, the local buyers all bidding on the catch so that long before the vessel reached port the fish were sold, although the Polaris did not know either the buyer or the price.

The practice adopted speaks well for the reputation that Prince Rupert dealers have gained through their transactions with the fishing boats. The fishermen have come to recognize that they will be dealt with most fairly.

About 10 o'clock yesterday C. H. Nunan, Manager of the Atlin Fisheries, received a message from the captain of the Polaris at Ketchikan

CONCERT TONIGHT FOR SOLDIERS' HOME

SPLENDID PROGRAMME TO BE GIVEN IN WESTHOLME THEATRE

Some Special Features Will Be Introduced By Returned Men.

In the Westholme Theatre this evening a first-class concert will be put on under the auspices of the Returned Soldiers, who are raising funds by this means to equip rooms for their use. The public are asked to co-operate as the proceeds will practically all go to the object in view.

Some very special features will be introduced this evening by the returned soldiers themselves. In this James Neville has taken a prominent part. There has been considerable secrecy about the preparations, but it is said that a most realistic representation of trench warfare will be shown on the stage by these men who have been actually through it.

VERY COMPLETE BULLETIN SERVICE

SELF'S POOL ROOM HAS A CONTINUOUS SERIES OF ELECTION NEWS

It Will Be Resumed Again At Eight o'Clock This Morning.

Ben Self, from his advantageous position on Sixth Street, put on a splendid bulletin service of the Presidential election last night at his pool room. At 11 o'clock the service closed in Montreal, but will resume this morning at 8 o'clock, when the final returns will be available.

This service, which was received over the Dominion Government line, was one of the most complete ever received in the city.

ITALIAN NAVY BUSY IN AUSTRIAN WATERS LATELY

Rome, Nov. 7.—A flotilla of Italian torpedo boats daringly penetrated the anchorage of the Austrian fleet at Pola, the Austrian naval base in the Adriatic, and ineffectively fired torpedoes. The warships returned to the fleet unscathed after carrying out a reconnaissance right under the guns of the fortress.

Italian destroyers torpedoed and sank a large enemy steamer which was moored in the shelter of the defenses of the Albanian port of Durrazzo, which has been in Austrian hands for some time.

PRESIDENT WILSON of the United States, Democratic Candidate for a second term, who was probably defeated by Charles E. Hughes, Republican Candidate for the Presidency, at the polls yesterday.

Republican Party Has Probably Succeeded In Presidential Election

New York, Nov. 7.—As far as received the returns in the elections today indicate that the Republicans have won, and that Charles E. Hughes will be the next President. In several states the returns are as yet very incomplete, so much so that both sides claim the victory.

At President Wilson's headquarters it is claimed tonight that there are 306 electoral votes in the Electoral College assured to Wilson. This would give him the election, as the College is composed of 531 votes, requiring only 266 to win.

On the other hand the Republicans feel confident that Hughes is elected. The Hughes camp tonight claimed the following States: California, 13; Connecticut, 7; Delaware, 7; Illinois, 29; Indiana, 15; Main, 6; Massachusetts, 18; Michigan, 15; New Hampshire, 4; New Jersey, 14; New York, 45; Oregon, 5; Pennsylvania, 38; Rhode Island, 5; South Dakota, 5; Vermont, 4; Washington, 7; West Virginia, 8; Wisconsin, 13. This gave a total of 254.

Later returns altered these claims on the part of the Republicians. Wilson carried Massaachusetts.

Kansas according to the latest reports, was running close, with Wilson slightly in the lead.

A significant feature is the fact that many of the metropolitan papers claim the victory for Hughes, although the figures so far received would indicate that the election had gone the other way.

In the states where prohibition is being voted on the wets seem to have won in most cases.

CANADIANS WILL GO TO ENGLAND

BATTALIONS UP TO STRENGTH WILL BE SENT AS SOON AS POSSIBLE

It Is Felt That Training Will Be Better Done There In Winter.

Ottawa, Nov. 7.—The Government has decided to transport all the Overseas Battalions in Canada that are up to strength to England just as quickly as transports are available. The opportunities for training in England during the winter months are better than they are in most parts of Canada. It is the intention to have the men fitted for actual service just as quickly as possible.

AUSTRIANS FAIL IN MOVEMENT AGAINST ITALIANS

Rome, Nov. 7.—The Austrians, who are rushing heavy reinforcements to the battle front protecting Trieste, have apparently assumed the offensive, but were unsuccessful in recovering the positions recently lost to the Italians.

Halibut Reached New Record Of Thirteen Cents Yesterday

Halibut again yesterday reached a new record on the local market. It sold for 13 cents. This is a price that has never before been attained here.

The boat getting it was the Altow with 55,000 pounds. This was bought by the Atlin Fisheries. The price paid for the amount represented about $7,150.

In addition to this boat there were also the Polaris with 45,000 pounds, and the Alameda with 5,000. These both sold to the Booth Fisheries at a rather lower price. The price was 12 3-4 cents.

There will thus be about five carloads to go out by express in the morning from yesterday's arrivals. The fish represent an expenditure of about $13,500 at the wharf.

ECONOMY SHOULD BE WATCHWARD

WALTER CLAYTON WHO HAS RETURNED FROM ENGLAND SO ADVISES

The British Are Well Prepared, But Long War May Be Expected.

Walter Clayton who left his position on the mechanical end of the Canadian Fish and Cold Storage Company some months ago to "do his bit" in the Old Country is back her again. Owing to the illness of his father he obtained permission to leave for here. He will remain in Prince Rupert.

Speaking of the conditions in the old land Mr. Clayton says that everything is now made subservient to the war. He was employed in munition factories in different parts of England and Scotland. They are now bringing expert mechanics back from the front to take charge of the unskilled labor in the many factories so great is the demand.

There is no thought of anything but victory in England, but while no one can venture an opinion as to the date for the closing of the war the preparations are all for at least two years yet of fighting.

To the people of Canada Mr. Clayton says he would advise economy. That is being pressed home upon the people of the United Kingdom and

TRAIN DELAYED A DAY THROUGH A SLIDE

Local Service From Smithers Was Put On—Regular Train Leaves This Morning.

Last evening's train did not arrive owing to a slide on the track beyond McBride. The continued wet weather had the inevitable effect upon the new line and the train is not expected in until some time this evening. No one was hurt.

A special was made up at Smithers yesterday and reached here about 9:30 with a large crowd of passengers. The regular train for the east will leave as usual this morning and will not be delayed as the way will be open for it.

put in nomination but they either declined or had not given written consent as requested under the by-laws and so were not eligible.

The first ballot resulted in the selection of George Frizzell, A. W. Edge, Rev. W. E. Collinson, D. McD. Hunter, C. L. Cullin and W. E. Fisher, with Mayor McCaffery, M. M. Stephens, W. J. Kirkpatrick and Ben Self all tied, with only three of them to be elected. On a second vote Messrs. Stephens, Self and Kirkpatrick were elected.

D. C. Stuart was elected auditor.

Before adjournment M. M. Stephens moved a vote of thanks to the retiring President, Alex. Prudhomme, for his untiring efforts.

In replying to the vote Mr. Prudhomme said he was not going to drop his interest in the Fair. He would continue to do all he could. He referred to the harmony that had prevailed. There had been many arguments but they always were with the best interests of the Association at heart. He wished to thank all citizens for the assistance given.

On motion of Mr. Edge a vote of thanks was given the Auditor, Mr. Stuart. The latter replied acknowledging the vote.

Production and Thrift

"CANADA from her abundance can help supply the Empire's needs, and this must be a comforting thought for those upon whom the heavy burden of directing the Empire's affairs has been laid. Gain or no gain the course before the farmers of Canada is as clear as it was last year—they must produce abundantly in order to meet the demands that may be made, and I believe this to be especially true in regard to live stock, the world's supply of which must be particularly affected in this vast struggle. Stress and strain may yet be in store for us all before this tragic conflict is over, but not one of us doubts the issue, and Canadians will do their duty in the highest sense of that great word."—*HON. MARTIN BURRELL, Minister of Agriculture.*

"MODERN war is made by resources, by money, by foodstuffs, as well as by men and by munitions. While war is our first business, it is the imperative duty of every man in Canada to produce all that he can, to work doubly hard while our soldiers are in the trenches, in order that the resources of the country may not only be conserved, but increased, for the great struggle that lies before us. *'Work and Save'* is a good motto for War-time."—*SIR THOMAS WHITE, Minister of Finance.*

THE CALL OF EMPIRE COMES AGAIN IN 1916

TO CANADIAN FARMERS, DAIRYMEN, FRUIT GROWERS, GARDENERS

WHAT IS NEEDED? THESE IN PARTICULAR—

WHEAT, OATS, HAY,
BEEF, PORK, BACON,
CHEESE, EGGS, BUTTER, POULTRY,
CANNED FRUITS, FRUIT JAMS,
SUGAR, HONEY, WOOL, FLAX FIBRE,
BEANS, PEAS, DRIED VEGETABLES

We must feed ourselves, feed our soldiers, and help feed the Allies. The need is greater in 1916 than it was in 1915. The difficulties are greater, the task is heavier, the need is more urgent, the call to patriotism is louder—therefore be thrifty and produce to the limit.
