PROVINCIAL ELECTION IS FIXED FOR SEPTEMBER 14

ALLIES CONTINUE VICTORIES ALONG ALL FRONTS

Interested Parties Debated Weekly Holiday Question

On Western Front Fight Has Been Kept Up With Marked Vigor

British Field Headquarters, July 6.—The Franco-British troops are advancing in the Fricourt region and all the territory between the Saumont Farm and Hill 63, on the road from Fricourt to Baloux, is in our possession.

The Germans are steadily retreating in order to escape slaughter and capture, and are taking their artillery with them.

Progress is being steadily made by the Allies on both sides of the Somme, and up to last night, 15,000 prisoners had been taken and the German losses amounted to 60,000. Other important positions in the Somme region have been captured.

Canadians In Fight.

London, July 6.—The Canadian infantry, mounted rifles and machine gun sections, along with the Australian infantry and the Royal Warwicks, were in the thick of the fighting on the Somme front, and are mentioned in despatches for their gallant work. One hundred and four officers from these battalions figure in the casualty lists, of which thirty-two are dead. The casualties amongst the rank and file amount to 1,439, of whom only 312 are dead.

French Victorious.

Paris, July 6.—The French have captured Hem and the second line German positions south of Somme, on a front of ten kilometers (about nine miles), and have occupied Estrees, where two hundred Germans sur-

Graduating Nurses From Local Hospital Given Diplomas By Board

Last evening in the old St. Andrew's Hall, Second Avenue, the ceremonies in connection with the granting of diplomas to the graduating class of the local hospital took place. Following this a very enjoyable dance took place, given in honor of the class, and for which the nurses themselves were the hostesses. The three nurses that took their final examinations and were granted the diplomas qualifying them for trained nurses were Miss E. Carlson, Miss J. McKay and Miss K. Raper.

The President of the Hospital Board, George W. Morrow, presided. In making the presentation of the diplomas that are granted by the Board, he referred to the work that the local institution was doing. He praised the way in which the matron, Miss Carmichael and the nurses themselves were carrying along the duties that devolved upon them. In the conduct of the hospital there was perfect harmony between the Board and the medical men of the city, who were doing what they could to make the institution of the greatest value to those concerned. Mr. Morrow further had praise for the city and the Government of the Province for the way in which they had contributed to the hospital and made it the success it was. The financial side of the work was now, owing to the generous treatement that had been accorded the institution, in a splendid position.

The pins presented by the Board to each of the graduates were pinned on the class by the Matron, Miss Carmichael.

Mayor McCaffery spoke briefly, addressing the nurses on the good work that the institution was doing in the city.

Dr. Kergin, on behalf of the medical examiners, addressed the nurses. He gave valuable advice to them, impressing upon them the important duties they had to perform. While they went out as graduates, their training was not all over. They would go on receiving instruction for all time. Five or ten years from now, if they followed the profession, they would be better trained than they were now.

Rev. Dr. Grant offered up a prayer on the opening of the graduating ceremonies, and short addresses were delivered by Rev. J. F. Dimmick and Canon Rix.

John Nelson is in the city accompanied by his daughter. They are visiting at the home of Mr. Nelson, of the Customs Service.

RUSSIANS AND ITALIANS WINNING

GENERAL FORCING BACK OF ENEMY ALONG DIFFERENT BATTLE FRONTS

Lemberg Is Now Being Defended Against The Russian Forces.

Petrograd, July 6.—The Russians have cut the Delatyn-Korosmezo Railway, which is the principal communication line for the Austro-German forces which are defending Lemberg. The enemy is so busy trying to combat the plans of the Russians that he is without any strategic plans of his own whatever.

Italians Winning.

Rome, July 6.—In the Trentino offensive our troops have captured the summits of Monte Corno and Monte Sollugio.

Rumania's Position.

London, July 6.—The Jonesca and Filipesco parties favor Rumania joining the Entente Allies.

Germans Routed.

Petrograd, July 6.—Along the right bank of the Dniester the Germans have been routed and the Russians are pressing on towards the mountains.

ASHCROFT WIPED OUT BY FIRE

TOWN ON LINE OF C. P. R. SUFFERED SEVERELY BY OUTBREAK

Only The Railway Buildings Escaped According To Report.

Vancouver, July 6.—The town of Ashcroft, on the line of the C. P. R., was destroyed by fire yesterday morning. With the exception of the railway station and the sheds of the company practically the whole place was destroyed. The Dominion Government telegraph office was among the places that suffered, and in consequence there was an interruption of communication by that route for a time. Steps were taken early to open new offices and the lines were opened up again.

The town of Ashcroft is one of the oldest in the Province. In the days before the railway line of the C. P. R. was constructed, there was communication through there by the Cariboo trail, with the gold fields of the Cariboo.

(Continued on Page Four.)

CANDIDATE FOR ATLIN IN CITY

W. X. MACDONALD, OF ANYOX, IS HERE FOR A FEW DAYS THIS WEEK

Conservative Nominee Is Given Assurances Of Strong Support.

The Conservative nominee for the constituency of Atlin, in the forthcoming Provincial election, is spending a few days in this city this week. He leaves for his home in Anyox today. W. X. Macdonald, the standard bearer of the Conservatives, is well known in Anyox. He has a wide constituency to cover, however, and he is taking advantage of the time elapsing between now and the election to visit as much of the riding as possible.

Born in the east, in the original Granby in Quebec, he has spent a very considerable time in the western Province of British Columbia. He has been on the pay roll at Anyox since the early days of that camp. He is an expert mechanic and keeps the drills used in mining in repair.

Having to depend upon his wages as a mechanic, it was with some reluctance that he entered the political game and consented to become a candidate, with the loss of time that a campaign must entail. He has, however, taken a deep interest in matters political, and is therefore qualified to serve in this line. His life has been spent in mining camps, in a position where he was brought into the closest touch with the actual miners themselves. He is therefore very well qualified in this regard to represent a mining constituency in the Legislature.

Mr. Macdonald is more than pleased with the reception that has been given him in the different points in his riding that he has visited. There has, he says, been a general disposition to accord him a splendid support. Irrespective of party lines even, he has been given assurances that he will receive strong support. The Atlin riding is looked upon as a sure one for Macdonald.

NOTARY PUBLIC REAL ESTATE

Election Set For Provincial Legislation For September 14

An announcement from Victoria contains the information that the election for the Legislature has been set for September 14.

This, under the new Act, which allows the right of the soldiers on duty at the front and in England to vote, necessitates the nomination taking place forty-two days previous to this. The nomination will therefore be on August 3.

The date fixed for the election by Premier Bowser leaves over two months before the election is held. This will give both sides every opportunity to present their side of the questions of the day. The campaign has in reality been on for months now, so that there has been no necessity for a long continuation after the date was announced, except that the statute requires that there shall be a lapse of 42 days between nomination and election, in order to allow the soldiers to vote.

Weekly Half Holiday Discussed At Joint Meeting Last Night

The Retail Clerks of the city held a meeting last evening in the Carpenters' Hall for the purpose of discussing the half-holiday question. The members of the Merchants' Association and the members of the Trades and Labor Council were invited to be present, many of whom availed themselves of the privilege. Geo. Kerr acted as chairman.

S. D. Macdonald, President of the Trades and Labor Council, was called on to give the stand the Council took in the matter. The speaker went fully into the question, stating that they had been requested to bring the matter before the City Council and had done so in an endeavor to have that body assist in having the clerks and business men choose a day that would be agreeable to all concerned. He explained that it did not affect the Trades and Labor Council in the least. It was not the intention of the Council to threaten anyone who did not fall in line, as was reported on the street. He denied that the word boycott had ever been mentioned during the time the matter was up for discussion. On the other hand, they would render any assistance to bring about a day being chosen agreeable to all.

As a member of the Merchants' Association, D. W. Morrissey, addressed the meeting. He felt that there was two sides to the question, and was in favor of the half-holiday coming on Wednesday, but as a Canadian citizen, he respected the views of others. He did not know that the Merchants' Association had taken action, deciding to close on Saturday afternoon until he read the reports in the newspapers of the committee approaching the City Council. He had taken the trouble to ask his customers, thinking that course wiser, before deciding on the day to close. There was not a single one but agreed on Wednesday as the day. He did not wish to be arbitrary. Property holders and taxpayers should have some consideration in the matter. He compared the situation in the city with conditions as they exist at Granby Bay, in a corporation town. He would fight for his rights as a British subject. He respected the ladies and the heads of homes that dealt with him, and he would close on Wednesday afternoons.

M. Heilbroner, jeweller, claimed in defence of Wednesday as the day instead of Saturday, that during the summer months his trade was mainly with the tourists. He carried a line of curios and catered to this trade. The C. P. R. boats came in Saturday, and if he was to close he would lose a great deal of his trade, when another firm in the city was allowed to remain open, who also sold curios along with flowers.

Mr. Spurr had written Vancouver for information. He was willing to close on Saturday if the other stores did so. But had closed on Wednesday last. He thought he should be permitted to remain open, as he carried more fruit than any other store in the city.

Mr. Morrissey suggested that a

FRIDAY, JULY 7, 1916.

THE CITY HOSPITAL.

In its hospital, the City of Prince Rupert has a valuable asset. Last evening there graduated from the institution three young ladies who go into the ranks of trained nurses to do a noble work in the world. The hospital is from year to year adding its quota of trained young ladies in this line of activity. It is questionable if there is a hospital in the Province of the same capacity as the one in this city that is as well equipped and in as good position financially as the local institution. The Board of Directors, following a well defined policy of previous boards for economy in the administration of the place without curtailing the efficiency of it, deserves credit for what it is doing in this line.

THE ELECTION.

With the fixing of the date for the election for the Province, attention will be more and more centred upon that event from now until it is all over. With a long campaign in view, there will be no excuse for the questions of the day not being fully discussed before the electorate.

In addition to the general matters of internal interest, there are two subjects that will be brought up, and upon which the electorate should give a great deal of thought. These two subjects are of far more than mere passing moment. They are matters that affect the country very strongly. These are the questions of Prohibition and of Woman Suffrage. They come up for decision by the electorate in the form of plebiscites and will be voted upon at the the same time as the election of the members for the House is held.

WEEKLY HALF-HOLIDAY.

(Continued from Page One.)

plebiscite of all citizens be taken, including the ladies and decide in that manner.

Thos. Cartwright explained on behalf of the clerks that they were not trying to dictate to the merchants, but had awaited the Retail Merchants decision before deciding on Saturday.

Mr. Kerr further explained that the vote had been unanimous for Saturday. Wednesday was no good for a holiday. There was no need to follow the course our grandfathers pursued.

Mr. Linzey, of the Central Cash Grocery thought the majority should rule. It was meanness on the part of the minority to buck such a social reform. He thought it a pity they could not all see eye to eye.

Referring to the petition that had been circulated in the city to have Wednesday as the day chosen, Mr. Kerr said that there had been a lot of misrepresentation in connection with the petition. Although it was not a nice thing to say, it was a fact, and he had proof.

Before the close of the discussion D. McCorkindale advised those interested in the movement to put a stop to the reports that were being circulated of a boycott being started against any places of business that did not fall in line. It was unlawful. Those who were making use of this argument were libelling all those interested in the Saturday movement.

The impression at the meeting was that Saturday afternoon would be the time finally chosen by the majority for the holiday.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,

Deputy Minister of the Interior

rendered. The French have advanced to the outskirts of Peronne, where the left wing is delayed awaiting the British right wing to come up to continue a concentrated offensive on this strong position.

Verdun Attack Repulsed.

The Germans are rushing reinforcements to the Somme front, from Verdun to the east and from Lens to the north, and heavy fighting continues all along the front.

At Verdun, the enemy made a strong attack on the west bank of the Meuse but were repelled with heavy losses.

BORN.

In this city on Thursday, July 6, to Mr. and Mrs. F. Mussallem, of Fifth Avenue, a son.

WATER NOTICE

Use and Storage

TAKE NOTICE that Granby Consolidated Mining, Smelting & Power Co., Ltd., whose address is Anyox, B. C., will apply for a license to take and use 100,000 gals. per day, and to store 2,500,000 gals. of water out of West Branch of Hidden Creek, which flows southerly and drains into Granby Bay about one half mile west of Anyox.

The storage dam will be located about two and a half miles from the mouth of Hidden Creek. The capacity of the reservoir to be created is about 2,500,000 gals., and it will flood about two acres of land. The water will be diverted from the stream at a point about 450 feet south of north line of Maypole M.C. Lot 1676, and will be used for domestic and mining purposes upon the land and mine described as Hidden Creek Mine and Mine Townsite.

This notice was posted on the ground on the 15th day of June, 1916.

A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert, B.C.

Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

REV. DR. CHOWN HAS BEEN GIVEN HONORARY RANK

Superintendent Of Methodist Church Recognized For Services In Recruiting.

Ottawa, July 6.—Rev. Dr. Chown, General Superintendent of the Methodist Church, has been created an Honorary Lieutenant-Colonel.

Dr. Chown, since the outbreak of the war has taken a very active part in recruiting, and has spared no pains to point out the duty in this respect. He has two sons in service at the front.

MAJESTIC THEATRE IS ATTRACTING GOOD HOUSES

Under The New Management There Is An Excellent Musical Programme With Good Pictures Shown.

The Majestic Theatre is again attracting a great deal of attention with the opening under the new management. The new proprietors have provided an excellent orchestra, embracing those who are interested in the theatre.

The new management is composed of E. E. Stilwell and the Balagno Brothers, who compose the three-piece orchestra, which is of first quality and P. Aivazoff, who operates the film machine. The management therefore has all the different parts of the entertainment carried out by themselves.

CONCERT IN AID OF.

(Continued from Page One.)

the front, a concert will be given on Monday evening in the Westholme Theatre. A very choice programme will be given on that occasion.

The concert is to be given in connection with the club that is now opened for the returned soldiers.

ASHCROFT WIPED OUT.

(Continued from Page One.)

When the railway was constructed, it became the point where the transfer took place from the railway line to the overland route, and a vast amount of business passed through the town, although it never developed to any extent in the matter of buildings.

NAVIGABLE WATERS PROTECTION ACT.

R. S. C. Chapter 115.

The Grand Trunk Pacific Railway Company hereby gives notice that it has under Section 7 of the said Act deposited with the Minister of Public Works at Ottawa, and in the office of the District Registrar of the Land Registry Office, District of Prince Rupert at Prince Rupert, a description of the site and plans of warehouse proposed to be built in Prince Rupert Harbor at Prince Rupert, British Columbia, in front of waterfront Block "G," according to registered plan of the townsite of the said City of Prince Rupert deposited in the aforesaid Land Registry Office as No. 923.

AND TAKE NOTICE that after the expiration of one month from the date of the first publication of this notice, the Grand Trunk Pacific Railway Company will under Section 7 of the said Act apply to the Minister of Public Works at his office in the City of Ottawa for approval of said site and plans, and for leave to construct the said warehouse.

Dated at Winnipeg, Manitoba, this 25th day of May, A.D., 1916.

Eye Troubles Corrected

Mr. Bulger has had over ten years experience in sight testing and fitting glasses, and last mid-summer took a post graduate course, which included the latest discoveries in the science of optometry or eye measuring. One of the most important is dynamic skiametry. The new method of Prof. A. J. Cross, of New York, in which the eye is measured by a beam of reflected light and any error is recorded.

But we do not simply rely on one method; each eye is tested separately, in three different ways, besides trying the muscular balance, together and the nervous acuteness.

We use the new drugless methods, no drops in the eye and no heavy frame resting on your face; ours swings from the wall by a bracket.

MR. HARRY HANSON, "The Reliable Plumber," Prince Rupert, B. C.. Prince Rupert, B. C., April 9, 1914.

I have great pleasure in certifying to the excellent hot water and heating system that you installed in our parsonage, and that after six months of operation through the winter months it has given every satisfaction.

The system heats a thirty gallon tank of water to boiling temperature in one hour after the fire has been started; it in no way interferes with the oven for baking purposes. In addition to this, the wall radiator which you placed in dining-room and connected with the range boiler has given us splendid satisfaction, supplying us with ample heating throughout the winter, saving us the cost of a stove and fuel.

I most heartily testify to the satisfaction and efficiency of your system and gladly recommend it.

Yours very truly,
(Signed) (Rev.) J. F. DIMMICK.
