ALASKA SERVICE FROM HERE STARTED YESTERDAY

PREPARATIONS FOR BUSY SEASON AT ALICE ARM

German Stoaway Held Up British Captain On Atlantic

Reported That About One-Quarter of Million Will Be Spent On Mine

R. B. McGinnis, of the Dolly Varden mine, went on to the property he has at Alice Arm last evening by the Prince Rupert. He has, while in the south, conferred with Mr. Hubbard, of Chicago, who is associated with him in the property.

Mr. McGinnis is not one who boasts much of what he is to do. It is, how- reported that he will this season spend a quarter of a million dollars in connection with the mine this summer. This will include the spending of about $100,000 perhaps on the road to the property. This will be made practically ready for use as a railway.

In addition, a lot of the machinery for the concentrating work will be taken in. Development work at the mine will also be kept in operation, so as to open the property up to the fullest extent.

TO INVESTIGATE SHELL CHARGES

MR. JUSTICE DUFF AND SIR WILLIAM MEREDITH WILL BE ON COMMISSION

Col. Allison's Connection With Co tracts Will Be Gone Into Freely.

Ottawa, March 30.—Sir Robert Borden has announced that Sir William Meredith and Mr. Justice Duff have been appointed to investigate the charge made by George Kyte, and will investigate the contracts of the Shell Committee with the American Ammunition Company, the International Arms Company, the Canadian Valve Company, and the Providence Chemical Company, with which it is alleged Col. Allison was connected.

A third comm'ssisoner has yet to be named by the Government, and a fourth by Sir Wilfrid Laurier. Gen. Sam Hughes, the Minister of Militia has cabled he is returning to Canada at once. He has demanded an inquiry into the charges that were preferred.

Mr. Justice Duff, of the Supreme Court of Canada, went from this Province to the bench at Ottawa. He is well known on this coast, where he practised law in Victoria and later sat as a Judge of the Supreme Court of British Columbia.

TO HELP VON BISSING.

Amsterdam March 30.—It is reported that the Kaiser's son August is going to Belgium to assist General von Bissing, the Military Governor, who, it is believed, he will eventually replace.

THE BRITISH BOOTH.

The British Booth Committee, who will have the exclusive sale of fancy work at the Red Cross "Carnival of the Allies," to be held April 24 and 25 at the Agricultural Hall, request that the ladies of Prince Rupert city and district donate all fancy work that they feel they can reasonably spare for the noble cause from now on until that date. Sending the sae to Mrs. Frizzell's Store on Third Avenue, and to the Prince Rupert Grocery, corner of Fulton and Sixth Street.

FIFTEEN THOUSAND GERMANS LOST

FRENCH MACHINE GUNS MOWED DOWN THE ADVANCING ENEMY

Malancourt And Avoncourt Proved Costly To The Kaiser's Forces.

Paris, March 30.—Fifteen thousand Germans were sacrificed in the vain assault at Malancourt and Avoncourt. The French machine guns nearly annihilated the German division attempting the assault at Malancourt.

To the west of the Meuse the Germans delivered several counter attacks against our positions at the Wood of Avoncourt. All of these assaults were driven back with heavy losses by the enemy.

To the east of the River Meuse, and in the Woevre district, there have been intermittent bombardments. The Germans have thrown into the river north of St. Mihiele a great number of floating mines, which have, however, caused no damage.

GERMAN STOAWAY HELD UP CAPTAIN

HE PUT WIRELESS ON BRITISH SHIP OUT OF ORDER AND MADE TROUBLE

Man Has Been Landed From The Vessel On Atlantic Coast.

Lewes Del, March 30.—Ernest Sculer, a German, held up the captain of the British steamer Matoppo shortly after the vessel passed Sandy Hook bound for Vladivostok.

Sculer, who stowed away, put the wireless on the steamer out of commission. He then locked the captain in his rooom all night, while he searched the papers in the ship's safe. The man is under arrest here, where he was landed.

TRAVEL IMPROVING.

Travel is very materially improved. The Prince Rupert which arrived yesterday had over 80 passengers on board. Two table sittings in the dining saloon were necessary again.

Alaska Service By G.T.P. Was Started From Here Yesterday

Yesterday at 12·30 the G. T. P. steamer Prince John left here for Alaskan ports, thus initiating the service with the great north. The place of the Prince John will be taken a little later by the big coasting steamers Prince Rupert and the Prince George. G. A. McNicholl, the Assistant General Freight and Passenger Agent, was a passenger north by the steamer. He has gone to look into the working of the service, the initiation of which he has been so prominently identified. The Prince John will be back again Tuesday.

There were quite a number sailing to Alaskan ports by the G. T. P. steamer yesterday. Some of these came from the south, connecting here with the Prince John. The Prince Rupert arriving on Thursday mornings will connect with the Alaskan steamer each week.

Another feature connected with this Alaskan business, and which will be of convenience to the trade with the southern ports in the United States, is the securing of a United States customs officer here. H. Hill, of Seattle customs force, reached the city yesterday and will reside here. He will be paid by the G. T. P. to serve the public interest here. He will also be given office quarters on the G. T. P. wharf.

PRETTY HOME WEDDING CELEBRATED AT GEORGETOWN

Mr. Donald Peck And Miss Jacklin United In Marriage.

The marriage took place at Georgetown on Tuesday afternoon of Miss Winnifred Eva Jacklin, daughter of Captain Frederick Jacklin, of that place, and Mr. Donald Wesley Peck, son of Mr. and Mrs. Hal Peck, of this city.

The ceremony was performed by The Rev. Dr. Large, of Pole Simpson, in the presence of a large gathering of friends, including relatives from here.

The bride, who was given away by her father, wore a going-away suit of saxe blue corduroy velvet, with a large picture hat. She was attended by Miss Olive Rudland as bridesmaid. The bridegroom was supported by Mr. W. H. Rudland. Mr. and Mrs. Pack were the recipients of many handsome gifts. They arrived in the city last evening, and are leaving for the east on their wedding tour. They are both well known and popular here.

TENDERS WANTED.

Tenders will be received up to 5 p.m. March 31, 1916, for the repairing, painting and replacing of screen windows. For tender form and further information apply to Managing Secretary, Prince Rupert General Hospital.

Details Of Receipts And Expenditures Estimated For The Year As Presented By Hon. Lorne Campbell On Budget

(Special Correspondence.)

Legislative Press Gallery, Victoria, March 27.—The estimates of revenue and expenditure for the Province for 1916-1917 were tabled in the House today, and Finance Minister Campbell delivered his Budget Speech this evening. The estimated revenue of the Province in round figures for the fiscal year, ending March 31st, 1917, is $6,000,000, with an estimated expenditure of $11,300,000.

In view of the fact that the fixed charges of the Province amount to $3,800,000, it is seen that it is difficult for the Government to make further reductions. Approximately $3,000,000 has been provided for Public Works, of which $2,500,000 is for roads, streets, bridges and wharves. The vote for the maintenance of public institutions has been increased slightly, while that for hospitals and charities has been increased $150,000. Administration, other than salaries, has been decreased by $70,000; that for education by $50,000, and the vote for agriculture by $30,000. The cost of transport has dropped by $40,000, a saving of $100,000 has been made in miscellaneous items.

Debt Of Province.

The Budget Speech deals fully with all departments of Governmental expenditure and revenue, and discusses present conditions as they exist in this Province. A complete statement is provided showing the loans effected in British Columbia since Confederation. The loans since 1874 total $24,915,126.

Of this amount loans to the extent of $4,191,980 have matured and have been retired. The loans outstanding at the present time amount to $21,155,146; the sinking fund accumulated amounts to $2,563,428, leaving the net debt at $18,589,718.

In connection with the public debt the Province has the liabilities incurred on account of the guaranty of railway bonds. The total amount of these guarantees is $80,322,072. Of this amount about $57,000,000 has been earned.

Relief Effected.

The Dominion Government having given aid to the Canadian Northern to the extent of $45,000,000, has practically relieved the Province of liability to that extent.

An explanation has been made in the Budget of the reasons leading up to the payment by the Province last January of $316,000 interest due on bonds floated by the Pacific Great Eastern. It is stated that the Government paid this interest in order that the company would not have to default, and in security for the advance, has the personal covenant of Messrs. Foley, Welch & Stewart. The importance of the early completion of the road, in order to place it on an operating and dividend paying basis is emphasized.

Industrial Conditions.

The Budget deals at length with industrial conditions of the preceding calendar year. It says, "Trade and manufacturing are experiencing a season of depression, but with a fair share of improvement apparent, the industries arising out of our four great natioal resources: mining, agriculture, forestry and fishing, have been splendidly maintained, and the outlook is brightening every day for increased prosperity."

Mineral production in British Columbia for all years has now passed the half billion dollar mark; the official figures show that the total at the end of 1915 was $516,122,000. The total value of the 1915 production alone was within $3,000,000 of that of 1912, which was the highest year on record, and less than $1,000,000 short of that of 1913, the only other year of higher total value.

Taking metalliferous mining

(Continued on Page Two.)

Mitchell Albert Is Organizing For Work On Alice Arm Road

Mitchell Albert returned from the south yesterday morning. He confirms the report received before, that he had secured the contract for the construction of the road at Alice Arm, from the water front to the Dolly Varden mine. The work is to start at once. The contract has been taken by Mr. Albert himself. He will have associated with him on the actual work Sol Cameron, a well known contractor.

The necessary equipment has all been got together and will come north by the steamer Princess Maquinna today. Mr. Cameron will also be a passenger on the steamer.

There is to be no delay in completing the work, and a start must be made immediately. 100 men will be employed at the commencing of operations. In spite of the fact that there is considerable snow there a start can be made on the mountain side work, of which there is considerable.

Capt. McKenzie has taken command of the steamer Prince John. Purser Woods is also a member of the steamer staff. Capt. Donald has taken the command of the Prince Rupert.

DETAILS OF RECEIPTS.

(Continued from Page One.)

alone, the value of its production in 1915 was greater by $2,677,000 than that of any other year in the history of mining in the Province.

Granby's Importance.

The Budget Speech contends that the Granby and Britania Mining Companies will together make a production of fully 90,000,000 pounds of copper a year on the coast; lode gold will also be produced in larger quantities in Rossland and Hedley, as well as at Granby Bay and Surf Inlet; and placer gold in Atlin and Cariboo; silver lead and zinc mining is active in Ainsworth, Slocan and East Kootenay.

Agricultural Production.

Satisfaction is taken in the splendid increase in the value of agricultural produce within the Province in 1915. The total for that year was $30,873,700, an increase of $689,600 over 1914. This increase is in reality greater than these figures would indicate. Values for 1915 averaged 10 per cent. lower than for 1914. Based on the same valuations the amount of home production for 1915 would be $33,961,070 or an increase of $3,777,690 over 1914.

An equally satisfactory state of affairs is apparent with regard to import. In 1914 the value of imports from other Canadian provinces and foreign sources total $25,199,125, while in 1915 the value of imported agricultural produce was reduced to $16,402,561. The decrease of importations, so satisfactory to note, is due to several reasons: increased production, a decrease in population, owing to military drafting; and in some degree to the decreased purchasing powers of the people owing to financial depression. Reasons for the increased production are: educational and demonstrational activities of the Department of Agriculture, a favorable season for crops, the collapse of real estate inflation with the people getting back to the land, increased railway facilities and more and better roads.

The Loan Act.

Land clearing is proceeding at pace. Farmers are keeping more and better stock and raising more and better crops.

The putting into effect of the Agricultural Aid Act will do a great deal towards encouraging agriculture in this Province. The Government has just floated a one million dollar bond issue for this purpose, as a start on this work, and it is expected that loans will be made to the farmers at 6 1-2 per cent. The Government was able to sell 25 year bonds on a 5.63 interest basis.

Forest Products.

The value of the forest products for the calendar year is estimated at $29,150,000, a slight advance over the figure for 1914. The depression

Crookall, Free Miner's Certificate No. 94,053B, intends, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85, must be commenced before the issuance of such Certificate of Improvements.

Dated this 2nd day of February, A. D., 1916.

J. FRED RITCHIE,

w-f-9. Agent.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining right of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

LAND REGISTRY ACT.

Notice Under Section 36.

TAKE NOTICE that an application has been made to register Mitchell Albert, of Prince Rupert, B. C., as the owner in Fee-simple, under two Tax Sale Deeds from the Collector of the City of Prince Rupert, to Mitchell Albert, bearing date the 10th and 15th day of September, A. D., 1915, in pursuance of a Tax Sale held by said Municipality on or about the 9th day of September, 1914, of all and singular certain parcel or tract of land and premises situate, lying, and being in the City of Prince Rupert, in the Province of British Columbia, more particularly known and described as: Lots One (1) and Two (2), Block Forty-five (45), Section Seven (7), and Lot Thirty-eight (38), Block One (1), Section Eight (8), Map 923.

You and those claiming through or under you, and all persons claiming any interest in the said land by descent whose title is not registered under the provisions of the "Land Registry Act" are required to contest the claim of the tax purchaser within forty-five days of the service of this notice upon you. Otherwise you and each of you will be for ever estopped and debarred from setting up any claim to or in respect of the said land, and I shall register the said Mitchell Albert as owner in fee.

Your attention is called to section 36 of the "Land Registry Act" and amendments, and especially to the following extract therefrom which relates to the above notice:—

"And in default of a caveat or certificate of lis pendens being filed before the registration as owner of the persons entitled under such tax sale, all persons so served with notice, or served with notice under subsection (6) of section 155 of the "Municipal Clauses Act, 1906," or section 293 of the "Municipal Act," or section 139 of the "Assessment Act, 1903," or section 253 of the "Taxation Act," in cases in which notice under this Act is dispensed with as hereinafter provided, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be for ever estopped and debarred from setting up any claim to or in respect of the land so sold for taxes."

Dated at the Land Registry Office, at the City of Prince Rupert, Province of British Columbia, this 3rd day of January, A. D., 1916.

H. F. MacLEOD,

District Registrar.

To Celia Chesterfield, John Hagaman, Fred Kuyath. f-19-1-m.

DETAILS OF RECEIPTS.

(Continued from Page Two.)

in the lumber business, it is noted, is now a thing of the past, and both the market for lumber and the ruling prices are extremely satisfactory.

The only obstacle in the way of one of the strongest revivals in the history of the industry is the car shortage, which threatens to rival the shortage of ocean tonnage. The Government is now carrying on publicity work in the Eastern Canadian and prairie markets with good results.

The investigation into the South African, Indian and Australian markets for British Columbia lumber has given most encouraging indications for future business. The Provincial Government has placed a Lumber Commissioner in the United Kingdom who will keep closely in touch with the purchasing departments of the Imperial Government.

Fishing Industry.

The past year has been a prosperous one for the fishing industry, and the calendar year for 1915 shows a total value of fish londed at British Columbia ports at $13,500,000, an increase of nearly $2,000,000 over the previous year.

Some reference is made to the water control in the Province. Of the 7,030 old records before the Board of Water Rights Investigation, 5,685 have been dealt with, and the remainder will be taken up this year. The revenue from water now averages over $40,000 a year. It is expected that with the construction of the new railways, many power sites thus made available will be developed.

Municipal Situation.

Present appearances would indicate that the great strain in connection with the financial operations of municipalities is now past, and that with the rigorous economy which is now being practiced the credit of British Columbia municipalities will be maintained on a level with those in any part of Canada. In 1913 municipal undertakings involving Debenture Issues, totalled $23,225,000. In 1914 Debenture Issues for municipalities fell to $5,500,000. in 1915 it dropped to $1,115,000.

Field Work In Mining.

One of the most interesting items in the estimates for 1916-1917 is the sum of $24,000 for Field Work in Mining. Hon. Mr. Campbell, Minister of Mines, announces that it is proposed this year to send out engineers all through the mineral areas in British Columbia for the purpose of making preliminary observations. Following upon their reports the Dominion Government will be asked to carry out geological surveys in sections favorably reported on by these provincial officials. These engineers will also do whatever possible to aid prospectors, in giving information regarding claims, etc.

District Votes.

The estimates include a sum of $100,000 for surveys of land throughout the Province, and $40,000 for general water rights surveys, also $10,000 for dry land investigation and $50,000 to aid in encouraging lumber trade. A sum of $35,000 is set aside for bounties in the Game Department.

The Public Works Estimates comprise works and buildings, $606,900; roads ,streets, bridges and wharves, $2,255,800; subsidieies and maintenance of steamboats, ferries and bridges, $115,660. The district approporiations for roads, streets, bridges and wharves are practically the same as the present closing fiscal year, and are as follows: Alberni, $55,500; Atlin, $8,000; Cariboo, $123,000; Chilliwack, $33,300; Columbia, $36,000; Comox, $59,500; Cowichan, $33,300; Cranbrook, $41,000; Delta, $22,500; Dewdney, $68,500; Esquimalt, $36,00; Fernie, $41,000; Grand Forks, $28,800; Greenwood, $19,800; The Islands, $27,000; Kamloops, $72,000; Kaslo, $36,000; Lillooet, $65,000; Nanaimo, $9,000; Newcastle, $24,300; Okanagan, $79,000; Revelstoke, $37,000; Richmond, $40,000; Saanich, $5,500; Similkameen, $72,000; Skeena, $176, 000; Slocan, $36,000; Yale, $51,300; Ymir, $72,000.

Votes For Various Uses.

The sum set aside for education is $1,524,500, and for agriculture, $176,500; the latter includes the following: Administration and outside service, $20,000; Board of Horticulture, $500; crop competitions in fruits, vegetables, gardens, vacant lot competitions and demonstrations, $2,000; demonstration orchard and experimental trees, $1,000; fruit packing schools, $1,500; Agricultural Associations, $30,000; B. C. Dairymen's Association, $2,500; B. C. Entomological Society, $230; B. C. Fruit Growers' Association, $3,000; B. C. Poultry Association, $2,500; B. C. Stock Breeders' Association, $2,500; Flock Masters' Association, $250; Farmers' Institutes, $20,000; Women's Institutes, $7,500; Inspection of nursery stocks, trees, etc., $20,000; suppression of diseases affecting fruits, vegetables, etc., $15,000; suppression of noxious weeds, $10,000; compensation to owners of cattle slaughtered for tubercolosis, $10,000; travelling expense of officers on duty, $25,000.

Hospitals And Schools.

Grants to hospitals for the year will amount to $275,000, and assistance in building hospitals to $150,000; grants to refuge homes, aid societies, etc., $19,000; and aid to the destitute, poor and sick, $60,000.

The per capita grant to the city, municipality and rural school districts will total $963,000; and the salaries of teachers in assisted schools to $310,000. The sum of $20,000 is set aside for agricultural education and $15,000 for industrial education, with $14,000 for the education of the deaf, dumb and blind. The sum of $175,000 is provided for the completion and maintenance of the new British Columbia Building in London, England. $200,000 for construction of public schools throughout the Province. Improvements to the Songhees Reserve, Victoria, will account for $240,000, and there is also an advance of $250,000 to the Minister of Finance for administration purposes on account of the Dominion Trust Company, in liquidation, as recited in the bonds unpaid at this date of London Guaranty & Accident Company $50,000, Railway Passengers Assurance Company $200,000.

Small Grants.

Grants to British Columbia regiments total $5,000, to the provincial library $10,000, to the City of Vancouver, towards the purchase of certain lands in Lot 301, $5,000; to the City of Pheonix $4,000, to the City of Rossland $12,000, the Canadian Patriotic Fund $6,000, to the Boy Scouts $1,000, to the Victorian Order of Nurses $500, to the Returned Soldiers' Aid Commission $15,000.

The supplementary estimates of expenditure 1915-1916, which are additional to the estimates brought down a year ago, total $125,662.35; they include such items as $10,000 extra bounty on wolves, coyotes, etc.; $2,500 Woodward's Landing ferry across the Fraser River; $4,500 Vernon Edgewood road; $6,300 Sicamous-Mara road; $6,700 relief work, Prince George and small over-expenditures in several of the electoral districts. There was also a refund of $15,000 to Twohey Bros. for the railway construction roads along the North Thompson, which the Province took over.

PRINCE RUPERT ASTONISHED BY SIMPLE MIXTURE

Prince Rupert people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler-i-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. C. H. Orme, Pioneer Druggist. g-4.

WATER NOTICE.

TAKE NOTICE that THE SURF INLET POWER COMPANY, LIMITED, will apply by Petition to the Minister for the approval of the undertaking of its works and that such Petition will be heard in the office of the Board on a date to be fixed by the Comptroller and that any person may file an objection thereto in the office of the Comptroller or of the Recorder of the Distirct.

The name and address of the applicant is THE SURF INLET POWER COMPANY, LIMITED, having its Head Office at 1,901 Rogers Building, Vancouver, B. C. The Water Recorder's office in which this notice is to be filed is at the Court House, Prince Rupert, B. C. The name of the lake from which the water is to be taken is Cougar Lake, Princess Royal Island.

The quantity of water applied for is ten thousand inches or sixteen thousand cubic feet per minute. The proposed point of diversion is at a point at the outlet of Cougar Lake, and it is to be returned at a point at sea level on Surf Inlet, and will be used for developing power and electric energy to be used within a radius of ten (10) miles of the works on Princess Royal Island.

A copy of this notice was posted on the ground on the 24th day of February, A. D., 1916.

Dated at Vancouver, B. C. this 24th day of February, A. D., 1916.

THE SURF INLET POWER COMPANY, LIMITED.

Eye Troubles Corrected

Mr. Bulger has had over ten years experience in sight testing and fitting glasses, and last mid-summer took a post graduate course, which included the latest discoveries in the science of optometry or eye measuring. One of the most important is dynamic skiametry. The new method of Prof. A. J. Cross, of New York, in which the eye is measured by a beam of reflected light and any error is recorded.

But we do not simply rely on one method; each eye is tested separately, in three different ways, besides trying the muscular balance, together and the nervous acuteness.

We use the new drugless methods, no drops in the eye and no heavy frame resting on your face; ours swings from the wall by a bracket.

MR. HARRY HANSON, Prince Rupert, B. C., April 9, 1914.
"The Reliable Plumber,"
Prince Rupert, B. C.,

I have great pleasure in certifying to the excellent hot water and heating system that you installed in our parsonage, and that after six months of operation through the winter months it has given every satisfaction.

The system heats a thirty gallon tank of water to boiling temperature in one hour after the fire has been started; it in no way interferes with the oven for baking purposes. In addition to this, the wall radiator which you placed in dining-room and connected with the range boiler has given us splendid satisfaction, supplying us with ample heating throughout the winter, saving us the cost of a stove and fuel.

I most heartily testify to the satisfaction and efficiency of your system and gladly recommend it.

Yours very truly,
(Signed) (Rev.) J. F. DIMMICK.
