BERLIN GIVES OUT FALSIFIED REPORT OF THE WAR

THE RUSSIANS HAVE TURNED BACK GERMAN FORCES

Germans Serve Up Official Statements Of Allies Defeat

Berlin, Sept. 25.—According to the German official statement made here relative to the progress of the war on the western front, after an artillery preparation of great intensity, which had taken place at some points for the last fifty hours, the expected Anglo-French offensive began.

The statements prepared for the German readers of course further claims that the Allies were repulsed everywhere in their movement against the Germans.

LIKELY SOUGHT TO EVADE LAW

JAPANESE PICKED UP ON NORTH ISLAND ARE ALL IN CITY

They Are Being Held Awaiting Instructions from Department.

It appears more than likely that the Japanese found on North Island were trying to get into Canada contrary to the regulations. This is what it looks like now, and they are accordingly held at the Detention sheds awaiting instructions.

All of these alleged wrecked fishermen are now in the city. They are all well nourished and show no signs of long privation. It is therefore believed by many that they came other than by accident. It is feared they sought to get in without the knowledge of the authorities.

G. A. McNICHOLL IS GLAD TO BE BACK

G. T. P. OFFICIAL SAYS PRINCE RUPERT LOOKS GOOD TO HIM AGAIN

He expects A Good Deal Of Benefit From 'Frisco Fair.

G. A. McNicholl the head of the Colonization and Industrial Department of the G. T. P. here returned yesterday morning from San Francisco where he has spent a good part of the summer. He is glad to be back and says Prince Rupert looked pretty good to him when he came in yesterday.

The fair at San Francisco has been a fine one he says and should be of very great advantage to the G. T. P. and Prince Rupert in the future. Canada has been well advertised through its excellent display there. The Canada building he says was undoubtedly the best there. The G.T.P. has had a good display and has kept that part of the country through which the line passes well to the front. This will have its effect on the future. Many have been interested and will make the trip over the line of the G.T.P. later.

IMPERIAL OIL COMPANY'S PLANS

WITHIN A FEW DAYS EDMONTON WILL BE SUPPLIED FROM HERE

A Tank Steamer For This Coast Is Now Under Contemplation.

The Imperial Oil Company is extending the influence of the local depot all the time. While up to the present time the shipments of oil over the G.T.P. have been for the railway company almost exclusively the intention now is to begih shipping to Edmonton in the oil companies' own cars to supply the territory that is served from the Edmonton centre.

In a few days now the Imperial company will have its 6,000 gallon tank here and these will carry oil from the tank depot here to the tank at Edmonton. In the past Edmonton has been served from the east. When the tank cars arrive this will be the base of supply.

Capt. Anderson who has charge of the steamship service as the Imperial Oil Company on this coast was in the city yesterday. He has in contemplation now building on this coast of a tank steamer to handle the oil between the refinery at Vancouver and here and also make other trips necessary as to Victoria.

Bulgaria Continues To Declare Her Neutral Intentions

London, Sept. 25.—A despatch from Sofia says that a semi-official statement announces the entry of Bulgaria ito her new relation towards powers in the war. The statement announces that Bulgaria's state of armed neutrality is explained by changes which have accurred recently in the political and military situation. Bulgaria says the statement has not the slightest agressive intention. She has resolved to be armed to defend her rights. explained by changes which have occ- following the example of Holland and Switzerland, Bulgaria has been obliged to view the movement of troops effected by her neighbors as a danger threatening her. With the fact of the Austro-German offensive against Serbia, she has proclaimed an armed neutrality, whilst continuing to act for the conservation of peace with the representatives of the two belligerent groups.

RUSSIANS HAVE TURNED THE TABLES

GERMANS SUFFERED SEVERELY FROM THE AGGRESSIVE MOVE OF RUSSIA

General Von Mackenzen Has Been Obliged To Retreat.

Petrograd, Sept. 25.—The German offensive has been checked, and the positions lost along the Dvinski have been recaptured, the enemy being in retreat. General Ivanoff has succeeded in routing Von Mackenzen by a counter thrust and a broad enveloping movement in Galicia.

The Russians have captured 5,000 Germans at Legischin and the enemy left 2,000 dead on the field.

Berlin admits that Von Mackenzen has been obliged to retreat, and Ivanoff is the hero of the hour in Russia.

Except where on Hindenburg is forcing his way by means of liquid fire, poisonous gases and big guns, the Russians are victorious along the whole line. It is expected that the new turn in events will be as effective as additional battalions to the Russians.

At Vielika, the Russians captured eight guns, four howitzers, nine artillery ammunition wagons and several machine gunr, which were turned againt the Germans.
