## *Bulgaria To Remain Neutral In The War With Other Balkan States*

London, Sept. 22.—Radostavoff, the Premier of Bulgaria, has announced the signing of a convention with Turkey for the future maintainence of an armed neutrality on the part of Bulgaria.

**Other States Neutral.**

Sofia, Sept. 22.—Premier Radostavoff has assured his supporters that Rumania and Greece will remain neutral.

These reports are much more reassuring than those received earlier, that Bulgaria was joining Turkey in the war. From the despatches, it would appear that the Balkan States not yet in the conflict, are prepared to stay out of the fighting.

# FAIR OPENED WITH MAGNIFICENT DISPLAY OF PRODUCTS OF NORTHERN PART OF B.C.

## Exhibition Was A Surprise To Even The Most Sanguine --- Never Before Was New British Columbia's Resources Brought To Better Advantage Before The Public Than At This Display---Children Of Schools Attended In A Body And Sang Patriotic Airs At The Formal Opening

The Exhibition opened yesterday with Children's Day. It proved a grand success, and in spite of a little rain, the attendance was excellent. The display in nearly all lines is of the best character. There are 274 entries, as compared with 141 last year. Then there are four district exhibits, where only two were forthcoming last year. The displays far exceed the expectations of the most sanguine, and fully justifies the decision to hold the Fair this year.

The district exhibits from Prince George, Ketchikan and Lakelse Valleys, Skidegate and Sandspit and Procher Island are of a very high class, and show the immense possibilities of these districts within reach of Prince Rupert.

The Indian exhibits form a department that is of special interest.

Another interesting display is one made from Atlin. This is a collection of vegetables, grown in gardens of the Columbia Mines Co., 3,800 feet above the sea and near 60 degrees latitude.

At the opening yesterday, Alex. Prudhomme, President of the Fair Board, expressed his pleasure at participating in the opening of the third Exhibition. They had a district represented of 1,500 miles by 700 miles. With the fruits, vegetables, flowers, etc., it made them believe they were living in the best and richest country on God's green earth. There were vast areas open to settlers to go in and raise just such products as were shown here. With the other resources in fish, etc., the district was coming into its own.

Mayor Newton said that he was glad that the Exhibition had been held this year. As soon as the war passed, he felt that there would be a great deal of attention attracted to this country. The Exhibition showed that there has been benefits denied from the Fair. The management had to curtail expenses and some special attractions were cut out. After all, such a show was to show the possibilities of the agricultural sections.

On behalf of the city of Prince Rupert he welcomed all visitors to the city.

The children of the schools, under the leadership of Prof. Harvey, sang God Save the King and Rule Britannia.

The prizes awarded yesterday included the following:

## *Artillery Continued To Keep Up Fight On Western Front*

Paris, Sept. 22.—An official report says:—"The same artillery activity continues to the north of South Arras, as well as between the Somme and the Oise.

"To the north of Arras a violent bombardment has occurred in the region of Ville aux Bois. We compelled the enemy to evacuate its fortifications, which we occupied.

"In Champagne both sides have been employing their heavy guns. At a large number of points the enemy's patrol which attempted to penetrate our lines was completely destroyed.

"An artillery action of particular intensity is in progress in Argonne, in the region of Haute, Chevauchce.

"On the heights of the Meuse, to the northwest of Bouchet, our batteries have demolished the works of the enemy and caused an explosion along the lines of the enemy. Cannonading has likewise been violent in the forest of Apremont, on the Lorraine front, in the Vosges and in the sectors of Meurthe Fave."

**Have Your Eyes Tested**

An opportunity is afforded those visiting the Fair of having their eye troubles properly attended to by an experienced Eye-Specialist.

In order to make it of interest to all who have trouble with the eyes, Dr. Inman has occupied the corner store opposite the City Market and is offering special inducements to those who wish properly fitted glasses.

All kinds of complicated cases of defective sight corrected. He is displaying a few odd lines at very low prices, and it will be an advantage to see them and make a selection before they are cleared out, as they cannot be duplicated at the price again. Make appointments early for day or evening.

## SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.
