Arthur Noble is expected to arrive here about September 10 from Peterborough, Ont. His reception, as the first of the veterans sent from here to the war, will be a very warm one.

Italians Are Advancing Against The Austrians With Marked Success

Rome, Aug. 26 —An official report says:—"In Val Sugana our troops have extended their ground and occupied points above Torrento. As far as positions on Mount Amentera and Mount Saluyio, the enemy failed to prevent our advance. In addition, they left a few prisoners in our hands.

"In Seebach Valley our artillery opened fire on an encampment hidden at a bend on the left bank of the Torrento. The enemy was forced to flee in disorder. They were pursued by a shower of well directed shrapnel.

"In the upper Isonzo, our Alpine troops captured several strong entrenchments of the enemy along the steep southern slopes on the Rombon."

CANNERS LIBERALLY GAVE TO MACHINE GUN

Contributions To The Fund Raised For That Purpose On The Skeena River

A campaign, organized by Mrs. J. F. Chawner Williams was started on the Skeena River on the 1st of August, at the suggestion of Mr. Angus McAlister, of Claxton, to collect funds for the purchase of a machine gun for use by the British Columbia regiments at the front.

The employees of the twelve canneries on the Skeena and the leading citizens of Port Essington responded generously to the appeal, and in less than two weeks Mrs. Williams forwarded, through the Bank of Commerce, the sum of one thousand six hundred and ninty dollars to the Minister of Militia at Ottawa. GERMANY WILL NOT ATTACK MERCHANTMEN WITHOUT GIVING WARNING

Washington, Aug. 26. -- Developments with respect to the relations between the United States and Germany have been reduced in intensity. The situation taken foreshadows a declaration from Berlin on the subject of submarine warfare which will eliminate all source of discord. Baron Von Bernstorff has informed Secretary of State Lansing that the statement presented Tuesday was intended to imply that submarine commanders would be ordered to attack no more merchantmen without first giving warning to them.

HOW HE WON HIS D.S.O. DECORATION

FRED PETERS' K. C., HAS HEARD HIS SON'S BRAVE DEED

It Is Doubtful If Jack Peters Is A Prisoner Of War.

Fred Peters, K. C., city solicitor, has received through the medium of a letter from Mrs. Peters, who is now in England, the facts connected with his son's brave deed, which brought him his D. S. O. decoration. This was his eldest son Fritz, who commands the torpedo boat meteor as far as his father knows. He did command the boat in the early part of the war at any rate, but as no information is given as to where they are serving, it cannot be known for a certainty whether he has been transferred or not.

Mrs. Peters says that her son is very reluctant about talking of his deed. His cousin has found out the facts, which go to show that his conduct was of the most cool-headed character and resulted in the saving of his ship.

The Meteor, through an exploding shell, had taken fire inside. In spite of the fact that the ammunition was likely to explode, Lieut. Peters did not quit his vessel. He called for volunteers from his crew and went in and put out the fire. The men who accompanied him were decorated.

The letter received by Mr. Peters, gives the information that as a result of correspondence with German Red Cross authorities, Mrs. Peters has learned that Jack Peters, their son,

GERMANY AGREES TO MAKE GOOD IF LOSSES PROVED

London, Aug. 26.—An inspired statement has been issued by Von Bethmann Hollweg that the Arabic incident has been eliminated, so far as Germany is concerned. Germany has designed a submarine policy for the future, so far as it affects Americans, which will prevent a repetition of the Lusitania incident.

If Germany finds that the submarine which torpedoed the Arabic acted contrary to orders, ample reparation will be made for American losses. Germany is anxious to maintain the friendship of America.

THE TOURIST TRADE.

Prince Rupert should not be neglectful of the tourist trade. This city is likely to reap a very rich harvest as the years go by from that trade, which is one of more value than most of people realize.

Touching upon the importance of Canada's national parks as the greatest single attraction for tourists, J. B. Harkin, Commissioner of Dominion Parks, in his report for last year, which has just been issued, gives some instructive figures on the important place which tourist travel plays in the economic life of Canada. Taking the year 1913 for purposes of comparison, he shows that, according to the figures of travellers' expenditure given by the organizer of the Canadian Travel Association, the value of tourist travel comes in fourth place with respect to revenue from Canada's national resources. Field crops the head of the list with $599,000,000, forest products come second with $161,000,000, minerals third with $102,000,000 and tourist travel fourth with $50,000,000, exceeding the output of the fisheries by $7,000,000.

Of great importance in the life of Canada also is the place which the Dominion parks fill by providing pleasure grounds for the people of the Dominion. The play-spirit and the desire for open-air recreation must be encouraged if the people of this country are to develop the best that is in them. Dominion parks are not accessible to everyone, they cannot be located except in a comparatively few districts, but a growing realization of their value will result in an extension of the public playground and public recreation park idea.

NORTHERN BRITISH COLUMBIA AGRICULTURAL AND INDUSTRIAL ASSOCIATION.

THE PRINCE RUPERT FAIR 1915.

Prince Rupert, August 22, 1915.

Dear Sir:—

All reports indicate increased exhibits for the 1915 Fair. Reports also indicate increased attendance, from outside points.

The Fair will bring money into circulation during September next. It will aid development and encourage production in Northern British Columbia. It is also good advertising for Northern products.

The Directors desire to increase the Membership Roll from 450 for 1914, to 1,000 for 1915. Will you help by adding your names to the list?

The cost is $1 per annum. For this sum you are entitled to two free entries and other privileges.

The government aid to Fairs throughout the province is based on membership strength. Increase in membership in 1915 means increase in government aid for the Fair of 1916.

Can we place your name on the roll as one of those who consider that development, prosperity, payrolls and publicity for our natural resources is worthy of support.

Yours very truly,
F. S. WRIGHT,
Secretary.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior
