Dear Jim:-

Your letters re Raingfy and Bellevue with enclosures/balance sheets were forwarded from New York and reached me in Arizona. I am on the way with Pow and will arrive Greenwood next Monday evening. Will be over to see you then sometime during the following

Regards to Donner and best wishes to you

Faithfully yours

three weeks when we can take up the financing. It looks as though the Okanagan was going to break me.

Have had a pretty hard trip and this morning passed through the Southern California desert two hundred feet below sea level, where you may be sure it was some hot. We are now nearing Los Angeles and going through a peach orchard country.
