15 KING STREET WEST
TORONTO

November 28th, 1913.

Jas. Goldie Esq,

Okanagan Centre, B.C.

Dear Mr. Goldie:

Your letter of the 16th received, also the Committee Report, The latter I have read carefully throughout, and have written to Ottawa for a copy of it for myself, as I would like to discuss it with you when you are next in Toronto.

The evidence loses a lot of its value from the fact that throughout they did not pursue one subject to the end before taking up another, but I suppose in an investigation of the kind, this was not possible.

Enclosed in Report I return the newspaper clipping.

Mr. Foggo seems to use too many words for what he wants to say, and I think Mr. Chute's evidence is the clearest, although the Nova Scotia conditions are so entirely different to ours it would appear to have very little bearing on our case.

Why cannot the Okanagan Fruit Union cut its own box wood and make its own boxes?

I wrote you on the 18th, and the same day sent a draft for $700. to the Bank of Commerce, in Vernon, for credit of the Bellevue account. I presume you have received this.

Yours very truly,

J E McAllister
