My dear Mr Goldie
Your letter from Revelstoke reach
sorry you did not
send first letter from
Penoka, however I trust
you will be able to call
and make us a visit on
your way home
Your letter from Oat
did not get to Penoka until
after you had left Penoka
I think you will like
our Alberta weather after
you get used to it no doubt
you will need warm clothes all
the year round at least I do
If you can get to Penoka

on Monday you could come out on stage in time for dinner, leave your Baggage at Gale and walk out to House just one mile direct North by the Trail on the River bank

We expect Arthur here soon to do some road work and help us with a Stable Roof

We would meet you at Pinehur only we only get one mail a week and they are so uncertain

Yours truly
E Harland
