Dear Goldie

many thanks for yours.

I dont think I shall have any difficulty in getting the price you mention for the Martin St. Lots in the next 30 days & may also find a buyer for the other one, you might send me the number of it & size of lot. I am ~~get~~ keeping a good lookout for a purchaser for the Range & hope to find one this Summer. Expect you are very busy hope you have had as much rain as we have had here. Campbell is not in Town at present. I believe

he is away selling shares in The Ok. Falls Co, will let you know when he returns. There is always a room for you when you feel like paying us a visit. Things are beginning to look up again have been very quiet lately.

Yours ever

Alfred E. Ray.
