Mr. James Goldie,

Okanagan Centre.

Dear Jim:-

I have your letter of the 22nd ult. Mr. Adams has just informed me that he has replied to your letter to him and suggests that you send the balance of the money for your 2 lots to some bank to be handed over in exchange for transfer and duplicate of certificate of title. Mr. Cameron, Manager of the Royal Bank here, would, I think, look after your interests as well as anyone, if you do not know any other Bank Manager personally.

It might be of interest to you to know that the 100 feet on 6th Ave., for $25,000, and which I told you about while you were here, has been sold, and is now held for $35,000. The property all along there has taken quite a move in the last week, and it looks as if it would go up as high as $500 a foot very shortly. 7th Ave. property, that is, one street nearer the Main St., in the same position as 6th Ave. property, is up to $1200. a foot. It is expected that two large buildings will be erected there this Spring.

With kindest regards, I remain,

Yours very truly,

F. H. Starr
