Yours of 5th received enclose chk for $22.50 dft on order for which please accept thanks.

I can supply more Jonathan and McIntosh Red. but will be some I have bought from a non irrigated nursery and are higher priced than my own growth which Mr Turner engaged before the nurseries raised the price. I cannot offer to supply less than $19.00 per 100 - or $180.00 per 1000.

My information re selling out was from your local paper, but I now see you are the other members of the firm.

Thanking you for the enquiry and hoping to receive your further orders I await your pleasure and remain
