Dear Mr. Hewer

Now that Gerald has been with you for a couple of months you will perhaps have had time to size him up & see what sort of stuff he is made of - I hope he boy is doing his duty properly & is giving you satisfaction in every respect, I feel quite sure he will want to do his very level best. He writes happily & appears to have settled down all right, he mentions the pleasure it gives him to have the privilege of a talk with you now & again & I hope you find he takes an intelligent interest in all he is brought into contact with; a very

pleasant time of year is now coming along & I hope you will have a very successful season.

I get all the Canadian Papers sent to me & I study them with interest & am thus able to keep in touch a little. I hear that Mr. & Mrs. Hanbury have arrived & they are very shortly expected down here when I hope to see something of them; if you ever come over to the old Country I hope you will allow me the pleasure of seeing you at my home.

When you have a few moments to spare it would be a pleasure to me to hear your report about the Bay.

With kind regards, I am

Yours very truly

Lonsdale S. Bailey
