Gentlemen:-

Upon receipt of your wire last Sunday in regard to 200 additional Transcendent Crabs, we wired you per within copy, We have delayed in confirming this, but trust you received the wire in due form. We had just written you previously asking if you would not be able to use 200 Transcendent to take the place of the Hyslop, Since sending this wire we have had nothing from you, and are wondering if you wish us to book your order for 200 Transcendent additional crabs, besides the ones already on your order. Shall be glad to do this at the same price, and know we can supply you with good trees,

We hope to hear from you shortly as we are rapidly selling up on the Transcendent, and will not be able to offer these very long. Kindly let us have your reply at an early date if you wish these booked.

Yours very truly,

WASHINGTON NURSERY COMPANY
