Dear Jim:

I have your letter of July 10th with the enclosed statement. I have read with interest the copy of your letter to the Comptroller and am returning it herewith. I note what you say about charging the Rainbow Ranch with the interview which Mr. Venables and you had with me. If the situation is that the Water Users' Association will object to this charge then I think it would be far better to wipe it out entirely as I do not know of any reason why you should have to pay for something that is not strictly speaking your own personal business.

In the future why not get the Water Users to put their affairs on a proper business basis, so that if you wish to obtain advice on their behalf you will not feel that the expenditure incurred is likely to be questioned.

I will be glad to see you next time you are in town.

Yours faithfully,

T. Norris.
