Dear Sir

Your favor of Oct 17 & 27th are both at hand and contents fully noted. Since our last the "A Cooper" has arrived after a long passage of 27 Days. We received the Sardine in good order. We notice your remarks abt the Shipments to this place. We cannot see what the parties intend to do with the goods we shall want but few goods until January when one of us will try and take a run down. Enclosed find Dft on L & L for the sum of $500 which amt please pass to our credit & Mr G H Fisk will call and pay you some money for us within ten days two or three hundred dollars when he does please pass the amt to our credit and give him a receipt.
