Brother Royal

Dear Sir I
Rece you of 23 Monday
Night times are very dul
I Commence to weather on
the Quarts Mill this
after noon at $3.00 pr day
that will be better than laying
Still if they can get Rock I
Can keep the Chorse all winter
and I think they Can we
have had some trobble about the
I & So that we have got anoth
er Mam in the Clame and
I think it will be all right
now Mr Dennice is down below
Gilman has gone to the
States will not be back till
Spring so we can not doo any
thing about the Ranch till

til they get back but I
think you had not better
buy them out they will help
protect it there may bee som
danger of some body trying to
jump it and it will be better
to have their help but I
will see how things look wh
en they get back and let
you know a bout it I took
most of my pay of them
in lumber & wood there is
ten Clamer working this
winter and I think by spr
ing things will look better
if it does not I shal bee
discourage we have a School
and my Children air going to
it my wife health is about
same cept air all well

yours Respectfuly
