Royal Fisk Esqre
San Francisco

Dear Sir,

Yours of the 4th instant has been received and its contents carefully noted.

Many of my customers in Cariboo have great complaints to make about your invoice of Peaches of August 28th last and they say that they are entirely rotten. I have still some cases of the same lot on hand, and I agree that they are of a very bad quality. So I beg you will please be a little more scrupulous in the invoice of the goods I shall order, for such things are calculated to take off from me my customers. Furthermore you must know that the freight from here to Cariboo is very often higher than the price of goods, and consequently it is a great loss for the customers if the goods are not well selected. I have had also some difficulties about your last invoice of Tomatoes, and hope you will bring all your attention in order to have all the goods I might order of a first quality.

I have noted your remarks in regard to the Sandwich Is. sugar, and please forward it to me as soon as you can, if you have not done so already.

By next Steamer you will please send me and insured:

X (50) fifty Chests V.S. Tea

X (10) Ten Cases Pepper Sauce

X (50) fifty Boxes Raisins large boxes

If there is any Raisins in bond in small boxes you will please send me fifty (50) boxes of them, but be sure of their good quality.

X also (10) Boxes Corn starch

X (10) Boxes Colgate's starch, 20 lbs boxes.

I remain, Dear Sir,

Yours Truly

A. Casamayor

P.S. Please send also:

X (5) five Cases fresh Peaches.
