Mr Royal Fish

I have received your fav. 31st ultimo inclosing invoice & bill of lading. Herein inclosed please find draft on Bank of British Columbia for the sum of $ 349 54/100 for payt in full to date.

I have not received any certificate for the Coal Oil shipped per Primal and the American Consul advises me to ask you for a certificate which you may get signed from the Capn of the Primal if he should be in S. F. and then send it home for the Consul's sign. If the Primal should have left for the Sound you may send the certificate to me and I will send over in order to obtain the Capn signature.

Please send me per first sailing vessel the undermentioned articles. I am informed that in consequence of shipments from the East Crushed Sugar is very cheap if so you may send me 30 and 50 Bbls instead of 20 & 40, if not do not send any.

I remain

Yours truly
